POPULAR COMMUNITY CHOIR COMING TO BARRHEAD

Submitted by Eunice Woronuk, President | Lac Ste. Anne Community Choir

The popular Lac Ste. Anne Community Choir, with members living from Wabamun to Sandy Beach and Sangudo to Spruce Grove, will be performing in Barrhead. They are hosted by the Friends of the Library, Barrhead Public Library.

Under Director Debbie Rosen and with help from accompanist R.J. Chambers, members of the choir have been polishing a wide range of popular, ethnic and classical harmonies to celebrate spring.

"The notes are there, but now we need to create the music." Once members hear comments

like that, they know the finishing touches are going on, just in time for the 2017 spring concerts of this popular group. The repertoire this season ranges from Ghost Riders in the Sky (featuring the amazing men of the choir), to the pop classic Can't Take My Eyes Off Of You and Randall Thompson's masterpiece Alleluia.

The almost 60-member group will perform at 7:30 p.m. at the Barrhead United Church (5102 - 60 St.) on Wednesday, May 24. Admission is by freewill donation, with proceeds to be donated to The Palliative Care Program at Barrhead Healthcare Centre.

The popular group will also entertain at 7 p.m. at St. An-

draws United Church (1A Fieldstone Drive) in Spruce Grove on Saturday, June 3.

Lac Ste. Anne Community Choir is open to anyone over 18, whether experienced singers or not. Since it began, the choir has grown from an original five members to over 55 singers. There are no auditions, and there's no need to read music or have choir experience. All a member needs is a love for singing, and a wish to meet other like-minded people. The next season will begin after Labour Day. Watch for details in August.

CHERRILL 4-H CLUB NEWS REPORT

Submitted by Leah Churchill | Cherhill 4-H Club

The tables have turned, instead of being judged we became the judges. The 4-H members of Cherhill and the other clubs in the district got the chance to be the judges for the day, at our Annual District Judging competition, hosted this year by Anselmo Willing Workers. Members were able to give there option on how they would place a number of different classes. We judged horses, sheep and heifers for the livestock portion and aprons, trucks and seeds for the consumer decision portion. All of our members did very well in the competition getting several of the higher awards. We also had four of our members, Connor, Carlie, Karsten and Wacey go to the regional judging. They all judged a variety of classes and they all did their best and had great results.

Our Quilting and life skills kids have been hard at work putting the finishing touches on their projects. They have been making backdrops and quickly finishing their quilt's. They will be having their achievement day on May 27th from 1:00pm – 3:00pm, at the Cherhill Community Hall. We would love to see more people come and look at all the different projects they have worked on and everyone is welcome.

The Beef kids have also been busy going to several different workshops this month. They attended a workshop at the BarNorth Vet Clinic learning about semen testing. Learning what to look for in a bull to indicate if he will produce good semen and also learning how to put semen in straws. The beef and sheep kids both attended two marketing workshops to help them understand how to approach a buyer.

The sheep and beef kids have

also both been working on their stall cards in preparation for their upcoming show and sale on June 5th. There will be a whole day of livestock competitions with conformation and showmanship classes. There will also be a sale at the end of the day selling 37 steers and 17 sheep. With our show starting at 9:30am and the sale starting at 7:00pm. There are plenty of animals available. So, if you are interested in purchasing a lamb or steer but unable to be at the sale or have any questions or concerns please call Rick Haltiner at: 780-785-3473. Everyone is invited to come and enjoy a day of livestock showing. Even if you are not buying an animal it would still be appreciated for you to come out and just see the show.

Your support will allow 4-H members to save for post-secondary education.

JOKE OF THE WEEK

A man walks into a bar and says, "Give me a beer before the problems start!" He drinks the beer and then orders another saying, "Give me a beer before the problems start!"

The bartender looks confused. This goes on for a while, and after the fifth beer the bartender is totally confused and asks the man "When are you going to pay for these beers?"

The man answers, "Now the problems start!"

