## PARKLAND COUNTY NAMES THEIR NEWEST PARK AFTER 'CONSTABLE CHELSEY ROBINSON'

**Submitted by Jim Eglinski, MP - Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, advised the House on Parkland County's naming of their newest park in memory of Constable Chelsey Robinson.

On September 23rd, MP Eglinski made the following statement in the House of Commons:

"Mr. Speaker, it is great to be back with my fellow colleagues

from across Canada.

Tomorrow, September 24, Parkland County in my riding of Yellowhead will be holding a grand opening ceremony for its newest park. I was extremely moved to learn that local residents voted to name this park 'Constable Chelsey Robinson Park'.

Constable Robinson, aged 25, was a member of the RCMP for only seven months when she lost her life in the line of duty. For

a member who paid the ultimate sacrifice, I am confident that the naming of this park will keep her memory close to the hearts of her family, friends, and community.

Although I am unable to attend in person, I look forward to visiting the park personally to pay my respects to the memory of Constable Robinson."

# LSARP FAMILY FUNDRAISER DINNER

Submitted by Mu Lavin, LASRP

Bring the family to a wonderful evening of dinner and fun on Saturday October 8th starting at 5pm in the Gunn Hall. Local musicians The Baldwins and Rev. Barry Rose are entertaining us as are professional artists who play in the Edmonton Symphony and Edmonton Pops Orchestras. We thank them for donating their time and gifts with us. Along

with the music and dinner are live and silent auctions with an auctioneer.

The MC for the evening is local celebrity Kyra Hetherington from 88.1 FM The One. Tell all your family, friends and neighbors - better still bring them along!

Admission is by Donation: - to reserve seats call 780-266-4778 or email onowayrefugeelove@gmail.ca

Check out our website <http://refugeepartners.ca> we have new articles from the agency we are working with

in Jordan, 1) a first hand account of what it was like to be a Christian fleeing ISIS and 2) about problems that Jordan is facing with so many refugees both from Iraq and Syria.

Or on Facebook at Lac Ste Anne Refugee Partners

Please book your seat by Oct 5th so we can let the caterers know how much steak and chicken to prepare. There will also be a cash bar.

The Lac Ste. Anne Refugee Partners (LSARP) are having this event to raise more funds so that we can bring a Christian Iraqi family to our community.

We cannot save the world but we can help one family start anew in our community.

We have been gifted a house rent-free, and some appliances but we need to raise enough to help the family get established. For one year or less they will need food, utilities, healthcare, dental, transportation, until they are on their own feet. We do have a family in mind who wants to come but there are a great number of Christian Iraqi refugees in Jordan who would jump at the chance to come to Canada.

**JOKE OF THE WEEK**

A bus carrying many people crashed on an icy road, burst into flames, and killed everyone. Upon arrival in heaven, God says "Since you have died in a terrible way, I'll grant you one wish before I let you into heaven." The first woman, being a person always concerned on her looks, comes up to God and says "I wish to be beautiful." God grants her wish. The next person can't decide on what to wish for so ends up wishing for the same thing. At this point a man at the very back of the line starts to laugh. The next couple of people make their wish to become beautiful and the man at the end laughs even louder. One after another the people wish the same thing and the closer God gets to the end of the line, the harder the man laughs. When God finally reaches him, he asks "What is your wish my son?" The man says, "Make them all ugly again!"

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks

School Highlight – PGMS

Starting this school year, GYPSD's Board of Trustees is pleased to begin Public Board Meetings with different schools sharing good news or special highlights. This meeting was joined by 5 students and 3 staff from École Pine Grove School in Edson who spoke about their popular drama program as part of the school's cross-graded options. The students spoke about their enthusiasm of the junior and/or senior drama programs and the various skills and competencies they each have devel-

oped as part of the program. The school puts on a musical performance as well as participates in zone one act drama festivals. This year's musical is 'Alice in Wonderland' and rehearsals have already begun.

Help Name Our School!

