FARMERS DAY TRACTOR PULL

Submitted by Carol Saunders

Hi folks, another season has come again for the tractor pulls. Ol' Pembina Tractor Pull Society had their first pull on June 10th and 11th, 2017 at the tract in Sangudo. Saturday morning was another wet one and lots of mud on the tract. The guys got busy and bladed the mud off, going back and forth, also the tractor was pulling the float. Shortly after that the sun came out and the wind was blowing quite strong and the tract was ready to

go. There were about 40 tractors which wasn't as many as usually come, but the weather was a big factor, and the guys had a good pull.

The feature tractor this year was owned by Hal Lougheed of Sherwood Park, AB.

"I purchased the Oliver 550 tractor in the USA in 1960. Both myself and my son Dave own the tractor. I went with my truck and trailer to Ontario. On the way I picked up my older brother Bill at Dundalk, Ontario. He was retired and also a Oliver collector. This was a three day drive,

we spent a few days looking at some used 550 tractors that were in fairly rough condition!! Not wanting one with a lot of repairs required I contacted an ad on the Yesterday's Tractor website in the USA. It was approximately a 500km drive. The tractor looked in good condition, even the sheet metal looked good. It just required new paint and tires.

The tractor was used as a one row corn picker and had low hours on it. The deal was completed with a farmer in the USA.

STAY SAFE IN SUMMER WEATHER

Submitted by Alberta Health Services

July is a month made for BBQs, outdoor sports, and relaxing on the deck. It's a time where most Albertans spend as many hours as possible outside enjoying the

warm weather. As temperatures soar, it is important to keep a few things in mind as you head outdoors.

Though most people can handle moderate summer weather without issue, even healthy Albertans need to keep heat safety in mind

during warmer months. When temperatures are high, make sure to take frequent breaks from the heat, spending some time indoors at home, or in a cooled public building— like a mall or indoor pool. Ensure that sunscreen of at least SPF 30 is applied 20 minutes

before heading outdoors (be sure the product blocks both UVA and UVB rays), and reapply frequently. Rescheduling outdoor activities to cooler hours of the day is also smart way to beat the heat.

When spending time outdoors, what you wear makes a big difference in keeping your body cool. If you know you will be out in the heat, light colored clothing is suggested. A wide-brimmed hat and sunglasses (with a UVA/UVB CSA- certified seal) along with long sleeves and pants can help protect you from the sun's rays. A water bottle is a much needed accessory with any summer outfit— make sure to drink plenty of water and other non-alcoholic, non-caffeinated beverages to stay hydrated.

Albertans are also urged to keep an eye out for heat warnings issued by Environment Canada. The warnings are posted online at http://weather.gc.ca/warnings/index_e.html?prov=ab to keep residents informed and prepared during periods of extreme heat.

Visit www.ahs.ca/heat for more information on heat safety.

Once again this summer the Alberta Beach Library is hosting a free summer program for kids aged 5 and older on Wednesdays at 11:00 am. The theme this year is, what else, Canada 150! Each week we'll have stories, games, and crafts centred around Canada and Canada 150. Drop-ins are welcome. Younger kids can attend but a parent/caregiver must stay to supervise and help.

| | | | |
|---------|-----------------|----------|----------------------------|
| July 5 | Canada, Eh? | July 26 | Across Canada |
| July 12 | Dig It Up | August 2 | Mountie Time |
| July 19 | Moose and Geese | August 9 | Let's Party Olympic Style! |

Check our website www.albertabeachlibrary.ca or facebook (alberta beach municipal) for more information. You can also e-mail us at abllibrary@yrl.ab.ca or call 780-924-3491.

Did you know that library memberships are only \$15 for a year for the entire family. We have dvds, books, magazines, electronic resources (e-books, e-audiobooks, e-magazines, e-movies), and more. And, you can use our card at any library in the province. That's a lot of value in one little card!

ONOWAY GOLDEN AGE CLUB NEWS

Submitted by Onoway Golden Age Club

June 4 – 11, 2017 was Senior’s Week in Alberta. Each year we plan a banquet for our June Supper. This year’s banquet was held June 6 at the Onoway Community Hall. “Grandma B” catering from Calahoo prepared an excellent supper.

This year we honored our 90 and over friends, the included: Ethel Huzley, Marj Maughn, Flora Weise, Ruth Schultz, Irene Stephenson, Emma Larison, Peter Bently. Each was given a rose and a special table set for them. Unable to attend were: Marie Calder, Sid Townsend and Morris Osland. We phoned and invited many seniors, 88 were able to attend!

