## FALL HARVEST AT THE EVANSBURG FARMERS' MARKET

Submitted by Shayna Powell/ Tipple Park Museum Manager

I know it seems like a long time away until Christmas but it is just a few months away! Avoid the crowds, shop local and have fun instead of fighting the city crowds. Be sure not to miss our markets in September. We are open from 10:00-2:00 p.m. every Saturday for the month. We will not be running any markets in October. We will have one market on November 19th and one on December 3rd, shop now and avoid disappointment. If you are like my husband and like to shop at the last minute, just come on by and have a coffee and a snack. Tipple Park Museum is the place to be on Saturdays in Evansburg!

The garden harvests are in, come in and get the last of the local fresh

vegetables for the season. We have some very talented vendors this month. Be sure to check out the soap makers, knitters, woodworkers, leatherworkers, dressmakers and crafters wares. For your buying pleasure we also have a Watkins, Tupperware, Seacret and Catch

Seafood dealers. If you haven't yet tried the delicious locally made perogies, jams, jellies and jerky, this is your chance. If you are interested in becoming a vendor please contact Shayna Powell/Market Manager at 780-727-2240.

## DYLAN REYNOLDS BENEFIT COMING TO WILDWOOD

Submitted by Al Hagman

The Wildwood and District Curling Club will be seeking your assistance in a fund-raising venture on behalf of Dylan Reynolds and his family. Dylan Reynolds is a 25 year old member of our club who has had two bouts with leukemia at very early times in his life. The treatments then would affect his later health. Dylan became very ill in April, 2016 and required a liver transplant. In July, he came within

days of passing, but miraculously a liver donor was found and a transplant was done.

Dylan's recovery so far has been a series of small steps forward, followed by setbacks. During his long recovery time, he must stay near the University Hospital, as he needs blood tests twice each day. The family has had to rent an apartment nearby. Dylan's father is employed in the oil patch, and we all know how that has been going this year!

It is the intention of the Wildwood

and District Curling Club to support our members with a fund raising dance and both a silent and a live auction for their benefit. The benefit will be held on September 23rd at the Wildwood Hall. We have hired the very popular band "My Dog Sam" to play from 8:00 p.m. until Midnight, and a late lunch will be served. Tickets are \$10.00 per person and 12 year olds and under are free of charge.

# PARS REPORT

**Submitted by Janice McKinnon**

The Pembina Agricultural & Recreational Society was pleased to support and volunteer for the Canadian Cowboy Challenge at Riverwood Ranch just north of Evansburg. This ranch is operated by Bruce and his daughter Megan. What a great job they did on hosting their First Cowboy Challenge. There were 45 entries this year. The rain held off but it was cold. Bruce and Megan would like to

thank all of their sponsors and volunteers for fun this event; PARS, T & C Tack, Woodland Lumber, Evansburg Inn, Pembina Minor Hockey, Richard and Ann Weiss, Morgan Sheeves, Erin Cherlet, Jackies Chibnall, Christiane Sierg, Sean McKee, Sarah Sutherland, Colleen Midtal and Janice McKinnon.

The Ice is going in getting ready for the Ball Hockey Tournament on Sept. 17 & 18th. This tournament is to raise money for kids in sports. Bobby Manarry and his group have worked had

to get this event up and running. So come on out and watch the action. He also has a Dance planned for the Saturday night in Entwistle. Tickets are available.

Pembina Minor Hockey has booked their ice; you can find the times along with Public Skating, Pond Hockey and Learn to Skate Programs (CanSkate) on the PARS web page.

[www.pembinarecplex.ca](http://www.pembinarecplex.ca)

We are looking forward to another great adventure called 'Nightmare on 52 Ave'. This adventure will be from 6:00-

9:00 pm. on October 21 & 22. We have another fantastic group of volunteers just waiting to scare the heck out of you.

We are looking for a group to take over Family Day. We just don't have the space this year. We will be providing our regular Skate program for that day.

