COME TO THE THIRD ANNUAL FANCY TEA

Submitted by **Connie Gatzke**

Two years ago Marg Nordholm of the Wildwood Seniors and the Wildwood Grandparent program suggested that the grade four children and the grandparents prepare a fancy tea. Under her direction, the good china cups and saucers were brought out for use. Ingredients were purchased and fancy sandwiches, special o'rderves, devilled eggs and petite desserts were prepared by the children and the seniors under the direction of Marg's watchful eyes. That year we honoured four members of the Wildwood

Seniors' Club with honorary lifetime memberships.

Last year Marg and the other ladies of the Grandparent program hosted the second Fancy Tea.

So now the idea of a Fancy Tea is in it's third year and is becoming an integral activity of the Grandparent Program. So at 2:00 on Wednesday, February 17, 2016 at the Wildwood Seniors' Center, the Wildwood grade four children under the supervision of the seniors in the grandparent program will be serving the goodies they have prepared. We have invited dignitaries including various levels of our government. Yellowhead County FCSS

generously funds our grandparent program and we have invited members of that board. We have invited the parents and families of the grade four children, and now we invite you, the public.

The lunch is free. We hope to have some of the crafts the children have created on display. We plan to honour two senior members. In the past the presentations have been a surprise to the recipients and we hope to continue that method.

This winter has been extremely mild but the idea of a Fancy Lunch to break the ennui of winter, is still relevant. So please come join us.

PRINCIPAL'S MESSAGE FROM WABAMUN SCHOOL

Submitted by **Debbie Harris**

Lately I've been wondering what "giving thanks" really means. I know it means volunteering and sending money to charities we support, but feeling gratitude is a visceral and deeply personal experience. Most describe it as a warm open sensation in their chest. One person described it as an "internal smile." So how do we give that?

When you say "thank you", you are actually giving someone credit for something they have done for you. For example, when someone opens a door, you say "thank you." When someone

gives you a gift, you say "thank you." When someone pours you some water, you say, "thank you."

I have taught my son to say "thank you" every time his mother cooks and prepares a meal. In doing so, he acknowledges the source of her "gift." This thank you is really about the respect we show each other when we see each of us doing well. I, fortunately, learned this from my own wonderful mother!

Giving thanks is more than an expression of gratitude. It is giving gratitude, but truthfully, we can say "thank you" to someone and not really mean it. Gratitude

is more than words communicated; it is ultimately a mindset, a mentality. It is a keen awareness of our dependence upon a particular thing or person, and then demonstrating that appreciation through a charitable relationship.

Wabamun School is a better place because of the people who give to make it so. They do not do it with Ego; they do it because they know that their efforts have a positive result for all our kids! We have a lot of people to be thankful for, and I will try to thank everyone who has made Wabamun School better.

SPRING SEEDLING PROGRAM CONTINUES TO GROW

Submitted by Stefan Felsing

Yellowhead County Agricultural Services is once again offering residents the opportunity to purchase tree seedlings at low cost. There will be no applications required and anyone residing within Yellowhead County is eligible to purchase trees. The seedlings are ordered in bulk which allows

them to be purchased at lower prices. When ordered individually trees would cost between \$3.00 and \$5.00 a seedling, but if ordered through the Spring Seedling program the seedlings will only cost \$1.55 - \$3.15 per seedling. Several new species have been added to the list and in total there will be 16 species to choose from which are great for shelterbelts and acreages.

All tree orders must be in multiples of 10

An example of some of the species available include; Colorado Spruce, Balsam Fir, Paper Birch, Saskatoon, Scotch Pine, Okanese Poplar, Mayday Cherry, Golden Willow, and many more! The average size of the seedlings received will be from 15 cm tall to 72 cm tall depending on the species.

Order forms and a list of the species being offered are available at both the Edson and Wildwood Yellowhead County offices, and can be downloaded and printed off from the County Website as well. Payment will be required in full upon placing an order. All order forms must be submitted and paid in full before February 5, 2016. Trees will be available for pickup from either County office location in May of this year.

For more information please contact Yellowhead County Wildwood Office at 1-800-814-3935 or 780-325-3782.

JOKE OF THE WEEK

A man was driving down the road. He passed a traffic camera and saw it flash. Astounded that he had been caught speeding when he was doing the speed limit, he turned around and, going even slower, he passed by the camera. Again, he saw it flash. He couldn't believe it, so he turned and, going a snail's pace, he passed the camera. Again, he saw the camera flash. He guessed it must have a fault, and home he went. Four weeks later he received three traffic fines in the mail, all for not wearing a seatbelt.

JANUARY 2015

Bridal Guide

The Businesses in the following Guide can be your One Stop Solution to all your Bridal Needs!

