TIPPLE PARK MUSEUM NEWS

Liz Lauer hands over a cheque for \$2900.00 to the WEE Food Bank from the proceeds of the Tipple Park Museum Christmas Auction

Irene Lawton on behalf of the Tipple Park Museum accepts thanks from Betty Shand on behalf of the WEE Food Bank for their Christmas

Submitted by Shayna Powell, Museum and Farmers' Market Manager

It is definitely a season of giving for our local community. A great big thank you goes out to all businesses and community members for helping out the Wee Food Bank to the tune of \$2900.00! To all of our cre-

ative and generous members that made a tree, wreath or centerpiece... this couldn't have happened without you, thank you. To all our buyers your generosity is inspiring; we hope you enjoy your new Christmas decor. We would also like to thank Lanny Busby for donating his time and auctioneering skills for this event. When our communi-

ty bands together we can do fantastic things!

Speaking of fantastic things if you missed out on Date Night at the Museum take heart, our evening was a rousing success so stayed tuned for our next event.

Tipple Park Museum News

Continued From Page 1

Our heartfelt thanks goes out to Kevin Hassanieh and Eddie Mahmoud of Sammy's Restaurant for the extravagant and marvellous meal put on by these fine gentlemen. Every patron enjoyed a succulent salad followed by a gourmet three piece meal and finished off with a scrumptious raspberry cheesecake for dessert. The crowd gave

us rave reviews; Chef Ramsey and Jamie Oliver eat your heart out! We also cannot emphasize enough how much we all enjoyed the musical ensemble that entertained us throughout the evening. These talented ladies harmonize beautifully and we hope they can join us again some time.

Don't forget that the Planetarium is coming to Evansburg in January, mark your calendars

now! We will be hosting a Family Night on January 7th with activities beginning at 6:30 p.m. and shows at 7:00 and 8:00 p.m. Shows are suitable for people of all ages, however a person needs to be capable to walk bent over and sit on a mat on the floor for an hour. The cost is only \$3.00/person or \$10.00/family. Learn all about the Milky Way Galaxy; discover constellations and hear some of the legends that have developed over the ages from our night sky.

Sadly the Evansburg Farmers' Market is closed for the season. Please check back in May for our grand re-opening day.

Remember to check out local newspapers, posters, the Community Events page and the flashing town sign for all upcoming events for the Tipple Park Museum. For any further inquiries concerning events or renting our facility please call 780-727-2240.

GRANT PROGRAMS IMPROVE ACCESS FOR NON-PROFITS

Submitted by Government of Alberta

“Investment in Alberta’s non-profit and voluntary sector helps to build strong families and communities and creates new business and employment opportunities. Changes to both CFEP and CIP will help better meet the needs of non-profits by addressing funding gaps, streamlining access and providing clarity to the grants process. For Albertans, these changes mean greater transparency, accountability and effective use of resources, and a greater return

on public dollars.” - Ricardo Miranda, Minister of Culture and Tourism

Community Facility Enhancement Program

This program helps support construction and renovation of public-use community facilities. Two distinct grant funding streams have been established.

- the Small Funding Stream provides a maximum of \$125,000 in project support.

- the new Large Funding Stream will support projects of more than \$125,000 to a maximum of \$1 million.

Community Initiatives Pro-

gram

- A new Major Cultural and Sport Events stream will support national and international events with significant community benefit, such as boosting the local economy and helping tourism grow. A maximum grant of \$250,000 will be available to eligible applicants.

- Funding of the International Development grant stream has been increased to help Alberta-based non-profits involved in international development projects and also to address growing program demand.

“We are pleased the Community Grants program engaged with the non-profit sector to redesign funding programs that will be based on clear principles, well defined outcomes, and enhanced value of volunteerism. It will provide equitable opportunity for the sector.” - Jann Beeston, Executive Director, Volunteer

Alberta

Guidelines and applications have been updated to reflect the changes and are available online at: culture.alberta.ca/community/community-grants. The new approach comes into effect on December 15 to allow applicants to fully benefit from the positive changes, such as increased hourly rates for donated labour.

