PLANETARIUM IN EVANSBURG

Submitted by Shayna Powell, Tipple Park Museum Manager

We all know that one person in our lives that will argue just for arguments sake. They thrive on it, they love it. My grandfather liked to stir the pot and strike up heated conversations by making broad generalized statements to incite the ire of those around him. There were very few topics that he did not have an opinion on. If you drove a Chevy, he was then a Ford man and you therefore were an idiot-

ic fool. Foreign food of all sort was not to be trusted or the one who cooked it! If you brought up the topic of politics, you might as well just take a seat and open your ears because you were never going to sway him over to your way of thinking. There was no way, no how.

Legend has it that Mars was very much like my grandfather. He also loved to argue. He was never one to turn away from a fight. Mars would even switch sides mid battle if he could see peace was about to be made! Mars is also known as one of

the Four Horsemen of the Apocalypse who represent fear, panic, disease and starvation; no wonder he enjoyed a good fight. Some people believe that Mars the planet is represented by the Red Horse which depicts blood and war. Mars has been in the news quite a bit lately due to the Mars rover, Curiosity, currently drilling and exploring the planet. Drones of people are queuing up hoping to be short listed to be one of the first to visit the angry, red planet.

BE A GOOD NEIGHBOUR SNOW SHOVELING PROGRAM

Submitted by Stefan Felsing

Winter in Alberta can be a difficult time for seniors or people with physical disabilities. Clearing snow from steps, sidewalks and driveways can be frustrating or impossible. Keeping access areas clear and safe is important for emergency responders and people that assist housebound individuals.

Yellowhead County FCSS (Family and Community Support Services) is encouraging people to take part of the Be a

Good Neighbour campaign and recognize the good samaritans in their community who have taken part in this initiative!

This program encourages community groups, friends, and neighbours to shovel the private walkways and driveways of seniors in need and others who are not physically capable of shovelling their own sidewalks. This program is intended to assist seniors and community members on fixed incomes with limited human resources available to them.

Any one person or group can

step-up and take part, including junior and senior high school students, cadets, Junior Forest Wardens, Girl Guides, 4H Clubs, church groups, youth groups, and others. Volunteers who take part get the satisfaction of knowing that they have made a difference in the life of someone in their community, and seniors and those who struggle to get their shovelling done are safer and continue to feel they are a part of their community.

Planetarium in Evansburg

Continued From Page 1

Are you one of those adventurous few? Would you like to explore Mars? You can get one step closer to the planets and our night sky by visiting our mobile planetarium at the Tipple Park Museum on January 7th from 6:30 -9:30 p.m. We will be host-

ing two shows where you will be able to learn how to navigate the night sky, learn all about the Milky Way Galaxy and hear more legends based on the stars and planets. Our show is suitable for all ages, however one must be agile enough to bend over to enter a massive dome and be able to sit on a mat on the floor for an hour.

It is only \$3.00/person or \$10.00/family; tickets will be available at the door. We are eager to share this unique opportunity with all of you. Call the Tipple Park Museum at 780-727-2240 for more information. We are located at 4924 48 St. in Evansburg. Don't be mad that you missed out on our show, come on out!

Be a Good Neighbour Snow Shoveling Program

Continued From Page 1

Homeowners and renters who have received help shovelling are encouraged to recognize their good neighbour by submitting a nomination form where the volunteer's name is placed in the March 31 draw for the Pizza Dinner for Two prize. They would also receive an I Have a Good Neighbour sign that can be placed on their property.

The nomination forms and signs can be picked up from the Entwistle Library, the Evansburg Library, the Wildwood Library, the Yellowhead County Wildwood Office, the Green Grove Library in Niton Junction, the Food Mart in Peers, and the Yellowhead County Edson Office. This initiative will run from January 3 to March 31 of this year.

Family and Community Support Services is an 80-20 funding partnership between the Provincial Government and municipal government, focusing on providing locally prioritized preventive social services. If you have any questions regarding this initiative, or any other FCSS program or project, please contact the FCSS department at 1-800-814-3935.

JOKE OF THE WEEK

On New Year's Eve, Marilyn stood up in the local pub and said that it was time to get ready. At the stroke of midnight, she wanted every husband to be standing next to the one person who made his life worth living. Well, it was kind of embarrassing. As the clock struck, the bartender was almost crushed to death.

CLEAN SWEEP CHIMNEY CLEANING

Having your chimney cleaned annually will keep it free from dangerous accumulations of creosote.

We will clean your chimney from the inside of your home using the most advanced techniques and equipment. Our drill mounted rotary chimney cleaning tool does a far superior job than the outdated traditional chimney brushes. The drill mounted cleaning tool revolves at 2000-3000 revolutions per minute. By doing this we insure that you will get the most efficient cleaning without damaging your fireplace or woodstove.

