END OF YEAR MESSAGES FROM WILDWOOD SENIORS

Submitted by Esther Johnston on behalf of the Wildwood Senior Citizens Club

2016 is soon coming to an end. The Executive and its members extend Christmas Greetings and a Happy New Year to all. The Executive includes Jean Riehl, President, Opal Buckland, Vice President, Charlotte Winters, Treasurer, and Esther Johnston, Secretary.

Our club started in 1967. This year we have 68 members. We welcome new members from the age of 50 years to join our group, to enjoy functions and make new friends. There are four Executive positions, seven Directors,

Membership Coordinator(s) and Maintenance people. We have many Committees to help with various activities. All positions are volunteer. A Phone Commit-

tee of three ensures information is provided regularly to club members.

MOONLIGHT MADNESS SET FOR NOVEMBER 25TH

Submitted by Al Hagman

Head on downtown to take in Evansburg's Moonlight Madness on Friday, November 25th. Stores will be rolling out some great deals, as we kickoff the Holiday season. With prices falling like snowflakes, come out and take advantage of the offers and giveaways to be had. The fun begins Friday, and lasts through until 10:00 p.m. at most stores.

The Evansburg Legion will

once again host the Home Based Business Fair. They will welcome crafters, home-based businesses and farmers' market vendors. Tables are only \$10.00 each, and can be booked by calling Marcy @780-727-0007 or the Legion (after 3:00 p.m.) @ 780-727-3879. This event runs from 4:00 p.m. until 10:00 p.m. A concession will be available.

Angie Miko once again will be situated on the stage at the Legion, set up to take pictures with our dear Santa Claus. For

a mere \$5.00 you can have your picture with Santa and receive the picture right then and there. This runs from 6:30 until 8:30 p.m.

There are many other events to take in including refreshments with the Yellowhead County Fire Fighters, carolling, visiting with the Grouch and Santa, as well as taking in the Christmas tree Light-up @ 7:00 p.m. in the corner of the bakery lot.

2016 BRAVO! COMMUNICATIONS AWARDS

Submitted by Grande Yellowhead Public School Division

Grande Yellowhead Public School Division is proud to announce that Nikki Gilks, Manager of Communications Services, recently received two national awards for communications projects completed during the 2015-16 school year from the Canadian Association of Communicators in Education (CACE) at this year's annual conference in Ottawa.

CACE recognizes and honors exemplary work in all aspects of school public relations, communications, marketing and engagement through the CACE BRAVO! Awards Program. Each year, submissions from school divisions from across Canada showcase communications initiatives and are then judged by a panel of CACE members from across Canada. There are four levels of recognition that can awarded:

- Awards of Excellence (90-100%) - Trophy

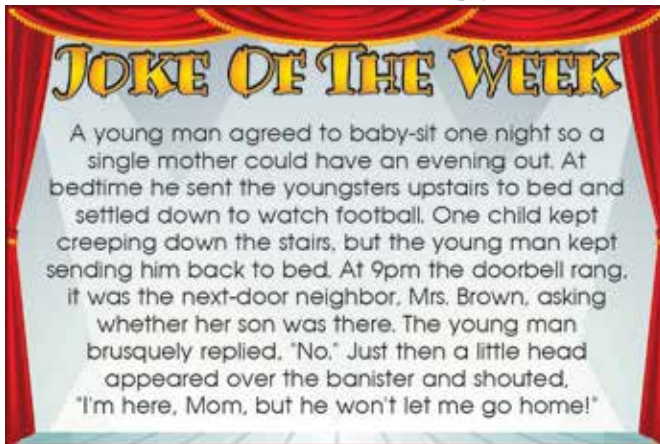

- Awards of Distinction (80-89%) - Certificate
- Awards of Merits (79-75%) - Certificate
- Coup de Coeur (85-100%) - Blue Ribbon

All BRAVO! submissions need to justify the reason for the development of the initiative, explain to the judges on how the entry came

about, who the intended audiences are, how it was implemented, and how its success was measured.

