ROOF COUCH LEADS TO RECOVERY OF STOLEN GOODS

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

On April 12, 2017, a Yellowhead County Peace Officer observed a pickup truck heading north on Range Road 93 with a couch on the roof. The furniture was not visibly tied down, and the County Peace Officer attempted to pull over the vehicle. The driver of the truck immediately sped up and attempted to evade the Peace Officer by going off the road. The truck became

stuck a very short distance later.

A call for assistance to the Evansburg RCMP Detachment was made at that time.

The County Peace Officer was able to detain the suspect until the RCMP arrived shortly after being called, and a search was made of the driver and his vehicle. A large amount of copper wire was located in the box of the vehicle and identified as being the property of Telus. A controlled substance was also located in the cab of the vehicle.

The RCMP will be laying several criminal charges, including

breach of bail conditions, possession of stolen property, and possession of a controlled substance.

In addition to these charges, the suspect was served four tickets from the Yellowhead County Peace Officer. These tickets were for driving without a license, operating an uninsured motor vehicle, failing to stop for a peace officer, and driving an unregistered motor vehicle on a highway.

A court date has been set for June 10, 2017, in Evansburg Provincial Court.

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

April 11, 2017

2017 Budget & Tax Rate The Yellowhead County 2017 final budget was adopted by Council in the amount of \$158,293,059 (including School and Seniors requisitions). The 2016 Audited Financial Statement presented by the external auditor Hawkings, Epp, Dumont was also adopted by Council. There will be no tax increase in the MUNICIPAL mill rate. It remains at 2.4585 for residential and farmland; and at 6.3658 for non-residential.

FCM Legal Defense Fund – Council made a decision to financially contribute to the Federation of Canadian Municipalities' legal Defense Fund initiative at the annual rate of \$.023 per resident for a total of \$252.83. This funding goes towards protecting municipal legal rights in bodies such as the Court of Appeal (provincial and federal) the Supreme Court of Canada and administrative bodies like the CRTC.

2017 Gravel Programs – Council awarded the 2017 Summer Gravel Program to Jones Trucking and Backhoe Service Ltd. in the amount of \$661,506.02.

Tom Hill Tower Road – The contract for the Tom Hill Tower Road grade, base and pave project was awarded to Carmacks Enterprises Ltd. at a total tender price of \$ 8,366,002.17. This amount includes a bridge size culvert and 12.7 kms of road grading, base-work, and paving.

Rehab and Paving Contract – The River Ridge Subdivision, Carldale Road, and a culvert settlement repair contract was awarded to Knelsen Sand & Gravel Ltd. at a total tender price of \$2,732,233.91. The tender includes the work to rehabilitate the River Ridge Subdivision roads, the Carldale Road, and to undertake culvert settlement pavement repairs at various locations in the County

Peers ASP – Ash McKone was appointed as a Steering Committee Member for the 2017 Peers Area Structure Plan. The Steering Committee helps facilitate discussions with the public and makes recommendations regarding the Statutory Plan which helps guide future growth and development in the Peers area.

April 25, 2017

2016 County Assessment – A presentation by Accurate Assessment gave an overview of residential and

farmland, and non-residential (industry) assessments for 2016. Information on current industrial activity within Yellowhead County was also presented.

AB Prevents Cancer Presentation – A presentation was made to council showing some of the ways community groups and residents can take part-in to prevent cancer. There was also information about programs that community groups are receiving funding for to promote a healthier and more active lifestyle through the Alberta Prevents Cancer organization.

Connect to Innovate – Council will

provide a letter of support for a joint application for the Connect to Innovate program that funds bringing high-speed Internet to rural and remote communities. Yellowhead County, 3CIS, and CCI Wireless have partnered on the application. Cadomin, Brule/Entrance Pinedale Estates, and Mayburn Mountain were identified by the Federal government as areas in Yellowhead County that are eligible for this funding.

Wildwood Fire Station – Council awarded the tender for the construction of the new Wildwood Fire Station to OML-Construction Services LTD

for \$3,361,000 (lowest bid received), plus contingency and furniture. OML will be working with BR2 Architecture to build the new station.