The changes stem from an extensive internal review of the Community Grants program and discussions with non-profit-sector partners and previous grant recipients.

The review highlighted the fact that Community Grants programs provide equitable distribution of funding across the province to help stimulate local economic activity, and that funding programs are flexible, simple, and support community infrastructure.

ALBERTA RCMP REMIND HUNTERS OF SAFE HUNTING PRACTICES

Submitted by Alberta RCMP

Edmonton, Alta - With hunting season now in full swing, the RCMP is reminding Alberta's outdoor adventurers and hunters to take the steps required to ensure their safety when they venture off the beaten track. Over the past few weeks there have been at least three cases of individuals forced to spend the night outside after becoming lost or stranded in remote areas. Fortunately, these individuals were located before suffering serious injury.

The RCMP is asking Albertans to equip themselves with the supplies they may require in the event they find themselves lost or stranded in the bush, which include warm clothing, fire starters, food, medication, light source and a fully-charged cell phone.

"Nobody thinks it can happen to them, but it can. At this time of year, a snowmobile or ATV breakdown in the middle of nowhere can be fatal if you don't have the supplies you need to survive until help arrives," said RCMP Sergeant Jack Poitras. "Many remote areas do not have cell phone coverage, so it is critical that someone knows where you are going and when you expect to be back."

On October 10 at 3:45 p.m., a group of three individuals called 911 to report they were stranded after their 4x4 vehicle became stuck in marshland in a remote area outside of Boyle, Alberta. Having safely exited the vehicle, the group became disoriented

while walking back to safety and called 911. Weather at the time was near freezing with light flurries and freezing rain. Boyle RCMP, Fire Department and EMS worked together to successfully locate the group who were treated for exposure and safely evacuated from the area at 8:45 p.m.

On October 10, 2016 at 1:00 a.m. three hunters reported missing were located 30 km north of Peavine Métis Settlement by

other hunters, after spending 30 hours outside in a deeply forested area that has no cell phone coverage. Fortunately the hunters were unharmed.

On September 22, 2016 at 11:00 a.m. workers on an oil lease site 50 km northwest of Peavine Métis Settlement located a hunter who had spent overnight outside after his ATV broke down. When he was reported missing, his family was particularly concerned as he did

not have his medication with him when he set out. The hunter was in good health when located.

The RCMP is also reminding hunters to avoid leaving firearms in unattended vehicles. To date in 2016, of the 109 firearm thefts reported to the Alberta RCMP throughout the province, 39 involved thieves breaking into vehicles to steal guns. The 2016 numbers are consistent with those at this time last year.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

If you have information regarding any of these crimes, or any other crime, please call the RCMP At 780-962-2222 or 780-968-7267. You can also call Crime Stoppers at 1-800-222-8477 or text the keyword TIP205 (TIP250 for Edmonton Metro) & your Tip to CRIMES (274637)

FATAL MOTOR VEHICLE COLLISION WITH A PEDESTRIAN

Submitted by Stony Plain/ Spruce Grove/ Enoch RCMP

2016-1510380

Stony Plain, Alberta - On Sunday, November 14, 2015 at approximately 4:00 PM the Stony

Plain/Spruce Grove/Enoch RCMP responded to a complaint of a motor vehicle collision with a pedestrian. It appears that a motorist, in a grey 2010 Nissan Altima was driving in the parking lot of the Stony Plain Co-op

grocery store parking lot at 4917 - 50th Avenue when he failed to notice the pedestrian and he was struck.

The victim, a 75 year old male suffered serious injuries. He was taken to the U of A Hospital,

in serious condition by Star Air Ambulance and later succumbed to his injuries.

The 22 year driver did not suffer any injuries.

