## LEDUC SELECTED TO HOST WORLD HOCKEY CHALLENGE

**Submitted by Sherrie Mohr**

Hockey Canada announced that Leduc, AB, would be hosting the Team West Junior A Selection Camp from Dec. 5-7 at the Leduc Recreation Centre (LRC). The team departed from Leduc to go straight to Bonnyville to compete in the World Junior A Challenge. This is the second year that Leduc has held the hockey challenge. Last year, the team selected in Leduc went on to win gold at the World Junior A Challenge.

Sixty players gathered to take part in games and practices in

the hopes of making the final Team Canada West line-up. The LRC will host all scheduled games and practices in advance of the final roster selections for Team Canada West.

“It’s great to be back in Leduc for Team Canada West Selection Camp. Last year our hosts were fantastic and helped kick off our event which helped lead us to winning a gold medal,” says Trevor Alto, British Columbia Hockey League Executive Director. “This year’s camp was equally competitive for spots on the team and we look forward to giving the community of Leduc a few days of Team Canada West

Hockey.”

Team Canada West is selected from among the league’s five western Junior A leagues: the British Columbia Hockey League (BCHL), Alberta Junior Hockey League (AJHL), Saskatchewan Junior Hockey League (SJHL), Manitoba Junior Hockey League (MJHL), and Superior International Junior Hockey League (SIJHL).

For more information on the 2016 World Junior A Challenge, please visit HockeyCanada.ca, or follow along via social media on Facebook and Twitter.

## TRAFFIC STOP LEADS TO DRUG SEIZURE

**Submitted by RCMP Leduc**

Leduc, Alberta – in the early hours of this morning, the Leduc Municipal Integrated Traffic Unit (LMITU - Leduc Community Peace Officers working alongside Leduc RCMP Traffic members) were conducting regular patrols in the Leduc East Industrial park when a member observed a vehicle speeding. The community peace officer conducted a traffic stop. Investigation revealed the driver

was driving under the influence of marijuana and a subsequent RCMP investigation and search of the vehicle revealed 67 grams of marijuana and paraphernalia. The driver was arrested and charged by the RCMP for possession of a controlled substance and transported to Leduc RCMP Detachment where he was processed. The driver was issued a speeding ticket, a 24hr drivers licence suspension and the vehicle was seized for 24hrs.

Driving under the influence of drugs, alcohol, fatigue or a med-

ical/physical condition could lead to having your driver’s licence suspended for a minimum of 24hrs, depending on the circumstances. With a 24hr licence suspension comes a mandatory 24hr vehicle seizure. The LMITU has seen many cases where a driver is operating a motor vehicle under the influence and is committed to reducing these cases, pro-actively, to make the roads safer for everyone in our community.

# CITY COUNCIL SETS MULTI-YEAR APPROACH FOR MODEST TAX INCREASES

Submitted by Mariann McLaughlin

Leduc City Council and administration tackled the 2017 budget taking a team approach to preserve all levels of service while introducing a balanced budget for the next three years through a strategic multi-year approach resulting in a tax impact of 1.81 per cent for 2017, 2.82 per cent in 2018, and 3.3 per cent for 2019.

“We carefully weighed the recommendations put before us, recognizing this economic climate is not the same as 2008 and that it will take time for this province and its citizens to recover,” says Leduc Mayor Greg Krischke. “With that said, we’re confident with this multi-year strategy moving forward as it allows us to mitigate significant tax shocks and better plan for ongoing operational and future capital needs.”

On the heels of Leduc’s hyper

growth in the last decade (five year average growth rate of 4.7 per cent), the 2017 budget saw a movement away from this to what can be described as Leduc’s ‘new normal’, as the city projects modest growth in the coming years. City administration used the following considerations when forecasting future growth:

- Non-residential sector is seeing a reduction in developer contributors; rising vacancy rates
- Residential sector is forecasting unfavourable impacts from increasing housing costs due to new energy codes; increased costs of building materials; revised mortgage stress test and associated rules
- Leduc’s current assessment split is 67/33 per cent residential/non-residential – the weakened economy and slow recovery may adversely affect council’s goal of reaching a 60/40 split

“As a result of reduced growth

we’re seeing a reduction in revenues, current and projected, it’s incumbent upon us to alter how we plan for the coming years while maintaining a service level Leduc citizens have come to appreciate,” says Jennifer Cannon, director of Finance with the City of Leduc. “By working with council, administration found several cost savings and efficiencies over the past year which is instrumental in getting us through these harder times.”

Some internal cost saving measures include:

- Fire Services staff taking on custodial duties rather than provided by a contractor
- Minimal staffing requests and no Cost of Living Allowance for exempt staff for 2017
- Installation of solar panels at the Leduc Recreation Centre
- Negotiated enhanced pricing for corporate training

For more information, visit Leduc.ca or call 780-980-7177.

