## THE ALBERTA BEACH LIBRARY HAS GONE WILD!

**Submitted by Rena  
Traxel, Summer Reading  
Club Coordinator**

July 6th marked the start of the free summer reading program for kids ages 5 and up. This year's theme is wild. Each week features poems, books and activities.

If you missed July 6th program titled "Wild Thing" here is a recap. Thirteen kids gathered in the Alberta Beach Library Wednesday morning from 10:30 am to 11:30 am. The coordinator, wearing a yellow crown, started the program with a poem from Canadian poet

Tiffany Stone followed by award-winning picture book "Where the Wild Things Are" by Maurice Sendak in which the kids were invited to act out the part of the wild things and take part in a wild rumpus dance. After a brief break and a second picture book "Monstore" a debut by Tara Lazar and illustrated by James Burks, participants crafted a monster glider.

Too soon the program was over but not to worry, as there are many more opportunities to take part in the program. July 13th is "Off Beat Fairy Tales" that promises not your typical fairy tales and a gin-

gerbread man hunt. July 20th is "Anything Goes" with kite making and silly stories from Oliver Jeffers and Robert Munsch. July 27th is "Couch Potato" and an answer to the question "are potatoes boring?" August 3rd is "Monkeying Around" with a peek into the world of Jane Goodall and a nature craft. August 10th and the end of the program will be wrapped up with a wacky tea party.

Drop-ins are welcome. Younger kids are welcome, but a parent must stay to supervise and help. We hope to see you at the Alberta Beach Library!

## ART IN THE GARDEN

Submitted by **Diana Johnstone, George Pegg Botanic Garden**

On a sunny Father's Day the George Pegg Botanic Garden hosted the 4th Annual Art in the Garden Outdoor Art Show and Sale. Open from noon-5 pm, the show featured exhibits from more than 20 artists for viewing and purchase. There were many different art forms represented at the show including paintings,

novels, wood carving, and art photography. Visitors were encouraged to vote for the youth artist competition with first place going to Mikayla Taylor and second to Amanda Taylor.

Again this year, live music was enjoyed by all; local musicians played songs ranging from country to Irish jingles to gospel and everything in between. A concession was also available on site with rave reviews for the pulled pork buns and coleslaw.

This event could not have happened without the volunteers that helped organize, set-up, and run the event. The Pegg Garden would like to thank those volunteers and our sponsors.

The George Pegg Botanic Garden is now open for visitors every day in July and August from 10 am- 5pm. For more information about these events and to see photographs of the Art Show visit [www.PeggGarden.org](http://www.PeggGarden.org) or call the Garden at 780-203-031.

# SANGUDO HORTICULTURAL CLUB NEWS

Submitted by Brenda Ogden

The Sangudo Horticultural Club would like to thank Denise O'Reilly for taking the club members on a mushroom walk on her farm for our June meeting

date. The weather was accommodating and the mosquitoes weren't horrific. For the members who stayed for the potluck we had the pleasant treat of pan fried mushrooms to go along with the meal, as Denise had found some edible mushrooms.

They were good!

We will be partnering with two different horticultural clubs. On July 22nd we can join with the Westlock club for a tour of Gablehouse Daylily. Gablehouse has a wide assortment of shapes and colors on their daylilies.

The other club we can tour with is the Magnolia Club. This tour on August 10th will be about fruit trees. This one will

take us on tour with well established fruit growers.

And our club will be going on a tour put on by the Water Works Ponds in Edmonton. The dates for this pond tour are August 13 and 14. Back in March we had speakers talking about their ponds and this tour ties in to that, and can bring in many ideas for new pond owners.

# DRUG SEARCH WARRANT NETS GROW OPERATION

**Submitted by St. Albert RCMP**

St. Albert, Alberta – After an extensive investigation, the St. Albert RCMP Drug Unit executed a drug search warrant at a rural property located north east of Gibbons, Alberta. As a result of the search, over 400 Cannabis marihuana plants, over 5 pounds of Cannabis marihuana packaged for sale, plant cultivation equipment and an undisclosed amount of foreign currency was seized. The amount of marihuana being grown in this operation could have produced hundreds of thousands of illegal marijuana joints that would have had a serious impact on the Edmonton region.

