YELLOWHEAD COUNTY PROTECTIVE SERVICES VOLUNTEER FOR #CAMPDAY

Submitted by Stefan Felsing, Communications Coordinator, Yellowhead County

(June 2, 2017) – Yellowhead County firefighters, Yellowhead County Peace Officers, and Yellowhead Region 911 operators spent the afternoon volunteering for Tim Horton's # CampDay fundraising campaign. The volunteers were at both of the Tim Horton's' Edson locations on Wednesday, May 30 where 100

percent of the proceeds from coffee sales went to the Tim Horton's fundraising campaign.

Volunteers from Yellowhead County helped take orders and deliver food to the numerous customers that came by the two locations to support the #CampDay fundraising. Donations can still be made by going to www.timhortons.com

From the Tim Horton's website:

When you buy a coffee on

Camp Day, you're not just helping to send a kid to camp, you're helping children from low-income families build essential life skills, change their lives in a positive way and make their futures bright.

Founded by Tim Hortons, Co-Founder Ron Joyce, the Tim Horton Children's Foundation was established in 1974 to honour Tim Horton's love for children, and his desire to help those less fortunate.

PINNACLE RENEWABLE ENERGY INC. TO EXPAND OPERATIONS TO ENTWISTLE, AB

Submitted by Leroy Reitsma, CPA, CMA, President and Chief Operating Officer | Pinnacle Renewable Energy

Pinnacle Renewable Energy Inc., Canada's largest producer of high quality wood pellets, is expanding its rapidly growing production capacity as it announced the construction of a new wood pellet manufacturing facility in Entwistle Alta. The plant will be the largest of Pinnacle's seven plants, and the first to be located outside B.C. Site preparation began on May 1, 2017, with the plant slated to begin operations in the first quarter of 2018.

The new facility will produce 400,000 tonnes (4,000 railcars) of wood pellets per year which will be transported by CN Rail to Pinnacle's wood pellet terminal in Prince Rupert. The wood pellets from the Entwistle facility will be exported to customers in both Asia and Europe where they will be consumed as a renewable replacement for coal in the generation of electricity for roughly 140,000 homes. Pinnacle expects to employ 70 people in the activities of acquiring the fibre and producing the product at the facility.

"I am excited to announce our next major expansion project in Entwistle, Alberta," says Leroy

Reitsma, Pinnacle Renewable Energy Inc. President and Chief Operating Officer. "We look forward to providing our forest industry partners with a consistent market for the wood waste generated in both the harvesting of timber and the sawing of lumber. The planning and development of this plant reflects Pinnacle's depth of operating experience and our commitment to safety. We want to thank the many community members that provided input through the consultation process and look forward to being a valued member of the Entwistle community"

Pinnacle Renewable Energy Inc. To Expand Operations To Entwistle, AB

Continued From Page 1

"We are thrilled to welcome Pinnacle Renewable Energy Inc. to Parkland County and the Hamlet of Entwistle," said Parkland County Mayor Rod Shaigec. "The positive economic impact this investment will have on our community is tremendous. Pinnacle is an upstanding corporate citizen and we look forward to a long-term partnership that will continue well into the future."

In addition to providing the necessary access to rail and road infrastructure, Entwistle is centrally located within the facility's raw material supply region. While wood waste will be sourced from more than ten forest products companies, the single largest supplier will be Weyerhaeuser's operation in Drayton Valley, Alberta.

"We are excited to partner with Pinnacle on their new pellet facility," said Fred Dzida, President of Weyerhaeuser's Canadian Operations.

"The Entwistle plant is another example of the positive contribution working forests can play in helping to meet the goals established in Alberta's Climate Leadership Plan."

Pinnacle Renewable Energy Inc. is the longest-established wood pellet producer in Western Canada. The company was founded in Quesnel more than 25 years ago, in the heart of central B.C.'s lumber country and all its pellet plants are located within areas featuring an abundance of high-quality, raw material suitable for wood pellet manufacturing. Pinnacle's production is largely exported to Europe and Asia through a combination of the port of Vancouver and Pinnacle's wholly owned port in Prince Rupert. Today, Pinnacle operates six pellet plants throughout B.C., producing one and a half million tonnes annually. The plants are located in Houston, Burns Lake, Strathnaver, Williams Lake, Armstrong and Lavington, with corporate offices located in Prince George and Richmond. More than 275 people are employed in those communities.

JOKE OF THE WEEK

I was doing yard work after the storm this weekend and my wife was about to take a shower. I realized that I couldn't find the rake. I yelled up to my wife, "Where's the rake?" She couldn't hear me and she shouted back, "What?" I pointed to my eye, then I pointed to my knee and made a raking motion. Then my wife wasn't sure and said, "What?" I repeated the gestures: "EYE KNEE THE RAKE." My wife replied that she understands and signals back. She first points to her eye, next she points to her left breast, then she points to her bum, and finally to her crotch. Well, there is no way in hell I could even come close to that one. Exasperated, I went upstairs and asked her, "What the hell was that?" She replied, "EYE - LEFT TIT - BEHIND - THE BUSH."

