STONY PLAIN RCMP CONTINUE THEIR INVESTIGATION INTO THE MURDER OF JOLENE MARIE COTE

Submitted by Stony Plain RCMP

Stony Plain, AB – In the early morning hours of October 13, 2011, police began their investigation into the murder of 36-year-old Jolene Marie Cote whose body was found at her residence located on RR 264 in the rural area just outside of Stony Plain.

Starting today and continuing tomorrow the RCMP's Underwater Recovery Team from British Columbia ("E" Division)

will be searching the body of water located east of RR 264 on TWP Road 532A, near the home in which Jolene Cote lived at the time of her death.

In support of the underwater search operation there will be a police presence in the area, however, the RCMP would like to assure residents that it is related to the search and that there is not any risk to public safety.

In the early days of the investigation in late 2011, it was reported that theft or robbery may have played a role in the attack

on Jolene Cote which resulted in her death as wedding rings and a necklace belonging to her were reported missing. Consequently, one of the tasks of the investigation was to determine whether the missing jewelry was related to the offence. Police have determined that Jolene Cote was not wearing the jewelry on the evening of October 12, 2011, when she was killed.

Stony Plain RCMP Continue Their Investigation Into The Murder Of Jolene Marie Cote

Continued From Page 1

In addition, police confirm that there is not any evidence to suggest that theft or robbery was a motive in the attack that ended Jolene Cote's life, nor do police believe this to have been a random act.

The investigation to date, including examination of the crime scene, autopsy reports, witness statements, forensic examina-

tions and other pieces of evidence gathered during the course of the investigation, indicate that whoever attacked Jolene Cote was someone who had the intention to seriously harm or kill her. The evidence obtained by police does not support the idea that Jolene Cote interrupted someone in the midst of committing a robbery or theft at her residence as was suggested initially in some media reports.

Jolene Cote is known to have been driving a 2002 silver Jeep Liberty on the night of her murder on October 12, 2011. Police are asking for anyone who may have seen this vehicle that evening to contact them.

The RCMP continue to investigate this murder and have allocated additional police resources to their ongoing efforts.

Anyone who knew Jolene Cote, as well as members of the public, who may have information that could assist investigators are asked to contact the RCMP Stony Plain Detachment at 780-968-7267. Should you wish to remain anonymous, you can contact Crime Stoppers by phone at 1.800.222.8477 (TIPS), by internet at www.tipsubmit.com, or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca] for instructions). You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), you may be eligible for a cash reward.

PARLIAMENT UPDATE – WEEK OF MAY 16

Submitted by Jim Eglinski, MP – Yellowhead

Parliament caught international headlines this week, as physician-assisted dying entered its final stages; a bill to protect transgender rights was tabled by the Liberal Government, and Prime Minister Justin Trudeau aggressively guided a Conservative member towards his seat.

The following was brought before the House:

- Conservative Private Member's Bill C-230 – An Act to amend the Criminal Code (firearm — definition of variant)
- Conservative Private Member's Bill C-229 – Life Means Life Act

• Bill C-2 – An Act to amend the Income Tax Act

• Bill C-11 – An Act to amend the Copyright Act (access to copyrighted works or other subject-matter for persons with perceptual disabilities). This bill passed third reading and is now in the Senate.

• Bill C-14 – An Act to amend the Criminal Code and to make related amendments to other Acts (medical assistance in dying) was debated further. Voting is expected to take place next week.

• Bill C-10 – An Act to amend the Air Canada Public Participation Act and to provide for certain other measures.

• Bill C-16 – An Act to amend the

Canadian Human Rights Act and the Criminal Code (the bill to protect transgender rights) was tabled.

• Liberal Motion No. 24 – Tamil Heritage Month

• Question of Privilege: 'physical molestation of the Member from Berthier – Maskinongé', when the Prime Minister's aggressive behaviour infringed on the Member's right to vote.

I had the opportunity to ask the Government questions on two separation occasions as to what actions they are taking on the Mountain Pine Beetle moving through Jasper National Park, slowly making its way into Alberta's forests: <http://www.parl.gc.ca/content/hoc/House/421/Debates/056/>

HAN056-E.PDF on page 32, and <http://www.parl.gc.ca/content/hoc/House/421/Debates/057/HAN057-E.PDF> on page 39.

This week the Standing Committee on Environment and Sustainable Development continued to study and hear witnesses regarding federal protected areas and conservation objectives, and began a review of the Canadian Environmental Protection Act, 1999. For more information on committee meetings, visit: <http://www.parl.gc.ca/Committees/en/ENVI>

Throughout the week, I attended nine meetings and five events. As the House is not sitting the week of May 23rd, look for my update next Friday on my travels throughout the riding.

RIDING UPDATE – WEEK OF MAY 23, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down this week and I had the opportunity to spend time in the riding with constituents and business groups on Monday and Wednesday.

