## ALSIKE BREAK AND ENTER

**Submitted by Thorsby/Breton RCMP**

Occurrence 2017997190

Breton RCMP is seeking public assistance concerning the following incident:

On July 30th, 2017, between 4:30 and 5 A.M. two suspects committed a break and enter and theft at the Alsike Race Track Gas station at the intersection of

Highway 39 and Highway 20. Suspects gained entry by breaking windows.

Cigarettes and mechanical oil were stolen and extensive damage was made to the property.

The suspects were observed on video surveillance but were wearing gloves and were masked. A white pickup truck was used in commission of this offence.

Anyone with information regarding this incident are urged to call Breton RCMP at 780-696-3520 or 1-888-222-8477 (crime stoppers). Individuals can also go to [www.tipsubmit.com](http://www.tipsubmit.com) or text tip to "smscrimetips.com". Individual caller information will be kept confidential, unless caller wishes to provide details.

## EXPLORE YOUR RURAL ROUTES DURING ALBERTA OPEN FARM DAYS

**Submitted by Audrey Treit**

Follow a country road and discover Open Farm Days 2017 - a once a year backstage pass to a variety of farm life experiences and local culinary delights, being held this year on August 19 and 20.

Alberta Open Farm Days is a province wide open house that's all about farmers and ranchers inviting their urban and rural neighbours to stop in for a visit. This is a weekend event that brings Albertans together and we as farmers, ranchers and

agri-tourism operators are opening our gates and inviting you to be our guest. Come share in local stories and see on farm demonstrations.

Did you know that Alberta is home to 21 per cent of all farming operations in Canada? Open Farm Days offers people an opportunity to explore Alberta's diverse agriculture industry while helping grow ag-tourism in rural communities. The event builds connections between rural and urban Albertans and helps people reconnect to their food during a jam-packed weekend of family

fun.

On August 19 and 20, more than 100 farms and ranches across Alberta will open their gates to the public featuring a bumper crop of family fun events and activities. You can plan your customized trip online at [www.albertafarmdays.com](http://www.albertafarmdays.com), choose from a number of experiences: tour a winery or honey farm, pick your own produce at a u-pick farm, feed horses, learn about dairy farm operations, explore a corn maze, or discover tips on growing your own vegetables.

# SOLVING HOMELESSNESS – HAVE YOUR SAY

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of an online engagement process that has been launched by the Advisory Committee on Homelessness to gather feedback and ideas from Canadians on how to prevent and re-

duce homelessness in Canada.

“Homelessness is a nationwide issue and our riding of Yellowhead is no exception. Therefore, I want to encourage residents to share their views and ideas,” stated MP Eglinski.

All Canadians are invited to participate through the online survey and by sharing their stories before the end of August 2017. The Advi-

sory Committee will consider the feedback and ideas from the engagement process and will provide the Minister of Families, Children and Social Development with options for the redesign of the Homelessness Partnering Strategy (HPS).

The survey can be found on Employment and Social Development Canada’s website at: [www.canada.ca/en/employment-social-develop-](http://www.canada.ca/en/employment-social-develop-ment/programs/communities/homelessness/consultation-homelessness-partnering-strategy.html)

ment/programs/communities/homelessness/consultation-homelessness-partnering-strategy.html

“This participation will play an important role in developing practical solutions to help people secure stable housing while providing them with support for underlying issues such as mental health and addiction,” concluded MP Eglinski.

# MOUNTAIN PINE BEETLE NEEDS TO BE ERADICATED BEFORE IT IS TOO LATE

Submitted by Jim Eglinski, MP – Yellowhead

I have, on numerous occasions, brought forward in Parliament the devastation happening in Jasper National Park by the mountain pine beetle infestation. From the west along Mount Robinson to the east park gates, the park has been overtaken by this endemic. The dead trees are a tremendous fuel load for possible fires, not only risking the safety of visitors and residential/commercial property, but also the livelihood of wildlife found in Jasper National Park.

As the Member of Parliament for Yellowhead, I am aware of the devastation caused by the mountain pine beetle in Alberta. I have toured Jasper Park from entrance to entrance, and brought my concerns to the attention of officials at all levels -- from local park officials up to Minister McKenna’s office in Ottawa. I have been told they have a plan.

After reading Multi-species Action Plan for Jasper National Park of Canada (Proposed), published by Parks Canada to protect seven species identified as threatened or endangered under the Species at Risk

Act (SARA), I dare to ask, what will happen to Whitebark Pine trees and the Woodland Caribou and other wildlife and foliage if the pine beetle infestation is not dealt with?

The Minister of the Environment and Climate Change, the Honourable Catherine McKenna is responsible under Section 47 of SARA for species found in Jasper Park. The above-mentioned proposed report states “...the Species at Risk Act (SARA) prohibitions protecting individuals and residences apply automatically when a species is listed, and all critical habitat in national parks and national historic sites

must be legally protected within 180 days of being identified.” It goes on to say: “These documents provide guidance for the recovery of individual species, including strategy direction, recovery objectives, critical habitat, and threats.”

