SEBA SENIORS CELEBRATE!

Submitted by Peter de Vos

On February 27, the Seba Seniors are kicking off a celebration of their 40th anniversary.

"Everyone is welcome to drop by the Seba Seniors Centre on February 27 to help celebrate, have a piece of cake and a cup of coffee" said Lynn Berg president of the Seba Seniors. The Centre is at the corner of First Street and First Avenue in Seba Beach. The cake gets cut at 11 am that day and will be served

until 3 pm.

The Seba Seniors started as a social club in 1976 and since then the 120 strong volunteer group has become active in many ways to keep seniors active in the community. A popular Thrift Shop provides clothing, household goods, and some furniture. Weekly events for music, social occasions, yoga, fabric arts, walking, monthly Jamborees, as well as supporting people and the local school are some of the other ways the club

is involved.

There are several events celebrating the 40th Anniversary of the group. Major celebrations will occur in June. A celebratory dinner will occur on June 10. The next two days will feature an open house. Then on Sunday June 12, a community pancake breakfast will be open to all with donations going to support a breakfast program at the Seba Beach School.

TIPPLE PARK MUSEUM GRAND OPENING

Submitted by Stefan Felsing

The hard work put in by community members of the Evansburg area and Yellowhead County staff for the construction of the new Tipple Park Museum have paid off and the new facility is finished and open to the public. The Tipple Park Museum will be a central location where the Pembina Lobstick Historical Society can showcase their local history and welcome visitors and tourists to the area, as well as provide a spot for community group meetings and other community events.

• Budget and Cost:

o Funding was provided by Yellowhead County in the

amount of \$2,370,253 for the planning, design, and construction of the new building and lot, as well as contributions made by the Provincial Government through a CFEP grant for interior furniture and window coverings and through fundraising done by the Pembina Lobstick Historical Society.

• Features:

o Museum areas for artifact display, museum storage; and archival storage,

o A workshop for museum staff to repair objects and to prepare exhibits for display,

o A tourist information area,

o A multi-purpose room, reception area, office, kitchen, washrooms, and meeting room.

• Alastair Cockburn Architect

Ltd. was retained by Yellowhead County to provide consulting services to prepare a building concept plan for a museum/park amenities building in Evansburg. These were then reviewed with Yellowhead County and the Pembina Lobstick Historical Society, with revisions being made to reflect that input.

• The building was designed by Barr Ryder Architects and Interior Designers, with construction of the building completed by Theirman Construction Ltd.; both of Edmonton, Alberta.

• The location and orientation of the new facility essentially mirrors that of the old Station House.

LETTER TO THE EDITOR: WAR AMPS KEY TAG SERVICE

Submitted by Carol Johnson

Dear Editor,
I am a double leg amputee and a member of The War Amps Child Amputee (CHAMP) Program.

Thanks to public support of The War Amps Key Tag Service, I have attended regional CHAMP

Seminars where Champs and their parents learn about the latest in artificial limbs, teasing and bullying and how to parent an amputee child. I have been a Junior Counsellor at the seminars, acting as a role model and giving advice to the younger Champs. The seminars let child amputees know they aren't alone and that the sky is the limit.

I am also a multisport athlete, and donations to the Key Tag Service have allowed me to be fitted with recreational limbs and devices to participate in sports and stay active. If it wasn't for The War Amps, I would not be able to do any of the things I do.

2016 marks the 70th anniversary of The War Amps Key Tag Service and to date, more than 1.5 million sets of lost keys have been returned to their owners.

Although it is a free service, donations made provide young amputees with financial assistance for artificial limbs and allow us to go to regional seminars.

Thank you to everyone who has supported The War Amps Key Tag Service, which has helped Canadian amputees like me for the past 70 years.

Sincerely,
Trinity Tratch, 17
Champ, Calgary

JOKE OF THE WEEK

Three girls walk into a bar; a brunette a red head and a green haired girl. The bar tender asks the brunette how she keeps her hair so brown. The brunette combs her hands through her hair and says, "It's natural it's natural."

Then the bar tender asks the red head how she keeps her hair so red. She combs her hands through her hair and says, "It's natural, it's natural."

Then he asks the green haired girl how she keeps her hair so green. She sneezes into her hands, combs her hands through her hair and says, "It's natural, it's natural."

