## 2016 CHRISTMAS FESTIVAL OF THE TREES

Submitted by **Shayna Powell, Museum and Farmers' Market Manager**

Calling all designers and decorators, business owners and generous of heart! The Tipple Park Museum is very proud to be hosting the 2016 Christmas Festival of the trees and we need your help. We are encouraging volunteers to decorate and design an artificial tree, wreath or centerpiece to donate towards the cause. All items must be decorated and designed by November 17th and brought into Tipple Park Museum to be put on display. We will be raising money for the WEE Food Bank by auctioning off all the items

on December 2nd. Your support of the 2016 Christmas Festival will help to provide basic food for those in our community that require assistance. All decorations will be judged on Thursday, November 18th at 9:30 a.m. The judges will be evaluating all entries based on the following criteria: originality, artistic interpretation, artistic implementation, effort and presentation. Gold, Silver and Bronze ribbons will be placed and displayed in the museum until auction day. All decorations will be auctioned off to the highest bidder with all proceeds going directly to charity. Local Parkland County and Yellowhead County businesses and residents are encouraged to

represent their generous Christmas spirit by sponsoring a tree. Please contact [tippelparkmuseum@gmail.com](mailto:tippelparkmuseum@gmail.com) or call 727-2240 for an application form or for further information.

Upcoming Tipple Park Museum Community Events:

October 20th- 12:30 p.m. Stretching the Contents of Your Pantry \$10.00

October 26th- 1:00 p.m. Pie Making \$10.00

## PARS PRESENTS NIGHTMARE ON 52 AVE OCTOBER 21<sup>ST</sup> & 22<sup>ND</sup>

Submitted by **Pembina Agricultural & Recreational Society**

On a dark and mysterious night in the final days of October, you may hear odd and life threatening sounds fill the air. The full moon lingers over the Hamlet of Evansburg, and monstrous creatures begin to emerge from an old decrepit maze in the Ag Arena of the Pembina Rec-Plex It's Nightmare on 52 Ave.

The Halloween Party for the kids FREE (2 & up) will start at 1:00-3:00pm. We are part-

nering up with Successful kids & Families for this event. Kids can dress up in their finest goblin and ghoul attire to celebrate this yearly tradition. There will be games & crafts. Once again cupcakes and hot chocolate will be provided.

Nightmare on 52 Ave starts at 6:00-9:00. The Haunted Maze is open to the community for a small fee. You can tour the Haunted Maze if you dare. Try to keep the screams down low.

We are pleased to Host the event once again.

Call PEMBINA Arena 780-

# “DYLAN REYNOLDS FAMILY BENEFIT” FUNDRAISER WAS A HUGE SUCCESS

Submitted by Al Hagman

The Wildwood and District Curling Club are pleased to announce that the “Dylan Reynolds Family Benefit” fundraiser, held on Friday, September 23, 2016, was a huge success. Heartfelt thanks go out to everyone who donated and to the community for

their show of support and generosity.

There was a silent auction, live auction, balloon auction, dance and midnight lunch for all. Thanks to “My Dog Sam” for the music and thanks to the Ravine Community Association for providing the lunch as well as the many volunteers to prepare

and serve. Thank you also to the Wildwood Community Association for the use of the hall. It was very noticeable that people were really enjoying themselves!

The number of donated items for the auctions exceeded all expectations. All of the money raised will go to support Dylan and his family with the ongoing expenses incurred while Dylan receives ongoing medical support.

If you missed the event, and still want to help out, check the “Go Fund Me” account that has been set up online and help spread the word through Facebook. People can also make donations at the Alberta Treasury Branch in Wildwood or Evansburg.

The evening was a true example of “community.” We are happy that our community’s efforts will provide some financial relief for this family in their time of need and allow them to focus on Dylan’s recovery.

## JOKE OF THE WEEK

One Halloween a trick-or-treater came to my door dressed as 'Rocky' in boxing gloves and satin shorts. Soon after I gave him some goodies, he returned for more.

"Aren't you the same 'Rocky' who left my doorstep a few minutes ago?" I asked.

"Yes," he replied, "but now I'm the sequel. I'll be back three more times tonight too."

# LAUNCH OF TWO CALLS FOR PROPOSALS TO HELP PREVENT AND REDUCE HOMELESSNESS

**Submitted by Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, invites all interested stakeholders and organizations to apply to help prevent and reduce homelessness. The two calls for proposals are:

1) The call for proposals for Micro-

grants: Stakeholders and organizations can apply small-scale project funding of up to \$25,000. Projects will focus on exploring effective and innovative practices, tools or initiatives that prevent or reduce homelessness in Canada. In the recent two calls for proposals for projects with innovative approaches and ideas that aim to prevent and reduce homelessness, partic-

ularly among Indigenous Canadians, Youth, women fleeing violence and veterans.