17 RCMP officers were involved in the search including officers from the St. Albert Traffic Unit, St. Albert General Investigation Section, St. Albert Crime Reduction Unit, Morinville General Investigation Section, Morinville General Duty officers, Fort Saskatchewan General Investigation Section, and officers from ALERT. Edmonton Police Service Air Services provided officer safety over watch during the search.

One male adult and one female adult were arrested at the location where two preschool aged children were present.

“The quantity of drugs seized at this property is very concerning.” Says Inspector Ken Foster of the St. Albert RCMP. “This was a marihuana grow operation that was for criminal trafficking purposes, not for personal use and if these drugs were not seized, they would have impacted the well-being of our residents and our children in Morinville, Sturgeon County, St. Albert and throughout the Edmonton region.”

Cpl. Layne Wakefield, who is in charge of the St. Albert RCMP Drug Unit, explained that, “Uncontrolled grows do not meet the health and safety standards that a medically licensed operation

would have in place and can even introduce additives to marihuana plants that can impact people’s health. This marihuana growing operation was not controlled and was not approved for medical use.”

A 36 year old man and 28 year old woman, residents of Sturgeon County, Alberta, have both been charged with:

1. Production of Substance contrary to the Controlled Drugs and

Substances Act

2. Possession for the Purpose of Trafficking contrary to the Controlled Drugs and Substances Act

3. Child endangerment under the Drug Endangered Child Act

And they are both scheduled to appear in St. Albert Court on August 22, 2016. A referral to Children and Family Services has been made to ensure the safety of the children. The names of the accused are not being released in

order to protect the privacy of the children.

If you have information about this incident, please call the St. Albert RCMP at 780-458-7700 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipsubmit.com](http://www.tipsubmit.com), or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

# NORTH WEST GROWS ITS TRAINING CAPACITY

## - BUILDING NEW BRIDGES AND CREATING TOMORROWS INDUSTRY LEADERS

Submitted by David Ives, Fire Chief

North West Fire Rescue & Training Ltd in partnership with North West Fire Rescue - Onoway Ltd (operating as Onoway Regional Fire Services). It excited to announce our new fire service training initiative designed to combine expert firefighting instruction with hands-on experience.

Since its inception North West Fire Rescue and Training has been leading the pack as things relate to accreditation standards, site policies, performance protocols, and overall customer care. Our industrial clients have come to count on on first-rate emergency response profes-

sionals with all the qualifications on time - every time "FOB Anywhere." It was this type of leadership and drive to succeed that made it possible for our group of dedicated staff members to add to our level of service by way of adding North West Fire Rescue - Onoway - Canada's first hybrid model whereas private fire, medical, and safety services have been merged with public 911 emergency response... Onoway Regional Fire Services. Residents, businesses, and guests being served by Onoway Regional Fire now enjoy the benefits of enhanced medical co-response as well as "Chute times" (mobilization times) two-thirds shorter and initial response strengths twice as strong as the previous service provider.

Now once again we bring our strongest assets - our people, to bring forward with another first: North West Fire Training Institute.

North West Fire Training Institute is not a fire school... It's much more: True, the Institute offers first-hand formal training of many National Fire Protection Association programs as well as other emergency responder and safety courses - both in house as well as via training partners. However, unlike a school where this is generally where things end, at North West Fire this is merely where things begin. Because North West is fully operational fire department our instructors and officers are on-duty fire department members. This

means our students receive relevant and current curriculum as well as up-to-the-minute teachings by way of lessons directly learned on scene - often the night before. What's more participants of our program must be enlisted as firefighters - either at their home locality or within Onoway Regional Fire Services. This is to ensure participants gain the benefits of first-hand experience. In other words, our participants don't just take a course about firefighting, they become firefighters.