Chairperson Lou Hansen welcomed the guests. Elsie Hook read some comical quotes about seniors.

Ruth Schultz said the blessing. We all sat down and enjoyed our meal and lots of visiting.

Calahoo Meats donated a Summer BBQ Package valued at \$80.00. This was raffled off! We had our oldest member Flora Weiss draw for the ticket and would you believe it, she drew her own name! She was very happy. Thanks Calahoo Meats!

We asked for and received a grant from FCSS which helps defray some of the cost involved for the banquet. Thank you Lac Ste Ann County.

Our summer program will be a drop in social afternoon on Tuesday. Everyone Welcome. Bring something for a light lunch.

We have installed horse pits at the drop-in centre. Please feel free to stop by Monday Afternoon at 1pm. There will be a BBQ July 4 at 5:00pm. Bring a salad or a dessert.

Have a good summer!

Farmers Day Tractor Pull

Continued From Page 1

The farmers yard was very muddy after an all night rain. There was no water available to wash the machine and tires. Since it was late in the afternoon we loaded the tractor as it was and drove back to the Ontario border. At customs they would

not let us cross into Ontario until we went back into the USA to find a car wash to clean all the Michigan mud and make sure not to take any into Ontario. At this time there was some kind of a virus in the mud and it has to be all washed before entering Canada. It was getting late so we stayed in a nice hotel. We en-

joyed some entertainment there and had some fun. The next day we returned to my brother Bill's home in Ontario and had a visit with the family.

This tractor was well worth the time and money spent. It has been one of the Best Oliver 550's in our collection. My son Dave claimed this tractor and

does well at the tractor pulls with it.

I still have three 550's in Ontario to bring to Alberta, included one I had purchased in 1959 when I lived on a small farm there. I enjoy the tractor pulls and have been retired now for a few years. I also like to keep busy on our acreage."

- Here are the lucky winners:
- Drivers Draw for Day 1:
- 1st – Don Daunders
 - 2nd – Jim Carter
 - 3rd – Anna Harapchuk
 - 4th – Daniel McGinn
- Drivers Draw for Day 2:
- 1st – George Suntjens
 - 2nd – Bob McKell
 - 3rd – Ken Wood
 - 4th – John Hutt
- The usual 6 classes pulled plus the Bantam and the Demo which has 2 pick-ups pull.
- The winners are:
- Bantam:
- 1st – Hal Lougheed
 - 2nd – Terry Dietrich
 - 3rd – George Frieser
- Class 1:
- 1st – Bob McKell
 - 2nd – Jim Carter
 - 3rd – Ron Barker

PARLIAMENT UPDATE – WEEK OF JUNE 19, 2017

Submitted by Jim Eglinski, MP – Yellowhead

Before the House adjourned for the summer, several government bills were pushed through to the Senate. The Liberals also made unilateral changes to the Standing Orders that restrict the rights of Opposition parties.

The following was debated:

- Bill C-17 – An Act to amend the Yukon Environmental and Socio-economic Assessment Act and to make a consequential amendment to another

act (Second Reading)

- Bill C-23 – Preclearance Act, 2016 (Third Reading)
- Bill C-36 – An Act to amend the Statistics Act (Third Reading)
- Bill C-309 – An Act to establish Gender Equality Week (Third Reading)
- Bill C-344 – An Act to amend the Department of Public Works and Government Services Act (community benefit) (Second Reading)
- Bill S-3 – An Act to amend the Indian Act (elimina-

tion of sex-based inequities in registration) (Third Reading)

- Bill S-232 – An Act respecting Canadian Jewish Heritage Month (Second Reading)
 - Government Motion No. 18 – Changes to the Standing Orders
- This week in the Standing Committee on Environment and Sustainable Development, we heard the Spring 2016 Reports of the Commissioner of the Environment and Sustainable Development. For more infor-

mation on committee meetings, visit: www.ourcommons.ca/Committees/en/ENVI

Throughout the week, I attended four meetings and one event, as well as recorded a radio message. As the House has adjourned until the fall, my summer updates on my time in the riding will be sent on a monthly basis towards the end of each month. If you see me around the riding this summer, please say hi!

Farmers Day Tractor Pull

Continued From Page 6

We held a silent auction again this year, with quite a selection of items. The bidding goes from 11 o'clock to 3 o'clock in the afternoon and bidding gets quite busy as 3 o'clock rolls around.

Tamara Hall did the concession again this year with her homemade pies, hamburgers, hot dogs and other goodies – which were very delicious. A job well done by Tamara and her son Gideon.

