TWO CHARGED WITH ARMED ROBBERY AT GAS STATION

Submitted by RCMP Morinville

Morinville, AB: On Thursday, January 21, 2016, at approximately 6:00 P.M., Morinville RCMP responded to a report of an armed robbery at the Gas Station in Sandy Beach.

Two male suspects, who covered their faces with bandanas,

entered the store and brandished a machete. The suspects then stole 6 bottles of liquor and fled on foot. The employee was in the back area and was unharmed.

The suspects were described as thin, wearing hoodie style sweaters and bandanas over their faces.

Shortly after the complaint was received, police followed

up with tips from the public and located the two suspects at a residence on the Alexander First Nation. Both were arrested and taken into custody.

The investigation continues.

Morinville RCMP would like to thank the public with their assistance in this investigation.

A BIG "THANK YOU!" TO OUR SUPPORTERS

Submitted by Rev. Rick W. Foster, Onoway Baptist Church

I would like to take this opportunity to again say "THANK YOU!" to our community supporters of our Lac Ste Anne East Food Bank. You are the reason we can continue to offer assistance to those in need in this area. Your continued interest and donations allows us to freely give the help that others require. This past Christmas saw the largest number of hampers given out in our 25 plus year history. But at the same time, this past December was also one of the strongest months for donations received. Thank you! Thank you! Thank you!

We at the Food Bank once

again worked hand in hand with Santa's Helpers to not only distribute food but also gifts to the children. For those who like a few more details there were 8 singles, 7 couples, and 38 families served for a total of 53 hampers. The total number of individuals was 179, of which 87 were children that were given gifts from Santa's Helpers. It is really an incredible sight to see the basement walls of Onoway Baptist Church lined with boxes of gifts, plus two tables of "extras" and two racks of clothing for people to pick from. All this on top of the two long rows of tables down the middle of our dining hall lined with the food hampers! And all this made possible by you, our community and the volunteers who welcome

the opportunity to serve. Please accept this short article as our expression of appreciation for your ongoing support of Lac Ste. Anne East Food Bank.

For those who enjoy the excitement of West Edmonton Mall's Galaxyland (whether it be you, your children or grandchildren), the food bank is having a fundraiser on Saturday, Feb. 6. This is a "private" ticketed event, and for the very reasonable price of \$10 you can purchase a ticket that is valid from 7:30 – 10:30 p.m. If interested in tickets, you can contact the Onoway Baptist Church office at 780-967-2266, or Tammy at 780-920-5797. Wishing you all the best for 2016!

HAPPY NEW YEAR FROM ALBERTA BEACH LIBRARY!

Submitted by Cathy Brennan, Library Manager

It is hard to believe that the holidays are over and a new year has begun. We had just gotten used to writing 2015 on our paperwork and now we have to retrain ourselves to write 2016!

We would like to thank the Grasmere School singers, under the guidance of Cathy VandenBiggelaar and Megan MacDonald, for once again putting us all in the holiday spirit with their great Christmas caroling.

The singers did themselves and their school proud and we hope to partner with the school again next year.

On January 28 we will host our first book club meeting of the new year. This month we are reading "The Walk" by Richard Paul Evans. If you would like to join us, we meet the last Thursday of the month at 7:00 pm.

Do you have a learning driver in your household? Something new at the library is the Learn 2 Drive kit. This kit is aimed at teens who are studying for their

learner's license and comes with learning aids to help your teen pass that test.

And as usual, come in to see us for books and dvds to keep you busy on the long, cold nights ahead. Our staff is very knowledgeable about many different reading and watching genres and are happy to make suggestions of new authors or movies for patrons to try. We have over 10,000 print items and 4,500 dvds at our library so we have something for everyone.

JOKE OF THE WEEK

After trying a new shampoo for the first time, a guy fired off an enthusiastic letter of approval to the manufacturer.