The call for proposals for Micro-grants is open until October 21, 2016.

2) The Call for proposals for Contributing Projects:

Stakeholders and organizations can apply for funding between \$25,000 and \$500,000 for large-scale pilot projects that aim to test innovative and

promising interventions and practices to prevent or reduce homelessness in Canada.

The call for proposals for Contributing Projects is open until November 16, 2016.

More information can be found at: [http://www.esdc.gc.ca/en/funding/homeless/innovative\\_solutions/index.page](http://www.esdc.gc.ca/en/funding/homeless/innovative_solutions/index.page)

# CELEBRATE SMALL BUSINESS

**Submitted by Oneil Carlier, MLA for Whitecourt-St. Anne**

As the MLA for Whitecourt-St. Anne and as Minister of Agriculture and Forestry I've travelled the province and talked to hundreds of farmers, ranchers and small business owners. Our small businesses are the best in Canada, with a bigger economic impact per capita than similar businesses anywhere else in the country.

Small Business Week in Alberta is

a great time to celebrate these businesses that earn a good living for themselves and their families and inject about \$100 billion a year into our hometowns and neighbourhoods.

We've been listening to small business owners, and have created programs to help them survive and expand, programs like:

- the Alberta Investor Tax Credit of 30 per cent for investment in Alberta small business
- restoring Self-Employment Training programs
- boosting our small business vouch-

er program for small technology development

- expanding funding for small business incubators
- cutting the Small Business Tax by one third to ensure Alberta continues to have the lowest overall tax in Canada – billions lower than any other province

As we celebrate Small Business Week I'd especially like to congratulate all the businesses that were nominated for the Small Business Awards in Whitecourt, and the small businesses in Mayerthorpe and the rest of our

constituency – they keep the Alberta economy going.

If you're a small business owner or looking to become a small business owner please visit <http://smallbusiness.alberta.ca/> to learn more about the supports available to you or to share your thoughts and ideas for how we can keep moving Alberta forward together.

If you're a resident of our area, take the time to visit some local small businesses, tell them how much you appreciate what they do, and support them with your business!

**Help Raise Money for the Wee Food Bank!**

Tipple Park Museum is hosting our community's tree festival. We are calling all businesses and families from the community to decorate a Christmas tree, wreath or table centerpiece to be donated and auctioned off with all proceeds to go directly to the Wee Food Bank. Challenge your business friends and rivals to demonstrate their creativity and generosity and help us to transform the museum into a Christmas extravaganza! All creations will be auctioned off on December 2<sup>nd</sup>, 2016 @7:00 p.m. All items will be on display until December 16<sup>th</sup>. All items must be brought into the museum by November 16<sup>th</sup>.

# PARLIAMENT UPDATE – WEEK OF OCTOBER 3, 2016

**Submitted by Jim Eglinski, MP – Yellowhead**

This week in Parliament, we covered topics including climate change, pre-born victims of crime, firearms definitions, and doing away with Friday sittings.

The following was debated in the House:

- Paris Agreement
- Standing Order 51 – Motion to consider the Standing Orders and procedure
- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Third Reading)
- Bill C-24 - An Act to amend the Salaries Act and to make a consequential amendment to the Financial Administration Act (Second Reading)
- Bill S-208 – National Seal Products Day Act (Second Reading)
- Bill C-225 – Protection of Pregnant Women and Their Preborn Children (Cassie and Molly’s Law) (Second Reading)
- Bill C-230 – An Act to amend the Criminal Code (firearm – definition of variant) (Second Reading)
- Bill C-231 – Fight Against Food Waste Act (Second Reading)
- Bill C-238 – National Strategy for Safe Disposal of Lamps Containing Mercury Act (Second Reading)

On Monday, I participated in the debate on the ratification of the Paris Agreement, which

the Liberal Government signed earlier this year. You can read my comments and questions at: [www.parl.gc.ca/content/hoc/House/421/Debates/086/HAN086-E.PDF](http://www.parl.gc.ca/content/hoc/House/421/Debates/086/HAN086-E.PDF) (pages 26, 49, and 63-66)

Also on Monday, I presented a petition that called upon Parliament to establish a national strategy on palliative care. My comments can be found on page 42 of the above link.

