## MORINVILLE RCMP SEEK TO RETURN EXTENSIVE COIN COLLECTION TO ITS RIGHTFUL OWNER

**Submitted by Morinville RCMP**

The RCMP is hoping to find the owner of a coin collection, including a Volunteer Service Medal amongst other things. Recognizing both the monetary and the highly sentimental value this collection likely has, the

RCMP is putting out this request for help.

In December 2014, following an investigation into stolen property, a search warrant was executed at a rural residence outside of Morinville and a substantial amount of property was recovered by the RCMP.

## WHITECOURT AND PEACE REGIONAL RCMP WORK TOGETHER TO APPREHEND ARSON SUSPECT

**Submitted by RCMP Whitecourt & RCMP Peace Regional**

Whitecourt & Peace River, Alberta - On Feb 13th, 2017, just before 1 a.m. , the Whitecourt RCMP were called to rural residence located near Range Road 103 and Township Road 592 to by an adult male reporting that he was locked in his basement and was concerned for the safety of his wife and grand kids are they were not responding to phone calls or shouting, even though he knew them to be in the residence. Investigation revealed

that the complainant had been locked in the basement and that his adult grandson had strewn cardboard and firewood around and doused those items and the floor with a flammable liquid, and attempted to light it all on fire. The adult grandson had then stolen his grandmothers vehicle and fled the scene. Whitecourt RCMP later determined that the suspect was likely in Peace River and advised the Peace Regional RCMP members to be on the lookout. Peace Regional members later located the stolen vehicle and obtained a Telewar-

rant to enter a residence where the male suspect was located hiding within in the headboard frame in a bedroom. The suspect was in possession of a hand made .22 pistol and the keys to the stolen vehicle.

Jayden Allen Lochhead, 19 years old was taken into custody on multiple new charges as well as Outstanding Warrants from, Rocky Mountain House, Whitecourt, and Peace River. Court appearances are set for the following dates in February; Rocky Mountain House 22nd, Peace River 27th, Whitecourt 28th.

# THEFT OF VEHICLES

Submitted by Stony Plain/  
Spruce Grove/Enoch RCMP

The Stony Plain/Spruce Grove/Enoch RCMP have responded to multiple calls of stolen vehicle complaints the past two weeks. Many of these vehicles were left unlocked and running with the keys in the vehicle at the time of the theft. RCMP would like to remind everyone that many of these thefts are crimes of opportunity and are preventable. Taking some

of the following steps can help you avoid becoming a victim:

- Don't leave personal identification in your vehicle.
- Remove all valuables. This includes loose change and electronic devices such as iPods, cell phones and GPS navigation systems.
- Never leave your vehicle running and unattended.
- Always lock the doors.
- Park in well lit areas with pedestrian traffic. Park your vehicle

facing the street. Anyone tampering with it is more likely to be seen.

- Don't hide spare keys in your vehicle — they can be found (and never put your name or address on your house or car keys).
- If you have a garage, use it. Lock both the vehicle and garage.
- Consider installing anti-theft devices.

If you have any information about this matter, please contact the Stony Plain RCMP at 780-968-7267. If you want to remain anonymous, you can contact crime stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipsubmit.com](http://www.tipsubmit.com), or by SMS ([www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions). You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest, the recovery of stolen property, and/or the seizure of illicit drugs, you may be eligible for a cash reward. Crime Stoppers does not subscribe to call display and the identity of the caller will remain anonymous.

Three pigs walked into a restaurant and the waiter asked them what they would like to drink. The first pig wanted Coke, the second Sprite and the third wanted water, lots and lots of water. The waiter came back to ask for the main course and the first pig wanted salad, the second wanted chicken and the third pig wanted water, lots and lots of water. The waiter came back and asked for their dessert choices. The first pig wanted cake, the second wanted cupcakes and the third pig wanted water, lots and lots of water. The waiter was curious and asked the third pig, "Why do you want so much water?" The third little pig smiled and said, "I'm the little pig that goes, wee, wee, wee all the way home."

