CORRECTION: OJSH Student Attends Tuxis

JOKE OF THE WEEK

My high-school English teacher was well known for being a fair, but hard, grader. One day I received a B minus on a theme paper. In hopes of bettering my grade and in the spirit of the valentine season, I sent her an extravagant heart-shaped box of chocolates with the pre-printed inscription: "BE MINE." The following day, I received in return a valentine from the teacher. It read: "Thank you, but it's still BE MINE-US."

On page 1 of our January 17, 2017 issue the article titled "OJSH Student Attends Tuxis" about Claire Patience and the TUXIS program stated that the Hon. Oneil Carlier, MLA Whitecourt-St. Anne, is sponsoring Claire in the MLA For a Day program and the PAGE program. The article should have read that Minister Carlier has invited Claire to apply for those programs, which are open to any youth in the constituency.

A group of individuals who were occupants in a dark green 1999 Jeep Cherokee, which was stolen out of Spruce Grove on January 27th, 2017 at 7:10 A.M., made stops at two different property only few miles south of Breton on highway 20 where they stole diverse items and attempted to steal jerry cans of fuel.

A Special Dedication In Honor Of Terry And Yvonne Slemko

Continued From Page 1

Yvonne's dedication to Public Libraries has spanned more than 30 years. Between 1985 and 2012 Yvonne spent 19 years serving on the executive of the OPL Board. During that time she also was the Town's representative on the YRL Board, an

executive member of the Alberta Library Trustees Association and co-chaired the Alberta Library Conference that is held at Jasper Park Lodge every spring.

Terry's involvement with OPL started in 1984 when he served on the board for 3 years. At which time he was also Mayor of the Village. It was at this time

the Board worked toward building a new library in Onoway that adjoined the Village Office. Yes, you can guess who was the driving force behind this new building. And without Terry's influence and leadership we would not be in this new space tonight.

Since Terry's early involvement in OPL, he has leather-bound over 50 volumes of local newspapers dating from 1949 to the present day. This he has done with no expense to the Library. And so it becomes appropriate that this History Centre be named the Terry and Yvonne History Corner.

I would like to say that Yvonne and Terry have never sat on Boards or Committees, they have always served on Boards or Committees. One has to work with them to fully appreciate their work ethics and dedication. They do not talk about their volunteer work; they only

do volunteer work.

I'm sure that had Derril Butler, OPL Chair had given this presentation he would have closed by reciting one of his favorite poems; A poem by Robert Frost which ends:

"Two roads diverged in a wood, and I –

I took the one less traveled by.

And that has made all the difference."

Terry and Yvonne, on behalf of the whole community, thank you for taking the road less traveled by. It has made all the difference. Thank you."

Guests in attendance were Erna Bontus-Miller, former Library Chair, Town of Onoway Mayor Dale Krasnow and Councilor Judy Tracy, Clive Maishment former Director Yellowhead Regional Library, Hazel Bourke and Debra Redlick, Onoway Historical Guild, Onoway Library board and staff.

The Rich Valley Public Library Society will be holding our Annual General Meeting on Monday February 27, 2017 at 7:30 pm at the Rich Valley Public Library.

Everyone is welcome to attend.

We will be holding elections and we always welcome new board members. If you are interested in the library and wish to volunteer your time we hold only 4 meetings a year.

SEPTIC SENSE WORKSHOP COMING TO GUNN COMMUNITY HALL

Submitted by Lorraine Taylor | Conservation Coordinator, Lac Ste. Anne County

Did you know the average person puts 340 litres of sewage through a private sewage system (septic system) every day? For a family of four living in a two-bedroom house, that amounts to 1,360 litres per day and just under half a million litres per year! Improperly managed septic systems have the potential to have a significant negative effect on the Alberta landscape.

Rural property owners are responsible for ensuring their systems operate properly and safely. If you have a septic system on your rural property, you will benefit from attending this workshop. Presenters will teach you how to understand, assess and properly manage your septic system, enabling you to protect your investment in your property and the valuable natural assets associated with your land.

During the workshop we will cover:

- What a septic system is and how it works
- Regulations
- Design and installation
- Appropriate use of your septic system
- Maintaining your septic system
- Troubleshooting

Learn what you can do to properly manage and maintain your septic system. Attend the Septic Sense workshop on Thursday, February 9, 2017, hosted and presented by Lac Ste. Anne County, with technical expertise provided by the Alberta Onsite Wastewater Management Association (AOWMA) and program coordination by Land Stewardship Centre (LSC). The evening includes resource packages for participants plus refreshments and light snacks. Pre-registration is required, \$5.00/person.

This workshop is intended for all landowners with septic systems, from large farm properties to smaller acreages. Information specific to Lac Ste. Anne County will be available at the session.