On Tuesday, I prepared a couple of radio messages in recognition of En-

vironment Week (June 5-11); Senior's Week (June 6-12); a congratulatory message to all our 2016 high school graduates, and Canada's upcoming 149th birthday (July 1). Later that evening, I was present at the Mayert-horpe Town Council meeting.

The latter part of the week, I attended the 'Conservative Party of Canada National Convention 2016' in Vancouver. The convention was open to all

members of the party who wished to attend and was a chance for our grassroots to bring forward policy resolutions and amendments.

The candidates running for party leadership also had the opportunity to speak and gain prospective supporters for their campaigns. The vote to select our next party leader will take place in exactly one year.

I look forward to returning to Otta-

wa, as Parliament will be sitting next week. I will take part in the debate on Bill C-7 (regarding RCMP unionization) on May 30 and on Bill C-10 (regarding Air Canada) on June 1. The historic final vote on physician-assisted dying is also expected to take place early next week. My next update will be on Friday, June 3, informing you of the happenings in Parliament.

FIRE AID FOR FORT McMURRAY CONCERT ANNOUNCED FOR JUNE 29

Submitted by Marketwired

Members of Alberta's Fire Aid Organizing Committee, comprised of volunteers from across the province of Alberta, proudly announced today the details for Fire Aid for Fort McMurray - a major benefit concert being planned in support of people in the City of Fort McMurray and the Regional Municipality of Wood Buffalo (RMWB) directly impacted by the Alberta Fires. Fire Aid for Fort McMurray is set to hit Commonwealth Stadium on Wednesday, June 29, 2016 at 4PM MT. All proceeds raised from this event will benefit the Fort McMurray United Way to support the city's efforts to rebuild for all residents, individuals, families and businesses.

Canadians have expressed immense compassion and generosity during this time and many award-winning Canadian musicians have been keen to contribute to these efforts. World-class Canadian talent, including many hailing from Alberta, are ready to take the stage at Commonwealth Stadium on Wednesday, June 29, 2016 including, Nickelback, Blue Rodeo, Corb Lund, Dean Brody, The Rankin Family, Dallas Smith, Brett Kissel, Randy Bachman with The Sadies, Ian Tyson, Alan Doyle and the Beautiful Gypsies, Dear Rouge, and High Valley. Tickets for Fire Aid for Fort McMurray, a major benefit concert in the name of community, are on sale Monday, May 30, 2016 at 10AM MT. Tickets are \$35.00, \$60.00 and \$99.00 and will be available at ticketmaster.ca or charge by phone at 1-855-985-5000.

This past May, Albertans, Canadians and the entire world were shocked by the devastation of the wildfires in Fort McMurray and across the Regional Municipality of Wood Buffalo. Those affected were friends, neighbours, family and colleagues, and our hearts have continually gone out to them in their time of need. In the spirit of community, a dedicated group of volunteers from across the province, including the core team of organizers of the 2013 Alberta Flood Aid benefit concert, have come together to create Alberta's Fire Aid Committee, working to help rebuild and sustain the future of Fort McMurray and surrounding regions.

Co-chairing Fire Aid for Fort McMurray are Edmonton-based community leaders Bob Nicholson, Oilers

Entertainment Group (OEG) CEO and Vice Chair, Len Rhodes, Edmonton Eskimos Football Club President and CEO and Tim Reid, Northlands President and CEO, alongside special Honorary Chair, her Worship Mayor of the Regional Municipality of Wood Buffalo, Melissa Blake.

All funds raised will go directly to the community as the Fort McMurray United Way has been selected as the beneficiary from Fire Aid. United Way's mission is "to improve lives and build community by engaging individuals and mobilizing collective

action," making this cause the perfect fit for Fire Aid for Fort McMurray's beneficiary. The United Way will work with the various agencies on the ground in the region and help the thousands of residents with the support they need now and for however long it will take to rebuild.

TD Bank Group has joined the Fire Aid effort knowing that the recovery and rebuilding efforts will be massive, and through their early efforts and contribution of \$500,000 to Fire Aid, they show their commitment to rebuilding this community. The TD

First Responders sponsorship highlights the heroic efforts of those who have given so much and in addition to supporting relief efforts, are honoured to host first responders during the concert.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

It is hard to believe that we are already well into June and quickly heading toward summer. The hummingbirds have been here for a little while and I see many feeders full of nectar welcoming the tiny travellers. Don't forget to change it frequently as fermentation may occur in the sugar water (especially in hot weather!) and this rapid deterioration of the mixture can be deadly for the delightful little creatures. Some experts advise leaving the solution in the feeders for no longer than three days before dumping the old liquid, thoroughly cleaning the feeders and refilling with new sugar water.

