TOMAHAWK PUBLIC LIBRARY CELEBRATES 60 YEARS OF LIBRARY SERVICE

Submitted by Alexandria Daum, Community Services Librarian | Parkland County Libraries

Tomahawk Public Library has been seen no shortage of change over the last six decades – from card catalogues to computers, and dictionary sets to Google. But through it all, the library has been remained a treasured part of the Tomahawk community.

This year marks the 60th anniversary of Tomahawk Public Library, which has evolved over the years to serve the changing needs of the community. On June 20, Tomahawk Library celebrated this milestone with a free BBQ at the Tomahawk Agra, which included hot dogs, birthday cake, door prizes, and a short program.

The program included a presentation by Parkland County Mayor Rod Shaigee, who highlighted the importance of libraries and

presented librarian Chris Goerz with a piece of art to hang in the library to commemorate this special occasion.

RCMP SEEK SUSPECTS IN ATTEMPTED CAMPSITE ROBBERY

Submitted by Drayton Valley RCMP

On June 28, 2017 at approximately 8:00 a.m., Drayton Valley RCMP responded to a report of an attempted robbery with a firearm at the Brazeau Dam Provincial Park Campground. The

victims heard a truck back into their campsite and exited their travel trailer to determine what was happening. Once outside their travel trailer, an unknown male suspect pointed a rifle at the victims while another unknown male attempted to attach their flat deck trailer containing two quads to the truck. A third unknown male remained in the driver seat of the truck. When the suspects were unsuccessful in attaching the trailer to the truck, all suspects got back into the vehicle and sped off.

Tomahawk Public Library Celebrates 60 Years Of Library Service

Continued From Page 1

Parkland County Libraries Manager Kathy Gardiner also presented the library with a commemorative plaque.

2017 also marks 30 years of service for librarian Chris Goerz, who started her career at Tomahawk Library in 1987. She has seen the library through many changes in this time and has always made the library a welcoming place. In recognition of this service, Mrs. Goerz received two pieces of art – one from Parkland County and one from the

Parkland County Library Board.

Tomahawk Library was founded in 1957, and was located in the school, as it still is today. When the library was first founded, it was run by volunteers, before the first paid community librarian was hired, named Jenny Losey.

In 2009, the Parkland County Library Board took over the operations of Tomahawk Library. To this day, Tomahawk Library is part of Parkland County Libraries, which also includes the public libraries at Duffield, Keephills and Entwistle.

Over the past few years, Tom-

ahawk Library has increased the hours of service and introduced new programs that have brought many people to library, such as technology training and yoga. This year, the library launched its library hotspot program, which allows people to borrow a wi-fi hotspot for a week to access the internet at home. Library memberships are free, and includes

access to these programs and more.

The library will continue celebrating its 60th birthday throughout the year. They will be marching in the July 1 Canada Day parade at Tomahawk, and have some exciting birthday events planned for the fall.

For a complete listing of programs and library hours, visit www.pclibraries.ca.

RCMP Seek Suspects in Attempted Campsite Robbery

Continued From Page 1

The three suspects were masked at the time of the attempted robbery and are described as first nation males in their 20's or 30's. The truck used in the incident is described as a white mid 2000's 4-door Ford F350 with a long box, diesel engine, and

tinted side windows. Nothing was successfully stolen during this incident and no victims were injured.

Police believe this incident is related to a Break and Enter in Nordegg, Alberta a few hours earlier.

The Drayton Valley RCMP are asking for any information regarding the identity of the suspects or

the location of the truck used in this event. The suspects are considered armed and dangerous and should not be approached. All appropriate resources have been engaged and the investigation is ongoing.

Drayton Valley RCMP are requesting anyone with information regarding this incident to contact

them at 780-542-4457 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at www. tipsubmit.com, or by SMS (check your local Crime Stoppers www. crimestoppers.ab.ca for instructions).