Sign up for our Septic Sense workshop today. Please pre-reg-

ister for the workshop by contacting Lorraine Taylor, Conservation Coordinator at the Lac Ste. Anne County office; 1-866-880-5722 or LTaylor@LSAC.ca.

BACKGROUND

Alberta's rural landscape is changing. 2011 census data shows that rural residential landowners represent 14% of Alberta's population. According to Alberta Municipal Affairs, the average person puts 340 litres of sewage through a private sewage system (septic system) every day. For a family of four living in a two-bedroom house,

that amounts to 1,360 litres per day and just under half a million litres per year. The decisions of those rural landowners about how to manage and maintain their septic systems have the potential to have a significant cumulative effect on the Alberta landscape.

Owners of these septic systems are responsible for ensuring their systems operate properly and safely. Increasingly, rural landowners are searching for relevant information on how to best manage their properties in a way that protects their investment and protects the environment. Unfortunately, landowners in Alberta have not always

had access to the information, resources and support that can help them responsibly manage their systems.

In early 2015, Land Stewardship Centre (LSC), in partnership with Alberta Onsite Wastewater Management Association (AOWMA) launched Septic Sense: Solutions for Rural Living, an onsite wastewater system education and outreach pilot program for landowners in Alberta. LSC and AOWMA have engaged technical experts and representatives from government, municipalities and industry to provide expertise and oversight to the development of the pilot program.

THE SENTENCING OF TRAVIS VADER

Submitted by Alberta RCMP

The RCMP respects the Court's decision on the sentencing of Travis Vader in the 2010 deaths of Lyle and Marie Mc-

Cann. When a crime occurs, the role of police is to investigate by gathering evidence and providing it to the Crown in support of a prosecution. The RCMP fulfilled that role in this case.

Today, our thoughts are with the McCann family, who have demonstrated courage throughout the tragic loss of Lyle and Marie McCann and the resulting criminal trial.

The RCMP will not be providing further comment out of respect of any further appeal process.

RIDING UPDATE – WINTER RECESS

Submitted by Jim Eglinski, MP – Yellowhead

As many of you may know, the House of Commons will reconvene from the winter recess on January 30th. I thoroughly enjoyed the holidays and spending time with my family.

I spent most of the month in my Yellowhead riding, meeting with constituents and local representatives. Earlier in January, I attended Drayton Valley's Town Council Meeting, and an event in Rocky Mountain House. I also met with Canadian National Railway representatives and Transport Canada officials.

In the following week, I visited students at HW Pickup Junior High School in Drayton Valley,

enjoyed a tour of the Palisades Stewardship Education Centre in Jasper National Park to learn about the programs they offer to educate students about our beautiful outdoors, met with constituents, and visited Bench Creek Brewing.

Later this week, I held more meetings in my office, and recorded various radio messages and greetings. Later I attended a special function in Hinton.

I will be returning to Ottawa next week and then attending National Caucus meetings in Quebec City the latter half of the week. I will provide regular updates once Parliament resumes. I look forward to the coming session and ensuring your voice is heard in Ottawa.

DOOR-TO-DOOR SOLICITOR WARNING

Submitted by Tara Gallant

The Town of Whitecourt has received several complaints about door-to-door solicitors selling water filtration/scaling products. The sales people may be pitching the products as a

way to improve systems to guarantee savings and earn rebates. The sales people are not clearly representing themselves, and in some instances have mentioned that they are affiliated with a government agency.

Water provided by the Town of

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

Congratulations to Cory Gyman and Kim Korall for their first place finish at the District #8, 8-Ball Pool Doubles held in Onoway on January 21st. Eleven teams competed for the honor of representing their Legion at the Provincial Command level in Calgary on March 24th & 25th. Bob C. and his crew of Jay K., Lorne O., Joanne G., and Broley H. worked hard to prepare and serve the delicious Navy Rum Rib lunch with Patsy St. H. and Carol V. helping to prepare and serve the buns and cold cuts later on in the day. No one went home hungry or thirsty between everyone pitching in to help with the meals and Louise B. with Kelsey W. serving from the bar. Thanks to Peter Menzel for supplying the extra pool table, District Commander Wayne Willis for attending the competition and handing out the awards, Neil Gorman with Scott Sadler for running the tournament and Joanne Gorman for donating the very delicious chocolate chip banana bread.

Onoway's Pool League will be hosting a "Fun" Singles 8-Ball Pool Tournament on Saturday February 18th. Please direct inquiries to Larry Villneff @ 780-967-0607 or ltv336@gmail.com or check out the information posted on the Legion Sports Board. Refreshments and hot food will be available for your enjoyment throughout the day beginning with breakfast sandwiches in the morning and tasty selections for lunch.

Darts are very popular as between thirty to forty players are competing on Tuesday Nights. We were very happy to welcome Heike Post for the first time this year and new player Albert Borgford. You don't have to be a regular player but feel free to drop in any Tuesday evening for this fun and friendly experience.