Customize Your Ceremony To Give It A Unique Touch

Steeped in tradition, weddings have featured many of the same components for centuries. Those about to tie the knot may feel somewhat limited in their ability to shape their weddings into unique celebrations of their relationships and love for one another. Although it may not seem like there are many opportunities to put your own stamp on the wedding, there are plenty of ways to do just that.

When looking to personalize your wedding ceremony, determine if there might be anything blocking you from doing so. For example, if yours will be a religious ceremony, there may be certain rites that need to be followed. Secular ceremonies may offer more opportunities to customize.

· Vows: Vows are one of the easiest ways to put a personal touch on your wedding. You can select the words you want to exchange during the ceremony as well as any readings during the service. Work with your officiant to narrow down particular phrasing or sentiments that fit with your vision of the wedding and relationship.

· Participants: Wedding party members fulfill certain roles during the ceremony, but they are not limited to those tasks alone. Consider asking wedding party members or other friends or family members to take on specialized roles in the wedding. They may be able to do certain readings, escort guests to their seats, light candles, or sing and participate in other ways.

· Musical interludes: Choose music that connects with your personalities as a couple rather than selecting standard songs merely because they are the easier route. Work with the organist or other musicians and request that they perform or play musical pieces that you enjoy.

· Candle lighting: Many couples

like to incorporate candle-lighting components to their ceremonies. Lighting unity candles blends two families together into one in a symbolic way. Other couples choose different traditions, such as mixing two different-colored sands in a new

vessel, to represent the joining of two lives together. You can consider these types of additions for your wedding ceremony or come up with your own unique tradition.

Impart a special touch to a wedding ceremony in any num-

ber of ways. Doing so will help set this special day apart in the minds of guests and make it even more memorable to look back on as a couple.

Grooms: Look Your Wedding Day Best

Weddings are a chance for couples tying the knot to be the center of attention. All eyes will be glued to the bride and groom on this special day, which makes it even more important for couples to look their collective best.

Brides might garner most of the attention on a couple's wedding day, but dashing grooms also will get their share of attention. As a result, grooms must be just as diligent as their blushing brides with regard to grooming and appearance on their wedding days. To look picture-perfect, grooms may want to include these grooming tips in their wedding day preparation.

Hair

Schedule a haircut with a pro-

fessional stylist roughly a week before the wedding to get your hair shaped and trimmed. Although trendy hairstyles may show off creativity, keep in mind that photos last forever, and it's often better to stick with a classic cut. A barber or stylist may suggest styles that best suit your face shape and hair texture. Above all, the haircut should be neat. Resist the urge to wash your hair every day before the wedding. Allow some natural oils to build up and make your hair shine in a healthy way.

Shaving

Shaving is another thing grooms must consider. If you have a beard, make sure it is clean, combed and trimmed.

Men who shave the day of their

weddings may find their skin is sensitive and irritated, which can lead to redness. Unless your facial hair grows especially fast, shave the evening before. This is a good time to splurge on a professional shave with a straight razor at a barber shop. A hot shave from a professional will produce a close shave with the least amount of irritation when done correctly.

Hands

Grooms also may want to book a manicure. Keep in mind that salons will do men's non-polish manicures and pedicures, and they can be well worth the investment. Photos of entwined hands or close-ups of the ring exchange will have guests zeroing in on your fingers. Have hands look their best with clean, shaped fingernails and trimmed cuticles.

Skin

Get plenty of sleep the night prior to the wedding. Being well rested will help reduce puffy eyes, dark circles and sallow skin. It will also put you in a more positive mood, which can help you enjoy the day even more.

The day of the wedding, shower using water and a mild soap. Avoid any skin irritation

by patting your face and body dry, rather than rubbing it with the towel. Moisturize your skin to avoid dry patches. Stores sell many moisturizers geared toward men's needs, often in unscented or more masculine fragrances.

Reducing shine is key for wedding day photos. Rely on face and hair products that will not add unnecessary sheen to your skin or hair to avoid making you look greasy. Matte hair waxes and sprays will tame tresses. Also, ask your fiancée to pick you up a package of blotting tissues if you are prone to oily skin. These absorbent, typically rice-paper sheets will remove oil from your face and keep sheen to a minimum.

Smile

Make sure your teeth have been thoroughly brushed and that you have used a minty mouthwash so you're primed for that first kiss. Many grooms also opt for whitening treatments prior to the wedding so they have a dazzling smile.

On their wedding days, grooms will likely be photographed more than any other time in their lives. That means putting extra effort into personal grooming to look their best.

Bridal Guide

Wedding Veils Complete Bridal Look

The perfect dress is on the wish list of many a bride-to-be, but no bridal ensemble is truly complete until the bride chooses her veil.

