ONOWAY WOMAN WINS WITH LOTTO 6/49

Submitted by Western Canada Lottery Corporation

Deborah Hokanson was surprised to discover that her LOTTO 6/49 prize was much bigger than she thought. She won \$133,811.60 on November 14's draw.

"At first I thought I had won \$1,333 for some reason," she said. "But I gave the ticket to the

store clerk and saw on the terminal that it said 'Major Winner.'"

"I was shocked!" she continued. "I couldn't believe it."

Hokanson is planning to use her winnings to pay off some bills and possibly go on a cruise this winter.

The Onoway resident purchased her winning ticket at Onoway Bigway Foods located at 4908 Lac St. Ann Trail South.

LETTER TO THE EDITOR: FED UP!

Submitted by Robert Sun Kim

How many people have to lose part of their livelihood? How many people have to be affected? How many more robberies before this will be stopped?

It feels like the RCMP just don't care anymore. There is

no information! No guidance, nothing! Out of all the people robbed we all have been victimized and feel a loss of security and we are all scared. Should there not be patrols?

What do we as a people who are unarmed do when it takes 30 odd minutes for the authorities to arrive? Do we let them go? Let them steal from us?

Rob us of our privacy? Of our sleep?

There are robberies happening almost EVERYDAY now in the tri lakes area! One most brazen one happened in Wabamun at the local watering hole during operation hours with pepper spray!

Come on now my fellow constituents, my friends, family, acquaintances. This my call of arms. Call your local MLA your local police detachment your local government. Demand to be protected from being victimized or robbed again. Demand that your family, friends, and loved ones be protected. Enough is enough. Let there be no more victims let us feel safe. Let's stop this before every single person in the tri lakes area gets robbed. I'm sure all the businesses that have an ATM already have.

JOKE OF THE WEEK

After a Beer Festival in London, all the brewery presidents decided to go out for a beer. Corona's president sits down and says, "Señor, I would like the world's best beer, a Corona." The bartender takes a bottle from the shelf and gives it to him. Then Budweiser's president says, "I'd like the best beer in the world, give me 'The King Of Beers', a Budweiser." The bartender gives him one. Coors' president says, "I'd like the best beer in the world, the only one made with Rocky Mountain spring water, give me a Coors." He gets it. The guy from Guinness sits down and says, "Give me a Coke." The other brewery presidents look over at him and ask, "Why aren't you drinking a Guinness?" and the Guinness president replies, "Well, if you guys aren't drinking beer, neither will I."

Continued From Page 1

but now is almost 50 singers – soprano, alto, tenor and bass. The choir performs a wide variety of works from the choral tradition – everything from madrigals to gospel, pop, and ethnic music – and have a lot of fun doing it! There are no auditions, and you do NOT have to be able

to read music.

Each member is provided with a CD of his or her own part to reinforce the weekly rehearsals. The CDs allow members who miss rehearsals for vacations, illness, work, etc., to practice on their own schedules. That means they keep up with the rest of the choir, so can fit right in when they return.

The new season starts Wednesday, January 6. Registration begins at 6:15 p.m., where you'll receive a CD of your musical part along with the music for the term. Rehearsal begins at 7 p.m., with regular rehearsals from 7 to 9 p.m. every Wednesday until performances begin in May. New members are welcome anytime in January, and if you aren't sure it's a fit for you, try the choir for two consecutive weeks with no obligation.

Artistic Director Debbie Rosen chooses music to fit choir capabilities, but she also includes a few that challenge the singers. "I love how the choir has grown in just five years, and by asking singers to stretch themselves, our audiences benefit from better, and more professional, performances."

Debbie Rosen has an extensive musical background, and community choirs aren't new for her.

She is past-director of Canmore's Valley Winds Choir and Band. She was also Music Director for Canmore's Cornerstone Theatre, and on-stage pianist for the world-acclaimed dinner show "Oh Canada, Eh!?". A founding member and director of the internationally acclaimed a cappella ensemble "In The Pink!", Debbie still travels to join them for special performances.

