SPRUCE GROVE COUPLE WINS \$1,000,000

Submitted by Western Canada Lottery Corporation

Jerome and Diane Campbell had no idea when they bought their LOTTO 6/49 ticket that their lives were about to change forever. The married couple won \$1,000,010 on the December 9 draw.

"I checked the numbers online five times," said Jerome. "I was having a really hard time believing that we actually won the lottery."

The Campbells were having such a hard time believing they had won that they took their ticket to the store to scan right after checking the numbers online.

"We scanned it and I thought 'Holy! We just won

\$1,000,000!" said Jerome.

"We both started shaking," said Diane. "We really couldn't believe it."

The happy couple are looking forward to a big change in their life; they plan to use their

winnings to retire and do some traveling.

Jerome purchased their winning LOTTO 6/49 ticket at Fas Gas Kingsway Service located at 201 King Street in Spruce Grove.

JUST SAY IT AND WE WON'T SPRAY IT: NO-SPRAY YEARLY RENEWAL AND SIGN-UP DEADLINE

Submitted by Stefan Felsing

The No-Spray program yearly renewal will be here before you know it and Yellowhead County Agriculture Services is asking landowners who do not want herbicides applied adjacent to their property to either sign up with a new agreement or renew their agreement annually prior to April 1.

In the 2014 season Yellowhead County Agriculture Services has identified through an inspection process that some of the agreement holders are not fulfilling their obligations with No Spray Agreements that have been signed. Some areas are being neglected and the weeds and brush continue to spread which in turn increases the eventual costs of control. Neglected No-spray Agreements will no longer be allowed renewal unless adequate

control work has been completed and re-evaluated by Yellowhead County Agriculture Services. We are hoping that this renewal process will motivate agreement holders to commit to their vegetation management.

Renewal of No Spray Agreements will no longer be accepted by phone. A new form will need to be submitted yearly and approved by Yellowhead County Agriculture Services staff. If you have chosen not to renew an agreement for the upcoming year, we ask that you please remove your signs prior to the start of the spray season starting May 1.

Yellowhead County requires each landowner/occupant who has signed the agreement to fulfill their obligations before the July 1 deadline. After the July 1 deadline, Yellowhead County re-assumes responsibility for weed/brush control on Yellowhead County Roadsides and may apply

herbicide adjacent to non compliant properties if necessary.

Residents who have any concerns or questions with respect to the spraying of roadsides in their area or No Spray Agreements are urged to contact Yellowhead County Agricultural Services at 1-800-814-3935 or (780) 325-3782. Costs for the no-spray signs are two for five dollars.

April 1 – No-Spray program yearly renewal or sign up deadline.

May 1 – Property owners who have not signed up for the 2016 No-Spray program are required to remove their No-Spray signage.

July 1 – Landowners/Occupants must fulfill all no-spray weed/brush control obligations prior to this date; failure in compliance will result in applications of herbicides administered by Yellowhead County Agricultural Services.

JOKE OF THE WEEK

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover.

The little boy watched in amazement and then asked, "What's the matter --haven't you ever seen a little boy before?"

LOBSTICK RIVER FOODS (2014) LTD.

WILDWOOD, AB

325-3834

Lobstick River Foods (2014) Ltd., Part of Your Community...

Lobstick River Foods (2014) Ltd. is located at 5119 - 50th Street, main street wildwood, next to the local ATB Financial. With a wide variety of groceries and confectionary to offer this location is the "go to" for local residents. They take considerable pride in their wide variety of fresh produce and they have the only hunting/fishing license kiosk between Drayton Valley and Edson. The store is the whole package as it sells phone cards, has movie rentals, a busy Lottery Terminal, a Greyhound bus stop, parcel delivery and pick-up and even an in-store ATM machine.

This one stop shop that provides the essentials to residents in the Wildwood area was originally owned and operated by Bill and MaryAnn Nikolyuk for over 40 years. Sue, Steve and their daughter Megan Otway took over the business in July 2014. Megan had worked for the previous

owners and as they were deciding upon retiring, she had been discussing ownership herself with them. After discussions with Sue and Steve they decided to make a go of it as a family. The Otway's daughter has a knack for customer interactions and she wishes to run this business in the future. As a family they are supporting her on a great career in their own community.

