SPLASH PAD ADDITION TO BE ADDED TO MAYERTHORPE AQUATIC CENTRE!

Submitted by Town of Mayerthorpe

Mayerthorpe Aquatic Centre will see the addition of a splash pad feature this fall!

The project will provide for a new water feature bringing joy and excitement to the children and families of Mayerthorpe and area. The new feature will be 840 square feet with nine (9) spray features on the existing concrete deck. The splash pad will have its own control system

with a press button activator that will allow the features only to operate when people are using the splash pad for cost and operating efficiency.

Citizens identified the need for a splash park in the Town as part of the 2009 Municipal Sustainability Initiative. After researching the feasibility of a stand-alone splash park versus an addition to the Mayerthorpe Aquatic Centre, it became evident that a splash pad addition to the existing Centre was most

feasible. After consultation with the Mayerthorpe & Area Aquatic & Recreation Society, Council approved the Splash Pad Addition Project to proceed in 2017.

The Town issued a Request for Proposal with a closing date of April 24, 2017. On May 8, 2017 Council awarded the Project to PlayQuest Recreation in the amount of \$71,500.00 excluding GST.

85TH ANNIVERSARY CELEBRATION

Submitted by Pastor Rick | Onoway Baptist Church

Plans are underway and the date set for Onoway Baptist Church's 85th Anniversary to be held on Saturday, August 26 at the Onoway Community Hall. The Anniversary Celebration will be marked by an evening banquet, guest speaker (Pastor Adam Wiebe from Saskatoon, former OBC youth pastor), a group photo, and plenty of friends to visit with and memorabilia to look at. The meal is a catered event so an RSVP and tickets are required. Tickets are \$25 per adult, \$10 for children 6-12; age 5 and under are free. To make your reservation you

can contact Marlene at (780) 886-6631.

On Sunday, August 27, 1933 the first service was held in the newly built church building where members of the Onoway Baptist Church still gather. The original 26' X 40' structure had been started in April with the digging of a full basement using only man and horse power! Also, most of the lumber used in the construction, and the labor to build it were all donated by the members of the church. After many hot summer hours of volunteer labor balanced with the time needed to manage their farms, the building was completed and ready to use. This was a good thing considering

the harvest season that was just ahead of them.

On Sunday, August 27 of this year, Onoway Baptist will gather again for a different recognition. Instead of a first service for a new building, it will be a farewell service for Pastor Rick and Glenda Foster. After 26 ½ years of ministry to our church and community, they are stepping away from the pastoral role they were called to over a quarter of a century ago. This service will also be held in the Community Hall at 10 a.m. and will involve other pastors and members of our community.

JOKE OF THE WEEK

Three Texas cowboys went to a steakhouse to eat. Each was trying to impress the others. The first man ordered his steak "rare -- red rare."

The second said, "Just pass mine through the flames and singe it a little. I want to see blood dripping out of it."

Not to be outdone, the third man said, "Aw, just turn the bull loose and I'll tear off a hunk as he goes by."

PASTURE WALK AND TALK - FROM UPLANDS TO LOWLANDS A FIELD DAY WITH COWS AND FISH

Submitted by Lorraine Taylor | Horticulturist | Lac Ste. Anne County

Now is a good time for landowners to walk their property and evaluate their management practices. On Wednesday, June 28th Riparian Specialists Norine Ambrose and Jennifer Caudron are bringing their expertise in the assessment and management of that vital green zone of plants that protects our creeks, rivers,

and lakes. Cows and Fish works with landowners to foster a better understanding of how improvements in grazing and other management of riparian areas can enhance landscape health and productivity. While this field day has a focus on livestock producers, anyone with an interest in how riparian areas function are welcome to attend. The day includes a mix of indoor conversation and hands-on

assessment in the field. Learn to identify common riparian plants, tune your eyes to what “health” looks like in a riparian area, see how nest boxes and wildlife friendly fences can enhance habitat, and take home ideas for management strategies that will work on your land. Through Lac Ste. Anne County’s ALUS program, agricultural producers may be eligible for funding to implement conservation projects, this field day is an excel-

lent opportunity to start thinking about project potential. The field day runs from 11am to 4pm. The \$10.00 registration fee includes lunch and everyone takes home a copy of the plant identification book Northern Range Plants. Please contact Lorraine Taylor, Conservation Coordinator with Lac Ste. Anne County at 1-866-880-5722 or by email LTaylor@LSAC.ca to pre-register by June 26.