UPDATE: SEEKING PUBLIC'S ASSISTANCE IN RELATION TO AN ATTEMPTED HOME INVASION (ONE IN CUSTODY)

Submitted by Stony Plain/
Spruce Grove/Enoch RCMP

Stony Plain/Spruce Grove/
Enoch RCMP would like to

thank the public for their tips leading to the identification of two male suspects involved in an attempted home invasion in Stony Plain on May 15, 2017.

On May 30, 2017 Jesse Lee FLEMING, age 34, of Edmonton was arrested by Edmonton Police Service in relation to the attempted home invasion. A warrant has been issued for the arrest of Richard James TELFORD, age 34, also of Edmonton. TELFORD is considered to be armed and dangerous and not to be approached by the public and the public is urged to contact Police if his whereabouts are known.

PUBLIC NOTICE

Office national
de l'énergieNational Energy
Board

**Trans Mountain Pipeline ULC, as General Partner of Trans Mountain Pipeline L.P.
Trans Mountain Expansion Project
Notice of Proposed Detailed Route
Pursuant to Paragraph 34(1)(b) of the National Energy Board Act**

IN THE MATTER OF the *National Energy Board Act* and the Regulations made thereunder.

AND IN THE MATTER OF the Certificate of Public Convenience and Necessity (OC-064) approving the general route of the Trans Mountain Expansion Project.

AND IN THE MATTER OF an application by Trans Mountain Pipeline ULC, on behalf of Trans Mountain Pipeline L.P., ("Trans Mountain"), respecting the determination and approval of the detailed route for the construction of the Trans Mountain Expansion Project, approximately 1179.9 kilometres in length, commencing at Trans Mountain's Terminal located in Sherwood Park, Alberta to Westridge Marine Terminal located in Burnaby, British Columbia as shown on the adjacent Route Map.

If you anticipate that your lands may be adversely affected by the proposed detailed route of the Trans Mountain Expansion Project, you may oppose the proposed detailed route by filing a written statement of opposition with the National Energy Board (NEB) within thirty (30) days of the publication of this notice. The written statement of opposition must set out the nature of your interest in the proposed detailed route and the grounds for your opposition to that route. A copy of any written statement of opposition to this detailed route must be sent to the following addresses:

National Energy Board
Suite 210, 517 Tenth Avenue SW
Calgary, Alberta T2R 0A8
Attention: Sheri Young,
Secretary of the Board
Phone: 403-292-4800
Toll Free Fax: 1-877-288-8803
Email: TMX.ProcessHelp@neb-one.gc.ca
Website: neb-one.gc.ca

And to: Trans Mountain
12831 - 163 Street NW,
Edmonton, Alberta T5V 1M5
Attention: Elliott Friedrich,
Project Land Manager
Phone: 1-866-454-4717
Fax: 780-454-6172
Email: tmep@progressland.com

Where a written statement of opposition is filed with the Board within thirty (30) days following the publication of this notice, the Board shall forthwith order, subject to certain exceptions as noted below, that a public hearing be conducted with respect to any grounds of opposition set out in the statement, in relation to any section or part of the pipeline affected by the concerns disclosed in the written statement. The Board is not required to give any notice, hold any hearing or take any other action with respect to any written statement of opposition filed with the Board and may at any time disregard any such written statement if the person who filed the statement files a notice of withdrawal, or if it appears to the Board that the statement is frivolous, vexatious or is not made in good faith. If the Board determines it appropriate to hold a public hearing,

the Board will fix a suitable time and place for the hearing and will publish a notice of the hearing in at least one issue of a publication in general circulation within the area in which the lands acquired or proposed to be acquired are situated. The Board will also send a notice of the public hearing to each person who has filed a written statement of opposition with the Board. The public hearing will be held near to where the lands to which the statement relates are situated. The Board, or a person authorized by the Board, may make such inspection of the lands acquired or proposed to be acquired, or affected by, construction of Trans Mountain Expansion Project, as deemed necessary by the Board.

If the Board determines a public hearing is required, the Board will permit each person who filed a written statement of opposition that met the requirements of the *National Energy Board Act* (NEB Act) to make representations and may allow any other interested person to make representations before it as the Board deems proper. The Board will take into account all written statements of opposition that have met the requirements of the NEB Act and all representations made at the public hearing in determining the best possible route of the pipeline, and the most appropriate methods and timing of construction for the Trans Mountain Expansion. The Board may impose in any approval, such terms and conditions as it considers proper. Where the Board has held a public hearing in respect of any section or part of the Trans Mountain Expansion Project, and has approved or refused to approve the plan, profile and book of reference respecting that section or part, it will forward a copy of its decision and reasons to the Minister and each person who made representations to the Board at the public hearing.

