## ONOWAY AND AREA ARE GETTING REFUGEES!

**Submitted by Mu Lavin**

The meeting held at the Anglican Church by the Onoway and District Ministerial and Community members, this past Monday the 22nd, was well attended with 29 people from the community. Paulette Johnson from Catholic Immigration Service gave a very informative presentation and answered a number of questions.

Barry Rose minister of St. Johns Anglican lead with prayer and introduction, followed by Pastor Rick Forster explaining how this all came about with the picture of the little boy on the beach and how interest has grown. Mu Lavin also explained that the impetus was members of her church asking questions. She also

has contacts in Jordan where there is at least one Iraqi family longing to come to Canada.

Kathleen Arnold, Public Health Nurse in Onoway, shared how that photo had touched her family and how they wanted to do something. She did post on the Onowaywall4all and got a number of very positive responses plus a few not so nice ones. She now has about 10 people who have contacted her to help not included in the 29 at the meeting.

These good folk along with support from Rev. Chang Lee, Zion United and the Thrift Shop have got the ball rolling.

They have to raise \$30,000 and that goal was helped by one person at the meeting donating \$1,000 and challenged others to do so. Mu

Lavin reported that another family came forward \$1,000, another with a car, another with a house. One family in Spruce Grove saw the last article in the Community Voice and the fridge, microwave and many other items were picked up on Thursday. Mu Lavin knew people would be generous and she is so grateful to all those who have helped so far.

Kathleen ask everyone present to fill out the volunteer forms which cover every aspect of the help needed from driving our newcomers to appointment, to fundraising, as well as just being a friend when they arrive.

## RURAL CRIME WATCH SIGN UP

**Submitted by Lac Ste Anne North East Rural Crime Watch**

Lac Ste. Anne North East Rural Crime Watch Association (LSANE Rural Crime Watch) is registered with the Alberta Provincial Crime Watch Association. We fall under the umbrella of the Stony Plain & District Crime Prevention Association. Our RCMP detachment is Stony Plain. Our Liaison Officer is Cpl. Kim Mueller.

LSANE Rural Crime Watch membership is open to residents within the Town of Onoway, and surrounding areas, rural districts,

and acreage subdivisions.

The goal of LSANE Rural Crime Watch is to make you aware, keep you informed, and share knowledge. Be aware of your surroundings, not a surprised victim of criminal activity. You will never be expected to put yourself in harms way. Simply have an increased awareness to suspicious activity within the community and share the information with the Crime Watch network.

LSANE Rural Crime Watch will be holding a membership sign up

Thursday March 3rd 5:30-8:30pm at the Onoway Heritage Centre.

The cost of membership is a one time cost of \$25 and includes a

criminal background check, signage for your property, and connection to the crime watch fan-out system. Your membership remains active as long as you live within the LSANE Rural Crime Watch boundaries.

If you are an existing member and have not been getting the fan out messages; please stop by and make sure we have your current email address and phone number. If you are new to the area, this is a very easy way to become involved, gain knowledge and stay informed.

## PARLIAMENT UPDATE – WEEK OF FEBRUARY 22, 2016

**Submitted by Jim Eglinski, MP – Yellowhead**

This week in Parliament, we covered topics from ISIS, to employment insurance and labour.

- The Liberal Government's Motion against ISIS was debated for most of this week. My comments in the House regarding this Motion can be found at: <http://www.parl.gc.ca/content/hoc/House/421/Debates/022/HAN022-E.PDF>

- A Motion introduced by our Conservative Party was voted by a wide margin to condemn the growing international Boycott, Divestment and Sanctions (BDS) campaign being waged against Israel.

- The report by the Special Joint Committee on Physician-Assisted Dying was released this week and can be found at: <http://www.parl.gc.ca/HousePublications/Publication.aspx?Language=e&Mode=1&Parl=42&Ses=1&DocId=8120006> (the dissenting report can

be found on page 51).

- The NDP put forward a Motion on Employment Insurance, calling for the House to recognize mounting job loss and lack of access to E.I. They are also calling on the Government to strengthen the E.I. system and calling for repeals of the reforms the Conservative Government made in 2012-2013.

- Private Members' Bills (PMB) were introduced by my Conservative Colleagues during the week. Four of them deal with the Criminal Code, from protecting preborn children, to clarifying definitions dealing with firearms, and the Life Means Life Act (life sentences). A fifth PMB deals with respecting a national strategy for Alzheimer's disease and other dementias. I look forward to reading these bills.