Bylaw Amendment Needed For Road Closure – Bylaw 5.17 is an amendment to a bylaw previously passed by Council. The updated bylaw corresponds to the legal land description for the property needed for approval from Alberta Land Titles.

The next Council Meetings are May 9 & 23, 2017. The next Committee of the Whole Council Meeting is May 16, 2017. All meetings start at 9:30 a.m. in the Council Chambers.

Submitted by Ashtyn Chesall | Lobstick 4H Multi-Club

Our April meeting was held at Evansburg arena. We discussed the events that will be happening on our achievement day. Our calf tour to see each other is animals

unfortunately got cancelled due to the snowstorm.

We will be having our mini show on May 14 to prepare us for the show and sale in Drayton Valley on May 29. All of us will be working hard to get our animals ready for this day.

LOCAL MALE ARRESTED FOR DRUG TRAFFICKING

Submitted by Stony Plain/ Spruce Grove/Enoch RCMP

2017- 1085677

Spruce Grove, Alberta - Between the dates of March 23, 2017 and April 6th, 2017, the Spruce Grove/ Stony Plain/ Enoch Drug Section, with the assistance of the Drug Undercover Street Team of the Alberta Law Enforcement Response Team (ALERT), conducted a drug investigation in the

Spruce Grove area.

As a result of that investigation, Christopher Kieley of Spruce Grove, AB has been arrested and charged with two counts of trafficking a controlled substance contrary to the Controlled Drugs and Substances Act.

Christopher Kieley was released from custody and is scheduled to appear in Stony Plain Provincial Court on May 24th, 2017.

RIDING UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of April 17, 2017

On Tuesday, I was in Vancouver where I met with representatives of the Rocky Mountaineer Train where I was involved with the 2017 launching of the Rocky Mountaineer Tourism Train.

Later that morning, I met with Conservative members in the riding of Nanaimo-Ladysmith followed by an afternoon meeting with Conservative members in the riding of Victoria. That evening I returned to Yellowhead riding.

On Wednesday, I gave some opening remarks at a showing of Corner Gas: The Movie at Continuing Care in Edson for National Film Day. That evening, I attended an open house and public information meeting for the Canyon Creek Pumped Hydro Project in Hinton. After that, I delivered more opening remarks for a National Film Day viewing of Into the Forest at the Hinton Municipal Library.

On Thursday, I visited grade six

students at Pine Grove Middle School in Edson. The following day I met with grades three, four, five, and six students at Yellowhead Koinonia School in Edson. Later, I met with Mayor Herb Castle of Grande Cache and then on to Grande Prairie for more meetings, followed by a couple of days visiting friends.

I will be in the riding next week, as Parliament will still be on recess. My next update will be on my travels throughout our beautiful riding of Yellowhead.

Week of April 24, 2017

This week I met with constituents in and around my Edson constituency office, and on Thursday I met with CN Police to discuss the railroad crossing issues in Edson. We are attempting to resolve the problem.

I attended an event hosted at MacEwan University on Friday, where I met with youth and young conservative leaders. I always enjoy meeting with young people with an interest in politics, and sharing with them how they can influence change and serve as productive and thoughtful cit-

izens.

I had the pleasure of attending and speaking at the Royal Canadian Legion's District 8 Rally, hosted by Edson's Joe Wynne Branch #51. I am proud of the past contributions of veterans to our freedom and security, as well as the present contributions of legions to our communities.

I also enjoyed the reopening celebration at the Chateau Jasper, a hotel that has been under renovation for the last six months.

Tourism is an important part of the local economy in Jasper and the surrounding area, and I am pleased to see investments being made in the region. We are expecting a very busy summer for Jasper Park due to Parks Canada's free Discovery Pass given out for Canada's 150th birthday.

I will be heading back to Ottawa on Sunday. My next update will be on the happenings of Parliament, which is reconvening on Monday for the next three weeks.

YELLOWHEAD COUNTY'S BE A GOOD NEIGHBOUR SNOW SHOVELLING PROGRAM A SUCCESS

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

The Good Neighbour snow shovelling program came to a close on March 31, 2017. All the completed volunteer nomination forms were

gathered from the Entwistle, Evansburg, Wildwood and Niton Libraries and the Peers food store.

