ALBERTA BEACH HERITAGE 50 PLUS CLUB UPDATE

Submitted by Wendy Lipka

Have you seen the Heritage Centre in Alberta Beach? Exciting news on the completion of the newly renovated hall. Many thanks to all who were involved in this project. Membership costs are only \$25/couple for the year.

We are now ready to introduce our community to the newly renovated hall. Stop by for a visit on any day of the week and see what has happened. This facility has a fresh clean look with newly painted walls, new flooring, new taps in the kitchen and a cozy corner for our library making this one of the best places to hold functions in the Alberta Beach area. Got a wedding coming up, special birthday or family reunion just let us know! We have purchased new black chairs

that can work for any color scheme you desire. Air conditioning and a good sound system all combined with ample parking makes this an ideal choice for any function. Costs are so much better than anything in larger centres. Only \$350 to rent for the day and many other added benefits if you are a member.

Ron and I have connected in this community after only 4 years as members in the Heritage Seniors Club and have made lasting friendships. This is a place to gather, to laugh, and to support each other with many activities. Watch for the upcoming season as we move ahead in full fall start-up. Aerobics, darts, crib, bridge, euchre, crafts, potlucks, and many other interesting events happen here every week. Come check us out!!!

We are starting our first big event

on September 24th, with an Italian Mystery Dinner Theatre. Doors are open at 5:30pm and dinner will be served at 6:00pm. Tickets available for \$25 per person. Come join in the fun. Our local club members will be involved as our actors.

“CANADIAN REVENUE AGENCY” FRAUD, STRIKES AGAIN

Submitted by St Albert RCMP

File: 2016-1192728

St. Albert, AB -On Thursday, September 8th, 2016, St. Albert RCMP received report of a fraud that cost the victim thousands of dollars. The victim was contacted via the telephone, by a male caller who identified himself as a Canadian Revenue Agency representative. The caller advised that the victim owed over \$4000.00 from past taxes. The caller stated that if the victim didn't pay the money, he would be arrested.

The caller told the victim to purchase gift cards to pay for the debt and then to inform the caller of all the information concerning the gift cards. This interaction was completed solely over the phone.

“No legitimate businesses request gift cards for payments” Advised Cst. FRASER from the St. Albert RCMP Community Policing Unit, “If you receive a call from any agency, organization, or charity asking for money, you should always decline to send any money immediately and tell them you will call them

back. This will allow you time to do some research before deciding if they are who they say they are, or if they are scammers.”

If you have information about this incident, please call the St. Albert RCMP at 780-458-7700 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS (Check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

JOKE OF THE WEEK

Mike walked into a post office just before Valentine's day, he couldn't help noticing a middle-aged, balding man standing in a corner sticking "Love" stamps on bright pink envelopes with hearts all over them. Then the man got out a bottle of Chanel perfume from his pocket and started spraying scent over the envelopes. By now Mike's curiosity had got the better of him, and so I asked the man why he was sending all those cards. The man replied, "I'm sending out 500 Valentine cards signed, 'Guess who?'" "But why?" asked Mike. "I'm a divorce lawyer," the man replied.

SUSPICIOUS STRUCTURE FIRE

Submitted by Whitecourt RCMP

Shortly before 6:00 a.m. on Saturday, September 10th, 2016, Whitecourt Fire and Whitecourt RCMP responded to a structure fire of a dwelling house on Range Road 115 in Woodlands County. The home was fully engulfed on arrival and a complete loss.

While combatting the house fire, Whitecourt Fire reported explosions from inside the structure consistent with discharging ammunition. No one was hurt as a result of these explosions.

Police are investigating this fire as an arson. The Office of the Fire Commissioner, RCMP Forensic Identification Services, and Whitecourt General Investigation Section are collaborating today to further the investigation of the fire.

Anyone with information about this event is encouraged to contact police directly or to call Crimestoppers at 1-800-222-8477.

