NATURE ALBERTA ON LAKE ISLE: SEEKING VOLUNTEERS WITH BOATS

Submitted by Jenna Curtis, Living by Water Program Coordinator | Nature Alberta

Nature Alberta is thrilled to announce that we are bringing the Love Your Lake shoreline assessment and stewardship initiative to Lake Isle this summer through our Living by Water Program. Love Your Lake is Canada's most comprehensive shoreline assessment and stewardship education initiative available to lake communities. It provides entire lakes with property-specific shoreline stewardship information and voluntary recommendations for improved lake health.

The data collected about each

shoreline property will be summarized into shoreline property reports available to each shoreline property owner. Reports will be complete with a photo of the shoreline property. The reports provide friendly information and recommendations for voluntary actions to improve the shoreline and ultimately the lake. Each report is unique to the individual property. Landowner privacy is important to the program – you can access the program's complete Privacy Policy online at LoveYourLake.ca.

Starting in August, you may see trained staff from Nature Alberta in a boat along the shoreline, looking at properties and taking notes.

Unless invited, we will not access your property or inconvenience you at all. We will be taking photos but will not take photos with people in the field of view. We will be more than happy to tell you about the program, answer your questions, or talk with you about shoreline and lake health.

We are still looking for volunteers to drive their boat on Lake Isle! If you are interested in helping out, or would like more information on the Love Your Lake program being delivered in Alberta, contact our team at 780-427-8124, email lbw@naturealberta.ca or visit naturealberta.ca/programs/living-by-water/.

HAVE YOUR SAY ON CANNABIS LEGALIZATION

Submitted by Veronica Jubinville, Press Secretary, Justice and Solicitor General | Government of Alberta

Albertans are invited to participate in an online survey to provide feedback on how the province will adapt to cannabis legalization.

The survey, along with a series of stakeholder engagements, will help guide how Alberta will adapt to proposed federal legislation that would legalize cannabis by July 2018. Albertans are asked to visit alberta.ca/cannabis to learn more about cannabis legalization and participate in the survey, which will run until July 31, 2017.

"I encourage everyone to share

their views on this issue as we develop a Cannabis Framework that works for our province. Feedback from Albertans is an important part of the process. Our priorities are to keep profits away from criminals, keep cannabis out of the hands of children and protect Alberta's roads and workplaces."

Kathleen Ganley, Minister of Justice and Solicitor General

In April, the federal government tabled proposed legislation which would legalize, regulate and restrict access to cannabis. The Government of Alberta has committed to engaging with Albertans. The online survey is designed to gather input on:

- Alberta's cannabis goals
- purchasing cannabis

- using cannabis in public
- setting the legal age
- protecting roads and workplaces
- economic implications and opportunities

The government will also be conducting stakeholder roundtable meetings, sector-specific meetings and surveys at public events across Alberta.

Once the public and stakeholder engagement is complete, the input will be used to help form a Cannabis Framework, which will outline proposed next steps for Alberta. Albertans will have another opportunity to provide their feedback on the framework and the direction government will take.

SUMMER VILLAGE OF VAL QUENTIN CANTIN PARK GAZEBO GRAND OPENING

Submitted by Marlene Walsh

On Saturday, July 15, 2017 Mayor Bob Lehman, Deputy Mayor Marlene Walsh and Councillor Roger Montpellier, and our amazing volunteers, hosted a Party in the Park to celebrate the completion and grand opening of the Community Gazebo!

Honourable Sarah Hoffman, Deputy Premier and Minister of Health, Honourable Oneil Carlier, MLA, Whitecourt-Ste Anne, Councillor Elwood and Councillor McNair from Alberta Beach were in attendance to celebrate and acknowledge the efforts by our Council and Community to complete the project!

During the past four years, your Val Quentin Council have placed a strong focus on enhancing our public spaces for community enjoyment.

