## ENTWISTLE RODEO RIDES INTO TOWN

**Submitted by Ava-Lynne Lauridsen**

Dust off your boots and cowboy hat, July 2 & 3 cowboys and cowgirls will be competing at the 32nd annual Entwistle Rodeo. Performance time is 1:00 pm daily with 7:00 pm slack on Saturday evening.

Major events include: saddle bronc, bareback, bull riding, steer wrestling, tie down roping, team roping, ladies barrel racing, and ladies cow riding. Junior events: 12 & under steer

riding, breakaway roping, barrel racing; 13 - 15 steer riding, breakaway roping and barrels. CARA and local entries taken on June 22, 4pm - 10pm at 780-727-3767.

Rodeo clown Earl Anderson is sure to bring cheers and laughter to spectator fans. Children are encouraged to dare to run catch the chicken in the popular chicken scramble and pig race. Coloring contest, sand money pit also available.

On site concessions, trade booths, beer gardens, 50/50

draw, silent auction and door prizes. Rodeo fans can view the performance comfortably under covered bleachers. Plan to spend the weekend with free camping. Admission; Adults \$10, 14 & under \$5, 6 and under free.

Huge thank you to all our dedicated sponsors, for stepping up again to make our rodeo possible. Bring the whole family put to cheer on you favorite cowboy and cowgirl and support this proud Entwistle tradition.

## WILDWOOD FAIR PLANS

**Submitted by Carol Riehl**

Are you getting really excited about the Wildwood Annual Fair to be held on Friday, August 19th, 2016. The society sure is ---- lots of exciting things to be happening. The weather has been good for growing flowers and vegetables, so keep a close eye on those prize winners.

The fair book is out and available for pickup at various locations. Can't find one--- call Wilma at 780-325-2424 and she will fill you in. The fair book cover was designed by Twyla MacFayden. Isn't it adorable? Thank you to all who submitted a design. The fair book is dedicated to Ken Carlstrom, a long time volunteer for the society. When

you see him, say hello and congratulate him on a job well done.

Some of the activities that have been planned for fair day are face painting, rock climbing wall, bouncy house, chili cook-off, boxcar races, dog fashion show, sheep herding, greased pig, catch the ribbon off the sheep, watermelon eating contest, arm wrestling, nail pounding, log sawing, chicken poop bingo, Bad Little Buckers {these are miniature bulls that the children can pet and have their picture taken with}, "opposite" bike ride {\$25.00 prize if you can ride it for 5 meters}, kids games, trade show, money pit, tattoos, and probably lots more. I will keep you posted.

There will be a voluntary ad-

mission charge of \$2.00 per person payable at the office. Note this new time—the exhibit hall will be open from 1-4p.m. for viewing. Exhibits can be picked up at 4 o'clock. There will be two concessions and live music for your entertainment.

That's all the news about the fair for today but there is one more piece of excitement—the society has a beautiful riding arena on their property. If you would like to book it, call Wilma at 780-325-2424 to arrange a time for her to open the gate. Now isn't that good news. Book a time to come and enjoy the arena. Enjoy life and until next time, take care.

# CONTAMINATED WATER ADVISORY ISSUED FOR HASSE LAKE

Submitted by Alberta Health Services

Due to elevated levels of fecal coliforms currently present in the water of Hasse Lake (located within the Edmonton Zone of Alberta Health Services (AHS)), AHS is advising the public not to swim or wade in the lake, effective immediately.

The public is also advised not to

drink this contaminated lake water, as water-borne organisms, including fecal coliforms, can cause vomiting and diarrhea.

Elevated levels of fecal coliforms were detected via testing of the lake water. At current levels, skin, ear and eye infections can result from any contact with Hasse Lake water.

AHS Environmental Public Health officers will continue to monitor the

water at Hasse Lake.

This advisory will remain in effect until further notice.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# RIDING UPDATE – WEEK OF MAY 23, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down this week and I had the opportunity to spend time in the riding with constituents and business groups on Monday and Wednesday.

On Tuesday, I prepared a couple of radio messages in recognition of Environment Week (June 5-11); Senior's Week (June 6-12); a congratulatory message to all our 2016 high school graduates, and Canada's upcoming

149th birthday (July 1). Later that evening, I was present at the Mayertown Town Council meeting.

