SANGUDO HORTICULTURAL NEWS

Submitted by Brenda Ogden

At our September meeting we proved we have some good cooks in our group. Everyone who attended the meeting brought some preserved or baked item with an ingredient out of their garden in it, and in

some cases even produce from the garden showed up on the table. As a result, there was a lot of selection to choose from. This meeting had a lot of shared talk as the members discussed how the weather this year had affected their gardening, and how our featured plant of the year, the red trailing petunia, had worked out

for us.

For our next meeting on Monday October 24th we will be armchair travelers as Yvonne and Terry Slemko will be showing pictures and telling us of their exciting trip to Antarctica.

RIDING UPDATE – WEEK OF OCTOBER 10, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down for the week, allowing me the opportunity, while in the riding, to participate in several community events.

I spent the Thanksgiving long weekend with my family, enjoying turkey and great conversation.

On Tuesday, I was in Hinton, meeting with constituents. Later that day and in the spirit of Fire Prevention Week, I stopped by the Edson Fire Hall Open House. It is always great to see our community's first responders interacting with and educating the kids, as well as the broader public.

On Wednesday, I attended the Pembina Resources Ground

Breaking Ceremony for the new Drayton Valley office.

Later that day, I took part in the Mountain Pine Beetle information session in Hinton. The open house meeting was held by Hinton, Yellowhead County, Alberta Agriculture and Forestry, and West Fraser. I am glad to see the conversation around this issue continuing as we battle these destructive pests.

I spent Thursday and Friday in the office working and meeting with constituents. Also on Friday, I held a conference call with the Alberta Agriculture and Forestry Minister regarding the Softwood Lumber Agreement. On Saturday, I attended a meeting in Edson.

I look forward to returning to Ottawa on Sunday where I will spend the next three weeks. My next update will be next Friday on my week in Ottawa.

JOKE OF THE WEEK

One Halloween a trick-or-treater came to my door dressed as 'Rocky' in boxing gloves and satin shorts. Soon after I gave him some goodies, he returned for more.

'Aren't you the same 'Rocky' who left my doorstep a few minutes ago?' I asked.

"Yes," he replied, "but now I'm the sequel. I'll be back three more times tonight too."

LAUNCH OF TWO CALLS FOR PROPOSALS TO HELP PREVENT AND REDUCE HOMELESSNESS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, invites all interested stakeholders and organizations to apply to help prevent and reduce homelessness. The two calls for proposals are:

1) The call for proposals for Microgrants: Stakeholders and organizations

can apply small-scale project funding of up to \$25,000. Projects will focus on exploring effective and innovative practices, tools or initiatives that prevent or reduce homelessness in Canada. In the recent two calls for proposals for projects with innovative approaches and ideas that aim to prevent and reduce homelessness, particularly among Indigenous Canadians, Youth, women fleeing violence and veterans.

The call for proposals for Microgrants is open until October 21, 2016.

2) The Call for proposals for Contributing Projects:

Stakeholders and organizations can apply for funding between \$25,000 and \$500,000 for large-scale pilot projects that aim to test innovative and promising interven-

tions and practices to prevent or reduce homelessness in Canada.

The call for proposals for Contributing Projects is open until November 16, 2016.

More information can be found at: http://www.esdc.gc.ca/en/funding/homeless/innovative_solutions/index.page

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

We seem to have jumped from summer right into winter complete with snow, cold weather and nasty roads. What the heck happened to autumn?

Good luck to our players competing in the Area "A" Legion Dart Tournament in St. Albert on October 22nd. The teams were ranked at Tuesday Night Darts while several other players enjoyed the fun of drop in darts. Returning player Mike Bridges was welcomed back and Liane W.

handled the refreshments, Nevada Sales and the 50/50 draw. The Singles Pool Area "A" Play downs in Onoway were so well attended that they had to be played over two days. I don't have the names yet but congratulations and good luck to the winners going forward to the tournament in Leduc on November 5th. These competitions are great fun and the players appreciate your cheers and support should you take a little trip to watch the games and enjoy the atmosphere at the Legions hosting the events.

Morinville Legion 1st Vice-pres-

ident Ira Austin and his family enjoyed the Friday Night Lasagna Supper presented by Sherry Brown and her crew of Bob C., Jay K. and Marcelle J. Ken J., Shauna J. and Cheryl S. were busy clearing tables and washing dishes after the appreciative crowd finished their meals and waited for the draws. Skye Myers will enjoy a free meal, Kim Kozak took home the meat draw and Mary Rehill won the 50/50. Please note that the free meal vouchers may not be used at corporate sponsored or fundraising suppers. Our bar is now open on Saturdays at 3:00 pm

and we are looking for your suggestions of games and/or events you would like to see held for you and your family's entertainment. Please take a moment to fill out the questionnaire and place your comments in the bowl provided.