Several weeks later he came home from work to a large carton in the middle of the floor. Inside were free samples of the many products the company produced: soaps, detergents, tooth paste, and paper items.

"Well, what do you think" his wife asked smiling.

"Next time," he replied. "I'm writing to General Motors!"

LETTER TO THE EDITOR - COAL PLANTS

Submitted by Hon. Oneil Carlier, Whitecourt-St. Anne

Dear Editor,

Recently our government announced Alberta's Climate Leadership Plan. Based on the advice of the energy industry, scientists and Albertans from every walk of life, the plan will strengthen our economy, protect our health and make Alberta a leader on responsible energy. The plan will move Alberta away from coal emissions and towards cleaner power, reduce pollution by pricing it, limit oil sands emissions, make Alberta a leader in energy efficiency, and cut high-polluting methane emissions.

As the Premier promised, the carbon price will be revenue neutral. Every single dollar collected will be invested right here in Alberta. We will invest to create jobs building new green infrastructure, build

renewable energy projects, or to make homes and businesses more energy efficient to help Albertans cut their energy bills. We will also create an adjustment fund that will help families make ends meet, and support small businesses, indigenous communities, and people working in affected communities as we move away from coal.

We recognize families in our community make their living in coal mines or coal-fired electricity plants. We also understand there has been increasing pressure on our livelihoods, as the health effects of coal emissions become more widely known and as coal-fired operations close in Alberta and beyond our borders. The federal government has already set an end date for all coal plants in our province. In fact 12 of the 18 remaining Alberta coal plants are scheduled to close under the federal regulation

prior to the 2030 target in the provincial government's plan. In our community, we have eight plants scheduled for closure according to the federal government's rules:

Sundance 1 at the end of 2025; Sundance 2 at the end of 2019; Sundance 3 at the end of 2026; Sundance 4 at the end of 2027; Sundance 5 at the end of 2028 and Sundance 6 at the end of 2029; Keephills 1 and 2 at the end of 2029.

That means Alberta's Climate Leadership Plan will result in four units in our community—Genesee 1, 2, and 3, and Keephills 3—having to either find a technological solution in the next 15 years to eliminate their emissions or face closure in 2030. It may be that some of the plan's elements will see some closures in advance of the existing federal end date. However, as your MLA, I know that our provincial government is committed to work with

employees, communities and businesses who rely on coal to make the transition work in a way that supports families.

As Premier Notley has said, we will be providing appropriate adjustment programs to help us all move forward as we set on a new path. The Premier has asked me to help her figure out what will work best for our community as we move forward with this transition. I want to hear from you on how to make this work best for your family and community and I look forward to you sharing your ideas with me and our provincial government. We can be reached at 780-786-1997 or toll free at 1-800-786-7136, at PO Box 1435 Mayerthorpe T0E 1N0, and at whitecourt.steanne@assembly.ab.ca.

Sincerely,

Hon. Oneil Carlier

ONOWAY ROYAL CANADIAN LEGION NEWS

Submitted by Lorinda McCool

Greetings from the Onoway Legion. January has been a very interesting month with the various sports events, branch executive elections and the subsequent appointments to various positions. Yes, we think we finally have a Secretary (much to Kim's delight!). This information will be verified at the General Meeting and we certainly look forward to that very important position being filled. The appointed positions are as follows: Awards and Recognition – Ken Blacklock; Bar Officer – Louise Bambrick; Correspondent – Lorinda McCool; Fundraising – Ric Moses and Bob Clark; Kitchen Officer – Bob Clark; Maintenance – Scott Sadler, Dave Roberts and Cindy Galiford; Memberships –

Cheryl Sadler; Nevada and Poppy Chairman – Ed Gallagher; Service Officer – Bob Walker and Bernice Henry; Social Committee – Ric Moses and Scott Sadler; Sports Officer – Larry Villneff; Ways and Means – Val O'Toole and Dave Roberts; Hall Rental – Ted Latimer. Congratulations to everyone and hopefully their jobs will be enjoyable and fulfilling.