One example of North West Fire Training Institute's new approach to firefighter development is our "Zero to Hero" program. This program is a one-year program whereas recruits complete not only the basic instruction for firefighting. They partake in many complementary and enriched programs such as Emergency Medical Responder, Fire Service Instructor, Fire Service Officer, etc. Not only do participants gain an unprecedented amount of knowledge and skills, they apply their skills on a rotational basis by way of a working practicum in the very fire service that trained them. In the end not only do successful candidates come away with a stack of certificates and accreditations, they walk away with a job letter and reference... and very well maybe a formal job-offer. What better way is there to begin a career in the fire service?

When North West began down the road of Canada's first hybrid fire department, we did so because it was a win-win-win:

- The industrial division won because of increased morale, employee retention, and better training opportunities.

- The municipal division won because it gained access to a cadre of trained and dedicated staff to augment local membership and provide leadership / structure.

- The public won because the merging of the paid members with the paid-on-call members directly equates to a stronger fire department with a better level of service and shorter response times.

Now by adding North West Fire Training Institute, we have taken this win-win-win success story to a win-win-win-win proposition. The three wins above are further benefited by the addition of more resources, more recruits, and more equipment on hand PLUS our reach and influence to the greater firefighting population allows us to instill the enriched training and experience so badly needed within the firefighting industry.

We at North West Fire are very proud to be at the forefront of community service, firefighter development, and first responder safety. To learn more about North West Fire Training Institute please visit [nwfr-training-institute.com](http://nwfr-training-institute.com)

### THANK YOU FORTIS ALBERTA FOR YOUR GENEROSITY!!

Alberta Beach was chosen to receive a \$3,000.00 grant through Fortis Alberta's Community Naturalization Grant Program. This funding has made it possible for us to purchase 10 pet waste stations that are now placed throughout the village. In addition, Fortis Alberta also provided an AED Sponsorship donation in the amount of \$2,000.00 to purchase an AED (Automatic External Defibrillator) machine for the Alberta Beach Family RV Park & Campground.

Thank you!

# GOLFER'S GUIDE

## 9 WAYS TO IMPROVE YOUR GOLF GAME

Warmer weather sends scores of golfers to their favorite courses each

and every day. Golf is a challenging pastime, but a few pointers can help golfers hone their short games, long games and everything in between.

- Choose the right clubs. There is more to selecting clubs than pulling any old iron out of your golf bag and whacking away. Wind, hazards and obstructions in landing areas should influence your decision of which club to use. Novice golfers may want to rely on their caddies to make club recommendations, and as they become more confident in their abilities they can start to make their own choices.

- Anchor your feet. Anchor your foot behind the ball to drive the ball further. Right-handed players will keep the right foot anchored, and lefties will do the opposite. Do

not lift your foot prematurely; otherwise, you can lose power and distance.

- Identify your weaknesses. As with any hobby, identifying those areas that need the most work can help you become a better golfer. Keep track of each shot you take, and then look at the results to see which areas of your game need the most work.

- Fix your alignment. Align your shots by assessing the target from behind the ball. Then set the clubface behind the golf ball and align it with the target before you enter your stance.

- Use your torso for power. The torso is essential to a solid swing. Practice rotating from your core to control your backswing and then maintain the same spine angle and

posture on the downswing.

- Use the wind. Not every golf game will be played in perfect weather. A good player knows how to make adjustments for the wind depending on the shot. Use the wind to your advantage when you can, and adjust your swing when hitting into the wind.

- Become a better chipper. Many players put so much emphasis on their backswings and putt shots that they fail to devote any practice to chips. All shots are important for golfers trying to shed strokes off of their scores.

- Keep fit. Maintaining or improving your physical strength and overall health can help your golf game. Exercise and eat right, and you will have more endurance on the links.

## SIX GOLF PERSONALITIES THAT WILL MAKE OR BREAK YOUR GAME

(NC) From the rules drill sergeant, to the etiquette obsessed, no one likes to be on the course with that person. Here are a few of the personalities you should be keenly aware of when creating the perfect 18-hole pairing.