RAIL SAFETY IMPROVEMENT PROGRAM

Submitted by Jim Eglinski, MP - Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of a call for applications to the Rail Safety Improvement Program (RSIP) through Transport Canada. This program provides grant and contribution funding to improve rail safety and reduce injuries and fatalities related to rail transportation.

Provinces, municipalities and other

local authorities will be able to request funding for projects for 2018-2019. Projects eligible for funding include the installation of flashing lights and bells at railway crossings, the construction of full pedestrian overpasses, and public-education campaigns.

There are two components:

• The Infrastructure, Technology and Research (ITR) Component funds projects that address the immediate rail safety needs of communities. The deadline for the ITR component is

August 1, 2017.

• The Public Education and Awareness (E&A) Component funds public education projects aimed at reducing railway-grade crossing collisions and trespassing incidents on railway property, particularly in high-risk areas. The deadline for the E&A component is September 30, 2017.

Information on the application process can be found at www.tc.gc. ca/eng/rail-safety-improvement-pro-

POVERTY REDUCTION STRATEGY CONSULTATION

Submitted by Jim Eglinski, MP - Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is encouraging residents to participate in a nation-wide consultation process to support the development of Canada's Poverty Reduction Strategy, which will be aimed at reducing poverty and improving the economic well-being

of all Canadians so they have a fair chance to succeed.

In order to support the development of the Strategy, the government launched online and in-person consultations with Canadians to discuss key issues related to poverty. All Canadians are invited to participate in the online consultation, which will run until June 2017. The consultation can be found at: esdc-consultations.

canada.ca/poverty-reduction-strategy

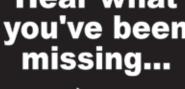

"To address such an issue as complex as poverty, all levels of government, as well as community and notfor-profit organizations, need to work together. By participating, residents of Yellowhead will have the opportunity to have their say on reducing poverty, including discussion forums and online town halls," concluded MP Eglinski.

ALBERTA RCMP AND ALBERTA CITIZENS ON PATROL ASSOCIATION SIGN OFFICIAL PARTNERSHIP

Submitted by RCMP Alberta

The Alberta RCMP has been

proud to support the Alberta Citizens On Patrol Association for numerous years and today Deputy Commissioner Todd She-

an, Commanding Officer of the RCMP in Alberta and Ms. Beverley Salomons, Chair of the Alberta Citizens On Patrol Associa-

tion (ACOPA), signed an official memorandum of understanding (MOU) which outlines the partnership that has been fostered between the two organizations.

Citizens On Patrol is a police supported, community led program aimed at reducing crime in the community through the active participation of citizens in crime prevention and patrol activities. When a crime, or suspicious behaviour, is observed, Citizens On Patrol members will immediately contact their local RCMP detachment.

"Citizens On Patrol members help us see a little farther, hear a little more and ultimately help make our communities safer," said Deputy Commissioner Todd Shean, "While today's MOU signing formalizes our cooperation, it's the countless volunteer hours spent by community-minded citizens that are most vital to this program's continuing success. Thank you for your selfless dedication to serving and protecting your communities."

Apart from patrol activity, Citizens On Patrol may also be involved in crime prevention activities relating to the awareness and prevention of community safety issues.

"Today is a step forward in sealing the relationship between the RCMP and ACOPA" said Beverley Salomons, "And the continued opportunity for citizens in communities to volunteer as extra eyes and ears in keeping their communities safer."

The relationship between Citizens On Patrol and the RCMP is one where both partners have a common goal of a safer community. As with any partnership, all partners must be actively involved in contributing to its success

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Manager | Grand Yellowhead Public School Division

Capital Projects Update

Facility Services provided their regular updates to the Board on two current capital projects in the Division: the modernization project for Grande Cache Community High School (GCCHS) and the new replacement school in Edson, Mary Bergeron Elementary.