DDRA YEAR IN REVIEW

Submitted by Lorne Ross, Darwell District Recreation Association

2016 was another good year for the Darwell District Recreation

Association. The Centennial Hall continues to be busy with community's activities. Zumba and Pickleball continued to attract participants to the hall. Both these activities will continue in the New

Year and will be joined by Jujitsu and Taichi. Additionally there seems to be some interest in forming a walking club in the Darwell area with the hall as its focal point. Anyone interested in any of these

activities are encouraged to come to the DDRA's Annual General Meeting on Monday January 16th at 7:30 PM. The past year's operation will be reviewed and plans for 2017 will be outlined.

EVANSBURG ROYAL CANADIAN LEGION #196 LADIES AUXILIARY

Submitted by Bonnie Perrett

If you are looking for a way to give back to your community, by donating a few hours of your time each month, the RCL #196 Ladies Auxiliary may be the perfect fit for you. The Ladies Auxiliary is a vital part of our local Legion Branch. Membership is open to any woman over the age of nineteen years, who supports the aims and objectives of the Royal Canadian Legion.

Through the sale of meat draw tickets, the L.A. raises funds which are donated to a number of community organizations. During 2016, the RCL #196 Ladies Auxiliary contributed a total of \$5,000 to charitable groups such as the W.E.E. Food Bank, the Drayton Valley Health Foundation, Santa's Anonymous, Wildwood Ag Society, Yellowhead Emergency Women's Shelter, Cadets and Pembina Kids Sports. Memorial donations were made to the Canadian Cancer Society and the Heart and Stroke Foundation.

In support of our own Legion, the Ladies Auxiliary also donated over \$6000 for maintenance and upgrading of the Legion Hall. This hall is used by all community members. In past years, the L.A. has made significant contributions to the Legion to put towards hall improvements, including floor coverings and kitchen renovations. As well, yearly donations are made to the Alberta/NWT Ladies Auxiliary for post-secondary student bursaries and hospitals.

Unfortunately, as members have aged or moved away from the community, our numbers have declined and we are in need of new members to enable this valuable organization to effectively function and contribute to the community.

Monthly meetings are held the first Tuesday of every month. Our first meeting of the New Year will be held at the Legion Lounge, at 7 p.m. on Tuesday, January 3rd.

Anyone who is interested in finding out more about this organization, the work that we do and the commitment involved is welcome to attend. We look forward to see-

ing you there. For more information, please contact Zenobia Mocariski at 780-727-2207.

UPDATE FROM LAKEWELL 4H CLUB - NOV

Submitted by Julie Lalonde

During the last few weeks, Horse group 1-3 worked with their new horses and learned about them. Horse group 4-7 hasn't worked with their horses yet, however they did attend Horse Play in Villeneuve. At

horse Play they formed groups and watched a presentation then took a short quiz, which our group did great on and then did some hands-on activities in their groups. Our club came away with horse first aid kits and Jayden Stebbings won 3rd place junior in the slideshow. Great job!

Beef went to a weigh in at Mayerthorpe on November 6th and we have since been feeding our steers every morning and night.

Foods and Sheep will be starting soon.

Woods first meeting is on November 5th.

Vet Sciences visited the U of

A barns and the highlight was to see a cow with an window in it's rumen. They got to see and observe what digested alfalfa looks like.

PARLIAMENT UPDATE – WEEK OF DECEMBER 12, 2016

Submitted by Jim Eglinski, MP – Yellowhead

We enjoyed a short, but busy, week in the House of Commons as we prepared for the winter break. We discussed Budget 2016, the Canada-European Union Comprehensive Economic and Trade Agreement (CETA), the criminal code, and registered retirement income funds.

The following was debated in the

House:

- Bill C-29 – Budget Implementation Act, 2016, No. 2
- Bill C-30 – An Act to implement the Comprehensive Economic and Trade Agreement between Canada and the European Union and its Member States and to provide for certain other measures (Second Reading)
- Bill C-31 – An Act to implement the Free Trade Agreement between Canada and Ukraine (Second Reading)

ing)

- Bill C-235 – An Act to amend the Criminal Code and the Corrections and Conditional Release Act (fetal alcohol disorder) (Defeated at Second Reading)
- Bill C-301 – An Act to amend the Income Tax Act and to make a related amendment to another Act (registered retirement income fund) (Second Reading)
- Bill S-4 – Tax Convention and Arrangement Implementation Act, 2016 (Passed)

I am pleased to inform you that a motion many of you have been following, M-47, has been unanimously passed. This motion by MP Arnold Viersen instructs the Standing Committee on Health “. . . to examine the public health effects of the ease of access and viewing of online violent and degrading sexually explicit material on children, women and men.” This is a great initiative, as Parliament has not studied the effects of violent sexually explicit material since the 1985 Special Committee on Pornography

and Prostitution.