We would like to welcome new comers to our staff: Darren Walker and Pauline Meadows. They will be joining our team. Glad to have you. Darren has already had the first hand experience of putting in the ice with Ed and Ryan. Thanks to Jeremiah for your help as well.

We are looking for volunteers for our board. Our first meeting is on September 20, 2016. We will be meeting upstairs at 7:30pm. We need you. We need to fill positions to keep this Ag. Society going. We try to help out or join in with other groups in our community, we need to stay alive. Please contact us at 780-727-4340 or just stop in.

# ARM YOUR CHILD AGAINST HPV NOW; PROTECT FROM CANCER IN THE FUTURE

Submitted by Alberta Health Services

As your kids head back to school, they're sure to bring lots of papers home, for your signature.

If your child is in Grade 5, one set of these papers will be immunization consent forms, including consent for your child to receive the Human Papillomavirus (HPV) vaccine.

The HPV vaccine - one of Alberta's routine childhood immunizations - is recommended for all boys and girls in Grade 5, so as to safely and effectively protect them against developing human papillomavirus infection in the future.

Human papillomavirus is very common, and will affect more than seven out of 10 people in their lifetime. As the cause of almost 100 per cent of cervical cancer cases, 90 per cent of anal cancer cases, 50 per cent of penile cancer cases, and 35 per cent of oral cavity cancer cases, the consequences of HPV can be very serious.

We understand that decisions about immunizing your children can be complex. This is why Alberta Health Services has developed the HPV Decision Aid Tool: to help you, as a parent, understand

how the HPV Vaccine can support your child's future wellness, and decide whether you feel it is right for your child, today.

To learn more, and access the tool, visit [www.albertaprevents-](http://www.albertaprevents-)

[cancer.ca/hpv](http://cancer.ca/hpv).

For more information on all routine childhood immunizations, including HPV, visit [www.immunizealberta.ca](http://www.immunizealberta.ca)

*Our Dad...*

To be heard without saying a word,  
To be hugged when I was feeling blue,  
To be understood when I was confused,  
So rare was a dad like you.  
Your loving smile and gentle laugh,  
Made all the difference in my day.  
Your endless wisdom and timeless advice  
always helped me find my way.  
In you there was no equal,  
you were in a class all your own.  
And because of all the love you gave me,  
I'll never be alone.  
It's an honor to have known you,  
to have shared stories and dreams  
I'll always think of you smiling,  
no matter how tough life seems.  
You're still special beyond compare,  
your heart so kind and true,  
I wish that everyone on earth  
could have such a Dad like you!

*In loving memory of our Dad Jim Madden,*

*September 15, 2013*

*Just to spend a day with you and laugh with you again, for since you've been gone Dad, life's never been the same*

*My Darling Jim,*

***Death changes Everything,  
Time changes Nothing.***

I miss the sound of your voice, the wisdom in your advice, the stories of your life and your quirky sense of humor. I miss being in your presence and the amazing life we once shared. So no time changes Nothing. I miss you as much today as I did the day you left.

***I just miss you!!***  
***Always on my mind, Forever in my heart.***

*Michelle*

### JOKE OF THE WEEK

Mike walked into a post office just before Valentine's day, he couldn't help noticing a middle-aged, balding man standing in a corner sticking "Love" stamps on bright pink envelopes with hearts all over them. Then the man got out a bottle of Chanel perfume from his pocket and started spraying scent over the envelopes. By now Mike's curiosity had got the better of him, and so I asked the man why he was sending all those cards. The man replied, "I'm sending out 500 Valentine cards signed, 'Guess who?'" "But why?" asked Mike. "I'm a divorce lawyer," the man replied.

## Dylan Reynolds Benefit Coming To Wildwood

Continued From Page 1

How can you help? Firstly, if you have anything to donate to the silent or live auctions, that would be greatly appreciated and you can contact any curling member, phone Al @ 780-727-3526, or bring it into Evansburg Family Clothing. You can make

a monetary donation at ATB Financial, or online. Secondly, we need people to come out, and contribute through the auctions and the gate. Refreshments will also be available.

Let's pull together, communities, and support this family. Let's have a good time and put a smile back on Dylan's face!

