EXCESSIVE WINDS DAMAGE ROOF OF NEW LAC STE. ANNE COUNTY BUILDING

Submitted by Bill Hegy, Mayor, Lac Ste. Anne County

Sangudo, Alberta, Saturday, April 9, 2016 – Due to winds in excess of 90 km/hr, part of the roof of the new County Administration Building under construction suffered damage. This event occurred during the late evening hours on Friday, April 8. Shortly thereafter, County Administrators were notified and representatives from Casman Group of Companies, the County's building contractor for the project, were on site to assess the situation. This event did not, and does not, pose any safety risk to County staff, Casman employees or the general public.

"We wish to reassure ratepayers that there will be no additional cost to the County resulting from the recent nature-borne damage to the structure," stated Kerry Compagnion, Casman's Project Manager for the new County building. "We recently took the added measure of double-bracing the roof structure in anticipation of strong spring winds. However, no unfinished roof is likely to withstand the extreme wind pressures that were encountered last night."

In addition to assuming all costs involved in clean-up and replacement of the damaged roof, Mr. Compagnion noted that he did not foresee any significant impact to the project's construction schedule. "Casman

will staff up accordingly to mitigate any possible timeline issues related to last night's event," he added.

"Despite this minor setback to the project, we are thankful that no one was injured in any way," stated Lac Ste. Anne County Mayor Bill Hegy. "Council remains confident in Casman's steadfast commitment to stringent safety protocols, and is satisfied by Casman's undertaking to indemnify the County against any cost or scheduling impacts that may ensue."

At the time of release, a Casman crew has begun site clean-up. Mr. Compagnion anticipates completion by the end of the day.

STONY PLAIN RCMP INVESTIGATE SERIOUS INJURY MOTOR VEHICLE COLLISION

Submitted by Stony Plain RCMP

Stony Plain, Alberta – On April 9, 2016, at approximately 7:42 p.m., the Stony Plain RCMP and emergency services responded to a serious motor vehicle collision at highway 16 and range road 32. Two vehicles were in-

involved in the collision.

There are 5 individuals being transported to Edmonton area hospitals by both STARS Air Ambulance and ground ambulances. Two individuals have sustained life threatening injuries, while the other three individuals are believed to have received serious but non-life

threatening injuries.

Alcohol is believed to be a factor in the collision.

The east bound lanes of highway 16 are blocked by the collision. The west bound driving lanes of highway 16 are unaffected by the collision. East bound traffic is being detoured around the collision scene, and will continue to be detoured around the collision scene for several hours.

An update will be provided when new information becomes available.

APRIL IS NATIONAL ORAL HEALTH MONTH

Do you have gum disease? Statistics show that over 70% of the adult population has gum disease. You might be unaware that you have gum disease since it is painless. In its early and moderate stages, you may notice your gums bleeding and a bad smell in your mouth. Do not ignore these symptoms! In the severe stage of gum disease, you may notice your teeth moving or shifting. Unfortunately, some people lose their teeth to gum disease. Only regular oral examination can reveal if you have gum disease.

Gum disease is caused by bacteria that doesn't like oxygen. It hides in the depths of the gums and destroys the bone and gum that supports your teeth. Since the bacteria in our mouth enters the blood circulation and spreads in the body, gum disease has been identified as a risk factor for various health problems like heart attack, diabetes, pneumonia, cancer, Alzheimer's, osteoporosis, rheumatoid arthritis and low weight or premature babies. Yes, the health of your mouth impacts the rest of your body! Having your teeth cleaned regularly can help you control your blood pressure and your blood sugar.

At Karo Dental Care, we screen all our adult new patients for oral cancer with the help of a fluorescent light. Even people who wear dentures can benefit from having their soft tissue checked yearly for oral cancer.