With grant funding, and collaboration with landowners, the County, and assistance of community volunteers, this work including building walking trails, installing benches, bird houses, Bob's Bridge, the Ga-

zebo and new fencing, landscaping and installation of new swings at Cantin Park and Burton Park are now completed!

In recognition of the completion of this work, the Summer Village of Val Quentin was the proud recipient of the 2016 Bulrush Award for Leadership and Community Building at the Association of Summer Villages of Alberta Conference in October 2016. This Association represents all 51 Summer Villages in the Province of Alberta.

We were thrilled to have Chief Ives and the North West Fire Rescue Team showcase their equipment and expertise and provide educational information, as well as the opportunity for a little cool down for those who were brave enough to participate!

A Very Special Thank You to:
 Volunteers:

JOKE OF THE WEEK

A farm boy accidentally overturned his tractor one day. The farmer who lived on the next farm heard the noise and yelled over to the boy. "Hey Joe, don't worry about it. Come in and have something to eat with us. I'll help you get the tractor up later." "That's mighty nice of you," Joe replied, "but I don't think Pa would like me to." "Aw come on boy," the farmer insisted. "Well okay," the boy finally agreed, and added, "but Pa won't like it." After a hearty dinner, Joe thanked the neighbor for his hospitality and said, "I feel much better now, but I know Pa is going to be real upset." "Don't be silly!" the neighbor said with a smile. "By the way, where is he?" Joe said, "Under the tractor."

Thank You!
Message from Jade Garden:

To the Town of Onoway, our loyal patrons, and each staff member that supported Jade Garden, we (Allan & Alisa) would like to say thank-you! Serving Onoway has been our way of life since opening Jade in 1995 and the local support has been tremendous. But after long deliberation and timing of health matters, it is the appropriate time to leave the restaurant business.

Jade Garden will continue to operate, but under new ownership and management effective July 20, 2017. Therefore, please give a warm welcome to the new owner, Winnie Yu. To help with the transition, we will remain on-site from 12PM to 8PM until August 3rd, 2017.

During this time, we invite everyone to drop by as we hope to say farewell to all the friendly faces we've served. As appreciation, we'd like to give away Jade Garden gift certificates to 40 lucky winners. So come meet Winnie, say good-bye, and enter your name for the draw!

Thank-you, Alisa & Allan Ma

HELPING MAKE ENERGY EFFICIENCY ACHIEVABLE

Submitted by Kale Scarff, and Vern Steinborn

The Government of Alberta, through Growing Forward 2 (GF2) a federal, provincial, territorial initiative, offers two incentive-based programs aimed at helping Alberta farmers and ranchers reduce energy consumption and associated costs.

The GF2 On-Farm Energy Management Program (OFEMP) and the GF2 On-Farm Solar Photovoltaic (OFSPV) Program offer farmers and ranchers the opportunity to become energy efficient by sharing the cost to purchase energy efficient or renewable technologies. These initiatives are intended to make energy efficient technology as affordable as current technology, making the environmentally friendly choice also the economically sensible choice.

There are many technologies and practices farmers and ranchers can implement on their operations to reduce their energy footprint and protect (and possibly even increase) profit margins. Carbon emission reduction and energy sustainability can both be practiced while also running an economically sustainable farm.

Eligible projects of OFEMP include:

- Construction projects that install high-efficiency equipment from the

program's Funding List;

- Retrofit projects that improve operation energy usage per unit of production; and

- Installation of sub-metres to monitor on-farm electricity and/or natural gas usage.

Eligible OFSPV systems must be:

- Grid-tied, not off-grid;
- Approved under Alberta's Micro-Generation Legislation;
- Positioned to optimize sunshine and minimize shading;
- Have manufacturer-warranties on: Solar modules, Racking, Inverters and/or Micro-inverters; and

- Producing power that is used in the production of a primary commodity.

