HIT AND RUN COLLISION AT BRETON ESSO

Submitted by Thorsby/
Breton RCMP

File number: 2016882474: On July 11th, 2016, Breton RCMP received a complaint of a Hit and run accident causing property damage at the Breton ESSO.

The collision occurred on July 10th 2016 at approximately 12:43 pm.

A Complainant called in to report that a newer modeled White Dodge ram hit a storage shed outside the ESSO and drove away.

- The Vehicle is described as a newer modeled White Dodge Ram 1500 with

chrome bumpers.

- The male is described as

- Caucasian

- Bald

- 6'2 weighing approx. 230lbs

If you have any information that

could assist in this investigation, please contact the Breton RCMP at 780-696-3520; or Crime Stoppers at 1-800-222-8477 or www.crimestoppers.ab.ca.

LEDUC RCMP INVESTIGATE INDECENT ACT – TELFORD LAKE

Submitted by Leduc RCMP

On July 8, 2016 at approximately 4:00 pm Leduc RCMP responded to a complaint of a unknown male that had pulled down his pants exposing his genitals to people walking on the trails by the Telford Lake Pier.

The male is described as Caucasian, approximately 30 years old, medium build and short hair. This was the second time in two days that witnesses have observed the male expose himself at this location.

Extensive patrols of the area were made however the male was not lo-

cated.

If you have information about this incident, please call the Leduc RCMP at 780-980-7200 or call your local Police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS) or by internet at www.tipsubmit.com.

THEFTS & STOLEN PROPERTY

Submitted by Thorsby/
Breton RCMP

Thorsby/Breton RCMP is seeking public assistance concerning the following incidents:

File 2016-917023: Between July 13th and 14th, 2016, a theft from a vehicle occurred in Winfield, where pipe cutters, paintball guns, paintball accessories and other tools were stolen.

File 2016-910196: On July 16th,

2016 a break and enter and theft occurred on a property on Range Road 61, south of Highway 13, near Buck Creek. Suspects gained entry to the house and stole a Sony 60" television.

File 2016- 914611: Between the night of July 16th and July 17th, 2016, a yellow Can-Am Maverick atv was stolen from a residence on Range Road 474 near Buck Creek.

File 2016-916986: On July 16th, 2016, at approximately 6 P.M., a white

male driving a black Chevrolet Silverado broke into a seasonal property on Township Road 502, near Genessee. Damage was made on the property and a camera was stolen.

Anyone with information regarding any of these incidents is urged to call the Breton RCMP at 780-696-3520; or Crime Stoppers at 1-800-222-8477 or www.crimestoppers.ab.ca.

LEDUC COUNTY COUNCIL APPROVES AGRICULTURAL STRATEGY

Submitted by Justin Janke

Leduc County council approved the Agriculture Strategy at its regular council meeting on July 5, 2016.

Leduc County's Agriculture Strategy considers policy and land use planning to maintain agricul-

tural viability across the county.

"Allowing land to be developed for agricultural use was ranked by residents as one of the top priorities for the future success of Leduc County," says Mayor John Whaley. "The Agriculture Strategy will help protect agricultural land from fragmentation and provide development opportunities to

support the diversification of agriculture in the county."

Leduc County commissioned Serecon Inc. in August 2015 to develop the Agriculture Strategy.

After months of research and development, the strategy was presented at three separate open houses in March 2016 and feedback was solicited from producers, residents and other stakeholders. Based on the input gathered through these consultations, the strategy was further refined before once again seeking input from the public through three more open houses in April 2016.

Moving forward, the Agriculture Strategy will help shape the county's Municipal Development Plan. This plan will guide the future of land use and policy decisions for Leduc County. The Municipal Development Plan is currently being updated and expected to be presented to the public in fall 2016.

Instantly Ageless™

Instantly Ageless™ is a powerful anti-wrinkle microcream that works quickly and effectively to diminish the visible signs of aging. Instantly Ageless™ revives the skin and minimizes the appearance of fine lines and pores for a flawless finish.

A perfect day starts with perfect skin.

Meticulously developed, our formula is lightweight and contains a skin-conditioning complex of minerals that evens skin tone. Instantly Ageless™ immediately dissolves into the skin, reducing the appearance of wrinkles. It's specifically designed to target areas which have lost elasticity—revealing visibly toned, lifted skin. Users have seen dramatic results in seconds.