The collision is still under investigation.

YOUR DIGITAL AND ALL-CERAMIC SPECIALISTS

Cera-Tech 3D Dental Lab is the only dental laboratory in the Spruce Grove/Stony Plain Area. We mainly offer services to local dentists and denturists. We specialize in the fabrication of crowns, bridges, veneers and implant cases. These services are provided directly to your dentist by prescription. We also offer denture repairs, custom sport guards, night guards, bleaching trays and teeth whitening. Most of these services will be provided directly to the public by our provincially licensed staff.

Did you know that you are able to request which lab you would like your crowns, bridges and other dental prostheses to be made at. If you know a laboratory that does great quality craftsmanship, uses approved materials and cares about the fine details like Cera-Tech, you are welcome to request us to your dentist.

The advantages to this local lab include custom shade matching to your existing teeth, faster completion times, the latest digital technology

and high quality materials ensuring the best results for your oral health and individual smile. We are able to digitally analyze your case on a specialized computer to make sure you get the best fit and most natural look for your crowns. Your case is completed and customized by hand using specific porcelains and characteristics for your individual mouth.

Our owner has more than 20 years of experience including instructing at Nait as well as serving on the provincial College of Dental Technologists. We have two other team members which gives us over 35 years of

PARKLAND COUNTY STUDENTS LEARN TO RESPOND

Submitted by Jean Hoffman, Community Peace Officer | Enforcement Services | Parkland County

From Nov. 26 to Dec. 2, students across four different schools in West Parkland County attended the Career and Technology Foundations Program (CTF). Unlike other years, this year offered a new and exciting program known as "Learn to Respond." Students in Grades 8 and 9 could apply for a smaller 12-person class that would provide students an opportunity to learn useful real world skills as well as explore an exciting career in the Emergency Services.

The idea came about when Parkland County Community Peace Officer Jean Hoffman contacted Tomahawk teacher Robyn Pandachuck to discuss education opportunities for Parkland area Junior High students. Together they decided the week-long CTF would be a great opportunity to offer students an interactive learning option. With the help of adjoining agencies and departments "Learn to Respond" was born.

Day One:

Students spent the day with Peace

Officer Jean Hoffman using the Learn to Drive kit to prepare them for their Class 7 learners permit test.

Day Two:

The Junior High students took their first aid and CPR course, which were all completed successfully.

Day Three:

The day was spent observing career presentations from Alberta Health Services EMS Paramedics, Alberta Traffic Sheriffs and RCMP.

Day Four:

The students spent the day with the Seba Beach Fire Department, planning an emergency fire plan for their families. The students also had the opportunity to "gear up," use a fire extinguisher, and learn about the fire trucks.

To end their exciting week, stu-

dents participated in a celebration of learning, and shared their experiences with their peers. Parkland County Enforcement Services would like to

thank all those involved who made this program possible, and congratulate the students on all their hard work at "Learn to Respond" at CTF.

TOXIC OPIOID CARFENTANIL LINKED TO 15 DEATHS

Submitted by Government of Alberta

Alberta's Chief Medical Officer of Health, Dr. Karen Grimsrud, and Acting Chief Medical Examiner Dr. Elizabeth Brooks-Lim are notifying the public that the toxic opioid carfentanil is still circulating in our province and has been linked to 15 drug overdose deaths.

Fourteen of those 15 deaths occurred between September and the end of November.

"I am deeply concerned about the increasing number of deaths associated with carfentanil. It's possible these individuals were not aware they were taking it. Albertans need to know that carfentanil is here – in Alberta cities and towns – and that it's an extremely dangerous and deadly opioid. Even the smallest trace can be lethal." - Dr. Karen Grimsrud, Chief Medical Officer of Health

"The increasing number of deaths due to this dangerous drug is concerning to us, and we will continue to work closely with our health partners, as part of sharing information and raising awareness of opioids misuse. The Alberta Office of the Chief Medical Examiner is one of only a very small number of toxicology laboratories in Canada that is able to positively identify carfentanil in human blood." - Dr. Elizabeth Brooks-Lim, Acting Chief Medical Examiner

Alberta remains focused on harm reduction as it moves forward with a co-ordinated and collaborative provincial response to the opioid crisis.