Trustees approved the process for encouraging the Edson community to join in the fun to submit possible names for the new replacement school in Edson. Nomination forms will be available on the division's website or you can pick up hard copies at all Edson schools. They can be emailed to [board@gypsd.ca](mailto:board@gypsd.ca); mailed to the Education Services Centre

c/o Nikki Gilks or can be dropped off in the yellow box at all Edson schools.

Provincial Exam News

Learning Services went over the upcoming changes to the 2016-17 Student Learning Assessments (SLAs), Provincial Achievement Tests (PATs) and Diploma Exams:

- SLAs for Grade 3 are still in a pilot phase however our division was not chosen to participate in the pilot this year.

- PATs will continue to be written at the Grade 6 and 9 levels.

- Two new calculators (fx9750 G Plus & Ti-84 Plus C Silver) are now ap-

proved for use on diploma exams.

- Quick Facts sheets and Information Bulletins on both PATs and Diploma Exams will be sent home from schools if their child is expected to write one of the exams this year.

Capital Projects Update

Along with a monitoring report on completed summer maintenance projects across the division, Facility Services provided their regular update to the Board on two current capital projects in the division: the modernization project for Grande Cache Community High School (GCCHS) and the replacement school in Edson.

The GCCHS project is continues to move ahead as Phase 2 and 4 were completed and turned over to the school on September 2, 2016. The library was completed at the end of August and staff moved into the new library the first week of September. The paving was completed on September 12, 2016 with landscaping to follow. Phase 5 footings (gymnasium area) and foundation work and masonry work has started.

The A.H.Dakin/ Evergreen Replacement School project has started to see some construction work begin with a construction fence set up onsite. The site has been cleared and piles started the week of September 12, 2016 followed by foundation work. The project is scheduled for completion by June 30, 2017.

In addition, a small renovation project was started over the summer to the student and staff gathering areas, as well as the installation of new washrooms at Grand Trunk High School in Evansburg.

Other News in Brief

- Transportation Services presented their report on school start-up routes and bus safety information. The division currently transports 2,640 students. Director Gail Prokopchuk also reminded the Board that School Bus Safety Week is October 17-21, 2016. The full transportation report can be read on the division's website.

- Ongoing supports and services focused on literacy development greatly assists GYPSD in meeting their goal of one year's growth for every student each school year. The division's literacy plan for the 2016-17 school year includes a division-wide testing protocol for both reading and writing assessments; strategies to improve literacy struggles across different subject areas and continuing to support literacy interventions.

- A preliminary look at the fourth quarter Statement of Revenue and Expenses for year ending August 31, 2016 indicates that the expected deficit may be slightly lower than expected.

# COUNTY MAKES \$5 MILLION REVENUE-SHARING CONTRIBUTION TO EDSON

**Submitted by Stefan Felsing**

The mayors of Yellowhead County and the Town of Edson signed a new Revenue Sharing Agreement on August 5, 2016, in Edson, Alberta and the Town of Edson was recently presented with a cheque for \$5,033,681 for this year.

The revenue sharing payment to the Town of Edson of just over \$5 million is a voluntary payment made by Yellowhead County and is to: help share the costs for services that are used by ratepayers across municipal boundaries; and ensure long-term stability, mutual benefit, and quality of life for all stakeholders. This is in addition to the \$2 million that Yellowhead County contributes towards services provided by the Town of Edson such as the operation of the Edson Airport, the Galloway Museum, the Edson Landfill and Recycling Services, Family and Community Support Services

(FCSS), and other programs that are available to County residents within Edson.

Yellowhead County realizes that the Town of Edson contributes to the quality of life in the area by providing a service hub for some of the social, recreational and cultural support that is required in the region and is vital to the local industrial sector for its continued operations and growth.

The Town of Hinton received \$1,946,904 million in revenue sharing from Yellowhead County and another \$2 million for cost-sharing for fire services, waste management services, FCSS, and community recreation based services for 2016.

Yellowhead County continues to work with the towns of Edson and Hinton, as well as Parkland County, to help share in the costs for services that impact ratepayers across municipal boundaries, ensure long-term stability, mutual benefit, and quality of life for all stakeholders.

