JOKE OF THE WEEK

One Christmas, Joe and Peter built a skating rink in the middle of a field. A shepherd leading his flock decided to take a shortcut across the rink. The sheep, however, were afraid of the ice and wouldn't cross it. Desperate, the shepherd began tugging them to the other side.

'Look at that,' remarked Peter to Joe, 'That guy is trying to pull the wool over our ice!'

GYPSD DECEMBER SCHOOL NEWS

Submitted by Nikki Gilks

Grand Trunk High School, Evansburg

The month of November has flown by, and it's hard to believe we are into December already. We are looking forward to the holiday season and the many activities that come with it.

Grand Trunk High School started their annual food drive on November 22nd with a food donation goal of at least 500lbs. The students and staff of the school will work together this year to see if we can surpass our previous year's food donations.

December also sees the beginning of the basketball season. The senior teams will play their opening tournament here at home on December 2nd and 3rd with games being played at both Grand Trunk High School and Wildwood School. Games will start at 12pm at Grand Trunk with the Senior High Teddies Girls' team playing against Onoway. The boys will kick off their tournament at Grand Trunk with a game against Onoway at 1:40pm. Information for all other games and times will be available at the schools during the tournament.

The Grand Trunk High School Stu-

dent's Union has planned a long list of activities to celebrate the upcoming holiday season:

- Hot Chocolate and Coffee Day
- Winter Hat Day
- Breakfast Day
- Door Decorating
- Red and Green Day
- Cooke and Milk Day
- Event Day
- Ugly Sweater Day
- Candy Grams
- Pajama Day
- Movie Day

All the above activities are a part of a theme put together by the students' union to help to bring holiday festivities to Grand Trunk High School.

GTHS Events for December

- December 8 Parent/ Teacher Interviews from 4:30-7:30pm
- December 9 Senior High B'ball Tournament @ ACME
- December 16 Last Day of Classes before Christmas Break

Evansview School, Evansburg

We cannot believe that December is already upon us here at Evansview School. It has been a busy and fast paced start to the school year at Evansview. Our K-6 students will be having their Christmas concert on

Thursday December 8th. The Grade 3 and 4 class is busy anticipating the 'Elf on the Shelf' to return so they can begin their creative writing unit. Parents are being welcomed into the Grade 2 class for a craft day with their students. The rest of our classes have their own individual class Christmas parties and themes as we anticipate the joyful Christmas season! Merry Christmas and a Happy New Year to all from Evansview School!

Niton Central School, Niton Junction

Each year our school holds two Reading Blitz's, one in the fall, the other in the spring, which each run for six weeks. We assess all our students using 'Fountas & Pinell' and then group them according to levels, rather than grades, in order to better meet the needs of each individual student. This is the first year we have extended the blitz into our junior high and it has gone over very well. The students really enjoy getting to go to different classes, with mixed groups to read and at the end of each six week period, we notice an improvement in reading levels. Everybody wins!

On November 9th, our Grade 5

class hosted our annual Remembrance Day Ceremony. They invited the Wildwood Legion to join us who performed the Coat of Arms Ceremony. Each class played a significant role in the Ceremony and found creative ways to honour those who fought and continue to fight for our freedom.

In mid November our junior high leadership class hosted a pep-rally, to get our teams and school pumped up for upcoming zones. The teams decided that they wanted to challenge the teachers, so the teachers and E.A.'s banned together to create a team. Our leadership class did a great job of organizing events and competitions for between each set, so that the spectators could actively participate too. It was a great way to lead into the zones that took place later that week.

The end of November brought our Grade 2's from both split classes together to create decorations for the Christmas tree at central office. We had a great group of parent helpers offer to come in and spend an afternoon helping the Grade 2's in creating wonderfully unique ornaments.

Once the ornaments were complete, the Grade 2's headed to central office for tree decorating, hot chocolate, and a story read by our very own Supt. Gray. It was a great opportunity to bring friends together and celebrate in the spirit of the season!

Wildwood School's students and staff have been capitalizing on unique experiences as they appear. Most recently, Wildwood Public Library was host to guest author Robert Feagan, and all students in K to Grade 9 had the privilege to spend an afternoon enjoying his readings and entertaining stories of life growing up in the North – Inuit throat singing, lively and unforgettable vignettes about a variety of northern animals, cultures and climate, and the ability to see and touch carvings, beadwork, harpoons, and many other northern artifacts from his personal collection.

As volleyball season comes to a close, the sign-up sheet for the junior high basketball teams are filling fast! Thank you to the students, coaches, and parents for their time and dedication to ensure our students have the opportunity to participate in a number of extra-curricular sports such as volleyball, basketball, archery, and track and field throughout the year.

According to the dictionary, 'opportunity' is defined as 1. a favorable combination of circumstances, time, and place 2 : a chance to better oneself. Every year Wildwood School provides two student-led conferences to give students the opportunity to demonstrate their progress and for parents to join in on the celebration and support their child in demonstrating their highest level of learning. Definitely an empowering experience that we are not willing to let go by! Another exceptional event held two times a year at Wildwood School is the Scholastic Book Fair.

Shiver me timbers! This fall's Scholastic Bookaneer Book Fair was a pirate theme 'Books are Our Treasure' and it was a squash buckling

success! A whole boat-load of books and kits washed ashore and into the hands of book lovers everywhere! Students enjoyed a number of fun activities, awesome contests, prizes and giveaways held throughout the ten day event. An extra-curricular experience of this caliber cannot be held without the dedication of staff, parents, the 'Successful Kids and Family' group, and community members. A HUGE thank you to those that volunteered their time during the student-led conference evenings.

Choir Club AND Chimes Club provides a fine arts related activity for Grade 1-9 participants. We are grateful for Mrs. Kowalchuk's time and expertise and look forward to seeing how her students' performances become part of this year's Christmas concert on December 14th!