The latter part of the week, I attended the 'Conservative Party of Canada National Convention 2016' in Vancouver. The convention was open to all members of the party who wished to attend and was a chance for our grassroots to bring forward policy resolutions and amendments.

The candidates running for party leadership also had the opportunity to speak and gain prospective supporters

for their campaigns. The vote to select our next party leader will take place in exactly one year.

I look forward to returning to Ottawa, as Parliament will be sitting next week. I will take part in the debate on Bill C-7 (regarding RCMP unionization) on May 30 and on Bill C-10 (regarding Air Canada) on June 1. The historic final vote on physician-assisted dying is also expected to take place early next week. My next update will be on Friday, June 3, informing you of the happenings in Parliament.

**JOKE OF THE WEEK**

Q: "What's the difference between a guitar and a fish?" A: "You can't tuna fish."

Q: What do you call a pile of kittens  
A: a meowntain

Q: What do you call a baby monkey?  
A: A Chimp off the old block.

Q: Did you hear about the race between the lettuce and the tomato? A: The lettuce was a "head" and the tomato was trying to "ketchup"!

# DARWELL PUBLIC LIBRARY NEWS

**Submitted by Sandra Stepaniuk, Library Manager**

The hazy days of summer are almost here and we want to wish everyone a wonderful summer. The majority of our programs have ended, but we still have a few things happening and hope you can find time in your schedule to participate.

This is the perfect time to remind all of our patrons, in good standing, about the fantastic e-resources available to them through our website with their annual membership. Hoopla, Overdrive and 3M Cloud

offer eBook's, comics, audiobooks, music, movies, and TV shows that can be live streamed on your computer with an internet connection or downloaded on to your mobile device with the installation of the appropriate app. This is the perfect way to take your holiday entertainment with you on your vacation or keep the children busy while travelling, or on those rainy days. Visit our website or contact the library for more information.

We will be having a Father's Day Craft for children 6 to 13 years of age on Wednesday, June 15, 2016 from 3:30 to 5:00 PM. The cost to

attend is \$ 2.00 per person and the maximum spaces available are 15. We have already received a few registrations so I would encourage you to call the library @ 780-892-3746 to register as soon as possible to avoid disappointment.

The Summer Reading Program, for children 6 to 13 years of age, will start Thursday, July 14 from 1 – 3PM and run for six consecutive Thursdays until August 18, 2016. This is a free program that will include stories, activities or games, crafts and a snack. The maximum space available for the program is 15. We will be participating in the

official nation-wide registration launch for the Summer Reading Program.

Mark this date on your calendar: Saturday, June 25, 2016 is Get Your Summer Read On Day. The objective of the day is to raise overall awareness of the program and to see how many single day registrations we can obtain. Those who register in person on Saturday, June 25, 2016 between 1 and 3 PM will have their picture taken, with parental consent, for our wall of fame (props will be provided) and their name will be entered for a chance to win a \$ 15.00 Chapters gift card. If you are unable to attend on June 25 you can register by calling the library after June 25th. See you there!

We will also be holding various fund raising events throughout the summer. Firstly, book events will be held in the green shed behind the library and will be open for a time during library hours. How this works is you peruse the titles, take what you want and leave a donation of your choosing. Secondly, we will be holding a silent auction during the Darwell Fair at the library. We are currently accepting donated new items for our event so should you have something you would like to contribute, please contact the library. Thirdly, Lisa Losole from Discovery Toys will be assisting us with fundraising to provide materials for use within the library for programs during the Ag-Drum and the Darwell Fair. All monetary donations will go towards the completion of the library expansion. Please check our community board, local papers, and website or like us on Facebook for dates and times.

The Darwell Public Library Society will be holding their next regular meeting on Monday, June 27, 2016 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website [www.darwellpubliclibrary.ab.ca](http://www.darwellpubliclibrary.ab.ca) or like us on Facebook at [www.facebook.com/DarwellPublicLibrary](http://www.facebook.com/DarwellPublicLibrary)

# RETURNING HOME: CRITICAL STEPS TO RESTORE NATURAL GAS AND ELECTRICITY IN FORT McMURRAY

Submitted by ATCO

CALGARY, Alberta – More than 400 ATCO employees have been working around the clock to restore essential services to the Regional Municipality of Wood Buffalo in preparation for the return of residents.