The Board may fix such amount as it deems reasonable in respect of the actual costs reasonably incurred by any person who makes representations to the Board at such a public hearing, and the amount so fixed will be paid forthwith to the person by Trans Mountain. Copies of the plan, profile and book of reference for the detailed route of the Trans Mountain Expansion Project is available for inspection by you online at www.transmountain.com, and at the following locations:

THINGS TO CONSIDER BEFORE UPSIZING YOUR HOME

So you're thinking of movin' on up. You feel you have outgrown your current home and are looking at upsizing. Here are some things to consider before upsizing your home.

COST

A bigger home comes with bigger costs. You need to first decide how much you can afford with your new mortgage. Not only are mortgage payments going to be higher, but property taxes are usually higher on a larger home due to the lot size being bigger. Another cost to consider is utilities. Because you are looking into more square footage your utility costs will also rise. A larger house costs more to heat, air condition and uses more water.

A larger home will likely have more rooms you will need to furnish. Maybe you have children sharing a room with a bunk bed right now. A larger home means each child will probably have their own room,

and you will need to buy new beds. You may also now have an extra guest room, sitting room or dining room to furnish.

LOCATION

Have you considered the type of neighbourhood you would like to live in? If you have children you may want to consider a cul-de-sac versus a busy main street. What amenities are close by that are important to you? Look around for schools, parks, playgrounds and other areas for your family to spend time. Another consideration is the people living in your new neighbourhood.

FEATURES

Make a list of all of the things you don't like about your current home and keep that list with you when you are shopping around. A list of must-haves and nice-to-haves is also good to bring along. Your new home may have many bedrooms but does it have enough bathrooms? A bigger home is great,

but if it only has one bathroom that could be challenging.

A larger home also means more home maintenance. Do you have the extra time and money to keep up with the extra cleaning, fixing, and yard maintenance? A larger yard means a lot more upkeep, especially if you plan to spend more time outside.

Many new homes come without landscaping or fenced yards, and it is up to the homeowner to put up their fence and do the landscaping.

Making the decision to move to a bigger home can be exciting. It can also be a little overwhelming, and we're here to help.

VEHICLE CRASH LEADS TO HOUSE FIRE IN THE TOWN OF STONY PLAIN

Submitted by **Stony Plain/
Spruce Grove/ Enoch
RCMP**

2017-684195 – On June 3,

2017, at approximately 2:30 AM the Stony Plain/Spruce Grove/ Enoch RCMP received a reported a vehicle that crashed into a house and caught on fire in the

area of Oatway Drive, in Stony Plain. The fire quickly spread to the house. No one was in the residence at the time.

The three occupants of the ve-

hicle suffered minor injuries and were taken to hospital.

Police are continuing their investigation in to cause/factors leading to the crash.

PARLIAMENT UPDATE – WEEK OF MAY 29, 2017

Submitted by **Jim Eglinski, MP – Yellowhead**

This week in Parliament, we extended the sitting hours to midnight each day so that we can debate as much legislation as possible before the House adjourns for the summer. This week largely focused on the legalization of marijuana and related issues, such as driving under the influence of drugs.

The following was debated in the House:

- Bill C-44 – Budget Implementation Act, 2017, No. 1 (Report Stage)

- Bill C-45 – Cannabis Act (Second Reading)

- Bill C-46 – An Act to amend the Criminal Code (offenses relating to conveyances) and to make consequential amendments to other Act (Second Reading)

- Bill C-277 – An Act providing for the development of a framework on palliative care in Canada (Third Reading)

- Bill C-346 – An Act to amend the Firearms Act (licenses) (Second Reading)

- Bill C-349 – An Act to amend the Criminal Code and to make consequential amendments to other acts (criminal organization) (Second Reading)

- M-108 – Contribution of ranchers and farmers

- M-128 – Venezuela

- Government Motion No. 14 – Extension of sitting hours and conduct of extended proceedings

- Conservative Motion - Kinder Morgan Trans Mountain Expansion Project

- Estimates in Committee of the Whole – National Defence

On Wednesday, I participated in debate on Bill C-46, asking two questions on impaired driving and marijuana. On Thursday, I gave a speech on C-45, as well as asked a question on the lack of education around the use of marijuana. You can find my comments and the responses to my questions on the correspond-

ing day's Debates Hansard at: www.ourcommons.ca

In the Standing Committee on Environment and Sustainable Development (ENVI), we continued our review of The Canadian Environmental Protection Act, 1999 and the consideration of a draft report. For more information on these meetings, visit: www.ourcommons.ca/Committees/en/ENVI.

This week, I attended 16 meetings and four events, as well as recorded two radio messages. My next update will be on the happenings of Parliament as it continues to sit next week.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

**Submitted by Nikki Gilks,
Manager, Communications
Services | Grande Yellow-
head Public School Division**

May 17, 2017

Capital Projects Update

Facility Services provided their regular updates to the Board on two current capital projects in the Division: the modernization project for Grande Cache Community High School (GCCHS) and the new replacement school in Edson, Mary Bergeron Elementary.