A compact, yet powerful alternative to fortify skin affected by free radicals and environmental damage, Instantly Ageless™ is at the forefront of anti-aging technology.

BENEFITS

- VISIBLY DIMINISHES THE APPEARANCE OF FINE LINES AND WRINKLES
- ERASES THE APPEARANCE OF DARK CIRCLES AND PUFFINESS UNDER THE EYES
- MINIMIZES THE APPEARANCE OF PORES
- HELPS TO EVEN SKIN TEXTURE
- MATTES SKIN FOR A FLAWLESS FINISH
- RESTORES SKIN TO OPTIMUM APPEARANCE

MALE CHARGED WITH POSSESSION OF METHAMPHETAMINE

Submitted by Leduc RCMP

On July 1, 2016 a member of the Leduc RCMP stopped a vehicle for an equipment violation on 50 Avenue near downtown Leduc. During the stop the officer found one of the passengers, 33 year old David

METERS, to be in possession of approximately \$4000 worth of methamphetamine, over \$1000 in cash, multiple weapons, and a plethora of drug trafficking paraphernalia. David METERS has been charged with multiple counts including possession of methamphetamine for the

purpose of trafficking, possession of a concealed weapons, possession of weapons for a dangerous purpose as well as failing to comply with multiple court orders. He was released by the court on \$3000 cash bail while awaiting his next court date in Leduc.

If anyone has any information concerning drug or other criminal activity we encourage you to contact the Leduc RCMP at (780) 980-7200, or Crimestoppers at 1-800-222-TIPS(8477).

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR WIZARD LAKE

Submitted by Alberta Health Services

A blue-green algae (cyanobacteria) bloom has been identified in areas of Wizard Lake, located southwest of Leduc. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any

areas where blue-green algae (cyanobacteria) is visible.

- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any lake, including Wizard Lake, at any time. Boiling lake water will

not remove the toxins produced by blue-green algae (cyanobacteria). An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

People who come in contact with visible blue-green algae (cyanobacteria), or who ingest water containing blue-green algae (cyanobacteria), may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Sym-

ptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Wizard Lake, until further notice.

Please note that areas of Wizard Lake in which the blue-green algae (cyanobacteria) bloom is NOT visible can still be used for recreational purposes, even while this Blue-green Algae (Cyanobacteria) Advisory is in place.

an emergency, please go to: www.travel.gc.ca

Let's join Team Canada in cheering on our athletes. Go Canada Go!

SECOND PHASE OF STOREFRONT IMPROVEMENT PROGRAM ANNOUNCED

Submitted by John R. Statton

After a successful first phase of the Downtown Storefront Improvement Grant Program in 2015, the City of Leduc is pleased to offer an expanded phase of the program for 2016.

"Phase one of the project was quite successful, with 14 storefronts in six separate Downtown Core properties were upgraded and received matching grants from the City," said Cory Labrecque, manager of Long Range Planning with the City of Leduc. "Phase two of the program has expanded the improvement area to include the entirety of Main Street, up to the Highway 2 overpass."

The Downtown Storefront Improvement Program was a key recommended implementation project of the 2012 Downtown Master Plan. Council originally allocated \$150,000 toward the storefront program, and \$53,000 were paid in matching grants under phase one. Implementation of phase one began in 2014. Twelve businesses/property owners chose to participate in complimentary, one-hour individualized design sessions with the City's planning department and a professional architect

Another series of one-hour design sessions will be held with a professional architect July 29 and Aug. 8. The City will cover the cost of these design sessions as an incentive to help engage businesses about the program. Spaces are limited, and interested downtown businesses are encouraged to sign up early for their complimentary design session.

There is approximately \$73,500 remaining for matching grants in phase two of the project. It is anticipated that the remaining fund-

ing for the Downtown Storefront Improvement Program will be used by 2018, and there are no additional

funds earmarked for the project.

Interested business owners are encouraged to contact the City of

Leduc at 780-980-7177 for more information about the Downtown Storefront Improvement Program.

CITY, FIREFIGHTERS COME TOGETHER FOR NEW WORKING AGREEMENT

Submitted by John R. Statton

City of Leduc Council ratified an agreement with the International Association of Firefighters (IAFF) Leduc Chapter at the regular council meeting on June 13.