POLICE REQUESTING ASSISTANCE IDENTIFYING ROBBERY SUSPECT

**Submitted by RCMP
Spruce Grove/Stony Plain**

2016181841 - On February 15th at approximately 4:15am the Spruce Grove RCMP were called to a robbery at the Grove Motor Inn, located on Highway 16A in Spruce Grove.

Upon arrival, police learned that

the lone male night shift receptionist was working in a backroom when he heard a noise outside the office. When he exited he was confronted by a male armed with a fire extinguisher. The suspect struck the receptionist in the head and then fled out through a rear exit of the Inn with an undisclosed amount of cash.

The suspect is described as a white male who was wearing:

- a black winter jacket & blue jeans
- a mask or hat that covered the bottom part of his face
- glasses & gloves

The victim received non life threatening injuries and was taken to hospital.

The RCMP are asking anyone who has any information about this incident to contact the Spruce Grove/Stony Plain Detachment at (780) 968-7267 or contact your local Police Detachment. If you wish to remain anonymous, call Crime Stoppers at 1-800-222-8477 or report it online at www.tipssubmit.com.

LETTER TO THE EDITOR - COAL PLANTS

**Submitted by Hon. Oneil
Carlier, Whitecourt-St.
Anne**

Dear Editor,

Recently our government announced Alberta's Climate Leadership Plan. Based on the advice of the energy industry, scientists and Albertans from every walk of life, the plan will strengthen our economy, protect our health and make Alberta a leader on responsible energy. The plan will move Alberta away from coal emissions and towards cleaner power, reduce pollution by pricing it, limit oil sands emissions, make Alberta a leader in energy efficiency, and cut

high-polluting methane emissions.

As the Premier promised, the carbon price will be revenue neutral. Every single dollar collected will be invested right here in Alberta. We will invest to create jobs building new green infrastructure, build renewable energy projects, or to make homes and businesses more energy efficient to help Albertans cut their energy bills. We will also create an adjustment fund that will help families make ends meet, and support small businesses, indigenous communities, and people working in affected communities as we move away from coal.

We recognize families in our community make their living in coal mines

or coal-fired electricity plants. We also understand there has been increasing pressure on our livelihoods, as the health effects of coal emissions become more widely known and as coal-fired operations close in Alberta and beyond our borders. The federal government has already set an end date for all coal plants in our province. In fact 12 of the 18 remaining Alberta coal plants are scheduled to close under the federal regulation prior to the 2030 target in the provincial government's plan. In our community, we have eight plants scheduled for closure according to the federal government's rules:

Sundance 1 at the end of 2025; Sundance 2 at the end of 2019; Sundance

3 at the end of 2026; Sundance 4 at the end of 2027; Sundance 5 at the end of 2028 and Sundance 6 at the end of 2029; Keephills 1 and 2 at the end of 2029.

That means Alberta's Climate Leadership Plan will result in four units in our community—Genesee 1, 2, and 3, and Keephills 3—having to either find a technological solution in the next 15 years to eliminate their emissions or face closure in 2030. It may be that some of the plan's elements will see some closures in advance of the existing federal end date.

ENSURING WELCOMING AND SAFE LEARNING ENVIRONMENTS FOR ALL

Submitted by Nikki Gilks

Grande Yellowhead Public School Division (GYPSD) works collaboratively with all our stakeholders to ensure that all of our students, staff and school communities are provided with welcoming, caring, respectful and safe environments in our schools. Our policies and our administrative procedures reflect our sincere commitment and shared understanding that every student has individual needs and may require unique supports and resources for them to be successful.

Last week, the Province released their Guidelines for Best Practices: Creating Learning Environments that Respect Diverse Sexual Orientations, Gender Identities and Gender Expressions to assist school divisions in reviewing their current policies and procedures to encourage discussion on building a strong culture of inclusion and diversity in schools where all feel welcome and safe. Although the majority of the guidelines do not suggest anything 'new' or 'different' to change

in regards to Grande Yellowhead's current policies, GYPSD's Board of Trustees have determined that a specific policy is required to share the division's recognition and understanding of the additional supports and resources that may be needed in respecting those with diverse sexual orientations, gender identities and gender expressions.

"Our Board always welcomes the opportunity to learn and work with our school communities on building a strong culture of inclusive practices in our schools," noted Brenda Rosadiuk,

Board Chair. "We also understand that what works for one student or for one community, may not meet the needs of another thus our Board will be taking this into account while drafting this new policy. We are very pleased to note that many of the best practices that are suggested in the provincial guidelines have been present in our schools for a number of years: gender-neutral washrooms and many different clubs or activities recognizing diversity such as GSAs are welcomed in our schools. In addition, our Board has been a strong supporter of the

availability of Family School Liaison Counsellors at every school to provide a safe contact for youth and their families to go to when issues or challenges arise."