The Natural – They've had no lessons, no warm-up, old clubs but can consistently hit them long and

straight every day.

Play with this person if... you crave a smooth, competitive game.

The Iceman – never phased by a shot that's off or a disgruntled competitor, the Iceman always keeps everyone's emotions in check.

Play with this person if... you want to cool down fired up players.

The Socialite – forget the game,

this person is out for a good time. With positive vibes, and stories for days, this person is only interested in one hole: the 19th.

Play with this person if... your scorecard is the last thing on your mind

The Personal Trainer – will gladly walk the length of the course with a 50 pound golf bag in tow. The PT prefers post-game chicken breasts over hot dogs, and comes equipped with a crisp low calorie light beer, such as Molson Canadian 67.

Play with this person if... you're an active calorie calculator who wants to tone up while having a good time on the greens.

The Chauffeur – likes driving the cart more than swinging the club and is happy to drop you off at every hole.

Play with this person if... the Personal Trainer has worn you out.

The Slicer – no matter how many lessons he's taken or how new his clubs are, he consistently hits his shots in the woods.

Play with this person if... you want to win!

# GOLFER'S GUIDE

## HOW TO MAKE THE MOST OF YOUR DAY ON THE COURSE

(NC) Most great golf games are filled with sun, competition and camaraderie, but you can enhance the experience with a few tips that have less to do with your swing, and a lot to do with your 18-hole enjoyment:

**Dress for success:** The right golf apparel can be as important as the clubs you carry. Check the weather in advance to make sure you'll be as comfortable as possible during play. Determine if you're dressing to impress or to elevate your game. Light, non-restrictive clothing will allow you to swing freely and keep you comfortable and cool in the heat, or warm if the temperature drops. If you're a guest, always

check out the dress code at the club you'll be visiting to ensure you comply with the rules.

**Choose your company carefully:** Your playing partners can have a lot to do with how you play and how you socialize on the golf course. If you're out with friends, you can relax and enjoy the day knowing what to expect. But if it's a game with your boss or clients, always make sure to test the waters. Will they play by the rules or is it just a relaxed day? Are your clients there to play golf or do business? Understanding the landscape on the first tee will alleviate any awkward moments later on.

**Create friendly competition:**

Sure, there's already a scorecard, but you can add more competitive fun to your game by creating a little friendly rivalry. For example, try a little Bingo Bango Bongo - a points based game that awards a total score based on three kinds of achievement: Bingo - first person on the green gets a point; Bango - the player whose ball is closest to the pin when all balls are on the green gets a point, Bongo - the player who is first to hole out gets a point. Add up the points and the person with the highest total for the round wins.

**Walk it off :** Make a small 'healthy' tweak to your game by walking vs. taking a cart. When

you choose to walk rather than drive 18 holes, you'll cover approximately six kilometres and burn around 1,500 - 2,000 calories. Golfers that ride carts will burn only about 1,100 - 1,300 calories.

**Say cheers and enjoy:** The 19th hole remains one of the best holes on the course. Cap off a great day by enjoying a light meal or a light beer such as Molson Canadian 67, which is brewed to 67 calories per 341ml bottle and 3% ABV. This crisp, refreshing beer can be paired nicely with a protein boost of chicken or fish.

# GREETINGS FROM THE ONOWAY LEGION

**Submitted by Lorinda McCool**

The time has again arrived to watch our fireplace for bats. The youngsters flutter down the chimney at night and hang upside down on the insulating strip until early morning when they are gently collected and let loose in the trees behind the house. One very important benefit of preserving the wonderful little creatures is the millions of pounds of insects (especially mosquitoes!) they can eat nightly. A few years ago two bats flew in the Legion doors and proceeded to fly around confused because of the fans. We shut the fans off, watched them crawl behind the combat hats hung on the wall and carefully moved them back outside. Thank goodness it wasn't a busy Friday night!