SUMMER VILLAGE OF ROSS HAVEN JOINS THE ONOWAY REGIONAL FIRE SERVICE PROTECTION DISTRICT

Submitted by David Ives, Fire Chief | Onoway Regional Fire Service

It is with an abundance of pride

and excitement that Onoway Regional Fire Services – Canada’s first Hybrid Fire Service announces the addition of its tenth municipality within its protection area – The

Summer Village of Ross Haven.

Residents and guests of Ross Haven will have the comfort of knowing they are being protected 24-7 / 365-days per year by the dedicated

fulltime, part-time, and paid-on-call members of Onoway Regional Fire Services operating from composite (fulltime and casual firefighters) stations in Alberta Beach and Onoway. As a member community, Ross Haven will enjoy stable response levels, upgraded medical co-response qualifications, and rapid chute times (units rolling within 2-minutes).

Onoway Regional Fire Service provides enriched emergency response to Alberta Beach, Castle Island, Nakamun Park, Onoway, Ross Haven, Silver Sands, Sunset Point, South View, Val Quinton, & Yellowstone. Unfortunately, neighbouring areas – even when close by, are NOT protected by Onoway Regional Fire Services as a primary responder. This in accordance to Lac Ste Anne County’s refusal to agree to automatic aid. Property owners living within 13-KM of Onoway or Alberta Beach are urged to confirm their insurance providers are aware of the distance from their primary fire station.

For more information, please contact Fire Chief Ives at davidives.nwfr@gmail.com

ONOWAY GOLDEN AGE CLUB NEWS

Submitted by M.L. Hansen | Onoway Golden Age Club

Lots of activities at Golden Club these days. We have some good news to share.

Golden Club applied for and received the EQUS "Operation Round Up" grant. Funds for this program are "generated by members who opt to "round up" their electricity bill to the next highest dollar" This is used to fund rural-based projects and events that positively impact youth and seniors within EQUS service area. Corinne Cerny from EQUS presented the cheque to us.

Golden Club members have worked in the foods classes at Onoway Jr Sr High. We did classes making bread with senior high. Later the seniors made perogies & cabbage rolls. We made easy desserts with junior high class and then are sharing with students how to make jam. These have led to great interaction between seniors and youth. Classes from the Onoway Elementary have visited us at our centre for a social afternoon. Some made muffins and smoothies, some enjoyed playing various games of cards. Students wrote letters telling us what a great time they had and how they want

to come back again. We have many more projects planned.

Mrs. Ruth Schultz recited some of her poems for the OHS Drama class,

she will entertain the OES class with her poems and stories. Mrs. Schultz went to school in the Onoway brick school in 1929.

On Friday, I asked a question of the Minister of Environment and Climate Change regarding the mountain pine beetle in Jasper National Park. I also asked a question in debate on Bill C-49 regarding trains blocking crossings in small communities. You can find my question and the Minister's response on the corresponding day's Debates Hansard at: www.ourcommons.ca

This week, the Standing Committee on Environment and Sustainable Development (ENVI), for which I am Vice Chair, released a report entitled, "A Review of The Canadian Environmental Protection Act, 1999." I presented a dissenting report to the House to express the Conservative Party's opposition to the report's recommendations due to a focus on ideology rather than evidence presented to the committee. To find a copy of the report and for more information on these meetings, visit: www.ourcommons.ca/Committees/en/ENVI

This week, I attended six meetings and four events. I will remain in Ottawa over the week-end as the House will continue to sit next week.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool | Onoway Legion