Choir membership costs only \$70 per person (per season), but everyone is occasionally asked to contribute a small bit of time toward fundraising activities. More than one in your family who wants to sing? Other family members get a 15% discount.

OH HOW SWEET IT IS SWEET HOUSE & BAKERY ONOWAY (587) 416-7384

Oh How Sweet It Is Sweet House & Bakery is one of those small town businesses that started off as a hobby and grew into a much bigger hobby that is now a micro bakery full of fun! Tracy Crispin and Michelle Kolodychuk put in a lot of hard work and long hours before opening the doors to the business location of Oh How Sweet It Is Sweet House & Bakery located at 4918 51 Street Onoway, Alberta. They started off at their residential home making cake pops and it got so big, so fast that the husbands refused to let the ladies to take over their garages!

An opportunity came up to move to the location they are presently at. The ladies scrimped and saved with no loans acquired and they finally accomplished opening the doors in June 2013. Michelle Kolodychuk is unfortunately not with the company anymore. With all the hard work put into getting the business up and going it would have never happened without Michelle and Tracy working hard together. They relied on each other for support and the helping hands of one another to get the business up and going.

The warm inviting business started off as a sweet house bakery, with Baked Goods, Soups, Sandwiches, fresh Buns and made to order Cakes. This seemed to hit a home run with the community in many different directions. Now they have everything from; Smash Cakes, Fresh Squares, Cookies, Cinnamon Buns in Caramel Sauce, Regular Sandwiches,

Stuffed buns in 22 different flavors which are full of cheese and meat. Some of the standard flavors are Pizza, Cheese Burger, Donair, Chipotle Ham, Hawaiian, Red Pepper Jelly, Beef and Feta, Bacon Ranch, little Italy, and Tequila Beef. Some of the soups on the menu are: Supreme Pizza Soup and the Three Cheese Beer Soup. The biggest specialties on Friday is the warm Loaded Baked Potato Soup that comes with a fresh homemade bun. Another fun specialty you can order is the Italian Sodas that they have put a twist on with 65 different flavors or order a Bubble Tea in all the same 65 flavors!

Sometimes people from the community will bring in their own recipes to Tracy and she will always give anything a whirl. "Good impressions go a long way and she is pleased to support and work with her community."

Tracy also takes on catering locally on a smaller scale for business courses, funerals, business lunches or small events with a combination of a soup, sandwich, and a beverage for \$8.50 or add a sweet treat for \$10.00. Groups that would like to call ahead and reserve tables are always welcome and local companies are doing this on a regular basis. They also take on personalized orders (custom requests) and it does happen with very short notice at times, but they all work together and make fun out of the challenges they are presented with.

Oh How Sweet It Is Sweet House & Bakery, is "growing bigger and doing better than expected but always stays humble because anything can change and never assume everything is fine, always strive to do better."

Tracy is a volunteer fire fighter, she feels that everyone is pulling there strings tighter due to the economy and everyone needs to stay in touch with the community. "We know everyone is struggling but if everyone sticks together, support your community in every way you can. It doesn't need to be a hand out, but it could be volunteering for anything. "I have always been brought up to look out for the other person, you do not have to be visible to help out whether if it is family or a group of people."

Tracy also has four employees, two of her sons, one which is autistic and two ladies from the outreach program in Onoway that are practically full time but school always comes first. She has been a very supporting mentor and has let her strings go for the girls to do their own thing with their own creative ideas with various items from specialty soups and cakes.

So with a warm thank you for all the support from the community. Please feel free to stop in and see what we are all about, and remember to "always eat your dessert first because life is too short!"

WHITECOURT'S 2016 INTERIM BUDGET

Submitted by Tara Gallant

Whitecourt Town Council has approved the 2016 Interim Operating and Capital Budget. The interim budget includes over \$54.67 million of capital and operating expenditures and requires a 0% overall tax change.