# A MUSICAL COMEDY PRODUCTION AT THE OJSH MARCH 18TH

**Submitted by Ray Huxley(EA), Independent Studies, Onaway Junior Senior High School**

The newly named OJSH S.W.A.M.P. (Students Who Arrange Musical Productions), presents Rocky of the Rainforest, a musical comedy. Students have

been rehearsing since the end of November, learning lines, lyrics and dance moves. The story is about the making of a 40's Tarzan style movie and searching for the lead actor, Archie of the Amazon. All kinds of mayhem ensues and takes the cast from Hollywood to a game show and of course to the Amazon rainforest. Any more

would ruin the story. There will be two performances on Saturday March 18; a matinee at 2:00 and a dinner theatre with mocktails at 5:30. The matinee will serve coffee and cake one half hour before the show. The dinner promises to be delicious with Chef Murray Galliford Catering and the cast serving show themed mocktails.

Tickets will be available through cast members and at the High School office and go on sale Monday, February 20th for \$30.00 for Dinner Theatre and \$10.00 for the show only. There is limited seating so get your tickets early. Dinner theatre ticket cut off is March 10. Hope to see you there.

## Morinville RCMP Seek To Return Extensive Coin Collection To Its Rightful Owner

**Continued from Page 1**

Ongoing efforts have been made to return all the property to rightful owners. It has been a lengthy exercise in sorting through property, cataloguing property for input into the RCMP file system, reviewing files, querying data bases and locating owners.

The majority of the property has either been returned or otherwise disposed of.

A coin collection containing a large variety of coins including Olympic coin sets remains unaccounted for. A photo of a 1939 – 1945 Volunteer Service Medal is attached to this news release. This Medal was amongst the coin collection and was awarded to someone who volunteered in the Canadian Military.

The RCMP is seeking information on who owns this property. A request is being made to the public that if you feel that the collection may be yours and you can identify items in the collection, call the Morinville RCMP Detachment at 780-939-4550 and ask for Constable Plamondon.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant, Legislative Manager | Town of Whitecourt

FEBRUARY 17, 2017

Congratulations to Ashleigh Phaneu and Darnell Jendrick for being selected as winners of the 2017 Mayor for a Day initiative. The contest, which is in its second year, required youth to submit an essay on what improvements they would like to see in Whitecourt. The initiative promotes leadership opportunities, and helps to broaden the understanding of local government in our community youth. Ashleigh and Darnell will spend the day with Whitecourt Mayor Maryann Chichak on Monday, March 27.

The Town of Whitecourt is hosting a 2017 Budget Open House on Wednesday, March 8 from 4:00 to 7:00 p.m. at the Allan & Jean Millar Centre. The event, which is in its second year, will

provide information to the public on the interim budget, provide opportunity for ratepayers to comment, and allow for two-way communication between the public and Whitecourt representatives.

In celebration of Canada's 150th anniversary, the Whitecourt Communities in Bloom Committee proposed that the municipality install flagpoles at Memorial Point. The Committee feels this would be a lasting and patriotic celebration to mark this milestone for our country. The item has been forwarded to 2017 budget deliberations for further discussion.

Whitecourt will be advocating on behalf of the Whitecourt Trailblazers to Alberta Transportation in regards to an enhanced snowmobile crossing of the Athabasca River. Currently, snowmobiles can only cross the Athabasca River when weather conditions allow. The Club would like to see a more permanent solution to provide safe

crossing for those snowmobiling in the area, and suggested that the Athabasca River bridge be extended/modifed to allow for snowmobile traffic. Whitecourt will be requesting that Alberta Infrastructure conduct a review of options for providing safe crossing on Highway 43.

The final 2016 Project List was submitted to Council for review. The list outlines projects and initiatives undertaken during the 2016 budget year. A copy of the list is available on [www.whitecourt.ca](http://www.whitecourt.ca).

Members of Whitecourt Town Council will be attending the 2017 Federation of Canadian Municipalities conference in Ottawa June 1 to 4.

The Whitecourt & District Chamber of Commerce is hosting the annual Economic Forum on March 2 at the Westward Community Centre. For tickets, contact the Chamber Office at 780-778-5363.

# PIN FOR LAW ENFORCEMENT SUPPORTS ANTI-BULLYING

**Submitted by Veronica Jubinville, Press Secretary, Justice and Solicitor General | Government of Alberta**

A new pin is available to help Alberta's law enforcement and first responders take part in Pink Shirt Day, with proceeds going toward an anti-bullying program.