As per Grande Yellowhead's Policy 10 - Policy Making, the Board will be following a four step process which will include feedback from various stakeholder groups with respect to its development and subsequent implementation. The Province has requested that school boards look to the completion of all new policies by March 31, 2016.

However, as your MLA, I know that our provincial government is committed to work with employees, communities and businesses who rely on coal to make the transition work in a way that supports families.

As Premier Notley has said, we will be providing appropriate adjustment programs to help us all move forward as we set on a new path. The Premier has asked me to help her figure out what will work best for our community as we move forward with this transition. I want to hear from you on how to make this work best for your family and community and I look forward to you sharing your ideas with me and our provincial government. ASSIST POLICE TO IDENTIFY A SUSPECT(S) IN BREAK AND ENTER/ARMED ROBBERY

**Submitted by RCMP
Spruce Grove/Stony Plain/
Enoch**

File # 201631991/ 2016100027

Spruce Grove/Stony Plain/Enoch RCMP are seeking the public's assistance to identify suspect(s) responsible for a break and enter with theft of cash on January 8th, 2016 and an armed Robbery on January 26, 2016 of local group homes.

On January 8, 2016 Spruce Grove/Stony Plain/Enoch RCMP responded to a break and enter to a group home

in Stony Plain operated by I have a chance support services. Culprits entered the group home sometime between 10:00 AM and 12:00 PM. They broke into a safe and obtained an undisclosed amount of money.

On January 26, 2016 Spruce Grove/Stony Plain/Enoch RCMP responded to an armed robbery at a group home in Spruce Grove also run by I have a chance support services. An armed culprit entered the group home during the early morning hours wearing a disguise. Inside, he confronted the on duty staff member before making off with a safe containing an undisclosed

amount of money.

Video footage from the robbery on January 26 was obtained. The lone male suspect was seen wearing....

- A dark bandana coving his face,
- Dark cargo pants,
- White Nike runners
- And a Black hoodie.

No one was injured during either incident.

(shown is an image of the culprit from the January 26 robbery)

If you have any information about this, or can ID the male suspect please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

FEDERAL LIBERAL DEBT

**Submitted by Jim Eglinski,
MP – Yellowhead**

During the federal election, the Liberals suggested that they would take a balanced Conservative budget and transform it into a \$10 billion deficit. Now, a new report by the National Bank of Canada states that the Liberal government could indeed see an accumulation of \$90 billion in debt over the next 4 years due to their spending promises.

While the government cannot control the uncertainty in the global economy, it can control its actions during these challenging times. As Canadian families are worried about their jobs and financial security, now is not the time for out of control spending that will lead to waste and higher taxes. Governments need to remember that the money they collect belongs to hard working taxpayers and not to politicians or bureaucrats.

The new Liberal Government seems to be focusing on out of control spending rather than prudent financial management of our national economy.

I will work with the new government in the best interests of Canadians and our riding. Being fiscally responsible in this time of global uncertainty is in the best interest of the constituents in Yellowhead and I will deliver that message loud and clear to the Liberal Government in Ottawa.

APPLICATIONS PERIOD FOR CANADA SUMMER JOBS 2016 PROGRAM EXTENDED

Submitted by Jim Eglinski, MP – Yellowhead

The deadline to apply for funding through the Canada Summer Jobs Program has been extended to March 11, 2016. Canada Summer Jobs pro-

vides funding to not-for-profit organizations, public-sector employers, and small businesses with 50 or fewer employees to create summer job opportunities for young people aged 15-30 who are full-time students intending to return to their studies in the next

school year.

I strongly encourage all local employers to apply for funding through the Canada Summer Jobs Program. The program consistently ensures that local employers are able to hire young workers for the summer. It is a great

way for employers to hire young and skilled workers and also a great way for students to gain valuable work experience while also saving money for the following school year.

UNITED STATES MOVING TO REPEAL COUNTRY OF ORIGIN LABELLING

Submitted by Jim Eglinski, MP – Yellowhead

EDSON: I am pleased to see that the United States appears ready to repeal the problematic provisions related to Country of Origin Labelling (COOL). These are protectionist provisions that have cost Canadian producers hundreds of millions

of dollars. I expect the government to retaliate if the legislation is delayed, does not pass a vote in Congress, or is vetoed by the President of the United States.