Christmas in October will be held on October 28th and is a huge fundraiser for the Lac Ste. Anne East Food Bank. Again this year all of the proceeds from the roast beef meal will be going to the Food Bank. Please reserve your plate early and bring non-perishable food items or cash to support this very popular and worthwhile event.

The Lest We Forget concert will be held at the Winspear Center on November 6th and tickets are being sold at the bar for \$25.00 per person. The committee is asking for donations to their silent auction which takes place on the same evening. Please contact Neil Gorman at 780-960-4160 for more information on the concert or the silent auction.

Grey Cup Pool tickets are now available at the Legion and from many Legion members. They will sell out quickly so make sure you buy yours as soon as possible.

UPCOMING EVENTS:

October 18 - Tuesday Night Darts - 6:45 pm to 7:15 pm registration

October 19 - Wednesday Night Pool - 7:00 pm registration

October 21 - Friday Night Supper - Grilled Pork Steaks

October 22 - Legion open @ 3:00 pm

October 25 - Tuesday Night Darts

October 28 - Friday Night Supper - Roast Beef - Christmas in October - Food Bank Fundraiser

October 29 - Larry Miller Memorial Dart Tournament

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership, Neil Gorman @ 780-960-4160 for sports and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

**CONTRACT EMPLOYMENT
OPPORTUNITY!!**

Whitecourt/Lac Ste. Anne Adult Learning

Community Adult Learning Program Coordinator

We are currently accepting applications for the part-time contract position of a Community Adult Learning Program (CALP) Coordinator. Under the direction of the Adult Learning Board, the CALP Coordinator will be responsible to plan, implement and evaluate adult education & learning programs and maintain the day-to-day operations of these programs within our boundaries. We serve the areas of Whitecourt, Lac Ste. Anne County, Mayerthorpe, Alberta Beach, Onoway, Sangudo, Blue Ridge, and Anselmo.

Duties will include, but are not limited to:

- Plan, develop, coordinate, promote and evaluate programs, and any special events related to adult learning and family literacy.
- Provide written project/financial reports to the Board at their regular meetings.
- Liaise with the Adult Literacy Coordinator on joint initiatives.
- Create project proposals and meet reporting requirements for funding.
- Promote adult learning programs and opportunities in all communities within our service area.
- Network with community organizations, businesses, agencies and stakeholders.
- Meet the requirements of the Community Adult Learning Program Guidelines as set out by Alberta Advanced Education.
- Assist with the development of the Annual Application and the completion of the Annual Report documentation.

Contract position at 20.00/hour

14-21 hours per week (days and times to be negotiated)

Office is based out of Whitecourt

This position will remain open until a suitable candidate is found.

We thank all applicants for their interest. Only those candidates short-listed will be contacted for interviews.

Please forward your resume or direct any inquires for this position to:

Trista Court, WLSA Adult Learning Administrator
c/o Box 219, Sangudo, AB T0E 2A0

Phone: 780-785-3411 or Toll Free: 1-866-880-5722

Fax: 780-785-2359

E-mail: tcourt@lsac.ca

PARLIAMENT UPDATE – WEEK OF OCTOBER 3, 2016

Submitted by Jim Eglinski, MP – Yellowhead

This week in Parliament, we covered topics including climate change, pre-born victims of crime, firearms definitions, and doing away with Friday sittings.

The following was debated in the House:

- Paris Agreement
- Standing Order 51 – Motion to consider the Standing Orders and procedure
- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Third Reading)
- Bill C-24 - An Act to amend the Salaries Act and to make a consequential amendment to the Financial Administration Act (Second Reading)
- Bill S-208 – National Seal Products Day Act (Second Reading)
- Bill C-225 – Protection of Pregnant Women and Their Preborn Children (Cassie and Molly’s Law) (Second Reading)
- Bill C-230 – An Act to amend the Criminal Code (firearm – definition of variant) (Second Reading)
- Bill C-231 – Fight Against Food Waste Act (Second Reading)
- Bill C-238 – National Strategy for Safe Disposal of Lamps Containing Mercury Act (Second Reading)

On Monday, I participated in the debate on the ratification of the Paris Agreement, which the Liberal Government signed earlier this year. You can read my comments and questions at: www.parl.gc.ca/content/hoc/House/421/Debates/086/HAN086-E.PDF (pages 26, 49, and 63-66)

Also on Monday, I presented a petition that called upon Parliament to establish a national strategy on palliative care. My comments can be found on page

42 of the above link.

