Let your child place the gift in the drop off boxes at your local business and let this experience warm your families heart by giving. If we all work together we can make Christmas a little brighter for many children in this community.

**JOKE OF THE WEEK**

One Christmas, Joe and Peter built a skating rink in the middle of a field. A shepherd leading his flock decided to take a shortcut across the rink. The sheep, however, were afraid of the ice and wouldn't cross it. Desperate, the shepherd began tugging them to the other side.

'Look at that,' remarked Peter to Joe, 'That guy is trying to pull the wool over our ice!'

# WEEKS BEFORE CHRISTMAS...

Submitted by Mark Harvey, Solutions Repair & Maintenance "Handyman Service" 780-892-3060; Solutions.repair@xplornet.com

'Twas just weeks before Christmas and all through the County,

Not an officer was spotted, not even a Mountie.

This isn't quite true as what I saw next

Was a car that was stopped and the driver had text.

What happened there after, I couldn't quite tell

But the driver was angry and started to yell.

The words were not pleasant and gestures were made

The officer was courteous, his nerves were not frayed.

After all was completed and ticket was given

The driver gets going, the car nicely driven.

We see one, then another  
A sister, friend or brother  
Who call or text while driving the road

And yes, I've been guilty of while knowing the code.

This short little rhyme is here for a reason

We hope you be safe this holiday season.

Don't drink and drive or text or phone

Just wait a while and see how you've grown.

Be safe and happy and full of good cheer,

And know that "ALL's WELL", we'll see you next year.

My last passing thought is to hope you refrain

While hoping the message will stick in the brain

May the season be cheerful with memories galore

Merry Christmas, my friend, and many, many more.

# TASTY GATHERINGS DINNER AND WELLNESS CLUB'S GLUTEN-FREE HOLIDAY ENTERTAINING CLASS

Submitted by Dolores Fletcher

Last month's vegan sushi class was a lip-smacking, sold out success – but if you missed it or couldn't get in because registration was full, you have a chance to be at the next Tasty Gatherings event.

This month's cooking class takes place on Tuesday December 13 at 6:00 pm. The theme is vegan gluten-free holiday entertaining, and participants will discover interesting techniques for making delicious gluten-free entrées, snacks and dessert.

While not everyone needs to go gluten free (it's important for those formally diagnosed with celiac disease) many people are going against the grain(s) and as a result, are feeling healthier and more energetic.

It's important to eat a rich diversity of whole and natural foods and not just replace grains with sugary or refined carb-heavy substitutes. While many have had success by going gluten free, that success hinges on knowing how to plan a variety of nutritious meals.

Tasty Gatherings December 13 class will give participants several healthy vegan recipes that everyone, gluten free or not, will love. These recipes are sure to become weekly menu staples.

Get ready to meet some great people and add tasty gluten free recipes to your meal plans.

We also want to thank Homegrown Foods, Stony Plain's organic health food store, for donating two wonderful door

prizes for our vegan sushi class last month. They donated lovely gift basket items and a gift certificate. Thank you Homegrown Foods! You are awesome and the gifts were well received.

Tasty Gatherings is a monthly dinner and wellness club. Each month features different approaches to achieving and maintaining a healthy lifestyle. Along

with the food demonstrations and hands-on experience, from time to time we will bring in guest speakers and other health professionals. Tasty Gatherings is a great place to make new friends. Come on out and be part of our monthly get togethers.

For more information or to register for this class, call Evangeline at 780-967-5461 or email

tastygatheringsdinnerclub@gmail.com by December 11. Registration is limited to 25, so please book early to secure a spot. Cost is 15.00 per person (to cover the cost of food)

Tasty Gatherings Dinner and Wellness Club meets and is sponsored by the Onway Seventh-day Adventist Church, located at 2026 Hwy 37 Onoway.

# WHITECOURT PRESENTED FINDINGS OF 2016 WASTEWATER TREATMENT PLANT STUDY

Submitted by Tara Gallant

Stantec has completed Whitecourt's 2016 Master Business Plan and Odour Mitigation Report, and a presentation was made on its findings to Town Council at the November 28 Regular Meeting.

Stantec was contracted in April 2016 to complete a technical review that included:

- A review of the plant's original design in relation to how it is currently performing/operating.
- A review of the generation of

sludge and what can be done to minimize it.

- A review of how the facility handles gravel and other inert materials.

- Recommendation on changes to the plant that can increase capacity and address odour concerns.

Throughout the study period, a number of consultation initiatives launched to help not only track odour trends in the east valley area, but to also educate residents on the facility. An open house, facility tour and "Odour Tracking

Diaries" were all part of the public consultation process, and information gained through these initiatives were considered by Stantec during the study.

During the presentation, representatives from Stantec outlined the activities and changes made at the facility over the last several months that have positively impacted operations. Items included:

- the discontinuation of septage from outside the community;
- the addition of chemicals and a water cap to mitigate odours from

the sludge storage cells; and

- development of a "green belt" surrounding the storage cells that will in the long term act as a buffer to neighbouring developments.

