## MAYERTHORPE ATOM MUSTANG'S

Submitted by Tanya Vanderwell

Mayerthorpe Atom Mustang's hockey team had a very strong season. The team played various teams within the Sturgeon Pembina Hockey league and finished the regular season with a 17-0 record. The team played two league final games on March 5 & 6 to win the Atom B West League Championship. The team also participated in zone 3 playoffs. The team won both rounds undefeated to move on as Zone 3 Atom D Champions and will be representing Zone 3 in Provincials in Duchess, Alberta March 17-20.

The team would like to thank all our coaches for their dedication and to our parents and fans for making a great 2015/16 season. Looking forward to next season.

### JOKE OF THE WEEK

A three year old walked over to a pregnant lady while waiting with his mother in the doctors office. He inquisitively ask the lady, "Why is your stomach so big?" She replied, "I'm having a baby." With big eyes, he asked, "Is the baby in your stomach?" She said, "He sure is." Then the little boy, with a puzzled look, asked, "Is it a good baby?" She said, "Oh, yes. It's a real good baby." With an even more surprised and shocked look, he asked... "Then why did you eat him?"

# ALBERTA BEACH AND DISTRICT MUSEUM AND ARCHIVES SOCIETY ANNUAL REPORT FOR 2015

Submitted by Leann Knysh

2015 was yet another busy year for our organization. Operated by the dedication of many volunteers who oversee all the many functions of the Heritage Village Park from fundraising, project overviews, construction, restoration, hosting a table at the Farmers Markets, running a Meat Draw Raffle at the Alberta Beach Hotel every Saturday, Collection and Curating, preservation and reports and general cleanup and maintenance of the buildings. The Heritage Village Park is open to the public from July 1 to the September long weekend, 6 days a week. While closed for the winter, the members busy themselves with what lies ahead to ensure our position in the community as a valued tourist attraction and historical learning facility. Funding

for the Alberta Beach Museum comes solely from the Fundraising efforts, Grants and Donations. Looking back on last years wish list of future accomplishments:

- Seniors Interviews
- Plank Plaque Program
- Poly Days Art Exhibit
- Repair Chapel and Log Cabin
- Landscaping (including finishing the boardwalk)
- Community Awareness
- Construction of the Red and White replica store
- Look at publishing another history book based on Seniors Interviews and Stories!
- Update and maintain the Alberta Beach Museum Facebook page and Website
- Submit more articles to the newspapers

It appears we have may strides in some areas and then not so much in others. The Seniors interviews have yet to be started and

we really want to get a good start on this so that we can look to publish the History Book based on the interviews and stories.

Plank Plaque Program was implemented and we have almost 100 sold and half of that is placed around the planks already. It has been very well received and a wonderful program for the historical park and the community. Along with this we acquired Pier Blocks (pcs of the pier with historical pictures inlayed in them). We sold these and they became very popular. We will continue to sell both of these items.

Poly days Art Exhibit was not as successful as we had hoped and it ended up turning into a bit of a silent Auction. We will continue with the Silent Auction theme this year and perhaps showcase local artists at the same time.

The Chapel was repaired as was the log cabin.

The Boardwalk was repaired and completed however we have not done much in the way of landscaping or finishing touches. It is noted that both Don and Les did get us more Pier Boards and readied them for replacement when needed

Community Awareness has been achieved through the Social Media Facebook Account but is lacking for sure as far as articles written for local newspapers. We will have to look to who can best write and submit these as it is important for the community to know we even exist.

The RED and White store (replica) was built on site. It turned out absolutely beautiful and plan to have the grand opening July 1, 2016. We still need to complete the inside of the store but it is a definite asset to our site.