It has been quite a busy season so far for hall rentals. Last week Louise, Marcelle, Val and Cheryl W. prepared and served a Ukranian Supper for 85 under quite a lot of duress as three other scheduled volunteers were unable to help. Thanks to Jeff from The Hub for helping with the cleanup. Please consider the Legion Hall if you are looking for a place to hold a function. Our kitchen is top notch and you can contact Ted @ 780-967-4980 for rental information and bookings.

The Legion greatly values its' volunteers and appreciates the time they dedicate to our functions. We are missing our regular volunteer Ron Watson who is in the hospital recovering from a bout of pneumonia and wish him a rapid recovery. Thank you to everyone who helps out on Friday Nights including the Scouts. Volunteers on Friday nights are treated to supper and a free beverage and it helps us greatly to know we can rely on them to show up on time and perform the duties they volunteered to do.

Pub and Games Night on Tuesday is becoming quite popular with patrons playing darts, pool and cards. It seems Canasta is becoming the card game of choice even with people that had never played before but are learning. A pool tournament will be held on Saturday July 23 so if you would like to compete please call Scott Sadler @ 780-991-6777 or Email your inquiries/registrations complete with your name, telephone number and email address to rclbranch132@hotmail.com. The entry fee is \$10.00 per person and play starts at 9:30 am with registration from 8:30 to 9:15 am. The play format consists of Pairs or Mixed Singles 8-Ball round robin tournament, depending upon the number of participants who register. Rules will be based upon Canadian Legion competition rules. 75% of registration fees will be allotted to first, second and third place winners. Refresh-

ments and hot food will be available for purchase throughout the day.

The Crispy Chicken dinner was completely sold out and unfortunately several customers had to be turned away at the door. Please reserve your plates as soon as you can if you want to be certain of a meal on any Friday Night. Some plates are available at the door but they sell very quickly for a popular meal. Allen, Bob, Jay, Marcelle, Sylvia, Randy and Liane were busy in the kitchen and luckily had the meal prepared when the power went out during a nasty little storm. It was kind of fun having a candlelight supper and while no one seemed to have any problem getting their supper many cheered when the lights came back

on. A fairly large group from Alberta Beach and area joined us for supper as did some Stony Plain Legion members. Thanks to Ric for handling the draws while Scott and Cheryl were away and to our volunteer bartenders Louise and Kelsey. We really appreciated Harvey showing up and doing a great job of clearing and cleaning the tables. Congratulations to Ivan Smith for winning not only the free meal voucher but the 50/50 draw as well and to Jeanie Hodgson for winning the meat draw. Thanks to Louise for recording the names of lucky winners.

# EVERGREEN CATHOLIC SCHOOLS BOARD OF TRUSTEES MEETING HIGHLIGHTS

Submitted by Beth Dunigan

May 9, 2016

Trustees approved locally developed courses entitled Mythbusting Science 25 as well as Film Studies 15-25-35. Evergreen teachers continue to create fascinating and appealing ways to engage students.

The Board approved the 2016-2017 calendar for the Hinton

schools.

Superintendent Dr. Vaselenak reported that 38 students from Ft. McMurray had already been welcomed and registered in Evergreen schools (Note: the number grew to 85 by week's end.)

Evergreen Catholic hosted the Archdiocesan Holy Childhood Association Missions Day Mass at Holy Trinity Parish. 800 students from four school divisions

attended. Our Evergreen student choirs performed beautifully. The occasion received very positive comments.

The school division was recognized and received accolades for its commitment to Catholic education. Evergreen supported 15 staff at the Shared Purpose in Catholic Education (SPICE) conference and ten others at the Catholic administrators' conference (Blueprints.) Notably, Evergreen also had four of our associated parish clergy attend.

In collaboration with Newman Theological College, Elk Island Catholic and St. Thomas Aquinas Catholic School Divisions, Evergreen is proud to be part of the next Excellence in Catholic Educational Leadership (EXCEL) cohort. The primary goal of the EXCEL Academy is to expand, renew and grow overall leadership capacity of our school divisions by enabling select teachers to explore their faith and develop their gifts and talents in the area of leadership.