GCCHS: Work on the remaining deficiencies is continuing with some being completed over the summer when school is out. The exterior masonry and stone work is nearing completion and the phenolic panels are being installed. The front entrance sidewalk is scheduled to be completed this week. The exterior construction area is being cleaned and the landscaping will be completed as weather permits. Edson: The modular class-

rooms have been installed, all interior block work is completed and painting has started on the east wing and will continue to the west wing. Ceramic tile installation in the washrooms has started and the classroom flooring is scheduled to be installed in early July. Exterior site work has started on the parking lot.

Other News in Brief

• The Board was pleased to approve \$5,000 in funding to the Parkland Composite High School's Envirothon Team in support of their attendance at this year's North American Championship in Maryland. The five student team recently won the provincial competition which advanced them to the next level where they will represent their high school, Grande Yellowhead Public School Division, and Alberta.

- Administration was directed to begin negotiations with other community partners in Edson to seek support for the continuation of the School Resource Officer program piloted in the 2016-17 school year by the local RCMP detachment.
- · As part of the recent provincial negotiations, all school divisions will have access to Classroom Improvement Funding for the 2017-18 school year in support of initiatives to improve the student experience in the classroom. Trustee Stitzenberger, Deputy Superintendent Murray and Assistant Superintendent Shipka will represent the Board on the local Committee with equal representation from the local branch of the Alberta Teachers' Association. The Committee will meet in the fall to distribute funds according to locally established priorities.
- As part of the merging of Evergreen and A.H. Dakin Schools in Edson, the Board approved the use of \$200,000 to cover the move of the current playground equipment from Evergreen School to the Mary Bergeron site. The playground equipment was recently acquired from fundraising efforts by Evergreen School over the last two years with the intention of relocating the items to the new school site once the construction of the school was complete.
- The 2017-18 Annual Communications Plan was approved which outlines the specific strategies and goals to enhance communications with all stakeholders across the division. The complete plan is available on the division's

NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a Public Hearing regarding the proposed adoption of the following Bylaw:

Date: July 11, 2017 Time: 9:30 a.m. Location: County Council Chambers

Proposed Bylaw 2017-14 Municipal Development Plan

Parkland County has completed its new Municipal Development Plan, Bylaw No. 2017-14 to replace the existing Municipal Development Plan Bylaw No. 37-2007. This document will provide future direction for growth within the County in areas including residential development, hamlet development, industrial/commercial development and recreational development. Additionally, it provides policy direction regarding agricultural lands and environmentally significant areas.

Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted to Planning & Development Services by 4:00 p.m. on June 30th, 2017 or submitted at the commencement of the Public Hearing.

Anyone wishing to make a verbal presentation must notify Planning & Development Services by 4:00 p.m. on June 30th, 2017. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes. Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

Copies of Proposed Bylaw

Copies of the proposed Bylaw are available during regular business hours (8:30 a.m. to 4:30 p.m., Monday to Friday) from Planning & Development Services at the County Office in Parkland County. If you have any questions or wish to present a written or verbal submission, please contact Rachelle Trovato, Planner at Planning and Development Services at 780-968-8443, ext. 8321.

Key Messages from GYPSD's Public Board Meeting

website.

- A review of the Third Quarter Financial Report noted that the division is within targeted budget projections for the current year as of May 31st.
- · An overview of the current full day enhanced Early Childhood Services (ECS) program was discussed with trustees including the additional supports and resources planned for the 2017-18 school year to assist student readiness for Grade 1. For 2016-17, focus was on incorporating self-regulation and literacy in the classroom through technology and universal practices. The upcoming year will continue that work along with assessments for early numeracy, improving fine-motor skills and supporting social-emotional growth in our young learners.
- To align with the recently proclaimed Bill 1 and related School Fee Regulations, GYPSD's Administrative Procedure 505 -School Fees was revised to eliminate the inclusion of instructional material fees. Trustees received a schedule of other proposed 2017-18 program and non-program fees from all schools which varied between schools due to costs, programming and budgetary constraints.
- · Earlier this month, Grande Yellowhead submitted proposals to access a provincial Nutritional Health Grant of up to \$141,000 for the 2017-18 school year to provide one meal per day per student in a school (K to Grade 6 only). Both Sheldon Coates and SonRise Christian in Grande Cache do not currently have a nutrition program in their building and were interested in creating one. Due to health regulations requiring modifications to the facilities, most of the funding proposals for both programs targetted sustainable items such as sanitizing dishwashers, sinks, handwashing stations and basic kitchen equipment to ensure the program could continue through other sponsorship as it is unknown if future grants would be available. GYPSD's funding pro-