- At second reading, Bill C-4 – an Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act – ended the week.

Over the course of the week, I attended 11 meetings and two events. The House will be down the week of February 29, and my next update will be on my travels in the riding before my return to Ottawa on March 7.

## Onoway And Area Are Getting Refugees!

Continued From Page 1

They can be contacted at onowayrefugeelove@gmail.com or ask at any of the 4 churches mentioned above.

Pat Lavin local retired math teacher noted, at the coffee following the meeting, it only takes a donation of \$120 from

250 people to reach their goal or 1000 people to give \$30 This has already started,

The organizing committee would like to thank all who attended and all those who will join them in this exciting project so that we can share this wonderful land of Canada and province of Alberta with other who have lost absolutely everything.

### JOKE OF THE WEEK

An elderly couple had been experiencing declining memories, so they decided to take a power memory class where one is taught to remember things by association. A few days after the class, the old man was outside talking with his neighbor about how much the class helped him. "What was the name of the instructor?" asked the neighbor. "Oh, ummmm, let's see," the old man pondered. "You know that flower, you know, the one that smells really nice but has those prickly thorns, what's that flower's name?" "A rose?" asked the neighbor. "Yes, that's it," replied the old man. He then turned toward his house and shouted, "Hey, Rose, what's the name of the instructor we took the memory class from?"

# MARCH NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

**Submitted by Melanie Fitzgerald, Library Manager**

Mrs. Fitzgerald's Great Reading Challenge continues at the Rich Valley Public Library! Whether you read a book from home, the library or a book from school, they all count towards earning your stickers. To earn a sticker all you have to do is answer three of Mrs. Fitzgerald's questions about your book. You could also write a poem or song, draw a picture, make a

video or build a character/ scene out of Lego about your book instead. Can't make it to the Library that week? No problem, just have your parents bring it in for you or email it to [rvpublib@yrl.ab.ca](mailto:rvpublib@yrl.ab.ca). We hope you continue reading and visit us at the Rich Valley Public Library so you can continue to earn stars for the Ice Cream Party which is happening on March 29, 2016.

For our younger patrons we are having a weekly scavenger hunt to win a big stuffed Olaf. Stop in and

# SOCIAL WORK WEEK

**Submitted by Stephen Lander, President - Northern 7 Regional Foster Parent Association**

Across Canada, the first week of March is set aside to recognize a group of individuals who dedicate their lives to helping people. It's Social Work Week—a time to recognize the contributions of social workers to society.

I particularly want to acknowledge social workers who specialize in the area of child intervention—the caring professionals that help families whose children are at risk. These social workers collaborate with our team of skilled foster families in North Central Alberta to provide a safe and loving home for children in care.

Our shared goal is to keep children safe while a child's biological family resolves the issues that brought children into care. It's not always easy. The social workers I know have some of the biggest, kindest hearts there are. We expect them to always have the right answers and to always be available (no easy task,

given that a crisis can happen any time of day or night). They involve us in planning for a child or youth in care's special needs. They help us obtain advanced training to equip us with the skills to meet a child's particular emotional, social, or physical challenges.

We work together to ensure that where possible, children in care remain closely connected with their biological families and eventually return home. When that can't happen, social workers help children find permanent homes where they can grow up with a sense of security

and belonging.

On behalf of all foster and kinship families in North Central Alberta, I want to express my gratitude to social workers and recognize our important partnership. Social work is important work—and its impact, far-reaching.

# CALL PROMPTS HOLD AND SECURE FOR VJM AND SACHS SCHOOLS

**Submitted by RCMP St Albert**

St. Albert, Alberta - On Monday, February 8, 2016, at approximately 11:10 a.m., St. Albert RCMP Detachment received a call from the Greater St. Albert Catholic School Division office that they had received a report from a youthful-sounding caller that needed police attention. The caller stated that a man wearing a black trench coat and carrying

a firearm, was walking near St. Albert Catholic High or Vincent J. Maloney schools.

St. Albert RCMP Detachment requested that both Vincent J. Maloney Junior High School and St. Albert Catholic High School go into a Hold and Secure procedure. Multiple RCMP cars responded to the location, set up a safety perimeter and investigated the situation.

By 11:25 a.m., the RCMP investigation determined the call

was a prank and both schools were advised to lift the Hold and Secure procedure.

This call caused concern to students, parents and school staff. False reports such as this one, needlessly tie up emergency resources and expose the community to stress and fear for their children's safety. St. Albert RCMP and the Greater St. Albert Catholic School Division are investigating to determine who made this false allegation

so that this behaviour will not be repeated.

