Submitted by RCMP Stony Plain/Spruce Grove/Enoch

Update #1: 40 year old Kenneth Craven has since been charged in relation to offences against an intimate adult partner, which include: two counts of aggravated assault, uttering threats, forcible confinement, assault and failing to comply with a probation order. These offences occurred between June 10, 2016, and June 18, 2016, in Spruce Grove. Spruce Grove RCMP also executed 5 Warrants for Arrest, where Kenneth Craven was wanted on 3 counts of failing to comply with a probation order and 2 counts of failing to attend court, all out of Edmonton. Kenneth Craven has been remanded into custody with his next court appearance tomorrow, June 20, 2016, at 9:00 a.m. in Provincial Court. Original Release:

At approximately 1:00 a.m. this morning, Spruce Grove RCMP were dispatched to an assault complaint on Calahoo Road in Spruce Grove. Upon arrival, RCMP members observed smoke billowing from the residence. After countless and unrelenting efforts, two RCMP members gained entry to the trailer, which was at this time fully engulfed in flames. RCMP members located and pulled an adult male from the residence who was treated by awaiting paramedics. The same adult male was also arrested and taken into custody regarding the initial assault investigation. No injuries were sustained during this life saving effort, although four pets perished in the fire. The investigation into the cause of the fire is on-going with the assistance of a Fire Inspector. Charges are pending against the 40 year old Spruce Grove male.

PARLIAMENT UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of June 13, 2016

This week in Parliament, we covered topics including organ donation, marijuana, life sentences, and the constitutional right for Canadians to trade with Canadians (internal trade).

The following was debated:

- Bill C-13 – An Act to amend the Food and Drugs Act, the Hazardous Products Act, the Radiation Emitting Devices Act, the Canadian Environmental Protection Act, 1999, the Pest Control Products Act and the Canada Consumer Product Safety Act and to make related amendments to another Act (Second Reading).

- Bill C-6 – An Act to amend the Citizenship Act and to make consequential amendments to another Act (Third Reading).

- Bill C-2 – An Act to amend the Income Tax Act (Third Reading).

- Opposition Motion (NDP) —Decriminalization of Marijuana Possession.

- Opposition Motion (CPC) —Internal Trade (“Free the Beer”).

- Conservative MP Pat Kelly’s Motion No. 43 — Taxpayer Bill of Rights.

- Bill C-223 – An Act to establish the Canadian Organ Donor Registry and to coordinate and promote organ donation throughout Canada (Second Reading).

- Bill C-221 – Safe and Regulated Sports Betting Act (Second Reading).

- Bill C-229 – Life Means Life Act (Second Reading). I had the opportunity to speak on this bill. You can find my comments at: www.parl.gc.ca (under “debates”).

The House voted to pass Bill C-210, An Act to amend the National Anthem Act (gender). It has now been sent to the Senate where it will undergo further deliberation.

Bill C-14 (medical assistance in dying) was approved by the Senate and received Royal Assent on June 17, 2016.

Bill C-7, dealing with the RCMP and possible unionization, is still in the Senate, awaiting approval.

This week in the Standing Committee on Environment and Sustainable Development, we continued a review of The Canadian Environmental Protection Act, 1999, and studied the Federal Sustainable Development Act. For more information on committee meetings, visit: www.parl.gc.ca

[ca/Committees/en/ENVI](http://www.parl.gc.ca/Committees/en/ENVI)

Throughout the week, I attended 13 meetings and three events. As the House has adjourned until the fall, my summer updates on my time in the riding will be sent on a monthly basis.

Week of June 6, 2016

This week in Parliament, we largely debated the budget. We also covered topics including charitable donations, impaired driving, ISIS, and the national anthem.

The following was debated:

- Bill C-15 – Budget Implementation Act, 2016, No. 1 (Report Stage and Third Reading).

- Motion No. 40 – Abandoned Vessels (First Debate).

- Bill C-239 –Fairness in Charitable Gifts Act (Second Reading).

- Bill C-233 – National Strategy for Alzheimer’s disease and Other Dementias Act (Second Reading).

- Bill C-226 – Impaired Driving Act (Second Debate)

- Conservative Motion – calling on the House to strongly condemn atrocities committed by ISIS and declare that these crimes constitute genocide.

- Bill C-210 – An Act to amend the National Anthem Act (Third Reading).

ing).

I had the opportunity to participate in the debate of MP Ted Falk’s Private Member’s Bill (C-239). This bill was a great initiative that would have allowed registered charities to provide donors with the same generous donation receipts that politicians can issue. However, I am extremely disappointed that the majority of Liberal and New Democrat Members voted to keep their preferential tax treatment of political donations. You can read my comments on page 77 of the following document: www.parl.gc.ca/content/hoc/House/421/Debates/067/HAN067-E.PDF

This week in the Standing Committee on Environment and Sustainable Development, we reviewed the Federal Sustainable Development Act and the Canadian Environmental Protection Act, 1999. For more information on committee meetings, visit: www.parl.gc.ca/Committees/en/ENVI

Throughout the week, I attended twelve meetings and 5 events. Though the House will be sitting next week, I will be back in the riding this weekend to attend events. Look for my update next Friday on the happenings of Parliament.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

JUNE 16, 2016

Whitecourt's Athabasca River Erosion Control Project has been tendered and, as soon as final approval is granted by the Federal Department of Fisheries and Oceans, work will begin. Kana Oilfield will be completing the work, which involves constructing nine new rock spurs, repairs to the existing spur at Riverboat Park, and bank armouring between the spurs. The project is funded in part by the Provincial

Community Resilience Program Grant, and the total project will cost just over \$5.1 million.