The program/county received 12 volunteer nominations that were entered into a draw after March 31 and the winners are Keith and Lana Leakvold from Wildwood. They

will receive a Pizza Dinner for 2. As well, all of the volunteers that were nominated will receive a touque and a pair of gloves as a thank you for their kindness.

The "Be a Good Neighbour" program encouraged community groups, friends and neighbours to

shovel the private walkways and driveways of seniors in need and others who were not physically capable of shovelling their own sidewalks. In recognition, people were able to display a sign proclaiming that they "have a Good Neighbour".

These volunteers made a difference in the community, they were willing to help their neighbours and they connected with other members of the community. Keeping sidewalks clear of snow and safe is important for emergency responders and people that assist housebound individuals.

We are very grateful for these volunteers that extend a helping hand to their neighbours. Thank you to all the volunteers and to those that nominated them.

We will run this program again next year and we are hoping for more volunteers being nominated as they make a difference in their community, connect with their neighbours and lend a helping hand.

Thank you to all the Good Neighbours. FCSS is an 80/20 cost shared program with the Provincial Government of Alberta and Yellowhead County.

TIPS TO STOP SCHOOLYARD BULLYING

- Take it seriously. It's easy to say, "Kids will be kids" and assume it will pass. But if your child is coming home upset and is suddenly anxious about school because of the way a kid (or kids) are treating him, you should pay attention.
- Drop your kid off at school or stand on the sidelines during recess. Bullying tends to occur when adult supervision is lacking, so before school or on the playground at recess.
- Talk to other parents. Young kids are talkers. If you're friendly with a parent in your kid's class, ask them if their child has mentioned anything about kids being picked on at school.
- Tell the teacher. It's really important to let your child's teacher know what your kid is telling you -- especially if someone is getting hit.
- Empower your children. Let your kids know that it's not their fault that they are being bullied. Teach your kids to focus on their own behavior.

ABDUCTION IS NOT A GAME

**DON'T
TALK TO
STRANGERS!**

Tips about Strangers

A stranger is anyone you don't know. There is no way to tell by the way a person looks if they are dangerous or not. A dangerous person does not always look mean or scary, so judging by the way people look is a mistake. It's not so easy to tell who is okay and who is not. Just because someone looks nasty doesn't mean that they would hurt you and just because someone looks nice, doesn't mean that they are a nice person.

There is only one person that is with you all the time and can be responsible for keeping you safe at all times. **THAT PERSON IS YOU!** Safety rules need to apply ALL THE TIME, not just when someone who looks bad or scary is around. One of the most common ways that kids get hurt by strangers is when being friendly and helpful to adults who pretend to need help. When you are without your parents or other adult you know, it is your job to protect yourself. It is not your job to offer help to any adults, even if they ask! A grown-up who needs help should get help from another adult, not a child. So remember, looking out for yourself is your biggest job when you are not with your parents or another adult, so you have permission to ignore or refuse adult requests for help.

Stranger Tips:

- Walk and play with others and use the buddy system. If you walk somewhere, walk with other children.
- Adults do not usually ask children for directions or help, they should be asking other adults. If someone in a car should stop to ask for directions, you should not go near the car.
- Stay an arms reach or more away from strangers. Stand up, back up and run to someone who can help you if you feel afraid.
- If someone is following you on foot or in a car, go to a place where there are other people--to a neighbor's home or into a store, a police station or even a library for instance--and ask for help.
- No one should ask you to look for lost items such as a "lost puppy" or tell you that either of your parents is in trouble and that he or she will take you to mom or dad. If someone tells you this, run the other way immediately and find help with an adult you know or run into a safe place you know.
- Never go near a car with someone in it or get into a car without your parents' permission. You should learn whose cars you are allowed to ride in.

Lawn & Garden

TRANSPLANTING TREES NO SMALL TASK

An alluring landscape can make a home that much more enjoyable. Many homeowners devote considerable time to their lawns and gardens, and that devotion can pay both instant and long-term dividends. A well-

groomed landscape can make it more enjoyable to relax in the yard, and such a property will be more attractive to prospective buyers when homeowners want to sell their homes.

