WOMAN ASSAULTED NEAR SPRUCE GROVE BUSINESS

Submitted by RCMP Stony Plain/Spruce Grove/ Enoch

File # 2016665612 – On May 31st, 2016 the Stony Plain/Spruce Grove/ Enoch RCMP received a complaint from a female who reported that she had been assaulted while walking near a business in Spruce Grove. The female claimed that at approximately 12:30 AM on this date, she was walking in the area of the Westland Market Mall Parking Lot, near the Bulk Barn,

located at 70 Mc Leod Avenue in Spruce Grove when a male approached her. The unknown male tried to talk to the woman, when she told him not to bother her he reacted by punching her in the face. The victim then fell to the ground while the suspect fled westbound on foot. The victim suffered minor injuries to her teeth and gums. The suspect is described as follows.

Age: possibly 25 - 35 years
Race: dark skin tone, possibly Aboriginal

Hair: black, short
Facial Hair: clean shaven
Clothing: black hoodie with a skull on it, Blue Jeans, dark coloured Nike runners

Police are currently investigating this matter and are seeking the public's assistance. If you have any information about this please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

STONY PLAIN RCMP CONTINUE THEIR INVESTIGATION INTO THE MURDER OF JOLENE MARIE COTE

Submitted by Stony Plain RCMP

Stony Plain, AB – In the early morning hours of October 13, 2011, police began their investigation into the murder of 36-year-old Jolene Marie Cote whose body was found at her residence located on RR 264 in the rural area just outside of Stony Plain.

Starting today and continuing tomorrow the RCMP's Underwater Recovery Team from British Columbia ("E" Division) will be searching the body of water located east of RR 264 on

TWP Road 532A, near the home in which Jolene Cote lived at the time of her death.

In support of the underwater search operation there will be a police presence in the area, however, the RCMP would like to assure residents that it is related to the search and that there is not any risk to public safety.

In the early days of the investigation in late 2011, it was reported that theft or robbery may have played a role in the attack on Jolene Cote which resulted in her death as wedding rings and a necklace belonging to her were reported missing. Consequently,

one of the tasks of the investigation was to determine whether the missing jewelry was related to the offence. Police have determined that Jolene Cote was not wearing the jewelry on the evening of October 12, 2011, when she was killed. In addition, police confirm that there is not any evidence to suggest that theft or robbery was a motive in the attack that ended Jolene Cote's life, nor do police believe this to have been a random act.

NEW SIGNS DEPICT LOCAL BRULE HISTORY & LANDMARKS

Submitted by Stefan Fel-sing

After a lot of diligent work from Yellowhead County's Heritage Advisory Group and input from local historians and historical groups, the new outdoor heritage signs are up. The signs highlight the rich history of explorer David Thompson's travels through the area as well as other significant spots near Brule.

Yellowhead County Mayor Gerald Soroka and Deputy Mayor Jack

Williams were in attendance, along with members from the Yellowhead County Heritage Advisory Board and the Hinton Historical Society for the official unveiling ceremony for the new signs.

The signs are located on the Solomon Hill Turnout on Brule Road between Highway 40 and the Hamlet of Brule overlooking the Brule Lake section on the Athabasca River northwest of Hinton.

The two signs showcase many of the historical landmarks and loca-

tions in the Brule area. One focuses on David Thompson, the explorer who, with the assistance of local First Nations and Métis explorers, established a route through the Rocky Mountains beginning in 1810 for the North West Company. The second sign has information on both historically relevant sites as well as geographical landmarks such as the nearby dunes and waterfalls.

For more information please contact Jenny Siebel, Yellowhead County Heritage Coordinator.

LETTER TO THE EDITOR

Submitted by Carol Johnson

Dear Editor,
As a Graduate of The War Amps Child Amputee (CHAMP) Program and a Safety Ambassador for the PLAYSAFE

Program, I have met kids who have lost limbs in accidents that could have been prevented. With the weather warming up, it's a good time to teach kids about the dangers that can come with summer, such as lawn mowers, boat motors and playing around

water areas.
Over the past few years, I have given War Amps PLAYSAFE presentations as I believe it is crucial to pass on the safety message and prevent as many accidents as possible. I would encourage parents to take their

children on a "safety walk" and point out the dangers in their area.
It only takes a split second for an accident to happen, so let's all PLAYSAFE!