PUBLIC NOTICE TO MEMBERS OF THE

TRIVILLAGE REGIONAL SEWAGE SERVICES COMMISSION OF ALBERTA BEACH,
PROVINCE OF ALBERTA

SECTION 251 - THE MUNICIPAL GOVERNMENT ACT

TAKE NOTICE that the Commission of the Trivillage Regional Sewage Services Commission of Alberta Beach, in the Province of Alberta, has given first reading to borrowing By-law No. 10-2016 which will, upon final passage and approval, authorize the proper officers of the said Trivillage Regional Sewage Services Commission to borrow monies from the Alberta Capital Finance Authority by way of debenture issue, to pay for the cost of rebuilding the six lift stations (within/outside) the limits of the said Commission;

The total cost of the aforesaid project amounts to \$2,000,000.00. The amount to be borrowed on the credit and security of the Commission by the issue of debentures is \$2,000,000.00. The debentures are to be repayable to the Alberta Capital Finance Authority in fifty (50) equal consecutive semi-annual instalments of combined principal and interest, the semi-annual interest not to exceed three per centum (3%), or the interest rate as fixed from time to time by the Alberta Capital Finance Authority;

NOW THEREFORE NOTICE is hereby given by the Commission of the Trivillage Regional Sewer Services Commission that, unless a petition of the members for a vote on By-law No. 10-2016 is demanded, as provided for by the terms of Section 231 of the *Municipal Government Act*, the said Commission may pass the said borrowing by-law.

All persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at the Summer Village of Sunset Point, in the Province of Alberta, this 1st day of September, 2016 Trivillage Regional Sewer Services Commission

Per: _____

CAN YOU IDENTIFY THIS SHOP- LIFTER?

Submitted by St. Albert RCMP

File: 2016-1186997 - St. Albert RCMP is requesting the public's assistance in identifying a unknown male involved in a shoplifting incident. On September 4th, 2016 at approximately 5:54 pm, a lone male entered London Drugs at the St. Albert Centre and proceeded to the electronics section of the store. The unknown male then took a Star Wars BB-8 Droid (RC Droid) valued at \$189.99 from the shelf, took it out of the box and concealed the item into his front sweat pants pocket. The unknown male exited the store without making any attempts to pay for the item. The incident was reported to the St. Albert RCMP on September 7th, 2016.

The unknown male is described as:

- Caucasian male
- Approximately 40 years of age
- Approximately 5'8 and 240 pounds
- light brown/red full beard
- Wearing black sandals, black sweat pants, a white jersey with black and grey stripes and the number "47" on the back, brown hat with a red and black "Star Wars Rebel Alliance Logo" on the left front side.

If you have information about this incident, please call the St. Albert RCMP at 780-458-7700 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tip-submit.com, or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

Submitted by Aaron Garnier

To: Whom It May Concern
Re: Lac Ste Anne County
Spending – In Particular To-
wards Fire Services

As anyone who resides in the county can attest, our municipality appears to have a financial spending problem that shows no signs of stopping. The biggest example of this likely could be the county offices that no one seems to support and is being built in the middle of nowhere to a specification well beyond our (the taxpayers) means. This however, isn't the only place

good money is being thrown after bad. One doesn't have to look to far to see other questionable spending. For instance, the fire service:

Submitted by Stony Plain RCMP

The Stony Plain RCMP were on

scene at a motor vehicle collision involving a pedestrian on Highway 43 on September 11, 2016. Emergency crews were called to the col-

lision shortly after 7:00AM. A male walking in the southbound lane was struck by a small SUV. The male has been transported via STARS in

serious condition. The driver of the SUV was uninjured.

MAYERTHORPE RCMP INVESTIGATE FATAL MOTOR VEHICLE COLLISION

Submitted by Mayerthorpe RCMP

Mayerthorpe, Alberta - On September 8, 2016 at 9:00 a.m. Mayerthorpe RCMP responded to a com-

plaint of a motor vehicle collision on Highway 43.

Preliminary investigation indicates that a pickup truck had been travelling west in the eastbound lanes and collided head-on with a

semi-truck. The driver of the pickup truck was deceased on scene. The driver of the semi-truck was not injured. The investigation is still ongoing and names of those involved will not be released by RCMP at this

time.

Traffic in the eastbound lanes had been diverted while RCMP conducted the initial investigation but have since been re-opened.