Mrs. Gilks was presented with an Award of Distinction for the 2015-16 Divisional Print Calendar, and an Award of Excellence for the design and content of the division's new Health and Wellness section of their website. "I was very honoured on behalf of the division to be awarded this recognition from my peers," said Gilks. "Both projects were achieved through a lot of dedicated work and passion from others at Grande Yellowhead including our Division's Health and Wellness Committee, and from our schools who annually share some fantastic photographs of events happening with their students."

Superintendent Cory Gray was also pleased for the division to be recognized as improving communications is one of Grande Yellowhead's key priorities. "Recognition of two of our communications initiatives by a national group such as CACE, acknowledges that we are moving in the right direction by focusing our efforts in keeping our stakeholders informed."

End of Year Messages From Wildwood Seniors

Continued From Page 1

ContinuMeetings are held the fourth Wednesday at 2:00 pm monthly, except in July, August and December, in the seniors' centre, on the east side of the Wildwood Community Hall.

Our mission statement is to provide social, health and wellness, and learning activities for seniors to share their experience, wisdom, and skills with children and community volunteerism. Our vision statement is to provide the continuation of social activities for the seniors and the community. We value everyone, promoting respect for all. We treasure our children ensuring continued communications. We want to see that our seniors have a place to call their own, a place to socialize and enjoy life.

We have different activities going on most days of the week. 2016 includes Games (Floor Curling) on Monday afternoons that are temporarily on hold, Chair exercises, taught by a Registered Instructor, on Tuesdays and Thursdays from 11:00 to 12:00 am. Funding from Lobstick Literacy and Learning Society keeps this activity going. Community Kitchen, funded by Lobstick Literacy and Learning Society too, is on the third Tuesday of each month except July & August. Grandparents Program is on Wednesdays, from October through May, with funding from the Yellowhead County Family and Community Support Services (FCSS). Quilting and/or crafting is on the third Friday and will carry through the third Saturday if there are no rentals. This can provide two days to work on a project. There is a drop-in fee that goes to the Seniors' Club.

If there is a craft you would like to learn, contact Esther at 780-325-2468 to get started through members who will work with you on the craft you would like to start or enhance. Calling ahead will ensure someone will be available to share the chosen talent. Instruction is available for quilting, crazy quilting, sewing, card-making, scrapbooking, knitting and crocheting. Due to allergies, painting is not available on the third Saturday at the seniors.

We have Socials, a Silent Auction in the spring, and (five) Fundraiser

Suppers. The suppers one in February, April, June, September and November. Mark your calendar the fourth Wednesday of the five months at 5:00 pm to come in. Anna and friends are waiting for you.

Starting Monday, November 14, 2016, the Wildwood Seniors will be hosting a Drop-In Afternoon from 1:00 pm to 4:00 pm at its Hall for a minimal cost. Coffee and tea will be available. This new program is open to everyone, regardless of age. So, if you enjoy board games, cards, pool, and to visit or socialize with friends, please Drop-In. The

contact and organizer for this function is Connie Gatzke. Drop-In and see what is happening. If you have other interests, please let her know. She hopes to see you at the Seniors Hall.

On Saturday, November 19, there will be a Christmas Item, Baking and Craft Garage Sale. Tables are available to vendors. Contact Charlotte at 780-325-3787 to book your table. Donations will be graciously accepted for the Seniors' table.

Our Hall, with its entrance on 49th Street, is available for rent for private functions, special oc-

casions, craft days, parties, birthdays, anniversaries, etc. This is a No Smoking, No Alcohol area. We strive to be fragrance / scent-free because of allergies. Hall Rentals have been handled by our Past President, Opal Buckland. We are looking for a Booking Coordinator. Please contact Jean at 780-325-2391.

We look forward to 2017 with continued interest to our events, with hopes of increasing functions, friends and memberships. Wishing everyone a "Merry Christmas and a Happy New Year" from the seniors.

DATE NIGHT!

