FLOWERS KEEP GOING MISSING IN WILDWOOD

Submitted by Stefan Felsing

Since early June 2016, several flowers have gone missing from containers that are part of the

Hamlet beautification done by Yellowhead County.

The thefts first occurred sometime between June 6 and June 10, 2016, and have been a regular occurrence since that time.

Yellowhead County staff, who plant and maintain the flowers in the Hamlet of Wildwood, noticed the theft of the flowers during routine maintenance.

The plants are always gone, not just ripped out and left behind. It is assumed that they are being transplanted since they are dug up carefully without leaving any damaged plants behind

or damaging the stolen plants. Plants continue to go missing and have been taken up until the end of July.

The missing plants are as follows:

- 30 x Calibrachoa various colours (red, soft pink, orange, yellow, purple)
- 3 x Rudbeckia
- 2 x Bidens (orange)
- 1 x Begonia

Please contact Yellowhead County's Enforcement Services Department of local RCMP with any information regarding this theft.

P.V. DAZE 2016 - ALWAYS A FUN TIME

Submitted by Al Hagman

The 2016 edition of Pembina Valley Daze was a huge success and the weather played its part in serving up a gorgeous weekend. The celebration began with the activities at the Legion including the Car Rally and Ladies Auxiliary barbeque and meat draws. This year's winning entry in the rally/ hunt was the car entered under Jeremy Gylander. The Johnny Cash tribute band, David James and Big River, were a huge hit. A spectacular fireworks display capped off an almost perfect start to PV Daze.

Saturday morning began with a huge crowd slurping the syrup at the pancake breakfast. Thanks go out to the local churches for manning the event. The new grouch, Randy Trydal was crowned and will fulfill the duties as town grouch for 2016-2017. Thanks to Jen Y. for a stellar year in 2015.

At 11:00 a.m. the parade began. Thanks to all who participated in making the parade a huge success.

After the parade, Main Street was transformed into a party, as the street filled with people enjoying the Kid's Zone, face painters, a Bounce House, the Funny Farm Petting Zoo was kindly sponsored by P & E Ventures, and this year we added a Reptile Zoo, which was a huge hit.

The main event, the 39th annual Lone Wolves River Run Show and Shine had a nice turnout. Prizes were awarded for High Miler, Judge's Choice and Peoples' Choices. A poker walk was also run. The Armond Bros. Band played at the Evansburg Inn.

Huge thanks to the Evansburg Baptist Church for running the kid's games. Kudos too, to the organizers of the River Run, bringing in visitors from all over. At the Wesland- Woodland- Foley Trail-Pioneer Stage, patrons were treated to the Matt Kolodyluk band and Yoona, both local talents.

The Lions were busy on mainstreet trying to convince their chickens to drop their droppings

on a winning square. There were 3 winners, each taking home \$144. At the main stage, Lions drew the winning tickets for the Annual Evansburg Raffle. This year's first place winner of \$1000.00 was Calvin Buckler who graciously donated his winnings back to the Lions. \$500 was won by Kynya Lee, Louise Genovey won \$300, and Linda Neely and Tim Joyce each won \$100.00.

As the afternoon progressed, the Kids' Zone hosted Dan the Balloon Man, Marilyn Ryan the puppeteer, and the Reptile Zoo. A good crowd collected and was treated to these wonderful performances. At the same time, people were enjoyin' g the entries in the 6th annual Chili Cook-off. This year, Elizabeth van Hecke (#4) won the competition over 8 other entrants. The activities on the mainstreet finished with a street dance sponsored by PARS.

Activities moved off of main, and back to the Legion for a pig roast, meat draws and the evening's entertainment, Flat Broke. The His-

torical Society hosted Arrow Tag at Tipple Park.

The weekend closed on Sunday, with an ecumenical church service.

The weekend was filled with fun and activities, and many people offered their appreciation to the countless volunteers that work together to make this weekend a success. We are on the hunt for new volunteers, new ideas and new energy. If you are interested, please act upon it, and give us a call. Phone 780-727-3526.

CALLING ALL CLUBS & ORGANIZATIONS DDRA 3RD. ANNUAL REGISTRATION NIGHT

Submitted by Lorne Ross

The Darwell District Recreation Association will be hosting its 3rd annual registration night for all area clubs and organizations on Tuesday September 6th In the Darwell Centennial Hall. All area organizations looking to advertise their programs

and attract new members are invited to participate by booking a table. Membership is a key component to any club or activity and the registration evening is an exceptional opportunity to promote their activity to area residents.

The evening has proved an exceptional opportunity for residents

to "one stop shop" for their fall and winter activities. In addition to existing clubs and organizations those wanting to start something new may wish to come out and see how many others are looking for the same opportunity. The DDRA is interested in finding out if there is an interest in starting a walking club as an ex-

ample of something new to do this winter.

The DDRA is sponsoring the evening as a community initiative and there is no cost to interested groups. For further information or to book a table please call Teresa @ 780-721-2690 or Maria @ 780 892 3099.

Lone Wolves Celebrate 39 Years

JOKE OF THE WEEK

A ghost had been staying in a bed and breakfast hotel and when he came down for dinner he asked the waitress, "Please can I have two eggs, one tough and one rubbery, really tough bacon and burned, fried bread?"

The waitress said, "Sir, we really can't serve that kind of horrid food here."

The ghost replied, "Well, you did yesterday!"