The Government has partnered with three grassroots organizations staffed with Energy Outreach Officers whose role is to promote the OFEMP and the OFSPV Program to Alberta communities. Energy Outreach Officers are available to attend community events, talk about energy efficient technologies, answer questions about the OFEMP and OFSPV Program, and explain the benefits of these programs. The Outreach Officers are also more

than happy to meet one-on-one with you to help you find potential energy efficiency solutions for your operation.

If you would like more information on these programs and how you can access funding, you can visit www.growingforward.alberta.ca and subscribe for updates, or contact your regional Energy Outreach Officer.

CONTROLLED DRUGS & SUBSTANCES SEARCH WARRANT EXECUTED

Submitted by St. Albert RCMP

2017-716026

St. Albert, AB – On July 6, 2017, the St. Albert RCMP Drug Unit, St. Albert RCMP General Duty, St. Albert RCMP General Investigation Section, St. Albert RCMP Crime Reduction Unit and RCMP Police Dog Services executed two Controlled Drugs and Substances

(CDSA) search warrants in the sub-divisions of Patterson and Northridge.

Police located and seized a number of Controlled Substances in various forms and other items indicative of drug trafficking. Samples of the various drugs seized have been sent to Health Canada for analysis.

- Items seized by police include:
- Quantities of white powder

talling over 3 ounces (preliminary tests are positive for Cocaine with the presence of Opiate - Fentanyl and Heroine additives).

- 115 round pink tablets (preliminary tests are positive for the presence of Cocaine).
- 4 x 12mg and 1 x 30mg Hydro-morph Contin capsule
- Small quantities of Methamphetamine, Cannabis Marihuana, Hash and Hash Oil
- \$810 Canadian Currency cash seized as Proceeds of Crime

St. Albert resident Steven Scott WELLER, age 36, was arrested and charged with Possession of Cocaine - Section 4(1) CDSA, and is scheduled to appear in St. Albert Provincial Court on August 21, 2017.

St. Albert residents, Ryan MUIR, age 35, and Reina McMANUS, age 27, were arrested and charged with:

- 3 counts of Possession of a Controlled Substance for the Purpose of Trafficking - Section 5(2) CDSA
- 4 counts of Possession of a Controlled Substance - Section 4(1)

CDSA

- 1 count of Possession of Proceeds of Crime Under \$5000 - Section 354 C.C.

McMANUS was also charged with Disobeying a Court Order - Section 127 C.C.

McMANUS was released from police custody on a \$1000 cash bail Recognizance with several strict conditions to abide by. MUIR is presently being held in custody at the Edmonton Remand Center. MUIR and McMANUS are both scheduled to make their second appearance in St. Albert Provincial Court on July 24, 2017.

If you have information about this or any crime, please call the St. Albert R.C.M.P. at 780-458-7700 or call your local police. If you want to remain anonymous you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by Internet at www.tipsubmit.com or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

ALBERTA BEACH AG SOCIETY

GOLFER'S GUIDE

HOW TO AVOID INJURIES ON THE GOLF COURSE THIS SUMMER

(NC) For even the best of us golf can be a frustrating sport. The precision, patience, resiliency, and mental strength required challenges even the most talented and level-headed participants. With that being said

golf is one of the most popular Canadian summer past times and is enjoyed by Canadians of all skill levels. While golf will undoubtedly test our mental strength, it can be even more taxing on our bodies. The con-

stant bending over, repetitive swing motion, and hot weather conditions take a physical toll.

Here are some tips to help prepare your body for a round of golf and avoid injury:

Find your swing: It is very easy for amateur golfers to injure themselves by repeatedly doing an incorrect swing. Everyone's swing is different, but it is important to work with a swing that benefits our game and body. Consulting with a professional before hitting the links will help develop our game and avoid injury.

The right equipment: Wearing proper golf attire goes beyond simply looking the part. Your playing partners will be intimidated when they see you strut to the tee box looking like Jordan Spieth; that is until you flub your first drive 20 yards right into the water. Wearing soft spike golf shoes gives you

greater shock absorption and cushioning. This helps your back in both the short and long term.