# Alberta Beach And District Museum And Archives Society Annual Report For 2015

## Continued From Page 4

We hosted the grand opening in July with donuts and coffee. We hosted a Meat Draw event every Saturday at the Alberta Beach Hotel (thanks to them for their ongoing support and thanks to Sylvia for not only managing this but also for working just about every Saturday throughout the year, along with countless other volunteers from this organization and the community). There were two raffle draws. (Thanks Frieda's daughter Delores for her ongoing support of decorating and putting the baskets together) The Museum had a table and presence at the Farmers Market every Sunday (thanks Mildred, Frieda, Vivian and Maxine who gave up their Sundays May through October and one in December). When you are committed to every week, that is more than a Volunteer, that's unpaid labour! We also hosted a School tour in June.

Our Scavenger Hunt has been very well received by the kids that visit us. It is a lot of fun for them to find historical items listed that are spread amongst each building and be rewarded with a penny for each item they found correctly. They then spend their pennies on Jar Candies!!! So it also teaches a bit of Math as well as getting them involved in the history of the area and the artifacts.

Overall, we were very busy this year and we should be proud of all that we have accomplished. There was a total of 1095 recorded visitors (those that signed the guest book) and we had \$1469 in cash donations. Some other donations were made by CN Rail on behalf of retired employees or their families. A grant was received from CLSA for \$1000 to help offset some of the utility costs. Most all of our operating funds come from the sales of articles either on site or at the farmers markets, the money made on the weekly meat draws, donations from visitors and members and grants and casino's when available.

We hosted a volunteer Dinner in December as a token of our appreciation for all that the volunteers

do for us. Some of the meal was donated by Momma's Restaurant so we thank them for that.

Another example of community support is the Donated Labour and Materials from Dave's Painting. He has taken it upon himself to pick a project every year and work on it. His support is so appreciated.

While we recognize ALL members play a significant part of keeping the Museum vibrant, there are those that dedicate a lot of their

time in the everyday maintenance and operation, cleaning and polishing, flowers and yard work, (Thanks Les for your hours in keeping the grass cut). The maintenance checkups on our utilities and the condition of the buildings was also ongoing and thanks to Bill Nicols for managing that. We would really like to take this opportunity to thank ALL those members of our organization and the members of our community and to let them know that all of

their efforts do not go unnoticed. The organization and community as a whole is indebted.

Looking forward to next year we will hopefully be hosting the Silent Auction and Art Exhibit, Compile Seniors stories, host an event for our 40th Anniversary of Incorporation, finish the Red & White Store, landscaping and community awareness.

We all look forward to 2016 and hope for more Community Awareness and Support.

Tasha Bradsell can be described as a woman who is following her life's passion. She is the owner of Baraka Gardens. She was the presenter of what's

new in 2016. She gave us pictorial images, plus tidbits of information on her recommendations of the best new flowers for our growing area. She also believes in the best practises of getting rid of nuisance insects like aphids. She sells beneficial insects out

of her greenhouse and tries to remain as environmentally friendly as possible, in all areas of her field. Our next meeting is March 28th at 700pm at the Sangudo Golden Age Club (4927-50ave Sangudo). We are going to have local speakers talking

about water gardens. Members of the public are welcome to attend. There is a \$5.00 drop in fee which includes the speakers and a light lunch.

## BILL C-2, AN ACT TO AMEND THE INCOME TAX ACT

**Submitted by Jim Eglinski, MP – Yellowhead**

Bill C-2, 'An Act to Amend the Income Tax Act', is flawed.

One example is that it proposes to roll back the maximum Tax-

free Savings Account (TFSA) contribution. The TFSA was an initiative that our government brought in several years ago, the most important savings vehicle that Canadians have seen since the advent of the RRSP. It has been incredibly popular and it was well received by Canadians from all income brackets. What the tax-free savings account does is offer a little bit of a shelter against the negative impacts of inflation when it comes to paying taxes, as one would not have to pay tax on that fake growth. It protects all of the growth, both inflation and real growth, from the tax man. When did it become wrong for Canadians to have the ability to save more of their hard-earned money tax free?