"We developed a collaborative working relationship with the Leduc Chap-

ter of the IAFF over the past year, and demonstrated that the negotiations were sensitive to the needs of the public and the organization," said George Clancy, Fire Chief with the City of Leduc. "The resulting agreement was accepted by both the City and the firefighters' union, and demonstrates the strength of the relationship between both parties."

The agreement will expire on Dec. 31,

2017, and includes increases of 1.35 per cent for 2014, 2.35 per cent in 2015, and 1.83 per cent in 2016. Negotiations for a long-term agreement will begin in spring of 2018.

Leduc Fire Services (LFS) provides ambulance service, patient transport and traditional fire services to the City of Leduc and rural areas west, south and east of Leduc. The department consists

of both full- and parttime members, and has a long history in firefighting and community involvement.

Services provided by LFS:

- Rescue & Fire Suppression
- Fire Prevention
- Emergency Services
- Ambulance/Paramedic

Visit Leduc.ca/Fire for more information about LFS initiatives.

LEDUC AND LEDUC COUNTY RAISE THE BAR FOR REGIONAL CHANGE

Submitted by Mariann McLaughlin

Leduc and Leduc County took a histor-

ical step forward today in signing a charter that greater defines their exemplary urban/rural working relationship, but also clearly vocalizes their proven ability and continued desire to put collective benefit ahead of competing interests.

The Leduc Region Prosperity Charter was signed by city and county councils, July 11, to solidify their commitment to action for the future prosperity of the Highway 2 corridor, including the Edmonton International Airport (EIA), and the Nisku and Leduc business parks, by working together to plan, service and develop this critical regional area.

"Regional collaboration is in our blood, and today we're taking action as leaders to help build a stronger Leduc Region, as well as be a part of future regional successes that will be found within the Metro Edmonton Region," says Leduc Mayor Greg Krischke. "With our partners at Leduc County, we are leading by example to raise the bar by sharing a common long-term vision that's imperative to leverage this region's strengths, as well as Metro Edmonton's."

With evolving provincial expectations for municipalities, as outlined in the Modernized Municipal Government Act (MGA) and Metro Mayors' Alliance Report, Leduc and Leduc County are making positive changes in how they operate to meet the collective needs of the Leduc Region, and indirectly, the Edmonton Metro Region.

"We recognize that the time is now to be leaders of change within the capital region to help create a brighter future for ratepayers, this region and the metro region," says Leduc County Mayor John Whaley. "We're changing how we do business and we welcome our municipal partners in the Metro Edmonton Region to join us."

The Leduc Region Prosperity Charter also outlines a number of joint initiatives between the two municipalities, such as:

- Leduc Regional Fire Services implementation plan
- Alternate Municipal Structure Project
- Alberta Aerotropolis
- Leduc Transit

For more information, call the City of Leduc at 780-980-7177 or Leduc County at 780-955-3555.

LARGE-SCALE FENTANYL SEIZURE

Submitted by Alberta Law Enforcement Response Teams (ALERT)

Two Edmonton residents have been charged in connection with a lengthy and complex fentanyl production investigation by ALERT.

ALERT, the province's integrated response to serious and organized crime, seized 100 kilograms of the fentanyl precursor N-phenethylpiperidinone (NPP), four kilograms of W-18 powder, and 3,200 fentanyl pills containing W-18. Based on conservative estimates, the 100 kilograms of NPP could produce a theoretical yield of 38,000,000 fentanyl pills.

Photos available on the ALERT website: <http://www.alert-ab.ca/large-scale-fentanyl-seizure/>

Project Alchemy was a nine-month ALERT Edmonton fentanyl production investigation that concluded with arrests on July 6, 2016. The investigation dates back to October 2015 when Canada Border Services Agency officers at the Edmonton International Airport intercepted 100 kilograms of the fentanyl precursor NPP. The powder was contained in four barrels and originated in China. CBSA referred the seizure to ALERT who conducted a follow up investigation.

ALERT dedicated a significant amount of time, resources, and made

this investigation its highest priority given the public safety ramifications. On December 9, 2015 search warrants were conducted at an Edmonton home, a Red Deer County business, and a suspected fentanyl lab in Leduc County.