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

Monday May 15, 2017

The hummingbird feeders are up and waiting for the first visitors of the season. We use a syrup of four parts water to one part sugar boiled for two minutes and then cooled before filling the containers. The earliest we have seen them arrive is May 12th in 2012 so we wanted to make sure everything was ready for their arrival.

Submitted by Carol Villneff: "The Chili Cook-Off was a great success. Eleven fantastic cooks prepared and served their personalized chili recipes, some with special condiments and all with bread. A wide variety of recipes were presented to the 33 judges. Congratulations to Glo Jahelka for winning the 2017 Chili Cook-Off! We would also like to acknowledge the wide variety and uniqueness of the other 10 participant's chili dishes: Gordon Read, Lisa Johnson, Pat St. Hilaire, Laurette Giroux, Art Noble, Cheryl Sadler, Ed Gallagher, Bob McKerracher / Avery and Kezrae Seiler / Chloe (second place winners). Spe-

cial mention must go to Bob Clark, Ron Watson and Lindy McCool for the service from the kitchen and to Louise Bambrick for her Mexican specialty drinks from the bar. A big thank you goes out to the social committee for their "behind the scenes" support to bring this event together and to Larry Villneff, Carol Villneff and Joanne Gorman for decorating the Legion. The Mexican themed raffle basket was won by Randy Wenckowski with generous donations by Louise Bambrick, Joanne Gorman and Lindy McCool making the basket attractive to many ticket buyers. The Chili Cook-Off was followed by another evening of horse racing (with its own take on a Mexican theme) and generated an enthusiastic race crowd. Thanks to Lisa Johnson and Joanne Gorman for handling entries, Carol Villneff for tossing the dice and Jay Krause for moving the horses along at a good pace."

There was not enough room in last week's article to mention that some Onoway Legion members attended a Brunch Buffet at the Cherrill Legion in late April. It was delicious and featured pancakes,

scrambled eggs, sausages, ham, potatoes, fresh fruit, cake, juice and coffee for \$12.00. After lunch, they set up a couple of dart boards for a few games of darts and opened the bar while providing sausage, cheese and crackers for the player's enjoyment. Keep your eyes open for the next buffet in approximately three months. Great food and lots of fun!

Speaking of food, Bob C. along with his crew of Ron W., Marcelle J., Mary R., Charles H. and Sylvia P. worked in the kitchen preparing the Orange Glazed Ham Supper on May 5th. Thanks to Randy and Liane W., Cadet Harvey P. and Brownie Maddy with Dad Curtis Dumont for looking after dishes and clean up. Helmut Formanski won the free meal voucher, Chere Myers the meat draw and Doreen Heron the 50/50. A very special and beautiful Remembrance Day Poppy Quilt was presented to Phil Sutton by Linda Payne. Please note: we are trying a new system of drawing random table numbers to try to alleviate overcrowding at the serving tables and in front of the bar.

There will be a Community Garage and Craft Sale on Saturday

June 10th from 9:00 AM to 4:00 PM. Table rental is \$10.00 and must be paid in advance. For information or to book a table, please contact Joanne Gorman @ 780-960-4160 or e-mail gorm03@yahoo.com.

Greetings from the Onoway Legion.

The Onoway Pool League will be hosting a "Fun" 8-Ball round robin Tournament on Saturday May 27th. Play will begin at 9:30 am and will end no later than 5:00 pm with number of games and rounds depending on how many players register. Hot food will be available from the kitchen throughout the day for players and visitors while refreshments will be available from the bar. Please e-mail your name and telephone number to relbranch132@hotmail.com and direct inquiries to Larry Villneff at 780-967-0607 or itv336@gmail.com. Registration fees will be accepted at the Legion between 8:30 and 9:15 am on tournament day.

TransAlta is once again sponsoring the Navy Rum Rib Supper on June 9th. Reservations are already being booked as this very popular

meal has sold out each year well before the day of the supper.

