# SUMMER, WHAT A TIME TO CONNECT!

Submitted by Jim Eglinski, MP – Yellowhead

July 31, 2017

I enjoy being in the riding during the summer where I can reconnect with my constituents. After Parliament adjourned for the summer, I began my travels throughout the region.

At the end of June, I hosted a roundtable discussion with local officials regarding freshwater lakes in Yellowhead. I also attended the Hinton Beaver Boardwalk, as well as a geothermal energy information session.

While in Ottawa for the first

week of July, I met with nine constituents who were visiting the capital. Also that week, I participated in events at Parliament Hill and the United States Embassy. I was back in the riding at the end of the week to attend Edson's Great Canadian BBQ in the Park, as well as plant a commemorative tree at the George Pegg Historical Garden in Glen-evis.

For the week of July 10, I spent time in my Edson office meeting with constituents regarding various issues such as veterans and softwood lumber. I also participated in the Edson Summer

Festival, handing out flags and conversing with local residents.

The following week, I attended Edson's Rotary Club meeting and later participated in a conference call. Midweek, I made a trip up to Grande Cache to attend several meetings regarding local issues and later attended the Town Council meeting. On Thursday, I was in my Rocky Mountain House office where I met with constituents and walked around the Market on Main in the evening. On the weekend, I visited Bench Creek Brewery in Edson before going to the "Got Your Six" shooting

competition, which was a local fundraiser to raise awareness of PTSD.

For the last week of July, I met with constituents in my Edson office. I also met with a local radio station and recorded two messages. On the Thursday, I participated in TransAlta's tour of their Brazeau Hydro Plant and coal facilities in Wabamun.

August promises to be another good month where I can meet up with many of my constituents before heading back to Ottawa in September.

## JOKE OF THE WEEK

A woman is cooking eggs in the kitchen when her husband comes running in. Immediately, he sees the eggs and gasps in horror. "Be carefull CAREFUL! Put in some more butter! Oh, my GOSHI!" The wife, startled at her husband's violent reaction, dashes to the fridge to get some butter. "You're cooking too many at once. TOO MANY! Turn them! TURN THEM NOW!" The wife, concerned by the status of her husband's mental state, forgets about the butter and goes running to the eggs. "WE NEED BUTTER! Are you CRAZY??? Where are we going to get the butter? They're going to stick! HURRY!" The wife runs to the fri- "CAREFUL about the eggs! CAREFUL You NEVER listen to me when you're cooking! Never! Turn them quickly! Oh not that quickly, don't you know how to cook? Are you insane? Turn the EGGS!" At this point, the wife starts crying, since she has no idea what to do. She gasps, "What is WRONG with you? I know how to cook eggs." The husband simply smiles and replies, "I just wanted to show you what it feels like while I'm driving with you in the car," and leaves.

# RCMP INVESTIGATE PERSONATION OF PEACE OFFICER

Submitted by Westlock and St. Albert RCMP

Westlock, Alberta – Westlock RCMP has charged a St. Albert man with two counts of personation of a peace officer while the St. Albert RCMP Detachment continues to investigate the same man for related offences.

On Thursday, July 27, 2017, the Westlock RCMP Detachment received a report from the driver of a vehicle which had been involved in an alleged “traffic stop” conducted by a man who presented himself as a police officer. The complainant told police that they had been followed by a light-coloured sport utility vehicle (SUV) from Westlock which activated red and blue lights as the two vehicles neared Fawcett, Alberta. The complainant pulled over to the side of the road, as did the SUV. A man got out of the SUV and presented himself as

a police officer advising the complainant he had pulled them over for an alleged traffic violation and requested to see their driver’s license, vehicle registration and insurance. The man was described as being Caucasian, with short dark hair, wearing dark blue clothing and a hat. The documentation was returned to the complainant, who was then asked to have their thumb “scanned” by a device presented by the man in question. Afterward, the complainant was allowed to leave.

A second complaint was received by Westlock RCMP on Saturday, July 29, wherein a truck and trailer had been pulled over by a SUV similar in appearance to the one described in the incident reported to the detachment two days previously. Again, it involved a lone man driving a light-coloured SUV who conducted a similar “traffic stop” with the driver of the truck

near Fawcett, Alberta.

In both cases, the complainants were unharmed.

