## LEDUC COUNTY COUNCIL APPROVES 2016 BUDGET, SETS TAX RATES

**Submitted by Megan Candie**

Leduc County, Alberta – Leduc County council approved the final 2016 budget and set the 2016 tax rates at its special council meeting this morning.

Council approved an \$83.4-million operating budget and \$38.5-million capital budget, which represents a total tax dollar budget increase of approximately 1.37 per cent over 2015.

“We were challenged to hold the line on spending and find efficiencies in these uncertain economic times,” says Mayor John Whaley. “We approved modest, fiscally responsible increases to ensure we can continue providing residents and

business owners with high-quality municipal services.”

The 2016 capital budget includes \$9.9 million for the annual road surfacing program, \$4.9 million for a building expansion, \$2.4 million for capital equipment purchases for protective services, \$1.2 million for bridge rehabilitation and \$500,000 for parks and recreation purposes.

2016 tax rates

The modest budget increase resulted in a minimal tax increase for most land owners. Approximately 80 per cent of Leduc County property owners can expect a property tax increase of less than \$100 over 2015, with five per cent receiving an increase between \$101 and \$250.

Property taxes are comprised of municipal taxes, other requisitions

and the provincial education tax. Leduc County is obligated to collect the provincial education tax, as set by the Government of Alberta, as part of its property taxes. Leduc County’s total 2016 education property tax is \$22.4 million, which represents an approximately 8.4-per cent, or \$1.7-million, increase over 2015.

“The marginal property tax increase ensures the level of service provided to landowners is maintained,” says Renee Klimosko, director of finance.

Tax notices will be mailed to residents no later than the last week of May 2016. Taxes are due by June 30, 2016.

# SENIORS WELCOME ANNOUNCEMENT THAT OAS AGE WILL STAY AT 65

Submitted by Herb John, President, National Pensioners Federation

Seniors and retirees represented by the National Pensioners Federation will welcome today's announcement by Prime Minister Trudeau that the eligibility age for Old Age Security will stay at age 65 and not be increased as enacted by the previous government.

Today Prime Minister Justin

Trudeau announced during a town hall with Bloomberg TV in New York that Tuesday's budget will restore the eligibility for Old Age Security to 65 from 67.

The National Pensioners Federation opposed the increase in the eligibility age, due to take effect in 2023, because so many seniors depend on OAS and the Guaranteed Income Supplement and could not have waited the extra two years to receive these benefits.

QUOTE:

"Our members will welcome this reversal of a bad decision. Our members and older Canadians across the country were outraged when this change was first proposed in 2012. Despite promises, nothing was ever put in place to cover those people who could not hang on for two extra years after a lifetime of struggle. This is a good move and we look forward to seeing this in writing in the federal budget."

- Herb John, President National Pensioners Federation

National Pensioners Federation is a national, non partisan, non sectarian organization of 350 seniors chapters, clubs, groups, organizations and individual supporters across Canada with a collective membership of 1,000,000 seniors and retirees devoted entirely to the welfare and best interests of ageing Canadians.

# REWARDING GOOD BEHAVIOR BECOMES LEDUC'S LOCAL CULTURE

Submitted by Mariann McLaughlin

Leduc's Positive Ticketing campaign is off and running for 2016 for children and youth,

between the ages of five and 21, who are rewarded for good behaviours and positive decision-making, thanks to the support of local businesses and community partners.

"Starting this program eight years ago was based on a simple idea to help encourage kids and youth to think before they act and to make positive choices, whether it's at school, in local parks or with their friends," says Leduc Mayor Greg Krischke. "It's exciting to see how much this program has grown over the years and it's great to have strong community partnerships that help us recognize all the good that we know children and

teens do for this community."

Between May 30 and Oct. 28, local business will be teaming up with the Leduc RCMP, Leduc Enforcement Services, Leduc Public Services' staff, and Leduc Nighthawks to reward local kids and youth when they're seen doing good deeds and making good decisions throughout their daily routines. This could include, but not limited to:

- Wearing protective gear when biking, skateboarding or Rollerblading
- Helping others
- Picking up garbage

"This campaign isn't just about handing out treats or freebies, it's about engaging with the next generation and to show them that they're good behaviour and efforts are noticed and appreciated," says Krischke.

The Leduc Positive Ticketing Campaign is hosted in partnership with the City of Leduc and the Leduc Community Drug Action Committee (LCDAC) to promote:

- Safe and caring communities through positive interactions between youth and local authorities
- Community partnerships with local businesses
- Awareness and support to the LCDAC for their mandate and community efforts

# LEDUC TRANSIT CELEBRATES CLEAN AIR DAY WITH FREE RIDES ON JUNE 8

Submitted by John R. Statton

Leduc Transit will offer free service on all routes and Leduc Assisted Transit Service (LATS) on Clean Air Day, June 8.

“Everyone plays a role in helping to keep our air quality high,” said Kevin Wenzel, manager of transportation services with the City of Leduc. “Participating in Clean Air Day activities contributes to cleaner air, healthier communities and a better quality of life for all.”

Clean Air Day is intended to raise awareness and encourage action on clean air and climate change issues. People are encouraged to use a clean mode of transportation on Clean Air Day, including walking, biking, carpooling and transit.

“Air quality affects everyone,” said Gary Redmond, executive director of the Alberta Capital Airshed. “Our hope is that by spurring dialogue, providing reliable scientific data and sharing helpful information, we will inspire Albertans to reduce air pollution and serve as environmental stewards in their everyday lives.”

The Alberta Capital Airshed is a not-for-profit, multi-stakeholder organization that monitors and provides public information on air quality, as well as develops recommendations regarding air quality management and monitoring. The group monitors one of nine airsheds in the province, who together serve as an air monitoring partnership for Alberta.

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