Stony Plain RCMP Continue Their Investigation Into The Murder Of Jolene Marie Cote

Continued From Page 1

The investigation to date, including examination of the crime scene, autopsy reports, witness statements, forensic examinations and other pieces of evidence gathered during the course of the investigation, indicate that whoever attacked Jolene Cote was someone who had the intention to seriously harm or kill her. The evidence obtained by police does not support the idea that Jolene Cote in-

terrupted someone in the midst of committing a robbery or theft at her residence as was suggested initially in some media reports.
Jolene Cote is known to have been driving a 2002 silver Jeep Liberty on the night of her murder on October 12, 2011. Police are asking for anyone who may have seen this vehicle that evening to contact them. (*- Photo of vehicle attached for reference).

The RCMP continue to inves-

tigate this murder and have allocated additional police resources to their ongoing efforts.
Anyone who knew Jolene Cote, as well as members of the public, who may have information that could assist investigators are asked to contact the RCMP Stony Plain Detachment at 780-968-7267. Should you wish to remain anonymous, you can contact Crime Stoppers by phone at 1.800.222.8477 (TIPS), by internet at www.tipsubmit.com, or by SMS (check your

local Crime Stoppers [www.crimestoppers.ab.ca] for instructions). You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), you may be eligible for a cash reward.

PARLIAMENT UPDATE – WEEK OF MAY 30

Submitted by Jim Eglinski, MP – Yellowhead

This week in Parliament, we covered topics including physician-assisted dying, the unionization of the RCMP, and electoral reform.

The following was debated:

• Bill C-7, An Act to amend the Public Service Labour Relations Act, the Public Service Labour Relations and Employment Board Act and other Acts and to provide for certain other measures. I gave a speech on this bill before it passed Third Reading and was sent to the Senate. See my comments on page 52 of the following document:

<http://www.parl.gc.ca/content/hoc/House/421/Debates/061/HAN061-E.PDF>

• Bill C-14, An Act to amend the Criminal Code and to make related amendments to other Acts (medical assistance in dying), passed Third Reading and is now before the Senate.

• Bill C-10, An Act to amend the Air Canada Public Participation Act and to provide for certain other measures, passed Third Reading and is now before the Senate.

• Bill C-210, An Act to amend the National Anthem Act (gender), passed Second Reading and is at Report Stage.

• Bill C-238, National Strategy

for Safe Disposal of Lamps Containing Mercury Act.

• Liberal MP Geng Tan’s Motion No. 38 (Spring Festival).

• NDP Motion—Special Committee on Electoral Reform.

• Bill C-240, An Act to amend the Income Tax Act (tax credit — first aid).

• Bill C-15, An Act to implement certain provisions of the budget.

• Bill C-6, An Act to amend the Citizenship Act and to make consequential amendments to another Act.

• Bill C-224, the Good Samaritan Drug Overdose Act.

This week in the Standing Committee on Environment and

Sustainable Development, we resumed study of the Federal Sustainable Development Act, as well as began a review of Reports of the Commissioner of the Environment and Sustainable Development - Spring 2016. For more information on committee meetings, visit: <http://www.parl.gc.ca/Committees/en/ENVI>

Throughout the week, I attended nine meetings and four events. Though the House will be sitting next week, I will be back in the riding this weekend to attend events and then returning to Ottawa on Sunday. I will be returning to Ottawa. Look for my update next Friday on the happenings of Parliament.