There will be a Community Garage and Craft Sale on Saturday June 10th, during Heritage Days, from 9:00 AM to 4:00 PM. Hamburgers, hot dogs, fries and poutine will be available from the kitchen and the bar will be open after the parade. Table rental is \$10.00 and must be paid in advance. For information or to book a table, please contact Joanne Gorman @ 780-960-4160 or e-mail gorm03@yahoo.com.

Due to popular demand Tuesday Night Darts will continue throughout the summer this year. There has been around thirty players playing each Dart Night and organizer Scott Sadler has agreed to carry the fun forward instead of stopping until August or September as usual. This means the Legion will be open every Tuesday evening for competition or camaraderie if you would just like to share a sociable.

Submitted by The Onoway Social Committee: "The Onoway Legion will be hosting a medieval dinner and accompanying medieval com-

petitions the evening of June 17th. The Legion will open at 5:30 pm with dinner served at 6:30 pm and jousting, sword fighting and javelin throw just a few of the challenges available for entertainment following the "hands only" dinner. Our local blacksmith is forging tongs so that dinner patrons can retrieve their food from the platters. Period costumes are optional (but encouraged) and could range from a peasant potato sack or jester's crown to a knight's shining armour or ladies elegant lace. Tickets must be purchased at the Legion prior to the June 14th deadline for \$20.00 per person (no refunds)."

We were pleasantly surprised by great attendance at the Crispy Chicken Supper on May 12th. Bob C., Ron W., Marcelle J., Cheryl W., Broley H., Wayne H. and Dee H. worked hard in the kitchen preparing the meal, doing dishes and clean up. No Scouts were available so thanks go to Cheryl Sadler and Larry Villneff for their help clearing the tables after the meal. Congratulations to Donna Latimer for winning the free meal voucher, Ron

May the meat draw and Mildred Heeks, who happily accepted her 50/50 winnings.

UPCOMING EVENTS:

May 23 - Tuesday Night Drop-in Darts - Registration 6:45 to 7:15 pm. Play at 7:30 pm.

A BRIEF HISTORY OF THE DARWELL CEMETERY

Submitted by E. Richardson

In late 1939 or early 1940, a son was born to Mr. and Mrs. Lysle McDonald of Darwell. Unfortunately the baby did not live. As there was no cemetery in Darwell, the child had to be buried in the Rexboro cemetery. That is when Mr. McDonald decided that should be remedied. He donated an acre of land for this purpose. It was fenced and

kept as best it could with little available for that job.

When the Darwell Women's Institute was formed in 1945, they took on the job of seeing that the cemetery was cleaned up once a year. They advertised the day when it was to be done. People came and helped by raking and trimming to make it look cared for.

The job of advertising clean up day is still done by the Women's Institute, and many people come

and help. We are very fortunate that Kathy Yeoman looks after the cemetery all summer, and it always looks trim and neat. We have been told many times that our cemetery is the best kept cemetery around.

There have been many people who have done more than their share of keeping all aspects of the in order.

There used to be no charge for plots, but now it has become necessary to charge for them.

The Lac Ste. Anne County purchased an acre of land next to the original cemetery, as it was getting crowded. In the original place there was no restriction on headstones etc. but in the new part headstones must be flat.

The Cemetery Clean up this year will be May 27, 2017 from 10 to 12 am if it rains we will try again on June 3/2017.

ONOWAY GOLDEN CLUB NEWS

Submitted by Onoway Golden Club

We are still hoping for some spring-like weather so no gardening yet.

Golden Club applied for and received the "EQUUS Operation Round Up" grant. Funds for this program are "generated by members who opt to "round up" their electricity bill to the next highest dollar." This is used to fund rural-based projects and events that positively impact

youth and seniors within EQUUS Service Area. Corrine Cerny from EQUUS present the cheque to us.

Golden Club members have worked in the foods classes at Onoway Jr Sr High School. We did classes making bread with senior high, easy desserts with junior high class and now are sharing with students how to make jam. These have lead to great interaction between seniors and youth. Classes from the Onoway Elementary have

visited us at our centre for a social afternoon. Some made muffins and smoothies, some enjoyed playing various games of cards. Students wrote letters telling us what a great time they had and they want to come back again. We have many more projects planned.