"This interim budget will ensure that we continue to meet growing community needs in a conservative and fiscally responsible way," said Whitecourt Mayor Maryann Chichak. "We are striving towards a 0% tax increase. I hope that when the final budget is passed we can meet this target; but it is important to note that the Province's budget has the potential to substantially impact our budget depending on grant allocations."

Capital Budget Highlights:

- Street improvements program valued at approximately \$1.3 million that includes: an overlay program; west Whitecourt drainage improvements; street, stairs, lighting, and sidewalk repairs;

- Continue to partner with the Province, Woodlands County and industry for the design and construction of bank erosion protection along the Athabasca River;

- Continuation of Whitecourt Transit with capital funding improvements funded in part by the GreenTRIP Provincial Grant Program;

- Purchase of a Fire Heavy Rescue Truck in partnership with Woodlands County;

- Detailed engineering of the Athabasca Flats East area will continue with the construction of associated road infrastructure;

- Engineering for the Water System Upgrade Project, which includes a second utility river crossing to west Whitecourt, a dedicated supply main and pump upgrades, pressure reducing station and other system upgrades;

- Purchase of 182 acres of land for urban and recreational development;

- Recreation will continue with ongoing maintenance for all public facilities, and capital investments including: energy enhancement projects at the Allan & Jean Millar Centre and Scott Safety Centre; tiling in the McLeod Rink showers and chiller repairs at the Scott Safety Centre; and playground enhancements and replacement of the Wagoner neighbourhood playground;

- Rotary Park enhancements include: construction of washroom/change room building, additional parking lot landscaping, and installation of a small sun shelter at the Off Leash Dog Park;

- Implementation of a trail sign project which will include design and installation of new signs for trails and staging areas throughout our local trail system.

Operating Budget Highlights:

- Continued implementation of odour mitigation measures at the Wastewater Treatment Plant, with a full evaluation of projects to be presented in early 2016 to assess the impact of the control efforts

to date and make recommendations for future upgrades;

- Continuation of economic development initiatives that focus on business attraction; continued involvement in the Business Support Network; and promotion of Whitecourt through trade fairs, special promotion, and conferences;

- Continued participation in evaluating the feasibility of an arts & culture centre with community partners;

- Recreational enhancements: additional track circuit equipment and weight/cardio equipment at the Allan & Jean Millar Centre; continuation of spe-

cial events with the addition of a Children's Festival.

New this year, Council will be hosting public open houses on the budget. Details will be announced in early 2016.

"Engagement and transparency are a priority for Council, and I'm eager to hear feedback from the community," noted Mayor Chichak. "I encourage all ratepayers to attend the open houses and help shape the final 2016 budget."

The budget will be finalized in the spring of 2016 once the Provincial budget is adopted, and final assessment figures are established.

NORTH WEST FIRE RESCUE – ONOWAY LTD

Submitted by Dave Ives

It is with great pride and excitement that I announce North West Fire Rescue – Onoway Ltd (Operating as Onoway Regional Fire Services) has commenced front-line 911 fire and rescue response services as of January 1st 2016. Onoway Regional Fire Services is the first of its kind in Alberta and perhaps the entire country – a Hybrid private fire company providing municipal fire and rescue services.

Onoway Regional Fire Services have assumed operation of

two fire stations, one in the Town of Onoway and the other within the Village of Alberta Beach. Onoway Regional Fire provides Structural and Wildland fire response, medical first response, initial hazmat response, and motor vehicle collision rescue / extrication on behalf of the communities of: Alberta Beach, Castle Island, Nakamun Park, Onoway, Silver Sands, South View, Sunset Point, Val Quentin, & Yellowstone. Through this creative merging of public and private interests, Onoway Regional is poised to provide an el-

evated level of service by way of adding fulltime fire officers, firefighters, and medics as well as part-time career rescuers along with the more traditional paid-on-the-call cadre of firefighters. The desired result: more members, better training, and faster responses.