GCCHS: A final inspection was conducted on May 2nd, 2017 to identify any deficiencies. The school has now moved into their new administration area and student gathering area. A final coat of finish was also applied to the gym floor on May 2nd and required 10 days for the finish to cure. The new entrance will not be opened to the public until the exterior concrete sidewalk is finished, dependent upon weather. Outside work will continue as weather

permits as well as noted deficiencies will continue to be addressed over the next few months.

Edson: Dry walling has started on the east wing and should be completed around the end of May. The concrete slab has been poured on the west wing and rough-ins are in progress with dry-walling to start before the end of the month. The library windows are installed and the mechanical room rough-in is about 80% complete.

School Highlights - Grande Cache

Today's Public Board Meeting was held in the Town of Grande Cache at Grande Cache Community High School. Trustees were pleased to have staff and students from all three schools in Grande Cache start the day by sharing highlights from their school with the Board. Sheldon Coates students from Kindergarten to Grade 3 spoke about some of their school programs including the Kindness and Library teams. Three students from Summitview

Middle School presented on their new mentorship project, and students from the high school shared information on their leadership initiatives. Trustees also enjoyed a student demonstration that won three students a bronze medal at the recent provincial Skills Canada competition.

The school council president from Sheldon Coates also shared some of the parents' initiatives at their school this year, and Yvonne Rempel from Alberta Health Services provided an overview about a community cancer prevention initiative project that ends in March 2018.

Other News in Brief

- Deputy Superintendent Ewen Murray provided a report on the instructional minutes scheduled for each school for the 2017-18 school year including start times and lunch hour breaks.

- For the 2016-17 school year, the Division assessed approximately \$357,000 in instructional material fees: \$70 for students

ECS to Grade 6; \$80 for Grades 7-9; \$95 for Grades 10-12, and a family maximum of \$245. As per Bill 1, these fees will not be charged to parents for the upcoming school year.

- Karen Shipka, Assistant Superintendent of Learning Services, spoke about some of the community engagement initiatives that took place over the past year in support of the Division's Three Year Education Plan 2016-19/Annual Education Results Report 2015-16, and the Board's Annual Communications Plan. She also shared the new engagement framework that was developed in the fall to assist the Division's various activities.

- Trustees approved a sub-committee whose purpose will be the recruitment for a new Superintendent of Schools for the division effective September 1, 2017. Superintendent Gray announced his retirement at the beginning of May.

DARWELL PUBLIC LIBRARY JUNE NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

A heartfelt thank you goes out to the gentleman who made a large cash donation to the library on or about May 26, 2017. In my awe, I forgot to ask your name and have not seen you since that day. Your generosity has humbled us and our gratitude knows no bounds. Thank you for your support of the library and everything that it represents to our community and society. It is true that the very best angels walk amongst us. Thank You!

We continue our efforts to fund-raise for the completion of the library expansion and have multiple opportunities for anyone who wishes to contribute to supporting this valuable community asset. Are you wondering what to do with all those items from your spring cleaning? We are currently doing a Value Village Donation Drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or facebook page. You can drop off your donations at the library expansion on Mondays and Tuesdays between

11AM and 4PM until June 27, 2017. Should these times not work for you please contact the library to make alternate arrangements.

The donations are coming in and preparations are well under way for the Silent Auction which will be held on Saturday, August 19, 2017 from 10AM to 3PM during the Darwell Fair in the new library expansion. We are currently accepting donated new items for our event so should you have something you would like to contribute, please have your donation to us by Wednesday, August 9, 2017.

Looking for some summer reading material or just like to look for treasure? Drop by on Tuesday afternoons from 1 to 4 pm for the used book sale. We encourage you to stop in and peruse the titles, take what you want and leave a donation of your choosing. See you there!

Beginner Tai Chi at the Darwell Centennial Hall has ended and congratulations to those who have successfully completed the 108 moves of the Tai Chi set. Are you wondering how to keep up your proficiency or just want to practice over the summer? We will be holding an open practice session every Wednesday morning (weather permitting) at 10:00 AM starting June 7, 2017 at the Birchwood Estates Park on RR#45. There is no cost or no need

to register just drop by and join us for Tai Chi in the park. If you were unable to attend the first Beginner Tai Chi session please let us know, we have a sign-up sheet at the library so leave your name, number and your preference for daytime or evening. If there is enough interest we will consider holding another class, on a cost recovery basis, in the fall.

Libraries across Canada are inviting kids and their families to get their summer read on by registering for the annual TD Summer Reading Club. The planning is almost complete and registration is now open for the Summer Reading Club for children 6 to 13 years of age at the Darwell Public Library. The program will start Thursday, July 20 from 1-3PM and will run for six consecutive weeks until August 24, 2017. There is no cost to attend but pre-registration is required as space is limited, maximum of 15.