**JOKE OF THE WEEK**

On New Year’s Eve, Marilyn stood up in the local pub and said that it was time to get ready. At the stroke of midnight, she wanted every husband to be standing next to the one person who made his life worth living. Well, it was kind of embarrassing. As the clock struck, the bartender was almost crushed to death.

# INFLUENZA SEASON

**Submitted by Alberta Health Services**

It happens every fall: influenza arrives in Alberta, and takes a serious toll on our communities.

Influenza is a real threat. It's also preventable.

Influenza immunization will be made available, starting October 24, free of charge, to all Albertans six months of age and older.

It's the single most effective means of reducing your risk of influ-

enza, particularly when you receive it as early in the season as possible. By getting immunized early, you will give your body the opportunity to respond to immunization, and produce antibodies that will arm you against the influenza viruses you'll be exposed to again throughout the season.

Each year, influenza vaccine is developed to protect us against the strains of virus likely to circulate in our community. Though vaccine effectiveness may vary, know this:

last season, influenza vaccine cut Albertan's risk of influenza by half. Without immunization, Albertans were completely at risk.

And we do mean all Albertans.

Although some individuals (pregnant women, seniors, children, and individuals with underlying health conditions or compromised immune systems) are at greater risk for severe complications, without immunization, even healthy Albertans are at risk of severe illness and even death.

62 Albertans died with influenza last season, and more than 1,600 Albertans were hospitalized.

Let's do better this year.

Prevention is your protection. Get immunized this season.

For more information on the influenza program, including local clinic locations and schedules, visit [ahs.ca/influenza](http://ahs.ca/influenza) or call Health Link at 811.

# SEPTIC SENSE WORKSHOP SET TO HELP RURAL PROPERTY OWNERS

**Submitted by Katherine Degaust**

Leduc County, Alberta – On January 18, Leduc County, in partnership with Alberta Onsite Wastewater Management Association (AOWMA) and the Land Stewardship Centre (LSC), is hosting a septic sense workshop to help rural landowners properly maintain and man-

age their septic systems.

Rural property owners are responsible for ensuring their systems operate properly and safely. "Prior to this workshop, there were no other courses available that septic system owners could benefit from, says Heather Dickau, Horticulturist with Leduc County. "There's been a lack of information for a long time; we're hoping this workshop will

help rural property owners to better understand and take care of their septic systems."

According to AOWMA, the average family of four puts 1,360 litres of sewage through a septic system each day. Improperly managed septic systems have the potential to leave a significant negative effect on the Alberta landscape.

The workshop will cover:

- what a septic system is and how it works;
  - regulations;
  - design and installation;
  - appropriate use of septic systems;
  - maintenance and;
  - troubleshooting.
- The workshop will take place on Wednesday, January 18 at the New Sarepta Agri-Plex.

# HAVE YOU MADE A NEW YEAR'S RESOLUTION AND WANT TO MAKE IT A HABIT?

**Submitted by Alberta Health Services, Nutrition and Food Services**

You're not alone. Every year, people set goals wanting to change their lifestyle.

To get into action, the first step is to jot down ideas for changes you want to make. From this list, pick one that you feel ready to start. Then make it a SMART goal.

Deciding to lose weight is a goal that many people choose. To make it a SMART goal, focus on behaviour you will do every day, instead of the outcome (weight loss).

A SMART goal is:

- **Specific:** Decide what you are going to do and how to do it.
- **Measurable:** Keep track of how you are doing.
- **Attainable:** Pick something you think you can do.
- **Rewarding:** Think of how good you will feel when you make small changes.
- **Timely:** Give yourself a time limit.

Using the SMART guidelines can help you to set a goal that is within reach. Changing too many things at once can be overwhelming. To make lasting changes, work on what you can stick with. A SMART goal example is packing a lunch that includes vegetables at least three days of the week.

Once you've set your goals, think about what might prevent you from achieving your goals. This can help you plan ways to get around barriers. For example, if your goal is to pack a lunch that includes vegetables, your barrier may be that your weeknights are always busy and this

prevents you from cutting up vegetables. To work around this barrier, you could wash and cut up vegetables on Sunday night and pack them for the week. It takes a bit of planning, but a little thought and time up front will help you achieve your goal.

Remember to reward yourself and

to monitor your progress. Celebrate when you stick to your goal for a month. If your plan isn't working, take time to ask yourself why, and adjust the plan so you can make it happen.

No matter how committed you are to reaching your goals, attempting too many changes all at once is not

realistic. Set goals that you know you can achieve; achieving those goals can give you the confidence to set new ones. Wishing you a happy, healthy 2017!

