SPRUCE GROVE COUPLE WINS \$1,000,000

Submitted by Western Canada Lottery Corporation

Jerome and Diane Campbell had no idea when they bought their LOTTO 6/49 ticket that their lives were about to change forever. The married couple won \$1,000,010 on the December 9 draw.

“I checked the numbers online five times,” said Jerome. “I was having a really hard time believing that we actually won the lottery.”

The Campbells were having such a hard time believing they had won that they took their ticket to the store to scan right after checking the numbers online.

“We scanned it and I thought ‘Holy! We just won

\$1,000,000!” said Jerome.

“We both started shaking,” said Diane. “We really couldn’t believe it.”

The happy couple are looking forward to a big change in their life; they plan to use their

winnings to retire and do some traveling.

Jerome purchased their winning LOTTO 6/49 ticket at Fas Gas Kingsway Service located at 201 King Street in Spruce Grove.

JOKE OF THE WEEK

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover.

The little boy watched in amazement and then asked, "What's the matter --haven't you ever seen a little boy before?"

SPRUCE GROVE/STONY PLAIN RCMP INVESTIGATE REPORT OF SHOTS FIRED

Submitted by Spruce Grove/Stony Plain RCMP

(UPDATE #2) Spruce Grove, AB - On January 5, 2016 at approximately 2:00 p.m., the Spruce Grove/Stony Plain RCMP responded to a report of shots having been fired from within a residence on Garneau Gate, Spruce Grove, Alberta. A neighbour had contacted police to advise that a shot appeared to have hit the neighbour's

home. As the RCMP arrived, they heard what appeared to be further shots fired. Police established containment in the immediate area and advised residents in the area to remain in their homes until it was deemed safe.

Shortly after the police had secured the area, two uninjured adult females exited the home and were removed from the immediate area by police for their protection. It was determined that an adult male

was within the home with at least two firearms. RCMP Police Dog Services and the RCMP's Emergency Response Team were deployed and EMS was staged nearby.

The RCMP immediately commenced negotiations with the adult male inside. At approximately 6:20 p.m., the RCMP was able to enter the home and secure the arrest of the male. The male was suffering from a gunshot wound when located

within the home and was transported to hospital by ambulance where he was reported to be in critical condition. The RCMP did not discharge any weapons during this event and no members of the public or police were injured.

The RCMP continues to investigate this matter as a criminal event; however, no charges have been sworn.

Both men have been remanded in custody and will appear in Stony Plain Provincial Court on December 23rd.

Both men have also been charged with similar offences in Devon and Hinton and will make separate court appearances on those matters at later dates.

SANGUDO HORTICULTURAL CLUB, A YEAR IN REVIEW

Submitted by Brenda Ogden

2015 reviewed.

Our plant of the year for the horticultural members was the Zalyzianskya. It is a member of the figwort family and is found in southern Africa. There are 60 species of this plant. It is an annual ornamental plant whose petals close in the heat of the day and open with a strong aromatic odor in the evening. Ours had a burgundy exterior with a pure white center. It has a big name for a small plant.

Our club's photo competition has photo submissions judged every year. Categories are: individual plants, container planting, seasonal yard, beds, borders, wildlife, vegetable gardens, trees, shrubs, landscape, dusk to dawn, and miscellaneous. Tim Couiyk has the admirable task of judging. Thanks Tim.

"Simply the Best"

Sangudo Horticultural Club, A Year in Review

Continued From Page 6

July was the month of tours. Throughout the year the Master Gardeners Association of Alberta organizes workshops, seminars, and tours. On July 7 several of our members travelled to St. Albert. We had an excellent tour of the beautiful Botanic Park, guided by Margaret Plain, one of the many dedicated volunteers at the Park. Members of the Stony Plain Horticultural Society kindly included our members to take part in their annual members' open gardens. We had two opportunities to view some lovely and diverse gardens.

July 11th from 10am-4pm. Jo-Ann Lubbers and Jo Granger had garden tours of their yards.

August 26 - tour of Dr. Ieuan Evans' farm by Spruce Grove

We had been invited to tour his garden and see his numerous fruit trees, iris and martagon lilies. Dr. Evans is a well known plant pathologist, plant breeder and is known nationally and internationally in the horticulture scene for his work with cereal crops, Dutch Elm Disease and Evans Cherry tree.