Ty Snell, a first-year teacher at

Saint Mary School (Westlock) was named the ECSRD nominee for the Edwin Parr award. Each year the Alberta School Boards Association honors six outstanding first-year teachers with the Edwin Parr Teacher Award.

Secretary-Treasurer, Ms. Jacqueline Carroll received congratulations from the Board as she will be receiving a 25-year service award from the Association of School Business Officials of Alberta (ASBOA.)

Educators who take risks each day to continually transform their learning environments are honoured with the Canadian Education Association Ken Spencer Awards for Innovation in Teaching and Learning. This year St. Gregory Catholic School (Hinton) was honoured with this national award as the school has transformed its Early Childhood/Kindergarten classroom environment into the Happy Creek Learning Center, which offers a play-based multi-age hands-on learning model driven by the students' interests and passions.

Between Thursday, June 30, 2016 and Monday July 4, 2016, criminals celebrated the holiday weekend by breaking into vehicles, garages, homes and sheds! Profits were high for the criminals and they didn't even have to work hard as most of the vehicles and places were unlocked!

Over the weekend, St. Albert RCMP received 12 reports of thefts from vehicles. Since this type of crime is often not reported, it is easy to believe that many more people suffered thefts. Woodlands Road, Wakefield Boulevard, Wheaton Crescent, Butterfield Crescent, Bradburn Crescent, Lynx Close, Longview Crescent, Kingswood Boulevard, Elise Place and the parking lot by O'Malley's Pub all saw thefts. Purses, Mac books, money, ID, Passports, Bank cards, sunglasses, vehicle registrations and insurances papers, garage door openers, gps, cd's and one blue Yamaha generator were stolen from these vehicles.

As well, bicycles were a popular item to steal over the holiday weekend. On June 29, 2016, 2 bicycles were stolen from the bike rack at St. Albert Centre. A silver and black BMX with blue rims and gold hubs was stolen along with a purple BMX with white tires and a white seat.

On July 1, 2016, 3 bicycles were stolen from a residential garage on Addison Crescent. A white female Rocky Mountain Hybrid bike, a white Male Divinci Hybrid bike and a silver male Trek mountain bike are all gone.

Residences, sheds and garages were also targeted by the criminal element this past weekend. On June 29, 2016, a sea can and a garage on Sturgeon Road were broken into by cutting off the locks. Tools and electrical equipment was stolen from this site.

On June 30, 2016, a residence on Lorraine Crescent found money and jewelry missing. It is unknown how the culprit gained access to this home.

On July 1, 2016 at about 4:15 a.m., a resident on Eastview Street woke up to the sound of his garage door opening. Upon checking, he interrupted a man who was inside the garage. The man took off running and was followed by a woman who must have been hiding in the area.

On July 1, 2016, someone broke into the shed belonging to the Church on Bernard Drive and stole the leaf blower and the grass trimmer. They cut the lock to the shed to gain entry.

On July 1, 2016, someone cut the lock to a business recycling container on St. Vital Avenue and stole the recyclables.

On July 2, 2016 around midnight, a person noticed their garage door opening and found that someone had been rummaging through their garage and car. They had stolen the garage door opener from the vehicle. RCMP are working with the homeowner to see if a suspect description can be obtained.

On July 2, 2016, a helpful St. Albert

resident from Butterfield Crescent called the St. Albert RCMP at 4:20 a.m. to report that a man was walking down Butterfield Crescent trying vehicle door handles to see if they would open. Although RCMP immediately attended the location, the suspect had left the area. St. Albert RCMP are looking for a:

- White male
- About 5' 10" tall
- Wearing a black hat & white hoodie
- Carrying a backpack.

Leaving your homes and vehicles unlocked attracts criminals to your neighbourhood. When they learn that there are valuables left in parked, unattended vehicles, they will return to your

street time and time again for these easy thefts. We may not completely wipe out crime, but if we all lock our homes and our vehicles after removing our valuables, we will make St. Albert less vulnerable to crime. Help keep St. Albert a safe community! Don't be part of the problem, be part of the solution!

If you have information about these incidents, please call the St. Albert RCMP at 780-458-7700 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