For a SMART goal setting worksheet visit [www.ahs.ca](http://www.ahs.ca) and search Setting SMART Goals.

## START HEALTHY. STAY HEALTHY.

Alberta's influenza immunization program is ongoing. Influenza immunization is offered, free of charge, to all Albertans six months of age and older.

# NATIONAL IMPAIRED DRIVING ENFORCEMENT CAMPAIGN

Submitted by RCMP Leduc

On Saturday, December 3, the Leduc RCMP and the Leduc Municipal Integrated Traffic Unit (LMITU) kicked off Impaired Driving Enforcement Month by conducting Checkstops in var-

ious locations throughout the City of Leduc. We are pleased to report seeing an increase in designated driver being used and a reduction of impaired drivers on the road. With the holidays approaching, December is a busy time of year with social events where alcohol may be involved.

The LMITU wants to remind the public that if you are going to be consuming alcohol, plan a safe ride home and do not drink and drive. Make sure you plan ahead, use a designated driver, call a sober friend, use public transportation or call a taxi to get to your destination safely.

While you are out on the roadways if you suspect a driver is impaired, we encourage you to call 911 and report them. Our goal is to get impaired drivers off the road and make the holiday season safer for everyone.

# CANADA SUMMER JOBS 2017

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is inviting local employers to apply for funding through Canada Summer Jobs (CSJ) 2017 to help create jobs for students next summer. Budget 2016 added \$113 million per year for three years to the existing CSJ base funding of \$107.5 million, doubling the number of students employed each year.

The Canada Summer Jobs initiative provides funding to not-for-profit, public-sector and small private-sector employers with 50 or fewer employees. It creates summer job opportunities for young people 15 to 30 years of age who are full-time students intending to return to their studies in the next school year.

“As in previous years, we are focusing on local priorities in the Yellowhead riding. This program will help provide experience and skillsets to students today so they can qualify for the relevant jobs in the future,” said MP Eglinski.

The application period for Canada Summer Jobs 2017 will take place earlier this year, running from December 5, 2016 to January 20, 2017. This will ensure students may be hired beginning in April 2017. Eligible employees can apply online at: [www.servicecanada.gc.ca/csj](http://www.servicecanada.gc.ca/csj) or print off an application form from the website. Applications are available at any Service Canada Centre.

# BREAK & ENTERS

Submitted by Breton RCMP

On the morning of Monday, December 12th, 2016, Marisa's Country Kitchen located off Highway 20 south of Winfield, AB (previously known as Modeste Truck Stop) was broken into. Thieves entered by breaking the window out of the front door then proceeded to steal the cash register, chocolate bars and candy. A small quantity of cash was stolen and the cash register was located nearby.

On the same morning suspects attempted to break into Winfield's SMITH Hardware store causing significant damage to three of their entrances.

Anybody with information pertaining to these or any other crimes, please contact Breton RCMP or Crimestoppers.

The Thorsby/Breton RCMP is seeking public assistance for the following event:

On December 25th, 2016, at approximately 5:20 A.M. a break and enter occurred at the Post Office, in Buck Lake. Video surveillance from another building showed a vehicle suspected to be involved. The vehicle appears to be a white Chevrolet Avalanche.

Anyone with information regarding any of these incidents is urged to call Breton RCMP at 780-696-3520 or 1-888-222-8477 (crime stoppers). Individual caller information will be kept confidential, unless caller wishes to provide details.

# PARLIAMENT UPDATE

**Submitted by Jim Eglinski, MP – Yellowhead**

Week of December 12, 2016

We enjoyed a short, but busy, week in the House of Commons as we prepared for the winter break. We discussed Budget 2016, the Canada-European Union Comprehensive Economic and Trade Agreement (CETA), the criminal code, and registered retirement income funds.

The following was debated in the House:

- Bill C-29 – Budget Implementation Act, 2016, No. 2
- Bill C-30 – An Act to implement the Comprehensive Economic and Trade Agreement between Canada and the European Union and its Member States and to provide for certain other measures (Second Reading)
- Bill C-31 – An Act to implement the Free Trade Agreement between Canada and Ukraine (Second Reading)
- Bill C-235 – An Act to amend the Criminal Code and the Corrections and Conditional Release Act (fetal alcohol disorder) (Defeated at Second Reading)
- Bill C-301 – An Act to amend the Income Tax Act and to make a related amendment to another

Act (registered retirement income fund) (Second Reading)

- Bill S-4 – Tax Convention and Arrangement Implementation Act, 2016 (Passed)

I am pleased to inform you that a motion many of you have been following, M-47, has been unanimously passed. This motion by MP Arnold Viersen instructs the Standing Committee on Health “. . . to examine the public health effects of the ease of access and viewing of online violent and degrading sexually explicit material on children, women and men.” This is a great initiative, as Parliament has not studied the effects of violent sexually explicit material since the 1985 Special Committee on Pornography and Prostitution.