The tractors and sled was set up for the kids this year and they seemed to have a good time on who could out pull the other.

The club provided a supper for the drivers, volunteers and anyone else who helped in anyways to make our pull a success. A big THANK YOU To MaryJane Sunjtens who cooked the meal and anyone else who helped her. As usual the supper was very good!

The announcer for our pull this year was Dave Hillman who hails from the Sylvan Lake area. He is an announcer at many tractor pulls in Alberta and does a very good job.

Hope to see you all at our next pull on August 26th and 27th, 2017.

JULY NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

Submitted by Regan Macdonald, Library Programmer and Communication Coordinator | Rich Valley Public Library

Rich Valley Public Library is excited to be open on Fridays from 9 am-12 pm. Our hours are Tuesday from 5-8 pm. Wednesday from 10 am-2:30 pm. Thursday from 2-6:30 pm and now Friday now from 9 am-12 pm.

We are so proud of the 15 kids

who read more than 40 books to finish their BINGO Card and was invited to the pizza party. It was an enormous success. We also held a contest to see who could read the most books after they finished their BINGO Cards. The top 5 contenders won a prize. Congratulations to Sydney Fitzgerald who read an extra 90 books. The Mrs. Fitzgerald's READ IT BINGO! will begin again on July 5, 2017.

This month we are offering the

following programs:

The Summer Reading Club is designed to encourage children to explore ideas, enjoy reading, have fun and maintain literacy skills throughout the summer holidays. Summer Reading Club begins on Wednesday July 5, 2017 and the theme this year is Canada. Let's celebrate Canada's 150th Birthday together as we hold weekly challenges, crafts and of course stories and reading. Each week we will "travel

Canada" with a different theme. This is a free program available to children from 2-12 years old.

The Summer Reading Club will be held every Wednesday and we will be dividing the ages up this year. Children ages 2-4 will run from 10:00-10:30 am. Children ages 5-8 will run from 10:30-11:30 am. Children ages 9-12 will be from 11:30 am-12:30 pm.

The Summer Reading Club is a free program, so you can join us any week you want. Registration is not necessary but if you know you are participating please stop by the Rich Valley Public Library or contact us so we have enough prizes.

This summer Teen Club is back by popular demand. Teen Club is every Tuesday from 7-9 pm and the start date is July 4, 2017. Anyone 12 and up is welcome.

Movie Night at Rich Valley Public Library. On Thursday, July 13th, 2017 the Rich Valley Public Library will be showing "Smurfs: The Lost Village" (Rated G). Doors open at 2:00 pm and the movie will start at 3:00 pm in the Yellow Room. Admission is free. Popcorn, licorice, pop and water will be available for sale at cost. Please feel free to bring pillows or blankets to sit on.

The library will be collecting Mason Jars. If you have any old mason jars you wish to dispose of or recycle for a worthwhile cause, you can drop them off at the library. Thank you for your assistance!

Thank you to all the parents and children who attended Story Time this year! We look forward to seeing everyone again this fall when Story Time resumes in September.

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR LAKE ISLE

Submitted by Alberta Health Services

EDMONTON – A blue-green algae (cyanobacteria) bloom has been identified in areas of Lake Isle. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Lake Isle, at any time. Boiling of this water will not remove the toxins produced by blue-green algae (cyanobacteria). An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae (cyanobacteria) is naturally occurring, and often become visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae (cyanobacteria) can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae (cyanobacteria), or who ingest water containing blue-green algae (cyanobacteria), may experience skin irritation, rash, sore

throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Lake

Isle, until further notice.

Please note that areas of Lake Isle in which the blue-green algae (cyanobacteria) bloom is NOT visible can still be used for recreational purposes, even while this Blue-green Algae (Cyanobacteria) Advisory is in place.

If you suspect a problem related to blue-green algae (cyanobacteria), or if you require further information on health concerns and blue-green algae (cyanobac-

teria), please call Health Link at 811. Additional information is also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

GOLFER'S GUIDE

FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

Choose the right clubs: Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs

best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like walking around in shoes that are the wrong size.

Get on the ball: Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-

piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on the green and stop. More skillful players should use these.

Consider the elements: Weather is always a factor in golf and dealing with it must always be considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

ty: Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus more on your short game than your drive and you will improve.

Play the 19th hole: Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

GOLFER'S GUIDE

DRIVE HOME A WINNING GOLF TOURNAMENT

(NC) The arrival of warmer weather has many Canadians dreaming of the hitting the local golf course. It is also the time that many companies, organizations, charities and other groups start planning their golf tournaments.