# MARGARET JEAN EPOCH EARNS ALUMNI HONOUR AWARD

Submitted by Nikki Gilks

The University of Alberta Alumni Association is pleased to announce Ms. Margaret Jean Epoch will receive an Alumni Honour Award for her leadership as a teacher to lead Niton Central School, Niton Junction, Alberta to become the first Canadian elementary school to receive international accreditation with United Nations Educational, Scientific and Cultural Organization (UNESCO) Associated School Project Network (ASPnet), on Thursday, Sept. 22, at the annual Alumni Awards ceremony.

The Alumni Honour Award recognizes the significant contributions made over a number of years by University of Alberta alumni to their profession, their community, to society at large, or to the University of Alberta.

The phrase "make the world a better place" is used repeatedly when people talk about Margaret Jean Epoch, '77 BPE, '97 BEd, '02 MEd. As a teacher and archivist at a small K-9 school in Niton Junction, Alta., Epoch makes a big difference in the world. Her list of projects, volunteer activities and awards is lengthy. One of her proudest accomplishments is helping make Niton Central School the first Canadian elementary school to be accepted as a member of the Associated Schools Project Network by the United Nations Educational, Scientific and Cultural Organization (UNESCO). The school proudly flies the United Nations flag. Her local volunteer work with students, staff and community members includes Habitat for Humanity, the Terry Fox Run, Aboriginal Achievement Awards, Wigs for Kids, the local food bank and many more programs. Epoch also volunteers with victim services and helped fundraise for the school's naturalization park. She started a fundraiser to help

rebuild a school in India after the 2004 tsunami, and her students sent letters of support to victims after the 9/11 attacks and the shooting of four RCMP officers in Mayerthorpe, Alta.

The Alumni Association invites all community members to celebrate this outstanding alumnus' accomplishments and those of 26 other award recipients at the 2016 Alumni Awards.

Date: Thursday, Sept. 22, 2016

Location: Northern Alberta Jubilee Auditorium (11455 87 Ave), Edmonton, Alberta

Time: 7 p.m. - Ceremony with dessert reception to follow

Cost: Free, register for tickets at [uab.ca/aw2016](http://uab.ca/aw2016)

Dress: Business attire

For more information, please contact the Office of Alumni Relations at 780-492-3224, toll free 1-800-661-2593 or [alumni@ualberta.ca](mailto:alumni@ualberta.ca)

# MEET KIRK

Submitted by **Connie Gatzke**

Right now, that the summer Para Olympics are happening in Rio, it is really quite timely that the people of Wildwood and area can actually meet a local winter Olympian. In May members of the Wildwood TOPS chapter attended their yearly conference in Jasper. The motivational speaker was Kirk Schornstein, a member with the Canadian Para Alpine World Cup Ski Team, a dynamic young man from Spruce Grove.

Kirk's message was informative, inspiring, and for some of us, unforgettable. He told us about the levels of Alpine skiing: competitors who could stand on both or one leg, competitors who did not have the use of either leg and skied with some form of apparatus, and blind competitors who skied with a seeing guide. His presentation was peppered with video clips that informed and amused. His positive person-

ality radiated on stage and while mingling with the members later. He placed his skies and helmets and suits on display. Basically overlooking his disabled right arm he shared some of his beliefs that allowed him to be an Olympic competitor.

Like all Olympians he has a rigorous training schedule and is often away from home to access suitable training facilities. So we are so very lucky that this busy, energetic young man who will be home in Spruce Grove for a short time, will come to Wildwood to speak at our TOPS Open House on Thursday, October 6.

It is my hope that people in Wildwood and surrounding area will mark that date on their calendar. We understand that Kirk will be at Wildwood School earlier in the afternoon of the same day. Kirk's message was very powerful and could be applied to an Olympian and to ordinary people with less lofty goals. Please make an effort to attend.

# GOLFER'S GUIDE

## FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

**Choose the right clubs:** Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit,

it will be like walking around in shoes that are the wrong size.

**Get on the ball:** Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on the green and stop. More skillful players should use these.