St. Albert RCMP is looking for your help on this event. If you have any information about this or any crime, call the St. Albert RCMP at 780-458-7700, or if you wish to remain anonymous, call Crime Stoppers. At Crime Stoppers, you do not need to reveal your identity. Crime Stoppers does not subscribe to Call Display, Call Trace or tape any phone calls. If your information leads to an arrest, you may qualify for a cash award up to \$2,000.00. We want your tip, not your name. Call Crime Stoppers at 1-800-222-8477 (TIPS).

# LETTER TO THE EDITOR: WAR AMPS KEY TAG SERVICE

**Submitted by Carol Johnson**

Dear Editor,

I am a double leg amputee and a member of The War Amps Child Amputee (CHAMP) Program.

Thanks to public support of The War Amps Key Tag Service, I have attended regional CHAMP Seminars where Champs and their parents learn

about the latest in artificial limbs, teasing and bullying and how to parent an amputee child. I have been a Junior Counsellor at the seminars, acting as a role model and giving advice to the younger Champs. The seminars let child amputees know they aren't alone and that the sky is the limit.

I am also a multisport athlete, and donations to the Key Tag Service have allowed me to be

fitted with recreational limbs and devices to participate in sports and stay active. If it wasn't for The War Amps, I would not be able to do any of the things I do.

2016 marks the 70th anniversary of The War Amps Key Tag Service and to date, more than 1.5 million sets of lost keys have been returned to their owners.

Although it is a free service, donations made provide young amputees with financial assis-

tance for artificial limbs and allow us to go to regional seminars.

Thank you to everyone who has supported The War Amps Key Tag Service, which has helped Canadian amputees like me for the past 70 years.

Sincerely,  
Trinity Tratch, 17  
Champ, Calgary

## ST. ALBERT MAN WINS \$143,068 ON LOTTO 6/49

Submitted by Western Canada Lottery Corporation

Maksim Malitski won \$143,068.10 on the January 23 LOTTO 6/49 draw.

The St. Albert resident buys a Super Pack almost every week, giving him tickets for LOTTO MAX, LOTTO 6/49, WEST-

ERN MAX and WESTERN 649. This time he matched five numbers and the bonus on LOTTO 6/49.

"I gave the tickets to the retailer to check for me," he said. "When I saw the number on the screen I thought, 'Oh, wow. Well, that's not bad at all!'"

Malitski said he was excited to win such a large prize, but he

hasn't given much thought as to what he will do with his winnings.

"I don't have anything planned just yet," he said. "I'll think about it."

Malitski purchased his winning LOTTO 6/49 ticket at the Gateway Shell located at 400-2 Hebert Road in St. Albert.

## FEBRUARY IN REVIEW

**Submitted by Minister  
Oneil Carlier**

This past month, Pink Shirt Day was a big day for our province. Government officials donned their pink shirts, schools and work places rallied together to raise awareness about bullying, because it's the right thing to do. Our government strongly believes in standing up with our communities and working together to create safe, inclusive, and respectful spaces for everyone. This is important not just for one day, but every day.

While this resonates in all areas of life, it means a great deal when we talk about the future of our youth. That future begins in

our schools. When my children were in school, I worried about bullying as all parents do. How do you know if your child is being bullied? How do you support your child and the school when they are a victim of bullying? What do you do if heaven forbid, your child may be the bully, knowingly or not?

Pink Shirt Day stands as an important time to remind parents, teachers, students and stakeholders such as the government, of how important it is to ensure that our children are being taken care of inside and outside of school. Our schools are most often the arena where bullying takes place, which is why it is so important for us all

to work together to ensure that our schools remain to be a safe, caring and, welcoming place for all children. Our children are diverse and talented in their own special ways. Never should they be made to feel like they are not valued, equal, and safe.

Our government is committed to working with education stakeholders in protecting our children. This is why we have restored funding to thousands of teaching positions so that not only do students have the academic support they need to thrive, but have the attention of staff to support them. To ensure that our teachers are never 'spread-too-thin' to notice a problem or an incident of bul-

lying. This includes working with school boards to develop policies that help protect and support our LGBTQA students who are particularly vulnerable to bullying.

Our government maintains its strong record for protecting those individuals who are at risk of their wellbeing and rights being infringed upon. We are proud to work with our community stakeholders in developing this path together, because that's the Alberta way.