June 4-10 is Seniors Week. Our June Supper will be held at the Community Hall. Free Supper for anyone 90 and over, Cost \$17. We are phoning many but if we miss you please let us know.

To confirm for the supper call Elsie 967-2345 before June 1.

- Upcoming Events:
- May 23 – Regular Meeting, Afternoon Social
 - May 24 – Crafts 1:00 to 4:00pm
 - May 26 – Soup & Sandwich
 - May 30 – Afternoon Social
 - June 1 – Cut off for June Supper
 - June 6 – June Supper, Free for anyone 90 & over

GOLFER'S GUIDE

HOW TO HELP KIDS GET INTO GOLF

Golf is a game of skill that can take years, if not decades, to master. Many golfers find their time on the golf course both rewarding and relaxing, even on those days when the fairways seem impossible to find.

Though many players never swing a golf club until they reach adulthood, it's never too early to hit the links. Some of the world's most accomplished golfers, including four-time Masters champion Tiger Woods, began playing as toddlers, and many feel that getting an early start can lead to a more successful game down the road.

Getting kids into golf is a great way for parents to bond with their children while enjoying the great outdoors. Golf can also be used to teach kids humility, sportsmanship and the importance of hard work. Thanks to the often frustrating nature of golf, parents may find it

somewhat challenging to instill a love of the game in their youngsters. But there are ways to introduce kids to this wonderful game that kids might just play for the rest of their lives.

• Focus on having fun. Few, if any, golfers at your local golf course on a given weekend could say with certainty that golf has never frustrated them. The challenge of golf may be its most appealing characteristic to older players, but young kids can be easily overwhelmed by the challenges golf presents. By focusing on having fun instead of perfecting techniques, parents can get kids to look forward to their time on the links. The more fun kids have, the more likely they will be to embrace the game and its many challenges. Don't put pressure on youngsters as they develop their games, but encourage them through

their struggles and reassure them that you faced the same obstacles when you started playing.

• Hire an instructor with experience teaching children. Instructors with experience teaching children will understand the basics of the game and how learning those basics provides a great foundation for future enjoyment and success on the course. Instructors who have taught kids in the past also know that teaching youngsters the finer points of golf requires patience and encouragement. Ask a fellow parent or an employee at the club where you play to recommend an instructor for your child. And take advantage of any kids' courses your club offers.

• Purchase the correct equipment. Even the best golfers are bound to struggle when using the wrong equipment. While it might be

unwise to invest in especially expensive equipment for youngsters likely to grow out of it in a few months' time, deals can be found on used kids' equipment. Used kids' equipment is typically subjected to less wear and tear than used equipment for adults, as kids tend to play less often and fewer holes than adults when they do play. But make sure to find correctly sized equipment that kids feel comfortable using.

• Play some holes. Instructors may teach kids the differences between the types of clubs and how to swing and putt. But golf is most fun when players are out on the links going from hole to hole. Instruction is important, but don't forget to play a few holes with your child each week as well.

Golf is a challenging game, but it's one that can be enjoyed by athletes of all ages.

GOLFER'S GUIDE

ADJUSTING GOLF SWING GETS EASIER

Golfers rejoice! Those dreaded slices or hooks could become a thing of the distant past thanks to adjustable clubs and drivers. In addition to helping improve accuracy, adjustable clubs also lighten the load in your golf bag.

With a few twists of a wrench or even turning the shaft of the driver itself, golfers can adjust the face angle, loft and lie angle of the driver to hit the ball farther and straighter. Golfers can make small adjustments to create the right loft and improve distance without having to purchase a new club or visit a club fitter.

Many club manufacturers now offer adjustable drivers and other clubs. According to an informal poll on Golf.com, 34 percent of the 2,337 respondents owned an adjustable driver by the end of 2011. The ability to upgrade shafts has also become popular as golfers respond to what the pros are doing.