**Consider the elements:** Weather is always a factor in golf and dealing with it must always be consid-

ered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

**Putting and chipping is priority:** Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more

time working on your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus more on your short game than your drive and you will improve.

**Play the 19th hole:** Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

# GOLFER'S GUIDE

## SIX GOLF PERSONALITIES THAT WILL MAKE OR BREAK YOUR GAME

(NC) From the rules drill sergeant, to the etiquette obsessed, no one likes to be on the course with that person. Here are a few of the personalities you should be keenly aware of when creating the perfect 18-hole pairing.

**The Natural** – They've had no lessons, no warm-up, old clubs but can consistently hit them long and straight every day.

Play with this person if... you crave a smooth, competitive game.

**The Iceman** – never phased by a shot that's off or a disgruntled competitor, the Iceman always keeps everyone's emotions in check.

Play with this person if... you

want to cool down fired up players.

**The Socialite** – forget the game, this person is out for a good time. With positive vibes, and stories for days, this person is only interested in one hole: the 19th.

Play with this person if... your scorecard is the last thing on your mind

**The Personal Trainer** – will gladly walk the length of the course with a 50 pound golf bag in tow. The PT prefers post-game chicken breasts over hot dogs, and comes equipped with a crisp low calorie light beer, such as Molson Canadian 67.

Play with this person if...

you're an active calorie calculator who wants to tone up while having a good time on the greens.

**The Chauffeur** – likes driving the cart more than swinging the club and is happy to drop you off at every hole.

Play with this person if...the Personal Trainer has worn you out.

**The Slicer** – no matter how many lessons he's taken or how new his clubs are, he consistently hits his shots in the woods.

Play with this person if... you want to win!

[www.newscanada.com](http://www.newscanada.com)

## DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

### Side bending stretch

1. Stand with feet shoulder-width apart.
2. Hold the golf club above your head with your arms straight.
3. Slowly bend to one side, without rotating, until you feel a stretch in the side of your back.
4. Hold for 15 seconds and repeat twice for each side.

### Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.
2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of

your lower arm. Hold for 15 seconds.

3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder

and arm.

4. Hold for 15 seconds.
5. Reverse hand positions and repeat.

# 'ERIN'S CORNER' FROM THE DESK OF MLA ERIN BABCOCK, STONY PLAIN CONSTITUENCY

Submitted by **MLA Erin Babcock, Stony Plain Constituency**

Taking time out to reflect on this past month already feeling fall in the air, and getting organized for the school year, I had the opportunity to engage with many constituents at the office. For my constituents that haven't dropped by, please remember my door is always open.

I headed off on Saturday August 7th to the Ukrainian Festival held at the beautiful

Ukrainian Village on and visited the Carvel Market on August 18. The Carvel farmers market is held every Thursday until August 25th, 5-8pm at the Carvel Hall. Local residents have the opportunity to sell their vegetables, baked goods, and display their talent such as sewing and bead work. I talked to several residents at the market, and as a result, I would like to remind everyone that if you are a senior, or know of a senior, there are new programs to assist our senior community.

I was also very excited to be invited to participate in the North Saskatchewan Headwaters tour from Rocky Mountain House. Alberta's North Saskatchewan River plays a very important role in our history, flowing across Alberta and Saskatchewan to Lake Winnipeg, into the Nelson River

and eventually into the Hudson Bay. The river divides the parkland and the plains, providing a navigable corridor for most of its 1,300 kilometer route, and is one of Canada's most historic waterways. It is imperative for the future that we take care of this most valued body of water.

A big shout-out to all of the athletes from our constituency who participated in the Alberta Summer Games in July. Your dedication to your chosen sport inspires us all. Thanks again!

On August 19th, I enjoyed the opening of the Stony Plain Cowboy Festival, one of my favorite events in the constituency. This year the organizers offered a fabulous new youth program featuring Cowboy Poetry, a family theatre, and Aboriginal Animated Story Telling. A great way to keep the youth engaged in our

history.