Recently, Congressional leaders in the United States have drafted legislation that responds to demands from Canada and Mexico that COOL be repealed in the United States. This leg-

islation is also in response to demands from the World Trade Organization (WTO) which has ruled against the U.S. four times stating that COOL discriminates against Canadian imports such as cattle and hogs. Repealing the COOL in the United States was very actively pursued by the Conservative Government.

December 18th was the earliest

date that the legislation may be voted on in the Senate and the House of Representatives. The legislation is part of a massive 2,000 page omnibus spending bill. Following votes in the Senate and in Congress the bill must then be signed by the President of the United States to become enacted.

It's time to ACT – Let's talk about Coal and the Climate Leadership Plan

The Coal Association of Alberta is launching the **ACT** initiative to give Albertans an opportunity to come together to share information about Alberta's Climate Leadership Plan. It's been two months since the Plan was announced but there are no details. Albertans need to connect directly with their elected officials to find out how their jobs, lifestyles and communities will be impacted – and what the government plans to do about it.

Together with local partners, ACT is hosting information meetings in communities directly impacted by the plan to accelerate the retirement of coal-fired electricity generation and related mining operations.

ACT invites you to come out, talk to your neighbours, community and business leaders to learn more about the Climate Leadership Plan and what it might mean to Wabamun.

Our town will be significantly impacted by the unintended consequences of the Climate Leadership Plan. We need to be involved in the discussion.

WEYERHAEUSER CONTRIBUTES \$25,000 TO CT SCANNER CAMPAIGN

Submitted by Colleen S. Sekura, Fund Development Officer, Drayton Valley Health Services Foundation

Weyerhaeuser has donated \$25,000 to the Drayton Valley Health Services Foundation's CT scanner campaign.

"There is clearly a strong need in the community for this essential medical equipment," said Sean Cheeseman, Unit General Manager of Weyerhaeuser's Drayton Valley Lumber. "We employ almost 200 people at our Lumber and Timberlands businesses in Drayton Valley and some of them, or their family members, will benefit from this medical equipment. I am pleased that through the Weyerhaeuser Giving Fund we are able to support this fundraising campaign."

"Weyerhaeuser has a long-standing reputation for strong community support and the

Drayton Valley Health Services Foundation is extremely grateful for this contribution to the CT-4DV Campaign," said Colleen Sekura, Fund Development Officer for the Drayton Valley Health Services Foundation.

The Weyerhaeuser Giving Fund also provided \$23,000 to other community groups and projects in Drayton Valley and region in 2015. Receiving grants were:

- Drayton Valley Ringette Association - \$2,000
- Boys and Girls Club of Drayton Valley - Out of School Care program - \$2,000
- Max Centre for Performing Arts - \$5,000
- Rotary House - \$5,000
- Evergreen School Breakfast Program - \$5,000
- Drayton Valley/Brazeau County Outdoor Rink project - \$5,000

About Weyerhaeuser

Weyerhaeuser Company, one of the world's largest private owners of timberlands, began operations in 1900. We own or control more than 2.5 million hectares of timberlands, primarily in the U.S., and manage another 5.7 million hectares under long-term licences in Canada. We manage these timberlands on a sustainable basis in compliance with internationally recognized forestry standards. We are also one of the largest manufactur-

ers of wood and cellulose fibers products. Our company is a real estate investment trust. In 2014, our continuing operations generated \$7.4 billion US in sales and employed approximately 12,800 people who serve customers worldwide. We are listed on the Dow Jones World Sustainability Index. Our common stock trades on the New York Stock Exchange under the symbol WY.

FIRST NATIONS STUDENTS TO BENEFIT FROM NEW EDUCATION PARTNERSHIP

Submitted by Government of Alberta

Students from five First Nations in northern Alberta will benefit from an agreement between the Government of Alberta and the Kee Tas Kee Now Tribal Council.

This agreement is the first of its kind in Alberta.

The Kee Tas Kee Now agreement outlines the framework for establishing a First Nations education authority. It enhances supports and strengthens the capacity to provide education to these students in order to increase attendance and high school completion. Students will continue to receive education in a culturally-relevant environment in their community, while benefitting from improved educational supports similar to those of other students in Alberta such as curriculum development and technology.