Karo Dental is on the top floor of Karo Centre which is right next to Sobeys in Spruce Grove. We have 3 general dentists and 4 registered dental hygienists who would be happy to have the opportunity to meet you and help you along the road to oral health. Our office is also wheelchair accessible. If you would like to know more about us, please feel free to give us a call, or visit us on our website at www.karodental.ca

APRIL NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by Melanie Fitzgerald, Library Manager, Rich Valley Public Library

Spring is in the air. The snow is melting and the Library is gearing up for our Annual Book Sale. The Book Sale is on May 7, 2016 from 10 am to 3 pm at the Rich Valley Community Hall's Garage Sale. In conjunction, the Rich Valley Fire Department will be having a free pancake breakfast and open house from 9 - 10:30 am. If you have any books that you would like to donate for the book sale you can drop them off at the library prior to the Book Sale. Did you know that we have a variety of books and DVD's year round at the library that we sell for a donation to the Rich Valley Public Library? Drop in and check out our selection.

This month we are offering the following programs:

On April 30, 2016 the Rich Valley Public Library will be offering the Canadian Red Cross Babysitting Course. This program gives basic first aid and caregiving skills for youth 11-15 years old. Participants learn how to provide care to younger children in a variety of age groups, and how to prevent and respond to emergencies. This course also offers youth the training to promote themselves as a babysitter to prospective parents. This program has a cost of \$45 per participant. As this is an all-day course, participants are required to bring a lunch. Juice and a snack of fruits and veggies will be provided. This program requires registration and. Reg-

istration deadline is April 14, 2016. There is a maximum of 25 participants in this program. Call the Library @ 780-967-3525 or drop in to register.

Yoga is back! Incorporating yoga in your wellness routine will help you to stay strong, flexible and balanced for life. The Rich Valley Public Library would like to welcome Melissa Crawford our new yoga instructor. Yoga will be starting on Thursday April 14, 2016 from 1

pm - 2 pm. The cost is \$60 for 6 classes or \$12 drop in fee. Please contact the Library to register.

Story time on Wednesdays from 11-12 pm in the yellow room. Come and join us for story time and crafts. Tents and tunnels will be every 3rd Wednesday of the month.

Mom's and Tot's is held in the yellow room on Wednesdays at 9:30 am to 11:00 am.

Adult WHIST is in the yellow room every 2nd & 4th Friday of

the month at 7:30 pm for \$2.00 a person. Come drop in and play some cards. Whist will be ending April 22, 2016.

The Rich Valley Public Library wished to extend many thanks to everyone who has generously donated books, DVD's and materials to our library.

If have any questions feel free to contact us at 780-967-3525 or drop in. We are located in the basement of the Rich Valley Community Hall.

ONOWAY ROYAL CANADIAN LEGION NEWS

Submitted by Lorinda McCool

Greetings from the Onoway Legion.

I had no idea that geese could nest anywhere other than on the ground. While speaking with a gentleman living at Sunset Point he showed me a goose nest on top of his garden shed and described how last year he watched the mama goose coaxed her 2

day old goslings off of the roof and into the water. Hopefully the parents will repeat nesting in the same spot and I will have the opportunity to observe the first "flight" of the tiny babies.

The Navy Rum Rib Meal on April 1st was completely sold out and almost everyone stayed to enjoy the cowboy poetry of Ken Blacklock. We are trying a new system which allows people to phone Bob Clark @ 780-

967-3640 to reserve their places prior to the meal and are now pre-selling at the door beginning at 4:30PM on the day of the supper. As with any new effort we experienced some glitches but hope to have them worked out shortly. Our apologies to anyone who was unable to gain attendance to the Supper and we hope for your understanding that we are sincerely striving to provide convenient and consis-

tent access to the meals. Thank you to the very hardworking volunteer group consisting of Bob, Jay, Lorne, Broley, Sylvia, Wayne, Lynn, Randy and Liane. We also appreciate the earlier prep work donated by Ron and the help during cleanup from Ron and Kathy.