But even the most well-de-

signed landscapes sometimes need some rearranging, and those changes may involve transplanting trees. Homeowners may transplant trees for various reasons. Some homeowners might be moving to a new home and want to take a favorite tree along with them, while some trees simply outgrow their existing space and need to be moved elsewhere on the property. Regardless of why trees need to be transplanted, homeowners can take several steps to ensure the process goes as smoothly as possible.

· Determine why the tree needs to be moved. Some trees that are not thriving in their existing location may not benefit from a transplant. For example, a tree with a pest infestation might

need to be replaced rather than transplanted. Determining the reason behind a transplant can save you the trouble of transplanting that won't benefit from the move. If a tree is not getting adequate sunlight in its present location, then transplanting it to a different location on your property with more exposure to sunlight might reinvigorate the tree. If soil is the problem, then transplanting the tree might prove ineffective unless you also test the soil where you plan to move the tree and adjust it so the tree can thrive.

· Prune the tree roots. Tiny roots that extend beyond the tree absorb water and nutrients, and such roots need to be pruned before transplanting a tree.

Lawn & Garden

Transplanting Trees No Small Task

Continued From Page 12

Landscaping professionals note that root pruning stimulates the growth of new small roots nearer to the tree's trunk, and these newer roots will be dug up when the time comes to transplant the tree. Root pruning must be done well in advance of transplanting the tree. For example, if you hope to transplant the tree in the fall, then do your root pruning in the spring before new buds appear on the tree. Speak with your landscaper or a nearby garden center to determine the best way to prune your tree's roots.

• Time your transplant correctly. Avoid transplanting trees when temperatures are colder and the ground is frozen. Trans-

planting before or after a thaw allows the transplanted roots time to develop. In addition, transplanting the day after you have watered the soil around the tree reduces the stress on the tree's roots, making it easier to keep the root ball intact.

• Protect the root ball. When transplanting a tree, make sure the root ball does not dry out. If it does, the tree likely won't thrive in its new location and all your hard work will have been for naught. Cover the root ball with damp burlap or canvas so it can retain more of the moisture it will need to adapt to its new location.

• Plant the tree sooner rather than later. While you can store a transplanted tree before you plant it elsewhere on your prop-

erty, storing it for a long period of time increases the chances that the transplant will be unsuccessful. Ideally, you want to plant the tree in its new location as soon as possible. If you must store it, make sure you don't suf-

focate the root ball, as roots must be kept damp or they will die and potentially cost you the tree.

Transplanting a tree can add appeal to a property and help re-invigorate an unhealthy tree.

BULLYING

Tips for Dealing With Bullying

- 1) Take complaints of bullying seriously. Do not dismiss your child or expect your child to work through the situation alone.
- 2) Praise your child for reporting bullying situations to you and assure your child you will take action.
- 3) Talk to your child's teacher, counselor, or other caregiver about reports of bullying.
- 4) Work together to address the bullying situation. Don't confront the parents of the bully directly.
- 5) Ask your child specific questions about how your child is treated by peers, who he or she eats lunch with, and how other children are treated.
- 6) Teach your child to be assertive. Your child should be able to express feelings and needs clearly, without shouting or other aggressive behavior.

- 7) Provide opportunities for your child to make friends. Identify some of your child's interests and encourage your child to pursue them through sports, clubs, or other group activities.
- 8) Teach your child to identify bullying behaviors. These include hitting, damaging possessions, threatening, name calling, & excluding someone.

HOME SECURITY

- * Turn off the telephone ringer so no one knows your home is empty.
- * Lock and check doors and windows.
- * Have your newspapers and mail stopped while you are away.
- * Make your home look lived in - put lights, radios and TVs on variable timers and have a neighbour remove junk mail.
- * Don't leave notes outside.
- * Lock up tools, BBQS and ladders and put them out of sight.
- * Make sure your hedges are trimmed so as not to provide cover for burglars.
- * Make sure the exterior of your home is well lit.
- * Let a trustworthy neighbour know when you are gone for holidays and leave an emergency contact number.