The Crispy Chicken Supper on January 15th was very tasty with one of the highlights being the Maple Glazed Carrots. This dish was an experiment so thankfully it was a successful one! Bob, Ron, Marcelle, Jay, Terry and Pat St. H prepared and served the meal. Ric washed dishes and Harvey cleared tables while Scott sold Chase the Queen and Meat Draw tickets. Cheryl was on hand to sell mem-

berships and Louise tended the bar. As you can see Friday night meals require a lot of help so if you have some time to spare please consider volunteering for a few hours to help with prep or clean up. Everyone is welcome and you do not have to be a member. Pauline Gibbs was doubly lucky winning both the free meal voucher and the meat draw but Lisa Johnson was not so lucky in her search for the Queen. Lisa turned up the five of spades ensuring someone will win over \$2500.00 should they draw the winning card. If you are a member of the Onoway Legion and it is your birthday on a Friday please join us for your free meal compliments of the Legion.

We are hosting a fun mixed dart tournament on Saturday, January 30th so if you have a team of four players (one being of the opposite sex) and would like to compete please phone Scott at 780-967-4146 to register. Play will begin at 9am and the cost is \$8.00 per person. Breakfast and lunch will

be available to the dart players and to anyone else who would like to purchase a tasty meal while enjoying the antics of this fun group of competitors.

UPCOMING EVENTS:

January 26 - Tuesday Night Darts

January 27 - Mason's Meeting

January 29 - Friday Night Supper – Roast Beef

January 30 - Fun Dart Tournament (Four person teams, one person being of the opposite sex)

February 1 - General Meeting

February 2 - Tuesday Night Darts

February 3 - Wednesday Night Pool and Games

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to volunteer in the kitchen and for meal inquiries/suggestions, Cheryl Sadler @ 780-967-4146 for membership and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

OUR CONNECTION: MAYOR'S MESSAGE

Submitted by Town Of Mayerthorpe

With a new year comes new excitement and optimism in the air! As we reflect on our 2014 and 2015 Strategic Directives Plan, it shows cases just how much Mayerthorpe has progressed.

One key directive was Strategy (A): Residential Development.

Residential development is a primary element of any economic initiative by the Town of Mayerthorpe. Council sees the need to plan ongoing residential development, bring infill lots to market each year, ensure population growth, keep facilities dependent on population such as schools and hospitals viable, support business growth through providing accommodation for employees, and ensure increased property values. To support these needs the following strategic statement was approved:

Strategic Statement:

To encourage residential growth on both new and existing lots supporting and sustaining a safe, viable, prosperous community.

Goals:

(A)1. Develop more residential lots through both infill and development of new lots.

- Subdivision Application approved creating 1 new residential lot;

- Rezoning application received allowing for up to 3 new single family dwellings;

- Reserve Designation removed from Plan 762 1823, Block 29, Lot 14R enabling development of lands;

- Commercial Seller's Brokerage Agreement entered into for Plan 762 1823, Block 29, Lot 14;

- Commercial Seller's Brokerage Agreement entered into for Plan 792 1091, Lot 1;

- Draft Intermunicipal Development Plan incorporates future residential, commercial, industrial, recreation, and urban land uses to facilitate future growth scenarios.

- Policy I-019 Historical Residential Home Rehabilitation Incentive Program approved on June 22, 2015

(A)2. To resolve the problems of derelict housing through encouraging maintenance and upgrading, or, where necessary removal.

Order issued for commercial property

- Unsightly Premises Orders issued:

2 homes painted;

Derelict fence removed;

Renovation material removed;

Derelict garbage containers removed;

- 9 Demolition Permits issued

(A)3. To increase residential units by 3 percent per year.