posal is currently being reviewed by the province and the results should be known before the end of the current school year.

• Fifty people attended the annual Indigenous Teacher Camp held November 23-25, 2016 at the Palisades Centre in Jasper National Park. Grande Yellowhead hosted the Camp where half of the participants were from GYPSD and the balance included staff from areas such as Living Waters Catholic Regional Division, Sturgeon School Division, St. Thomas Aquinas Regional

Catholic Schools, Greater St. Albert Public Schools, Edmonton Public Schools, Wolf Creek School Division, Elk Island Public Schools, Black Gold Regional School Division, Paul Band First Nations, and Alberta Education. The division was also pleased to have an elder from Hinton join the event as well as two members from the Royal Alberta Museum. In May, almost 70 Cree language students from Grande Yellowhead participated in Indigenous Youth Camps which included learning various cultural traditions and basic survival skills. Next year's Indigenous Teacher Camp will be developed for administrators and senior administration to gain knowledge required to meet the Principal Quality Standards and support teachers within their schools. It will be hosted by the Alberta Teachers' Association's 'Walking Together Team' and will include presentations from Fort Mc-Murray principals on how their jurisdiction has set Indigenous students up for success.

www.theflooringstore.ca

Page 10 Community Voice July 4, 2017

YELLOWHEAD COUNTY **COUNCIL HIGHLIGHTS**

Submitted by Stefan Fel-**Communications** sing, Coordinator | Yellowhead County

June 27, 2017

Road Access Deadline Extended - Council granted an extension for the construction of a new road access as part of subdivision/development process at SW 10-55-7-W5. The current access is an old oil-lease approach that does not meet

County standards. The new access will need to be completed by October 15, 2017.

Improvement Charges Contested – A Peers property owner made a request to Council to be re-reimbursed for the local improvement charges for his property that date back to 1982. Under the Municipal Government Act, the improvement charges to the property owner are valid and were not reversed by Council.

Public Golf Course Rezoned -

A second and third reading was held for Bylaw 6.17 that rezoned a property located south of Hwy 16 near Millers Lake from Rural District (RD) to Recreational Use District (RUD). The RUD zoning will allow for a proposed public golf course on the property.

Subdivision Bylaw Passed -A second and third reading was held for Bylaw 7.17 for a property east of Edson (Part of the NW 19-53-16-W5M) that redistricts it from Rural District (RD) to Country Residential District (CDR). The rezoning allows a five-acre subdivision to be separated from the current seventy-acre parcel.

Property Tax Agreement - Yellowhead County has entered into a property tax agreement with Questfire Energy Corporation to collect their 2017 property taxes.

Horse Holding Lease Consolidation - Council approved the consolidation of two 3.1-acre leases in Brule to be joined into a 6.2-acre lease. In terms of size, this puts the combined areas in line with the other horse holding leases in the hamlet. The lease amount will be \$300 per year.