It was very nice to see a group from the Stony Plain Legion attend our supper and we hope they enjoyed the experience even if we had to seat them around the pool table! The free meal draw was won by Pat Twible, the meat draw by Pauline Gibbs and Louise Boelee picked the Jack of Hearts instead of the sneaky Queen. Special thanks to Ken Blacklock for his very entertaining cowboy poetry after the meal and draws.

Would you like to learn how to plan, budget and buy the necessary ingredients for a regular Friday Night Meal? We are looking for teams that have ideas for a meal and will train and support you as well as supply the Food Safety Course Certification. If you have an idea for a meal and wish to be involved in menu planning, preparation, serving a Friday Night Meal, learning about the equipment

and the clean-up process we would welcome your involvement and help you in your goal of ultimately leading your own team for a Friday night Supper.

The general meeting was held on April 4th with the following items discussed and/or resolved: the Legion has purchased a used cold salad bar to complement the steam tray; hot food is being served on Wednesday (Pool & Games) nights; Sidney Townsend was accepted as a transferred member from Red Deer; Geoffrey Fellows was accepted as an Associate member and now the BIG ONE! Alberta Liquor and Gaming Commission had deemed that all progressive draws that allow non-Legion members to participate must cease immediately (ie. Chase the Queen). Therefore, the current pot was drawn on April 8th by order of the Alberta Liquor and Gaming Commission and from this time forward will be open to Legion Members ONLY! Defi-

nately one more reason to become a member of the Oneway Legion.

As a Thank You to members, the Royal Canadian Legion is offering a chance to win a fantastic VIA Rail trip for two! Simply join or renew your Legion membership and register in the sweepstakes for a chance to win this trip valued at over \$13,000 before April 22, 2016. One entry allowed per Legion member. For more information, please go to <http://www.legion.ca/members/enter-the-via-rail-trip-sweepstakes/>

Tickets are now available for the Spring Fling Family Dance and Silent Auction Fundraiser for the 3053 Cadets. This event will be held on April 23rd from 7:00PM to 12:00PM at the Oneway Legion and will feature family fun, a DJ, door prizes and snacks. Tickets are \$10.00 per person and may be purchased in advance from Country Fresh Water or at the Legion on April

23rd. For more information, please call Teri @ 780-231-2731.

ARMED ROBBERY SUSPECTS ARRESTED

Submitted by RCMP St Albert

File: 2016 - 395033 - At approximately 1:15 a.m., on Tuesday, April 5, 2016, the St. Albert RCMP received a report of a possible armed robbery behind the 7-11 store located at 17 St. Anne Street, St. Albert, AB. Two female residents of St. Albert had been assaulted and allegedly threatened

with a knife before their 2000 Pontiac Grand Am car was stolen.

At approximately 2:30 a.m., Edmonton Police Service officers located the stolen vehicle in the area of 118 Avenue and 170 Street in Edmonton, AB. Edmonton Police Service officers arrested two suspects, one adult male and one 16 year old female, who were turned over the St. Albert RCMP for further investigation.

Adams, Adam Matthew - age 28 of Edmonton, Alberta is facing several Criminal Code charges including Robbery and Assault with a Weapon. He has been remanded into custody to appear in St. Albert Provincial Court on April 11, 2016.

The 16 year old female, who cannot be identified as per the Youth Criminal Justice Act, was released to a guardian to appear in

St. Albert Youth Court on May 3, 2016 on several charges including Robbery and Assault with a Weapon.

The two female victims sustained minor injuries that did not require hospital treatment. Both have been offered free crisis and emotional support by the St. Albert Victim Services Unit.

SEEKING PUBLIC'S ASSISTANCE TO IDENTIFY SUSPICIOUS MALE

Submitted by RCMP Stony Plain/Spruce Grove/ Enoch

On March 28th, 2016 at approximately 3:30 PM RCMP responded to a complaint of a female (14) being approached by a suspicious male while walking. The female was walking near the 7-11 Store in Stony Plain, at the intersection of Highway 779 and Highway 628. She was approached by a male driving a muddy blue older model truck. The driver of the

truck asked her if she wanted a ride, the female refused the offer. The male again insisted on giving her a ride. The female refused a second time at which time the male sped off.