On Tuesday, I participated in the debate on C-31. You can read my comments and questions at: <http://www.parl.gc.ca/content/hoc/House/421/Debates/127/HAN127-E.PDF> (pages 31 to 33).

In the Standing Committee on Environment and Sustainable Development (ENVI), we continued to study Bill C-18, An Act to amend the Rouge National Urban Park Act, the Parks Canada Agency Act and the Canada National Parks Act. We also discussed federal protected areas and conservation objectives. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

This week, I attended 7 meetings and 3 events. I will be back in the riding to attend an event on Friday evening.

As Parliament adjourned for winter break on Wednesday evening, I want to wish everyone a very Merry Christmas, Happy New Year, and a safe holiday season. My next update will be in the New Year.

HAVE YOU MADE A NEW YEAR'S RESOLUTION AND WANT TO MAKE IT A HABIT?

Submitted by Alberta Health Services, Nutrition and Food Services

You're not alone. Every year, people set goals wanting to change their lifestyle.

To get into action, the first step is to jot down ideas for changes you want to make. From this list, pick one that you feel ready to start. Then make it a SMART goal.

Deciding to lose weight is a goal that many people choose. To make it a SMART goal, focus on behaviour you will do every day, instead of the outcome (weight loss).

A SMART goal is:

- Specific: Decide what you are going to do and how to do it.
- Measurable: Keep track of how you are doing.
- Attainable: Pick something you think you can do.
- Rewarding: Think of how good you will feel when you make small changes.
- Timely : Give yourself a time limit.

Using the SMART guidelines can help you to set a goal that is within reach. Changing too many things at once can be overwhelming. To make lasting changes, work on what you can stick with. A SMART goal example is packing a lunch that in-

cludes vegetables at least three days of the week.

Once you've set your goals, think about what might prevent you from achieving your goals. This can help you plan ways to get around barriers. For example, if your goal is to pack a lunch that includes vegetables, your barrier may be that your weeknights are always busy and this prevents you from cutting up vegetables. To work around this barrier,

you could wash and cut up vegetables on Sunday night and pack them for the week. It takes a bit of planning, but a little thought and time up front will help you achieve your goal.

Remember to reward yourself and to monitor your progress. Celebrate when you stick to your goal for a month. If your plan isn't working, take time to ask yourself why, and adjust the plan so you can make it

happen.

No matter how committed you are to reaching your goals, attempting too many changes all at once is not realistic. Set goals that you know you can achieve; achieving those goals can give you the confidence to set new ones. Wishing you a happy, healthy 2017!

For a SMART goal setting worksheet visit www.ahs.ca and search Setting SMART Goals.

SCHOOL BUS INCIDENT IN YELLOW-HEAD COUNTY

Submitted by Nikki Gilks

At approximately 4pm on Monday, December 12, 2016, students travelling home on a school bus travelling on Highway 748 were involved in a minor collision on its regular route from Edson schools. Emergency services personnel assessed all people involved as a pre-cautionary measure before students were released onsite to another bus to be taken home although some families chose to pick up their students onsite. Five students were sent to the local hospital for further assessment as a pre-cautionary measure before being released that evening.

We take very seriously the trust that families place into us in ensuring that their children are kept safe and secure, especially when travelling on our school buses.

Grande Yellowhead does have emergency crisis protocols to follow including a call out to 911 services although each situation is unique, and the steps taken may be different each time. However, at no time should any child or staff member under our care be subject to any undue risk, including access to emergency medical assistance if needed.

When incidents such as Monday's accident, are currently under internal investigation as well as from the R.C.M.P., it is not the division's policy to discuss details until the investigations are completed. On Tuesday, December 13th, Grande Yellowhead contacted Yellowhead County representatives to arrange a meeting for Thursday, December 15th to specifically discuss what had happened. We also welcome the opportunity to investigate any changes in protocols to ensure alignment of future expectations from both our organizations. We continue to look forward to working together with all our community partners to ensure the health and safety of all.

Our contest was a huge success!

There were so many great entries that it was difficult to choose the winners, but after careful deliberation, we made our decision. Each winner received a gift basket.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

3		2			7	1		
9			1		3	6		
	1			8		2		
			9				6	3
7			8	3	5	4		1
	2					8	9	
		4		5		9		7
6				4	9	5		2
8	5			7				

ANSWER:

3	6	2	4	9	7	1	5	8
9	8	5	1	2	3	6	7	4
4	1	7	5	8	6	2	3	9
5	4	8	9	1	2	7	6	3
7	9	6	8	3	5	4	2	1
1	2	3	7	6	4	8	9	5
2	3	4	6	5	8	9	1	7
6	7	1	3	4	9	5	8	2
8	5	9	2	7	1	3	4	6

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