September - We showcased our garden produce and shared recipes.

October - Our meeting topic was Herbal Pharmacy with Denise O'Reilly as our guest speaker. There was also a video about this topic. Part of Denise's presentation was information by Gudrun Penselin who is a clinical herbal therapist, and Adrian de Lander a traditional Mexican healer. Gudrun Penselin believes in a holistic approach to wellness, and has traveled many places on our planet to learn other healing traditions. She uses herbal medicine, reflexology, Bach flowers, iridology, sclerology, light and color therapy, emotional freedom techniques, bio-feedback and lifestyle improvement.

November held our Christmas activity. We went to Canada's largest Christmas store the Greenland Garden Center in Sherwood Park. There was much more than just designer decorated Christmas trees but they did fill up a lot of the floor space. Most of the trees had lace ribboning and different themes, some even had birds

nests in them. I learned about the tradition of hanging a glass pickle ornament in the tree, however the roots of this tradition are still disputed.

And now we are excited about our upcoming event. January 23, 2016 we will have our 9th Annual Garden Club Day at the Sangudo Community Hall. Our special events will be How to have a Beautiful Yard and Garden with Less Effort. Maggie Nielson is a Master Gardener who is into landscape design, is a consultant as well as a horticulturist and an arborist. She runs her own busi-

ness Deep Roots Garden Design where she and her staff help customers with landscape plans, garden maintenance, reorganization of plants, container arrangements and integrated pest management. The company motto is the right plant in the right design and give the right information to succeed the first time.

Our other speaker is a local garlic grower Jim Kastelic. Jim has grown garlic for over 70 years. Jim's garlic was brought over from Slovakia. He has since had a cultivar the Kastelic purple named after him. Jim's growing talent

has been featured in the Canadian Garlic News based in Ontario. Jim has grown 2500 plants in a year but has now cut down to 800 plants last year. He plants his crop in early April.

Contact information for this event is Brenda 780-237-4771 Gloria 780-785-3193 and for e-mails hpthompson0703@gmail.com

Registration deadline is January 21, 2016.

Registration forms can be obtained from the Sangudo Horticultural Society Website and the Lac Ste Anne County Office.

CANADA PENSION PLAN AND OLD AGE SECURITY BENEFIT AMOUNTS EFFECTIVE JANUARY 1, 2016

Submitted by CNW Group Ltd

GATINEAU, QC, Dec. 30, 2015 /CNW/ - Employment and Social Development Canada today announced the benefit amounts for the Canada Pension Plan (CPP) and Old Age Security (OAS) effective January 1, 2016.

CPP benefits will increase by 1.2 percent for those already receiving CPP benefits. For 2016, the maximum CPP retirement benefit for new recipients age 65 will be \$1,092.50 per month, an increase of \$330 for the year compared to the 2015 maximum CPP retirement benefit.

The new CPP rates will be in effect until December 31, 2016. CPP benefits are revised once a year, in January, based on changes over the 12-month period (November 2014 to October 2015) in the Consumer Price Index (CPI), which is the cost-of-living measure used by Statistics Canada.

OAS benefits, which consist of the basic OAS pension, the Guaranteed Income Supplement (GIS) and the Allowances, will increase by 0.1 percent for the first quarter of 2016 (January to March). As of January 1, 2016, the basic OAS pension will increase from \$569.95 to \$570.52 per month.

OAS benefits are also based on the CPI, but are reviewed quarterly (in January, April, July and October) and revised as required to reflect increases in the cost of living as measured by the CPI. Although OAS and CPP benefits are not indexed at the same time, they are both adjusted with the cost of living over a given year.

Quick Facts

- The Old Age Security (OAS) program and the Canada Pension Plan (CPP) enhance the quality of life of Canadian seniors by providing a modest base upon which to build additional income for retirement.

- The OAS program is funded through general tax revenues and provides a basic monthly income for Canadian seniors. For 2014–15, \$44.1 billion in OAS benefits were provided to 5.6 million indi-

viduals.

- The CPP (or the Quebec Pension Plan in Quebec) is funded through contributions by Canadian workers, their employers and the self-employed and through investment earnings on the Plan’s funds. In addition to retirement benefits, the Plan provides dis-

ability, death, survivor and children’s benefits.