Join us on at the Darwell Centennial Hall on Thursday, July 20, 2017 at 2:00 p.m. as we kick off the Summer Reading Club with A Royal Canadian Moose Party! the Kompany Family Theatre's interactive theatre production celebrating Canada 150. During this 45 minute long production the children will be dancing and singing, many of them performing with the actors. A very exciting, memorable cele-

bration of our Canadian heritage. This performance will be open to the community at large and is free, so mark the date on your calendar and come help us launch the Summer Reading Club and celebrate Canada Eh!

The next Book Club meeting will be on Monday September 11, 2017 at 7:00 p.m. to discuss "Ru" by Kim Thuy. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and arrange loan of the current title by calling the library @ 780-892-3746. Our programs are sponsored by the Darwell Public Library, Darwell Library Friends, FCSS and CLSA Library Grant.

The Darwell Public Library Society will be holding their regular meeting on Monday, June 26, 2017 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our website www.darwell-publiclibrary.ab.ca or like or follow us on Facebook at www.facebook.com/DarwellPublicLibrary

AVIS PUBLIC

Office national
de l'énergieNational Energy
Board

**Trans Mountain Pipeline ULC, à titre de partenaire général de Trans Mountain Pipeline L.P.
Projet d'expansion de Trans Mountain
Avis relatif au tracé détaillé proposé en vertu
de l'alinéa 34(1)(b) de la Loi sur l'Office national de l'énergie**

EN CE QUI CONCERNE la Loi sur l'Office national de l'énergie et les règlements afférents.

ET EN CE QUI CONCERNE le Certificat de commodité et de nécessité publiques [OC-064] autorisant le tracé général du Projet d'expansion de Trans Mountain.

ET EN CE QUI CONCERNE une demande faite par Trans Mountain Pipeline ULC, au nom de Trans Mountain Pipeline L.P. (« Trans Mountain »), à l'égard de la détermination et de l'approbation du tracé détaillé prévu pour la construction du Projet d'expansion de Trans Mountain, dont la longueur est d'environ 1 179,9 km, et ce à partir du terminal de Trans Mountain situé à Sherwood Park, en Alberta, jusqu'au terminal maritime Westbridge situé à Burnaby, en Colombie-Britannique, comme le montre la carte du tracé ci-jointe.

Si vous estimez que le tracé détaillé du Projet d'expansion de Trans Mountain peut nuire à vos terrains, vous pouvez vous y opposer en déposant une déclaration d'opposition écrite auprès de l'Office national de l'énergie (l'Office) dans les trente (30) jours suivant la publication du présent avis. Dans la déclaration d'opposition écrite, vous devez préciser la nature de votre intérêt dans le tracé détaillé proposé et les motifs de votre opposition au tracé en question. Une copie de toute déclaration écrite s'opposant à ce tracé détaillé doit être envoyée aux adresses suivantes :

Office national de l'énergie

Edmonton (Alberta) T5V 1M5
À l'attention de :
Elliott Friedrich
Téléphone : 1-866-454-4717
Télécopieur : 780-454-6172
Courriel :
TMEP@progressland.com

En cas de dépôt d'une déclaration d'opposition écrite auprès de l'Office dans les trente (30) jours suivant la publication du présent avis, l'Office ordonnera sans délai, sous réserve de certaines exceptions indiquées ci-dessous, la tenue d'une audience publique concernant les motifs d'opposition énoncés dans la déclaration, et ce relativement à une section ou partie d'oléoduc visée par les préoccupations divulguées dans ladite déclaration écrite. L'Office n'est pas tenu de donner d'avis, ni de tenir d'audience, ni d'entreprendre de démarches à l'égard de toute déclaration d'opposition écrite déposée auprès de l'Office et se réserve le droit, à tout moment, de rejeter ladite déclaration écrite si la personne ayant déposé la déclaration dépose un avis de retrait ou si l'Office juge la déclaration frivole, vexatoire ou faite de mauvaise foi.

Si l'Office estime qu'il convient de tenir une audience publique, il fixera une date et un lieu convenables pour l'audience et publiera par la suite un avis d'audience dans au moins un numéro d'une publication à grand tirage dans la région où se trouvent les terrains acquis ou que l'on se propose d'acquies. L'Office fera également parvenir un avis d'audience publique à chacune des personnes qui aura déposé une déclaration d'opposition écrite auprès de l'Office. L'audience publique se tiendra dans un lieu situé près des terrains auxquels se rapporte la déclaration. L'Office, ou une personne autorisée par l'Office, se réserve le droit d'effectuer une inspection, comme l'Office le juge nécessaire, des terrains acquis ou que l'on se propose d'acquies ou encore touchés par la construction du Projet d'expansion de Trans Mountain.