Hosting a golf tournament is a great way to entertain customers, thank employees or raise funds for your group. While there are many details to arrange, organizing such an event doesn't have to be distressing.

Experts recommend that you cover the basics first. Picking the right date and a course that is suitable for your group is the first priority. The earlier you do this the better as you will get a wider selection of dates and courses.

Ensuring your guests are well

fed and hydrated out on the course should be another priority. In the heat of summer, a good supply food and non-alcoholic beverages will ensure your participants enjoy a healthy and safe round.

What about prizes? The excitement of winning something is always a big draw, so hit up local businesses, suppliers, business partners and friends for prize donations.

To take your tournament to the next level, you could offer hole-in-one prizes such as a car, boat, trips or cash. "Adding big prizes to your golf tournament doesn't have to be an expensive or worrisome endeavour," says Andrea Martin, Senior Underwriting Manager, Wayfarer Insurance. "You can get insurance coverage that will pay for the prize in the event that a golfer hits an

ace."

One of the biggest tips is speak to the professionals at the golf course where you book your tournament. Often courses will have staff to as-

sist you, or at least literature that will help you plan a successful event.

ZION UNITED CHURCH NEWS

Submitted by Betty Milne

Summer has arrived and with it comes the beauty we enjoy as well as the need to mow, weed and generally maintain the beauty of our yards. The garden at Zion is looking good for those who planted there, and with heat and rain we will all have a bountiful fruit supply this year. And

of course the flowers are so colorful now.

We are having a recess for July and will resume services on Aug. 6th. Should you require Pastoral Care call 780-892-2071.

May you all have a blessed summer and we keep in our prayers those who are facing health issues and difficult times.

JOKE OF THE WEEK

A tour bus driver is driving with a bus load of seniors down a highway when he is tapped on his shoulder by a little old lady. She offers him a handful of peanuts, which he gratefully munches up. After about 15 minutes, she taps him on his shoulder again and she hands him another handful of peanuts. She repeats this gesture about five more times. When she is about to hand him another batch again he asks the little old lady, 'Why don't you eat the peanuts yourself?' 'We can't chew them because we've no teeth', she replied. The puzzled driver asks, 'Why do you buy them then?' The old lady replied, 'We just love the chocolate around them.'

JULY 8TH AUCTION

SUPERB COLLECTION OF REBUILT PIONEER TRACTORS FOR: CECIL AND BEV RHESE (780-785-2830)

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool | Onoway Royal Canadian Legion

Monday June 26, 2017

At the June 17th Executive Meeting a decision was made to hold a brief Special General Meeting on July 4th at 7:00 pm to deal with the approval of the front entrance handi-cap ramp as well as upgrades and relocation of the Cenotaph. As this is a money matter all members are requested to attend this meeting to vote on these time sensitive issues.

Respectfully Submitted by Ted Latimer, Onoway Branch Poppy CoChairman: **BIG WINNER AT ONOWAY ELEMENTARY!** Each fall the Onoway Legion attends the following local schools: Alexis, Grasmere, Onoway Elementary, Onoway Jr/Sr. High and Rich Valley. At this visit the students are invited to enter the Legion Literary and Poster Competition. Their entries may be either an Essay, a Poem or a Poster. The Poster can be done in Black and White or Colour. There are four categories which are Primary Grades (One to Three), Junior Grades (Four to Six), Intermediate Grades (Seven to Nine) and Senior Grades (Ten to Twelve). All of the entries must have a Remembrance Day Theme. The students then submit their entries to the Onoway Branch where they are judged with the top two entries moving on to the next level, which is District. There are about Fifteen Branches in the District meaning approximately thirty entries. The top two from the District progress on to the Alberta Provincial Level, which has eighteen entries. Then on to the top Dominion level, which is all of Canada, with Twenty entries. From these Twenty entries the top Two are selected as the best for all of Canada. As you can see that competition is tough and for a student to be selected as one of the top Two at the Dominion level is a real achievement. This year the Onoway Legion is pleased to announce that a Grade Six Student (Kaylie Seinen) from the Onoway Elementary School was the Winner at the Dominion level with her Junior Essay. The Onoway Legion would like to congratulate Kaylie for her big win. All of the Legion Members are pleased with her success. The Legion would also like to thank all of the students from the five local schools for all their entries. Also to the teachers and parents for their support of this competition.