Adjustable golf clubs enable golfers to walk out onto the course with one driver and a few different shafts. With a couple of clicks from a wrench, a person can have an entirely new driver. That cuts down on the equipment that needs to be carried and can fine tune a golfer's accuracy. These high-tech clubs are corresponding to changes being made to golf balls. Engineers have reduced the spin on golf balls to help the balls travel farther. To do so, golf experts advise that the ball needs to be hit higher into the air. Adjustable drivers

can give players the edge they need to produce the right height and trajectory.

According to data from golf club manufacturer TaylorMade, 70 percent of consumers who use the company's adjustable drivers adjust their club at least once to get the desired shot. Afterward, 10 to 15 percent of adjustable driver users report further adjustments as they become comfortable with the features.

Although golfers can now put adjustments into their own hands, it is still advisable to get a professional fitting regard-

less of which clubs are chosen. A certified club fitter can help a person sort through the myriad options available and make recommendations based on various factors, including the golf ball used.

Those who are not fans of adjustable drivers say that the adjustment mechanisms add weight to the drivers, which can compromise efficiency. However, that isn't stopping larger numbers of golf fans from taking adjustable drivers for a trial run in an effort to improve their game.

PARLIAMENT UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of May 1, 2017

This week in Parliament, we discussed topics including government spending, drug overdose, and Remembrance Day. We also discussed an incident where two Conservative MPs were blocked from accessing the House of Commons by the Prime Minister's motorcade and, as a result, missed an important vote.

The following was debated in the House:

- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Consideration of Senate Amendments)

- Bill C-44 – Budget Implementation Act, 2017, No. 1 (Second Reading)

- Bill C-224 – Good Samaritan Drug Overdose Act (Consideration of Senate

Amendments)

- Bill C-305 – An Act to amend the Criminal Code (mischief) (Report Stage)

- Bill C-311 – An Act to amend the Holidays Act (Remembrance Day) (Report Stage)

- Bill S-208 – National Seal Products Day Act (Third Reading)

- Question of privilege (denial of access of Members to the Parliamentary Precinct raised on March 22, 2017)

On Monday in the Standing Committee on Environment and Sustainable Development (ENVI), the Minister of Environment and Climate Change attended the meeting as a witness to discuss Report 6, which was presented to the House of Commons on May 2. The President of the Canadian Environmental Assessment Agency, the Deputy Minister, and the Chief Executive Officer of Parks Canada were also in attendance.

On Tuesday, I attended the official

launch of the Arctic Aviation Tour 2017, which will take-off from Rocky Mountain House on June 1. The tour will be performing at 97 airshows across the arctic, flying 31,000 km. I want to encourage constituents in the area to come out and see the record-breaking show!

Also on Tuesday, I briefly met with students from Edson after they visited the War Museum in Ottawa.

On Wednesday, ENVI continued a review of The Canadian Environmental Protection Act, 1999. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

On Friday, I met with constituents in my Hill office. If you are visiting Ottawa, please stop in to say 'hello'!

This week, I attended 12 meetings, four events, and recorded a radio message. My next update will be on the happenings of Parliament as it continues to sit next week.

Week of May 8, 2017

This week in Parliament, we discussed topics including genetically modified foods, railway crossings, and palliative care.

The following was debated in the House:

- Bill C-338 – An Act to amend the Controlled Drugs and Substances Act (punishment) (Second Reading)

- Conservative Motion – Minister of National Defence

- Bill C-44 – Budget Implementation Act, 2017, No. 1 (Second Reading)

- Bill C-277 – Framework on Palliative Care in Canada Act (Report Stage)

- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Consideration of Senate amendments)

- Bill C-291 – An Act to amend the Food and Drugs Act (genetically modified food) (Second Reading)

- NDP Motion – Canada Infrastructure Bank

- Bill S-231 – An Act to amend the Canada Evidence Act and the Criminal Code (protection of journalistic sources) (Second Reading)