Although Onoway Regional Fire Services is still very much in the growth stage, they already boast: 5 Career Fire Service Officers, 2 fulltime Firefighters, 22 Part-Time Firefighters / Medics, 8 Paid-On Call Firefighters, and another half- dozen new re-

cruits. For front-line response Onoway Regional Fire utilizes one municipal fire engine, one water tender, one very unique rapid-response unit, and the areas first quint (ladder truck). In addition, Onoway Regional Fire has access to North West Fire Rescue & Training Ltd's three industrial fire engines, 3 mobile treatment centers, 2 supplied air trailers, and 1 bush unit - based within the area.

Onoway Regional Fire Services has mutual aid understandings with Sturgeon County Protective Services, Parkland County Fire Services, and Alexander First Nations. This type of cooperation is meant to keep everyone safe and forms an important part of the larger fire services community. Unfortunately in spite of the strength of the Onoway Regional Fire delivery model as well as the fact that Onoway Regional's stations are as close or closer to at least two-dozen county communities, Lac Ste. Anne County has refused mutual aid offerings from Onoway Regional and has also denied any assistance to Onoway Regional Fire Services and the communities it serves. Onoway Regional Fire Services continues to encourage mutual respect, teamwork, and mutual aid throughout the area and hopes the county's position on this matter becomes more measured.

Onoway Regional Fire Services is on track to double its complement of paid-on-call firefighters by summer and thanks to the unprecedented support of the Village of Alberta Beach; Onoway Regional Fire Services will soon have living quarters within the Alberta Beach station – further reducing emergency response times. For more information regarding Onoway Regional Fire Services and / or our unique delivery model, please contact me directly - 780-777-4688 or davidives.nwfr@gmail.com

ONOWAY ROYAL CANADIAN LEGION NEWS

Submitted by Lorinda McCool

Welcome to 2016! I hope you had a wonderful Christmas and are looking forward to a happy and healthy New Year. The days are getting longer, the sun higher and Spring can't be too far away, can it?

Consider making one of your New Year's Resolutions joining the Legion. We are very active in changing and improving the lives of our veterans, the RCMP, our youth, seniors and families, our members and community. We also offer financial assistance, support and comradeship. YOU can make a difference by assisting in our Remembrance Day activities, helping us preserve our history as well as participating in the Lest We Forget Concert and silent auction preparation. Our President Scott Sadler has the perfect answer to the question: "Why would I want to belong to the Legion?" The answer: "Why not!"

The supper on December 18th featuring Chicken Tournedo was again very successful due to the efforts of Bob, Ron, Marcelle, Lorne, Derald, Jay, Pat St. H., Liane, Randy

and Scouts Harvey and Marshall. Thank you to everyone including Scott for selling tickets, Louise for looking after the bar and the Nevada tickets, Cheryl for getting the information I need regarding the draw winners and to Larry and Carol for their enthusiastic efforts to sell tickets on the Men's Momentum Dive Watches allowing the Legion to place one more pool table in the hall. The free dinner voucher was won by Barb Coffey, Daryl Weber and Wade Neilson each won a meat draw (thank you Onoway Big Way for the extra meat draw), Pat St. Hilaire searched for the Queen but turned up the three of spades. The three watches were won by Mark Armishaw, Sylvia Potter and Shanna Johnston who in turn allowed her winning watch to be presented to our loyal and hardworking Scout Harvey. Gordon Adams and his family donated a turkey cooker to the Legion and the best news of the night...Donna Latimer is home again with Ted and I don't know who is happier about it. Welcome home Donna!

Thank you to the anonymous donor who dropped off four hams and

four turkeys to the Legion allowing us to forward them on to the Food Bank before Christmas. Your generosity is overwhelming and truly appreciated.

Cory Gyman represented the Legion at the Singles Pool Division 8 Playoffs in Leduc and did very well but unfortunately will not be progressing any further. Congratulations on your excellent play and we look forward to watching you compete on the new pool table installed over the Christmas break.

Did anyone recognize the picture in the December 21st issue of the Bulletin as a "dart board" cake? Lynne Tonita baked, iced and brought it to our wind up party on December 15th. Luckily the knives that cut into her unique creation so we could sample it were not used on a real dart board!

