MAN ARRESTED AFTER THREATENING TO BLOW UP HIS RESIDENCE

Submitted by RCMP Leduc

Leduc, Alberta - Leduc RCMP were called to a Caledonia residence in Leduc early this afternoon at approximately 12:40 p.m. in response to threats being uttered to cause an explosion within the residence.

Leduc RCMP negotiated with the suspect and lone occupant of the residence for approximately 10 minutes before taking him into custody without incident. A 39 year old man from Leduc is in custody with charges pending. A propane tank and a jerry can were seized from the residence by Leduc RCMP. Neigh-

bours close to the affected residence were advised to shelter in place as a precaution until the situation was resolved. There is no longer any threat to public safety and the investigation continues. The suspect in this case was known to police and no one was injured in this event.

LEDUC SEES ZERO INFLATIONARY INCREASE FOR CITY OPERATIONS IN 2016

Submitted by Mariann McLaughlin

Citizens will see a 2.26 per cent tax increase for 2016. This includes a 2 per cent tax impact for the final year of a four-year investment to address growth needs for emergency services and .26 per cent to cover the elimination of the province's Alberta Social Housing Corporation grant.

"After regular reviews of our economic climate, it has challenged us to hold the line, yet seek more efficiency in how we do business as we're not implementing an inflationary rate for the rest of city operations," says Jennifer Cannon, director of Finance with the City of Leduc. "Although no increase is set, we rose to the challenge and have included a few operational features implemented various efficiencies

and more effective ways of providing services to citizens."

These include:

- \$340,000 (not including capital costs) funding for the 2016 Summer Games
- \$159,952 for a two-year term shared fire inspector position with Leduc County
- \$75,354 funding increase to grants to organizations
- Approved by Leduc City Council, the 2016 budget reflects enhanced services, with:
 - An additional RCMP member, one Community Peace Officer and three detachment clerks
 - Three-year funding support for Leduc Adult Learning - \$10,000 (2016), \$45,000 (2017), \$45,000 (2018)

The City of Leduc 2016 capital budget of \$48.5 million will be dedicated to projects and initiatives

dealing with roads, offsite levies, engineering, parks, Public Services, facilities and other capital purchases (see attachment). The 2016 projected revenues are \$91.1 million will be allocated to standard operating expenses. The municipal projected 2.26 per cent tax increase is subject to change in spring 2016.

JOKE OF THE WEEK
Submitted by Joe Waldowski

A farmer stopped his truck on the side of the road and was watching two groups of workers from the County of Lac Ste. Anne working. He asked the foreman sitting in his pickup “just what the hell is going on here, one group is digging holes about 8 feet apart while another group comes behind and fills the holes up again”. The foreman says “we were told to plant trees along the fence for a shelterbelt but the guy that was supposed to deliver the trees took the day off.

SKATE SAFELY THIS WINTER BY STAYING CLEAR OF STORM PONDS

Submitted by John R. Statton

City of Leduc storm water ponds are not safe for walking or skating, and residents are asked to keep off of these surfaces.

"We want to let the public know that they should refrain from ice skating or walking on storm water ponds in the city," said Gerard MacNeil, manager of Enforcement Services with the City of Leduc. "When they are open for winter activities, the Civic Centre ponds are the only exception."

Why the City does not permit skating on storm water ponds:

- Storm water ponds have fluctuating water levels with potential depths that will not freeze solid.
- In 2014, there were five incidences where individuals fell through the ice at storm water ponds.
- Even when ice measurements are at an acceptable thickness, there have been incidences of children falling through the ice at storm water ponds.
- Enforcement on storm water ponds also pose a safety risk to City staff.

Parents are encouraged to teach their children about the dangers of playing on thin ice. Ice safety is a personal responsibility. Please visit <http://bit.ly/leducice> for more information on ice skating surfaces and a map of their locations.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
