## WILDWOOD SENIORS ANNUAL GENERAL MEETING 2017

**Submitted by Esther Johnston, on behalf of the Wildwood Senior Citizens Club**

Happy New Year to everyone! The Annual General Meeting for 2017 is on Wednesday, January 25, 2017 and starts at 2:00 pm in the Wildwood Seniors Hall. The four Executive positions include President, Vice President, Treasurer and Secretary. There are seven Directors, a Membership Coordinator and a Maintenance Team. We have Committees for the various activities that many enjoy. Following the AGM is our Monthly meeting. We meet each month except July, August and December on the fourth

Wednesday of the other months. For more information, the primary numbers to call include the hall at 780-325-3923, Jean at 780-325-2391, Opal at 780-325-2030, Charlotte at 780-325-3787 and Esther at 780-325-2468.

We have been in Wildwood since 1967. We welcome everyone from the age of 50 years plus to join our group, enjoy functions and maybe a social event or more in 2017. Annual membership fees are priced reasonably. We have a Grandparent Program at the Seniors' Hall on Wednesdays from October to May annually. Connie, the Program Co-ordinator, started this joint venture in September 1997 with Wildwood School, Yellow-

head County, and the Wildwood Senior Citizens Club "grandparents". She encourages the natural grandparents of the students to participate too. Yellowhead County Family and Community Support Services (FCSS) supports this venture with funding for the program. The "grandparents" share skills with the students in painting, sewing, crafts, making items, baking and games. This is an example of one of the programs.

New members are always welcome! If you are looking to participate with others and make new friends, please consider our club. If there is an activity you have not found, please consider calling one of our members.

## CANADA SUMMER JOBS 2017 APPLICATION PERIOD EXTENDED TO FEBRUARY 3, 2017

**Submitted by Jim Eglinski, MP – Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform all not-for-profit organizations, public-sector employers and small businesses with up to 50 employees looking to hire students for summer 2017 that the application to apply for funding under the Canada Summer Jobs program has been extended to February 3, 2017.

Applicants approved for funding will be able to hire students as early as April 2017.

The Canada Summer Jobs initiative provides funding to not-for-profit, public-sector and small private-sector employers with 50 or fewer employees. It creates summer job opportunities for young people 15 to 30 years of age who are full-time students intending to return to their studies in the next school year.

"As in previous years, we are

focusing on local priorities in the Yellowhead riding. This program will help provide experience and skillsets to students today so they can qualify for the relevant jobs in the future," said MP Eglinski.

Eligible employees can apply online at: [www.servicecanada.gc.ca/csj](http://www.servicecanada.gc.ca/csj) or print off an application form from the website. Applications are available at any Service Canada Centre.

## JOKE OF THE WEEK

One day my mother was out, and my dad was in charge of me. I was maybe 2 1/2 years old. Someone had given me a little ‘tea set’ as a gift, and it was one of my favourite toys. Daddy was in the living room engrossed in the evening news when I brought Daddy a little cup of ‘tea’, which was just water. After several cups of tea and lots of praise for such yummy tea, my Mom came home. My Dad made her wait in the living room to watch me bring him a cup of tea, because it was ‘just the cutest thing!’ My Mom waited, and sure enough, here I came down the hall with a cup of tea for Daddy; and she watched him drink it up. Then she said: (as only a mother would know), “Did it ever occur to you that the only place she can reach to get water is the toilet?”

# THE ROLE OF THE CARBON TAX IN ALBERTA'S CLIMATE LEADERSHIP PLAN

**Submitted by Hon. Oneil Carlier, Whitecourt-Ste. Anne**

As the government of British Columbia approved Kinder Morgan's pipeline, we are closer than ever to breaking our landlock and fixing a problem that has dogged our province for decades.

And that wouldn't have been possible without Alberta's Climate Leadership Plan, designed to take action on climate change and protect the province's health, environment and economy.

This approval is another important step forward towards the completion of this critical project for the Canadian economy.

We are getting closer to bringing Alberta's product to tidewater and this is good news for the communities of Whitecourt-Ste. Anne.

I do believe that Alberta and British Columbia share a commitment to creating jobs and economic opportunities for families as well as a deep environmental ethic.

Working families shouldn't have to choose between good jobs and the environment. World-class environmental standards and a strong economy that benefits working people must go hand-in-hand.

Our province and economy need a made-in-Alberta solution to climate change. Not only is taking action the right thing to do, inaction runs the risk of policies or penalties being imposed on Alberta or on our products. Having a credible climate change policy improves our international reputation as an energy provider.

Energy wide carbon pricing is the most effective way to reduce emissions at the lowest total cost to the economy, as it provides an incentive for everyone, including households, businesses and municipalities to reduce greenhouse gas emissions that contribute to climate change. A carbon levy will also encourage innovation and diversification of our economy.

The Alberta government is also protecting our oil industry by helping it be a leader. Our climate change policies, including the carbon levy, have helped get a number of pipelines approved. We have also seen corporate investment in the past few months. Some recent

announcements include Cenovus increasing capital spending by 24 per cent in 2017, SemsCAMS announced a new sour gas plant in the Wapiti area, and 149 new wells have been approved under the modernized royalty framework, each one supporting 135 direct and indirect jobs and about \$4.5 million in spending.

Revenue from the carbon levy will pay to help to diversify our energy industry and our province's

economy as a whole. This includes boosting electricity generation from renewable sources to 30 per cent by 2030, up from just 10 per cent at present. This will provide significant investment opportunities of at least \$10.5 billion and create at least 7,200 new jobs as projects are built.