Letter to the Editor: Lac Ste Anne County Spending – In Particular Towards Fire Services

Continued From Page 5

People from all around the country are well-aware of the dust-up between Lac Ste Anne County and many of the independent municipalities within it regarding fire service delivery. While governments duke it out over turf and pride, the taxpayers get fleeced and the lawyers and public relations spin-doctors get rich. It makes me wonder just how much of my money has been spent fighting with another government about something that really isn't our business? I for one don't really care who shows up when my house is on fire much less how they get paid – so long as they show up and do the job. So the question begs to be asked, when will all of this pettiness stop? If not for the good of the people, then to let the cheque-book cool off.

Still on the topic of Lac Ste Anne

County Fire Service finances and the county's spending problems; while other locals and I were inquiring into exactly how much this dispute as cost us and how much more it is likely to cost, I ran across some shocking financial numbers. Through reviewing the County of Lac Ste. Anne's financial statements (available on line) the following highlights were noteworthy:

- The county now spends \$1,278,752.00 per year in debt servicing.

- In 2015 & 2016 alone the county has committed to \$2,051,00 in debt directly related to fire services

- In that same period fire revenues from other municipalities have dropped by 800%

- Over the past 2-years the average deficit to run the fire department is \$1,524,705.00

In a nutshell what this means is that the county has never been in more debt and the fire department

is running up serious debt on top of a million and a half per year loss... on top of whatever the legal cost to fight the vendetta against the neighbouring municipalities in the area.

There have been debates all over the media about the merits of the new fire department servicing the communities that it does, but it seems to me they are doing a good job. They are highly visible, the response statistics they share are impressive, and it is my understanding that they are highly trained with additional full-time members. So, this leads to the question, what would it cost to have this fire department protect county residents and guests? Would we actually save money while getting the same or better service? Is there the political will in Sangudo to put aside egos and petty differences to save money and possibly lives?

Its hard to get info on the new

fire department's contract, but it is my understanding that the change to their service didn't cost the towns and villages much more – if anything more. It is also my understanding they own their equipment, so there's no debt to the municipalities and rent back the fire stations actually creating revenue for the towns and villages. What if the new fire department would offer the same deal to the county? What if this saved our money (taxpayer money) each year and didn't run us into millions of dollars in debt? Has anyone asked them? I think it's time our elected representatives do so. If you agree, contact your councillor today and let him know that you want service delivery want options instead of a public relations war. If they do not listen, this should become an election issue... Next election October 16, 2017.

Sincerely,

Aaron Garnier

LETTER TO THE EDITOR: WHAT A DIFFERENCE A DAY MAKES!

Submitted by Leann Knysch

Those who live in the County of Lac Ste Anne will know what a difference a day makes. There is an active group of ratepayers and community members that have started a Not For Profit Society called the Lac Ste Anne and Communities Rate Payers Association. Formed from some frustration initiated over the lack

of open discussion between the ratepayers and the County representatives, this group is looking for transparency and better public relations between our County representative and administration and the ratepayers and vested communities. Our objective reads: The association will be a positive and credible advocate of Lac Ste Anne County Communities and will, by coordinated input, oversee that elected

county officials are held to the terms and conditions of provincial laws and regulations. It will continuously strive to work for the betterment of all ratepayers. Some of the issues that will impact us that this newly created group has looked at is:

- the COST of RE-BRANDING: how is this funded? What are the real costs?
- Projected income from water filling stations.

What is the ACTUAL COST VS. PROJECTED REVENUE

• JOB DESCRIPTIONS/PAY SCALE? Understanding how competition is held for these positions?

• 2 MILLION spent on communication towers. What is our Revenue?

• BRIDGES? Which are earmarked for immediate repair. Which ones will be replaced in the future and at what cost?

• MSI Funding – allocation? How much funding has been received?

• USER FEES? What has been taken out of our taxes and charged as a user fee?

These are just a few of the questions raised. There is a long list of questions not noted above and the Ratepayers Association will be working diligently to find information and answers. We will be hosting the FIRST GENERAL MEETING where we will be opening up the memberships and welcoming people to our organization. This first meeting will be held September 19th, 2016 from 7-9 pm at the Onoway Heritage Centre (4708 Lac Ste Anne Trail, Gymnasium). Our meetings will then rotate in different communities thereafter. Please plan to join us to discuss the issues that YOU feel have the ability to impact us as a community. If you are unable to attend, please feel free to send an email to LSARA@gmail.com

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. THE PROBLEM WITH HARD WATER

Hard water can cause scaling, deposits inside of pipes, reduced cleaning ability, and several other problems.