Submitted by Shayna Powell, Tipple Park Museum Manager

How long has it been since you have looked forward to a 'Date Night'? Often long term couples become complacent and quit trying to woo their significant other. Date night means different things to different couples. My husband and I used to look forward to the monthly horse auction that used to be held in Drayton Valley; sadly it is shut down now. We used to jokingly refer to it as "date night." We would always plan to go early, have a dinner out and then go to the auction. Not exactly a romantic night on the town in most couples minds; however we share a love of horses and enjoyed meeting up with the same kind of horsey people. In addition, there was always that niggling impetus that there could be a 'diamond in the rough' that could possibly end up grazing on our pasture. We looked forward to our 'Date Night' and enjoying each other's company. Date Night might entail taking in a movie, enjoying a sporting event, cutting a rug at the local dance hall or a romantic dinner for two. Whatever shared interests a couple have and taking the time to do that, can make any night a date night. Everyone likes to eat, so a dinner out is often a favourite date. Enjoy a date night at the Tipple Park Museum on November 25th at 7:00p.m. You will be served dinner, be serenaded by a professional harpist and finish with a

delicious dessert all for the mere price of \$30.00/each. All tickets are by advance purchase only, so be sure to call 780-727-2240 to save your table now. Renew the woo and book a table for two!

On Wednesday, November 23rd we will be enjoying heritage snacks and refreshments at 7:00 p.m. while we learn all about mines and mining in our local area. Once again Faye Hill will be our informative instruc-

tor; our thanks go out to her. Please call the museum to register, it is \$15.00/per session.

We are still accepting applications for our 'Festival of the Trees'. Design a wreath, centerpiece or Christmas tree and then watch the item be auctioned off on December 2nd at 7:00 p.m. Families and local businesses are encouraged to sponsor or design a tree and challenge their friends and rivals to a tree

competition. All proceeds will be going to the WEE food bank. Spread the Christmas cheer and come visit our Christmas festival display in December!

The Tipple Park Museum is open during the winter from 10:00-5:00 p.m. Wednesday-Saturday. Stop on by and pay us a visit. We are always looking for interesting artifacts, volunteers and stories about our local area.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager

You may or may not be aware that the Yellowhead Regional Library received funding from the Public Library Services Branch to expand services to on-reserve and on-settlement populations. We are pleased to announce that our proposal was submitted and has been approved and we will be receiving funding to expand our services to these populations.

The project: a joint application which includes, Darwell Public Library, Rich Valley Public Library, Alberta Beach Municipal Library, Onoway Public Library and the Stony Plain Public Library, will bring us closer to providing culturally appropriate services to these communities. We are collaborating with representatives from the Alexis Nakota First Nation to establish the priority needs of the community. To start with we will be establishing a library at their ECS-Grade 12 School in a large space that has been provided. We will be consulting with the teachers and students on design, set-up and running of the library. Once the school library has been established we will start to create mini libraries that will roll out into other key community locations. We are very excited about the project and hope to have the library established and functional by March 2017.

The next Book Club meeting will be on Monday, December 5, 2016 at 6:00p.m. to discuss "The Bone Clocks" by David Mitchell. This will be our Christmas potluck so bring your favorite dish to enjoy before the discussion. Do you love to read? Do you like to discuss what you have read with others? We have a few open spots and are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and make arrangements for loan of the current title by calling the library @ 780-892-3746.

The Christmas Family Movie Night, at the Lake Isle Community Hall, will be held on Friday, November 25, 2016. We will be showing the pre-release "G" rated title "BFG". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission will be free for children and each child will re-

ceive a grab bag at the end of the movie; the concession will also be available. See you there! All of our programs are sponsored by The Darwell Public Library Society, Darwell Library Friend Society, FCSS and the CLSA Library Grant. We currently have a signup sheet in the library for a 4 month beginner Tai Chi class that will run 2 times a week, starting in February and ending in May, 2017. There will be a cost for this program which is yet to be determined based on facility cost and number of registrants. We need a minimum of 10 people to register to see the program go forward so

if you are interested please stop by and add your name to the list along with your preference for daytime or evening sessions.

The health benefits of Tai Chi, a gentle form of exercise can help maintain strength, flexibility and balance, and could be the perfect activity for the rest of your life. Tai chi is often described as "meditation in motion,". There is growing evidence that this mind-body practice, which originated in China, has value in treating or preventing many health problems. And you can get started even if you aren't in top shape or the best of health.