In this Bill, the Liberal Government is planning to reduce the TSFA contribution limit from \$10,500 to \$5,500. I realize that not all Canadians would be able to contribute the full amount each and every year, but the TF-SAs have been structured so that there is a carry-over element. If one cannot max out their contributions in one year, they do not lose it the next year.

Prime Minister Trudeau believes that having a tax-free savings account will only benefit the rich and will be paid for by the next generation of Canadians. Really? Here we have a Prime Minister who is saddling the next generation of Canadians with billions of dollars in new debt, and he is worried about people having too much money in their savings account!

Canadians deserve better!

### BETTER QUALITY OF LIFE

# MONTHLY UPDATE OF THE GROWTH ALBERTA BOARD

**Submitted by GROWTH Alberta**

The following report provides a brief overview of the Board meeting of the Grizzly Regional Economic Alliance Society held February 29, 2016.

**BROADBAND DELEGATION:**  
There was a presentation about a broadband project by Rick Bastow from Alberta Economic Development and Trade, Regional Economic Development Branch. He outlined a project the branch is undertaking and collaborating with REDAs and

the University of Alberta to develop a “broadband toolkit”. The product will provide a general information resource for stakeholders such as Municipal politicians to get an understanding of broadband and its importance to economic development. Timing of the development is in the 2016-2017 fiscal year ending March 31, 2017.

**GROWTH ALBERTA STRATEGIC THEME & INITIATIVE REVIEW**

Youth Retention (Growing Opportunities School Expo)

Administration is still working to secure community and region-

al stakeholders to lead the project so that the Growing Opportunities School Expo will continue.

**Business Awards of Excellence**  
April 1, 2016 we will begin to accept Business of Excellence Nominations for 2016.

**Tourism Development**

An arrangement was made with Great West News that will enable the WILD Tourism guide to be published and distributed again this year. The project will see the project cost reduced, number of units refined to 15,000 and Great West News assisting with distribution channels.

The new WILD Alberta website

design with Strong Coffee has begun. Strong Coffee will be writing new content for the website as well. The new website will be launched in May, 2016. Tourism operators and stakeholders will be consulted during the re-development of the site to ensure enhanced functionality and that the new site meets their needs.

**Investment Readiness Collateral Package**

The Alberta HUB Investment Readiness Collateral package was put together by administration for members to look over and decide if this project has value for GROWTH Alberta.

**Broadband Readiness Initiative**

GROWTH Alberta is collaborating with 5 northern Alberta REDAs, the Northern Alberta Development Council and Community Futures Yellowhead East to develop a broadband inventory, gap identification and potential internet strategies for all of Northern Alberta. Alberta Economic Development & Trade has made a 1:1 funding model available up to \$20,000 per REDA to complete the project. The end result will entail a finite summary of broadband inventory for Northern Alberta and also specific to the GROWTH Alberta region. GROWTH Alberta will sit on the project steering committee to ensure any specific member questions and needs are brought forward for inclusion in the project. Timing of the development is in the 2016-2017 fiscal year ending March 31, 2017.

**COMMUNITY ECONOMIC DEVELOPMENT STRATEGIES:**

Town of Barrhead – Leslie Penny  
Nothing to report at this time.

County of Barrhead – Bill Lane  
Nothing to report at this time.

# MAKE A CHANGE: ONE MEAL AT A TIME

Submitted by Alberta Health Services

March is Nutrition Month! Dietitians in Alberta Health Services across the province are inspiring Albertans to Make a Change: One Meal at a Time. Are you ready to improve your health? Now is the time to make small changes at mealtimes that can have big results. To help make these changes easier, dietitians have put together Nutrition Month tips and ideas. To get started, try one or more of these small changes:

Boost your Breakfast with Fibre and Protein.

A nutrient-packed breakfast will help you get through the morning. How can you boost the fibre and protein in your breakfast?

- Choose whole grain cereals, breads and tortillas.
- Look for cereals and breads that have two grams or more of fibre per serving.