Si l'Office juge qu'une audience publique est requise, l'Office permettra à chacune des personnes qui auront déposé une déclaration d'opposition écrite conforme aux exigences de la Loi sur l'Office nationale de l'énergie (la Loi sur l'ONE) de présenter des observations; l'Office se réserve par ailleurs le droit de permettre à toute autre personne intéressée de présenter des observations devant lui, comme l'Office le juge indiqué. L'Office tiendra compte de l'ensemble des déclarations d'opposition écrites conformes aux exigences de la Loi sur l'ONE et des observations présentées au cours de l'audience publique afin de déterminer, d'une part, le meilleur tracé possible pour l'oléoduc et, d'autre part, les méthodes et le calendrier les plus propices à la construction du Projet d'expansion de Trans Mountain. L'Office peut assortir toute approbation des conditions qu'il juge indiquées. L'Office transmettra, motifs à l'appui, une copie de toute décision d'approbation ou de refus d'approbation des plans, profil et livre de renvoi relatifs à une section ou partie du Projet d'expansion de Trans Mountain rendue après l'audience publique au ministre et à chacune des personnes qui lui y aura présenté des observations.

L'Office peut fixer à la somme qu'il juge raisonnable les frais entraînés par la présentation d'observations au cours d'une pareille audience publique; ce montant sera versé sans délai à la personne par Trans Mountain. Il vous est possible de consulter des copies des plans, profil et livre de renvoi relatifs au tracé détaillé du Projet d'expansion de Trans Mountain en ligne au www.transmountain.com et en vous rendant aux endroits suivants :

GOLFER'S GUIDE

SIX GOLF PERSONALITIES THAT WILL MAKE OR BREAK YOUR GAME

(NC) From the rules drill sergeant, to the etiquette obsessed, no one likes to be on the course with that person. Here are a few of the personalities you should be keenly aware of when creating the perfect 18-hole pairing.

The Natural – They've had no lessons, no warm-up, old clubs but can consistently hit them long and straight every day.

Play with this person if... you crave a smooth, competitive game.

The Iceman – never phased by a shot that's off or a disgruntled competitor, the Iceman always keeps everyone's emotions in check.

Play with this person if... you want to cool down fired up players.

The Socialite – forget the game, this person is out for a good time. With positive vibes, and stories for days, this person is only interested in one hole: the 19th.

Play with this person if... your

scorecard is the last thing on your mind

The Personal Trainer – will gladly walk the length of the course with a 50 pound golf bag in tow. The PT prefers post-game chicken breasts over hot dogs, and comes equipped with a crisp low calorie light beer, such as Molson Canadian 67.

Play with this person if... you're an active calorie calculator who wants to tone up while having a good time on the greens.

The Chauffeur – likes driving the cart more than swinging the club and is happy to drop you off at every hole.

Play with this person if... the Personal Trainer has worn you out.

The Slicer – no matter how many lessons he's taken or how new his clubs are, he consistently hits his shots in the woods.

Play with this person if... you want to win!

GOLFER'S GUIDE

HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never too early for boys and girls to start learning the game of golf. Parents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play set can help lay a solid foundation for future golfers. Kids who have watched Mom and Dad play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along with Mom

or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information. Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school and approach high school, those who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first

few lessons can prove invaluable, turning a pastime into a passion

kids will carry with them throughout their lives.

GYPSD JUNE SCHOOL NEWS

**Submitted by Nikki Gilks,
Manager, Communications
Services | Grande Yellow-
head Public School Division**

LOBSTICK ZONE

Grand Trunk High School, Evansburg

June has arrived and with it comes some beautiful weather and the last month of our school year. Students and staff are busy wrapping up courses and preparing for Final Exams, Provincial Achievement Tests, and Diploma Exams. A full schedule of exams can be found at our website at www.grandtrunkhighschool.ca

The now annual Grand Trunk/

Harry Collinge Rock Tour kicks off on May 31st and will be travelling to schools in Drayton Valley, May-erthorpe, Fox Creek, Valleyview, and Grande Prairie. Students will be travelling and performing 2 concerts per day from May 31st until June 2nd with support from their teachers Mr. Kolotyluk and Mr. Watt. We wish them good luck as they go out to represent our school and community. The Grand Trunk High School Music program will also have a short home concert on Friday June 9th starting at 1pm – tour bands as well as some other student groups are going to perform the songs they have been working on – all parents are welcome to

attend.

Three Grand Trunk High School students have qualified for the Alberta High School Track and Field Provincials held in Edmonton. Allison Rusin qualified for the shot put event, Kyle Ropcean qualified for the hurdles, and Janelle Chechotko qualified for the pentathlon. All events are to be held at Foote Field in Edmonton on Friday, June 2nd and Saturday, June 3rd. We wish all three of these students the best of luck as they compete in the provincial competition.