- 2015 Playgroup reports 41 registrants being the highest number for the past several years with the average enrollment having been 32

- 2015 Elmer Elson Elementary School reports increase in enrollment being 280 over the previous year being 265

- Four new homes approved

- One new duplex commenced construction November 5, 2015

- Three secondary suites

Happy New Year to all residents! We look forward to progressing our directives in 2016.

2016 SPRING SESSION STARTS UP FOR THE SANGUDO ART CLUB

Submitted by the Sangudo Art Club

The 2016 Sangudo Art Club's spring session is from February to May and starts up their first meeting on Wednesday, Feb. 3rd at 9 a.m. at the Sangudo Community School. On Wednesday, February 17th, starting at 9:00 a.m., our club is pleased to have Sally Turco present a full day workshop doing a fantasy alcohol ink scene. Look forward to seeing you.

During our 2015 fall session, we were pleased to have new members join our friendly group of artists and we are grateful for the 2015 Recreation Facility and Program Assistance grant through the Lac Ste. Anne County and local community donations that help enable us to hire talented instructors and learn and improve on painting

techniques. In June, the club was very enthusiastic to show off their artwork at Lac Ste. Anne County's 50th anniversary bash at the Sangudo Arena. This fall, the Sangudo Art Club also worked on a community mural that is displayed on the south side of Connection Coffee House, come check it out sometime.

Over the last months the club members enjoyed the teachings of various art instructors. In September, Laura Cox instructed an oil workshop painting a wolf on an arctic landscape. October's guest art instructor, Mickey Krikun presented a full day class on an advanced perspective scene. The following month, Deanne Jackson taught an oil workshop painting a Northern light landscape. During November, the members also had the opportunity to display their paintings

that they had diligently worked on at the Golden Seniors Luncheon and the Sangudo Blitz. Thank-you to the community for their support at our art shows, fundraisers and yearly Blitz raffle which enable us to bring in more guest art instructors and help offset the operational cost of the club. At the Sangudo Blitz in November, our first prize painting by Mickey Krikun was won by Leslie Loney, 2nd prize of \$75 was won by Kyle Vanderwolf, 3rd prize of \$50 was won by Pat Christman, and 4th prize of \$25 was won by Ed Kenneberg. Congratulations!

This past December, our members did Christmas art crafts with all the students from the Sangudo Community School. The Kindergarten, grades 1-3 students did cards with foam art, stamps, glitter glue and paint. The grade 4-5 students made beautiful

decorated wreaths and grades 6-9 did skritch skcratch art. This was thoroughly enjoyed by both the students and members of the art club. We hope to do more projects with the school in the future.

If you have an interest in painting, please join us. Come and enjoy the camaraderie of other fellow artists, learn new techniques and improve skills. Annual membership fee is only \$25.00. If you are interested in attending a guest workshop, the fee for members is \$30 and for non-members is \$50. Everyone is welcome to join, for more information please contact, Patricia Kowalik at 780-785-2112 or check out our website: www.sangudo-artclub.weebly.com

TRANSPARENCY AT ALL LEVELS

Submitted by Jim Eglinski, MP – Yellowhead

I believe all levels of government must be accountable to the people they represent. Respecting taxpayer's money by making basic financial information publicly available should not be a debated issue, it is simply common sense.

When the Liberals campaigned, they promised transparency in government. Then why did the

Liberals decide not to enforce Bills C-27 and C-377?

The First Nations Financial Transparency Bill (C-27) ensured that First Nations Government make their financial information publicly available. This gave community members access to basic financial information such as audited financial statements, and the salaries and expenses of chief and council.

The Union Financial Transparen-

cy Bill (C-377) was intended to provide rank-and-file union members and the general public with unions' financial information. A forum research poll in July 2015 showed that 62% of Canadians supported this bill.

Both these Bills would have ushered a new era of accountability to Indigenous Canadians, union members and the public at large. Instead of repealing these laws through proper Parliamen-

tary channels, as promised, the Liberal Government decided not to enforce them.