Friday Night's Orange Glazed Ham Supper was very popular with our regular patrons and some more new customers. Bob C., Ron W., Jay K., Marcelle J. and Sylvia P. worked hard in the kitchen preparing and serving supper while Randy W. and Liane W. helped with the clean-up and looked after dishwashing duties. We were very happy to see Bud Westerlund at-

tending the dinner not only looking healthy and hungry but winning the free meal draw as well. Ron May took home the meat draw and Dave Roberts won the 50/50.

A few Onoway Legion members attended the Pancake Brunch hosted by the Cherhill Legion on January 22nd. Allen Parr and his crew of Rod Hokanson, Judy Hokanson, Keitrina Pettican, Deb Hoyda and Steve Hoyda provided a tasty buffet of ham, sausages, pancakes, scrambled eggs,, fruit and pastries (donated by O' How Sweet It Is) to over 70 hungry customers. Watch the LSA Bulletin for the advertisement of their next brunch in

April as it is well worth the drive to Cherhill.

Join us on Superbowl Sunday to watch the game on our big screen. Five dollars is the entry fee but if you bring a potluck selection the charge is waived. Chili will also be available.

ONOWAY REGIONAL FIRE SERVICE HAPPY NEW YEAR!!! Our First-Year Statistics are In!

North West Fire – Onoway (Operating as Onoway Regional Fire Services) - Canada's first hybrid fire service combines the strength and competencies of a private full-service fire and safety company with the core-values and dedication of a community-based public volunteer / paid-on-call public fire department to deliver enhanced emergency 911 response within the budgets of smaller municipalities. Between our fulltime and career members and our paid-on-call friends, family, and neighbours our team is proud to report the following performance statistics for the calendar year 2016:

128 Emergency Call-Out Responses

Average 7-Members on First Alarm Assignment – 24/7

3-Minute Average Chute Time (time from page unit first unit departs) – 24/7

**8-Minutes Average Time to Scene From Page-Out
(area wide – includes remote communities)**

In addition to our municipal fire, rescue, & medical response, we are proud to have helped out our friends and neighbours during this spring's wildfire season including: Duffied / Paul Band Fires, Alexis Wildfire, and of course, battling "The Beast" in Fort McMurray.

Onoway Regional Fire Services provides fire, rescue, and medical first response to the communities of Alberta Beach, Castle Island, Nakamun Park, Onoway, Silver Sands, Southview, Sunset Point, Val Quintin, Yellowstone. Additionally; we remain ready, willing, and able to support our friends at Lac Ste. Anne County Fire Services, and partners Alberta Health Services, & Alberta Transportation should the request be made. We also advocate for an automatic aid agreement / dispatch protocol along provincial transportation corridors and elsewhere – to ensure emergency services are delivered on mass and without delay to all Albertans.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

The Town of Whitecourt awarded almost \$30,000 as part of the 2017 Family & Community Support Services (FCSS) grant program. Seven local organizations were allocated funds to assist with the provision of social programs that are preventative in nature to the community.

- \$1,150 to the Team for Success – Mixed Music Program;
- \$1,350 to the Baptist Church for

Mental Health Presentations;

- \$2,500 to the Whitecourt District Pre-School for program equipment and developmental toys;

- \$2,910 to the Whitecourt Pregnancy Support Centre for the National Conference for Program Volunteers;
- \$2,520 to the POWER Group for the WhyTry Training and Program Delivery;
- \$4,425 to Lorne’s Blanket for operations; and
- \$14,900 to the Community Lunch

Box for operations and volunteer recognition.

The Town of Whitecourt will be forwarding a letter to Ledcor regarding the level of service provided along Highway 43 and 32 in the Whitecourt area. Based on complaints and comments received from the travelling public, the level of service provided in the Whitecourt area is not comparable to that of highways in other regions, and the municipality is urging Ledcor to enhance maintenance in order to

keep the highways safe for travel.

Whitecourt has adopted the 2017 Economic Development Strategic Plan. The plan will build upon the successes of 2016 which focused on making sure our community was investment ready, and throughout 2017 projects and initiatives will focus on marketing our area to potential investors. A copy of the department’s strategic plan can be found online at www.whitecourt.ca.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

1	8		7					
			5	2			9	
	6				3	7	1	5
	2		1			9		
		9			5		6	
5	3					4		7
6	9	8	3		7		4	
		4					8	
2	5			4	6		7	9

ANSWER:

1	8	5	7	6	9	2	3	4
3	4	7	5	2	1	6	9	8
9	6	2	4	8	3	7	1	5
8	2	6	1	7	4	9	5	3
4	7	9	2	3	5	8	6	1
5	3	1	6	9	8	4	2	7
6	9	8	3	1	7	5	4	2
7	1	4	9	5	2	3	8	6
2	5	3	8	4	6	1	7	9

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