GTHS Events for June

- June 9 Student Luncheon & Music Performance
- June 10-11 Biology 30 Diplomax

from 9am - 5pm

- June 16 Social 30 Diploma Part A
- June 17-18 Physics 30 Diplomax from 9am - 5pm
- June 18 Father's Day
- June 21 National Aboriginal Day
- June 23 Regular Classes End/ Social 30 Diploma Part B
- June 26 Junior & Senior High Final Exams Begin, Social 9 PAT
- June 27 LA 9 PAT
- June 28 Biology 30 Diploma/ Math 9 PAT
- June 29 Physics 30 Diploma
- June 30 Last Day for School-Based Staff

Evansview School, Evansburg

What a busy and exciting time of year here at Evansview. It's hard to believe it's already June! The end of the year is a time to celebrate our learning and look back at our students' accomplishments. Students have participated in many hands-on science workshops this past month. Field trips are an important part of our learning experiences and offer an opportunity to study in a different environment from others. Each class has a field trip planned for June as well as fun year-end activities before our awards ceremony.

Our peacekeepers and safety patrol volunteers will also be rewarded for their dedication to helping other students, with an Edmonton swim day. Swimming is booked for the third week of June for all Evansview classes at Entwistle pool and many of our student population will be showcased in our annual talent show in the first week of June.

Evansview School would like to thank our parent council and all of our incredible parent volunteers who have gone over and above in support of our school! Organized weekly hot lunches, community breakfasts, rewards and presentations along with class field trips are enjoyed with tremendous support, and the everyday backing in our classrooms for ALL students has helped make Evansview school a special place to be. We couldn't be prouder of our parent support.

We are busy making preparations for the 2017-2018 new school year and are so proud of our students at Evansview! Have a wonderful summer everyone.

EVW Events for June

- June 8 Kindergarten Open House for New Students
- June 9 Track & Field Day
- June 16 Waterpark Trip for Safety Patrol & Peacekeepers
- June 19 Provincial Exams for Grade 6 Begin, Swimming for all

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

GYPSD June School News

Grades

- June 21 National Aboriginal Day Celebration
 - June 28 Grade 6 Farewell – Dinner
 - June 29 Last Day for Students
- Niton Central School, Niton Junction

This April, with the help of many dedicated parent organizers and volunteers, Niton hosted a terrific talent show. We were able to spread the word out in the community, host tryouts and set up an evening to highlight the talents of many of our students. Some of the talents showcased were singing, dancing, musical instruments, puppet shows, ventriloquist, magic tricks, short act plays, jokes, and a uni-cycle rider. This wonderful event allowed our students, parents, and community members to come together and provide a night of entertainment for a packed crowd. In addition, we brought in six guest judges, including our own Supt. Cory Gray. Everyone had a great time and we are looking forward to making an annual event.

We finished our final reading blitz for the year in mid-April. We were very fortunate to have the help of parent volunteers and the teamwork of teachers, admin, aides, and support staff, who all worked together to make sure that this is a great experience for our young readers. The atmosphere that our reading blitz has created is one that fosters acceptance of different reading abilities amongst different ages or grade levels. All students work together with the common goal to become better readers.

At the end of April, our Grade nines had the opportunity to go on a fieldtrip to the Palisades. During this trip, they were able to participate in a wide variety of team building activities that required the use of problem solving skills. They learned some survival skills, how to use a GPS for tracking and had the chance to take part in activities that built up communication skills. In their downtime, they also had the opportunity to have some fun mountain biking and canoeing. However, the highlight of the trip was their white water rafting adventure, where they had the opportunity to take control and lead their classmates down the rapids.

Wildwood School, Wildwood

The standing joke at Wildwood School is that the shortest month of the school year is April/may/june! Things do seem to speed up at this time of year and the longer days make us all feel as if we are almost superhuman . . . almost.

We have quite a to do list going for the month. Just before June begins students participate in 'Town Clean-up' demonstrating citizenship before the Wildwood Bronc Bustin event. Soon our Grade 4 and 5 class will be having their pond day for Science. After that our next year Kindergarten 'Interns' will spend time in the classroom getting a sense as to what life in the classroom will be like next year.

Our Grade 4/5 class will complete their time spent with students from the Mother Earth Charter School. The Grade 9 class will soon be celebrating their Grade 9 farewell with the Grade 6 class heading off on their Jasper trip soon after that. At mid-

month the Grade 4/5 class visit Fort Edmonton Park and tour the Edmonton Waste Management Center.

Mid-month also brings our Elementary Track and Field Day and sets the stage for students to focus on final exams and testing with the Grade 6 and 9 students completing Provincial Achievement tests over a ten day stretch.

And all of this caps off a homerun year with school awards on the last afternoon of the student year. Rounding Third and Headed for Home is part of the Wildwood Advantage: Small School, BIG Ideas!

WW Events for June

- June 6 Grade 4 & 5 Pond Day

- June 7 Kinder Interns Evening
- June 8 Cultural Exchange Grade 4 & 5 to MECCS – Tipple Museum and Pembina
- June 9 Grade 4 & 5 Library Visit, Grade 9 Farewell
- June 12-13 Grade Six Jasper Trip
- June 14 Grade 4 & 5 Fort Edmonton, Edmonton Waste Management Tour, Kinder interns Morning
- June 15 Track and Field Day
- June 16 Ag Service Board Presentation to 4 & 5
- June 20 Grade 4/5 Year End Trip Nojack Picnic, Niton Swim
- June 21 National Aboriginal Day
- June 29 School Awards, Final Report Card

LETTER TO THE EDITOR: WHAT'S HAPPENING AT JACKFISH LAKE?