GOLFER'S GUIDE

FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

Choose the right clubs: Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like

walking around in shoes that are the wrong size.

Get on the ball: Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on the green and stop. More skillful players should use these.

Consider the elements: Weather is always a factor in golf and dealing with it must always be

considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

Putting and chipping is priority: Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on

your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus more on your short game than your drive and you will improve.

Play the 19th hole: Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

Registration & Information Meeting

Wednesday May 10th, 10:30 a.m.
at Pineridge Golf Resort

Pineridge Golf Resort hosts a well organized & fun Ladies League designed to create a **fun-filled, noncompetitive, social atmosphere** for all to enjoy.

Love to golf? Then come and join us every Wednesday for a shotgun tee-off at 9:30 a.m. We invite you to our information meeting to learn more.

Looking forward to seeing you there!

Registration fee - \$25 for the season

GOLFER'S GUIDE

HOW TO MAKE THE MOST OF YOUR DAY ON THE COURSE

(NC) Most great golf games are filled with sun, competition and camaraderie, but you can enhance the experience with a few tips that have less to do with your swing, and a lot to do with your 18-hole enjoyment:

Dress for success: The right golf apparel can be as important as the clubs you carry. Check the weather in advance to make sure you'll be as comfortable as possible during play. Determine if you're dressing to impress or to elevate your game. Light, non-restrictive clothing will allow you to swing freely and keep you comfortable and cool in the heat, or warm if the temperature drops. If you're a guest, always check out the dress code at the club you'll be visiting to ensure you comply with the rules.

Choose your company carefully: Your playing partners can have a lot to do with how you play and how you socialize on the golf course. If you're out with friends, you can relax and enjoy the day knowing what to expect. But if it's a game with your boss or clients, always make sure to test the waters. Will they play by the rules or is it just a relaxed day? Are your clients there to play golf or do business?

Understanding the landscape on the first tee will alleviate any awkward moments later on.

Create friendly competition: Sure, there's already a scorecard, but you can add more competitive fun to your game by creating a little friendly rivalry. For example, try a little Bingo Bango - a points based game that awards a total score based on three kinds of achievement: Bingo - first person on the green gets a point; Bango - the player whose ball is closest to the pin

when all balls are on the green gets a point, Bongo - the player who is first to hole out gets a point. Add up the points and the person with the highest total for the round wins.

Walk it off : Make a small 'healthy' tweak to your game by walking vs. taking a cart. When you choose to walk rather than drive 18 holes, you'll cover approximately six kilometres and burn around 1,500 - 2,000 calories. Golfers that ride carts will burn only about 1,100 - 1,300

calories.

Say cheers and enjoy: The 19th hole remains one of the best holes on the course. Cap off a great day by enjoying a light meal or a light beer such as Molson Canadian 67, which is brewed to 67 calories per 341ml bottle and 3% ABV. This crisp, refreshing beer can be paired nicely with a protein boost of chicken or fish.

BLOCK WATCH

THE ANTI-CRIME TEAM

NEIGHBOURS HELPING NEIGHBOURS

Start, join or reactivate a neighborhood watch program today!

Remember if you see a situation that doesn't feel right, it's suspicious.

Write down the description of any suspicious persons.

Get the model, color and license numbers of strange vehicles.

Call the police immediately. Don't assume someone else has called.

If criminal activity has occurred let your Block Watch Captain and neighbors know but **CALL THE POLICE FIRST**

SUSPICIOUS ACTIVITY THAT YOU SHOULD LOOK FOR:

- Someone screaming or shouting for help
- Unusual noises, sounds of breaking glass or shattering wood
- Beam from flashlight or light in neighbor's home
- Persons going door to door
- Someone looking into windows of parked cars
- Persons waiting in front of a home or loitering around the neighborhood
- A stranger in the back yard
- Property being taken out of houses where no one is at home or a business after it has closed
- Property being carried by persons on foot
- Property being loaded into a vehicle or being removed from a vehicle
- An opened or forced door or window
- Strange vehicles parked at your neighbor's house
- Slow moving vehicles cruising the block
- Someone being forced into a vehicle
- A stranger sitting in a car or stopping to talk to a child
- Abandoned cars

CRIME PREVENTION

- Keep an eye out for strange vehicles parked in your area at odd hours or for long periods of time
- Make sure all young children know how to handle possible confrontations with strangers.