The male is described as follows:

- Caucasian male in his 20s
- Skinny
- Short fair red hair
- Clean shaven

The male was believed to be wearing

- Black or very dark ball cap
- Black sunglasses
- Denim jacket
- Ring on his right ring finger

The suspect vehicle is described as follows:

- Older lighter blue pickup truck (unknown make or model, possibly a Chevy)

The truck was very muddy, the mud went about halfway up the vehicle

- Silver decals on driver's side
- Front grill was gold with silver

- Hood may have had 2 black stripes on it, partially raised
- Rust around wheel wells
- No cap on the back
- 2 doors (not extended)

Police are currently investigating this matter and are seeking the public's assistance. If you have any information about this please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

SHARE YOUR VIEWS ON THE TRANS-PACIFIC PARTNERSHIP (TPP)

Submitted by Jim Eglinski, MP – Yellowhead

The Trans-Pacific Partnership (TPP) is an important trade deal for Canada's exporters because it will grant them access to 800 million consumers with a combined GDP of \$29 trillion. That's over 14 times the size of Canada's economy! It is a deal that will benefit farmers, business owners and manufacturers alike

and it is at risk of not being ratified by the current Liberal government.

The House of Commons Standing Committee on International Trade is conducting a pre-study of the Trans-Pacific Partnership agreement and has put a call out to Canadians for written submissions and requests to appear before the committee.

In addition to hearings that will take place in Ottawa, and fol-

lowing approval by the House of Commons, the Committee expects to hold hearings across Canada over the coming months. Once cross-country hearings are confirmed, information will be provided about dates and locations.

Canadians who wish to provide a written submission must do so before 23:59 EDT on April 30th, 2016. Written submissions are to be no more than

1,500 words. More information on the process for providing a written submission can be found at: <http://www.parl.gc.ca/About/House/WitnessesGuides/guide-brief-e.htm> and written submissions should be emailed to: ciit-tpptp@parl.gc.ca

We need to ensure that those who will benefit from the TPP have their voices heard loud and clear and it is extremely important that your views be heard.

NATIONAL RAILWAY SAFETY WEEK

Submitted by Dean Solowan

Rail Safety Week is April 25-May 1. Here at CN we are especially focused on the message "see tracks, think trains." Every year we see far too many injuries and fatalities as a result of poor decisions. Here are some helpful tips to keep in mind:

Railroad tracks and bridges are private property, and any unauthorized person who is on railway property which is not designated as a crossing, is committing an offence under the law. Too often the penalty paid is death. If caught, you could receive a fine of \$287.00 with mandatory court. Trespassing also includes operating any type of All Terrain Vehicle on or next to the railway tracks.

Walking near the railway tracks with headphones, or any other audio device will interfere with your ability to hear an approaching train. A train travelling 105km/hr will take up to 2km to stop – that's more than 18 football fields!

FREE ADMISSION TO NATIONAL PARKS FOR CHILDREN AND NEW CITIZENS ON THE HORIZON

Submitted by Jim Eglinski, MP – Yellowhead

Parks Canada recently released its 2016-2017 report on Plans and Priorities, which outlined the challenges currently facing our National Parks and the department's strategy to address these obstacles. The report warns Parks Canada is facing growing difficulty in remaining relevant to Canadians due to a changing demography. It plans to improve camping, accommodations, trails and amenities to meet the changing expectations of visitors.

Last July, while in government, our Conservative Party announced more than \$210

million in infrastructure and conservation investments for Jasper National Park. This funding included extensive work on Highway 16, the Icefields Parkway, and the Valley of Five Lakes trail. Additionally, the investment included revitalizing Jasper's campgrounds and heritage buildings, and contributed to the Species at Risk recovery program.