Preparation: Always make sure to stretch your muscles prior to and after a round of golf. We may be in a rush to reach the 19th hole, but it is important to cool our muscles down after a strenuous round.

Carrying your bag: Lugging your golf bag around the course adds a lot of unnecessary stress to your body. Elect to either drive a golf cart or else push your pull your bag using a golf bag cart.

Hydrate: Hydration is fundamental to success and safety in any sport. This is magnified when we are playing an outdoor sport during the summer. Drinking water helps decrease your risk of injury and fatigue when on the golf course.

GOLFER'S GUIDE

SIX GOLF PERSONALITIES THAT WILL MAKE OR BREAK YOUR GAME

(NC) From the rules drill sergeant, to the etiquette obsessed, no one likes to be on the course with that person. Here are a few of the personalities you should be keenly aware of when creating the perfect 18-hole pairing.

The Natural – They've had no lessons, no warm-up, old clubs but can consistently hit them long and straight every day.

Play with this person if... you crave a smooth, competitive game.

The Iceman – never phased by a shot that's off or a disgruntled competitor, the Iceman always keeps everyone's emotions in check.

Play with this person if... you want to cool down fired up players.

The Socialite – forget the game, this person is out for a good time. With positive vibes, and stories for days, this person is only interested in one hole: the 19th.

Play with this person if... your scorecard is the last thing on your

mind

The Personal Trainer – will gladly walk the length of the course with a 50 pound golf bag in tow. The PT prefers post-game chicken breasts over hot dogs, and comes equipped with a crisp low calorie light beer, such as Molson Canadian 67.

Play with this person if... you're an active calorie calculator who wants to tone up while having a good time on the greens.

The Chauffeur – likes driving the

cart more than swinging the club and is happy to drop you off at every hole.

Play with this person if...the Personal Trainer has worn you out.

The Slicer – no matter how many lessons he's taken or how new his clubs are, he consistently hits his shots in the woods.

Play with this person if... you want to win!

www.newscanada.com

9 WAYS TO IMPROVE YOUR GOLF GAME

Warmer weather sends scores of golfers to their favorite courses each and every day. Golf is a challenging pastime, but a few pointers can help golfers hone their short games, long games and everything in between.

- Choose the right clubs. There is more to selecting clubs than pulling any old iron out of your golf bag and whacking away. Wind, hazards and obstructions in landing areas should influence your decision of which club to use. Novice golfers may want to rely on their caddies to make club recommendations, and as they become more confident in their abilities they can start to make their own choices.

- Anchor your feet. Anchor your foot behind the ball to drive the ball further. Right-handed players will keep the right foot anchored, and lefties will do the opposite. Do not lift your foot prematurely; otherwise, you can lose power and distance.

- Identify your weaknesses. As with any hobby, identifying those areas that need the most work can help you become a better golfer. Keep track of each shot you take, and then look at the results to see which areas of your game need the most work.

- Fix your alignment. Align your shots by assessing the target from behind the ball. Then set the clubface behind the golf ball and align it with the target before you enter your stance.

- Use your torso for power. The torso is essential to a solid swing. Practice rotating from your core to control your backswing and then maintain the same spine angle and posture on the downswing.

- Use the wind. Not every golf game will be played in perfect weather. A good player knows how to make adjustments for the wind depending on the shot. Use the wind to your advantage when you can,

and adjust your swing when hitting into the wind.

- Become a better chipper. Many players put so much emphasis on their backswings and putt shots that they fail to devote any practice to chips. All shots are important for

golfers trying to shed strokes off of their scores.

- Keep fit. Maintaining or improving your physical strength and overall health can help your golf game. Exercise and eat right, and you will have more endurance on the links.

FUNDING SERVICES FOR RURAL COMMUNITIES

Submitted by Oneil Carlier, MLA Whitecourt-Ste. Anne

Communities in rural Alberta make invaluable contributions to our province. They are the foundation of agriculture, forestry and energy production. They are the places where families thrive.