Council has approved \$15,000 to the Whitecourt Volunteer Fire-fighter's Association to assist with the restoration of the Department's historic first fire truck - affectionately named Beulah. The Association intends to use the truck in parades and other community events as a way to promote our community and the Fire Department.

The Town of Whitecourt will be submitting five applications

for funding to the Canada 150 Infrastructure Grant Program. The grant program was created in recognition of Canada's 150th anniversary, and provides support for the renovation, expansion and rehabilitation of existing infrastructure. Projects that will be submitted include:

- Rotary Park sport field expansion and redevelopment,
- Trail upgrades and rehabilitation/portion of Phase 1 of the Mountain Bike project,
- Playground upgrades,
- Graham Acres upgrades,

• Rotary Park water features enhancements.

Moose Country Petro Canada is the newest recipient for funds under the Vitalization Grant Program. The program assists property owners in the downtown core and along the Highway 43 corridor to upgrade the façade of their building to meet the Town's architectural theme. Moose Country received \$10,000 in funding. There are still funds available in the grant program, and the Town will be reissuing a call for applications. For more information visit www.whitecourt.ca.

Golden Delight Restaurant has received \$1,800 through the Community Beautification Grant Program to landscape a portion of the property. There are still funds available in the grant program, and the Town will be reissuing a call for application. For more information visit www.whitecourt.ca.

The Town of Whitecourt will be submitting a recommendation to the Alberta Urban Municipalities Association that it advocate to have municipalities exempt from disclosing information regarding complaints made through municipal whistleblower programs. Currently, the Province is exempt from disclosure, and it is felt that similar treatment between both levels of government would assist with the municipal programs' success.

The Community Services Advisory Board, a committee of Council which helps to meet the social and leisure needs of our community, recently held its annual planning session to identify priorities. The Committee has identified short and longer term priorities, and will be researching potential projects in the next several months for recommendation to Council for the 2017 budget.

The 2016 Project List has been compiled and includes over 150 projects. The project list is a tool Administration uses to keep Council informed on progress and status of projects and activities, and is available to view on www.whitecourt.ca.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

Submitted by Bob Clark:

I would like to thank Allen Parr in particular and all of the rest of the volunteers who, for the past few weeks, have stepped up to the plate to ensure that the Friday Night Meals continue. This demonstrates that the spirit within our Legion Branch will not falter and we are an organization where one can feel pride in serving either as a member, a volunteer or both. I am very appreciative of these volunteers and feel confident in their ability to carry on a valuable tradition while I recover from my unfortunate accident. Hopefully I will see everyone soon and again, thank you. Bob Clark

TransAlta sponsored a sold out supper on June 10th, donated some door prizes and supplied seven of their staff to help us out in our kitchen. We would like to thank Cheryl McNeil, Art Erickson, Wayne Hobbs, Dee Hobbs, Todd Nash, Charline Rozgo and Kristen Barros for pitching in to help with the prep, serving and cleanup. Each of the sponsored dinners the Legion hosts allows us to get closer to our goal of re-designing and building the front entrance. The extremely popular Navy Rum Rib Supper was made possible by the hard work of Allen, Lorne, Derald, Ron, Lisa, Pat St. H., Lynn and all of the enthusiastic and capable TransAlta employees. We were very happy to see Scouts Harvey and Zackery show up and do a great job with the table clearing and cleaning. Thank you Louise and Kelsey for serving customers at the bar and Val and Ken for running the draws. Tom Nicholson and Leroy Coley won the TransAlta donated blankets and flashlights, Sharon Hudon will enjoy the free meal, Brian Allen the meat draw and Al Hansen will be able to spend his half of the 50/50 draw.

The Pool and Legion Fundraising Draw was held on June 10th and congratulations to Wendy Lindgren for winning the two watches and Visa Card, to Lor-

raine Russell for taking home the ladies watch combined with a movie and a meal and to Jack Cooper for being the lucky recipient of the popular camper's package.

June 11th found volunteers Allen, Ron, Marcelle, Lorna Cheryl and Kelsey back in the kitchen to prepare hamburgers, hot dogs, beef dips and fries for the hungry parade participants and general public. Louise and Lynne made sure none left thirsty and again Harvey helped out clearing tables. We had planned to keep the kitchen open until 4 pm but unfortun-

nately had to close early due to the unforeseen influx of customers.

Congratulations to all Legion Branches for raising a total of \$1,200,000 to be donated to the Legion central fund for the Fort McMurray displacement fund.

- June 24 -- Friday Night Supper – Roast Beef

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