The Revenue Sharing Agreement is a formula based agreement that takes into account the amount of industrial activity within Yellowhead's County's jurisdiction surrounding each town. Both towns have received incrementally larger annual revenue-sharing payment amounts over the past nine years.

**COST AND REVENUE-SHARING TRANSFERS TO MUNICIPAL PARTNERS FROM YELLOWHEAD COUNTY (2016):**

- EDSON**
- Revenue Sharing Agreement \$5,033,681
  - Animal Pound \$51,670
  - Airport \$233,631
  - Landfill & Recycling \$362,660
  - FCSS \$118,062
  - Library \$11,100
  - Recreation \$1,106,223
  - Galloway Museum \$98,100
  - Total = \$7,015,247
- HINTON**
- Revenue Sharing Agreement \$1,946,904
  - Fire \$901,451

- Solid Waste \$58,500
- FCSS \$40,769
- Recreation \$1,052,289 (Capital \$886,000)

Total = \$3,999,913

Frequently Asked Revenue and Cost Sharing Questions:

Does the County fund other initiatives in the Town?

The County cost-shares on the operating and capital costs for many programs and services that County residents and industry utilize. Cost-sharing agreements are in place for Airport Operations, Recreation and Culture, Recycling and Landfill Operations, and Family & Community Support Services.

How much money does the County contribute toward revenue and cost sharing annually?

In 2016, Yellowhead County will pay approximately \$11 million in both Revenue and Cost Share funding to these municipalities.

## County Makes \$5 Million Revenue-Sharing Contribution to Edson

Continued From Page 6

What is the duration of this agreement?

This revised agreement will start with the first annual payment in 2016 and will conclude at the end of 2020 for the agreement with the Town of Edson.

Why is the agreement timeframe so long?

The Councils decided on a long-term time frame to allow financial stability and consistency to the funding model to allow the Towns to plan long term future initiatives knowing that the revenue source is somewhat stable and consistent year to year.

Can this agreement be terminated?

The agreement can be terminated under a few different circumstances: 1) If the Province changes legislation or regulations

that negatively affect the revenues of the County, 2) if the Town pursues amalgamation or dissolution without the support of the County, or 3) if either party terminates the agreement by giving notice.

Where does this money come from?

As over 85% of the County's assessment base comes from non-residential assessments, it was decided that any revenue sharing formula would only be applied to the non-residential tax base and not the residential and farmland tax base.

How is the amount decided?

The agreement is formula-based and is allocated only to the non-residential assessment base. The dollar value generated by this formula is then divided by the percentage of the non-residential assessment in and around the town's service areas.

## ATTEMPTED THEFT OF VEHICLE/SHOTS FIRED

**Submitted by Stony Plain/  
Spruce Grove/ Enoch  
RCMP**

2016-1211337

Wabamun Alberta -On Monday September 12th, 2016 at approximately 7:00 AM the Stony Plain/ Spruce Grove/Enoch RCMP responded to a complaint in which two unknown persons had attempted to steal a truck and travel trailer from a residence in Wabamun. An an-

ti-theft device prevented the vehicle from leaving the area. It is believed that one of the suspects fired a handgun in the direction of the victim's home during this offence.

No one was injured.

Video surveillance footage of this offence was provided to the police right away and may provide important evidence in identifying and charging the 2 suspects.

The video has also been re-

leased on social media. The RCMP would like to remind people that the police do release video and still images once all other efforts to identify offenders have been exhausted. Dissemination of video without the authorization of the police can seriously compromise the police's ability to preserve evidence, and identify offenders. Although most social media groups have good intentions in posting videos for public viewing, the effects on a

case are not known in the early stages of an investigation.