Submitted by Carol Villneff: Fun

was had by all at the June 17th Onoway Legion Medieval Dinner. The food was tasty, fortunes were told and games were enjoyed by the participants but more so by the observers. There were many costumes along with our Lord and Lady, Scott and Cheryl Sadler. The winners of our games were: Javelin Throw – Brian Adams; Horseshoes – Brian Adams and Zita Casas; Sword Fighting – Sandra Possnett and Jousting – Randy Wenckowski. None of this would have been accomplished without the fantastic volunteers of the Onoway Legion. A big thank you to Bob Clark, Louise Bambrick, Lindy McCool, Ron Watson, Lisa

Johnson, Joanne Gorman, Glo Jahelka, Pat St. Hilaire and Larry Villneff. Thank you.

Bob C., Ron W., Mary R. and Marcelle J. prepared the delicious Chicken Tournedos on Friday, June 16th for a small but appreciative crowd. Thank you to Marshal P. and Harvey P. for their great job of clearing and cleaning the tables after supper. Congratulations to free meal voucher winner Laura Myers, meat draw winner Lorinda McCool and 50/50 winner double lucky Laura Myers.

UPCOMING EVENTS:

June 27 - Pub and Games Night
 June 30 - Hamburger / Hot Dog Night by Scott Sadler

July 4 - Special General Meeting – All members please attend if possible

July 7 - Friday Night Supper

July 11 - Pub and Games Night

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals; Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen; Cheryl Sadler @ 780-967-4146 for membership; Neil Gorman @ 780-960-4160 for sports and Lorinda McCool @ 780-907-1744 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

CARIBOU CONSULTATION

Submitted by MLA Oneil Carlier | Whitecourt-Ste. Anne Constituency

Woodland caribou are an iconic Canadian species, a key part of Alberta's boreal forests.

In parts of Alberta, those caribou are also in trouble. That's why our government is developing range plans to protect vulnerable herds. And as we move forward, we want all Albertans to understand what we're doing and why.

Alberta's caribou populations are in decline. Under federal law, they're officially a threatened spe-

cies. Under the same law, Alberta is legally required to create and submit a management plan by October 2017. Ottawa has made it clear that they expect to see plans to save caribou herds.

In 2015, knowing the hard work that was coming, the Alberta government began working on some of the most challenging aspects of caribou planning soon. Last year, Alberta released a draft range plan for A La Peche and Little Smoky, two of the most severely impacted ranges. We will continue to work with industry on a plan to remove seismic lines, and with other stake-

holders to build a framework that makes sense for that region.

Our ultimate goal is to protect local jobs and to create economic certainty while helping caribou herds recover. It won't be easy. It will take a lot of work to get it right. But we've got to start.

We started with the two caribou herds in the Whitecourt region - A La Peche and Little Smoky - but have expanded consultations on the rest of the province.

This week, the province has launched an online survey - available at talkaep.alberta.ca/caribou - as part of our efforts to build a first

draft of our range planning process. It's important we start off by talking to all Albertans, particularly those most affected by range planning.

In addition to the public survey, the Government of Alberta is also conducting targeted engagement with municipalities, Indigenous communities, industry and other stakeholders. Many of these conversations are already underway. They will continue in coming months.

At the end of the day, Alberta's Caribou range plans will be about choices. By not tackling this head on, we let Ottawa decide our fate. We run the risk of a federal protection order that would hurt local economies. And we face the possibility of years in court.

That's why we think action is the right choice. By moving forward with a made-in-Alberta plan, we can provide certainty for our local communities and businesses. Our plan will attempt to strike a balance between critical caribou habitat and northern Alberta's economy, the jobs and investments that invigorate our northern communities.

The federal government's timeline is fixed. Industry stakeholders have told us that a lack of action will force them into layoffs.

It would be irresponsible to ignore federal legal demands. Four years ago, the same law that today demands action on caribou was used to force an emergency protection order for Alberta's sage grouse. A made-in-Ottawa plan on forestry might strangle development and cost Alberta thousands of jobs and billions of dollars in economic spinoffs.

This conversation is only the first opportunity to have your say. Once we have a draft plan, we will make it public. Then we will come back to Albertans again before finalizing the range plans. Once that is finished, we will submit our plans to the federal government. Throughout the process, the survey website will remain the place you can go to get the most up to date information.

Alberta's woodland caribou are an iconic Canadian species. But they are now at a junction. It is our hope that for generations to come, they remain a key part of our boreal forests.

But first we need a plan. And we need your help to get there.

PAVING A BETTER WAY.