Quote

“I would like to reiterate the government’s commitment to improve the income security of seniors, which includes increasing the Guaranteed Income Supplement for seniors who live alone,

indexing Old Age Security and Guaranteed Income Supplement payments to a new senior’s price index, and cancelling the increase in the age of eligibility, from 65 to 67 years, for Old Age Security.”

ONOWAY ROYAL CANADIAN LEGIONS NEWS

Submitted by Lorinda McCool

There are so many little red-polls at our feeders that we almost need to find a traffic controller to stop them from fighting! According to the Canadian Wildlife Federation information these tiny birds can survive -30 degree weather by burrowing around 10 centimeters into the snow to keep warm

overnight but they need to eat their weight in food daily. Please keep your feeders full for these delightful little winter guests.

We had a great District 8 Mixed Dart tournament on January 2, 2016 with ten teams attending and Onoway was well represented by three teams. Unfortunately, no local teams will go forward but the Navy Rib Meal was sensational and everyone thoroughly enjoyed

the competition. Thank you to our volunteers Bob, Ron, Marcelle, Jay, Lorne, Diane, Allen and Pat St. H. According to the dart players you went above and beyond to provide them with a terrific meal.

We had our elections on January 4th and congratulations to Scott Sadler as President, Ric Moses as Vice-President, Val O'Toole as Treasurer, Bob Walker as Service Officer and Robert Heinz as Service Officer. Our directors are Darren Sadler, Ed Gallagher, Larry Villneff, Jay Krause, Bernice Henry, Louise Bambrick, Bill Hombert, Liane Wenckowski and Ken Blacklock. Did you notice we have no Secretary? If you are an Onoway Legion member and would like the challenging and enjoyable position of Secretary, please contact Scott or Ric to volunteer your name.

Thanks to our corporate sponsors we are close to one third of the way to reaching our goal

of replacing the front doors and wheelchair access ramp. Thank you to everyone who has contributed to this worthy goal.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

December 22, 2015

Whitecourt Town Council has approved the 2016 Interim Budget. As part of the budget process, Whitecourt conducted a review of the Whitecourt Transit service, and Council has committed to continuing transit at similar service levels throughout 2016. Also, the Town of Whitecourt was recently awarded \$1.25 million from the Province's GreenTRIP grant program, and the municipality

has accepted the grant terms and conditions. Over the next several years, Whitecourt will be utilizing the funds to purchase capital items, including transit buses, a new para-transit bus, bus shelters, benches; and also to construct new storage/bus bays.

Whitecourt Town Council has provided first reading to Borrowing Bylaw 1513 which will allow the municipality to borrow \$1 million, to be repaid over a 10 year period, for the purchase approximately 182 acres of land located W1/2 Section 6

Township 60 Range 11 West of the 5th Meridian. The land is intended for urban development and recreation. The bylaw must be advertised for 2 weeks, and will be presented to Council at a future meeting for third and final reading.

Avery Ulliach and Mark Gilmore have been named winners of the "Mayor for the Day" initiative. The program, which launched this year, was developed to raise awareness by local youth of municipal government activities. Students in grades 6 to

12 were asked to submit an essay suggesting a new initiative, or a change to existing programs or policies, that would positively impact our community. Avery and Mark will shadow Mayor Maryann Chichak for a period of time in early 2016, and will both receive an iPad mini for winning their grade category in the contest. Congratulations Avery and Mark!

As part of the approved interim budget, select fees will be changing as of January 1, 2016:

- Utilities – Information will be provided to all Town Utility Customers on the adjustments to utility fees. The Town of Whitecourt operates the water, sewer and waste utilities as "user-pay service." We are constantly reviewing our service and taking steps to ensure the long-term viability of the utility system. Our evaluations have demonstrated a need to adjust utility rates to ensure long term sustainability.

- Development Fees – The Planning & Development Department conducted a review of existing fees, and compared fees in other municipalities. It was determined that there was a need for the municipality to increase the fees to recover some operational costs.

- Sportfield Facility Rental Rates – Rental rates at Graham Acres will increase by 2% .

All rates are included as part of Town of Whitecourt Policy 13-002 – Fees Policy and can be found on our website.

Whitecourt Town Council has approved a request from the Community Lunch Box Program (CLBP) to install recycle bins for refundable containers at Rotary Park and the Forest Interpretive Centre. The Society collects recyclables and the funds generated are allocated to CLBP operations and initiatives.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