Lobstick River Foods (2014) Ltd. is a well-rounded grocery store with a great selection. They pay particular attention to freshness and the dates on all their packaging and products. As a locally based family, they know their customers well. They try to take care of the seniors too and will carry their groceries and/or water out for them as needed.

"One accomplishment we are proud to say is that we have generally kept our customer base through this transition from Bill

and MaryAnn's time. Our community has supported us with their continued business, and to this we say ...Thank You! Our future plans is to continue to provide fresh and affordable groceries, and the other services we have now into the future. We know our customers could shop elsewhere if they chose and we thank them for choosing us."

Steve Otway is an on-call Captain with the Yellowhead County Fire Department, based out of Station 9 in Wildwood and Sue Otway serves on the Yellowhead County Library Board. As local farming residents in the area they believe in giving back to their community. Donation highlights this last year include Santa's Anonymous and Wildwood Bronc Bustin, amongst many others.

E-PETITION ON A REFERENDUM ON ELECTORAL REFORM

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: I would like to wish everyone a Happy New Year and all the best for 2016. Although the House of Commons only sat for one week at the end of 2015, there were a number of issues that have caused concern from our fiscal situation to significant changes to our electoral system. The new government has stated that this past federal election will be the last conducted under the first-past-the-post electoral system.

The Liberal Party has committed to unilaterally changing the way Canadians vote without their direct consultation. Not since the 1950s has a Canadian government tried to alter their electoral system without consulting their people in a referendum. The Liberal Government in British Columbia (2005 and 2009), Prince Edward Island (2005), and Ontario (2007), put their proposed reforms to a referendum. Further, in peer countries, New Zealand and the United Kingdom, the people were similarly consulted by way of referenda. Modern democratic

societies overwhelmingly support the use of referenda when changes to an electoral system are proposed.

I believe that no system should be enacted into law unless it has been expressly approved by the voters in a referendum. To that end, a new electronic petition calling for a referendum on electoral reform is now available. The petition e-48 marks one of the first uses of the e-petition system, which was introduced this year. This petition was created by Michael Rybacha, on December 10, 2015, using the new system through

which Canadians can create, sign, and monitor e-petitions on the Parliament of Canada website, at: <https://petitions.parl.gc.ca/en/Home/Index>

The government is proposing fundamental change to our democratic system and Canadians must be given a direct vote on the final proposal, whatever it turns out to be. I encourage any Canadian who values democracy to sign this petition, or others like it, to ensure your voice is heard by the government.

GYPSD JANUARY SCHOOL NEWS - HERE COMES 2016!

Submitted by Nikki Gilks

LOBSTICK ZONE

Grand Trunk High School, Evansburg

The holiday season is fast approaching and hopefully everyone will have a quiet and enjoyable Christmas break. The junior high basketball season resumes right away after the holiday break as the teams have a number of home and away games. Please check the calendar on our school's website for a complete listing of tournaments and league games for the basketball season.

January also brings the end of the first semester and students preparing for their midterm and final exams. Letters will be sent home indicating when students will be writing their various exams, as well as this information will be posted on the school website. We would also like to remind those students writing diploma exams in January to be prepared for any inclement weather that may occur on exam days. Students are responsible to make any necessary arrangements to get to the school to write their exam. Watch for more information regarding exams on our website and in your mailbox.

Jan 28-30 - Sr. B'ball @ Ryley Wildwood School, Wildwood Preparation school-wide for the Christmas Concert is intense! The Polar Express is sure to be enjoyed by all on December 16th. K/1's have been excitedly sewing teddy bears, making

graham wafer and candy houses, writing letters to Santa and delivering them to the post office. They also created a gigantic 'gingerbread cookie' who ran around our school, leaving them clues as to where he went. Once found, his final note encouraged them to enjoy eating him! Grades 2/3's have been dutifully

creating lanterns, reading with the grade 6's, and writing Christmas stories.

Grades 4/5's have been enjoying regular visits to the public library, making pastel murals, and recording conversations in French.

GYPSD January School News - Here Comes 2016!