This expands current programs that incorporate traditional skills such as hunting and fishing, by enhancing elements of literacy and numeracy, science and how to be stewards of the environment. The agreement was developed with input from Alberta Education, Indigenous Relations and Kee Tas Kee Now education partners.

"Our government is committed to working collaboratively with our First Nations, Métis and Inuit education partners and with the federal government to strengthen First Nations education in Alberta. We want to ensure First Nations students have the instructional supports they need, while receiving an education that reflects their rich culture and perspectives."

David Eggen, Minister of Education

This agreement provides a framework for how other school authorities can work together to develop strategies to improve the educational outcomes of

First Nations students in their respective jurisdictions. It supports the Premier's commitment to Truth and Reconciliation and allows Alberta Education to continue to implement its commitments in the Memorandum of Understanding for First Nations Education in Alberta.

"I am pleased with the support being provided by the Government of Alberta as it will help give our children the education

they need to build a successful future. I look forward to working together on this important initiative."

Robert Grey, Kee Tas Kee Now Tribal Council, Grand Chief

"This agreement speaks to our government's commitment to a renewed relationship with Indigenous communities throughout the province. We are proud of this partnership with the Kee Tas Kee Now Tribal Council to en-

hance the access and delivery of education for the community's youth."

Richard Feehan, Minister of Indigenous Relations

Kee Tas Kee Now Tribal Council has been providing advisory services for 20 years to its members from the Loon River, Lubicon Lake Band, Peerless Trout, Whitefish Lake and Woodland Cree First Nations.

GRANDE YELLOWHEAD PUBLIC SCHOOL DIVISION BOARD NEWS

Submitted by Nikki Gilks

First Draft Reading of LGBTQ+ Policy

Grande Yellowhead's Board of Trustees discussed the first draft of a proposed new policy for the division, Policy 24 - Sexual Orientation, Gender Identity and Gender Expression. The draft was proposed by a committee consisting of staff and administration who collaboratively developed the draft that supported

the division's recognition and understanding of the additional resources that may be needed in respecting those with diverse sexual orientations, gender identities and gender expressions.

As per the divisional guidelines for the development of all new policies, the Board will be following a four step process which includes seeking feedback from various stakeholder groups before its implementation. A copy of the draft policy is available for

viewing on the division's website at www.gypsd.ca and feedback can be emailed to board@gypsd.ca. Feedback on the new policy will be collected until February 26th for discussion at the next Public Board Meeting on March 2nd on suggested amendments to the draft policy.

On January 13th, the Province released a set of guidelines respecting students and staff with diverse sexual orientations, gender identities and gender

expressions, to assist school divisions in adopting some of the best practices noted in the guidelines. The Province has asked that school divisions adopt new policies and/or procedures that reflect the guidelines by March 31st, 2016.

OTHER News in Brief

- Administrative Procedure AP 180 - Freedom of Information and Protection of Privacy, was updated to include new forms that will greatly assist in processing FOIPP requests in a consistent and expedient manner.

- Budgeting principles for the upcoming 2016-17 school year were approved. Trustees emphasized the importance of achieving the balance between prioritizing education needs within available financial resources.

- Gail Prokopchuk, Director of Transportation Services, provided a summary report to the Board on current transportation funding and rider statistics for the current school year. GYPSD transports students over 2,620 square miles in which the division operates 57 bus routes.

Capital Projects Update:

GCCHS Modernization - Trustees were pleased to hear that the capital project is moving forward as expected. The first phase of the project has been completed with the addition of six modular classrooms, and the next phase has begun which includes work on the wood shop, home economics, beauty culture and science lab classrooms.

Edson Replacement School - The Project Design Planning Committee met on January 21st to complete the design of the new school that determined the layout of classrooms, administration areas, library and gymnasium. Over the next several weeks, the architect will be finalizing drawings and schematics for the facility before submitting them to the Province for approval. Upon approval by Alberta Infrastructure, the project will be ready for tender.

Tipple Park Museum Grand Opening

Continued From Page 1

Continued The new facility is also orientated to provide access to the washrooms from Tipple Park. The design of the proposed new facility was developed in accordance with the Evansburg Streetscape that is part of Yellowhead County's Hamlet of Evansburg Area Structure Plan.

- The museum will be operated by the Pembina Lobstick Historical Society and will feature temporary displays, with both seasonal and travelling exhibits.