YELLOWHEAD COUNTY PROTECTIVE SERVICES VOLUNTEER FOR #CAMPDAY

Submitted by Stefan Fel-sing

Yellowhead County firefighters, Yellowhead County Peace Officers, and Yellowhead Region 911 operators spent the day volunteering for Tim Horton's # CampDay fundraising campaign. The volunteers were at both of the Tim Horton's' Edson locations on Wednesday June 1 where 100 percent of the proceeds from coffee sales went to the Tim

Horton's fundraising campaign. The extra hands on deck made for light work and were an extra incentive for customers to get behind the Tim Horton Children's Foundation fundraising campaign that helps send kids to camp who might not be able to attend otherwise. In addition to selling fundraising wrist bands, the volunteers passed out children's firefighter hats and other items. Over a dozen volunteers from Yellowhead County and local RCMP

helped take orders and deliver food to the numerous customers that came by the two locations to support the #CampDay fundraising. Donations can still be made by going to www.timhortons.com. From the Tim Horton's website: When you buy a coffee on Camp Day, you're not just helping to send a kid to camp, you're helping children from low-income families build essential life skills, change their lives in a positive way and

make their futures bright. Founded by Tim Hortons, Co-Founder Ron Joyce, the Tim Horton Children's Foundation was established in 1974 to honour Tim Horton's love for children, and his desire to help those less fortunate. For more photos from the event go to Yellowhead County Fire Department Facebook page @YCFireDepartment.

GYPSED SCHOOL NEWS FOR JUNE

Submitted by Nikki Gilks

Grand Trunk High School, Evansburg

Wow, it is hard to believe that it is June already. The year has flown by once again and we are busy making preparations for the 2016-17 school year. One of the more notable changes that staff, students, and parents will find at Grand Trunk High School for the upcoming year is the renovations that will be taking place at the school's entrance. The current staffroom will be

transitioned into the new student gathering area. The brick wall that is currently in place will be removed, opening the space up and allowing some natural lighting to shine into the building. The current student lounge area will be converted into the staff workroom, holding the photocopier as well as paper supplies. The space behind the office will be changed into the new staffroom. At the same time, the public library will be getting a separate entrance. All of this work will begin as soon as class-

es are finished at the end of June and is scheduled to be completed by the time staff and students return to school in September.

June also brings about the last of the major sports events that the school participates in. Track and field practice has been taking place for a couple of weeks and the students went to the zone meet in Edmonton at Foote Field in May. Those athletes qualifying for provincials will head into Edmonton during the first week-end of June and compete there.

Grand Trunk Events for June:

- June 14 Provincial Exams Begin
- June 24 Last Day of Regular Classes
- June 27 Jr. & Sr. High Finals Begin

Evansview School, Evansburg
It is often a difficult task to get students excited about learning and to have them make connections between what they are learning and their own lives. The older the students, the more often we start to hear "Why do we have to do this? What will I ever use this for?"

It takes a very astute learner to realize that the biggest connection to make is the fact that we are far less concerned about WHAT students are learning and more with the processes involved in that learning: learning to face things that challenge us, learning to solve problems, learning to locate, process and use information from a variety of sources, etc.

Last month the grade 2 class, very likely unbeknownst to them, did all of this AND got very excited about doing so in the process. As the culmination of the study of cultural aspects of diverse communities in Canada, the students were asked to share their own cultural backgrounds with the class. Parents and family were invited to the "Cultural Traditions" party, for which the students decorated, created displays and brought artifacts. They had a chance to speak about their culture, share food, and have some fun – all while continuing their learning about cultures in Canada. Moments like these are shared all the time at Evansview. Our annual "Evansview Showcase" puts a spotlight on all of the connections in learning that we have made during the entire year as we share our artwork, stories, experiments and creations with the school and larger community. Exciting for the kids, and connecting their learning to real life.

BETTER QUALITY OF LIFE
and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

GYPSED School News for June

Continued From Page 14

Niton Central School, Niton Junction

June is as hectic as ever with numerous things going on in our school. We have all classes heading out on at least one field trip, some near and some far away. Most of the grade 5 to 8 students have recently left for a 3 day trip to Grande Cache staying at Hide-a-Way Camp for 2 nights. We are sure they will have a great time with all the activities they have planned. The

K/1 class will be going to Tipple Park in Evansburg and the grade 1's have a second trip to Poplar Ridge Ranch later in the month. The kindergarten class has already been on several field trips this year. The grade 2/3's have 2 trips planned this month; one to Hinton and one to Whitecourt. The 4/5's also have 2 trips in June; one to Chip lake and the other to Camp YoWoChAs.