In Prime Minister Justin Trudeau's mandate letter to the Minister of Environment and Climate Change, the Hon. Catherine McKenna, he requested she make admission for all visitors to National Parks free in 2017, in celebration of the 150th anniversary of Confederation. Also a part of the Minister's priorities, beginning in 2018 admission for children under 18 is

to be free, and any adult who has become a Canadian citizen in the previous 12 months will receive one year's free admission.

Tourism is an important part of Yellowhead's economy. As the overall attendance to National Parks continues to rise, I welcome the continued investment to ensure all Canadians can enjoy our beautiful backyard.

Many photographers don't even know that trespassing on railway property is illegal. For example by attempting to get this enticing train track "wedding shot", you and your clients are putting yourself in danger.

The emergency phone number 1800-465-9239 is an important number to remember. This number is displayed on a bright yellow sticker on every cross buck or electronic drop gate. This phone number with detailed information about the location can be used to report suspicious activity, trespass or railway related concerns.

Remember, when it comes to trains: Stay off! Stay Away! Stay Safe!

ALBERTA TRAFFIC SAFETY FOCUS FOR APRIL IS: SPEED

Submitted by Dale Friedel

Speed Facts

- In 2014, a quarter of fatal collisions involved one or more drivers travelling at a speed too great for the given conditions as reported by enforcement agencies

- Speeding doesn't always kill. Brain injuries are a common injury that results from speed-related collisions

- Speeding can cause long-term consequences that affect both you and your family

- Speeding reduces the effectiveness of seatbelts and other safety devices such as air bags and side impact beams

- Demerits for speeding range from two points (exceeding the posted limit by less than 15 km/h) to six points (exceeding the posted limit by more than 50 km/h)

- Over a five year period, 451 people were killed and 11,753 were injured in collisions involving unsafe speed (2010-2014)

- Driving a few km/h over the posted speed limit:

- Decreases your field of vision and your peripheral vision

- Extends the distance required to stop your vehicle

- Increases the chances that you will lose control of your vehicle

- Increases the chance of death or injury if there is a crash

School and playground zones:

- The speed limit in both urban and rural school zones is 30 km/h and is in effect on school days from 8 a.m. to 9:30 a.m., 11:30 a.m. to 1:30 p.m. and 3 p.m. to 4:30 p.m. unless other times are

posted by the municipality.

- The speed limit in a playground zone is 30 km/h and is in effect from 8:30 a.m. to one hour after sunset.

- A vehicle is not allowed to pass another vehicle travelling in the same direction in school or playground zones while these zones are in effect.

Emergency vehicles and construction zones:

- Motorists must slow to 60 km/h, or less if the posted speed is lower, when passing emergency vehicles or tow trucks stopped with their lights flashing. Fines for speeding are doubled in these areas.

- Emergency vehicles include fire, police, ambulance, tow trucks, gas disconnection units of a public utility, or designated emergency response units.

- If there are two or more traffic lanes in the same direction as the emergency vehicle or tow truck, you must decrease your speed unless there is one full lane between your vehicle and the stopped emergency vehicle or tow truck that has its flashing lights on. If any part of the emergency vehicle or tow truck extends into a lane, vehicles in the lane beside must also slow down. Vehicles in oncoming traffic lanes do not need to slow down, but should proceed with caution.

- In construction zones, motorists must observe the posted speed. When workers are present, fines for speeding are doubled. Drivers need to look out for workers who are behind construction equipment and less visible.

- Remember to avoid watching the emergency or construction and keep focused on driving!

The Black Dirt Company is proud to introduce the summer challenge, Compete to Contribute!

This challenge is for non-profit, incorporated, minor associations in the tri-municipal area. It provides a great opportunity to raise funds for the association while positively impacting your community! The first 10 qualifying online application forms will be accepted, and all acts of service performed by the association minors must be completed by July 30, 2016.

You are a qualifying association if you can answer YES to all of these questions...