- Bill C-23 – An Act respecting the preclearance of persons and good in Canada and the United States (Report Stage)

- Bill C-7 – An Act to amend the Public Service Labour Relations Act, the Public Service Labour Relations and Employment Board Act and other Acts and to provide for certain other measures (Consideration of Senate amendments)

- Bill C-322 – An Act to amend the Railway Safety Act (road crossings) (Second Reading)

On Monday, I took part in the Conservative motion, asking the Minister of National Defence two questions on how he still thought he had the respect and trust of the people or the military: <http://www.parl.gc.ca/HousePublications/Publication.aspx?Language=E&Mode=1&Parl=42&Ses=1&DocId=8927248> on pages 20 and 23.

On Tuesday, I was extremely disappointed to learn that six Liberal Members used their majority in the Standing Committee on Justice and Human Rights to vote against Bill S-217, effectively defeating it without a vote by the House of Commons. This bill, also known as Wynn's Law, would have closed a fatal loophole in the Criminal Code, a loophole that cost Const. Wynn his life when he was murdered by a career criminal who was out on bail.

In the Standing Committee on Environment and Sustainable Development (ENVI), we continued our review of The Canadian Environmental Protection Act, 1999 and the consideration of a draft report. For more information on these meetings, visit: www.parl.gc.ca/Committees/en/ENVI

This week, I attended 12 meetings and two events. My next update will be on the happenings of Parliament as it continues to sit next week.

Sangudo Art Club and the Sangudo Public Library hosted a Willie Wong Workshop at the Sangudo Golden Seniors Center painting acrylic landscape scenes.

Dianna Hanna Workshop at the Sangudo Community School painting an acrylic mountain scene on May 17, 2017

Submitted by Sharon Vanderwolf, Sangudo Art Club

Over the last months, the club members enjoyed the teachings of various art instructors. In September, Laura Cox instructed an acrylic workshop painting a fall landscape. October's guest art instructor, Gail Seemann presented a full day oil class on a nebula painting of space. The following month, Deanne Jackson taught an oil workshop painting an autumn landscape. During November, the members also had the opportunity to display their paintings that they had diligently worked on at the Sangudo Blitz, Heritage Days at Rochfort Bridge, Cherhill Legion Spring Breakfast and Onway Heritage Trail Show. Thank-you to the community for their

support at our art shows, fundraisers and yearly Blitz raffle which enable us to bring in more guest art instructors and help offset the operational cost of the club. At the Sangudo Blitz in November, our 1st prize painting was won by Cheryl Johnson, 2nd prize of \$75 was won by Bill and Mary Mynduck, 3rd prize of \$50 was won by Rick Hall, and 4th prize of \$25 was won by Evelyn Beland. Congratulations to everyone! This past December, our members did Christmas art crafts with all the students from the Sangudo Community School. The Kindergarten, grades 1-3 students painted baked ornament made from play dough and decorated with glitter glue. The grade 3 students made beautiful

decorated wreaths and grades 4-5 did skritch skcratch art. Grades 6-9 did alcohol ink art on white tile which was then glued unto a painted black board. This was thoroughly enjoyed by both the students and members of the art club. We hope to do more projects with the school in the future. The 2017 Sangudo Art Club's spring session is from February to May. On Wednesday, March 15th, the club was pleased to have Tammy Taylor present a full day workshop doing an oil painting of Kittens on a skateboard. This year, the Sangudo Art Club and the Sangudo Public Library were very excited to present a Willie Wong Workshop on April 6th at the Sangudo Golden Club. We had a wonderful turnout. This program was made possible by

grant monies from Lac Ste. Anne County F.C.S.S. A big thank you to them, the Sangudo Public Library and those that attended to make it such a success. This month, we had Dianna Hanna taught us an acrylic mountain scene workshop. The Sangudo Art Club is winding up for this spring season. We will be starting again in September. Thank-you to everyone for making this a successful year. We are grateful for the 2016 Recreation Facility and Program Assistance grant through the Lac Ste. Anne County and local community donations that help enable us to hire talented instructors and learn and improve on painting techniques. For more information please contact, Patricia Kowalik at 780-785-2112.

