SEARCH AND RESCUE ON ABRAHAM LAKE

Submitted by Rocky Mountain House RCMP

Rocky Mountain House, Alberta - At approximately 7:30 p.m., on July 23, 2017, Rocky Mountain House RCMP received a 911 call of boaters in distress on Abraham Lake, located west of Nordegg, Alberta. RCMP immediately responded with assistance from Rocky Volunteer Search and Rescue, Park Rangers, Fire Department, EMS and Alberta Fish and Wildlife Officers. Emergency personnel faced reduced light conditions in the late evening hours and were also hindered by an intense storm that had moved into the area causing huge waves on the lake.

An Alberta Fish and Wildlife Officer and two Firemen were able to launch their rescue boat and navigate the shoreline locating two

adults huddled under their small rubber boat positioned under a tree trying to stay warm. A 33 year old man from Smokey Lake, Alberta and a 22 year old female from Willingdon, Alberta were found to be in a near hypothermic state and were quickly shuttled to EMS for medical attention.

Earlier in the evening, the two outdoor enthusiasts took a small "dinghy" rubber boat out on the lake near the Klein River. Neither had a life preserver, rope or bailer bucket as required by law. Both were wearing shorts, t-shirts and sandals. Once out on the water, the wind blew them away from shore to the middle of the lake where the white-capped waves blew them further and further from shore. Fortunately, the waves did not capsize the small boat.

In this case, both have been charged for failing to have life jackets as required by the Canada Shipping Act and additional charges are pending. Alcohol was a factor in the incident.

Police wish to remind all recreational boaters and fisherman to exercise caution and take the necessary precautions when planning a wilderness expedition. Approved personal floatation devices and thermal protective wear should be worn at all times. Extra food, medical and camping supplies should also be packed in case of an emergency. Family, friends or neighbors should be advised of itineraries, destinations and expected return times.

This is the fifth Search and Rescue mission in the last few weeks in the Abraham Lake area.

JOKE OF THE WEEK

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp. They rub it and a Genie comes out. The Genie says, 'I'll give each of you just one wish.' 'Me first! Me first!' says the admin clerk. 'I want to be in the Bahamas, driving a speedboat, without a care in the world.' Puff! She's gone. 'Me next! Me next!' says the sales rep. 'I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Colodas and the love of my life.' Puff! He's gone. 'OK, you're up,' the Genie says to the manager. The manager says, 'I want those two back in the office after lunch.'

EXTENSIVE DAMAGE TO OILFIELD LEASE SITE

Submitted by Drayton Valley RCMP

Drayton Valley, Alberta - On July 17, 2017 at approximately 3:30 in the morning, two suspects were observed on video, breaking into the Obsidian Energy site (formally Penn West), located Northeast of Cynthia, in Brazeau County, Alberta. Once there, they proceeded to break into several buildings stealing approxi-

mately \$200,000 dollars in Copper Wire and causing damage estimated at over one million dollars.

The truck used is a two tone dark colour older model Dodge Dakota or Chevrolet.

Sgt Matthews of the Drayton Valley RCMP says the theft and resulting damage caused has resulted in Obsidian Energy closing the site,

which in turn has affected the people who worked there. Sgt Matthew says "thefts in the oil field are a serious problem which creates a financial burden to companies who are already struggling in these financial times"

Investigators are asking anyone who may have information regarding this occurrence to contact Dray-

ton Valley RCMP at 780-542-4457. If you wish to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), or by internet at www.tipsubmit.com. Rocky Mountain House, Alberta - On July 26, 2017, an alert RCMP officer working on the O'Chiese First Nation observed a Ford Expedition being driven by an adult female who has many previous convictions for driving while disqualified. The vehicle was pulled over and the arresting officer located numerous different types of prescription drugs and illegal narcotics in her possession. The investi-

gation revealed the driver had allegedly been trafficking drugs prior to the police stop and has been previously convicted of drug trafficking.

SUDOKU OF THE WEEK

Fun By The Numbers

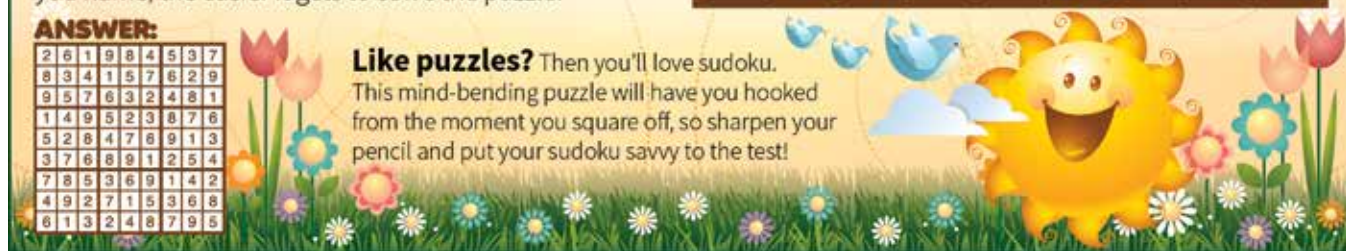

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	6	1			4	5	3	
8	3		1			6		9
	5		6	3		4		
		9	5	2				
5	2	8			6			3
		6	8		1		5	4
	8					1		
6			2	4	8	7		5

ANSWER:

2	6	1	9	8	4	5	3	7
8	3	4	1	5	7	6	2	9
9	5	7	6	3	2	4	8	1
1	4	9	5	2	3	8	7	6
5	2	8	4	7	6	9	1	3
3	7	6	8	9	1	2	5	4
7	8	5	3	6	9	1	4	2
4	9	2	7	1	5	3	6	8
6	1	3	2	4	8	7	9	5

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