- The archive room will be available by appointment for members of the public to complete historical research with the society's help and resources.

- All rooms associated with the museum (e.g. archive, display room, storage room and work room) feature humidity controlled climates to assist in the proper storage of artifacts.

- The multi-purpose area, kitchen and meeting room will be available for event rentals and will be the future home of the Evansburg Farmers' Market.

BACKGROUND

- Pembina Lobstick Historical Society was registered as a society in 1970.

- In the mid 1990's a railway station and a caboose were added to the Historical Society's collection of heritage buildings at the present Evansburg location. The railway station was used as the Pembina Lobstick Historical Society's museum, main reception, administration and tourism center.

- Tipple Park Museum has provided hands-on field trips for students from Edson, Niton Junction, Wildwood, Evansburg, Entwistle, and Tomahawk over the years.

- The museum is historically open to the public four days a week during July and August. The Historical Society hires a student to operate the museum during this time.

- In 2009, the railway station was appraised by the County and had been found to be structurally unsound.

- Yellowhead County and the Historical Society looked at the cost to renovate the old railway station compared to the cost to construct a

new building.

- It was determined that renovations and upgrading would require a significant amount of money to bring the building up to code, while a new building would provide needed resources and amenities not available in the community at that time.

- The old museum was demolished, allowing for the development of this project and construction began in the latter part of 2014.

- The Historical Society has seen an increase in interest in the last

several years, with a doubling of memberships since the group's active involvement with planning and operations in the 2010 Centennial Celebrations in Evansburg.

- The Historical Society became a recognized AMA (Alberta Museum Association) museum in 2012.

The new facility will serve to enhance the community and provide a space to be utilized by the many residents and community groups in the hamlet and surrounding areas for years to come.

CLEVER TAKES ON THE 'SOMETHING OLD, NEW, BORROWED, BLUE' TRADITION

Wedding day tokens of good luck come in many forms, but "the something old, something new, something borrowed, something blue (a sixpence in your shoe)" adage remains one of the most popular luck-enhancing wedding traditions. According to the bridal resource

The Knot, this tradition stems from an Olde English rhyme. Something old represents continuity; something new is for optimism for the future; something borrowed stands for borrowed happiness; and something blue is for purity, love and fidelity. The sixpence in your shoe is a wish

for good fortune and prosperity, but this is not a tradition widely celebrated outside of the United Kingdom or British territories.

These traditions can add some creative flair and personality to wedding ceremonies. There's no end to the inventive combinations of items

brides can carry to increase their good fortunes.

Something old

Something old is one of the easier mementos to obtain. There is a good chance that someone in the family is willing to pass an item down to the bride that she can include in her wedding wardrobe. It also can be something the bride may have in her own memory box. Beads taken from a grandmother's dress or a swatch of fabric from a beloved toy doll are creative ideas that can be sewn into inconspicuous places on gowns.

Something new

Brides already purchase many new items for their wedding day looks, so "something new" should not be too hard to find. Couples may want to work together to find something new they can both carry so they have a matching set upon tying the knot. Interlocking charm bracelets or key-chains may work. What about the groom carrying a small padlock and the bride the key? Quirky couples can each wear one sock from a pair. Get clever and have fun.

Something borrowed

Much like something old, something borrowed is yet another way to pay homage to a friend or family member. It's also one way to add a sentimental twist to everyday items. Borrow a grandfather's handkerchief to wrap around the stems of the wedding bouquet. Exchange vows with the original rings used by a distant relative at their own wedding. Flatter a close friend by wearing the same veil she did.

Something blue

There are many ways to incorporate "something blue" into your wedding ceremony. Brides can paint their toenails blue or wear blue shoes under their gowns. Sew a patch from a pair of denim jeans into the bodice of the dress. Paint the bottom of your shoes bright blue so they stand out when kneeling at the altar. Blue sapphire or topaz jewelry can add an exotic look to the wedding wardrobe.

With a little ingenuity, brides can easily incorporate "something old, something new, something borrowed, something blue" into their wedding ceremonies.

UNDERGARMENTS CAN MAKE OR BREAK WEDDING LOOKS

As guests' eyes are trained on couples come their wedding days, it is no surprise that both the bride and groom want to look flawless on their big days. Men and women will spend thousands of dollars on clothing, hairstyling, makeup, teeth whitening, fitness classes, and more to ensure they look their best. While couples may be particularly concerned with their wedding day appearance, what they wear under their clothing - particularly for women - can impact how clothes fit and look.