When combined with prevention, treatment and enforcement, a broad spectrum of harm reduction approaches will help decrease harmful consequences of drug use to keep people alive.

If you are using these types of drugs:

- Don't use them alone and make sure you are near someone who can call for help.

- Don't mix them with other drugs or alcohol.

- If you suspect someone is overdosing, don't wait. Dial 911 right away.

- Carry a naloxone kit. Know how to use it to save someone's life. Make sure your buddy knows how to use it to save yours. Naloxone is a temporary fix – you still need to call 911.

- Most importantly, know there are resources available to help you whether you are using drugs for the first time or have used them frequently.

- If you're concerned about your own or someone else's use of illicit drugs, call the Addiction Helpline (24 hours a day, seven days a week) at 1-866-332-2322, or Health Link at 811.

Provincial response to opioid crisis

- Working closely with other Alberta government ministries, health experts, community groups, parent advocates,

law enforcement and the medical community, the Chief Medical Officer of Health is leading a collaborative and co-ordinated provincial response, focused on four key areas:

1. Improving the collection and publishing of data to better target interventions
2. Expanding access to opioid replacement therapy.
3. Funding community agencies to assess the need for supervised consumption services.
4. Promoting appropriate opioid prescribing and implementing new tools to prevent prescription drug misuse, in partnership with the College of Physi-

cians and Surgeons of Alberta.

- Publicly funded take-home naloxone kits are available at more than 900 registered sites, including community pharmacies.

- A new public awareness social-media campaign has been rolled out. It explains how to use naloxone to prevent overdose deaths and on where people can get naloxone free of charge.

- Grant funding is being provided to Access to Medically Supervised Injection Services Edmonton to support community engagement and the development of an application for a federal exemption to offer supervised consumption services in Edmonton's inner city.

- The province has invested \$3 million over the next three years for an opioid dependency treatment (ODT) expansion project. Work is under way to increase access to opioid replacement therapy in Alberta Health Services ODT clinics.

- The province has provided "Proceeds of Crime" grants totalling \$240,000 to police and their community partners to raise awareness of the dangers of fentanyl and other illicit drugs.

- Legislation will come into effect in January 2017 to regulate pill presses to enhance enforcement for illicit fentanyl manufacturing.

Lose up to 5 lbs or more in just 3 days!! Yes It Really Works!!

"I've lost 30 Pounds in 45 days - I've tried all kinds of products and so happy to find one that actually works!"
- Elaine Spruce Grove

"I've lost 21 pounds in 7 weeks! I tried everything over the last 10 years and nothing worked - I kept gaining and got very depressed. Who'd of known that taking one little Miracle 100% Natural Pill a day would allow me to succeed!!"

KEY MESSAGES FROM GYPSD PUBLIC BOARD MEETING

Submitted by Nikki Gilks

Nov.23, 2016
School Highlights - TLC & Fulham School

Stuart Graham, principal of The Learning Connection Centres (TLC), spoke to the board about a new system for students to independently register online for courses. He also discussed a possible new teen parent program that is in the planning stag-

es for Hinton. Mr. Graham was also joined by Barb Schmidt from the Palisades Stewardship Education Centre in Jasper National Park. Ms. Schmidt shared the many exciting sessions offered at the Centre in partnership with TLC including a new 'Rock and Pop' program offered during the summer of 2016 where 18 students earned 7 credits over 10 days.

Four students from Fulham

School joined today's Public Board Meeting by video conference to share what they think is great about Fulham School such as their great teachers, breakfast program, Pancake Day 'as who doesn't love pancakes!' and their enjoyment using their playground and indoor gym equipment.