Police are currently investigating this matter and are seeking the public's assistance. If you have any information about this please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

## PROPOSAL CALL FOR SNOW REMOVAL

Grande Yellowhead Public School Division No. 77 invites all interested contractors to submit a proposal for the removal of snow, grading and the sanding of all Division owned parking lots at the following locations:

**Grand Trunk High School, & Evansview School in Evansburg, Wildwood School, and Niton Central School.**

The successful contractor must demonstrate that all of the areas bid on will be cleaned and sanded within a 12 hour period after any significant snowfall.

The proposal call should therefore include the type and number of pieces of equipment available to clean, grade, sand and remove the snow from all parking lots and the hourly rates charged including travel time. Include WCB clearance letter and proof of liability insurance in proposal.

When submitting a proposal bear in mind the distance between the sites and restrictions on a single operator for a number of sites.

Preference will be given to those contractors that submit their company safety program including safe work practices and up to date equipment maintenance records.

Scaled quotes will be received by Grande Yellowhead Public School Division No. 77 attention:

## HOW TO PREPARE A HOME FOR ELDERLY RESIDENTS

Upon reaching retirement age, new retirees may face decisions regarding their living arrangements. Some seniors may opt to stay put, while others may want to downsize their homes to save money and relieve themselves of the burdens of maintaining larger homes.

But those are not the only situations seniors find themselves in. Some seniors realize they can no longer care for themselves without assistance. In such instances, seniors may opt for assisted living facilities or choose to move in with a relative, such as a grown son or daughter. While assisted living facilities are designed to meet the needs of the elderly, young men and women welcoming seniors into their homes

may need to take on some home improvement projects to ensure their homes are as safe as possible for elderly residents.

Convert a room on the first floor into a bedroom. While this may not apply to all seniors, some men and women struggle with stairs as they age, and that can make it difficult for them to fully participate in a household. Homeowners with an extra room to spare can convert a room on the first floor of their homes into a bedroom so seniors won't have to climb up and down stairs throughout the day. That ease of accessibility to the primary floor of the house encourages seniors to be active participants in a household.

## How To Prepare A Home For Elderly Residents

Continued From Page 11

If possible, choose an area that is close to a first-floor bathroom.

Take steps to make bathrooms safer. The National Institute on Aging says that more than one in three

seniors over age 65 fall each year, and 80 percent of those falls take place in the bathroom. Slippery tile floors can make it difficult for seniors to navigate bathrooms safely, and bathtubs and shower stalls present additional challenges. Install

grab bars on bathroom walls and next to toilets to provide support. In addition, consider installing a shower chair or bench and removable shower nozzle in the shower or tub so seniors can sit down while they bathe and rinse without having to stand up on slippery surfaces. Make sure any mats around bathtubs and sinks are nonskid to reduce the risk of falls even further.

Install an extra phone line or two. While kids and adults between the ages of 18 and 50 may never use the landlines in their homes, many seniors still rely on traditional telephones as their primary means of communicating with the outside world. Install extra landlines in your home, including in seniors' bedrooms, so they can more readily access the phone should they fall and need to call for emergency help. Phones in seniors' bedrooms may

also provide some additional privacy to seniors who don't want to carry on phone conversations in busy areas of the home, such as the kitchen or living room. Such lines may also reduce feelings of isolation.

Prioritize accessibility when storing items. When storing groceries, books, magazines, or other items seniors are likely to use, choose locations that are accessible to seniors. Avoid storing items on the top shelf of pantries, bookcases or entertainment centers, as seniors with limited mobility may not be able to reach them.

Many seniors move in with their adult children to make their golden years safer and more enjoyable and manageable. Such a change in living arrangements may necessitate some changes on the part of homeowners so they can ensure their homes are safe for seniors.

## ACHIEVE THE IDEAL SOUND EXPERIENCE AT HOME

(MS) - Advancements in digital technology over the years mean that almost anyone can own a home theatre or music room or build a recording studio in their home. When you're planning your project, there are a number of elements that will make the difference between good and great sound.

Just like in real estate, location is crucial, so finding the best space within your home will be vital. You want to find a place that will provide ample room, comfortable temperatures and easy access. A room with windows is fine, as long as they are double glazed, sealed correctly and don't open. Be sure to install a heavy, well-insulated door to prevent sound leakage.