The Cadet Vimy Ridge Fund-raiser Lemon Chicken Supper was enjoyed by over sixty customers and many have already signed up for the Navy Rum Ribs on June 10th. Bob, Marcelle, Diane, Dale, Lynn and Cheryl worked hard in the kitchen preparing and serving the meal while Ron helped Bob with

the shopping and prep work on Thursday. Thank you to everyone for all of their time including Louise and Kelsey behind the bar and Scott and Cheryl looking after the draws. We had no Scouts this week so we really appreciate Cheryl and Carol jumping up and helping with the tables. Patricia Frank won the free meal voucher, Cheryl Sadler took home the meat draw prepared, as always, by Bigway Foods and Dave Oslies won the 50/50. Comrade Robert Heinz attended the meal with some of the Cadet Corp and gave a short speech thanking the Legion and supper customers for their generous donations toward the travel expenses of two male cadets and one female cadet to Vimy Ridge. Congratulations to Renaud Hammond for receiving his 50 Year Medal recognizing his years as a Legion member as well as for recently being awarded his 50 Year Pin which is given to members for their outstanding service to the Legion. Renaud was hugely instrumental along with Robert Heinz and Gail Cooper in the formation of the 3053

Lac Ste. Anne Royal Canadian Army Cadet Corp nineteen years ago.

It is recommended that you phone Bob Clark @ 780-967-3640 before 3:30pm on June 10 if you would like your Navy Rum Rib Meal plate reserved for the Friday Night Supper. Answering machines are on both the Legion and Bob's phones and if you would like a call back to confirm your reservation please speak clearly, leave your message and include your phone number. Meal sales will begin at 4:30 but from previous experience with the TransAlta sponsored Navy Rum Ribs the available walk-in sales will be very limited.

The Legion will be selling hamburgers and hotdogs as well as beef dips and French fries after the parade on June 11th. Customers in service uniforms will be welcome to enjoy a free hamburger or hotdog and pop. Please join us and enjoy a tasty lunch and beverage at the Legion during The Heritage Day Celebrations.

UPCOMING EVENTS:

- June 7 - Tuesday Pub Night – Darts, Pool, Cards and/or Socializing
- June 10 - Navy Rum Ribs – Corporate Meal Sponsored by TransAlta – Only 120 meals available
- June 11 - Heritage Days – Hamburger and Hot Dog Concession
- June 14 - Tuesday Pub Night – Darts, Pool, Cards and/or Socializing
- June 16 - Pool Night
- June 17 - Friday Night Supper
- June 21 - Dart Night

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

HAPPY SPRING GREETINGS FROM ALBERTA BEACH LIBRARY

Submitted by Cathy Brennan, Library Manager, Alberta Beach Municipal Library

Thank you for the rain! As I write this, we are getting a nice drizzle. People have been stocking up all week with DVDs and books just in case the weather forecasters are right about our rainy long weekend.

Our book club has just celebrated its first anniversary and is going great guns. We have about 22 people who are part of the club, with attendance at each session averaging about a dozen. Over the past year we have had a mix of genres to read. We started off with a book set in the Lac Ste. Anne area and over the year read, among others, a romance, a western, a young adult fantasy, a sci-fi, and a mystery. This month's selection is "All the Light We Cannot See", a novel set in Europe during WWII. Not everyone likes every book but sometimes when we have a chance to discuss it, people appreciate it a bit more (and sometimes not!). There have been some books that half of the group didn't like but people felt compelled to read to the end to see what happened! One of the terrific spin-offs of the book club has been the sharing of book and author suggestions among the members. Our June meeting is on June 23 and then we take a summer break and get back to it at the end of September.

Our art wall is finally ready for local art work to be hung on it. If you are interested in exhibiting on the wall, e-mail or call us to discuss it. All pieces must be framed or have hooks on them so they can be hung on our rods.

This spring we are happy to see some colour in the front of our library courtesy of our garden space. Tulips and daffodils, bleeding hearts, soon some delphiniums and lupins. We are glad for the rain because it was almost time to start hauling water!

On June 1 we will welcome the ECS class from Grasmere

School. It's always fun to tour the kids around the library, read them a story, and then send them down to Dianne's for pizza lunch. Most of our snowbirds are back and now the summer cottagers have started drifting back to open their cabins and put the docks out.

We are currently looking for a summer reading club coordinator. This person would be responsible for running our summer program for kids 5-12 years old. It would

be a 6 week commitment, about 3 hours per week. We usually run the program on Wednesday mornings – this year we will start the week of July 4. Detail about the job are posted on our website (www.albertabeachlibrary.ca) and on facebook (alberta beach library). You can also contact us at abllibrary@yrl.ab.ca or at 780-924-3491.

Be sure to visit us through the summer. We have over 4600 DVDs, 8000 books, and a good

variety of audiobooks and kits. You can also download e-books and audiobooks from our website. Anything we don't have at our library can be brought in from libraries throughout Alberta. All of that for only \$15 per year. What a bargain! And don't forget our giant book/DVD sale that we hold in our parking lot every Poly Days weekend. This is an important fundraiser for our library. Thank you to everyone for your support over the years.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