Some of our volunteers had a very short Christmas Break as not only were the old dart board cabinets removed and replaced but inventory was taken and everything was set up for the January 2nd dart tournament. Hats off to Peter, Larry, Mark, Dave, Scott, and Broley for their sweat equity and wonderful work-

manship. Thanks also to Louise, Kim and Bob for their contributions to the work bee. As I mentioned previously not only has an extra pool table been added and assembled but our original table was also reserved (by professionals). They both look great! This new addition allows the Legion to bid for Legion Pool Sports and we are grateful for the work done by our volunteers that allows us this opportunity. Happy New Year. All of the best in 2016.

UPCOMING EVENTS:

January 5th - Tuesday Night Darts
January 6th - Wednesday Night Pool and Games

January 8th - First Friday Night Supper of 2016 - Greek Style Pork Chop

HAPPY NEW YEAR FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by Melanie Fitzgerald, Library Manager, Rich Valley Public Library

Congratulations to Clara Corbett for winning the elephant in our kid's scavenger hunt contest! Keep checking the library for upcoming contests. We had great fun at our ice cream party yesterday. Congratulations to all the winners who achieved their 20 stars in Mrs. Fitzgerald's Great Reading Challenge. Keep reading to get your 20 stars to join us for our next ice cream party!

This month we are offering the following programs:

On January 23, 2016 we will be hosting PeopleSavers. This is a pro-

gram designed to provide children with basic first aid knowledge and awareness in the emergency medical system. There will be 2 levels provided. Level 2 is for ages 6-8 years old from 10 am to 12 pm. Level 3 is for ages 8-10 years old from 1 pm to 3 pm. Registration is a must for this program. There is a cost of \$10 per participant. The registration deadline is January 12, 2016. Call the library @ 780-967-3525 to register.

Story time on Wednesdays from 11-12 pm resumes January 6 as well as Mom's And Tot's from 10-11 am. Toddlers and preschoolers will once again be taking over the Rich Valley Public Library and we couldn't be happier. Come and join us for story time and crafts. Tents and tunnels

will be every 3rd Wednesday of the month.

Adult WHIST will start again on January 8, 2015 at 7:30 pm and every 2nd & 4th Friday of the month for \$2.00 a person. Just drop in and play some cards.

Tech Tuesdays on Tuesdays by appointment. We have teens available on Tuesdays to help with your tech problems. Just call the Library with your issue and the time you would be able to come in on Tuesday and we will pair you with a tech savvy teen to come and help you.

The Library will be holding our annual general meeting at 7:30 pm at the library in the yellow room on February 23, 2016. We will be holding elections and we are seek-

ing 2 new board members. If you are interested in the library and wish to volunteer your time we hold only 4 meetings a year. We look forward to seeing you there.

Casino Volunteers needed. The Rich Valley Public Library Society is looking for volunteers to work a casino on April 28 and/or April 29th, 2016. This is our first casino opportunity to help raise funds for programming and materials in our library. Contact the library @ 780-967-3525 if you would like to donate your time.

If have any questions feel free to contact us at 780-967-3525 or drop in. We are located in the basement of the Rich Valley Community Hall.

FATAL SINGLE VEHICLE COLLISION HWY 16

Submitted by RCMP Spruce Grove/Stony Plain

20151606932 - On December 14th 2015, at approximately 5:30 am the Spruce Grove/Stony Plain RCMP and Emergency Services re-

sponded to a single vehicle rollover on Highway 16, just west of Highway 44.

Police have been able to determine that a west bound vehicle lost control and rolled, coming to rest in the centre median. The driver, a 57 year

old male, and loan occupant of the vehicle was pronounced dead at the scene.

Police do not believe that alcohol was a factor in this incident. The roads were icy at the time and the driver was not wearing a seatbelt.

No other vehicles were involved in the collision.

The victim's family has been notified, however his name is not being released by police.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