Choosing the right bra or supportive undergarments can play a crucial role in how a gown fits and whether or not brides achieve that picture-perfect look. Wearing the wrong undergarments can negatively affect a bride's appearance and make her extremely uncomfortable.

According to a study done by Swiss lingerie company Triumph, a large number of women are choosing their bras incorrectly. The international survey of 10,000 women found that 64 percent of them are wearing the wrong size bras. If women are wearing the wrong undergarments for everyday looks, it stands to reason that their wedding choices may not be spot on, either.

Undergarments should be purchased and brought to all fittings as soon as a gown is selected. In fact, it often is a good idea to ask the bridal store employees to suggest a bra or corset that will complement the gown and remain invisible beneath the dress. Some shops will make bras available when trying on gowns. Brides are not obligated to purchase undergarments where they purchase their gowns, but take note

of the brand and style and find a similar one elsewhere that fits with your budget if you don't want to buy at the store.

Pay attention to the gown's fabric and how dense it is. Certain shapewear, including bras, that have a lot of boning in them to shape and support the body can show under bridal dresses without a lot of layers. Always try on the bra with the gown to gauge the finished look. You may opt for simpler and plain lingerie styles so that you will be guaranteed a seamless appearance. Nude-colored bras tend to be less noticeable than white. You always can purchase something with more pizzazz to change into for the wedding night. Some dresses with plunging necklines or backless designs may necessitate other options. Sew-in bra cups are another option

that can lend invisible support.

Women with more ample busts may want to select gowns that will allow for bras with supportive straps to be worn. This way there is no worry about strapless bras or other style lingerie slipping down.

In addition to bras, other types of shapewear can enhance certain areas of the body or downplay perceived flaws. Shapewear can smooth and pull in stomachs. Choose boy shorts or thong-style cuts for a seamless finish. Shapers can smooth out bulges on the back, legs and hips, too. There also are special shorts that have some padding in the rear to create a more curvy look.

Bras and other shapewear can make a world of difference in how wedding attire looks and feels. Invest in some quality pieces that will highlight wardrobes to their fullest.

BE PREPARED WHEN CHOOSING POPULAR MONTHS FOR WEDDINGS

The season couples choose to get married can affect many aspects of their ceremonies and celebrations. Vendors are in high demand during popular wedding seasons like spring and summer. But those same vendors may be more flexible and less expensive during those times of year when

fewer couples tie the knot.

According to The Knot.com, a leading Web-based wedding resource, June, August, September and October are the most popular months for couples to say "I do," while January, February and March are the least popular months to get married. Wedding dates

can affect wedding costs considerably, and knowing this can help couples find the date that works best for them and their budgets.

Value dates

Tying the knot in the early part of the year can be a more budget-friendly option for cost-conscious couples.

Prices for reception sites and vendors may be lower in January and March than during other times of the year. However, February may not be so budget-friendly thanks to Valentine's Day. December also may not garner significant discounts thanks to the holiday season, when vendors may be in high demand for holiday parties.

Local events

Even though certain months may not be in high demand for weddings, that doesn't always mean they are the perfect time for couples to tie the knot. Popular local events, such as festivals, large-scale meetings and conventions, can intrude on wedding plans. Consult with a local chamber of commerce and local schools to see if any local events that might drive up the cost of your wedding are going on. Reunions or conventions can stretch nearby restaurants, hotels and reception sites pretty thin, leaving you with fewer options.

Vary the time

If you have your heart set on getting married during more popular months to tie the knot, then you may be able to save a bit here and there by being more flexible with the time and day you choose to make your vows. Couples often choose a Friday or Saturday wedding because they believe it will make it most convenient for guests to attend. However, if you provide ample notice to guests, they may be able to take off a Thursday or even a Monday from work, making a Thursday or Sunday wedding a more doable option.

If Saturday is still your ideal day to walk down the aisle, think about having an early wedding ceremony followed by a brunch or lunch reception. You also can customize your wedding to be a cocktail party only, saving you some money.

Have backup options

Recognize that if you want to get married on a Saturday at the height of wedding season, you may not get first choice on your venues and vendors. Have a list of service providers at the ready just in case your first choices are already booked.

By understanding how dates and times can affect weddings, couples can make more informed decisions when planning their nuptials.