Pink Shirt Day has become a powerful movement for people to show their support to end bullying. Now, law enforcement and other first responders required to wear uniforms on the job have a unique way to participate.

Recognizing that law enforcement and first responders cannot cover up their uniforms, as part of ensuring the public can easily identify them, Sgt. Major Adrian Marr came up with the idea of the pin.

"As a former police officer and now as a fish and wildlife officer, I know it's no secret that officers and first responders are united against bullying. This pin shows our support on the job for Pink Shirt Day and what it stands for." - Sgt. Major Adrian Marr, Alberta Fish and Wildlife Enforcement Branch

"I would like to thank Sgt. Major Adrian Marr for his dedication to this creative initiative. The pin is an excellent way for law enforcement officers and first responders to demonstrate that bullying is not acceptable." - Kathleen Ganley, Minister of Justice and Solicitor General

The pin looks like a pink shirt shaped like a typical law enforcement or emergency service uniform. The pins have been designed by Derks and are being sold for \$5 each at locations in Calgary and Edmonton. All of the proceeds will go to Big Brothers Big Sisters to support the development of a new anti-bullying program.

"Many first responders are Big Brothers or Big Sisters and the presence of police, military, corrections, fire and paramedic personnel is frequent in our clubs, schools and offices. We know that when kids see the support of their local fire department, police officer or nurse, it will continue to encourage and inspire. We are so very pleased to be part of this meaningful initiative." - Liz O'Neill, Executive Director, Big Brothers Big Sisters

"Derks is proud to support the Big Brothers Big Sisters anti-bullying programs by being a part of the design and distribution of the anti-bullying pin. This initiative is a program we believe will build a better future for youth in our communities." - Landon Derk, Vice President, Derks Fine Group of Companies

# ALBERTA WILDFIRE SEASON BEGINS MARCH 1

Submitted by Renato Gandia, Press Secretary, Agriculture and Forestry | Government of Alberta

As fire season approaches, Alberta wildland firefighters are gearing up to defend the province and its communities from forest fires.

The March 1 beginning of wildfire season is also a reminder to Albertans to be extra careful to help prevent wildfires in forested areas. More than 60 per cent of the wildfires last year were caused by human activity.

"Protecting Albertans from the threat of wildfire is one of our highest priorities. That's why we legislated March 1 as the start of fire season, recognizing that recent trends show wildfires are starting earlier in the spring. The wildfire that burned into Fort McMurray last year serves as a reminder of how important it is for us to be ready to respond to wildfires at a moment's notice." - Oneil Carlier, Minister of Agriculture and Forestry

Last year, 1,338 wildfires burned more than 611,000 hectares, including the Horse River wildfire that spread into Fort McMurray.

The new Forest and Prairie Protection Act increases penalties for abandoning campfires or burning during fire bans and improves the government's ability to restrict higher-risk activities, such as fireworks and incendiary targets during hazardous fire conditions.

"In the forested area around Hinton, 17 wildfires were started by abandoned campfires last year. These new fines will help bring the economic consequences of being careless when it comes to fires in our forests more in line with the potential real consequences we have seen in the past." - Rob Mackin, Mayor of Hinton

Tips to prevent a wildfire

- Make sure your campfire is out – soak it, stir it, and soak it again
- Keep an eye on any winter burning

Report a wildfire

Call 310-FIRE (3473) if you spot a wildfire. These calls ensure fire crews can respond as quickly as possible.

With the start of fire season, fire permits will be required for any burning, outside of campfires, in the Forest Protection Area of Alberta. This will allow firefighters to address any winter burning before the spring. Fire permits are free and can be obtained by contacting your local Alberta Agriculture and Forestry office. Phone toll-free 310-0000 to locate your nearest office.

## FINDING A HOTEL FOR YOUR OUT-OF-TOWN GUESTS

Wedding planning can seem overwhelming at times, but couples also tend to have a lot of fun when making preparations for their big day. Whether it's sampling various cuisines for their wedding reception or researching potential honeymoon destinations, couples have much to look forward to as they delve deeper into their wedding planning.

One of the more enjoyable aspects of wedding planning is finding lodging for out-of-town guests. Hotels come in all shapes and sizes, and visiting various hotels and seeing what each has to offer can be fun. As couples set out to find lodging for their out-of-town guests, the following factors should be taken into consideration.