RCMP CHARGE MAN IN CONNECTION WITH BANK ROBBERY

Submitted by St. Albert RCMP

2017-515708

St. Albert, Alberta - A 55-year-old man has been charged in connection with an armed robbery at the Bank of Montreal on Hebert Road earlier this month.

An investigation conducted by the St. Albert RCMP in conjunction with an astute member of the Edmonton Police Service led to the arrest on May 10th, 2017 without incident. Perry James Marsh of Edmonton was charged with one count of robbery and 5 additional counts.

Marsh has been remanded in cus-

tody and is scheduled to appear in Court on May 29th, 2017 at the St Albert Provincial Court.

Background: Armed Robbery

On May 1, 2017 at 12:35 p.m., St. Albert RCMP responded to an armed robbery in progress at the Bank of Montreal on Hebert Road. A lone male dressed in dark cloth-

ing entered the bank with a firearm. The unknown male left the bank in an older, white 4 door sedan with an undisclosed amount of money. St. Albert RCMP General Duty and General Investigations Section continue to investigate the incident and a further update will be provide at a later time.

RCMP INVESTIGATE YOUTH FIGHT(S)

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

The Stony Plain/Spruce Grove/Enoch RCMP have responded to

and are investigating complaints in relation to a so called youth "fight

club" in the City of Spruce Grove. It is alleged that youth are using social media to announce locations throughout the City where they plan to fight. These posts/meeting(s) are also drawing spectators.

The RCMP are working in partnership with the Spruce Grove Enforcement Officers to monitor social media, and creating dialogue within our local high schools to deter students from participating/supporting these types of activities.

At this time the Stony Plain/Spruce Grove/Enoch RCMP would like to remind our young people and their families that participating in these types of activities could lead to criminal charges.

Having a youth criminal record may limit a person's travel and job options. Any criminal record may prevent a person from getting into another country, no matter how minor the offence. Although the police will not give any employer information about a youth record, employers can ask that a young person complete a criminal record check in order to prove that they do not have a record.

If you have any information about this matter, please contact the Stony Plain RCMP at 780-968-7267. If you want to remain anonymous, you can contact crime stoppers by phone at 1-800-222-8477 (TIPS), by internet at www.tipsubmit.com, or by SMS (www.crimestoppers.ab.ca for instructions). You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest, the recovery of stolen property, and/or the seizure of illicit drugs, you may be eligible for a cash reward. Crime Stoppers does not subscribe to call display and the identity of the caller will remain anonymous.

Lawn & Garden

The Businesses in the following Guide can be your One Stop Solution to all your Lawn & Garden Needs!

Lawn & Garden

DESIGN A GARDEN FOR ALL SENSES

Gardens add visual appeal to a yard, but gardens also can appeal to individuals' senses of smell, taste, touch, and sound. Gardeners who want to create gardens that appeal to various senses can do so in the following ways.

Sight

Aesthetic appeal is one of the most sought-after benefits of gardening. However, many homeowners put in so much effort planting for one particular season that they may not give thought to ensuring the garden looks vibrant no matter the time of year.

Gardeners can research planting zones to find plants that will blossom at different times of the year so they can enjoy impressive, aesthetically appealing gardens year-round. Spring bulbs

can bloom early on, while annual and perennial summer favorites will thrive under the summer sun. Beautyberry and caryopteris will fill out in the autumn, while holly or mahonia can look lovely in the winter.

Smell

Gardeners can dot their landscapes with aromatic trees, shrubs and flowers that will make stepping out into the garden that much more special. Some of the more fragrant plants include gardenia, dianthus, calendula, lavender, and jasmine. Shrubs such as fragrant pineapple broom, Anne Russell viburnum and Christmas box can add fragrance as well.