This week at the Standing Committee on Environment and Sustainable Development (ENVI), we discussed federal protected areas and conservation objectives, as well as reviewed the Canadian Environmental Protection Act, 1999. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

On Friday, I once again questioned the Minister of International Trade on what the Liberal

Government is doing to ensure a softwood lumber deal is signed by October 12. That afternoon, along with MPs from other affected areas, I participated in a video concerning the Softwood Lumber Agreement. I spoke about the impact that no agreement will have for our region.

This week, I attended 11 meetings and 3 events. As Parliament will be down next week, my following update will be on my time in the riding.

Happy Thanksgiving!

DAILY GRAND IS THE LOTTERY OF A LIFETIME!

Submitted by Western Canada Lottery Corporation

What could you do with an extra \$1,000? How about an extra \$1,000 every single day? Starting tomorrow, a new lottery game will give Canadians a reason to dream about a windfall that goes on for the rest of their lives. DAILY

GRAND offers prizes that range from a free ticket to the grand prize of \$1,000 a day for life.

DAILY GRAND tickets go on sale on Tuesday, October 18, with draws every Monday and Thursday. The first draw will be on Thursday, October 20.

Along with the top prize, DAILY GRAND offers a second prize

of \$25,000 a year for life.

“The two top prizes on DAILY GRAND are true ‘for life’ wins,” said Andrea Marantz, spokesperson for Western Canada Lottery Corporation (WCLC). “The payments are guaranteed for at least 20 years, but they could go on much longer.”

Winners in the top two prize categories have their choice of the annuity-based prize or a one-time payment: \$7 million for the top prize, and \$500,000 for the second prize.

DAILY GRAND is the first new national lottery draw game since 2009. It joins LOTTO 6/49 – drawn every Wednesday and Saturday – and LOTTO MAX – drawn each Friday.

Lottery players can buy their DAILY GRAND tickets starting on Tuesday, October 18.

Tickets are available until 9:30 pm CT / 8:30 pm MT / 7:30 pm PT on the evening of the draw.

Game details:

- Cost: \$3 per selection
- Prizes: range from a free play up to the top prize
- Unique top prizes: \$1,000 a day for life and \$25,000 a year for life

• Six numbers are drawn – five main numbers from 1-49 and one Grand number from 1-7

Odds of winning (per \$3 play):

- Top Prize: 1 in 13,348,188
- Second prize: 1 in 2,224,698
- Any prize: 1 in 6.8

Where to play:

• More than 4,500 lottery retail locations throughout the region

- Subscribe online at wclc.com
- Subscribe by telephone at 1-800-665-3313

Where to check tickets:

• On your smartphone: download the WCLC Lottery Manager mobile app for iOS and Android devices

• Online at wclc.com

• At retail on self-serve ticket checkers, winning numbers lists, and through the ticket terminal

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

September 27, 2016

The Town of Whitecourt officially announced that it received FireSmart community status with FireSmart Canada at last night's Regular Meeting of Council. For several years the Town of Whitecourt, in partnership with the Province and other agencies, has made it a priority to keep Whitecourt safe through fire hazard reduction activities to minimize the risk of wildfire to the community. After the recent wildfire season Alberta experienced,

and the devastating and extensive losses in the communities of Slave Lake in 2011 and Fort McMurray recently, this program has been a topic of discussion for many municipalities across the province. Since 2010, the Town of Whitecourt has completed a variety of FireSmart related projects, including the completion of a community assessment report, the creation of a local FireSmart Community Protection Plan, creation of the Dahl Drive FireSmart Demonstration Site, and fire hazard reduction treatments to areas throughout town. In 2015,

Whitecourt reached a milestone in community FireSmart efforts with the receipt of the national FireSmart Community Protection Achievement Award; an award that recognizes local governments in Canada that have demonstrated tremendous commitment to completing FireSmart plans and that have initiated projects to help safeguard their community.