Our government is working to ensure rural communities remain strong and vibrant now and in the years to come because a strong rural Alberta benefits all Albertans.

Recently, my cabinet colleague,

Minister Shaye Anderson, the Minister of Municipal Affairs, visited our beautiful constituency of Whitecourt-Ste. Anne. We met with community group representatives, local officials and leaders in Whitecourt. Later, we enjoyed a casual dinner with farmers and business and community leaders at the Hub in Onoway. We also had the chance to tour Sangudo Custom Meat Packing, a great example of value-added local agriculture business - something I'm always happy to see in Alberta.

Our government is working hard

to make life better for everyone who lives in our constituency. We are a committed partner to municipal governments, and are focused on helping build a stronger community.

Our government has a range of programs and services to make life better for rural Albertans, help you to save money and ensure rural communities are a place where you can live, work and play.

Whether your needs are transportation, economic development, health care, education, infrastructure or local food - our government

is building a better province for every Albertan.

That means having the infrastructure and services that are essential to quality of life, and enhance our everyday lives. That's why our government has continued to fund two municipal programs that are specifically designed to help our councils and local administrations meet the long term needs of our communities. They are the Alberta Community Partnership (ACP), which supports municipalities working together as a region to deliver services and the Municipal Sustainability Initiative (MSI) provides significant capital funding to help meet local priorities.

Under the MSI, the Town of Whitecourt has been allocated more than \$20 million to date while Woodlands County has been allocated more than \$17 million. More than \$3 million has been allocated to the Town of Mayerthorpe, \$2.6 million to the Town of Onoway and more than \$25 million to Lac Ste. Anne County.

We all know that funding local infrastructure projects helps create jobs and diversify Alberta's economy. These projects have a real and lasting impact on the daily lives of our families and our neighbours. With these infrastructure investments, we are helping to create jobs and strengthen the very fabric of our communities for residents today and future generations.

I would like to thank Minister Anderson for visiting us in Whitecourt-Ste. Anne. His visit was a great opportunity to show how our government is working to make life better for Albertans. I am also grateful to all the community members who came out to join us. Listening to Albertans is important to our government, and we were glad to engage with members of our community on the challenges facing rural communities.

Minister Anderson and I are part of a government that is proud to have Albertans' backs, no matter where in the province they come from. That's why we are working hard to address the needs of rural Alberta. I was happy to have him here with us in our lovely constituency of Whitecourt-Ste. Anne, giving us an opportunity to showcase the diversity and vibrancy of our rural communities.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library

The summer reading club has started and will continue for the next 5 weeks every Thursday afternoon from 1 to 3 PM. This week we will be making a kaleidoscope as well as other activities and a snack. If you would like your children ages 6 to 13 to attend please call the library to pre-register.

We continue our efforts to fund-raise for the completion of the library expansion and have multiple opportunities for anyone who wishes to contribute to supporting this valuable community service. Looking for some summer reading material or just like to hunt for treasure? Drop by on Tuesday afternoons from 1 to 4 pm for the used book sale. We encourage you to stop in and peruse the titles, take what you want and leave a donation of your choosing. See you there!

The donations are coming in and preparations are well under way for the Silent Auction which will be held on Saturday, August 19, 2017 from 10AM to 3PM during the Darwell Fair in the new library expansion. We are currently accepting new donated items for our event so should you have something you would like to contribute, please have your donation to us by Wednesday, August 9, 2017.

Join us on Friday, July 28, 2017 at the Lake Isle Community Hall for Family Movie Night. We will be showing the G rated Smurf's The Lost Village starting at 7PM. The cost of admission is \$ 2.50 and a concession will be available.

