## ANNOUNCING THE WINNER OF MP EGLINSKI'S 2016 CHRISTMAS CARD CONTEST

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to announce the winner of his 2016 Christmas Card Contest.

Fallyn Adams, a grade three student at Elmer Elson Elementary in Mayerthorpe, designed the cover of MP Eglinski's Christmas card this year. Her artwork, entitled "A Magical Christmas", depicts elves and other creatures busy at work with a sleigh flying overhead.

"There are many talented

young individuals throughout our riding. I am delighted to recognize Fallyn as one of our young artists and showcase her work," said MP Eglinski.

Ms. Adams' artwork will also appear on MP Eglinski's Facebook page ([www.facebook.com/jimeglinski.mp/](http://www.facebook.com/jimeglinski.mp/)) and website ([www.jimeglinski.ca](http://www.jimeglinski.ca)).

"I want to thank all of the students from Kindergarten to grade eight who participated in the contest. There are many up and coming artists in our riding, and I look forward to seeing their work in years to come," concluded MP Eglinski.

## GREEN CART COLLECTION WINTER SCHEDULE STARTS NOVEMBER 14

Submitted by Mariann McLaughlin

The City of Leduc reminds homeowners of the upcoming changes to regular curbside pick-up program. Starting the week of Nov. 14, 2016, green organic carts will be emptied every two weeks until mid-April 2017 when the collection schedule re-

sumes to the weekly format.

The city offers the following tips to help residents keep their carts clean and well maintained throughout the winter months:

- Keep the cart lid closed
- Line the cart with approved 100 per cent compostable bags, paper towels or newspaper so other material doesn't stick to the bottom

• Wrap material in newspaper or soiled cardboard

• Alternate layers of 'brown' material such as leaves, shredded paper, cardboard or sawdust and 'green' material such food scraps

• Put the cart out for collection on scheduled collection days even if it isn't full

# THE HOUSE OF COMMONS PAGE PROGRAM

Submitted by **Jim Eglinski, MP – Yellowhead**

Each year, 40 students are selected from high schools and CEGEPs across Canada to come to Ottawa to work as Pages in the House of Commons. Pages have the opportunity to learn about the House of Commons while witnessing the

legislative process first hand.

Those hired as Pages work on a part-time basis during their first year of study at one of the universities in the National Capital Region.

I invite you to explore this site and learn about the unique experience and history of the Page Program and explore the opportunity

to be at the centre of the action.

Should you be interested in being one of the 40 Pages please go to:

[http://www.parl.gc.ca/Employment/House/PageProgram/PP\\_ApplyProcess-e.htm](http://www.parl.gc.ca/Employment/House/PageProgram/PP_ApplyProcess-e.htm)

The deadline for the '2017-18 Page Program' is December 5, 2016.

## Green Cart Collection Winter Schedule Starts November 14

Continued From Page 1

- Keep food scraps frozen until your collection day

"Items, such as food scraps, soiled paper and cardboard can be deposited into your green cart – yet clean and dry paper/cardboard should be placed in your blue bag as they can be recycled and remade into new products," says Kerra Chomlak, environmental sustainability co-ordinator

with the City of Leduc. "However, plastic bags must be placed into the black waste cart as they contaminate all the good organic waste you place in your green cart. Contaminated green carts are turned away and redirected for waste, which is something we all want to avoid."

Sorting organics helps Leduc work toward its residential waste diversion target of 65 per cent by 2020. At year-end 2015, Leduc

achieved 52 per cent residential waste diversion.

The City of Leduc publishes an Environmental Progress Report which can be found online (Leduc.ca) that provides a wide range of environmental initiatives and annual statistics on key milestones achieved within the city's environmental sustainability plan.