Capital Projects Update

Facility Services provided their regular updates to the Board on

two current capital projects in the division: the modernization project for Grande Cache Community High School (GCCHS) and the replacement school in Edson.

GCCHS: Masonry and structural steel is continuing and should be completed in November. The mezzanine slab has been poured allowing for the installation of the mechanical units. The roof and other building envelope activities have started with the goal of all roof work being completed in December.

Edson: Installation of the grade beams has been completed and the underground services are finished, including town utility connections. Masonry block work will start in November on the gymnasium and steel work should begin in early December.

Other News in Brief

• Trustees approved the 2016-19 Three Year Education Plan and the 2015-2016 Annual Education Results Report. The report guides the division in developing strategies and goals for the upcoming three years as well as reports on the results from last year's Accountability Pillar Surveys. The document will be posted on the GYPSD website as of November 30, 2016.

• An amended agreement with Xerox Canada will provide the division with new technology to replace existing devices at schools to enhance the print and document management technology. Additionally the vendor will implement software solutions for the transportation department to automate the fuel expense management process with the potential of providing other software solutions to other areas in the division. The amended agreement, expiring August 31, 2021, will also cumulate cost savings for the division.

Key Messages From GYPSD Public Board Meeting

Continued From Page 10

- Each fall the board receives an update on the current budget for the division which is adjusted to reflect changes in enrolments, and resulting changes in the distribution of resources. Total enrolments for kindergarten and Grades 1-12 are lower than anticipated due to the overall economic situation and families moving out of the division's operating region, especially regarding Grande Cache.

- Stuart Graham, principal of The Learning Connection, gave a presentation to trustees on their successful summer school programming which has been offered to students over the last several years to assist students in high school completion. Over 300 students registered for summer courses ranging from math to work experience opportunities.

- Take Your Kids to Work Day was on November 2, 2016 and Grande Yellowhead students have participated in the program for the past 22 years. Take Our Kids to Work is an annual, national program in which Grade 9 students are hosted by parents, relatives and volunteers at workplaces across the country. Almost 300 students across the division took part this year with many positive comments received from the parents, the many businesses involved and from the students themselves – including one comment “I never knew my dad worked so hard!”

- The board received a report regarding an update on the implementation of Regional Collaborative Service Delivery Models (RCSD) for the division. GYPSD belongs to 3 different RCSD regions: Aspen Collaborative Services RCSD encompasses the areas of Hinton, Jasper and Edson and it covers schools from Fox Creek to Athabasca; Grande Cache schools belong to the Peace Collaborative Services RCSD and covers

schools from Grande Cache to Peace River; and Wildwood and Evansburg schools fall within the Parkland Evergreen and Area RCSD which includes schools from Wildwood to Spruce Grove. A change to the Aspen Collaborative boundary to include schools in Wildwood and Evansburg is currently being queried. For the 2016-2017 school year, each RCSD zone in GYPSD will be focused on maximizing resources and enhancing services through collabora-

tion. Each zone will continue to work with school staff, families and service providers to ensure students can be successful. Each zone uses a school linked team framework, focused on the professional services of speech language pathologists, occupational therapists and mental health within a student centered, flexible approach. Each team offers direct, consultative and collaborative services.

- During the 2015-2016 school year, GYPSD hosted five inter-

national students in Jasper Junior/Senior High School from Germany and Spain, and four international students in Harry Collinge High School (Hinton) from Spain and Mexico. International students attend from one semester to fulltime as well as participate in short term programs from 4 to 12 weeks.

- Trustees received an update on staffing positions across the division for the 2016-17 school year.