For those residents who wish to return home beginning June 1, ATCO

has published its Utility Restoration Map, which reflects the latest information on natural gas and electricity service in the Fort McMurray area. The map is updated daily and allows residents to determine whether electricity and natural gas is available in their neighbourhood.

Once residents have returned to their homes, ATCO is requesting that they

take the following important steps in order to fully restore electricity and natural gas service: 1. Restore Natural Gas: After returning home, residents should visit [ATCOresponds.com](http://ATCOresponds.com) and submit the Natural Gas Service Request Form, which will arrange for an ATCO representative to visit homes to restore service, perform a natural gas safety inspection, relight natural gas appliances and ensure they are working properly. If residents don't have internet access, they can visit a Regional Municipality of Wood Buffalo Information Centre to speak with an ATCO representative or call ATCO's Customer Assistance Centre at 310-5678. Once restoration has been requested, residents should place the orange placard included in their re-entry information package in the window of their home or business. This will allow ATCO crews to respond earlier if they are already in the area.

2. Check Their Electricity: If residents do not have electricity, they should check their electric panel and breaker to determine if a blown fuse

or tripped breaker is the cause. If they cannot restore electricity by moving any tripped switches to the 'on' position, they are encouraged to call the Electricity 24/7 emergency outage line at 1-800-668-5506.

3. Contact Their Retailer: For customers who have contacted their retailer to end electricity or natural gas service, please call them to reactivate the account. For customers who have not contacted their electricity or natural gas retailer, no further action is required.

Further information on the steps residents should take to restore their service after returning to the community is available at [ATCOresponds.com](http://ATCOresponds.com). The website also includes updates on ATCO's progress in restoring essential services and important contact information. Additionally, ATCO will have representatives available at the Information Centres in the Regional Municipality of Wood Buffalo and has extended its call centre hours to accommodate questions from area residents.

# MEN AND DEPRESSION

**Submitted by Alberta Health Services – Addiction and Mental Health**

It's not a sign of weakness, it's a fact. Guys get depressed. Depression affects 840,000 men every year in Canada, and is the second leading cause of disability worldwide.

Men's Mental Health Awareness Day, June 14, aims to raise awareness of signs and symptoms of mental health conditions helping reduce the stigma that often prevents men from seeking help, which includes a number of misconceptions about depression.

Although there are still many misconceptions when it comes to depression, people's ideas about it have changed over the years. New technology and research show that depression is a illness based which impacts how a person's brain and body function, just like asthma or heart failure.

**Symptoms of depression**

Changes in the levels of certain brain chemicals and activity of some areas in the brain are associated with depression. No one thing causes this. Many things, including your genes, stressful events, illness, and abusing drugs, or taking some types of medicine are all involved in developing depression.

Some misconceptions include:

- Depression only happens if something bad happens. The reality is that depression may start after a stressful event, but other things also may trigger it. Sometimes depression happens with no identified cause, particularly in people who have been depressed before.

- If you can't get over depression, you're weak. Depression is not about your character, it is an illness. You can't force yourself to get over it any more than you can make asthma or a heart attack go away.

- Depression always will get better by itself and doesn't need treatment. Although a few people get over depression on their own, most people need treatment. People with depression can be treated and return to work and home routines, however without treatment, depression can last for months or even years.

Do you have a man in your life who you think may be depressed?

If you're worried about a loved one or a friend, you probably want to talk to him about your concerns. Here are some things you can do:

Tell the person about depression and why you are concerned

- Depression is not about laziness or weakness. It is more common than people realize, and is nothing to be embarrassed about.

- Point out the symptoms of depression that you have noticed in your family member or

friend, and say why these symptoms worry you. Use a supportive and caring tone of voice while you are doing this.

Explain why the person needs to see a health professional

- Explain that very few people get over depression on their own. Most people need some type of treatment. The sooner someone gets treatment, the sooner he will feel better.

- Point out that there are many types of professionals who treat depression and many types of treatment. Just because a person is depressed doesn't mean

that he needs to see a psychologist or take medicine. A family doctor or a counsellor may be able to help.

- Point out that depression might be caused by another problem. For example, genetic vulnerability, stress, medical problems, and medications all can cause symptoms of depression. A doctor can help diagnose this and provide the person with treatment options.