Grade 6's are successfully using performance based assessment to prove their learning of aerodynamics. And our grades 7-9 are participating in curling. In Art, wire sculptures were build. In Forensics, there was a 100% success rate on the extraction of DNA (from strawberries).

We will sincerely miss our wonderful student teacher, Shannon Kowataluk! She has been an excellent addition and we would

love to extend her time here at Wildwood School. Small School, Big Ideas!

Niton Central School, Niton Junction

December was an amazing month at Niton Central School! Students are working hard to become responsible citizens of the world and Bill 6 got our community pretty excited. Both grade 5/6 and grade 9 students learned how to write business letters so they could contact our politicians directly. The grades 4, 5 and 6 students sent letters to Premier Rachel Notley about the new farm safety legislation. Grade 9 students wrote to either Ms. Notley or Prime Minister Justin Trudeau, depending on the issues

they were most concerned about, including the Syrian refugee crisis and who pays for the PM's child care! Other junior high Language Arts projects had students creating everything from a recorded movie trailer to board games after a recent novel study.

In the meantime, grade 7 students explored issues with Canada's early fur trade in a very hands-on way. They were divided into 4 groups: First Nations, Hudson's Bay Company, 13 Colonies and New France. These groups worked together to create their team identities, then proceeded to set up trading negotiations with each other. Meanwhile, back in the grade 8 class, their recent Social Studies unit wrapped up with a Renaissance Fair. Students researched an area they were passionate about, made a trifold and diorama to illustrate what they learned, then created an activity to help elementary students learn about their project. The quality of the work was impressive and elementary students really appreciated the activities created for them. Topics included music, inventions and food in medieval times, gladiators, etc.

Christmas events this month started with our annual food drive for the WEE Foodbank, and we included an "Ugly Sweater Day" for comic relief. The theme for this year's Christmas concert was "Christmas Around the World" and included many creative and fun acts, as well as traditional Christmas fare. The evening always starts with a Christmas supper at the hall across the road, put on by the grade 9 class, then parents and community members come over for the concert afterwards. It's always a long evening, but full of Christmas spirit!

Merry Christmas and a Happy New Year to you, from all of us at Niton Central School! We will all work towards a more kind, peaceful world in 2016.

Niton Events for January:

Jan 13 - PAC Meeting

Jan 16 - Staff Meeting

SPRUCE GROVE GUN CLUB SUPPORTS CANADIAN FORCES AND LAW ENFORCEMENT FAMILIES THROUGH VALOUR PLACE

Submitted by Doug Downs

December 15, 2015, Spruce Grove – The Spruce Grove Gun Club was recently the site of a competition that raised a record \$10,000 in support of a very worthwhile cause. Over 60 competitors, members of the Wild Rose Action Shooters, traveled from throughout Alberta and Saskatchewan to participate in the day-long three-gun match. The result was a significant donation to Valour Place, the Edmonton support home for the families of present and past military and law enforcement personnel.

Civilian, police and military shoot-

ers competed side-by-side. As the third annual event of this nature, this year's contribution was more than double last year's total, gratefully accepted by the Valour Place house manager Martin St-Onge.

Martin expressed his thanks to the group and provided an overview of Valour Place, a temporary home away from home for the families of serving and retired Canadian Forces and law enforcement members who require a place to stay in Edmonton while receiving medical services. Instead of a hotel, Valour Place offers a supportive, welcoming and warm environment that is provided at no charge.

Often compared to Ronald McDonald House, but in this case for military and law enforcement families, Valour Place is the first of its kind in Canada. Despite addressing such an important need, it receives no government funding whatsoever. "Because our services are provided free of charge, it is only through the generosity of donors such as the sport shooters of the Wild Rose Action Shooters and the Spruce Grove Gun Club that we are able to sustain our facility," said St-Onge.

For more information about Valour Place please visit <http://www.valour-place.ca>.

For more information about the Wild

Rose Action Shooters please visit <http://www.wrasalberta.com>.

"This may be the last time the Spruce Grove Gun Club may be able to help Valour Place," said Club President Harold Ross. "Although we've met all safety, legal and County requirements Parkland County has chosen not to renew our development permit. We've been part of Parkland County for nearly a half century and we'd like to stay. We're asking people to send emails and letters to the County asking politicians to reverse their decision."

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