Insulation is among the most critical steps in creating an ideal sound

experience. Many professionals recommend Safe'n'Sound insulation produced by Roxul. Specially designed for your home's interior walls, ceilings and floors to reduce the transfer of noise from one room to another, this high-density stone wool insulation provides an excellent acoustic barrier that effectively absorbs sound. Its nondirectional fiber structure composition, density and friction-fit prevent any gaps and combat airborne noise such as music, speech and traffic sounds.

Sound can often echo and reverberate. Sound dampening measures such as carpeting can help alleviate the problem or you can purchase acoustic panels that prevent sound reflections throughout your room. With basic DIY skills, you can also simply and affordably construct your own

acoustic panels, using stone wool rigid board called Comfortboard IS, which is effective at reducing the intensity and propagation of noise.

Insulating properly will help

achieve optimal sound quality. It will also allow you to get the most of your space without disturbing the rest of your family or neighbors. All that's left is to turn up your tunes and enjoy.

## HOW TO ENSURE A SUCCESSFUL BASEMENT REMODEL

(MS) - By: Scott McGillivray

Americans continue to fuel remodeling spending across the country, driven by upward growth in real estate prices and the rising cost to trade up to a larger home. Basement renovations are expected to be a hot trend in 2016, as buyers look to maximize available living space rather than move, and as young buyers look to offset the cost of homeownership with potential income suites.

While finishing a basement can be a great alternative to moving -- especially if you love your neighborhood -- there are some challenges homeowners must be aware of when tackling below-grade living spaces. Choosing the right products is vital to the comfort, safety and function of your new living area. Look for products that help to maximize energy efficiency and protect against

moisture, fire and noise.

Here are the top points to consider to ensure a successful basement renovation.

Waterproof it. Check the interior foundation and floors to make sure there are no existing moisture issues, water damage or mold problems. Address any primary moisture issues before finishing the space. Examine grading to ensure water runs away from your foundation.

Insulation is key. Insulation plays a critical role in making your basement feel comfortable, while keeping it safe and dry. For the best results, install a rigid board insulation, like Roxul ComfortBoard IS, against the concrete foundation before you stud the wall. The board is mechanically fastened or adhered to the concrete foundation wall, which prevents thermal bridging through the studs, providing better thermal

performance. Finish with a moisture-resistant and dimensionally stable insulation between the studs, like R14 Comfortbatt, to protect against common basement issues such as mold, mildew and rot.

Choose a functional design. Draw out plans, carefully taking into consideration any low ceilings or small windows. Try to incorporate structural features, such as attractive wood beams, into your design. Keep the space as open as possible. Select lighting that provides a bright, airy feel.

Don't forget to soundproof it. Soundproofing is the ultimate solution to maximize your basement's quiet and privacy. Whether your newfound space will function as a home theatre, music room, home office or playroom, it will benefit from quality acoustic insulation, like Roxul Safe 'n' Sound. Not only

is it highly effective, but it's also easy to install.

Consider fire safety. Since many basements are now being renovated as income suites, fire protection is also a vital consideration. Whenever possible, select building materials with a high fire-resistance rating and look for products that will not off-gas or contribute to toxic smoke in the event of a fire. Include additional exits in your renovation plan and educate yourself on your local fire code.

Before you start your renovation, be sure to check with your municipality to secure the right permits and to ensure that you're complying with local bylaws and building codes. Finishing a basement can be a smart renovation, if done properly, adding to a home's value, increasing its function and providing greater enjoyment or income potential.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

### ANSWER:

7	8	5	6	1	2	3	4	9
6	1	3	4	5	9	7	2	8
9	2	4	7	3	8	1	6	5
2	5	8	9	7	4	6	1	3
3	4	9	1	6	5	8	7	2
1	6	7	2	8	3	9	5	4
8	3	6	5	4	1	2	9	7
5	7	2	3	9	6	4	8	1
4	9	1	8	2	7	5	3	6

**Like puzzles?** Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