The investigation of these two occurrences has resulted in 36-year-old St. Albert resident, Mark Andrew Capowski\*, being charged with two counts of personating a peace officer. He is to appear in provincial court in Westlock on Wednesday, August 23, 2017.

Members of the St. Albert RCMP Detachment assisted Westlock RCMP in their investigation by executing a search warrant at Mr. Capowski’s residence in St. Albert which resulted in the seizure of evidence which has prompted continued investigation by the St. Albert RCMP General Investigation Section (GIS).

Police are requesting the public’s assistance in locating a grey 2015 Chevrolet Suburban, with black push-bars on the front bumper, tinted windows, and black rims,

bearing Alberta license plate, BWL 2384. It is believed that this vehicle may have been involved in the two incidents investigated by Westlock RCMP and may be connected to additional information gathered by investigators at the St. Albert RCMP Detachment who are conducting an ongoing investigation of their own.

Anyone who may have information relating to the whereabouts of the vehicle of interest or who may have had an experience similar to those described above is asked to call the St. Albert RCMP Detachment. Those who wish to remain anonymous, can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), or by internet at [www.tipsubmit.com](http://www.tipsubmit.com).

# IMPORTANT NOTICE OF CORRECTION

## ISSUE:

Lac Ste. Anne County recently issued a county map (2017 edition). On this map the fire stations of Onoway & Alberta Beach are represented as county fire stations. This is not the case.

## CORRECTION:

Please take note. The fire stations of Onoway and Alberta Beach are **NOT** operated by Lac Ste. Anne County. They are operated by North West Fire Rescue-Onoway Ltd. Operating as Onoway Regional Fire Services.

If you are a county property owner and your insurer is using the Alberta Beach or Onoway Fire Halls as your primary fire station; Be advised that Lac Ste. Anne County does not support automatic aid with Onoway Regional Fire Services and as such Onoway Regional Fire Services cannot guarantee response.

## RAMIFICATIONS:

This may be of particular concern to the residents of Aspen Hills, Hillview Estates, Bilby Heights, Gunn, Corsair Cove, Water's Edge, Lakeside Estates, Lakeshore Cove, Windmill Harbour, Lake Ste. Anne Settlement, Thibault Settlement, Paradise Estates, Johnson Park, Diamond Country Estates along with the motoring public in the area. As these areas are notably closer to Alberta Beach and Onoway Stations.

North West Fire Rescue – Onoway Ltd (Operating as Onoway Regional Fire Services) operates composite fire stations consisting of full time, part time, casual and paid on call first responders. This allows Onoway Regional Fire to boast average roll out times of less than three minutes and ensures all members are professionally accredited within their scopes. North West Fire Rescue – Onoway favors “Automatic Aid” (both fire services) to all locations within 25KM of Onoway and Alberta Beach. Lac Ste. County does not.

# EXPLORE YOUR RURAL ROUTES DURING ALBERTA OPEN FARM DAYS

Submitted by Audrey Treit

Follow a country road and discover Open Farm Days 2017 - a once a year backstage pass to a variety of farm life experiences and local culinary delights, being held this year on August 19 and 20.

Alberta Open Farm Days is a province wide open house that's all about farmers and ranchers inviting their urban and rural neighbours to stop in for a visit. This is a weekend event that brings Albertans together and we as farmers, ranchers and agri-tourism operators are opening our gates and inviting you to be our guest. Come share in local stories and see on farm demonstrations.

Did you know that Alberta is home to 21 per cent of all farming operations in Canada? Open Farm Days offers people an opportunity to explore Alberta's diverse agriculture industry while helping grow ag-tourism in rural communities. The event builds connections between rural and urban Albertans and helps people reconnect to their food during a jam-packed weekend of family fun.

On August 19 and 20, more than 100 farms and ranches across Alberta will open their gates to the public featuring a bumper crop of family fun events and activities. You can plan your customized trip online at [www.albertafarmdays.com](http://www.albertafarmdays.com), choose from a number of experiences: tour a winery or honey farm, pick your own produce at a u-pick farm, feed horses, learn about dairy farm operations, explore a corn maze, or discover tips on growing your own vegetables. Admission for tours is FREE, but there may be a fee for additional activities.