This week at the Standing

Committee on Environment and Sustainable Development (ENVI), we discussed federal protected areas and conservation objectives, as well as reviewed the Canadian Environmental Protection Act, 1999. For more information on these meetings, visit: [www.parl.gc.ca/Committees/en/ENVI](http://www.parl.gc.ca/Committees/en/ENVI)

On Friday, I once again questioned the Minister of International Trade on what the Liberal Government is doing to ensure a

softwood lumber deal is signed by October 12. That afternoon, along with MPs from other affected areas, I participated in a video concerning the Softwood Lumber Agreement. I spoke about the impact that no agreement will have for our region.

This week, I attended 11 meetings and 3 events. As Parliament will be down next week, my following update will be on my time in the riding.

# DAILY GRAND IS THE LOTTERY OF A LIFETIME!

**Submitted by Western Canada Lottery Corporation**

What could you do with an extra \$1,000? How about an extra \$1,000 every single day? Starting tomorrow, a new lottery game will give Canadians a reason to dream about a windfall that goes on for the rest of their lives. DAILY GRAND offers prizes that range from a free ticket

to the grand prize of \$1,000 a day for life.

DAILY GRAND tickets go on sale on Tuesday, October 18, with draws every Monday and Thursday. The first draw will be on Thursday, October 20.

Along with the top prize, DAILY GRAND offers a second prize of \$25,000 a year for life.

“The two top prizes on DAILY GRAND are true ‘for life’ wins,”

said Andrea Marantz, spokesperson for Western Canada Lottery Corporation (WCLC). “The payments are guaranteed for at least 20 years, but they could go on much longer.”

Winners in the top two prize categories have their choice of the annuity-based prize or a one-time payment: \$7 million for the top prize, and \$500,000 for the second prize.

DAILY GRAND is the first new national lottery draw game since

2009. It joins LOTTO 6/49 – drawn every Wednesday and Saturday – and LOTTO MAX – drawn each Friday.

Lottery players can buy their DAILY GRAND tickets starting on Tuesday, October 18.

Tickets are available until 9:30 pm CT / 8:30 pm MT / 7:30 pm PT on the evening of the draw.

# WORKING WELL WORKSHOP

**Submitted by Stefan Felting**

October 27, 2016 at the Pinedale Community Hall  
6:00pm-9:30pm

Consider how your life would change if you lost your water supply!

Did you know that a poorly maintained water well can put your water supply at risk of contamination and reduce your well yield?

If you are one of 450,000 Albertans who use their water well for household purposes, the key to ensuring your water supply is safe and secure is knowing how groundwater works, learning about your well and understanding how to properly maintain it.

Proper water well siting, construction, maintenance and plugging will help protect your well from biofouling and contamination, save you costly repairs, and ensure your

well water yields are sustained over many years.

Find out what you can do to protect your well. Attend the FREE water well management workshop being hosted by Yellowhead County, and presented by the Working Well Program, with technical expertise provided by Alberta Agriculture and Forestry, Alberta Environment and Parks, Alberta Health Services and licensed water well drillers.

During the workshop we will cov-

- er:
  - Groundwater – how it works
  - Water quality and quantity testing
  - Well protection – protecting your well from contamination
  - Basic well maintenance
  - Water sampling – how to do it
- To attend the workshop, please pre-register before October 21st by calling Yellowhead County at: 1-800-814-3935 or 780-325-3782.

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks

What's New in the Learning Toolbox?

All students in Grande Yellowhead have access to supports and services they need to be successful regardless of where they live or which class they are assigned. To ensure that we continue to meet the needs of our students and they receive one year's growth in their learning, GYPSD has put into place a number of initiatives over the last year which include:

- the successful implementation of a School Linked Team (speech language pathologist, occupational therapist, mental health coordinator, technology lead teacher, literacy lead teacher and assessment and mentorship lead teacher
- formal learning support teachers in every school
- family school liaison counsellors
- adoption of the Collaborative Response Model
- development of a specific division-wide learning plan
- school-based instructional coaches.

Other News in Brief

• Over \$6,000 of additional funds by the Board were provided to schools in support of provincial competition travel during the 2015-16 school year. Students from Grande Cache Community High School competed in New Brunswick for a National Skills Canada Competition; both the boys and girls' senior basketball teams from Grand Trunk High School travelled to Provincials; and Parkland Composite High School students journeyed to compete provincially for drama and badminton.

• Trustees received a detailed report on off campus learning experienced by GYPSD students last year. These invaluable opportunities for students include work experience terms, regis-

tered apprenticeships and participation in the Green Certificate program. Over 300 students took part in one of the programs and the division continues to be truly appreciative of the many businesses and individuals who partner with our schools in providing these important educational opportunities for our students.