For more information on depression, visit [myhealthalberta.ca](http://myhealthalberta.ca) or to access treatment and support call Health Link at 811.

# GOLFER'S GUIDE

## FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

**Choose the right clubs:** Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like

walking around in shoes that are the wrong size.

**Get on the ball:** Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on the green and stop. More skillful players should use these.

**Consider the elements:** Weather is always a factor in golf and dealing with it must always be

considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

**Putting and chipping is priority:** Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on

your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus more on your short game than your drive and you will improve.

**Play the 19th hole:** Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

# GOLFER'S GUIDE

## DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

### Side bending stretch

1. Stand with feet shoulder-width apart.

der-width apart.

2. Hold the golf club above your head with your arms straight.

3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

### Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.

2. Gently pull the club up with your top hand until you feel a

slight stretch in the shoulder of your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder and arm.

4. Hold for 15 seconds.

5. Reverse hand positions and repeat.

[www.newscanada.com](http://www.newscanada.com)

## DRIVE HOME A WINNING GOLF TOURNAMENT

(NC) The arrival of warmer weather has many Canadians dreaming of the hitting the local golf course. It is also the time that many companies, organizations, charities and other groups start planning their golf tournaments.

Hosting a golf tournament is a great way to entertain customers, thank employees or raise funds for your group. While there are many details to arrange, organizing such an event doesn't have to be distressing.

Experts recommend that you cover the basics first. Picking the right date and a course that is suitable for your group is the first priority. The earlier you do this the better as you will get a wider selection of dates and courses.

Ensuring your guests are well fed and hydrated out on the course should be another priority. In the heat of summer, a good supply food and non-alcoholic beverages will ensure your participants enjoy a healthy and safe round.

What about prizes? The excitement of winning something is always a big draw, so hit up local

businesses, suppliers, business partners and friends for prize donations.

To take your tournament to the next level, you could offer hole-in-one prizes such as a car, boat, trips or cash. "Adding big prizes to your golf tournament doesn't have to be an expensive or worrisome endeavour," says Andrea Martin, Senior Underwriting Manager, Wayfarer Insurance.

"You can get insurance coverage that will pay for the prize in the event that a golfer hits an ace."

One of the biggest tips is speak to the professionals at the golf course where you book your tournament. Often courses will have staff to assist you, or at least literature that will help you plan a successful event.

# JUNE NEWS FROM ENTWISTLE SCHOOL

**Submitted by Les Worthington, Principal**

June is here, and so is the rain. This month is packed with lots of amazing things. There will be several notes coming home and please check the Entwistle School Council/FOELS Facebook page, as it is another method of communication. Before getting to highlights from last month there are a few important things to share.

Teacher Assignments for 2016/17

By the end of June we should

have a clear picture of each teacher's assignment for 2016/17. That said, changes do happen and, just like life, our careers all have their own path. Should you have any questions about classroom configurations and/or teacher assignments please contact me at the school.

Highlights from May include:

- Our students did an amazing job of welcoming students from Fort McMurray. We are saddened for what these families are going through, and are eager to help however we can.

- Several junior high students participated in Track & Field and Badminton. As always these students were excellent ambassadors of Entwistle School, and displayed the virtues of Entwistle Eagles.

- Soccer season came to an end with a 2-0 defeat to Broxton Park in the quarter finals. It was a great pleasure to work with this group of ladies and gentlemen. They played their best to the last whistle and should be proud of their efforts.

- It was great to see all of the volunteers at the Volunteer Tea

and Talent Show on the 12th. Thanks again for all that you do!

- On May 17th we did a school trip to the Servus Center in St. Albert.

- On May 26th SaFire inspired our students with her amazing circus act. She also challenged students to do seven nice things for seven different people.

Things to look forward to in June include:

- June 21st Grades 6-9 are going to the waterpark at West Edmonton Mall.

- June 24th is the Grade 9 Farewell & Dance starting at 7:00 p.m. Guests and invites only.

- June 28th is our last day and the annual awards assembly starts at 10.

- Also, all students will be attending the Entwistle Pool multiple times. There is no cost, but students are encouraged to bring a food bank donation to the office.

Entwistle PRIDE

All Entwistle School students are members of the Entwistle Eagles. Entwistle Eagles display the virtues of PRIDE in their endeavors and are ambassadors for Entwistle School and Parkland School Division as they pursue their goals. Our virtue for the month of June is Empathy.