We also have several presentations this month with the Farm Safety and Hands on Science presentations happening soon.

Finally we end the year with a track and field meet with students from Fulham School, a K-6 Pet day, and our ConocoPhillips community BBQ and awards day on the last student day. Then off for the summer!

Wildwood School, Wildwood

The end of April was our annual Spring Tea. The parents and community came out to hear the choir, chime team, grade K/1 and 2/3 classes sing, a poem and dance by the K/1 class, solo singing and a xylophone duet of chopsticks. The gym was deco-

rated with projects and art work. Grade 4/5 students served cake, tea and coffee. It was a wonderful showcase for our talented students. There are few better ways to show how we work and learn together than to perform and present to an audience.

Archery activities taking place after school twice a week have been a fun new activity at Wildwood. Safety and skill development for those who are interested has taken place for the last few weeks. The grade 2/3 class has been working on designing and building boats this month. Even though this project takes several sessions, the students are very dedicated to their vision. Through song, art, science, story and visits to local farms, the K/1 class has investigated the topic of farms, animal growth and our local community. Many of us will miss the barn doors that the classroom has had for the last few weeks as well as the occasional animal visits to the school.

The junior high students are now into their spring activities. Although they are working hard at finishing up the year's academic studies, students have also stopped to take part in other things such as badminton and track. Students participated in track and field events in both Entwistle and Hinton. In badminton, both a Gold and a Silver medal were won. What a busy and exciting time of year here at Wildwood: Small School, Big Ideas!

Wildwood Events for June:

- June 7 Pond Day, 2/3's are Going to The Zoo
- June 8 Elementary Track & Field
- June 15 Gr. 4/5 Edmonton Trip, No KG

#SUMMERSESSIONS LINEUP ANNOUNCED

Submitted by Town of Stony Plain

The Town of Stony Plain is pleased to announce this year's 2016 #SummerSessions lineup. Summer Sessions, which are free concerts featuring Canadian artists, will be held every Wednesday night at 7 p.m. from June 8 to July 27 in Shikaoi Park, next to Town Hall.

“The purpose of the Summer Ses-

sions concert series is to showcase Canadian talent and expand Alberta's cultural economy,” says Chantelle Held, Cultural Development Officer at the Town of Stony Plain. “As we envision Summer Sessions to grow year after year, we've made it a priority to carefully select both emerging and well-known artists that will connect with Stony Plain residents.”

This year's lineup includes the following musicians:

- June 8: Post Script www.postscriptmusic.com
- June 15: The Orchard www.theorchardmusic.com
- June 22: Russell deCarle www.russelldecarle.com
- June 29: A Gentlemen's Pact www.agentlemanspact.com
- July 6: The Doll Sisters www.dollisters.com
- July 13: Rebecca Lappa www.rebeccalappa.com
- July 20: Brock Andrews www.brockandrewsmusic.com

- July 27: Adam Gregory www.adamgregory.com
- Summer Session concerts are free and appropriate for all ages. Participants are encouraged to bring a lawn chair or blanket to sit on and to visit the Stony Plain Youth Centre BBQ across the street.
- For more information on the Summer Sessions lineup, visit www.stonyplain.com/summersessions.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

GOLFER'S GUIDE

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expen-

sive, so beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and

you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get home from

work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game; it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

GOLFER'S GUIDE

HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never too early for boys and girls to start learning the game of golf. Parents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play

set can help lay a solid foundation for future golfers. Kids who have watched Mom and Dad play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along with Mom or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information. Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school

and approach high school, those who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first few lessons can prove invaluable, turning a pastime into a passion kids will carry with

them throughout their lives.