Upcoming events around the constituency. The famous Blueberry Shake at Blueberry Hall is September 10th and the Stony Plain Street Market on September the 17th. Be sure to join the 'Perogy' Supper at the Carvel Hall on October 7th. Stay tuned for upcoming events for Alberta Culture days September 30 to October 2nd.

The constituency office is open Monday through Friday 8:30-4:30pm. We are located at 5004-50th Avenue in Stony Plain. Should you have any questions or need assistance with an issue, please contact me by phone at (780)963-1444 or email at stony.plain@assembly.ab.ca. You can also find me online at:

Facebook: erinnndp or Twitter: @msebabs

Have a great September!

# IS EVANSBURG SAFE?

**Submitted by Shayna Powell/ Tipple Park Museum Manager**

We all believe our town is safe. We feel comfortable sending our children off to school, going to the local store and pedalling their bicycles through town unencumbered with parents. Our children are able to visit local parks alone without feeling threatened. Our sign declares, "Clean Air, Fresh Water and Friendly People." Truer words have never been spoken. Evansburg is one of the friendliest towns I've ever been to. Our hometown is fantastic! Our town is safe for our children but is it

safe from our children? Do we monitor and check up on them when they are venturing around town? Do we ask them where they have been, who with and why? Have we become numb to what are children are up to when we are not around? Have we as a town become so complacent with our friendly vibe that we have forgotten to instill in our children a sense of pride and ownership in their town?

Unfortunately, Tipple Park and the museum have been inundated with vandalism in the last month. Graffiti has been painted on artifacts, bottles have been smashed in the gazebo, locks have been

tampered with, doors to our log house and A-frame have been damaged and windows have been broken. Lastly, a vandal has thrown a rock and broken a window and smashed the wooden door in our caboose.

Why are these things so important to the museum and our community? They all have a story to tell and it is important to know where we have come from to truly appreciate where we are going. The log house was built in 1911 by Steve and Helena Mazeppa. The Mazeppa family were one of the first pioneers to settle in our area. The house was built by hand with pine logs and

sealed with chinking. Chinking was made of local clay, straw and prairie grass. The family lived in the house for three generations. The house was generously donated to the historical society in 1986. It was moved to its present site in 1994 to Tipple Park. The caboose came from the CN Railway. Railways quit using cabooses because the work rules no longer stated that each train was in need of a five man work crew. The caboose was used to house the engineer, brakeman and crew.

# Is Evansburg Safe?

Continued From Page 16

Some people thought the caboose was a dangerous car as it would often fling around (think of playing crack the whip). Some of us and remember waving madly at the man riding in the caboose. The caboose eventually became a fatality of budget cuts and that is why we now have one gracing our park.

Tipple Park Museum has recently had to invest in safety glass cover for the log house door and we are taking bids on repairing the window of the caboose. If there are any fine woodworkers and/or glassworkers in the area that would be able to restore our caboose door, we need your help! Volunteers are desperately needed before winter sets in. We do have a workshop that is available for this purpose.

The museum is a not-for-profit venture and most of our work is done through volunteers and donations. Caring volunteers and community members have built Tipple Park and Tipple Park Mu-

seum for the benefit of all ages to enjoy and learn about how our community developed into the great place that it is. Yellowhead County is building a skate park for our youth to enjoy for decades to come; the museum applauds the county for their forward thinking. Our children need something worthwhile to do. Boredom is the enemy. Please bring your children and teens out to the museum, enjoy the green space and the gazebo. This space was built for you. We want to show the community what we do here and how all members could possibly benefit from becoming involved in our programs.

It is too easy to blanket all our youth with the cliché, "Kid's these days!" We do not blame the kids; we blame boredom, lack of supervision, and stagnant adults. We are a community, it is our responsibility to rear our youth up to a higher standard. Every article and building in our museum has a story; let's continue to share their stories for generations to come.

## UPSCALE HOME DÉCOR WITH CROWN MOLDING

(MS) - Create a dramatic new look throughout your home or highlight one area with crown molding - the key to an upscale look for walls, windows, doors,

cabinets and more. Homeowners will find the tools and supplies necessary for crown molding projects at Woodcraft.