- Try items such as yogurt, cheese, meat, eggs, peanut butter, nuts, seeds, or cooked beans or lentils.

Make healthy lunch a habit. A healthy lunch provides much needed fuel and nutrients to help you focus during your work day.

Some easy time-saving tips for lunches are:

- Pack up supper leftovers for ready-to-go lunches.
- Wash and cut up vegetables and fruit the night before. Put into small plastic containers or bags.

- Change it up. Sandwiches, wraps and pitas are quick and healthy lunch options.

Dish up a Healthy Dinner Plate. When deciding what to have for dinner, use Health Canada's Eat Well Plate. The Eat Well Plate recommends:

- Fill half of your plate with vegetables and fruit.
- Include different whole grains such as whole grain rice, barley, couscous, quinoa at each

meal.

- Choose lean meats or meat alternatives.

Enjoy your Meal Experience. How you eat can be just as important as what you eat. Focus on your meal and the people you are eating with.

- Slow down to make time for meals. No matter how busy life gets, make meals a priority.
- Turn off all devices! Make meal times a screen-free zone

(no television, phones, computers, tablets or toys at the table). Eat together. People eat better when they eat together. Sharing meals helps people connect with each other.

By taking some small steps, you can Make a Change: One Meal at a Time to improve your eating, nutrition and health. Make your healthy habits last a lifetime. Happy Nutrition Month!

**Summer Village of West Cove**  
**Summer Grounds Maintenance**  
 (salary or contract position)

The Summer Village of West Cove is seeking applications from those individuals or companies interested in summer grounds maintenance work for the 2016 year (approx. 22 weeks). This position can be compensated on a salary or contract basis, and Council may give consideration to a multiyear contract.

The successful individual or company must be able to operate and maintain a riding mower and other equipment related to the seasonal grooming of the Summer Village, including but not limited to a push mower and weed Wacker, chain saw, as well as other maintenance tasks as required. Work must be completed with minimal supervision and all work requirements must be completed in a timely and professional manner.

The Summer Village has a great deal of roadway ditches and walkways, along with 5 parks and 7 public access areas, as well as other municipal owned properties which must be mowed on a weekly basis (unless dry conditions do not warrant same). The successful applicant will also be required to do various handyman jobs throughout the Summer Village including but not limited to: sign installation/maintenance, park bench or box maintenance, tree trimming/cutting, and maintain Village shop. Village Council reserves the right to add additional duties as required.

**Requirements:**

(a) if salary position: valid driver's license (driver's abstract and/or criminal record will be requested of the successful applicant), CSA approved work boots, your own transportation, your own cell phone, knowledge and experience in the operation and maintenance of lawn care equipment

(b) if contract position: copy of WCB clearance certificate, proof of 2 Million liability insurance coverage, and ensure all employees are wearing all applicable ppe and are knowledgeable and experienced in the operation and safety of lawn care equipment

Hours may vary depending on weather conditions.

Applicants should submit their resume/proposal by Friday, April 8<sup>th</sup>, 2016, however the position will remain open until a suitable candidate is found.

Please submit your application/resume/contract proposal to:

**PRIVATE MEMBERS' BILL C-246**

Submitted by Jim Eglinski, MP – Yellowhead

Liberal MP Nathaniel Erskine-Smith tabled Bill C-246, 'An Act to amend the Criminal Code, the Fisheries Act, the Textile Labelling Act, the Wild Animal and Plant Protection and Regulation of International and Interprovincial Trade Act and the Canada Consumer Product Safety Act (animal protection).'

I believe in the importance of the humane treatment of animals. However, this bill goes far beyond what could be considered a reasonable strengthening of animal protection laws. The implications of this bill are significant to many Canadians, including farmers, ranchers, anglers, and hunters. If passed, this bill could also have significant effects on Canada's economy and impact the way of life of millions of Canadians.