Basic financial information for many politicians at different levels of government, including Members of Parliament, is publicly available. I fully support and endorse transparency at all levels, as should the new Liberal government.

YEAR IN REVIEW

New County Administration Building

Lac Ste. Anne County established a five (5) year borrowing for construction of a new administration building located adjacent to Hwy 43 just east of Sangudo. The construction tender was awarded in the fall of 2015 with construction expected to commence early in 2016. It is anticipated the new facility will be ready for occupancy late 2016/early 2017.

New East End Fire Hall

In 2015, the County resolved to amalgamate the District 1 (Onoway) and District 2 (Alberta Beach) fire halls into one district to provide more efficient and valuable service to County residents. This new station has been relocated to just west of the Town of Onoway on Twp Rd 545.

Strategic Plan

Our vision for Lac Ste. Anne County is that we are a prosperous, progressive and collaborative municipality. We strive to build on our strong sense of community and our

agricultural roots while providing a diverse range of opportunities for growth. Lac Ste. Anne County acts in the best interests of the County as whole to create a positive environment for economic growth, citizen and community engagement, and the provision of services and sustainable infrastructure.

In order to continue to achieve this, Lac Ste. Anne County implemented a Strategic Plan in 2015. This plan is an organizational management tool that assists in setting priorities, directing resources, strengthening operations, ensuring that management, employees and stakeholders are working toward common goals, focussing goals on intended outcomes/results, and providing assessment measures that allow the organization to respond to the changing economy and environment.

Lac Ste. Anne County's 50th Anniversary

In 2015, Lac Ste. Anne County celebrated 50 years of incorporation. To commemorate this important milestone, a community celebration was held August 29th, 2015 at the Sangudo Sports Grounds and Riverside Campground in which over

1,000 residents and visitors attended. The celebration included many family activities, a kids carnival, community demonstrations, a farmer's/art market, show and shine, a skydiving performance and County Councillors served up a free BBQ. The event was made possible by many community and staff volunteers and enhanced through corporate sponsorship.

50th Anniversary Pin Design Contest

In conjunction with the County's 50th Anniversary, Council resolved to proceed with a design for a commemorative pin that would be made available throughout 2015. The pin design was put out as a contest for County ratepayers to participate in. After review of the numerable designs submitted, the design selected was created by Ms. Sydney Walker, a County youth who attends Mayert-horpe High School. The commemorative pins were handed out throughout 2015 to residents and visitors.

Space Camp

Lac Ste. Anne County was able to provide an opportunity for two (2) students to attend the Cosmodome Space Camp in Laval, Quebec in

2015. This program allows youth, who reside in the Municipality of Lac Ste. Anne County, the chance to submit an application to be considered to attend a camp where they have the unique opportunity to experience real-life astronaut training to help foster a passion for science and specifically space exploration. This program is made possible through funding from the County and corporate sponsorship. Lac Ste. Anne County is proud to support its youth by providing educational and exciting opportunities that they would otherwise not have.

Land Use Bylaw/Municipal Development Plan

After extensive internal and public consultation, the County finalized and adopted its new Land Use Bylaw and Municipal Development Plan in 2015. These bylaws will provide more efficient and improved land use planning guides and criteria to ensure development within the County is consistent and strives to maintain the rural character, qualities and natural capital of the municipality while addressing the need for growth and community enhancement.

LAC STE. ANNE COUNTY: "THINGS YOU SHOULD KNOW AS A COUNTY RESIDENT"

Submitted by Diane Burt-nick

Lac Ste Anne County is going to try to help our residents understand some of the bylaws and regulations that guide our daily lives within the county.