Although crown molding is gen-

erally identified as trim for the area where a wall meets the ceiling, molding is used for many other home décor applications. Molding creates an appealing visual element when used at chair height along a wall, sometimes with thin vertical pieces attached to accent a wider area. Molding also serves as an attractive window cornice or as a frame for a wall-hung flat screen television or vertical mirror. The possibilities are only limited by homeowners' imaginations and finances.

"Crown molding is an inexpensive approach to adding beautiful detail to your home," Woodcraft national power tool sales manager Andrew Bondi said, "and Woodcraft is the go-to source for tools and supplies for molding and trim

projects."

Bondi speaks from experience, having recently installed crown molding throughout his house.

Before lifting the first piece of molding, homeowners will want to do some research about molding and installation techniques and tips. "Cutting and Installing Crown Molding," a DVD by Jim Heavey, and "Crown Molding & Trim: Install It Like a Pro!," a book by Wayne Drake, are good resources.

A miter saw, like DeWalt's 10" Single-Bevel Miter Saw, is essential for cutting crown molding joints. To make the process easier, Woodcraft recommends using a cutting jig with the miter saw - either the General Tools EZ Pro Crown King Crown Molding Jig or the Kreg Crown-Pro Miter Saw

## Upscale Home Décor With Crown Molding

Guide that features a bonus measurement transfer angle finder. If your project involves a coped cut, Woodcraft stocks Eclipse Coping Saws and Gröz Coping Saw Frames.

“Remember to protect your eyes,” product manager Jessica Douglas said. “Pick up a pair of SAS Safety Glasses before you begin your project. The lightweight glasses can be worn alone or over eyeglasses.”

For all the marking and measuring necessary to prepare the molding, you will find the multipurpose Kreg Multi-Mark Marking Gauge indispensable. To fill any small gaps, Woodcraft recommends Famowood Wood Filler, along with Norton 5X Small Area Sanding Sponges for smoothing filled holes.

Once the molding is cut and ready for fastening, use the Grex

18-gauge Green Buddy Nailer, which offers precision control and both sequential and contact trigger applications.

“If you are going to back your molding with an adhesive prior to nailing, Titebond’s No-Run, No-Drip Wood Glue for molding and trim is a great product to use,” said Woodcraft senior product manager Peter Collins, “especially if you are going to use a headless pinner to install trim.”

Painting crown molding can be simple - blending in with the wall or ceiling color - or new color can be introduced to match furnishings or accent the overall décor.

“General Finishes Milk Paint and Old Fashioned Milk Paint, both water-based, are available in many colors and can be mixed to create an extensive palette of custom colors,” product manager Kent Har-

pool said. “Both brands also offer related products to produce special decorative effects, such as antiquing and distressing.”

Harpool recommends Redtree Bristle Brushes or Foam Brushes for applying paint. Use Microfiber

Tack Cloths to remove sanding dust before applying paint or after distressing.

To learn more about these and other products, visit your local Woodcraft store, call (800) 535-4482 or visit [www.woodcraft.com](http://www.woodcraft.com).

## DOING AWAY WITH DINING ROOMS

Formal dining rooms are no longer as coveted as they once were. Family dinners, if they manage to be at home, are now just as likely to

be served in the kitchen or in another space, such as on the patio or in the living room while watching television, as they are in formal dining

rooms. Trendy homeowners have begun to ditch dining rooms in favor of using the space for other purposes. Homeowners with a passion for literature can outfit the room with floor-to-ceiling bookcases to turn one-time dining rooms into the ultimate library. Those who need a bit more family space can use a dining room as a family room, outfitting the room with all storage nooks, a flat screen TV and a comfortable couch to make it more inviting.

Because dining rooms are often located next to the kitchen, the removal of walls can make expanding the kitchen even easier. If their kitchens are cramped, homeowners can look into ways to spread out into the space allotted for the dining area. There are many ways to repurpose dining rooms so they are functional to homeowners' specific needs, especially if those needs do not include formal dining areas.