The next Council Meetings is July 25, 2017. The next Committee of the Whole Council Meeting is July 18, 2017. All meetings start at 9:30 a.m. in the

BETTER

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

TOWN OF STONY PLAIN BEGINS DOWNTOWN REDEVELOPMENT

Submitted by Town of Stony Plain

The Town of Stony Plain begins Phase 1 of its Downtown Redevelopment project this summer. The four-year project will enhance the downtown core as a destination for residents, businesses, and visitors by:

- Replacing aging infrastructure
- Enhancing the pedestrian environment
- Establishing bicycle route linkages
- Improving paving and sidewalks
- Developing traffic-calming features
- Enhancing spaces for cultural events
- Integrating new public art

Paul Hanlan, General Manager of Planning and Infrastructure, says, "These necessary improvements to 50th Street's water and sewer infrastructure are part of our ten-year Capital Improvement Plan." Hanlan continues, "From a technical standpoint, these improvements fufill our commitment to supportive infrastructure. Additionally, this exciting project will nurture and preserve downtown Stony Plain, which is an essential part of our community."

Phase 1, to be complete by the end of the 2017 construction season, will reconstruct laneways behind businesses on 50th Street and create cycling routes

KEEPING YOU AND YOUR COMMUNITY INFORMED! through downtown. New oneway laneways will allow for the creation of multi-purpose paths with paved line markings and lighting and improved waste management solutions.

Miles Dibble, Sustainability Planner, says, "The Town's extensive trail network helps residents stay active and reduce their ecological footprint." Dibble continues, "By adding a multi-purpose route through downtown, we hope to further

encourage residents to take steps toward reducing their environmental impact by cycling and walking."

The Downtown Redevelopment project, which is expected to be complete in 2020, will provide long-term growth and prosperity to downtown Stony Plain.

The Town of Stony Plain will work diligently over the next few years to ensure businesses and residents in the area are receiving construction updates. Thus far, an Open House has been held for property and business owners, and Town employees have visited businesses in-person to pass along important information. If you are a business or resident in downtown Stony Plain, and would like to learn more about the project, please visit www.stonyplain.com/DowntownRedevelopment or email DowntownRedevelopment @stonyplain.com.

Stony Plain, AB - On June 20th, 2017 members of the Stony Plain / Spruce Grove / Enoch Drug Section executed a search warrant at a rural property in Parkland County, AB. As a result of the investigation police found 96 grams of methamphetamine, 350 milliliters of gamma- hydroxybutyric acid (GHB), 17.2 grams of cocaine, 5 long guns, 4 high capacity magazines for a shotgun, ammunition, \$2520 in Canadian currency, brass knuckles, a stun gun disguised as a cell phone and drug trafficking paraphernalia.

Philip KRUSHINSKY of Parkland County, AB was arrested and is facing the following charges: possession of methamphetamine for the purpose of trafficking, possession of gamma - hydroxybutyric acid (GHB) for the purpose of trafficking, possession of cocaine for the purpose of trafficking, possession of property obtained by crime (under \$5000), 2 counts of possession of a prohibited weapon, careless storage of a firearm and 8 counts of possession of a weapon while prohibited.

KRUSHINSKY was remanded into custody and his first court appearance is scheduled for June 28th, 2017 at Stony Plain Provincial Court.

GOLFER'S GUIDE

HOW TO MAKE THE MOST OF YOUR DAY ON THE COURSE

(NC) Most great golf games are filled with sun, competition and camaraderie, but you can enhance the experience with a few tips that have less to do with your swing, and a lot to do with your 18-hole enjoyment:

Dress for success: The right golf apparel can be as important as the clubs you carry. Check the weather in advance to make sure you'll be as comfortable as possible during play. Determine if you're dressing to impress or to elevate your game. Light, non-restrictive clothing will allow you to swing freely and keep you comfortable and cool in the heat, or warm if the temperature drops. If you're a guest, always check out the dress code at the club you'll be visiting to ensure you comply with the rules

Choose your company carefully: Your playing partners can have a lot to do with how you play and how you socialize on the golf course. If you're out with friends, you can relax and enjoy the day knowing what to expect. But if it's a game with your boss or clients, always make sure to test the waters. Will they play by

the rules or is it just a relaxed day? Are your clients there to play golf or do business? Understanding the landscape on the first tee will alleviate any awkward moments later on.