### Number of guests

Even if you have yet to pare down the guest list, you may have an idea of how many guests you hope to invite to your wedding. Peruse your preliminary guest list to determine how many of those potential invitees may need lodging. Some hotels won't offer discounted room blocks without a minimum number of guests, so try to find a hotel or hotels that can accommodate your group size and still offer a discount on their usual rates.

### Location

Location bears considerable weight when choosing a hotel for your out-of-town wedding guests. If you are tying the knot in a large city, guests are less likely to rent cars for the weekend, so look for a hotel with access to restaurants and other attractions your guests can enjoy while they are in town. If your ceremony and reception are in a more remote location, then try to find a hotel that's nearby so guests do not spend the bulk of their time behind the wheel while they are in town. If you simply can't find a hotel that's close to your ceremony and reception locations, then arrange for bus transportation so guests can get to and from the reception safely and soundly.

### Amenities

Out-of-town guests will have more free time on their hands than the bride- and groom-to-be, so consider

the amenities each hotel you visit has to offer. On-site exercise facilities, pools and outdoor lounge areas all can help guests fill the hours before the wedding and enjoy some rest and relaxation. In addition, hotels with on-site restaurants or those next door to restaurants can provide convenient

places for guests to eat and meet up with fellow guests.

### Cost

Like location, cost is a significant consideration when choosing a hotel for your out-of-town guests. Whether such guests are driving or flying in, the cost of travel is already hitting

them in the pocketbook, so finding hotels that offer budget-friendly rates for wedding parties should be a priority. Finding a hotel for out-of-town wedding guests is an enjoyable element of wedding planning. Couples should consider a host of factors before making their final decisions.

## DESTINATION WEDDING PLANNING POINTERS

Destination weddings continue to be popular among couples tying the knot. In its annual Real Weddings Survey, multiplatform wedding resource The Knot found that 24 percent of the nearly 16,000 brides and grooms who participated in the survey and married in 2014 had destination weddings, the second year in a row nearly a quarter of all survey respondents acknowledged taking their vows away from home. Destination weddings often benefit from picturesque landscapes and idyllic backdrops during ceremonies and bridal party photo sessions. But there are some things couples should consider before they decide to tie the knot in a faraway land.

### Paperwork

Whether you're getting married in your current country of residence or overseas, you must allow time for paperwork to be processed. Wedding license applications may not be pro-

cessed as quickly on a remote island as they are in a major American city, so be sure to get a firm grasp of the application process and its timeline before opting for a destination wedding. In addition, some countries may mandate that personal documents, such as birth certificates, be translated into the official language of the country where couples will be tying the knot, and such translations typically must be conducted by approved translators.

### Requirements

Some countries may allow couples to tie the knot the moment they step off their planes, while others have residency requirements that can be as long as several weeks. If your budget is tight or your work schedule is inflexible, then try to find a country that does not require you to spend several weeks within its borders before you can legally marry there.

### Wedding planner

Many couples who choose destination weddings ultimately get married at a resort, and such resorts typically have wedding planners or coordinators who are well versed in local laws and customs governing wedding ceremonies. Such professionals can make it easier for couples to navigate the sometimes complex laws regulating destination weddings, and their services are often included in resort wedding packages. If no such service is included in the hotel package, consider hiring a local wedding planner to make the process go more smoothly.

### Engagement period

Couples hoping to have a destination wedding should expect to have a longer engagement than those getting married closer to home. The longer engagement period gives guests more time to arrange for travel and couples more time to navigate the requirements of getting married overseas.

When sending save-the-date cards to guests, include brochures on the area where you will be getting married so guests can see what the area has to offer.

### Buy local

Many couples choose destination weddings because they are attracted to the local culture in a given place. When planning your destination wedding, embrace this culture by choosing local foods, flowers and entertainment. Not only will it make your big night more unique and authentic, but also buying local will save you money and benefit the environment at the same time.

Destination weddings are significant undertakings, but couples can ease some of their workloads by taking certain steps to make the planning process go more smoothly.

## WHAT TO INCLUDE WITH WEDDING INVITATIONS

Wedding invitations once followed a relatively standard format that did not necessarily require much thought on the part of the grooms- and brides-to-be. But many couples now take more creative approaches to their wedding invitations, using them to evoke a certain theme or to establish if the wedding will be formal or casual.