## PAINT AND RENOVATE CORRECTLY

Changing paint colors is one of the easiest and least expensive ways to add a fresh new look to the interior or exterior of a home.

Both exterior and interior paint can be used to protect homes and make strong impressions. Painting projects are fun and can be easy, but not all projects are so simple. Homeowners may need to exercise patience and devote an ample amount of time to get the job done right. One errant drip is all it takes to turn a perfect paint job into a colorful mess.

While paints are much safer

er now than in years past, they still need to be handled with caution and disposed of with care after the job is done. Painting can be a tricky project because the fumes and chemicals found in many paints make these products more difficult to dispose of.

The Environmental Protection Agency says homeowners in the United States throw out 64 million gallons of paint per year. While latex paints are not considered hazardous waste, they should be recycled. Oil-based paints, however, are considered hazardous

household waste (HHW) and must be disposed of properly.

All homeowners should check with their trash and recycling collection centers

regarding the proper way to dispose of paints, stains and varnishes. It's also possible to visit Earth911.com and find a disposal facility online.

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks

Edson Replacement School - Naming Our New School!

Trustees discussed the naming process for the new K to 5 replacement school that is currently under construction in Edson. Names for the new school will be forwarded to a School Naming Committee with members including school representatives, local trustees, administration and school council representatives who will forward three names in order of preference to the Board for their consideration. The selection of the final name will be approved by the Board at the Public Board Meeting on December 14th, 2016. More information on how to submit a name will be available by September 26th and the deadline for name submissions is Monday, October 31st.

"We are looking forward to engaging with the Edson community on selecting a name for our new elementary school and hope that the Naming Committee receives a large number of submissions for them to review," commented Vice-Chair and local Edson Trustee Joan Zaporosky. "This is a wonderful opportunity for community members to have an active role in recognizing local history with others in nominating a name for a facility that future generations will enjoy."

Other News in Brief

The Learning Services department developed and implemented an Inclusive Education strategic plan focused on the Collaborative Response Model during the 2015-16 school year. They will be continuing to refine the plan as well as the roles and responsibilities of the School Link Team to ensure that GYPSD students receive the supports and resources they require to be successful in their learning. In addition, the Learning and Technology team will be collaborating with the College of Alberta School Superintendents to develop an implementation strategy for the division based on the Learning and Technology Policy Framework developed by Alberta Education in 2013.

A Practice Standards Advisory Committee is being established with members to provide guidance,

advice and leadership to facilitate the appropriate and successful implementation of the upcoming Teaching Quality Standards and Principal Quality Standards that are anticipated to be part of a new ministerial order by Alberta Education in the fall of 2016. Membership may include teaching staff, administrative staff, parents, students, and senior administration.

Trustees approved Superintendent Gray's attendance at the AASA National Conference on

Education from March 2-4, 2017 as part of his professional development plan.

The Board reviewed their Annual Work Plan to ensure that monthly activities planned for the year continue to align with various school events and celebrations that require trustee attendance and/or recognition.

A total of 762 field trips taken by GYPSD students across the division in 2015-16 included a wide range of activities from taking part

in athletic team travels to experiential learning adventures. Hinton Trustee Shirley Caputo offered a sincere appreciation on behalf of the Board to all school councils and community members who continuously provide significant assistance, including volunteer work and financial help, in ensuring students are able to participate in these valuable and enjoyable opportunities.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

7	4			2	8	3	5	
1	9	5			6		4	2
	3	8				6		
5				8				
						1		8
			3	7		5	2	9
	5	2				4		6
4		3	2				8	
	8	7	4		5	2		

**ANSWER:**

7	4	6	9	2	8	3	5	1
1	9	5	7	3	6	8	4	2
2	3	8	1	5	4	6	9	7
5	2	1	8	8	9	7	3	4
3	7	9	5	4	2	1	6	8
8	6	4	3	7	1	5	2	9
9	5	2	8	1	3	4	7	6
4	1	3	2	6	7	9	8	5
6	8	7	4	9	5	2	1	3

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