SEARCH WARRANT LEADS TO CHARGES

Submitted by Stony Plain/ Spruce Grove/Enoch RCMP

2016- 1544791

On November 29, 2016, members of the Spruce Grove/ Stony Plain/ Enoch Serious Crimes Unit executed a Search Warrant at a Parkland Village residence. During the search police located cocaine, psilocybin (magic mushrooms), Bromazepam tablets, Codeine tablets processed marihuana and mature marihuana plants with grow op. equipment/ Trafficking paraphernalia.

In addition to the above several firearms were seized during the

search which included a loaded handgun, three shotguns (one loaded), two rifles, and a revolver. Police also located and seized a stun gun, prohibited switchblade knife, a police scanner, several hundred rounds of ammunition of various calibers and Canadian currency in relation to the investigation.

Four occupants were placed in custody. Two of the occupants were released without charge. The two people determined to be the residents: Jesse BECK and Hillary JOHNSON, have been charged jointly with the following offences:

-Possession of cocaine for the purpose of trafficking Sec. (5)(2) CDSA.

-Possession of marihuana for the purpose of trafficking Sec. (5)(2) CDSA.

-Possession of codeine for the purpose of trafficking Sec. 5(2) CDSA.

-Possession of bromazepam for the purpose of trafficking Sec.5(2) CDSA.

-Production of marihuana Sec.7 CDSA.

- Production of marihuana Sec. 7 (1) CDSA

-Possession of magic mushrooms Sec.4(1) CDSA.

-Careless storage of a restricted firearm Sec. 95(b) CC.

-Possession of a prohibited firearm Sec. 91(2) CC.

-Possession of a prohibited weapon X 2 Sec. 91(2) CC.

-Careless storage of a non-restricted firearm Sec.86(2) CC.

-Careless storage of ammunition Sec.86(1) CC.

-Possession of property obtained by crime under \$5000 Sec. 355(b) CC.

Both JOHNSON and BECK are to appear at the Stony Plain Provincial Court on December 7, 2016.

SUMMARY OF LOBSTICK 4-H CLUB MEETING FOR NOVEMBER 6

Submitted by Ashtyn Chessall, Club Reporter

We had a meeting on November 6, 2016. It was weigh day for our animals and all were tagged with 4-H numbered tags.

We also gave heifers and steers vaccination shots along with dehorning the animals that needed to be. If you are wondering why we do this is because without the right vaccinations the animal could get very sick and

die. They need the medicine to protect themselves. We had a special visit from a veterinarian named Andy Mueller who showed our club how to properly give the animals a needle and told us why it is a wise choice

to vaccinate. We dehorn the animals because in 4-H we have to show them and they can't have horns for safety reasons. A special thank you to Andy Mueller for coming and taking the time to teach us about our animals.

ALBERTA CHILD BENEFIT HELPS THOUSANDS OF CHILDREN

Submitted by Government of Alberta

About 110,000 families have received their first payment under the new Alberta Child Benefit (ACB) program, helping to support the well-being of an estimated 200,000 children.

Families will receive the next ACB payment starting today. All families earning less than \$41,220 per year in net income, including those receiving AISH and Income Support, are eligible. The maximum annual benefit is up to \$1,100 for families with one child and up to \$2,750 for families with four or more children.

“We are very proud of this new program. It’s great to know that so many families are already benefiting from the support they receive through the Alberta Child Benefit. This is money that can go toward ensuring their children’s needs are met so they have every opportunity to succeed.” - Joe Ceci, President of Treasury Board and Minister of Finance

“Every child in Alberta deserves a bright future. Our government is committed to supporting families in raising happy, healthy children with opportunities to thrive. We are pleased to see this new program making a difference in the lives of thousands of families.” - Irfan Sabir, Minister of Human Services

“Poverty reduction is a focus of most Alberta communities. The Alberta Child Benefit is a key initiative in supporting poverty reduction in our province.

It puts additional dollars in the hands of Alberta’s lower-income families.” - Franco Savoia, Executive Director, Vibrant Communities Calgary

Families who have not yet filed their 2015 tax return are urged to do so to benefit from support programs such as the ACB. Community organizations hold free tax clinics each year to prepare returns for eligible lower-income taxpayers. The Canada Revenue Agency’s website has more information about

these clinics.