Submitted by Rita Pile

Only people within a few miles radius of the South bank of Jackfish Lake will have been given the heads up about a new development proposal there...but I believe it will affect anyone who enjoys Jackfish Lake for boating, swimming, fishing etc. so I want to let everyone in the Parkland County area know what is going on. If you live in Parkland County, and you care about Jackfish Lake please express your opinion to the mayor rshaigec@parklandcounty.com and to the development officer dmartin@parklandcounty.com so that they know how you feel about the proposal. If they approve the new subdivision on Jackfish Lake of 75 more lots, then at least you can say you did your part to oppose them (if you did). Please add their File No. to your letter so that it goes to the right file: PD-17-015 & PD-17-016 and the official name of the proposal is: West Point Estates Outline Plan & Land Use Bylaw Amendment Application, Legal Description NW & NE-9-52-2-W5M.

Here is the plan. There is a beautifully forested section of the lake (fully mature trees) that stands about 100 metres deep in some areas, less in others, for a mile or so along the South bank of

Jackfish Lake. It protects the lake from pollutants by drinking them up through the tree roots. This tree belt preserves the beauty of the lake, a safe habitat for the wildlife of the lake...and allows us humans to continue to enjoy clean water at the lake for our summer fun. There are many thousands of birds, fish and amphibians, not to mention smaller creatures that presently inhabit Jackfish Lake, and wildlife of the land around it that depends on its clean, drinkable water. This property, including the fields just behind the tree belt has fallen into the hands of a man who wishes to push many of them down to create his subdivision...even though the Environmental Sensitivity Assessment on the Parkland County Website warns us against developing within 100 Metres of the lake.

I'm not sure what the purpose of having an Environmental Sensitivity Assessment is, if developers are allowed to ignore them. The good news is we do have the power to stop them by denying their request to change the Land Use Bylaw. They have to change this Bylaw in order to proceed. The developers have kept it very hush hush, telling only who they have to tell legally...and they only just, very quietly, slid the development proposal in after

leaving us hanging for almost a year after their required proposal to the public...and our deadline for opposing it is June 14th...and then it will be too late to stop it. Not a very big window of opportunity...Which is why it is so important for you to act quickly, and put a simple request on all of your social medias asking people to express their opinions, and also don't forget to express your own opinion to: the mayor at rshaigec@parklandcounty.com and also to the approving officer at the land development office at dmartin@parklandcounty.com

The plan is to develop 75 more lots just off the lake (with 30 of them proposed as lake-front lots and the rest directly behind). What will happen to public access? Let's think about it for a second. How many more boats would 30 new lakefront lots mean on Jackfish Lake? We are restricted from launching very many now, so how would it be handled with this many more? If you think it is busy now...

There was a Blue-Green Algae warning put out last year in June. The year before I believe it wasn't until late August, and it wasn't all that worrying because most were done with the lake for the season and it had time to recover over winter. When Blue-Green Algae

takes over a lake, the lake dies. Too dramatic? The Blue-Green Algae poisons the water. Period. It has already happened to countless Albertan lakes when nobody stood up for them and just let the scenario play out, development after development. Imagine...No more fish at Jackfish Lake; all dead. No longer a water-source for the geese, ducks, loons, deer, foxes or other creatures that want a drink...including our pets. Would you allow your child to swim in it? If the problem of Blue-Green Algae is this bad now, how can anyone justify putting more pressure on the lake? What is the carrying capacity of Jackfish Lake anyway? The Environmental Sensitivity Assessment on the Parkland County Website warns us against it...and we have the power to stop it!

Whether you do it for the fish, birds, other wildlife, your dog or cat, or whether you do it so you and your children can continue to enjoy boating, water-skiing, swimming etc. on Jackfish lake, I hope I have inspired you to take just a moment and fire off a quick little e-mail to the addresses given. You deserve your say, and Jackfish Lake needs your help...or we could all just let it play out and see what happens.

Come Celebrate 50 Years!

SATURDAY JUNE 10

Scratch and Save up to 50% on parts and accessories.

Enjoy face painting, tattoos and balloon animals for the kids from 10 -2.

Sign up for our Honda ATV and SSV Demo Rides!

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

8	3	7	5	4	8	9	1	2
8	2	5	7	9	1	6	3	4
4	1	9	2	6	3	5	8	7
1	9	8	6	3	2	4	7	5
7	5	6	4	1	9	3	2	8
3	4	2	8	5	7	1	9	6
2	6	1	9	7	4	8	5	3
5	8	3	1	2	6	7	4	9
9	7	4	3	8	5	2	6	1

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

			5	4	8			
8		5			1		3	4
		9	2	6		5		7
		8	6			4