RESPONSIBILITIES OF BRIDAL PARTY MEMBERS

Being asked to join a bridal party is both an honor and a responsibility. When asked to take on such significant and meaningful roles, men and women may recognize the honor but be unsure of what their responsibilities are as couples move forward with their wedding plans.

Bridal party roles can vary depending on certain circumstances, but many couples still want their bridesmaids and groomsmen to perform many of the more traditional tasks associated with their roles. The following are some of the tasks bridesmaids and groomsmen can expect to perform in the months leading up to the wedding and during the wedding itself.

· **Maid of Honor:** The maid of honor serves as the bride-to-be's right-hand woman as she plans her wedding and gets ready on her big day. Maids of honor typically go gown shopping with the bride and may even choose or offer suggestions about the color and style of the bridesmaids' dresses. Once a dress style and color has been chosen, the maid of honor will make sure everyone is fitted on time.

A maid of honor will also plan the bridal shower, sending invitations and arranging for lodging for out-of-town guests if necessary. Many brides want the details of their bridal showers to be a surprise, and maids of honor should

honor those sentiments when possible. A maid of honor also plans the bachelorette party, though many brides do not mind being involved in the planning of such parties.

The maid of honor may be asked to help address save-the-date cards and envelopes as well.

Come the day of the wedding, the maid of honor will ensure the bride's day is as stress-free as possible, helping to address any last-minute issues that may arise. Maids of honor may be asked to serve as the legal witness to the wedding and sign the wedding license before the reception. At the reception, the maid of honor will toast the bride.

· **Best man:** The best man is the maid of honor's counterpart, helping to plan the bachelor party and toasting the groom at the reception. The best man also tends to hold the rings during the wedding ceremony, and during the day of the wedding, he will coordinate the groomsmen to make sure everyone is ready to go on time. The best man may arrange transportation for the groom and groomsmen on the day of the wedding and may also return the groom and groomsmen's attire the following day if the newlyweds are departing on their honeymoons.

· **Bridesmaids/Groomsmen:** The bridesmaids and groomsmen

serve similar functions, acting as sources of support as couples plan their weddings. Bridesmaids and groomsmen help to plan the bachelorette and bachelor parties and may also be asked their opinions as couples make decisions regarding their weddings. Bridesmaids and groomsmen must be prepared to take pictures once couples have officially tied the knot. They also must help the brides and grooms with any issues that may arise in the hours before couples become husband and wife.

· **Flower girl/Ring bearer:** Flower girls and ring bearers are often young relatives of the couple, whether they are a young brother or sister or a niece or nephew. The responsibilities of the flower girl and ring bearer are typically lim-

ited to the ceremony, during which they will walk down the aisle, either together or individually, before the father of the bride escorts his daughter to the altar or stage.

· **Father of the bride:** The father of the bride walks his daughter down the aisle during the ceremony, and, along with his wife, may pay for the wedding, though many couples now finance their own nuptials. The father of the bride will dance with his daughter during the reception, and some fathers may even share a special toast for the newlyweds during the reception, though such a toast is not traditionally required.

Bridal parties play a big role on couples' wedding days, and those roles are both an honor and a responsibility.

EXPERIENCE what it's like to be flawless.

Instantly Ageless™

Instantly Ageless™ is a powerful anti-wrinkle microcream that works quickly and effectively to diminish the visible signs of aging. Instantly Ageless™ revives the skin and minimizes the appearance of fine lines and pores for a flawless finish.

A perfect day starts with perfect skin.

Meticulously developed, our formula is lightweight and contains a skin-conditioning complex of minerals that evens skin tone. Instantly Ageless™ immediately dissolves into the skin, reducing the appearance of wrinkles. It's specifically designed to target areas which have lost elasticity—revealing visibly toned, lifted skin. Users have seen dramatic results in seconds.

BEFORE

AFTER

A compact, yet powerful alternative to fortify skin affected by free radicals and environmental damage, Instantly Ageless™ is at the forefront of anti-aging technology.

BENEFITS

- VISIBLY DIMINISHES THE APPEARANCE OF FINE LINES AND WRINKLES
- ERASES THE APPEARANCE OF DARK CIRCLES AND PUFFINESS UNDER THE EYES
- MINIMIZES THE APPEARANCE OF PORES
- HELPS TO EVEN SKIN TEXTURE
- MATTES SKIN FOR A FLAWLESS FINISH
- RESTORES SKIN TO OPTIMUM APPEARANCE

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