The program was first announced in November 2015, along with enhancements to the Alberta Family Employment Tax Credit (AFETC). It is estimated that about 15,000 additional families, with an estimated 30,000 children, have begun to receive benefits through the enhanced AFETC.

Quick facts

- To qualify for the ACB, families must file a tax return, have lived in Alberta for

at least one month, and have at least one child under 18.

- The ACB is a non-taxable, refundable benefit, meaning families benefit regardless of whether they pay provincial income tax.

Albertans’ eligibility and benefit amounts for AISH, Income Support and Child Care Subsidy are not affected.

- Families will receive the new ACB in four payments – in August, November, February and May of each benefit year.

Testimonials

“Thank you for working on my horses at the CBHI 2016. They all benefited and were feeling great. The treatment I had myself was so amazing and beneficial. I was experiencing vertigo and feeling nauseous within a half an hour I was feeling so much better and my weekend was great. I did not feel tired and felt very energized. I did have a headache for a short time, a little ache in my shoulder area but that all was very short lived and did not interfere with my day. I really liked my treatment and as a massage therapist would highly recommend this treatment. Thank you Shirley.” -Tanya Likes

“I have had BRUTAL sciatica and neck pain for years...chiropractic manages it for brief periods of time...I had one hour long treatment by Shirley Mazeppa and can honestly say I had no pain for weeks after!!!! Improved my mood and allowed me to have day to day tasks not be painful let alone ride!!!! SOOOOOOOOOOOOOOOOOOOOO looking forward to my next treatment!!!!” -Jody Poulin

“I am in disbelief, Shirley Mazeppa brought her PEMF machine to Thorsby where I was competing in a horse event. I have arthritis in both my knees and I was really feeling the hurting today. Shirley hooked me up for 40 minutes on Saturday afternoon, it’s now Monday evening and I am still PAIN FREE, my knees feel great. I’ll be making a trip to Shirley’s next time I start feeling that pain, I won’t try to handle it again. Thanks so much Shirley” -Debra Rowney

PULSE CENTERS

- Alleviate pain and reduce inflammation

Obituaries

Ken Blacklock
February 16, 1937 – December 1,
2016. It is with great sadness and
much love that we say goodbye
to Kenneth Raymond Blacklock
(known as Smoke or Poet to
many); father, grandfather and
valued friend who passed away
suddenly on December 1, 2016.
Predeceased by his parents
Harold and Pat; his three brothers
Robert, John and Norman; his
wife Marilyn and his daughter
Theresa. He is survived by his son
Bruce (Shelley), son-in-law Brian
(Shanda); grandchildren Naomi,
Jared, George, Anna-Lynn,

Daniel, Christopher, Jessica and
Nathan. He is also lovingly
remembered by his large
extended family and friends both
near and far. A
celebration of his life will be held
at 1 p.m. on Saturday the 17th of
December 2016 at the Hope
Christian Reformed Church
located at 1004 Highway 16
Parkland County (corner of
Highway 16 and Highway 779).
As an expression of sympathy,
memorial contributions may be
made in Ken's name to the
Canadian Diabetes Association
or to The Royal Canadian Legion.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

2	5	9			4	7	8	
		7	3			1		
7	6			9	5			1
	2				1			
4				7	2	8	3	5
	7					9		6
							5	2
1	4						7	

ANSWER:

2	5	9	1	6	4	7	8	3
6	8	7	3	5	9	1	2	4
3	1	4	2	8	7	5	6	9
7	6	3	8	9	5	2	4	1
5	2	8	4	3	1	6	9	7
4	9	1	6	7	2	8	3	5
8	7	2	5	4	3	9	1	6
9	3	6	7	1	8	4	5	2
1	4	5	9	2	6	3	7	8

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