During a recent review of the Land Use Bylaw, input from the community indicated that residents would like to see an increased emphasis on residential

landscaping, with RV parking and gravel pads specifically noted as detracting from attractive neighbourhoods. Phase 1 of education and enforcement efforts began in the fall of 2015 with notices provided to residents in specific areas that did not comply with the bylaw. Property owners were given until September 30, 2016 to make changes to landscaping, and over the past year, Planning and Development staff have been available to educate residents on how properties can be improved to meet bylaw standards. With the deadline approaching, and more than half of residents who were issued notices not in compliance, Council has decided to proceed with the issuance of \$250 fines for any properties within the Phase 1 enforcement area that have not removed gravel pads within the Town boulevard by September 30, 2016, with payment of the fines due June 30, 2017; and subsequent fines will be issued to those that have not complied by June 30, 2017 as per Land Use Bylaw 1506.

Sagittawah RV Park has been provided an exemption, and has been granted permission to operate throughout the 2016/2017 winter season. Under the existing permit, the campground is only permitted to operate from May 15 to October 15 annually. The exemption was granted for this winter season only as a means to accommodate Midwest Pipeline workers, the contractor constructing the Pembina Pipeline project.

The Town of Whitecourt will be investigating the reason for use to be denied to the Whitecourt & Woodlands Performing Arts Society of a Northern Gateway Public Schools facility. The Town has joint use agreements with both school divisions that authorizes public access to schools and school use of Town facilities.

A grant has been allocated to Whitecourt Minor Ball Association, in partnership with the Town of Whitecourt, to install a prefabricated washroom next spring at Graham Acres Recreational Area.

Whitecourt Town Council Update

Continued From Page 8

Installation of a water/sewer line, and shale placement at the facility were completed this summer in preparation for the unit, and fencing will be completed this fall. It is anticipated that the washroom will be installed in May 2017.

An Ad Hoc Building Steering Committee has been created to receive input from all partners and groups involved in the proposed municipal centre, library and/or arts and culture centre. The Committee includes representatives from the public, Whitecourt Public Library, Whitecourt & Woodlands Performing Arts Society and Town of Whitecourt. The Committee will be responsible for assisting with site selection, the building program, and schematic drawings for presentation to Council.

Council has approved the borrowing of \$3 million to provide funding for the construction of McIlwaine Drive, the extension of Mink Creek Road, and for the installation of utilities. The funds will be repaid over a 20 year period from future land sales.

OCTOBER 12, 2016

At last week's Alberta Urban Municipalities Association (AUMA) conference, Mayor Maryann Chichak was re-elected for another 2-year term as the Director of Towns West on the Board of Directors. As well, Mayor Chichak will resume her position as Vice-President of Towns on the AUMA Executive Committee for another one year term. AUMA represents urban municipalities including cities, towns, villages, summer villages and specialized municipalities which make up more than 85% of Albertans.

"It is a pleasure and honour to represent municipalities on both the Board of Directors and AUMA Executive Committee," said Whitecourt Mayor Maryann Chichak. "On a local level, the knowledge I bring back home will greatly benefit Whitecourt residents. As well, the relationships I have the opportunity to build through AUMA with government agencies and provincial government representatives will increase the awareness of Whitecourt on a

provincial level."

Council has approved a request for a time extension for the construction of local improvements on land east of the Holiday Inn to 47 Street in the Downtown South area. The Developer requested an extension of three years on the Development Agreement timelines for the installation of underground and surface improvements. If, however, development takes place on a specific parcel of land in the area, the developer will be required to complete the remainder of improvements at that time.

Construction of traffic signals

at the intersection of Highway 43 and Highway 32 south will proceed this winter and the project is scheduled to be complete by the end of February 2017.

The Whitecourt Regional Landfill is working with Alberta Environment and Parks towards approval of a revised operating plan and a 2016 project at the landfill. The proposed project involves implementing environmental upgrades and a new operating philosophy; however, in order to proceed, approvals must be granted by the Province. The existing landfill cell is rapidly nearing ca-

capacity, and the facility has had to divert demolition and other single source, large volumes of waste to other facilities. The Town is working on a contingency plan should Provincial approvals or the weather delay the completion of the project.

The Whitecourt & District Chamber of Commerce will be hosting the annual Christmas Parade on Friday, November 25. Road closures for the area have been approved, and information will be provided closer to the event date to remind motorists of the traffic interruption.

Influenza is serious. Immunization works. Get Immunized.

Alberta's Influenza Immunization Program begins October 24th.
Influenza immunization will be offered, free of charge, to all Albertans six months of age and older.

AUTO TUNE-UP
OCTOBER 2016

**The Businesses in
the following Guide
can be your One Stop
Solution to all your
Automotive Needs!**

Auto TUNE-UP

PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard their automotive investments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their vehicles

for a tuneup and inspection before wintry weather arrives. A mechanic will examine the car battery and check antifreeze levels and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

- Check that all of the vehicle's lights are operational so your car can be easily seen during inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer system routinely and clear out any blockages

of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow and icy weather.