In addition, the Town is drafting a new utilities bylaw that will provide an enhanced framework to manage operations and will include enforcement measures to control what is being processed at the facility.

"I'm pleased with the work our utilities department has done throughout this year, specifically throughout the summer, to help mitigate odours and nuisances from the facility in the east valley area," noted Whitecourt Mayor Maryann Chichak. "Through tracking complaints from last year to this year, we noticed a significant decrease in negative comments regarding odours from the plant. Having the statistics and feedback from residents to reference confirmed that we are on the right track, and we will build on this year's success in the future."

Stantec has concluded that the current facility meets compliance requirements and current needs; however, capital enhancements and investments would enhance the plant's performance and capacity issues into the future. It was noted that the root cause of nuisance odours from the facility was from excessive amounts of inert material (sand, gravel, nonbiodegradable materials) being pushed through the treatment process and stored in the sludge storage cells. Stantec recommended a number of short and long term projects, valued at \$8.2 million, that could be undertaken in the next 2-10 years that would assist with removing excess inert solids, thereby enhancing operations and mitigating odours.

"Stantec's presentation was extremely informative," added Mayor Chichak. "The presentation, and subsequent report, will provide Council with the details we require to identify our next steps, and plan and budget for the future."

Council will be reviewing the report, and discussing the recommendations at the January 2017 Planning Session.

# GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

We enjoyed a welcome sight on the weekend as a large and colorful flock of Evening Grosbeaks arrived at the feeders to enjoy a meal of sunflower seeds. According to information in "Birds of Alberta", this glorious snowbird's bill can exert an incredible force per unit area - it might be the most powerful of any North American bird.

The lucky winners of the Grey Cup pool tickets were: First Quarter - Shari Ives, Second Quarter - Stan Easton, Third Quarter - Lisa

Johnson and the Final - Art Noble. Congratulations to everyone and we look forward to selling tickets again next year.

Fourteen players competed in the fun 8-Ball Pool Tournament on November 26 with Keith Carson winning first place, Rick Arndt second place and Karl Wichowski third place. Thanks to Bob Clark and Lisa Johnson for serving the delicious breakfast and lunch sandwiches. Lynne Tonita made sure to greet everyone with a smiling face and looked after their beverage selections. Some hungry non-pool players also enjoyed the lunch

while watching the action and engaging in lively conversation.

The Lac Ste. Anne Community Choir performed after the Roast Turkey Supper on November 25th and did a wonderful job of ushering in the Christmas season with their "Sounds of Christmas" program. Thanks to Atco, some of the meal costs were covered by their donation and our customers were treated to the Atco Blue Flame Holiday Collection cookbook. The Legion was filled to capacity with choir members and Friday night diners feasting on the meal prepared by Bob C., Marcelle J., Lynn

R., Lynne T., Pat St. H., Mary R. and with a rare appearance by turkey carver Ron Watson. We were very grateful to see Scouts Harvey K., Sam M. and Jack M. show up and do a terrific job of clearing the tables after the choir ate and again after the regular diners had their meals. Kyle H. and Kristina H. rounded out the volunteer pool and were kept very busy in the kitchen with the dishes and clean-up. Thanks to Cheryl S. and Lisa Johnson for pitching in after the concert to clear the remaining tables. Congratulations to Dick Smith for winning the free meal voucher, Liz Benning the meat draw and regular customer Leroy Coley the 50/50 draw. The reservation system is working pretty well but please speak slowly and clearly when leaving your phone number for a call back confirmation. Reserve early in the week to ensure your plate as the meals have sometimes been sold out by the Wednesday prior to the Friday Night Supper.

Raffle tickets for the signed Edmonton Eskimo history book are still available at the Legion and will be sold until the draw after the final 2016 meal on December 16th.

### UPCOMING EVENTS:

December 6 - Tuesday Night Drop-In Darts - Registration from 6:45 to 7:15 pm. Play @ 7:30 pm

December 7 - Wednesday Night Drop-In Pool - Registration @ 7:00. Play @ 7:30

December 9 - Friday Night Supper - Swiss Steak

December 13 - Tuesday Night Drop-In Darts

December 14 - Wednesday Night Drop-In Pool

December 16 - Friday Night Supper - Final meal for 2016. First Supper in 2017 - January 6th.

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership, Neil Gorman @ 780-960-4160 for sports and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		8		4				5
				9	7		1	8
6								9
2	7		4		8			1
1								2
5	8				1		9	
		2	7	8				
	6	1	5		9		7	
	5		6					4

**ANSWER:**

7	9	8	1	4	6	2	3	5
3	2	4	9	7	5	1	6	8
6	1	5	8	3	2	7	4	9
2	7	6	4	9	8	3	5	1
1	4	9	3	5	7	8	2	6
5	8	3	2	6	1	4	9	7
9	3	2	7	8	4	5	1	6
4	6	1	5	2	9	8	7	3
8	5	7	6	1	3	9	2	4

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