Veils have been worn by brides at their weddings for centuries. Veils can be traced back to the Middle East, where veils helped protect against the weather while also preserving the modesty of the bride. In Ancient Greece and Ancient Rome, veils were used as protection against evil spirits.

According to popular wedding website The Knot.com, until Vatican II, all Catholic women were required to have their heads covered in church, including during their wedding ceremonies. Veils were worn for this purpose, but they also symbolized trust in the groom and his love and companionship. Some Christians also see the veil as a visual representation of submission to the Church and to God. Others think of the veil as another beautiful accompaniment to their bridal gown, without attaching any additional meaning to the veil itself.

Veils come in various lengths and can complement the style of a wedding gown. They also tend to add glamour to brides' looks. Here are the types of veils from shortest to longest.

- Blusher: Blushers cover the face, though some extend only to mid-cheek on the bride.

- Flyaway: Flyaways cover just the back of the head. Shorter veils may work better on petite women.

- Shoulder: Shoulder veils are about 20 inches in length and will hit at the bride's shoulders or just below.

- Waist: Waist-length veils cascade down to the middle of the bride's waist.

- Fingertip: These veils extend down 38 to 42 inches, brushing

against the bride's fingertips.

- Waltz/Knee: For a dramatic look, many brides may opt for waltz-length veils, which fall to the back of the knees.

- Chapel/Floor: Veils that extend to the floor may be referred to as "chapel" or "floor-length" veils. Such veils cascade slightly

behind the bride.

Veils can complete brides' wedding day looks. Shorter veils may be comfortable to wear throughout the day and evening, but brides may want to consider detachable veils if they are selecting lengthier options.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager

Here is what's going on at the library for February 2016.

The Colouring Club for all ages continues as an ongoing, free, drop in program during regular library hours. We supply the materials (or you can bring your own); coloring pages, crayons, and markers and you supply the inspiration. Bring a friend, relative or just yourself, create, relax and see what the craze is all about.

Preschool Story Time starts Monday, February 1, 2016 and will run every Monday morning, except holidays, from 10:00 to 11:00 AM at the library until May 30, 2016. We will lead the children through stories, activities, crafts and a snack. This program, designed to promote early literacy, gives preschool children and their parents/guardians an opportunity to explore a love of literacy in a non-judgmental and supportive environment. Parent/guardian participation is mandatory. This is a free drop in program so pre-registration is not required.

The Book Club meeting is Monday, February 1, 2016 at 7:00p.m.; we will

be reviewing "East of Eden" by John Steinbeck. Do you love to read? Do you like to discuss what you have read with others? We have a couple open spots and are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and make arrangements for loan of the current title by calling the library@ 780-892-3746.

Join us on Tuesday, February 9, 2016 from 7 to 8:30 p.m. for E-resources for Gardeners. We know gardeners just want to be outdoors. But when there's snow on the ground it is time to do some planning and day-dreaming. There are garden forums, blogs, how-to videos, seed catalogues & exchanges, webinars, photo galleries, landscape design programs, and problem solving sites. Lac Ste. Anne County Horticulturist, Lorraine Taylor takes you on a whirlwind trip around the internet to highlight some favourite resources. Do you have some always reliable websites? Bring your list to share with fellow gardeners. There is no cost to attend this session and we ask you to pre-registration by February 5, 2016. Minimum registration to hold this session is 5.

Join us for Family Movie Night, at the Lake Isle Community Hall, on Friday, February 12, 2016. We will be showing the animated pre-release "G" rated title "The Good Dinosaur". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission is \$ 2.00 and a concession will be available. See you there!

Freedom to Read Week is organized by the Freedom of Expression Committee and the Book and Periodical Council and is an annual event that encourages us to think about and reaffirm our commitment to intellectual freedom. As Canadians, living in a free country, it is easy to forget that the rights of intellectual freedom, which are guaranteed under the Charter of Rights and Freedom, can NEVER be taken for granted. Even in Canada, books and magazines are banned at the border. Books are removed from the shelves in Canadian libraries, schools and bookstores every day. Free speech on the internet is under attack. Few of these stories make headlines, but they affect the right of EVERY Canadian to decide for themselves what they choose to read.

We will be celebrating Freedom to

Read Week from February 22 to 26, 2016 at the library with daily afternoon readings at 2:00pm and evening readings at 7:00p.m. of a challenged book. If you are unable to attend a reading we encourage our patrons to read a banned or challenged book. We will have some challenged titles available in house along with a challenged titles list on our website to help you choose a book; you may be surprised by some of the titles.

The Darwell Public Library Society will be holding their regular meeting on Monday, February 22, 2016 starting at 7 pm. Meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

All of our programs are sponsored by The Darwell Public Library Society, Darwell Library Friend Society, FCSS and the CLSA Library Grant.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