• A number of international field trips have been proposed from various schools for the

upcoming school year, subject to current political and environmental conditions at time of departure.

• Trustees were given some preliminary background to consider on acknowledging Treaty Lands at official meetings and school functions as per other Alberta school divisions.

• September 30th student enrolments saw a decrease of 3.2% across the division from spring

projections; most notably in the Grande Cache zone where enrolments have declined over 10% since last year.

• Members from the Division's Leadership Team recently participated in a Blanket Exercise to better understand the impact that residential schools had on Indigenous peoples.

# RIDING UPDATE – WEEK OF OCT 10, 2016

**Submitted by Jim Eglinski, MP – Yellowhead**

Parliament was down for the week, allowing me the opportunity, while in the riding, to participate in several community events.

I spent the Thanksgiving long weekend with my family, enjoying turkey and great conversation.

On Tuesday, I was in Hinton, meet-

ing with constituents. Later that day and in the spirit of Fire Prevention Week, I stopped by the Edson Fire Hall Open House. It is always great to see our community's first responders interacting with and educating the kids, as well as the broader public.

On Wednesday, I attended the Pembina Resources Ground Breaking Ceremony for the new Drayton Valley office.

Later that day, I took part in the Mountain Pine Beetle information session in Hinton. The open house meeting was held by Hinton, Yellowhead County, Alberta Agriculture and Forestry, and West Fraser. I am glad to see the conversation around this issue continuing as we battle these destructive pests.

I spent Thursday and Friday in the office working and meeting with

constituents. Also on Friday, I held a conference call with the Alberta Agriculture and Forestry Minister regarding the Softwood Lumber Agreement. On Saturday, I attended a meeting in Edson.

I look forward to returning to Ottawa on Sunday where I will spend the next three weeks. My next update will be next Friday on my week in Ottawa.

## ALBERTA'S TRAFFIC SAFETY FOCUS FOR OCTOBER: OCCUPANT RESTRAINTS

**Submitted by Dale Friedel**

Is your most precious cargo secured? Research and collision investigations show that seat belts increase the chances of survival in a collision by 50 per cent. According to Transport Canada, almost 35 per cent of drivers and passengers killed in collisions were not wearing their seatbelt at the time of the crash.

**Facts to Know**

- Child safety restraints are required by law for all children under the age of six who weigh less than 18 kilograms (40 pounds).

- The fine for not wearing a seatbelt is \$155. Drivers are responsible for the proper restraint of children under 16.

- Seatbelts save about 1,000 lives each year in Canada.

**Child Safety Seats**

- Depending on their age, size and walking ability, children should be restrained in rear-facing or forward-facing child safety seats.

- All child passengers must be secured in an approved and properly used child safety seat, which is used and installed according to your vehicle and car seat manufacturer's instructions.

- If a child safety seat has been involved in a collision, replace it immediately.

**Booster Seats**

- Without a booster seat, a child is 3.5 times more likely to suffer a significant injury.

- Children under nine who weigh between 18-36 kilograms (40 – 80 pounds) are safest using a booster seat.

- Children under the age of 12 are safest in the back seat of a vehicle in proper restraints based on their age, height and weight.

### BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

# ENTWISTLE SCHOOL OCTOBER NEWS

**Submitted by Les Worthington, Principal, Entwistle School**

The school year is in full swing and there are several great things happening at our wonderful school. The highlight of September was our visit to Tim Horton's Camp. For four days, and three nights, almost 100 students, over a dozen volunteers and several staff members were able to enjoy a variety of activities in Kananaskis. A huge thank you to our volunteers for helping facilitate this amazing learning opportunity:

- Charlene Anderson
- Crystal White
- Thomas Leftley
- Jesse Klingspohn
- Amy Kremeniuk
- Rhonda Volk
- Joy Secrest
- Brent Laackmann
- Adam Jensen
- Jody Boone
- Stacey Crosby
- Marilyn Pearson
- Cari Ann Nickel

Also a thanks to staff who went above and beyond to make this week happen for both the students in attendance and those who remained at the school. Our students get our best.

If you would like to see photos and highlights from our trip please join the Entwistle School Council/FOELS Facebook page.

Here are some more introductions to the amazing people who are working with your children this year:

Cecile Ekroth – Head Custodian – Good day all, hope everyone had a great summer. I am Mrs. Ekroth and am very glad to be back. I had a very restful summer and went to the mountains with my husband for a while. We love the mountains and the calming effect it seems to have on us. It is going to be another busy school year and I think that I am ready for it, how about you. I am looking forward to having 2 of my grandchildren within the school this season along with all of you.