We would be remiss to not acknowledge that some of our students' most remarkable opportunities happen off site! K-6 students were invited to participate in the Leaman Exchange's Halloween

Festival this year and were so incredibly entertained by a multitude of amazing activities created by this Wildwood School family - a truly memorable event we were so happy to be a part of.

YELLOWHEAD COUNTY DECLARES A STATE OF AGRICULTURAL DISASTER

Submitted by Stefan Felsing

Yellowhead County, Alberta, November 22, 2016 – The number of acres unharvested and the extent of the damage within Yellowhead County has prompted Council to join with their neighbouring municipalities to declare a state of agricultural disaster.

“There are many years where growing conditions are perfect for farmers to have a highly productive season – this, unfortunately, was not one of them,” said Yellowhead

County Mayor Gerald Soroka.

New data from recent crop reports have shown that many Yellowhead County agriculture producers have been heavily impacted by the consistently wet conditions this year. Many crops are still sitting under snow as there was never an opportunity for farmers to harvest their crops.

Based on crop reports the following judgments have been made: cereals are ranked definite disaster as 50% of the crop is still in the field. Oil seeds crops are 24% in swath

and 21% standing, again approaching definite disaster thresholds. Hay crops are cut and baled over most of the County; however, much of it is sitting in the field as they cannot remove the bales due to saturated soils.

“Our council has made this decision to declare a state of agricultural disaster to help bring awareness to this situation,” said Soroka. “This decision came after we received input from our Agricultural Services Board, local producers, and is based on research done by our staff using

the latest data from crop reports and visual inspections.”

“We are encouraging the province to review existing support programs with an aim to enhance or create new programs and to provide timely assistance to producers.”

Yellowhead County will send a letter to the provincial government about the declaration of a state of Agricultural Disaster and request a disaster recovery program and support programs be available to address this issue.

On Monday, I had the opportunity to speak on Bill C-238, and, on Tuesday, I asked a question during debate on Bill C-26. You can read my comments and question on the corresponding day's Hansard at: <http://www.parl.gc.ca/HouseChamberBusiness/ChamberHome.aspx>

In the Standing Committee on Environment and Sustainable Development (ENVI), we continued to review The Canadian Environmental Protection Act, 1999. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

This week, I attended 12 meetings and six events. I will be back in Alberta over the weekend to attend an event in the riding, returning to Ottawa on December 4th. My next update will be on the happenings of Parliament as it continues to sit next week.

9 READINGS AND CAROLS

Submitted by Brenda Rusin

“Joy to the World! The Lord is come.” While the commercial aspect of the Christmas season can be found all around us, we’ve often commented on how nice it would be if we could slow things down and enjoy the TRUE meaning of Christ-

mas. For more than 40 years, the church communities in Evansburg and Entwistle have gathered together to do just that. This year, on December 7, everyone is invited to join us for 9 Readings and Carols, an evening to listen to Scripture readings that tell the Christmas story, and sing

some favorite Christmas carols. Each year, members of the various denominations take turns reading a scripture passage, and through the years, there has been a wide variety of musical performers with their renditions of Christmas carols. Refreshments will be served, and there will be time to visit with fellow

community members. Please join us on Wednesday, December 7th at 7 PM at St. Elizabeth church, 5015 - 50 Ave, Evansburg. Remember, everyone is welcome, whether you’ve “been to church” lately or not! If you have any questions, please call Liz at 780 727-3872 or Brenda at 780 727-4476.

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Stefan Felsing

November 22, 2016

Wildwood Fire Hall – Council approved the proposal from BR2 Architecture for the design, tendering, and construction supervi-

sion of the proposed new fire hall in Wildwood slated to begin construction in 2017. Robb Sanitary Force Main –

Council for Yellowhead County awarded the contract for the Hamlet of Robb Sanitary Force main replacement to Streamline Industries in the amount of \$ 709,398.00. The installation will be completed using Horizontal Directional Drilling. The accepted bid was the lowest of the eight bids received that met the contract’s requirements.

Declaration of Agricultural Disaster – Council declared a state of Agricultural Disaster due to the current condition of many of the crops in Yellowhead County. The decision was based on recent crop reports where data showed excessive moisture on many crops in Yellowhead County, as well as discussions with producers and visual inspections by staff.

Parkland County Fire Services Agreement – Yellowhead County will enter into a new Fire Services agreement with Parkland County where they will contribute \$325,000 per year for services from Yellowhead County’s Fire Department. Yellowhead County will provide resources to incidents in Parkland in the geographical areas covered under the agreement.

Member-at-Large Board Appointments – Council appointed George Webster to the Heritage Advisory Board for a 3-year term and Ryan Gylander to the Agricultural Services Board for a 2-year term. These boards provide advice to Council and administration on issues specific to each of their respective boards and review and approve grants and funding to community organizations from funds budgeted by Council for activities related to these areas.

The next Council Meetings is December 13, 2016. The next Committee of the Whole Council Meeting is December 20, 2016. All meetings start at 9:30 a.m. in the Council Chambers.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		8		4				5
			9	7		1		8
6								9
2	7		4		8			1
1								2
5	8				1		9	
		2	7	8				
	6	1	5		9		7	
	5		6					4

ANSWER:

7	9	8	1	4	6	2	3	5
3	2	4	9	7	5	1	6	8
6	1	5	8	3	2	7	4	9
2	7	6	4	9	8	3	5	1
1	4	9	3	5	7	8	6	2
5	8	3	2	6	1	4	9	7
9	3	2	7	8	4	5	1	6
4	6	1	5	2	9	8	7	3
8	5	7	6	1	3	9	2	4

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