Just a few of the Farms and Ranches opening their gates to guests in the area are;

- Violet Gardens &

Greenhouse - Hosts: Barbie & Jessy St-Amant

- Wooden Shoes Dairy Ltd. - Hosts: The Bangma Family

- Wild Country Gardens - Hosts: William & Paulette Sparks

- Riverbend Cattle Company./Riverbend Hideaway Campground & Farm Tours. - Hosts: Audrey & Gerry Treit

So explore your own rural roots and share in the farm life experience. Enjoy a taste of Alberta as you sample locally produced

foods and gather knowledge about where your food comes from. Check out [www.albertafarmdays.com](http://www.albertafarmdays.com) for more farms and ranches in the area and plan your trip.

# GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool | Onoway Royal Canadian Legion

Monday August 14, 2017

On August 9th Scott Sadler shared the following Royal Canadian Legion Dominion Command post: "Today we join Canadians in expressing our gratitude and respect to Canada's Peacekeepers from the Canadian Armed Forces, Royal Canadian Mounted Police and provincial and municipal police forces who have worked in support of international peace and security operations. Over the past 60 years, more than 125,000 Canadian Peacekeepers have participated in these operations around the world. On behalf of our 275,000 members, the Legion remembers and thanks every Canadian Peacekeeper who served and continues to serve for peace."

Scott Sadler was very busy on August 4th barbecuing steaks and burgers for more than 70 appreciative customers. He was helped by Ron W., Louise B., Eleanor S., Pat St. Hilaire and Shauna J. Scout Marshall was joined by Debra Bailey and Ken J. to clear and clean the tables after the meal. Douglas O'Connor won the free meal voucher, Mike Lafond the meat draw and Bonnie Read the 50/50 draw.

Don't forget about the fun Outdoor Dart Tournament being held at the Stony Plain Legion on Saturday. I was told they are still looking for a few three person mixed teams to play in this fun and challenging competition. You do not need to be a regular dart player to enjoy the fun and can phone the Stony Plain Legion @ 780-963-9232 for more information on this tournament.

I was listening to the talk radio station and heard an interview that was absolutely incredible. The person being interviewed was author and journalist Ted Barris and the subject was regarding his newest book "Breaking the Silence - Veterans Untold Stories". I was so impressed that I searched the subject and found the following Commendation: "On July 27, 2011, the Minister of Veteran Affairs for Canada awarded 19 citizens his annual commendation. Traditionally, the award is "presented to those veterans...who, in an exemplary way, have contributed either to the care and well-being of veterans or to the remembrance of the sacrifices and achievements of Canadians in armed conflict." Most of the 2011 recipients are veterans. Ted Barris, a civilian, also received the commendation. His citation read, in part: "Ted Barris has made such exemplary contributions by generously giving of

himself and so both benefiting veterans and making manifest the principle that Canada's obligation to all who have served in the cause of Peace and Freedom, must not be forgotten. After serving, many of Canada's Veterans have continued to provide outstanding service to their country, their communities and their fellow Veterans. They have truly been nation builders and have earned our undying respect and gratitude," Minister Blaney said. "It is equally gratifying to see other Canadians volunteer their time and efforts to give back to our Veterans. Today, we recognize their hard work and honour them." Some of the stories told by Ted were very emotional and poignant and

I would urge anyone wishing to know more to please research Ted Barris and look for his books. If his writing is anything like the way he gives an interview, you will definitely not be disappointed.

# SOLAR ECLIPSES AND ONOWAY SCHOOL DAYS

Submitted by Yvonne Slemko | Onoway and District Historical Guild

The solar eclipse which will occur in this part of the world on August 21 will not be the spectacle that was anticipated. As the total eclipse crosses the U.S. from Oregon to South Carolina, coverage of the sun in Edmonton on that day will be 70%. Detect-

able dimming in daylight hours starts to happen at around 90% coverage.

The imminent eclipse brings to mind two incidents that occurred in County of Lac Ste. Anne schools in the 1970s and early 90s. On February 26, 1979, students were confined to their classrooms during the eclipse, blinds were closed shut and students were not allowed

to venture outside. The Board's legal team had suggested that action for fear that students would damage their eyes by looking at the sun and litigation would result. During the other eclipse in 1991 (an 11:00 a.m. eclipse), buses did not do the morning run until the eclipse was over – again a precaution in case inquisitive students wanted to view the eclipse. Once more, an

insurance concern.