Monday June 19, 2017

It is hard to believe how many volunteers helped this weekend with the TransAlta Navy Rum Ribs on June 9th and again at the Heritage Days Hamburger and Hotdog Concession on June 10th. Huge thanks go to Bob C., Lorne O., Jay K., Marcelle J. and Cheryl W. for preparing and serving a wonderful Friday Night Supper. Special thanks go to the TransAlta volunteers Cheryl McNeil, Kristen Barros, Tyson Barros, Dee Hobbs and Wayne Hobbs as well to Harvey P., Larry V., Cheryl S. and Val O'T for their time and help doing prep and/or cleanup. Bartender Louise B. was aided by her granddaughter Shiralee Stene behind the counter and Jarrod worked out on the floor helping with cleanup. Supper was sold out early and although many customers were on the waiting list unfortunately we could not seat everyone. Just a reminder that you do not have to reserve your plate but with the corporate meals early reservations are strongly recommended. One of our regular patrons Kathy Ertman won the free meal voucher, Wayne Willis (from the Morinville Legion) won the generous meat package and first time customer Bobbi Dingwall took home the 50/50 draw.

Submitted by Bob Clark: "Unfortunately due to the popularity of the TransAlta sponsored Navy Rum Rib Meal we had to turn away 40 to 50 patrons. Corporate sponsorship is very important to our Branch and has allowed us to complete Phase I (New Automatic Doors) and we are now preparing for Phase II (Handi-cap Ramp, platforms and stairs). TransAlta has supported our goals for the past 4 years and has continually set a record for the best attendance of any meal throughout the year. Thank you to TransAlta and all those volunteers who gave their precious time to ensure the Heritage Days weekend was such a success."

Heritage Days brought in many hungry diners for lunch and once again volunteers Bob C., Mary R., Cheryl W. and Scott Sadler cooked the hamburgers, hotdogs, fries and poutine for close to two hundred customers. Thank goodness for Lorna B., who showed up to visit, and stayed to help with the orders! Bartenders Louise B. and Lisa J. made sure everyone's refreshments were well looked after.

On Sunday June 11th the Legion catered to a private party and Bob C., Lorne O. and Mei-

la S. made sure the meal was very successful. As you can see, many names are recurring and if you would like to volunteer at the Legion you would be very welcome and needed.

TEENAGERS AND GOLDEN-AGERS, PART 2

Submitted by Wanda Pederson | Onoway Junior Senior High School

Golden Age Club returned to Onoway Junior Senior High School. During their first visit earlier in the spring, arranged and organized by retired teacher Lou Hansen, it

was to demonstrate to Food Studies students how to bake bread.

And, what tastes delicious with bread? Jam, of course. The return visit of the Golden Age Club members was to show high school students in Food Studies how to make berry jam. Mabel Truckey, Flora Weiss, Bernice Henry and, of course, Lou Hansen showed the students how to make berry jam and how to properly preserve it in sterilized jars. In the afternoon senior high food class, June Schneider and Lorna Redlick demonstrated jam making and preserving to students. Each student, after mastering jam making and preserving, was able to take a small jar of home-made jam home.

The next cooking adventure will be on June 7th when Audrey Shewchuk will show students how to make perogies from scratch, and then June 14th when Elsie Hook and Mabel Truckey will demonstrate how to make cabbage rolls. As well, on June 8th, Ruth Schultz – aged 95 – will attend Mr. Frederick’s Block 1 drama class to recite several pieces of poetry that she memorized as a young school girl. OJSH students are certainly enjoying the expertise of our senior citizens!

Mrs. Hansen was instrumental in developing this program that brings teenagers together with our senior citizens. She applied for and obtained a \$2500 grant from Equis to defray expenses that the seniors may incur.

TEMPORARY CLOSURE OF DAHL DRIVE ON JUNE 20 & 21

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

Dahl Drive will be closed to traffic from 4:00 a.m. to 7:00 a.m. (weather permitting) between 41 Avenue and 49 Avenue on Tuesday, June 20 and Wednesday, June 21 so that the Whitecourt Public Works crew can complete road repairs. Repairs may be finished prior to 7:00 a.m. and Dahl Drive will be re-opened to traffic as soon as work is complete.

Motorists are asked to use 51 Street to enter and exit the downtown area. 49 Avenue will be open to traffic and available as a detour route in the valley area.

The Public Works crew is taking all necessary steps to ensure the safety of the worksite, and the patience and cooperation of motorists and residents is appreciated.

For more information contact the Town Office at 780-778-2273.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