The Darwell Public Library Society will be holding their next regular meeting on Monday, November 28, 2016 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

PARLIAMENT UPDATE – WEEK OF OCTOBER 31, 2016

Submitted by Jim Eglinski, MP – Yellowhead

This week in Parliament, with the release of the 2016 Fall Economic Statement, we largely focused on the Liberal Government's budget and deficit. We also covered topics including poverty, the ethics around Liberal ministers' "cash-for-access" fundraising events, and aquacul-

ture in British Columbia.

The following was debated in the House:

- Bill C-29 – Budget Implementation Act, 2016, No. 2 (Second Reading)
- Bill C-26 – An Act to amend the Canada Pension Plan, the Canada Pension Plan Investment Board Act and the Income Tax Act (CPP) (Second Reading)
- Bill C-306 – Crimean Tatar

Deportation ("Sürgünlik") Memorial Day Act (Second Reading)

- Bill C-228 – An Act to amend the Fisheries Act (closed containment aquaculture) (Second Reading)
- Bill C-245 – Poverty Reduction Act (Second Reading)
- Bill C-311 – An Act to amend the Holidays Act (Remembrance Day) (Second Reading)

• Bill C-235 – An Act to amend the Criminal Code and the Corrections and Conditional Release Act (fetal alcohol disorder) (Second Reading)

- CPC Opposition Motion – Conflict of Interest and Ethics Commissioner

CHICKEN HEALTH WORKSHOP

Submitted by Stefan Felsing

(November 3, 2016) - "Dr. Savannah Howse and Dr. Michelle Woodruff, Veterinarians from the Rocky Rapids Vet Clinic in Drayton Valley have been invited out to go over one of the most important aspects of owning any animal, keeping them healthy." says Yellowhead County's agricultural services coordinator Melissa Marquis. "This work-

shop is for anyone who wants to raise backyard poultry flocks and has an interest in learning how to recognize and prevent common poultry diseases."

Dr. Howse and Dr. Woodruff will be presenting for two hours, starting off with disease prevention. This topic will include information on good purchasing practices, proper housing, vaccinations, medicated feed/water and more. The second part of the presentation will be on recogniz-

ing the signs of illness such as those for nutritional, respiratory, ocular, and gastrointestinal diseases. The final portion of the presentation will be on regulations, good microbial stewardship, and vet-client-patient relationships. There will be half an hour at the end for additional questions anyone may have.

The event is being hosted at the Wildwood Community Hall on Tuesday November 22nd, 2016 from 6:00 p.m. - 8:30 p.m.

Snacks and refreshments will be provided. The cost to attend this event is \$5.00 per person and must be paid before the registration deadline of November 17th, 2016.

Pre-registration and payment is required for this event before November 17th, 2016. For more information or to register please contact the Yellowhead County Wildwood Office at 1-800-814-3935 or 780-325-3782.

NATIONAL HOUSING STRATEGY CONSULTATIONS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise his constituents of the launching of a nationwide discussion on housing through a dedicated website, www.LetsTalkHousing.ca wherein Canadians can have their say on the National Housing Strategy. The strategy will build on existing collaboration between governments and seek to achieve better housing outcomes for Canadians. As your Member of Parliament for Yellowhead, I encourage you to participate in this discussion that will shape a long-term approach for housing in Canada.

The National Housing Strategy will be developed according to 10 core principles:

Results-Based

Parliament Update

Continued From Page 14

On Friday, I presented a petition requesting that the government appoint a Minister for Seniors as well as develop a National Strategy for Seniors. Also on Friday, I asked the Liberal Government how it is planning to provide income disaster relief to the agricultural sector in our riding, especially Brazeau County. Finally, I asked a question during debate on C-26, and two questions during debate on C-306. You can read my above comments and questions on Friday's Hansard at <http://www.parl.gc.ca/housechamberbusiness/ChamberSittings.aspx>

In the Standing Committee on Environment and Sustainable Development (ENVI), we reviewed federal protected areas and conservation objectives. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

This week, I attended seven meetings and five events. As Parliament will be down next week, my following update will be on my travels, meetings, and events in the riding.