Bill C-246 appears to criminalize the following activities:

- A person waiting too long to put their animal down (in someone else's opinion) [182.2 (1)(a)]
- Any animal being killed by a human for any reason – "brutally or viciously, regardless of whether the animal dies immediately" appears to apply to all methods of killing an animal other than veterinarian chemical cocktails. This has implications for hunting, fishing, trapping and possibly livestock production. [182.2 (1)(b)]
- Accidental poisoning is not explicitly excluded, so failure to attend to a leak or spill of a toxic substance such as antifreeze could be a criminal act [182.2 (1)(d)]
- Training a dog to protect livestock or humans from predators. [182.2 (1)(e)]
- Accidentally killing an animal with a vehicle if the driver was negligent in some way [182.3 (1)(a) and (c)]

This bill is fundamentally flawed and dangerous. I intend to review it carefully and ensure that the implications do not endanger the farmers, hunters and meat producers within the riding.

## TYPES OF SUNROOFS

Today's vehicles are equipped with more amenities than ever before. Drivers willing to spend a little extra can now cruise down the highways in vehicles equipped with built-in WiFi and cameras that allow drivers to see everything around their cars and trucks. While new gadgets attract drivers' attention, sunroofs, which have been around since 1937, remain very popular as well. Drivers who like to allow a little light and fresh air into their vehicles may be surprised to learn that there are many different types of sunroofs. The following are a just a handful of sunroof options drivers may want to consider when buying their next vehicle.

· **Top-mount:** Drivers who want a top-mount sliding sunroof may be able to find both manual and electric sliding options. In a top-mount sunroof, a large glass slides on tracks on top of the roof, and many feature integral wind deflectors that

eliminate noise from the wind no matter how fast the car is traveling.

· **Panoramic roof systems:** Like their name implies, panoramic roof systems provide a wider view than other sunroofs. That view is available whether the sunroof is open or closed, and panoramic systems are typically made of glass. Passengers in both the front and rear seats can enjoy the view through panoramic roof systems.

· **Spoiler:** Spoiler sunroofs are also known as tilt-and-slide, and these sunroofs are a popular built-in factory option. The view through a spoiler sunroof is not as wide as that of a panoramic system, but they tilt to vent and slide open, so passenger headroom is not typically affected by their presence.

· **Inbuilt:** Inbuilt sunroofs are common in luxury vehicles. With an inbuilt sunroof, the panel slides open between the metal roof and interior headliner. That creates

a full opening, but it takes away some headroom. Unlike imported models that use painted steel, American-made inbuilt sunroofs typically use a glass slider, which provides a view whether the sunroof is open or closed.

· **Pop-up:** Pop-up sunroofs are

compatible with many vehicles, and they are among the least expensive options to install. Pop-up sunroofs are manually operated tilting panels that typically are made of glass. Panels must be stored when removed, but they also can be tilted to provide a venting effect.

## HOW TO HANDLE CAR TROUBLE WHILE DRIVING

Sudden car trouble is something no driver wants to experience, but many a driver has been driving down the highway only to feel his or her vehicle start to sputter. Such sputtering might indicate a car is running

low on fuel, or it could be a sign of something more serious that requires motorists to think as quickly and safely as possible.

When car trouble strikes while a vehicle is on the road, the first thing many drivers do is check

their fuel gauges. A car that runs out of gas is certainly inconvenient, but if you can pull over to the shoulder or make it to the nearest filling station, then this unfortunate situation can be remedied rather easily. But when a car's tank is full and it is still showing signs of trouble, drivers must take steps to protect themselves, their passengers and their vehicles. The following are a few simple tips motorists should keep in mind so they can safely handle any car trouble that may arise while they are out on the road.

- Keep a first-aid kit, spare tire and tire jack in the car at all times. Flat tires are no fun, but they are even more of a nuisance when drivers are not prepared to address them.