Create friendly competition: Sure, there's already a scorecard, but you can add more competitive fun to your game by creating a little friendly rivalry. For example, try a little Bingo Bango Bongo - a points based game that awards a total score based on three kinds of achievement: Bingo – first person on the green gets a point; Bango - the player whose ball is closest to the pin when all balls are on the green gets a point, Bongo -the player who is first to hole out gets a point. Add up the points and the person with the highest total for the round wins.

Walk it off: Make a small 'healthy' tweak to your game by walking vs. taking a cart. When you choose to walk rather than drive 18 holes, you'll cover approximately six kilometres and burn around 1,500 - 2,000 calories. Golfers that ride carts will burn only about 1,100 - 1,300 calories.

Say cheers and enjoy: The 19th hole remains one of the best holes on the course. Cap off a great day by enjoying a light meal or a light beer such as Molson Canadian 67, which is brewed to 67 calories per 341ml bottle and 3% ABV. This crisp, refreshing beer can be paired nicely with a protein boost of chicken or fish.

GUIDE &

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expensive, so beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and

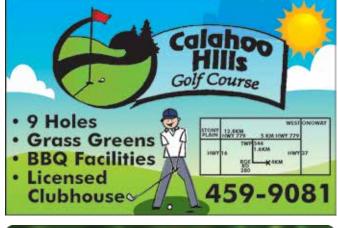

you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get home from

work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game; it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

STAY SAFE AT NO COST WITH BEAR LAKE'S NEW LIFEJACKET LOANER STATION

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

Yellowhead County, in partnership with the Lifesaving Society of Alberta and Northwest Territories, has a new lifejacket loaner station available at Bear Lake. Visitors can borrow lifejackets for no charge, available in various sizes, and return them after to the kiosk. The kiosk also works to educate the public about drowning and water-related injury prevention through Water Smart® materials provided by the Lifesaving Society.

The Lifesaving Society works with communities and organizations to help prevent drowning and water-related injury. This new Bear Lake lifejacket loaner station joins twenty-two others in Alberta and the Northwest Territories.

PARK COURT SCHOOL SIGN/ DEDICATION DAY

Submitted by Beverley Tuftin-Poeter, Organizer

On June 1, 2017 a wonderful afternoon was spent at the original school site of the Park Court School which opened in 1914. This school operated until a larger building was needed. The school was then dismantled and a larger one built on same site

and opened in 1942. It remained in use until 1952 when students were transported to Evansburg. A school sign was erected with an original teacher, Marion (Allan) Fausak and many former students present.

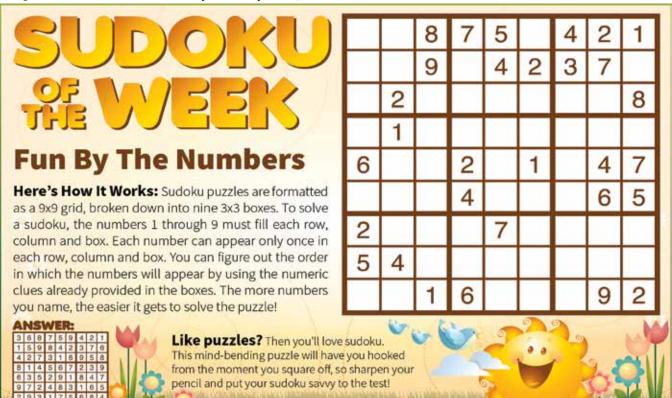

A short program and coffee and cake were then shared at the Park Court Hall. A special thank you to Jenny Seibel, Heri-

tage Coordinator for Yellowhead County for all her help getting the sign and the days festivities to fruition. A huge thank you also to Kathy Rosadiuk, from Tipple Park Museum for all the beautiful enhanced old photos of the schools and students. Thank you to Joan Zaporosky, Vice Chair of the Grande Yellowhead

School Division for her opening welcome. Thank you to Edna Greenwood for her generous support.

It was great to see so many former students and families from near and far that took the time to attend and renew friendships and photos.