Home ownership opens people's eyes to many new experiences, even requiring homeowners to familiarize themselves with certain things they never

encountered as renters. Homeowners become novice plumbers, electricians, horticulturists, and even chemists as they wade through the projects and repairs involved with owning a home.

Outside of high school chemistry class, you may never have given thought to water composi-

tion and how it changes. However, once you become a homeowner, you may have to pay special attention to the type of water bubbling out of your faucets. Hard water is a common concern, and it can affect appliances and other parts of the home.

What is hard water?

Hard water affects about 85 percent of the United States, according to the Water Quality Association. Although not harmful to human health, hard water can impact one's daily life in other ways.

Hard water is formed when water moves through soil and rock. It dissolves very small amounts of minerals and holds them in a solution. Calcium and magnesium are the most common minerals to turn water "hard." The more magnesium and calcium water dissolves, the harder it becomes.

From nuisance to damaging

Hard water can not only be a minor headache, but also something more serious. Hard water can interfere with various cleaning tasks and also personal grooming. Clothes washed in hard water may not be fully clean and may appear dingy. Hard water can cause a film on surfaces, such as bath tiles and tubs. Some people find that their hair and skin can appear dull and sticky due to hard water.

Hard water can have other effects, too. Over time, the water can deposit minerals on the inside of pipes, reducing water flow. If these deposits grow thick, you may have a plumbing issue on your hands. Furthermore, mineral deposits can harm appliances, such as water heaters, washing machines and dishwashers. Eventually, hard water may render these appliances ineffective, and they will need to be replaced.

Treatment options

Considering hard water is such a common concern, a number of treatment options exist. The main types of water-softening systems use either a packaged water softener or a mechanical water-softening unit.

The Problem With Hard Water

Continued From Page 14

Packaged water softeners are chemicals that bond with the calcium and magnesium ions in the water so that they cannot interfere with cleaning efficiency. These chemicals fall into two categories: precipitating and nonprecipitating. Precipitating softeners are borax and washing soda and can affect pH levels of water and make water cloudy. Nonprecipitating softeners use phosphates. Alkalinity won't be increased, and usually there is no cloudiness or buildup. These products are typically added to laundry loads and the like and are not recommended for drink-

ing water.

Mechanical water-softening systems are hooked up directly to the plumbing of the house. They are ion-exchange systems that will add salt to the water. Although it can be safe to drink, softened water may not be recommended for those who are on low-sodium diets.

Hard water is a problem many homeowners have to face. It can affect a home's appliances' performance and cleaning abilities. Water hardness can be managed, and it is best to consult with an expert water-softening system manufacturer about your options.

HOW TO SOUND PROOF YOUR HOME

(MS) - What's the first step in sound proofing your home? Finding which rooms have the least amount of sound resistance.

To do this, make sure everyone is out of the house, unplug all electronics and close all doors and windows. Take a quick walk through your house and pause for a few moments in each room to evaluate which ones are the noisiest. Now consider if you're installing a media room or teenage recreational room where volumes will be blasting on TV's and stereos.

With this information, you should have a good idea of where you need to soundproof and create barriers against noise. Here are some tips to help you achieve the optimal result of peace and quiet:

- Plant trees and hedges along the exterior of your home, perhaps along a fence. Not only do trees and hedges

help with the environment and provide a good amount of privacy, they also slow down the travel of noise from the neighborhood into your home.

- Insulate your walls and ceilings. Better insulation in your interiors and exteriors won't just drive away excess noise, it will also reduce your heating and cooling bills during the hot and cold months. For the best sound proofing and easy installation quality, a professional-grade product by ROXUL called Safe'n'Sound is very popular.

- Seal up all cracks and holes around windows and doors, and add double glazed windows to your current glass panes.

Once you've selected the best soundproofing method, implement it and enjoy the bliss of silence throughout your home.

ARE FORMAL SPACES DISAPPEARING?

Formal dining and living spaces could once be found in every home. But such rooms are becoming more and more rare, thanks in large part to the rising popularity of multipurpose open spaces.