Always keep a jack and spare tire in your car, even if the spare is a donut you can temporarily use to replace a flat tire until you make it to a filling station or automotive supply store. As an added safety measure, keep a fully stocked first aid kit in your vehicle in case you cut yourself while changing the tire or need to address another medical situation. Visit [www.redcross.org](http://www.redcross.org) for a list of items to include in your automotive emergency kit. Keep a blanket in the trunk as well so your passengers can stay warm should you experience car trouble on a cold day or night.

- Make note of your surroundings. Some car troubles can only be fixed by the professionals, so pay careful attention to your surroundings in case

## How To Handle Car Trouble While Driving

an issue arises and forces you to pull over and call for help. Always pay attention to mile markers and any landmarks that might help you describe where you are. Car troubles can strike at any time and anywhere, so be sure to pay special attention to your surroundings when driving in unfamiliar areas.

- Pull over. Don't panic if an issue arises suddenly. Remain calm and pull over onto the shoulder. The right shoulder is the area for pulling over on most roads, but you may also use the left shoulder on multilane highways with medians. Try to get as far away from traffic as possible without driving off of level ground, and always use your signals when pulling onto the shoulder. If the vehicle can't make it to the median, put your emergency flashers on and get out of the car, moving away from both the vehicle and traffic. Immediately call for emergency roadside assistance, alerting the authorities if need be.

- Use flares or triangles to alert other drivers. So long as you are not risking your well-being, you can place flares and/or warning triangles behind your vehicle so oncoming traffic knows to drive around it. The popular not-for-profit motor club AAA recommends placing the

first flare or triangle 10 feet directly behind the side of the vehicle that is closest to the road. The second should be placed between 30 and 60 feet (increase the distances as the posted speed limit increases) behind the middle of the bumper, while the third flare or triangle should be placed between 120 and 360 feet behind the vehicle's right side.

- Stay with the vehicle. Once you have called for help and set up flares or triangles, stay with the vehicle, though do so at a safe enough distance so you are not in harm's way.

- Sudden car troubles

can be scary, but drivers who quickly can reduce their risk for approach such issues calmly and accident or injury.

# RIDING UPDATE – WEEK OF FEB 29, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down the week of February 29th. During my stay in the riding, I spent a considerable amount of time meeting with constituents in my Edson office on issues varying from the Energy East Pipeline, to coal issues, trade issues, as well as a future plan to design

and construct a new hostel facility in Jasper National Park. I also participated in a conference call with the Environment and Sustainable Development Sub-committee to discuss future committee business.

While in the riding, I attended a Town Council meeting in Thorsby, a meeting with community business leaders in Drayton Valley, and our local Yellowhead EDA, AGM.

The week ended promoting the upcoming Farm Safety Week (March 13 – 19). This year, it will emphasize protecting our children from the dangers associated with growing up on a farm. Tune into your local radio station to hear more.

On March 6th I will be headed back to Ottawa where I will meet with various organizations, as well as attend committees and events.

This will be a very busy week and I look forward to reporting back to you. If anyone is in Ottawa, please do not hesitate to contact my Hill office and I will be more than pleased to meet with you, organize a tour of Parliament and/or obtain passes for those wishing to attend Question Period.

# PARLIAMENT UPDATE – WEEK OF MARCH 7

Submitted by Jim Eglinski, MP – Yellowhead

This week in Parliament, we covered topics from income tax, to citizenship and immigration.

• The Liberal Government's Motion on Canada's contribution to the effort to combat ISIL was passed in Parliament. This officially confirmed the recall of our fighter jets.

• Bill C-2, An Act to amend the Income Tax Act, was debated this week. This bill will adjust tax rates and reduce the annual contribution limit for tax-free savings accounts from \$10,000 to only \$5,500.

• As well, Bill C-6, An Act to

amend the Citizenship Act and to make consequential amendments to another Act, was debated. This bill will make several changes, including removing the grounds for the revocation of Canadian citizenship that relate to national security.

• A new Government bill was introduced -- Bill C-7, An Act to amend the Public Service Labour Relations Act, the Public Service Labour Relations and Employment Board Act and other Acts and to provide for certain other measures. Under this bill, more than 17,000 Mounties will be permitted to form a national union but will not have the right to strike.