1. Environmentally sustainable: we want housing to contribute to a cleaner environment and support a greener tomorrow

2. Performance tied to results: we measure our performance; evaluate our outcomes; and base our decisions on the best evidence of what works

3. Self-reliance: we seek to support greater self-reliance for individuals, families and housing providers, where possible

4. Fiscally responsible: we seek fiscally responsible housing

responses and leverage support from others

5. Flexibility: we recognize that there is no one-size-fits-all solution to addressing housing needs

6. Community-centred: we believe housing should be community-based and consider access to public transit, proximity to work, amenities and services

7. Economic stability: we want a stronger housing system that supports stability in the Canadian economy and helps withstand

fluctuations in the economic cycle

Process-Based

8. Innovation: we encourage innovative new approaches

9. People-centred: we remember that people are at the heart of all housing solutions

10. Collaboration: we value collaboration and build respectful relationships

SHARING A LASTING LEGACY

November 2016 – People often can't help but smile when they see six-year-old Kamryn Bond lay a wreath with her friend, Shannon Krasowski, 40, at their local Remembrance Day ceremony. Although an unlikely pair, they are both amputees and are part of a legacy that goes back nearly 100 years.

Kamryn is a member, and Shannon a graduate, of The War Amps Child Amputee (CHAMP) Program. It was war amputee veterans who created The War Amps in 1918, its Key Tag Service in 1946, and later, the CHAMP Program. Since 1975, thousands of child amputees across Canada have received financial assistance for their artificial limbs through CHAMP and attended regional seminars where they learn about growing up as an amputee.

When Kamryn was 11 months old, both of her legs, right hand, and several fingers on her left hand, were amputated due to a respiratory illness. Shannon's left leg was amputated when she was 13 years old due to bone cancer.

They met three years ago at their

local Remembrance Day ceremony. That year, Kamryn watched Shannon lay a wreath on behalf of The War Amps Operation Legacy, but ever since, it has been a tradition they share.

While growing up as a Champ, Shannon met many war amputee veterans and heard their firsthand accounts of the devastation of war. "They passed this legacy to us younger amputees and now it's our turn to share their stories, so that we never forget their sacrifices," she says.

Although Kamryn is still quite young, her mom, Dale, says it is important for her daughter to lay a wreath on Remembrance Day. "It builds the foundation for her to understand how much our war veterans gave up for our freedom."

Dale adds, "We will always be appreciative of the work of the war amputee veterans and the message they have left for young amputees like Kamryn to carry into the future. It is for this reason that she lays a wreath every year in their honour, and will do so for many years to come."

GYPSD PUBLIC BOARD MEETING KEY MESSAGES

**Submitted by Nikki Gilks,
Grande Yellowhead Public
School Division**

Nov.2, 2016

Today is 'Take Your Kids to Work Day' and on behalf of the division, we offer a sincere thank you to all the businesses and volunteers who have opened their workplaces to our Grade 9 students who will be spending the day with them to learn more about the world of work.

Learning Updates

The Learning Services department provided key updates for the Board on a number of initiatives and strategies taking place throughout

the division such as implementing strategies for elementary students on self-regulation. This year's focus on literacy started with data analysis of students requiring specific needs and increased collaboration sessions for staff on developing sustained reading and vocabulary acquisition skills. The dual credit program for students has expanded new opportunities for those wishing to pursue a career as a Oil and Gas Pipeline operator with GYPSD's new partnership with NAIT. Reviewing technology trends and creating policies is underway with a new group of stakeholders taking part in a Learning and Technology Advisory Com-

mittee who held their first meeting in October.

Other News in Brief

- Trustees approved their 2015-16 Board Self-Evaluation document which was a self-evaluation questionnaire used to review the board's past year performance and to align with future goals. The four areas of equal focus were increasing partnerships with local businesses/industries for benefit of students; improving apprenticeship opportunities; developing community citizenship skills in students and what schools are currently doing and how trustees can expand those opportunities; and increasing literacy/numeracy and

links to lifelong learning.