Sincerely,  
Minister Oneil Carlier

# SUPPORT FOR WOMEN'S EMPOWERMENT

Submitted by Jim Eglinski, MP - Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead today highlighted a new call for proposals entitled 'Support for Women's Empowerment'.

The Department for the Status of Women is inviting organizations to propose projects that increase women's participation in democratic and public life. Proj-

ects under this call for proposals will fall under two streams:

Stream 1: Empowering Indigenous Women for Stronger Communities will support projects that will empower Indigenous women to engage with their communities to address issues affecting them or hindering their advancement in all aspects of life

Stream 2: Empowering Women for Political and Community Action will focus on two themes: 1)

Empowering Women for Political Action will promote the participation of women in political life; 2) Empowering Women for Community Action will improve conditions for women by amplifying women's voices and enhancing their civic participation.

The deadlines for applications under this Call for Proposals are: June 1, 2016 for projects that fall under Stream 1 – Empowering Indigenous Women for Stron-

ger Communities; and April 20, 2016 for projects that fall under Stream 2 – Empowering Women for Political and Community Action. Please note a second wave of applications received by November 1, 2016, may also be considered if there are funds remaining for Stream 1.

Organizations can apply for funding by visiting [www.women.gc.ca](http://www.women.gc.ca)

### BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

## SUMMER VILLAGE OF NAKAMUN PARK

### SUMMER VILLAGE MANAGER

The Summer Village of Nakamun Park is a small, quiet Summer Village on the south side of Nakamun Lake, located approximately 60km northwest of Spruce Grove. The Summer Village has approximately 150 residences with an average full-time population of 65 people.

The Summer Village of Nakamun Park requires a self-directed and mechanically-inclined Summer Village Manager (SVM) for the period of May 1<sup>st</sup>, 2016 through September 30<sup>th</sup>, 2016, working Monday – Friday, 8 hour days (weather permitting). Wages will be between \$25.00 and \$35.00 per hour, with a mid-month advance and month-end cheques as preferred method of compensation. The final wage rate offered will be based on candidate experience and ability. Applicants must understand that this position is temporary and seasonal in nature.

Safety gear (including CSA steel toed footwear, hearing and/or eye protection, and lifejackets) must be worn as required. Minimum Class 5 motor license is also a requirement of this position.

It is expected that the Summer Village Manager will work in a courteous and respectful manner with all Summer Village stakeholders, including council, administration, residents.

#### Typical duties of this position include the following:

- Regular day-to-day maintenance of Village equipment, including aquatic weed harvesters, trucks, lawn mowers, weed trimmers, tractors.
- Cut and trim grass, fell trees, harvest and remove lake weeds (as per Government of Alberta Guidelines), replace road culverts, and pick-up parts and supplies from local distributors when required.
- Hire and direct the activities of contractors at the request of Council.
- Maintain the Village shop as a clean and safe working environment.
- Recommend equipment purchases, in writing, as required.
- Recommend projects that may be required to maintain or improve the safety and recreational environment of the Village.
- May be required to supervise and oversee additional Public Works staff, including STEP students.
- Experience in maintaining and operating a grader (John Deere 770G/GP) is preferred but not a strict requirement
- Village Council reserves the right to add additional duties as required.

Applicants should submit their resume by **March 21, 2016**, however the position will remain open until a suitable candidate is found.

#### **Please forward resumes and inquiries to:**

## WAXING 101: WHAT TO KNOW BEFORE WAXING YOUR CAR

Waxing a car is a great way to maintain its exterior. Including waxing as part of your routine vehicle maintenance can protect the car or truck from some natural hazards, including sun damage, pollen and the dirt and grime that can accumulate on a car over time.

Motorists unfamiliar with waxing may be intimidated by the sheer volume of waxes on the shelves at their local automotive supply stores, which will no doubt offer an array of both liquid and paste waxes as well as many spray waxes. When testing waxes in 2013, Consumer Reports found that liquid and paste waxes were relatively equal with regard to their effective-

ness, while spray waxes were very convenient though not very durable.

Waxing a vehicle is no small task, and drivers should learn as much as they can about car wax and the different types of waxes before attempting the job themselves.

The differences between waxes

In their study of liquid, paste and spray waxes, Consumer Reports found that paste waxes were easier to apply than liquid waxes, but that the overall performance of paste waxes fell short of liquid waxes. Liquid waxes were very durable and provided the gloss many motorists look for when waxing their

vehicles. But liquid waxes were difficult to apply evenly, something first timers should consider when choosing a wax. Spray waxes were convenient and easy

to use, and many can be wiped off without drying.