- Are you part of a non-profit, incorporated association for youths 6-17 in the tri-municipal region? Eg. Minor Soccer Association, Minor Football Association, 4-H Club
- Are you looking for ways to raise money for your association?
- Would you like to have a positive impact on your community?

Next Steps:

1. Build a team comprised of members of your association
2. Brainstorm an act of service to be performed by the minors in your association
3. Complete and submit the online application between March 15 and April 15

Some key points for this challenge:

- The challenge invites tri-municipal, non-profit, incorporated, minor associations to brainstorm an act of service that will be performed by the minors and will positively impact the community for a chance to win a monetary award.
- Each team and Landscaper sponsor level will have an interview on the radio station 88.1 *The One* throughout the course of the challenge to promote their association/company and the positive influence they're having on the community. Including social media, website, and t-shirt awareness.
- Any and all sponsorships will be **directly applied to the amounts rewarded to the top three teams**, picked by the panel of Landscaper level sponsors.

We are also looking for additional sponsors to help with this fantastic initiative! If you're interested please contact Tegan Colban @ 780-915-8567.

THE FOUNDATION (\$100 - \$750)

- ☐ Name/logo on website
- ☐ Mentioned in social media
- ☐ Items donated will be auctioned off

THE GARDENER (\$1500)

- ☐ Mentioned in social media
- ☐ Name/logo on website event page
- ☐ Name/logo on T-shirts

THE 2016 FEDERAL LIBERAL BUDGET

Submitted by Jim Eglinski, MP – Yellowhead

As the former government, Conservatives left the Liberals with a \$3 billion surplus. We focused on keeping taxes low and supporting policies that helped create more than a million jobs.

The Federal Liberal Budget was to keep an election promise of a \$10 billion deficit. It did not. Instead, the March 22nd Budget is leaving families on the hook for \$29.4 billion. As we all know, borrowed money has to be paid back. To do this, the Liberals will have to raise taxes to reduce the massive debt burden they are building leaving our children and grandchildren with the burden of an increased debt load. As we are not in a recession, there is no need for massive deficit spending.

National Defence will have billions of dollars in planned equipment spending pushed off past the next federal election. The tax credits for post-secondary education and textbooks, the Children's Fitness Tax Credit, and the Children's Arts Tax Credit have been eliminated. Income splitting for families is gone as well.

Low income families will benefit from an increase in the child tax credit. That is, only some

families will benefit from these changes while others will be completely left out. Furthermore, the budget aims to increase EI benefits and reduce wait times for people facing unemployment even though this is not accompanied by any plan whatsoever to create jobs. I believe Canadians would choose to have a job over EI benefits.

The only mention of agriculture is support for research over the next six years. Another campaign promise broken by the Liberals was to reduce the small business tax rate from 11% to 9%. They

are also ending the hiring credit.

There is no provision in the Budget to provide any support to the oil and gas sector and raising taxes on businesses will not help Canadians who have been recently laid off. In fact, Canada's unemployment rate has increased for three consecutive months, despite the Liberal Government spending billions of dollars during the same time period.

Conservatives support investments in clean technology development and innovation in Canada's natural resources sector, but these initiatives must deliver con-

crete and measurable results for businesses and the environment. Investing in innovation for the sake of investing in innovation is not good enough. These investments should be market driven, enhance Canada's global economic competitiveness, bring our resources to market in the most efficient and environmentally responsible ways, and lead to the growth of high-paying jobs for Canadians.

This Liberal Budget will not stimulate the economy or create jobs. I will stand up for families, farmers, and small businesses!

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

FOUR EASY TIPS FOR A BASEMENT MAKEOVER

(MS) - By Scott McGillivray

The start of a new season is the perfect time to check some tasks off of your "to-do" list - whether it's to get in shape or tackle at-home projects. If you're planning on making some simple but effective changes at home, here are some tips on how to give your basement a total 180-degree makeover.

Soundproof it

Installing acoustic insulation is the perfect excuse to crank up the subwoofer, host a get-together or let the kids run wild. Soundproofing is the ultimate solution to maximize your basement's peace, quiet and privacy. Industry experts suggest using Roxul Safe n' Sound, which effectively absorbs sound and is easy to work with.