### JOKE OF THE WEEK

Against his better judgment, the big game hunter is talked into taking both his wife AND her mother along on one of his expeditions. It does not go well. The mother-in-law is, if anything, harder to get along with in the wilds than she was in the city. And to make matters worse, she won't even abide by the simple camp rules designed to keep the safari safe. One night after dinner, the hunter's wife realizes her mother is missing. Panicked, she rushes to her husband and begs him to institute a search. He sighs, and together they set out. But before they've gone far, they hear throaty growling. Soon they come upon a small clearing in which the mother-in-law stands, backed up against thick, seemingly impenetrable jungle brush, and facing a huge male lion. The wife whispers urgently, "What are we going to do?" "Nothing whatsoever," responds her husband. "The lion got himself into this mess, now let him get himself out of it."

## BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORIES LIFTED

**Submitted by Alberta Health Services**

RED DEER– Recent weather has cooled lake and reservoir water temperatures to such an extent that blue-green algae is no longer a health concern, including in seven bodies of water in Central Zone, all of which

had previously been placed under blue-green algae (cyanobacteria) bloom advisories.

Effective immediately, Alberta Health Services has lifted the blue-green algae (cyanobacteria) bloom advisories for:

- Wapasu Lake
- Pigeon Lake

- Pine Lake
- Wizard Lake
- Magee Lake
- Alix Lake
- Clear Lake

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any lake or reservoir, at any time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# 9 READINGS AND CAROLS

**Submitted by Brenda Rusin**

“Joy to the World! The Lord is come.” While the commercial aspect of the Christmas season can be found all around us, we’ve often commented on how nice it would be if we could slow things down and enjoy the TRUE

meaning of Christmas.

For more than 40 years, the church communities in Evansburg and Entwistle have gathered together to do just that. This year, on December 7, everyone is invited to join us for 9 Readings and Carols, an evening to listen to Scripture readings that tell the Christmas story, and sing some favor-

ite Christmas carols. Each year, members of the various denominations take turns reading a scripture passage, and through the years, there has been a wide variety of musical performers with their renditions of Christmas carols. Refreshments will be served, and there will be time to visit with fellow community members.

Please join us on Wednesday, December 7th at 7 PM at St. Elizabeth church, 5015 - 50 Ave, Evansburg. Remember, everyone is welcome, whether you’ve “been to church” lately or not! If you have any questions, please call Liz at 780 727-3872 or Brenda at 780 727-4476.

## RIDING UPDATE – WEEK OF NOVEMBER 7, 2016

**Submitted by Jim Eglinski, MP – Yellowhead**

As Parliament was down for the week, I attended events and meetings in the riding.

Last Saturday in Drayton Valley, I observed a province-wide rally against the Alberta NDP Carbon Tax Initiative. I believe the provincial and federal carbon tax grabs will chase away jobs and do nothing to achieve our national climate change goals.

I had meetings Monday morning in my Edson office, and later that evening I attended the celebration of Master Corporal Raymond Arndt. MCpl Arndt was killed in action during service in Afghanistan in August of 2006. He is remembered for his quick smile and his tenacity to follow what he loved.

On Tuesday, I had the opportunity to speak to students at Holy Redeemer High. I then attended the ribbon cutting ceremony and grand opening of the new Edson healthcare centre. Later, I participated in Community Engagement discussions at the Family and Community Support Services’ Anniversary Party.

Wednesday was spent in meetings, and on Thursday afternoon I attended the Chamber of Commerce meeting in Rocky Mountain House to provide a federal update on the CPP tax hike and the federal carbon tax. Later, I visited West Central High School with CIVIX Canada.

Friday, being Remembrance Day, I spent the day in the company of veterans and current serving members of the Canadian Armed Forces and Reserves. This year, I participated in the Remembrance Day Ceremony at Mayerthorpe’s Legion. On my drive back to Edson, I dropped in at the Cherhill, Evansburg and Wildwood Legions. I ended the day at the Edson Legion, exchanging stories with members over dinner.

I look forward to returning to Ottawa on Saturday where I will spend the next five weeks. My next update will be next Friday on my week in Ottawa.

The blackmail includes demands for money, with the threat of the victim's compromising images being released to friends, family and posted on-line if they do not comply. The Leduc RCMP are encouraging all users on social media to exercise caution when accepting new friend requests, especially when private or compromising images are requested.

# SUDOKU

## OF THE WEEK

### Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