Do you need some help with your resume? Looking for work or wanting to find that dream job? The folks from Alberta Works will be here On Tuesday, August 15, 2017 from 1 to 4 PM to help you to put together an effective resume. Learn the top 10 things that employers hate to see and learn how to create the best first impression to get you that interview in this competitive job market. All

you need to bring is your current resume and a willingness to learn. To register call the library at 780-892-3746 max 15.

If you were unable to attend the first Beginner Tai Chi session please let us know, we have a sign-up sheet at the library so leave your name, number and your preference for daytime or evening. If there is enough interest we will consider holding another class, on a cost recovery basis, in the fall.

The next Book Club meeting will be on Monday September

11, 2017 at 7:00 p.m. to discuss "Ru" by Kim Thuy. Do you love to read? Do you like to discuss what you have read with others?

We are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and arrange loan of the current title by calling the library @ 780-892-3746. Our programs are sponsored by the Darwell Public Library, Darwell Library Friends, FCSS and CLSA Library Grant.

The Darwell Public Library Society will be holding their next

regular meeting on Monday, September 25, 2017 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our website www.darwellpubliclibrary.ab.ca or like or follow us on Facebook at www.facebook.com/DarwellPublicLibrary

STRUCTURE FIRE IN THE VILLAGE OF ALBERTA BEACH

Submitted by David Ives, Fire Chief | Onoway Regional Fire Service

At 2359 Tuesday July 18, 2017 Onoway Regional Fire Services – Canada’s first Hybrid Fire Service was paged out to a confirmed structure fire – unknown injuries – unknown entrapment on 58A Avenue, Alberta Beach. Onoway Regional Fire had units rolling within 2-minutes of the call with the first unit arriving on scene within five-minutes of the initial page out.

Upon their arrival, fire crews observed a large fire whereas a detached garage was fully engulfed in flames and the roof fully burned off. The heat had ignited a nearby automobile and was threatening many more as well as two residences. Within four minutes of arrival on scene water was being applied to adjacent structures and vehicles to protect exposures.

Because of the quick response and hard work of the men and women of Onoway Regional Fire, the “All

Clear” was given within seven-minutes of arrival. The situation was considered contained with no fire spread and no injuries by 0033 – 29 minutes after the arrival of the first fire unit. During the firefight Onoway Regional Fire Services mobilized three firefighting units, sixteen members, and applied over 32,000 liters of water. We are very proud of our firefighter’s skills and dedication.

Onoway Regional Fire would also like to thank Parkland Emergency Communications Center for their expert dispatch assistance and Lac Ste Anne County Fire Services for providing two additional loads of water for fire suppression activities. We’d also like to remind all residents to be careful with storage of flammable substances, ensure all heat sources are properly maintained, and keep your garages / out-buildings / storage facilities secured.

For more information, please contact Fire Chief Ives at davidives.nwfr@gmail.com

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

8	1	3	6	2	5	9	4	7
7	4	9	3	1	8	6	5	2
6	2	5	9	7	4	8	1	3
9	5	1	4	8	2	7	3	6
4	7	8	5	6	3	1	2	9
3	6	2	7	9	1	5	8	4
5	9	4	8	3	6	2	7	1
1	8	6	2	4	7	3	9	5
2	3	7	1	5	9	4	6	8

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

		3	6	2	5			7
7			3					
6	5					8		3
			4	8			3	6
		8	5	6			2	9
				9	1		8	4
5		4						
1		6	2		7			5
2	3		1		9	4

THANK YOU LAKE COUNTRY

For Making Me #5 in production at RE/MAX Excellence

Hey Lake Country,

You Also Made My Daughter Elisse Moreno #4 in Production, **Yes She Snatched the pebble From My Hand.**

THANKS FOR ALL YOUR BUSINESS AND REFERRALS!

We would like to Welcome Caitlin Heine to the team and congratulate her on her first \$759,900 pending sale.

Also, Congratulations Charlene Anderson on your First sale with Edmonton Lake Property.

We invite you to visit and explore www.edmontonlakeproperty.com.