Use these helpful tips to help keep our community a safe, enjoyable place. Look around your home, school or office and see where you can make a difference.

- Start teaching children at an early age how to avoid drugs and alcohol.
- Get children involved in organized after-school programs.
- Start, join or reactivate a neighborhood watch program.
- Be aware of your surroundings, especially when walking alone at night.
- Participate in forums which involve local officials, such as city council meetings.
- Reach out to crime victims, their families or others in the community who need support.
- Get to know your neighbors - you may find others with an interest in safety, too.
- Be familiar with members of your local police and fire departments.
- Make sure all street lights in your area are in working order. Alert local officials if they are not.
- Set up buddy systems for teens going out after dark.

RURAL CRIME AWARENESS

Protect machinery from theft by leaving valuables locked in a shed or storage facility and by marking equipment with your drivers licence and province of issue (an engraver can be borrowed free of charge from most local police detachments).

Protect livestock by checking herds regularly and keeping accurate records of livestock born, sold or purchased.

"Grain Fette" or "Grain Guard" is a unique approach to identifying your crops. Small bits of paper, each one imprinted with your special code number, are mixed with grain as grain is being augered into the storage shed. This is approved by the Canadian Grain Commission. The paper used is also digestable in animal feed.

Utilize the Report-A-Poacher Program. Their toll free number is 1-800-642-3800.

Rural Crime Watch Members are concerned citizens who are watchful for unusual activity in their community. They record information on suspicious people and vehicles and pass it along to local police. Join together with your neighbours to install a crime watch program in your area. Do not approach suspicious individuals on your own.

Credit Card FRAUD

Credit Card Fraud Prevention Tips:

1. Keep an eye on your credit card every time you use it, and make sure you get it back as quickly as possible. Try not to let your credit card out of your sight whenever possible.
2. Be very careful to whom you give your credit card. Don't give out your account number over the phone unless you initiate the call and you know the company is reputable. Never give your credit card info out when you receive a phone call. (For example, if you're told there has been a 'computer problem' and the caller needs you to verify information.)
3. Never respond to emails that request you provide your credit card info via email -- and don't ever respond to emails that ask you to go to a website to verify personal information.
4. Never provide your credit card information on a website that is not a secure site.
5. Sign your credit cards as soon as you receive them.
6. Shred all credit card applications you receive.
7. Never leave your credit cards or receipts lying around.
8. Don't write your PIN number on your credit card -- or have it anywhere near your credit card (in the event that your wallet gets stolen).
9. Shield your credit card number so that others around you can't copy it or capture it on a cell phone or other camera.
10. Keep a list in a secure place with all of your account numbers and expiration dates, as well as the phone number and address of each bank that has issued you a credit card.
11. Only carry around credit cards that you absolutely need. Don't carry around extra credit cards that you rarely use.
12. Open credit card bills promptly and make sure there are no bogus charges. Treat your credit card bill like your checking account -- reconcile it monthly. Save your receipts so you can compare.
13. If you find any charges that you don't have a receipt for -- or that you don't recognize -- report these charges promptly (and in writing) to the credit card issuer.
14. Always void and destroy incorrect receipts.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	5						3	
8			9	5				
		2	7					
6			1	9			4	
9			5	7	8	6		3
		1	4		3	9		2
	1		3	2			6	
	4		8					5
3	8	9					7	1

ANSWER:

4	5	7	2	8	6	1	3	9
8	6	3	9	5	1	7	2	4
1	9	2	7	3	4	8	5	6
6	3	8	1	9	2	5	4	7
9	2	4	5	7	8	6	1	3
5	7	1	4	6	3	9	8	2
7	1	5	3	2	9	4	8	6
2	4	6	8	1	7	3	9	5
3	8	9	6	4	5	2	7	1

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