Deputy Commissioner Marianne Ryan, Commanding Officer of the Alberta RCMP stated, "(As the Commanding Officer of the RCMP in Alberta), I want to emphasize our commitment to disrupting the criminal activity of those who would try to destroy our communities through the drug trade. Together with our law enforcement partners in ALERT and the CBSA, we will continue to focus on reducing social harms related to substance abuse."

The following items were seized from the Leduc County rural residence:

- 4 kilograms of an unknown powder, later determined to be W-18;
- 1.5 kilograms of N-phenethylpiperidinone (NPP);
- 46 kilograms of caffeine powder used as a binding agent;
- 3,200 fentanyl pills;
- 2.5 kilograms of methamphetamine;
- 10 litres of gamma-Hydroxybutyric acid (GHB);
- Pill press;
- Powder mixer;
- 5 vehicles.

The fentanyl pills seized in Leduc County were white and had similar markings to a Percocet pill. The pills were confirmed as fentanyl after ini-

tial lab analysis, but only recently did further testing reveal that the pills also contained W-18. ALERT issued a public notification concerning the W-18 powder seizure on April 20, 2016.

The search warrant at the southeast Edmonton home of the accused resulted in the seizure of chemicals used in the production of MDMA, firearms, and cash:

- 2 kilograms of benzylpiperazine (BZP);
- 2 kilograms of Trifluoromethylphenylpiperazinem (TFMPP);
- Loaded shotgun;
- Ruger SR22 semi-automatic rifle;
- Various ammunition and 2 prohibited magazines;
- \$8,500 cash proceeds of crime.

Between the date of the search warrants and time of arrest, ALERT has been diligently pursuing all investigative avenues including lab analysis, technological crimes analysis, and DNA analysis. ALERT received assistance from Edmonton Police, Alberta Sheriffs, RCMP, CBSA, Health Canada, Emergency Medical Services, Edmonton Airports Emergency Services, and Leduc County Emergency Services.

Dean Clayton Abbott, 41, and Shavon Carlene Wenger, 32, were arrested on July 6, 2016 and have been charged with numerous drug offences. Abbott and Wenger have been jointly charged with:

- Possession for the purpose of traf-

- ficking (x 2);
- Possession of proceeds of crime (x 2);
- Possession of a firearm without a license;
- Storage of a firearms contrary to regulation;
- Possessing a firearm without a license;
- Storing a firearm contrary to regulation;
- Possessing a prohibited device without a license;
- Careless storage of a prohibited device.

Abbott also faces the additional charges of:

- Possession for the purpose of trafficking (x 2);
- Possession of proceeds of crime (x 4);
- Possession of stolen property.

Members of the public who suspect drug or gang activity in their community can call local police, or contact Crime Stoppers at 1-800-222-TIPS (8477). Crime Stoppers is always anonymous.

ALERT was established and is funded by the Alberta Government and is a compilation of the province's most sophisticated law enforcement resources committed to tackling serious and organized crime. Members of Alberta Sheriffs, Calgary Police Service, Edmonton Police Service, Lethbridge Police Service, Medicine Hat Police Service, and RCMP work in ALERT.

SUDOKU OF THE WEEK

							7	9

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Obituaries

Linda Dianne Mattice 1952 - 2016
 During the early hours of Wednesday, July 13, 2016, Linda Mattice of Entwistle, Alberta passed away at the Drayton Valley Hospital and Care Centre at the age of 64 years. Linda was a very strong, independent and hardworking woman; spending many years as a cook, and then as a butcher from her home-based business. Over the years, Linda made many strong connections and surrounded herself with warmth and love of family and friends. Linda will always be lovingly remembered by her husband, Robert "Bob"; children, Reg (Carol), Shirley and Bobby (Jenn Chik); grandchildren, Ryan, Dylan, David, Elizabeth, Grace and Ted; brothers, Bill, Perry (Mary Lou), Cameron and Dean (Anne); sister, Donna (Brian) Baumann; half-sisters, Jackie Flanders and Gerry Epp, as well by several extended family and many wonderful friends. Linda was predeceased by her parents, Gordon and Agnes May and half-brother, Gordon May. In honour of Linda, her life will be celebrated at Entwistle Community Hall, 4921 51 Street, Entwistle, Alberta on Saturday, July 23, 2016 at 1:00 p.m. The Mattice family wishes to extend their heartfelt