- A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem once it dries simply because moisture is the active ingredient for a corrosive reaction. But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

- Have your tires' alignment

checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect tires routinely, as weather changes can affect tire pressure and strength.

- Use a soft snow brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

- Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affected by the cold weather. Keep them running efficiently to prevent damage this winter.

HOW DRIVERS CAN REDUCE FUEL EMISSIONS

According to the United States Environmental Protection Agency, many cities across the country can claim automobiles as their single greatest contributor to pollution. While emissions from individual cars are somewhat low, emissions from millions of vehicles can add up to a substantial amount of pollution, and it takes residents working collectively to reduce those emissions and improve their local air quality.

Hydrocarbons are among the many exhaust pollutants that find their way into the air. When fuel molecules in a vehicle's engine do not burn or burn only partially, the resulting hydrocarbon emissions can contribute to ground-level ozone, which can irritate the eyes, damage the lungs and aggravate existing respiratory problems. Carbon dioxide is another exhaust pollutant that

can affect air quality and human health.

Reducing fuel emissions is an effective way for drivers to improve air quality and preserve their own health, and the following are a few simple steps motorists can take to do just that.

- Rearrange your work habits. Technology has changed how many businesses approach the traditional office environment, and men and women who are looking to reduce fuel emissions and cut costs may want to approach their bosses about rearranging their work habits. Telecommuting to work, even if you only do so for one or two days per week, can drastically reduce your fuel emissions over the course of a year. In lieu of meeting with clients or colleagues in person, which often requires travel, suggest teleconferences or video conferences so

your fuel consumption and exhaust emissions are reduced.

- Maintain your vehicle. Another way to cut back on fuel emissions is to adhere to your vehicle's maintenance schedule and have any issues addressed immediately. A poorly maintained vehicle will force the engine to work harder, and that in turn will burn more fuel. Many auto manufacturers now build vehicles that require less frequent maintenance. For example, whereas oil changes were once required every 3,000 miles, many newer vehicles can now last twice that long before they need oil changes. That makes maintaining a vehicle easier than ever before.

- Maintain a safe and steady speed. Rapid acceleration and frequent stops and starts make for very inefficient use of fuel, increasing both consumption and

emissions. While city drivers may not be able to avoid frequent stops and starts, they can avoid rapid acceleration between those stops and starts. Drivers who do the bulk of their driving on highways should maintain safe speeds, as driving too fast is another way to waste fuel and increase emissions.

- Embrace public transportation. Many drivers never consider public transportation, but mass transit is a great way to save money, reduce fuel consumption and emissions and protect your automotive investment. Over a typical year, the cost of mass transportation will likely pale in comparison to the amount of money you spend on fuel, and your car will last a lot longer if you opt for public transportation and avoid rush hour traffic each day.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

| | | | | | | | | |
|---|---|---|---|---|---|---|---|---|
| 8 | 9 | | 5 | | | 6 | | |
| | 2 | 5 | 3 | | | | | |
| 4 | | 7 | | 8 | 9 | | 3 | |
| | | | 1 | 4 | | 5 | 2 | |
| 9 | | | | | | | 6 | |
| | | | 9 | 6 | | | | 8 |
| | | | 7 | 1 | 2 | 3 | 8 | |
| | 1 | | | | | 9 | 7 | |
| 7 | | 6 | | | | 2 | | |

ANSWER:

| | | | | | | | | |
|---|---|---|---|---|---|---|---|---|
| 8 | 9 | 3 | 5 | 7 | 1 | 6 | 4 | 2 |
| 1 | 2 | 5 | 3 | 6 | 4 | 8 | 9 | 7 |
| 4 | 6 | 7 | 2 | 8 | 9 | 1 | 3 | 5 |
| 6 | 3 | 8 | 1 | 4 | 7 | 5 | 2 | 9 |
| 9 | 7 | 1 | 8 | 2 | 5 | 4 | 6 | 3 |
| 2 | 5 | 4 | 9 | 3 | 6 | 7 | 1 | 8 |
| 5 | 4 | 9 | 7 | 1 | 2 | 3 | 8 | 6 |
| 3 | 1 | 2 | 6 | 5 | 8 | 9 | 7 | 4 |
| 7 | 8 | 6 | 4 | 9 | 3 | 2 | 5 | 1 |

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