GOLFER'S GUIDE

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expensive, so

beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and

you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get

home from work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game; it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

GOLFER'S GUIDE

HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never too early for boys and girls to start learning the game of golf. Parents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play set can help lay a solid founda-

tion for future golfers. Kids who have watched Mom and Dad play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along with Mom or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information. Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school and approach high school, those

who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first few lessons can prove invaluable, turning a pastime into a passion kids will carry with them throughout their lives.

LETTER TO THE EDITOR

Submitted by Steve Otway

Dear Editor,
 As residents of Yellowhead County we are blessed to live in a beautiful part of Alberta, with decent municipal services and a County Council and administration that cares about the residents. Looking across the County in many areas we see new growth and renewal projects arise. We need to see more of this type of exciting growth in the Wildwood District of Yellowhead County.

The Wildwood town and area are vibrant parts of this County and this is shown by the award of the Pinkest Little Town in the West from last year. It is a part of the County that is ready for change and the future. There are many areas we might consider for improving our little part of the County, such as;

- A paved walking/bike path around town and in time to Chip Lake
- Main street beautification with old fashioned street lights

and improved sidewalks

- A teenager styled skateboard/activity park
- A town campsite that remains open throughout the summer months
- Continued improvements to the Wildwood Complex and Hall
- Continued support to our Ag Society
- Lobby for sprinkler systems in all our seniors lodgings
- The completion of the new Firehall in town
- Continued cooperation with

council on road improvements and weed management

As a local area farmer and business owner I too am interested in seeing our greater community grow for the future. Yes, we need to cooperate with all of Yellowhead County council, as cooperation is important to get things done on behalf of all residents. We need though to speak louder on behalf of Wildwood District, so that the riches of our area can shine and we can all benefit.

CALL FOR WORLD HERITAGE SITE PROPOSALS

Submitted by Jim Eglinski, MP - Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of a call for proposals to update Canada's Tentative List for World Heritage Sites.

Yellowhead's own Jasper National Park is one of the seven parks within the Canadian Rockies that are currently recognized as a World Heritage Site. Known for its striking mountain landscape, glaciers, lakes, waterfalls, and canyons, the Canadian Rocky Mountain Parks possess exceptional natural beauty, attracting millions of visitors annually.

"Regions within the rest of the beautiful riding of Yellowhead also hold natural and historic potential, from Sulphur Gates in the north to the unique boreal forest ecosystem that spreads into the south," said MP Eglinski.

The six-month application period will end on January 27, 2017, after which an advisory committee will be established and tasked with reviewing all the applications submitted across Canada.

"I encourage residents to submit an application to Parks Canada to help showcase what their community and the riding of Yellowhead has to offer," concluded MP Eglinski.

For more information on this process, please visit www.parkscanada.gc.ca/whs.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

Entwistle School August News

Continued From Page 21

- 1 package of plastic spoons
- 1 package of plastic forks

Tim Horton's Children's Ranch

September 27th-30th all students from grades two through nine will have the opportunity to spend four days and three nights in Kananaskis! There will be an information night on September 14th at 3:45 in the gymnasium to answer any questions parents and students may have. Here are some things for you to know:

- Leaving school Tuesday, September 27th and returning Friday, September 30th.
- A wide variety of activities for all to participate in.
- Everything is included. This includes all meals and transportation to and from.
- Up to 100 students (Grades 2 through 9) may attend.
- We provide a ratio of 1 division staff member for every

10 students attending. Parent volunteers may be required. If needed, this will be further discussed on the 14th. Please keep in mind that we cannot exceed the one adult per ten students. As per Parkland School Division Administrative Procedure 490: All volunteers whose service at the school over the course of the year is likely to exceed ten (10) hours of volunteer activity need to complete the Volunteer Registration Form and provide a Criminal Records Check.

• As we will have some students staying back there will also be teachers remaining at the school for students.

• Classes will go as normal for students in Kindergarten and Grade 1.

• Questions? Please ask! Volleyball

Once again the NAIT Oaks Women's volleyball team will be heading to Entwistle to lead a training session. Tentatively we are hoping to have this occur Thursday, September 1st. Updated info will be posted on

the Entwistle School Council/ FOELS Facebook page.

Soccer for students in Grades 4-9

This is an overview of what soccer may look like this coming year depending upon interest:

Girls and Boys in Grades 4, 5 & 6 (Born 2005, 2006 and 2007) could play indoor soccer. I would be looking to register a team at the U12 level for the indoor soccer season that runs approximately mid-October to the end of February. Practices would occur during the school week at lunch in the gym. There would be ~15 games that would occur on Saturdays (nothing during Christmas) and would take place at the Tri Leisure, and at various soccer centers around Edmonton. Games last an hour and could start anywhere from 7:00 a.m. to 7:00 p.m. (Just letting you know ahead of time).

At this point I am looking for interest and really need to know by September 9th at the latest. We would run this as a school team.

Please email me if interested. Students in Grades 7 & 8 (Born 2003 & 2004), and possibly Grade 6's, would be playing at the U14 level and we would look to register in an indoor tournament (not the Polar Cup at Christmas however). Practices at lunch.

Grade 9's - Outdoor soccer is there time to shine. All students' grades 6-9 can play outdoor soccer. No additional cost to students who had already paid previously in the year (indoor). Also, Grade 9's could continue their leadership roles and help coach the U12 team.

If you should ever have any questions, comments, celebrations or concerns please feel free to email (lworthington@psd70.ab.ca) or call me (780-727-3811) at any time.

Enjoy the rest of the summer. Les Worthington, Principal Entwistle School "Our students get our best"

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