As early as 1992, architects

and builders were predicting the demise of formal living spaces in homes. At that year's International Geographical Congress, architectural geographer Artimus Keiffer estimated the living room and dining room would disappear

from the American residence in the next century, to be replaced by the family-entertainment room and the computer room. According to North Carolina-based builders Stanton Homes, many home buyers have inquired about

converting their formal dining rooms into office spaces or rooms to be used for purposes other than dining.

The National Association of Home Builders also released a special report listing home features expected to become the norm within the next

several years. More than half of the NAHB study participants expected the living room to merge with other spaces in the home, while 30 percent expected it to vanish to save on square footage.

So what is taking the place of liv-

ing rooms and dining rooms? Great rooms and open-concept kitchens have steadily caught the eyes of designers and homeowners alike. Such rooms enable a free flow between lounging and entertaining spaces and the heart of the home - the kitchen.

en. On-the-go families may not be sitting down to the same formal dinners they once were, or they don't need the pomp and circumstance of formal meals.

Large eat-in-kitchens function well for family meals and even for entertaining friends in a relaxing way.

Thanks to the advent of wireless

technology and mobile devices, home residents no longer need to be relegated to one room in the house for their media watching or computer use. This may have helped to accelerate the disappearance of living rooms. In addition, the concept of

devoting one space as a media-free zone (traditional formal living or sitting rooms tend to be tech-free) may seem antiquated to this plugged-in generation. Rooms that are comfortable and serve various purposes better suit today's homeowners.

The rules that once governed the traditional home floor plan are more fluid than ever. Homeowners' preferences are having a greater impact over which rooms are now being included in new homes and which ones are soon to be history.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

Hurry, hurry, hurry! The 2017 Early Bird membership cards are in and Cheryl Sadler is already handing them out to their eager owners. Renewal of your ordinary, associate or affiliate membership allows you to participate in all Legion sports events and vote at general meetings. Your cards can be picked up at the Legion on Tuesday or Wednesday evenings or on Friday afternoon/evenings for the early bird price of \$45.00. If you are unable to join us, cheques made payable to RCL #132 can be mailed to RCL #132, Box 471, Onoway, AB., T0E 1V0. Please put ATTN: Membership on the envelope and provide an e-mail address if possible. As a member you can be proud to know you are contributing to changing and improving the lives of our veterans, the RCMP, our youth, seniors and their families, our members and the community.

The September 6th General Meeting was well attended by 23 members and some of the items of interest discussed were as follows: Ted Latimer was installed as Service Officer, following the resignation of Bob Walker, and his report contained both good and bad news. Ron Watson is back home, Bob Clark is recovering from his fall, Matt Hoefels is ok after being involved in an accident, Bill Hombert is in the hospital, Maurice Osland is back home from the Stony Plain Hospital while Bud Westerlund was recently transported by ambulance to the Stony Plain Hospital. There will be a Maple Leaf Service complete with the Color Party celebrating the life of Warren Waddell to be held at their farm on September 21 commencing at 1pm. Cheryl Sadler successfully proposed acceptance of three new members: Erin Lacey, Larry Henry and Kenneth Kuzik. We have a "new to us" popcorn machine donated by Ric Moses and it has already been successfully used for a private function. Due largely to the corporate meal sponsorship program our Legion is very soon going to begin accepting quotes for renovating the front entrance to make it more accessible for our seniors and patrons. The future also entails plans for a completely restructured bar. Thank you to our members for attending and contributing to the meeting as

well as to Bob Clark for providing tasty snacks and Scott Sadler for serving refreshments.

The sports season has begun but no one represented the Onoway Legion at the Area "A" Cribbage Pairs tournament held at Jasper Place Legion on September 10th, 2016. The local play-downs for Area "A" Mixed Darts will be held on September 20th to rank our teams for the tournament being held at the Onoway Legion on September 24th. The deadline for registration is very close so please contact Sports Officer Neil Gorman at the number below or see the poster on our sports bulletin board for more information. Weekly Pool began on September 7th and Darts will commence on September 13th.