Out with the old, in with a floor

Installing a new floor or updating the existing one can improve

the overall comfort level and look of your basement. Many unfinished basements have basic concrete flooring, which is cold year-round. Flooring options are endless - hardwood, laminate, cork and Berber flooring all add warmth to a basement bedroom or TV room; play mats are great for kids' playrooms; and carpets are perfect to make any room feel more comfy and welcoming.

Get creative with a fresh coat of paint

Transform the dull and boring space into an inviting entertainment oasis or a colorful playroom with a simple coat of paint. When considering the paint, think about what color will compliment your existing furniture. To add some drama, consider adding depth and visual interest to your space with a different colored accent wall.

Accessorize it

Throw pillows, rugs, lighting, and artwork are simple additions that can immediately enhance or change your basement's look and feel. Pot lights can modernize, while art work and throw pillows can add a splash of color. Decide on a theme and color scheme for

your room and keep your eye out for staple pieces that will make it feel like an entirely new space.

UPSCALE HOME DÉCOR WITH CROWN MOLDING

(MS) - Create a dramatic new look throughout your home or highlight one area with crown molding - the key to an upscale look for walls, windows, doors, cabinets and more. Homeowners will find the tools and supplies necessary for crown molding projects at Woodcraft.

Although crown molding is generally identified as trim for the area where a wall meets the ceiling, molding is used for many other home décor applications. Molding creates an appealing visual element when used at chair height along a wall, sometimes with thin vertical pieces attached to accent a wider area. Molding also serves as an attractive window cornice or as a frame for a wall-hung flat screen

television or vertical mirror. The possibilities are only limited by homeowners' imaginations and finances.

"Crown molding is an inexpensive approach to adding beautiful detail to your home," Woodcraft national power tool sales manager Andrew Bondi said, "and Woodcraft is the go-to source for tools and supplies for molding and trim projects."

Bondi speaks from experience, having recently installed crown molding throughout his house.

Before lifting the first piece of molding, homeowners will want to do some research about molding and installation techniques and tips. "Cutting and Installing Crown Molding," a DVD by Jim Heavey, and "Crown Molding &

Trim: Install It Like a Pro!," a book by Wayne Drake, are good resources.

A miter saw, like DeWalt's 10" Single-Bevel Miter Saw, is essential for cutting crown molding joints. To make the process easier, Woodcraft recommends using a cutting jig with the miter saw - either the General Tools EZ Pro Crown King Crown Molding Jig or the Kreg Crown-Pro Miter Saw Guide that features a bonus measurement transfer angle finder. If your project involves a coped cut, Woodcraft stocks Eclipse Coping Saws and Gröz Coping Saw Frames.

Upscale Home Décor With Crown Molding

Continued From Page 16

“Remember to protect your eyes,” product manager Jessica Douglas said. “Pick up a pair of SAS Safety Glasses before you begin your project. The lightweight glasses can be worn alone or over eyeglasses.”

For all the marking and measuring necessary to prepare the molding, you will find the multipurpose Kreg Multi-Mark Marking Gauge indispensable. To fill any small gaps, Woodcraft recommends Famowood Wood Filler, along with Norton 5X Small Area Sanding Sponges for smoothing filled holes.

Once the molding is cut and ready for fastening, use the Grex 18-gauge Green Buddy Nailer, which offers precision control and both sequential and contact

trigger applications.

“If you are going to back your molding with an adhesive prior to nailing, Titebond’s No-Run, No-Drip Wood Glue for molding and trim is a great product to use,” said Woodcraft senior product manager Peter Collins, “especially if you are going to use a headless pinner to install trim.”

Painting crown molding can be simple - blending in with the wall or ceiling color - or new color can be introduced to match furnishings or accent the overall décor.