But while wedding invitation designs might have become more flexible over the years, couples should still make sure to include certain information in their invitations to avoid being overwhelmed with questions from guests excited to attend the festivities.

- **Date and time:** It may seem simple, but don't forget to include the date and time of both the wedding and reception in the invitation. If there will be a considerable amount of time between the ceremony and the reception, you may want to include a handful of local dining suggestions so guests can grab a quick bite to eat before the cocktail hour.

- **Venue information:** Guests will need to know where couples are tying the knot, so be sure to include the address of the ceremony site as well as a link to its website. The address will help guests find the venue, while the website can prove an invaluable source of information about the venue, which can save couples the trouble of answering questions about the ceremony site that can more easily and quickly be answered by visiting the website.

- **Reception hall information:** Couples whose receptions will be in a different location than their ceremonies should include the same information about the reception hall that they did about the ceremony site. Reception hall information is often listed on reception cards, which can include information on the front and back to save paper and money on postage.

- **Hotel information:** Many couples arrange special room rates with nearby hotels for their wedding guests. Include the names of these hotels, directions to the hotel from all directions, directions from the hotel to the ceremony and reception sites and the various rates for rooms (single room, double room, etc.). If possible, include a link to each hotel's reservation form as well.

- **Reply cards:** Reply cards are included so guests can easily reply to let

couples know if they will or will not be attending. Couples with wedding websites can even include a link to their sites on the reply cards, letting guests know they can reply via the website if they so choose.

- **Reception menu:** Many reception halls ask that couples give them a ball-

park figure as to how many of their guests will prefer each type of entree available at the reception. Include menu options within your invitation package, ideally on your reply card, so you can easily provide this information for your vendor.

- **Wedding website information:** If

you did not already include a link to your wedding website on your save-the-date cards, include that information within your invitation package. Wedding websites will answer many of your guests' questions for you, so don't forget to make this valuable tool a part of your wedding planning.

## WEDDING DAY MEMORIAL IDEAS

Weddings are momentous occasions that are full of happy sentiments. But for couples who recently lost loved ones, an undercurrent of sadness may make wedding ceremonies and receptions somewhat bittersweet.

Loss touches everyone at one point or another, but it can be particularly sorrowful when the loss of a loved one occurs close to couples' wedding day. Even though it can be challenging to acknowledge that someone close

is no longer around to participate in a wedding, there are plenty of ways for couples to express their heartfelt sentiments for lost loved ones on their wedding days.

- Establish a memory table. A memory table is a place where you may put a photo of a loved one or items he or she may have given you that mean something special.

- Play an upbeat song. Invite guests onto the dance floor and request the DJ or band plays a song in your lost loved one's honor. Perhaps it is a song that contains that person's name or is a tune he or she just loved.

- Keep a memento close by. Sew something symbolic of your lost loved one into your wedding gown or tuck it into a pocket of your tuxedo so you know he or she is always nearby.

- Reserve an empty chair. Keep a chair at the ceremony and the reception empty for your departed loved one.

- Dove or butterfly release. Symbolize unending love by releasing doves or butterflies in honor of your lost loved one. This can be both a touching tribute and also a beautiful spectacle that couples and their guests will remember forever.

# VAN DIJKEN STATEMENT ON NDP PLANS TO CHANGE ALBERTA LABOUR LAWS

Submitted by Samantha Johnston, Deputy Director of Communications & Press Secretary, Wildrose Official Opposition.

EDMONTON, AB (February 13, 2017): Today, Wildrose Shadow Jobs & Labour Minister Glenn van Dijken released the following statement on the NDP government's plans to change labour legislation in Alberta:

"As we saw with Bill 6, this government has a bad habit of trying to ram through legislation before consulting with Albertans who will be impacted.

"Alberta lost more than 24,000 full-time jobs last month. It's extremely important that we do not

bulldoze through any changes that will send tremors through the economy and hamper our province's ability to create jobs. Ideas like scrapping secret ballots for unionizing workplaces should be rejected immediately.

"This government needs to expand consultation beyond former NDP candidates and union bosses, and truly listen to Alberta's job creators who are already dealing with dramatic increases to the minimum wage and an expensive new carbon tax.

"This government also needs to be open and transparent about any changes under consideration, rather than ramming through ideological legislation."

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