Delegations attending County Council Meetings

Lac Ste. Anne County Council welcomes ratepayers to attend County Council meetings. Anyone may attend a Council meeting as a spectator; however should an individual or group wish to make a presentation at the meeting they must follow the following procedures:

- Make a written submission to the County Manager or Executive Secretary at least eight (8) working days prior to the meeting.
- The written submission will indicate the topic and purpose for requesting to appear before the meeting.
- The County Manager, or designate, will review the request to determine if an administrative response can be made to satisfy the request, or subsequently schedule an appointment for the upcoming or a future meeting.
- Information presented by the delegation will be restricted to the topic noted in the written submission and any additional written information not submitted prior to the meeting may not be considered by Council.
- Delegates consisting of more than one individual will appoint a spokesperson that will be responsible for presenting the points of view or position for the group.
- Presentations may be limited to fifteen (15) minutes.
- Debate concerning matters raised by a delegation will take place at the discretion of the members.
- Delegates requesting a reappearance on a matter shall only be permitted to do so if the information presented is new or significantly additional to the

material previously presented.

Land Use Bylaw & Municipal Development Plan

The Land Use Bylaw and Municipal Development Plan were officially approved December 2nd, 2015

Please note that effective December 2nd, 2015, Lac Ste. Anne County will no longer pre-refer applications to County Ratepayers. In accordance with the Municipal Government Act (MGA), all discretionary permits will be advertised in the local newspaper as well as on the County website. In our case the newspaper that will have advertisements is the Lac Ste. Anne Bulletin.

You will continue to receive notice in the mail once a decision is made only if you are deemed to be directly adjacent. The County defines directly adjacent, in accordance with the MGA, as: land that is contiguous* to the parcel of land that is affected and includes land that would be contiguous if not for a highway, road, river, or stream. *Contiguous means sharing or touching a common boarder.

Rochfort Trestle Viewpoint

In the fall of 2015, with sponsorship from CN, the County was able to provide a picnic area at the Rochfort Trestle View-

point located on the south side adjacent to Highway 43 just off of RGE RD 80 (across the highway from the Rochfort Bridge Trading Post and Museum).

The Rochfort Trestle boasts that it is the longest all wooden trestle in Western Canada and was constructed in 1919. The viewpoint provides a nice area for visitors to stop and enjoy the beautiful views, take a break and enjoy a snack or lunch. There is also a placard that provides some history on the trestle that is located on an esthetically placed large rock, donated by a local resident. Lac Ste. Anne County invites residents and visitors to check out this unique location that provides historical significance.

Lac Ste. Anne County Food Banks

There are two Food Banks that operate within Lac Ste. Anne County. They are Mayerthorpe & Area Food Bank and Lac Ste. Anne East Food Bank in Onoway. Lac Ste. Anne County is proud to support these organizations and hope that you will, too. The County Office in Sangudo is now a year-round drop-off location for non-perishable food items that can be delivered to these locations. Next time you are in or near our office, feel free to donate an item or two. It is greatly appreciated.

Winter Road Safety

Public Works would like to remind residents, when approaching snow plowing equipment and graders, please be aware that graders may often reverse without notice. Ensure that you remain at least 15 meters behind the grader until it is safe to pass.

Passing can be dangerous in winter due to patches of ice, reduced visibility and wildlife in the area. Please use caution and only pass a grader or snow plow when you are sure the oncoming lane is clear.

Please drive according to the weather conditions, reducing speed when necessary and assist in keeping all motorists safe.

Giving Back to Our Community

Leann and Debbie have both lived and raised their families in the greater Alberta Beach/Tri-Village area. Not only do they work here and have a good understanding of all factors that influence the market, but they truly care about the important issues and community members. Over the years, they have given back to their community through countless hours of volunteering in organizations such as the Alberta Beach Library, Alberta Beach and District Museum, the local chapter of the Chamber of Commerce, Girl Guides of Canada, Grasmere and Onoway School Councils and several special interest events. They continue to support the community, not only through volunteering, but also through extensive sponsorship of groups and organizations responsible for enhancing the region.

If you're thinking of making a move in the real estate market, don't hesitate to give Leann or Debbie a call today!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