“General Finishes Milk Paint and Old Fashioned Milk Paint, both water-based, are available in many colors and can be mixed to create an extensive palette of custom colors,” product manager Kent Harpool said. “Both brands also offer related products to pro-

duce special decorative effects, such as antiquing and distressing.”

Harpool recommends Redtree Bristle Brushes or Foam Brushes for applying paint. Use Microfiber Tack Cloths to remove sand-

ing dust before applying paint or after distressing.

HOME TRENDS TO EXPECT IN THE YEAR AHEAD

Trends in home remodeling and decor tend to come and go. Something that is popular for a little while can fall out of favor when the next new idea comes along. New trends are always on the horizon, and 2016 may encourage homeowners to try something new.

· Metallics and metals are back. Although stainless steel accents in the kitchen have long been popular, the glistening look of metal and metallic shades are back in a big way. Inspired by the 1950s and 1970s, brass, gold and metallic finishes are popular right now.

· Texture: Texture is a big

component of interior design. Furniture and accessories featuring faux fur and natural fibers are becoming popular. Pieces adorned with cozy materials can seem more inviting. Organic shapes, such as tables looking like the tree trunk they were cut from, also are expected to become more popular.

· Artisanal touches in accessories: It's all about getting back to basics, with homeowners desiring pieces that are one-of-a-kind and handmade rather than mass-produced.

Home Trends To Expect In The Year Ahead

Continued From Page 18

Expect to see more accessories that are made by hand or in small batches, like pottery or handwoven textiles, as homeowners are increasingly turning to independent artists and artisans when decorating their homes. Homeowners can even support independent artists when choosing art for their homes. For example, YourArtGallery.com provides an online marketplace for artists to showcase and sell their work, and buyers looking to support independent artists can rest easy knowing that 90 percent of all image royalties go directly to the artist, a stark contrast to the roughly 50 percent offered by more traditional galleries.

· Fabric on the walls: Walls also will be covered in texture and pattern. Textiles will increasingly turn up on walls and in places they haven't traditionally been seen. Patterns may lean toward floral, tropical and indigenous artisan weaving designs.

· Pinks and blues: Expect to see pale pink and blue in various design applications. The Pantone Color Institute® released a blending of two colors, Rose Quartz and Serenity, as their 2016 Color of the Year. This has impacted color trends through all areas of design - including home touches. These colors pair well with mid-tones, like browns and greens, as well as the increasingly popular metallics.

· Smart homes: Technology is

changing the way people look at their homes. Water-resistant music systems for the bathroom, wirelessly operated Bluetooth devices that turn on lights or appliances from a smartphone and even fixtures that use technology

to self-clean are turning up more and more.

Home decor trends are always changing, adding new life to homes and keeping armchair interior decorators on their toes.

HOW TO SOUNDPROOF YOUR HOME

(MS) - What's the first step in sound proofing your home? Finding which rooms have the least amount of sound resistance.

To do this, make sure everyone is out of the house, unplug all electronics and close all doors and windows. Take a quick walk through your house and pause for a few moments in each room to evaluate which ones are the noisiest. Now consider if you're installing a media room or teenage

recreational room where volumes will be blasting on TV's and stereos.

With this information, you should have a good idea of where you need to sound-proof and create barriers against noise. Here are some tips to help you achieve the optimal result of peace and quiet:

· Plant trees and hedges along the exterior of your home, perhaps along a fence. Not only do trees and hedges help with the

environment and provide a good amount of privacy, they also slow down the travel of noise from the neighborhood into your home.

· Insulate your walls and ceilings. Better insulation in your interiors and exteriors won't just drive away excess noise, it will also reduce your heating and cooling bills during the hot and cold months. For the best sound proofing and easy installa-

tion quality, a professional-grade product by ROXUL called Safe'n'Sound is very popular.

· Seal up all cracks and holes around windows and doors, and add double glazed windows to your current glass panes.

Once you've selected the best sound-proofing method, implement it and enjoy the bliss of silence throughout your home.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