But Consumer Reports found spray waxes were not as durable as liquid or paste waxes, so they may need to be applied more frequently.

Because waxing is done to protect a car and improve its appearance, it's important that drivers waxing their vehicles for the first time test the wax on an area of their vehicles that is not easily seen to the naked eye. This affords some room for error as you

learn the waxing ropes while also allowing you to test out different waxes until you find the right fit.

There are some additional tricks drivers can employ when waxing their vehicles that can make the job easier and the wax that much more effective.

- Wash first, then wax. Make sure you give your car or truck a good wash before you apply any wax. Allow the car to dry completely before applying any wax.

- Avoid sunlight. Consumer Reports notes that sunlight can soften paint and make it susceptible to scratching, so avoid washing and waxing your car in direct sunlight.

- Use microfiber towels. Microfiber towels were found to be more effective than cloth rags at removing residue. In addition, cloth rags can trap dirt and scratch finishes, so opt for lamb's wool mitts instead.

- Go from top to bottom. The bottom of a vehicle is more susceptible to grime, so work your way down when waxing so you are not contaminating your towels. A contaminated towel increases the risk of scratching your vehicle's exterior.

When waxing your vehicle, the right wax and technique can make all the difference.

# ONOWAY ROYAL CANADIAN LEGION NEWS

**Submitted by Lorinda McCool**

Greetings from the Onoway Legion. The Memorial Service for Roy Pritchard was standing room only and many smiles as well as tears accompanied the history and stories told by family and friends. It was a very beautiful and moving ceremony with many people remaining to enjoy the lunch prepared and served by Bob, Brodie, Jay, Lorne, Faye,

Bud, Clive and Millie. Scott Sadler did a memorable job as Master of Ceremonies with emotion and compassion for the family and friends at the loss of Roy Pritchard on February 12, 2016.

Scouts with their parents hosted a successful Mexican Meal and silent auction on February 19th enjoying good attendance and support. Barb Coffey won the free meal draw, Caria Sidorchuk the meat draw and Arlene Lessard picked the two of

clubs which means the pot will increase again as the cards decrease. With less than one third of the deck left the suspense is building weekly and we hope you join us at the Legion for your chance at the Queen as well as a wonderful meal. Thank you Cheryl for recording the winners as I was unable to attend the supper.

The first fun 8 Ball Pool Tournament was held on February 20th and organizer Larry Villneff was very happy with the interest and competence of the players. First place honours went to Don Osbak and Jode Jorgenson, second place to Peter Menzel and Harry Ratz with third place to Rob Ewert and Marlaine Janke. Congratulations to all competitors and hope to see you again as Larry is hoping to hold a tournament monthly to complement the Dart Tournament usually held on the last Saturday of each month.

The Legion will be holding a spring garage sale on April 9th and if you would like to rent a table for your personal items

please contact Cheryl Sadler @ 780-967-4146. The cost per table is \$10.00 and MUST be prepaid by April 6th. Hamburgers and hotdogs will be available for lunch but no food or commercial vendors please.

Thousands of Canadians contribute to our economy through the natural resource sector. At a time when our economy is struggling, the Liberal government needs to stand up for these Canadians and take a clear position in favour of Energy East. The oil and gas sector directly and indirectly employs over 360,000 people in Canada, accounting for almost 8% of GDP in 2013, while Energy East alone is expected to generate \$10 billion in taxes for all levels of government. Our country ranks third in the world for proven crude oil

From 2008 to 2013 more than 99.99 percent of oil transported by federally regulated pipelines was done so safely, and thanks to the previous Conservative government, companies are liable for up to \$1 billion of costs and damages, irrespective of fault. Pipelines are the most environmentally responsible way to transport our oil, and Energy East will displace the equivalent

Approximately 700,000 barrels of oil are imported every day to refineries in Eastern Canada, coming from countries such as Saudi Arabia, Venezuela and Nigeria. The Energy East project would strengthen Canada's energy security by decreasing our dependence on authoritarian regimes with poor human rights records, rampant corruption and deficient environmental controls. Most of Western Canada's oil production is exported to the United States, and 97% of our

In my view, it makes no sense to import foreign oil while Canada is blessed with an abundance of natural resources here at home. Instead of turning his back on the thousands of hardworking Canadians who keep our economy moving, many of whom are now struggling to find work, Prime Minister Trudeau must show leadership and unwavering support for this project.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