Albertans stand to gain with the carbon levy rebate. Approximately 1.13 million individual carbon rebate payments have been issued since Jan. 5 via direct deposit and

cheques, including thousands in Whitecourt-Ste. Anne constituency.

These rebates are intended to help lower- and middle-income households adjust to the carbon levy and invest in increasing energy efficiency at home.

As we continue to reap the rewards of our Alberta-made solutions, we know that we can continue to support a strong and prosperous oil and gas sector while taking steps to reduce our carbon emissions.

# 4-H LOBSTICK MULTI-CLUB NEWS

Submitted by Ashtyn Chessall

A huge thank you to the generous residents of Evansburg and Entwhistle for Santas Anonymus. The Lobstick club members went door to door handing out bags for food donations on the evening of December 6. The bags were then picked up on the 8th. Everyone who filled their bags this year helped tremendously and it was greatly appreciated! Thank you!! On December 17th our club mem-

bers participated in a fund raiser by picking up used tires from farms and taking them to the dump for a return. All together we hauled over 700 tires. Thank you to those who donated to this as well. This was a lot of hard work but we all worked together so the job wasn't too bad.

As far as January we have all started to write our public speaking speeches to be ready for February. We had an information meeting on how to write our speeches and ended it with pizza

# ENTWISTLE SCHOOL JANUARY NEWS

**Submitted by Les Worthington, Principal, Entwistle School "Our students get our best".**

Welcome back! This week students have been transitioning back to their classroom routines. There are many great opportunities happening in January. First, let's take a look back at some of the highlights from December:

- Amber Skyrpan, a member of Team Canadas Women's Sitting Volleyball Team, shared her inspiring story with our students.

- There was a free Lasagna Hot Lunch donated by Nezar Kemaleddine.

Huge thanks also to the parent volunteers who continue to make the Hot Lunch and Milk programs run!

- On December 20th the Entwistle Community Church once again provided a free Christmas Lunch. The event was well attended and over 250 people enjoyed an amazing meal.

- Our annual Christmas Concert took place on the 22nd. Students performed to a full house and everyone left feeling the warmth of the Christmas season.

January marks the start of both the basketball and archery seasons. There are also several other opportunities including:

- Dance Club continues on Tues-

days at recess for students in Kindergarten to Grade 3.

- Basketball practice is Monday's after school until 5:00 p.m. Please arrange for your ride ahead of time.

- Archery practice will take place Thursday at lunch. Starting in February students will also begin practicing Tuesdays after school.

- Musical group HOJA has been postponed. Please keep an eye on the ESC/FOELS Facebook page for any updates.

- Johnathan, Owen, Brody, McKinley, and Gracie will be leading the Blanket Exercise on Thursday, January 19th at Entwistle School in the gymnasium. These students have fa-

cilitated the Blanket Exercise several times, including most recently at the University of Alberta Faculty Club! This Blanket Exercise will be open to parents and community members. Spots must be reserved in advance and will be capped at 50. Please complete the form in this month's newsletter and return to the school. If you're wondering, "What is the blanket exercise?", please see below:

The KAIROS Blanket Exercise is an interactive learning experience that teaches the Indigenous rights history we're rarely taught. Developed in response to the 1996 Report of the Royal Commission on Aboriginal Peoples—which recommended education on Canadian-Indigenous history as one of the key steps to reconciliation, the Blanket Exercise covers over 500 years of history in a one and a half hour participatory workshop.

Blanket Exercise participants take on the roles of Indigenous peoples in Canada. Standing on blankets that represent the land, they walk through pre-contact, treaty-making, colonization and resistance. They are directed by facilitators representing a narrator (or narrators) and the European colonizers. Participants are drawn into the experience by reading scrolls and carrying cards which ultimately determine their outcomes. By engaging on an emotional and intellectual level, the Blanket Exercise effectively educates and increases empathy. Ideally, the exercise is followed by a debriefing session in which participants have the opportunity to discuss the experience as a group. This often takes the form of a talking circle.

For more information, please visit: <http://kairosblanketexercise.org/>

- On Monday, January 30th, students in grades 6-9 will be going on a fieldtrip to the Telus World of Science.

- There is no school on Tuesday, January 31st.

- Entwistle School will be attending the Edmonton Oil Kings Annual Hockey Hooky on Wednesday, February 15th at the new Rogers Place in downtown Edmonton. Students who have been doing their best at being an Eagle will have the opportunity to go. If you're interested in volunteering, please keep an eye on the ESC/FOELS Facebook page for updates. As we have a limited amount of tickets we are still not sure how many volunteers we may require.

If you should ever have any questions, comments, celebrations or concerns please feel free to email ([lworthington@psd70.ab.ca](mailto:lworthington@psd70.ab.ca)) or call me (780-727-3811) at any time.

# BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	4					3	7	2
		7	4	3		9		
2	1		9					
9	3			5				1
7	8				6			9
			1	9				
3				8				
5			6			2	3	4
						6	8	7

**ANSWER:**

6	4	9	8	1	5	3	7	2
8	5	7	4	3	2	9	1	6
2	1	3	9	6	7	4	5	8
9	3	6	2	5	8	7	4	1
7	8	1	3	4	6	5	2	9
4	2	5	1	7	9	8	6	3
3	6	2	7	8	4	1	9	5
5	7	8	6	9	1	2	3	4
1	9	4	5	2	3	6	8	7

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