On Tuesday, I participated in the debate on C-31. You can read my comments and questions at: <http://www.parl.gc.ca/content/hoc/House/421/Debates/127/HAN127-E.PDF> (pages 31 to 33).

In the Standing Committee on Environment and Sustainable Development (ENVI), we continued to study Bill C-18, An Act to amend the Rouge National Urban Park Act, the Parks Canada Agency Act and the Canada National Parks Act. We also discussed federal protected areas and conserva-

tion objectives. For more information on these meetings, visit: [www.parl.gc.ca/Committees/en/ENVI](http://www.parl.gc.ca/Committees/en/ENVI)

This week, I attended 7 meetings and 3 events. I will be back in the riding to attend an event on Friday evening.

As Parliament adjourned for winter break on Wednesday evening, I want to wish everyone a very Merry Christmas, Happy New Year, and a safe holiday season. My next update will be in the New Year.

Week of December 5, 2016

This week in Parliament, we discussed the 2016 Budget, the Canada-European Union Comprehensive Economic and Trade Agreement (CETA), violent sexual material, and several holiday and Memorial Day proposals.

The following was debated in the House:

- Bill C-25 – An Act to amend the Canada Business Corporations Act, the Canada Cooperatives Act, the Canada Not-for-profit Corporations Act, and the Competition Act (Second Reading)
- Bill C-29 – A second Act to implement certain provisions of the budget tabled in Parliament on March 22, 2016 and other measures (Third Reading)
- Bill C-30 – An Act to implement the Comprehensive Econom-

ic and Trade Agreement between Canada and the European Union and its Member States and to provide for certain other measures (Second Reading)

- Bill C-235 – An Act to amend the Criminal Code and the Corrections and Conditional Release Act (fetal alcohol disorder) (Second Reading)

- Bill C-306 – An Act to establish a Crimean Tatar Deportation (“Sürgünlik”) Memorial Day and to recognize the mass deportation of the Crimean Tatars in 1944 as an act of genocide (Second Reading)

- Bill C-311 – An Act to amend the Holidays Act (Remembrance Day) (Second Reading)

- Bill S-4 – An Act to implement a Convention and an Arrangement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and to amend an Act in respect of a similar Agreement (Second Reading)

- Motion 47 – Instruction to the Standing Committee on Health (violent and sexual online material) (Resuming Debate)

- Motion 73 – German Heritage Month (Resuming Debate)

This week, I attended 15 meetings and three events.

## SUDOKU OF THE WEEK

### Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

3	6	2	4	9	7	1	5	8
9	8	5	1	2	3	6	7	4
4	1	7	5	8	6	2	3	9
5	4	8	9	1	2	7	6	3
7	9	6	8	3	5	4	2	1
1	2	3	7	6	4	8	9	5
2	3	4	6	5	8	9	1	7
6	7	1	3	4	9	5	8	2
8	5	9	2	7	1	3	4	6

3		2			7	1		
9			1		3	6		
	1			8		2		
			9				6	3
7			8	3	5	4		1
	2					8	9	
		4		5		9		7
6				4	9	5		2
8	5			7				

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

# BOVINE TB IN ALBERTA: MINISTER'S STATEMENT

Submitted by Government of Alberta

Oneil Carlier, Minister of Agriculture and Forestry, has issued the following statement about Bovine TB in Alberta:

"Today I have the privilege of visiting with some of our cattle producers and their families on their farms in southeastern Alberta. Several ranchers in this area are affected by the ongoing Canadian Food Inspection Agency (CFIA) investigation into bovine tuberculosis, and it's important for me to meet with them and hear firsthand about their experiences.

"While the investigation has created many challenges for these producers, I continue to be inspired by their resilience during this difficult situation. They know how important it is to protect our livestock and markets from disease. Despite the complex challenges involved, they are stepping up to do what's necessary to ensure the health of Alberta's and Canada's animals.

"There are many people and organizations who are committed to supporting our cattle producers during this time of financial, logistical, and emotional stress. In addition to the individual farmers, I would like to thank Alberta Beef Producers for their hard work on behalf of the industry.

"Our federal government partners at the CFIA and Agriculture and Agri-Food Canada, along with Alberta's Agriculture Financial Services Corporation and staff across the Alberta government, are all working around the clock to deal with this ongoing situation and provide assistance to farmers.

"I commend and thank all those dedicated to the investigation and to supporting our cattle industry. We will continue to stand together and with our producers as they work through the immediate situation and in the future as they begin the long process of rebuilding their herds."