- An amendment to Policy 6 - Role of Board Chair was approved.

- An overview of the division schools' budgets for the 2015-16 school year was presented by J. Karén, Asst. Supt. - Business Services.

- The Board received an update in regards to the school naming process for the new replacement school in Edson that is currently under construction. A total of 135 names were submitted and will be forwarded to the School Naming Committee for consideration at their first meeting on Wednesday, November 9th. As per the process approved on September 7th, The School Naming Committee is to review all name submissions and forward three names in order of preference by Wednesday, November 30, 2016 to the COTW for consideration at their meeting on December 14, 2016. The COTW will forward their recommendation for the Board's approval at the Public Board Meeting on January 11, 2017.

- Nikki Gilks, GYPSD's Communication Manager, shared news about two communications awards received at this year's annual conference for the Canadian Association of Communicators in Education (CACE) on October 23-25, 2016 in Ottawa. (see separate press release).

- A preliminary review of the 2015-16 Provincial Achievement Tests (PATs) and diploma exam results were discussed. High school graduation rates were also reported for Grande Yellowhead which showed a slight decline in areas hit by an economic downturn in communities where families have relocated out of the jurisdiction or province. Noted Sandy Axmann, Supervisor of Learning Services, "We have had families struggle this past year, and the stress this has had on our students is demonstrated with these results. On a more positive note, the division's Indigenous graduation rates continue to be well above provincial norms."

- Trustee Zaporosky recently attended the opening of a new mosque in Edson which was very well attended by community members including many local GYPSD staff.

NOVEMBER SCHOOL NEWS FROM GYPSD

**Submitted by Nikki Gilks,
Grande Yellowhead Public
School Division**

Grand Trunk High School,
Evansburg

November is here and with the start of a new month is a new list of activities. The annual Take Our Kids to Work day for the Grade 9's is one of the first events for the students at Grand Trunk High School. This activity allows the Grade 9 students to spend a day at their parents', relatives', or family friend's work place to get a sense of the type of work they do on a

daily basis. November also sees the volleyball season come to a close. The senior teams will play in their final tournament prior to their zone tournament in Edson at Parkland Composite. The senior teams will then travel to Boyle (Girls) and Westlock (Boys) to play against other 1A schools in the zone for the right to represent the North Central Zone at provincials. The junior high volleyball team will end their season with the annual GYAC tournament in Edson on Monday, November 21st. Good luck to all athletes involved. The annual Remembrance day

exercise will take place on Thursday, November 10th at 1pm in the theatre hall at the school. We are happy to have representatives from the Evansburg Legion joining us for this event. Poppies will be available at the office and all monies collected go back to our local legion.

GTHS Events for November

- November 10 Remembrance Day Exercise @ 1pm
- November 11 No School (Remembrance Day)
- November 18 Sr. Girls Volleyball Zones @ Boyle, Sr. Boys Volleyball Zones @ Westlock

• November 21 Jr. Volleyball GYAC tournament (Edson)

• November 28 School Council Meeting @ 5pm

Niton Central School, Niton Junction

One of our goals for students and teachers this year was to become more proficient in technology. After receiving a variety of new technology teaching tools, our staff decided that we will choose one to focus on with our students each month. Our first choice was the Osmo. Last month our students started learning how to use the Osmo as a tool to help with mental math, basic facts, phonics, spelling, art and much more. The students also had the opportunity to start learning about coding using the Osmo. The younger students were able use the beginner's kit to start piecing together movements, while they older students had the opportunity to delve deeper into the coding process. The Osmo is also a great tool for students to improve fine motor skills. Our staff and students have all been working hard to learn more about this technology, so that we are able to see high success with rest of the students in our school. Mid October was Citizenship Week and the Grade 4 class was well under way to learning what it means to be great citizens. In October they kicked off a school wide recycling program. They spent September planning and organizing what their responsibilities are, so they were eager to get started. Not only have they taken on Terra Cycle (which helps the environment and raises money to maintain our community garden), they are recycling all the paper, cardboard, and bottles for every class in the school. They are making a big impact in our school and a positive impact on the environment. The Grade 6 class is launching the Superflex program at our school. Mr. Meier reintroduced the program to them at the beginning of the year and they were very excited to start hosting monthly assemblies to focus on a new character each month. Last month our school wide focus was on 'Rock Brain'.