That said, an eclipse, no matter how "total", was a teachable moment. With #14 welding glass provided by local welders, students were marched outside, four to six at a time, to view the eclipse. Excitement was rampant and oohs and ahs were the order of the day.

The 2017 version of the eclipse will begin at 10:24 a.m., peak at 11:35 a.m. and end at 12:49 p.m. The Telus World of Science will host free activities from 10:00 a.m. to 1:00 p.m. on that day. Under no circumstance should anyone view the eclipse with the naked eye.

The good news is that if you can hang around for 27 years, Edmonton will witness at total solar eclipse on August 22, 2044. A solar eclipse occurs when the moon passes between the earth and the sun.

# WHITECOURT TOWN COUNCIL UPDATE

**Submitted by Tara Galant, Legislative Manager | Town of Whitecourt**

JULY 27, 2017

Council has approved changes to the qualifications for the Vitalization Grant Program. The area eligible for funding under the program has been extended to include commercial properties located west of 47 Street between 52 Avenue and 50 Avenue. Along with the change in qualifications, Council has also extended the deadline for

application to the program for this year to August 31, 2017. For details on the program and an application form visit [www.whitecourt.ca](http://www.whitecourt.ca).

Judges for the National Communities in Bloom competition arrive in Whitecourt July 27. This year, Whitecourt will be competing against communities from across the country in the 4,501-15,000 population category. Thank you to all the volunteers on the Whitecourt Communities In Bloom Committee for their work in preparing our

community for this competition!

The Whitecourt and District Heritage Society is planning to construct a museum and blacksmith shop at the grounds of the Forest Interpretive Centre. The new buildings will be used to store, preserve and protect historical items for our community and region. Councillor Schlosser has been appointed to represent Council on the Ad Hoc Museum Building Committee which will be tasked with developing a formal plan for the facility construction project.

The 2017 Project List has been updated and is available for viewing on [www.whitecourt.ca](http://www.whitecourt.ca). The document lists the status and anticipated completion date for over 160 projects and activities planned for this year throughout the organization.

Repairs to the roof at the curling rink and Scott Safety Centre have been approved, and the work is scheduled for completion this summer.

Council's next Regular Meeting is scheduled for Monday, August 21.

# SOLVING HOMELESSNESS – HAVE YOUR SAY

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of an online engagement process that has been launched by the Advisory Committee on Homelessness to gather feedback and ideas from Canadians on how to prevent and

reduce homelessness in Canada. “Homelessness is a nationwide issue and our riding of Yellowhead is no exception. Therefore, I want to encourage residents to share their views and ideas,” stated MP Eglinski.

All Canadians are invited to participate through the online survey and by sharing their stories before the end of August 2017. The Advisory Commit-

tee will consider the feedback and ideas from the engagement process and will provide the Minister of Families, Children and Social Development with options for the redesign of the Homelessness Partnering Strategy (HPS).

The survey can be found on Employment and Social Development Canada’s website at: [www.canada.ca/en/em-](http://www.canada.ca/en/em-)

ployment-social-development/programs/communities/homelessness/consultation-homelessness-partnering-strategy.html

“This participation will play an important role in developing practical solutions to help people secure stable housing while providing them with support for underlying issues such as mental health and addiction,” concluded MP Eglinski.

# NEW DAIRY INVESTMENT PROGRAMS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local farmers of two new investment programs aimed at dairy producers and processors.

The programs will help the sector increase productivity and competitiveness and prepare for the implementation of the Canada-European Union Comprehensive Economic and Trade

Agreement (CETA), which was negotiated by the previous Conservative Government and will establish greater access for European cheeses into Canada.

The first is a five-year, \$250 million Dairy Farm Investment Program to help Canadian cow’s milk producers improve productivity through upgrades to their equipment. All producers of cow’s milk – irrespective of the size of their operations – are welcome to apply. This program will cover up to 50% of

approved project costs, up to a maximum of \$250,000. Applications will be accepted as of August 22.

The second is a four-year, \$100 million Dairy Processing Investment Fund that will provide funding to help the Canadian dairy processing sector make investments to improve productivity and prepare for increased competition in the domestic market as a result of CETA. Not-for-profit organizations involved in the dairy sector can also ap-

ply. Applications are now being accepted.

“Local farmers are key contributors to and important members of our communities. I encourage all eligible producers to take advantage of this investment opportunity,” concluded MP Eglinski.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