Mike Schoenthal – Community Support Worker - Mike has been a Social worker for over 25 years, he has worked with young offenders, children services, and in the last 16 years within Wild Rose School Division. Mike has worked as a Family School Liaison worker within WRSD for four years, in this role Mike worked with students, families, teachers and the community. For the last 12 years Mike was the FNMI program Coordinator for Wild Rose School Division. Mike brings a vast amount of experience in classroom presentations, one on one

counselling with students, and group work with students. Mike has worked closely with teachers, administration, families and the community to benefit student success for the past 16 years.

Michelle Dionne – Custodian - Hi! I am so delighted to be a new member of this fantastic school. I have a son who is in Grade 3, I call him my Samshine! In my spare time I like to garden, cook and bake. As a photography lover, I love going out on road trips out in the country and hikes through nature. I wish all the students and staff a great and safe year!

Aileen Wagner – Inclusive Education Lead & Learning Coach - My name is Aileen Wagner and I am very excited to be returning for my second year, to join the staff and community at Entwistle. I had a great summer riding my horses, travelling, paddle boarding and working in my garden. I feel rested and ready to return to school in my role as Inclusive Education Lead and Learning Coach. I look forward to reconnecting with everyone and listening to all the stories that students love to share about their summer adventures. Welcome back everyone!

Valerie Wittek – Community Librarian - Welcome back to school everyone! I had a great summer visiting with family, canoeing on the lake, reading lots of books (of course), and trying out new recipes from the Food Network. I'm excited to be managing the public libraries in Parkland County and I love when students and families come into our library in Entwistle to visit and see what we have to offer. I'm looking forward to a busy fall!

Here are some great things to look forward to this month:

- October 19th and 20th we will

host our Celebrations of Learning from 4:30-7:30 for grades 1-9. Kindergarten will be booked at a future date. Grades 1-4 will be held in the classroom, and appointments can be booked by calling the office. Grades 5-9 will be in the gymnasium, and as this is an open format, no appointment is required. Eagle PRIDE wear will be for sale on the 19th.

- On October 25th we will be hosting a bus safety presentation courtesy of Parkland School Division.

- On October 26th 16 junior high students will accompany Mrs. Kolotyluk to WE Day in Calgary! You can visit [we.org](http://we.org) for more info.

- On Friday, October 28th, we will host a Halloween Dance. Students in Kindergarten to grade five will get to dance from 11:00-12:00 and from 12:30-2:00 students from grades 6-9 will get to dance along with their colleagues from Wabamun, Tomahawk and Seba Beach. Students may dress up for the dance portion of the day if they wish.

- On Monday, October 31st, students will be dressing up for Halloween. Students are not permitted to bring weapons, real or fake.

- Friends of Entwistle Learning Society is hosting a Family Halloween Dance on October 22nd. Tickets are available at the school. For more information, visit the Entwistle School Council/FOELS Facebook page.

- Prairie Gourmet Perogies went home and are due back on the 25th. Just a reminder that students are not to be canvassing door-to-door.

- There will be a Community Breakfast on October 20th in the gymnasium. Thanks to Pembina Concrete for sponsoring this breakfast. If you are interested in sponsoring a breakfast, please let me know.

- November 1st is the monthly assembly at 2:25.

If you should ever have any questions, comments, celebrations or concerns please feel free to email ([lworthington@psd70.ab.ca](mailto:lworthington@psd70.ab.ca)) or call me (780-727-3811) at any time.

## PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard their automotive investments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their vehicles

for a tuneup and inspection before wintry weather arrives. A mechanic will examine the car battery and check antifreeze levels and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

- Check that all of the vehicle's lights are operational so your car can be easily seen during inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer system routinely and clear out any blockages

of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow and icy weather.

- A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem once it dries simply because moisture is the active ingredient for a corrosive reaction. But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

- Have your tires' alignment

checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect tires routinely, as weather changes can affect tire pressure and strength.

- Use a soft snow brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

- Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affected by the cold weather. Keep them running efficiently to prevent damage this winter.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

8	9		5			6		
	2	5	3					
4		7		8	9		3	
			1	4		5	2	
9							6	
			9		6			8
			7	1	2	3	8	
	1					9	7	
7		6				2		

**ANSWER:**

8	9	3	5	7	1	6	4	2
1	2	5	3	6	4	8	9	7
4	6	7	2	8	9	1	3	5
6	3	8	1	4	7	5	2	9
9	7	1	8	2	5	4	6	3
2	5	4	9	3	6	7	1	8
5	4	9	7	1	2	3	8	6
3	1	2	6	5	8	9	7	4
7	8	6	4	9	3	2	5	1

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