Wildwood School, Wildwood

On Wednesday, November 2nd our Grade 9's will be absent from school and on the job! Along with most Grade 9 students in Alberta, Wildwood's Grade 9's will spend that day shadowing an adult in the workplace as that host person carries out their typical workday. The intent of the day is for youth to get a true idea of what it is like to work for a living and to see what it takes to get a job and keep a job. The day these teenagers enter the workforce is really not far off, however preparation for the world of work gets a MAJOR emphasis for any age of student at Wildwood School. Wherever possible, teachers here strive to create real life learning opportunities that will prepare children to be successful at their future jobs. These students pictured from the Grade 4/5 class are learning about simple machines in the science unit called 'Wheels and Levers'.

Their teacher created an opportunity for students to work in crews of three to set up a miniature gantry system to learn about pulleys and how they can make lifting easier. The simulation included lots of problem solving and lots of hands on. One person yelled out, "I would not want to be under that weight in a shop the day the rope slips!" A BIG discussion about workplace safety came up naturally. Everyone agreed: Never stand under a suspended load. Life saving learning. Parents frequently ask teachers what they can do at home to help their children

become even more successful as kids work towards becoming an adult in the workforce.

From the earliest age two simple skills can get extra attention at home. Foremost is TALKING, TALKING, TALKING! Expect children to be specific and descriptive when they are talking. Excellent communication skills are always sought after when hiring. Second is engaging in any activity where kids can build up the grip muscles in the palms of their hands: cutting with scissors, crafts and projects, any squeezing, grabbing, turning, holding or stirring.

Development of these muscles is foundational not only for printing but for doing any work in the skilled trades. Good manners and a strong work ethic are also success indicators. Both parents and teachers strive to be consistent and set a high standard for students in these two important areas. Preparing students for the world of work is really done in partnership between teachers and parents. Both truly share the same hopes for children to be hugely successful in life. Wildwood School is proud to partner with parents in many ways to prepare young people in

our community to be aces at whatever they choose to do for work. Preparing for the world of work is part of the Wildwood Advantage: Small School, BIG Ideas!

- I've tried all kinds of products
and so happy to find one
that actually works!"

- Elaine Spruce Grove

"I've lost 21 pounds in 7 weeks! I
tried everything over the last 10
years and nothing worked - I kept
gaining and got very depressed.
Who'd of known that taking one little
Miracle 100% Natural Pill a day
would allow me to succeed!!"

- Penny M. Stony Plain

"Down 36 lbs. in just 2 months.
Even Dr. B's diet where I had to
starve myself on 800 calories
couldn't do this. This product is
just totally awesome - Just the
total overall feeling good"

- Toni Spruce Grove

"Have heard as much as 15lbs loss
from the 3 day sample - it works
that good! Have nothing to lose but
the weight which I am doing"

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

| | | | | | | | | |
|---|---|---|---|---|---|---|---|---|
| 4 | 6 | 5 | 1 | 9 | 2 | 3 | 8 | 7 |
| 9 | 3 | 7 | 6 | 5 | 8 | 2 | 4 | 1 |
| 2 | 1 | 8 | 3 | 4 | 7 | 5 | 9 | 6 |
| 7 | 2 | 6 | 9 | 3 | 5 | 8 | 1 | 4 |
| 8 | 9 | 3 | 4 | 7 | 1 | 6 | 5 | 2 |
| 5 | 4 | 1 | 2 | 8 | 6 | 7 | 3 | 9 |
| 1 | 5 | 2 | 8 | 6 | 9 | 4 | 7 | 3 |
| 3 | 8 | 9 | 7 | 2 | 4 | 1 | 6 | 5 |
| 6 | 7 | 4 | 5 | 1 | 3 | 9 | 2 | 8 |

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