Sound

The lively sounds of the garden are created by the wildlife

that come to pollinate and enjoy the environment gardeners have created. By choosing indigenous plants, gardeners can be sure that insects and small critters will seek refuge within the foliage.

Songbirds also will add character to a yard. The Audubon Society suggests including a water source and a songbird border of shrubs along your property's edge. Provide food sources and make sure they are located a fair distance from the main action of the yard so as not to scare off birds. Wait for musical chickadees, goldfinches, orioles, and cardinals to arrive and enjoy the accommodations.

Taste

Gardeners can expand their gardens to include fruit-bearing trees and rows of vegetables.

Produce can be harvested from early spring through late fall depending on the crops planted.

Touch

Apart from including trees and shrubs of various textures in the garden, look for other ways to stimulate a tactile response. Water features add relaxing sound and beauty. Stones, moss, mulch, and other accents have varied textures that can stimulate the sense of touch in various ways. Don't forget to include a sitting area so that you can immerse yourself fully in the garden.

Go beyond visual appeal when designing a garden. When gardeners tap into all five senses, they can enjoy their landscapes even more than they already do.

HOW TO KEEP ANIMALS OUT OF YOUR GARDEN

Many gardeners understand the frustration that stems from seeing a garden destroyed by wildlife. While protecting wildlife is a cause that's near and dear to many gardening enthusiasts, even the most ardent wildlife supporter does not want to see his or her garden trampled, eaten or adversely affected by animals.

Safeguarding gardens from local wildlife can require some trial and error. Animals may find ways to circumvent gardeners' initial efforts to protect their gardens, but the following methods might just do the trick the first time around.

- Erect physical barriers around gardens. Barriers may not be gardeners' first choices, as some people feel barriers such

as wire cages or mesh coverings make it more difficult to tend to gardens and rob gardens of some of their aesthetic appeal. But coverings and wire cages can effectively prevent wildlife from trampling or eating plants while still allowing the gardens to get adequate sunlight. Make sure barriers extend to the ground so animals cannot access gardens by entering beneath the barricades.

- Fight intruders with odor. Stray cats may mistake gardens for litter boxes and enter them to relieve themselves. Preventing such intrusions can be as simple as placing items around the garden to reduce the likelihood that gardens will be mistaken for litter boxes. Peels from oranges and lemons or

coffee grounds can be placed in the garden and can emit odors strong enough to deter cats.

- Install motion detecting lights around gardens. Motion detection technology might be enough to deter nocturnal wildlife from trampling or eating gardens. Animals might be spooked and run away when lights suddenly turn on. A similar approach can be taken using noise instead of lights. Gardeners who hope to avoid erecting barriers around their gardens can put up posts instead, attaching aluminum cans or wind chimes to the posts that will make noise when animals come near. Much like light, noise can be enough to deter animals.

- Consider raised garden beds. When small critters,

such as moles, are the main problem, then raised garden beds with wood or plastic bottoms and sides can be enough to safeguard gardens. Raised garden beds might not be accessible to small critters, though such beds likely won't deter larger animals from getting into gardens that are not barricaded.

- Erect fencing around the yard. Though fencing is expensive, fencing in a backyard or side yard where gardens are located can deter wildlife big and small from trampling or eating gardens.

Wildlife is worth protecting, but gardeners must also take steps to protect their gardens from animals looking for something to eat.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

4	2			5		3		
	9				1			5
5				3			1	
			3	1	2			9
		7	6					
1			8			5	6	
9	7			2	3	4		
		2						9
8	1			6		2	7	

ANSWER:

4	2	1	9	5	6	3	8	7
7	9	3	4	8	1	6	2	5
5	6	8	2	3	7	9	1	4
6	8	5	3	1	2	7	4	9
2	4	7	6	9	5	8	3	1
1	3	9	8	7	4	5	6	2
9	7	6	1	2	3	4	5	8
3	5	2	7	4	8	1	9	6
8	1	4	5	6	9	2	7	3

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