• Conservative MP Arnold Viens tabled his Motion (M-47) regarding online violent and degrading sexually explicit material.

• The Government tabled their 2016 Immigration Levels Plan which includes massive cuts to immigration streams vital to our economic growth. For more information, please see: <http://news.gc.ca/web/article-en.do?nid=1038699>

• This week, the Environment and Sustainable Development Committee (ENVI) began a review of the Canadian Environmental Protection Act, 1999. We heard from senior officials from Health Canada, Environment Canada, Ecojustice Cana-

da, Environmental Defence Canada, and the Chemistry Industry Association of Canada. You can follow the committee at: <http://www.parl.gc.ca/Committees/en/ENVI>

• For more details on bills before Parliament, please see: <http://www.parl.gc.ca/LEGISInfo/Home.aspx?language=E&ParliamentSession=42-1>

Throughout the week, I attended 17 meetings and four events. The House will be down the week of March 14, and my next update will be on my travels in the riding before I return to Ottawa on March 20th.

# ONOWAY ROYAL CANADIAN LEGION NEWS

**Submitted by Lorinda McCool**

Greetings from the Onoway Legion. **SAVING MILITARY MEDALS** (Submitted by Ric Moses). In the November/December edition of the Legion magazine was a letter entitled "Military Medals ought to be kept". In it, a reference was made that the families of veterans whose loved one has passed did not have any use for the service medals left behind. Our branch has begun a project to honor those veterans who have passed on by displaying these medals as an act of remembrance.

So if you have service medals and do not know what to do with them, please let us honor the memory of those men and women who served our great country by letting us give them a place of honor. Please call Richard Moses at 7870-967-2433. We will arrange to give the medals the honor they so richly deserve.

Our General Meeting on March 7th was well attended and everyone was pleased to hear that Phyllis Wright and Maurice Oslund had returned home from the hospital. Hopefully Maurice will feel well enough to attend the Legion on Friday for his free birthday

meal. Other good news items included the acceptance of Richard Allen Pflieger, Mary Lynn Rehill and Jode Jorgensen as our newest members. Congratulations and welcome! Rick Potter, Sylvia Potter, Harry Ratz and Marlaime Janke competed at the Legion Provincial Dart Tournament in Camrose and placed in the middle of the pack. Thank you for doing such a wonderful job of representing our Branch at such a high level. The Pool League is holding a fund raising spring raffle with the draws to be made on June 10th after the Friday supper. Please see the posters at the hall for more information

on the prizes and ticket prices.

Twenty nine players attended Tuesday night darts and we would like to welcome our new player Woody Winkelmann and our returning player Ron Watson. The Dart League is hosting a fun dart tournament on Saturday March 19th consisting of a four person team with one member being of the opposite sex. Please contact Scott @ 780-967-5361 to enter your teams in this fun and challenging competition. The Pool League is hosting a fun 8-ball tournament on Sunday March 20th consisting of a mixed singles or pairs 8-ball round robin tournament. Please contact Larry @ 780-967-0607 for registration information or see the poster on the Sports Board.

The roast turkey supper on March 4th sold out very rapidly with the Legion serving over 80 meals. Bob, Jay, Allen, Sylvia, Jim and Dora worked very hard in the kitchen preparing and serving the delicious meal and were very grateful for the competent and efficient clean-up crew of Liane and Randy. We would like to extend our gratitude to our regular and new patrons for without their support we could not continue to provide such outstanding and reasonably priced meals. Congratulations to Mo Laberg for winning the free meal coupon, Val O'Toole the meat draw and Eleanor Snider for winning the chance to find the Queen.

The Area "A" Spring Rally is being held on April 3rd at the Jasper Place Legion in Edmonton. If you are an Onoway Legion member and would like to attend the rally to learn how the business aspect of the Legion works please contact us by March 26th to sign the list. ## Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