The winners of the Mayor for the Day initiative shadowed Whitecourt Mayor Maryann Chichak yesterday and experienced a full day of meetings and press interviews. The initiative, spearheaded by the Whitecourt Youth Advisory Committee, was developed to raise awareness of municipal government activities in the youth demographic. Avery Ulliac, a grade 6 student, and Mark Gilmore, a grade 11 student, submitted essays to the program on how they thought Whitecourt could be enhanced. Avery's essay discussed local promotion of geothermal heating, while Mark outlined the benefits of an indoor soccer and multi-use arena. At last night's Council Meeting

Avery and Mark had the chance to recap their day, and both noted that if they had the chance they'd apply to the initiative again next year. Thanks Avery and Mark for your enthusiasm and interest!

Tina Prodaniuk, of Eagle Tower Victim Services, presented an overview of operations and goals for 2016. Victim Services has ten new advocates currently being trained to meet regional needs.

Part 1 of the Whitecourt Emergency Services Annual Report was presented to Council which included information on the Whitecourt Fire Department and Municipal Bylaw Enforcement. Highlights of the reports included:

- Whitecourt Fire Department responded to 322 calls.

- Whitecourt Fire Department's prevention/education activities were attended by 6,998 people.

- Whitecourt Municipal Enforcement worked collectively with local RCMP and other agencies through proactive patrols, public education/relations, preventative patrols, and traffic enforcement.

Town Council awarded the 2016 FireSmart project contract, valued at \$170,200 plus GST, to Wide Open Slashing Ltd. The 2016 project will be completed with funding support from the Forest Resource Improvement Association of Alberta (FRIAA) and will include treatment of 46 hectares of land located south of the Forest Interpretive Centre and Lions Campground. This project follows a

milestone in local efforts with Whitecourt's 2015 receipt of the National FireSmart Community Protection Achievement Award. Over the past six years, the Town has successfully obtained grant support to complete FireSmart activities, and, since 2010, 223 hectares of land have undergone or are in the process of treatment. FireSmart treatments greatly reduce the potential for wildfire and work has helped safeguard our community.

Council has granted use of the Forest Interpretive Centre and Allan & Jean Millar Centre to the Whitecourt Wolverines. The Wolverines requested use of the facilities following a fire that caused significant damage to the Whitecourt Wolverines Centre for Excellence.

Whitecourt's newest road in the Athabasca Flats East area has been named McIlwaine Drive. The road, which runs north/south between Mink Creek Road and the proposed 52 Avenue, will service the new grade 4 to 12 Living Waters school currently under construction. The McIlwaine family settled in Whitecourt in the early 1940s and soon became an integral part of the community. Members of the family served in the armed forces, and were members of various groups and committees, including the Legion, Chamber of Commerce and Masonic Lodge. Their families were raised in the community and the original brothers worked in various industries, including farming, forestry, government and education. Notably, Cecil McIlwaine was the first teacher at Westward School, and Clarence McIlwaine built the first horse-drawn school bus for Whitecourt. It is the McIlwaine family's connection to education and learning that prompted Council to choose their name to mark the location of our community's newest school.

Council has approved an application to open an indoor recreational facility, Anytime Fitness, at 4420 – 52 Avenue in the No Frills building. Anytime Fitness is an international franchise that proposes to operate 24 hours per day.

Town Council provided final approval for the purchase of approximately 182 acres of land. The land, purchased for \$1 million, will provide for future residential and recreational development. The land also has deposits of fill that can be extracted and made available for cost effective options to nearby development.

Whitecourt Town Council has proclaimed February 28 to March 5, 2016 as Social Worker Week.

Councillor Eris Moncur will serve as Deputy Mayor from March 1 to June 30.

## *Giving Back to Our Community*

Leann and Debbie have both lived and raised their families in the greater Alberta Beach/Tri-Village area. Not only do they work here and have a good understanding of all factors that influence the market, but they truly care about the important issues and community members. Over the years, they have given back to their community through countless hours of volunteering in organizations such as the Alberta Beach Library, Alberta Beach and District Museum, the local chapter of the Chamber of Commerce, Girl Guides of Canada, Grasmere and Onoway School Councils and several special interest events. They continue to support the community, not only through volunteering, but also through extensive sponsorship of groups and organizations responsible for enhancing the region.

If you're thinking of making a move in the real estate market, don't hesitate to give Leann or Debbie a call today and put their proven track record to work for you!

## Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