No meal was held on September 2nd due to the long weekend but there is a corporate supper planned for September 23rd. One hundred tenderloin steaks are going to be donated to the Legion by Norm Blakeman's Drilling Ltd., WJB Consulting and Wildwillow Enterprises with the BBQ duties shared by Lorne Olsvik and Derald Wood. Reservations are highly recommended not only for this meal but for all Friday night suppers as attendance is steadily increasing and without a reservation your plate can not be secured.

UPCOMING EVENTS:

September 13 - Regular Tuesday Night Darts start

Sept 14 - Wednesday Night Pool

Sept 16 - Friday Night Supper - Baked Ham

Sept 17 - Fun Pool Tournament

Sept 19 - Executive Meeting

Sept 20 - Tuesday Night Darts

Sept 21 - Wednesday Night Pool

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday

Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership, Neil Gorman @ 780-960-4160 for sports and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

SANGUDO HORTICULTURAL CLUB NEWS

Submitted by Brenda Ogden

Now that the summer holidays are officially over the horticultural club will get back into its regular routine. The club meets the 4th Monday of the month at 7:00 pm at the Sangudo Golden Age Club (4927-50th ave Sangudo). Our next meeting is Sept 26 and it is about sharing. Sharing the extra produce we may have in our gardens, a dish made with something we grew, a new recipe we found out about, new

ideas we learned over the growing year, the results of our plant of the year that we received in the spring, bringing in photographs of your garden and sharing what we did over the summer with each other.

There were three tours that happened in July or August. We partnered with the Westlock Pembina Garden Club on July 22nd for a tour of the Gablehouse Daylily farm near Sylvan Lake. This farm sells over 400 varieties of daylilies that are all suitable for growing in the Zone

2 and higher range. The daylily is regarded as one of the most versatile of the perennials and comes in an abundance of colors.

We also partnered with the Magnolia Horticultural Club with their Fruit Orchard Tour on August 10th. We were fortunate enough to hear the expertise from some of the members of Alberta's fruit growers association. Bernie Nikolai, Jo Granger and Joyce Moss gave us valuable information at our first stop at an apple orchard, while Tony

Voon was informative at our next stop at his plum orchard. We also got to sample lots of different types of fruit at Tony's orchard as quite a few varieties of fruit were ready to eat. By the looks of Tony's yard I'm sure he has tried to grow every type of fruit. We even got to sample some goji berries and some dried apple rings made from some of his own apples.

Our third tour was the Edmonton Waterworks Pond tour on August 13th. There was a map with 14 different locations to see ponds that the Waterworks Pond Co. had put in. We were fortunate enough to see the yard that the Edmonton Journal had featured in one of its articles. There was a water feature in the front as well as the back of that house. The bridge over the pond in the back had glass panels you could walk across and see the koi floating below you. My own personal tip in a tour this big is, if you know you can not see everything and are unable to tour around the second day, is that the older sections of the city usually have more established ponds and plants, and may be more worthwhile visiting.

The Sangudo Horticultural Club is always open to new members. I hope everyone had a pleasant summer.

Obituaries

BERRY, Margaret

On September 3, 2016, Margaret Berry of Sangudo, AB passed away at the age of 75 years.

Margaret will be loved and missed by her daughter, Betty (Jim) Jack of Sangudo, AB; son, Ed (Jacque) Berry of Glenevis, AB; grandchildren,

Dale and Nicole Jack, Curtis, Jordan, Alexie and Annaca Berry; great-grandchild, Bailey; and extended family Brian and Wendy Plummer, Kristin (Cory) Logan and their children, Carter and Cooper and Travis Plummer; brother, Ernest (Jennifer); and many dear nieces, nephews, friends and neighbours.

Margaret was a longtime resident and farmer of Stanger.

She was a loving wife, mother, grandmother and great-grandmother. Predeceased by her husband of 47 years, Fred; sisters, Mary, Blanche and Irene; and infant brother, George.

Thank you to the doctors and staff of the Mayerthorpe Healthcare Centre and home care staff for the compassionate care shown to Margaret.

Funeral Service was held

Friday, September 9 at 11:00 a.m. at Sangudo Community Hall, 4920 - 50 Street, Sangudo, AB. Reverend Sharon Foster officiated with interment in South Park Cemetery. In lieu of other tributes, donations may be made to the Alberta Cancer Foundation, Cross Cancer Institute, 11560 University Avenue NW, Edmonton, AB T6G 1Z2.