E - Empathy: Empathy - To show empathy, you need to be able to put yourself into another person's shoes. You show that you are able to understand and share another person's experiences and emotions.

Members of the Entwistle School community value these virtues as positive contributing factors to inclusion, citizenship, social responsibility, and wellness. The Eagle is the symbol for PRIDE.

If you should ever have any questions, comments, celebrations or concerns please feel free to email ([lworthington@psd70.ab.ca](mailto:lworthington@psd70.ab.ca)) or call me (780-727-3811) at any time.

# STONY PLAIN/SPRUCE GROVE/ENOCH RCMP INVESTIGATE ARMED ROBBERY

## Submitted by Stony Plain/Spruce Grove/Enoch RCMP

Wabamun, Alta. – Early this morning shortly after 6:00 a.m., the Shell Station on Highway 16 near Range Road 44 was robbed. The suspects were armed with a pellet rifle and with bear spray. Cash and other items were stolen and the suspects have fled in a newer black truck with a lift kit.

A crime spree began early this morning. It started with a break-in at a cabin in Moonlight Bay. A residence had a picture window, and door windows smashed and several items were left strewn on the front lawn of the residence. It is believed that a high powered pellet rifle was taken during that break in. No one was home at the time.

Then, at 5:17 a.m. RCMP received a report of break in to vehicles at a different residence in Moonlight Bay in Wabamun. Male suspects were seen rifling through the homeowner's vehicles and when the homeowner confronted the suspects, he was sprayed with bear spray. The suspects then fled. The homeowner did not sustain injuries.

Shortly after, at 6:06 a.m., the RCMP were dispatched to an armed robbery that just occurred at the Shell. Two male suspects entered the Shell, one armed with a pellet rifle. The employees and one customer were directed to lay on the floor while the suspects took several items from the store. Before fleeing the store, bear spray was sprayed at the individuals on the floor. None of the people in the store sustained

injuries as a result of this incident.

The truck is believed to have fled westbound after leaving the Shell.

All occurrences are considered related.

The suspects are described as:

- Suspect #1:
  - Male - Black
  - Wearing a white t-shirt.
  - Later wearing a grey hoodie.
  - Blue ball cap
  - Blue jeans
- Suspect #2,
  - Male - Possibly aboriginal
  - Wearing a red bandanna and a red ball cap
  - Black jacket
  - Black pants
- Suspect #3
  - Male – Dark skin
  - Wearing a white jacket
  - Black ball cap

Either one or two females were seen inside the truck. No description available for the female or females.

Suspect Vehicle:

Truck is a described as a newer black truck with a lift kit. (jacked up)

All black – no Chrome

It has been described as either a Chevrolet or a Dodge.

The RCMP is actively investigating these incidents with the assistance of the Forensic Identification Section and the Serious Crimes Unit.

The public is advised to call their local police, or 911, if this truck with these suspects is sighted. Do not approach the people in this vehicle as they are considered dangerous.

## Obituaries

**FROLAND, Gail Sharon**  
 November 30, 1950 ~ June 4, 2016  
 It is with great sorrow that we announce the passing of Gail Froland. Gail passed away peacefully on Saturday afternoon at the Grey Nun's Hospital following a brief struggle with cancer.

She is survived by her husband Keith; brother Keith (Richards); sons David and Robert; daughters-in-law Tracy (Steidel) and Ingrid (Yukes); as well as three grandchildren Olivia, Liam and Sidra. She was predeceased by her parents Roy and Joyce Richards, mother-in-law Tillie Froland; father-in-law Walter Froland; brothers-in-law Brian and Wally Froland; and sister-in-law

Janice Froland. The family wishes to express their deepest gratitude for all the support and love shown to Gail in her last couple of months. Her passing was made easier by the numerous friends and family members that came to visit her including her team of "sisters". A memorial service was held at St. David's United Church, 4614 - 48 Street, Leduc, AB on Friday,

June 10, 2016 at 11:00 a.m. In lieu of flowers, donations can be made to the Jasper Historical Society: <http://www.jaspermuseum.org>

	8			3				2
		4	5		2	7	3	9
8		9		6	3		2	
		5	4	9		6		

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