The mountain pine beetle is a threat. It is a threat to the survival of the Whitebark Pine trees, the caribou and all wildlife in Jasper Park.

The report can be found at: <https://www.registerlep-sararegistry.gc.ca/default.asp?lang=En&n=80995453-1>

# NEW DAIRY INVESTMENT PROGRAMS

**Submitted by Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local farmers of two new investment programs aimed at dairy producers and processors.

The programs will help the sector increase productivity and competitiveness and prepare for the implementation of the Canada-European

Union Comprehensive Economic and Trade Agreement (CETA), which was negotiated by the previous Conservative Government and will establish greater access for European cheeses into Canada.

The first is a five-year, \$250 million Dairy Farm Investment Program to help Canadian cow's milk producers improve productivity through upgrades to their equipment. All producers of cow's milk – irrespective of the size of their operations – are welcome

to apply. This program will cover up to 50% of approved project costs, up to a maximum of \$250,000. Applications will be accepted as of August 22.

The second is a four-year, \$100 million Dairy Processing Investment Fund that will provide funding to help the Canadian dairy processing sector make investments to improve productivity and prepare for increased competition in the domestic market as a result of CETA. Not-for-profit organizations involved in the dairy sector

can also apply. Applications are now being accepted.

"Local farmers are key contributors to and important members of our communities. I encourage all eligible producers to take advantage of this investment opportunity," concluded MP Eglinski.

For more information, visit: <http://www.agr.gc.ca/eng/programs-for-the-dairy-sector/?id=1494345318736> or call 1-877-246-4682.

# GOOD NEIGHBOUR AWARDS: CITY PUTS OUT THE CALL FOR NOMINATIONS

**Submitted by Mariann McLaughlin, Corporate Communications | City of Leduc**

Nominations are now open for the 2017 Good Neighbour Awards – a community initiative to encourage citizens to see the value of being neighbourly and recognizes those that help this community thrive. Come this fall, every award nominee, along with those who nominated them, are invited to an evening of celebration at Telford House.

"This award program demonstrates true community collaboration through local partners, such as Coldwell Banker – Haida Realty, to recognize and honour the positive actions of outstanding citizens," says Leduc Mayor Greg Kruschke. "Leduc is a thriving city, with passionate citizens who care about the neighbourhoods they call home, and we want to celebrate these fantastic individuals and families."

What is a good neighbour?

Good neighbours are individuals, couples or families who make neighbourhoods great. Through their self-

less efforts, they help create connected, friendly and safe communities. Nominate someone in your neighbourhood who makes that neighbourhood a great place. Someone who:

- Models community spirit
- Helps in times of need
- Improves feelings of safety and security
- Encourages time for neighbours to get together and connect

What you need to know when nominating your neighbour:

1. Applicant and nominee must live in close proximity within the City of

Leduc

2. Nominee helps create a warm and caring neighbourhood in one or more of the above mentioned ways

3. Nomination deadline: Oct. 2, 2017

4. To nominate:
  - Online at [Leduc.ca/goodneighbour](http://Leduc.ca/goodneighbour)
  - In-person: nomination forms are available at the Leduc Civic Centre (1 Alexandra Park)

For more information, visit [Leduc.ca/goodneighbour](http://Leduc.ca/goodneighbour) or call 780-980-7177.

# BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

# LEDUC FIRE SERVICES WOULD LIKE TO HEAR FROM ITS CUSTOMERS

**Submitted by Mariann McLaughlin, Corporate Communications | City of Leduc**

Leduc Fire Services is putting out a call to any individuals, and their family members, who have received emergency medical services from the local department in the past year.

“We know medical emergencies can be stressful for our customers, so we’ve developed a means for our patients and their families to let us know of their experience,” says Deputy Fire Chief Shane Christensen. “The input we receive will then be used to help improve our emergency medical services here at Leduc Fire.”

The Emergency Medical Services survey lists a handful of questions ranging from overall service satisfaction and customer care to cleanliness of the ambulance.

“As we are an integrated emergency service, assistance can be delivered via fire rescue vehicle or by ambulance so that’s important to remember,” says Christensen.

Survey results will not only be used to help enhance emergency service delivery, but will also be used as part of fire service’s requirement with Accreditation Canada – a voluntary national program to help improve quality, reduce risk and strengthen accountability within the emer-

gency medical profession.

“For us, public participation in this survey is essential to help us identify where and how we can improve our service to this community and the Edmonton Metro Region,” says Christensen.

For more information, please email [emssurvey@leduc.ca](mailto:emssurvey@leduc.ca) or call 780-980-7177.

About Leduc Fire Services

# 2017 MUNICIPAL ELECTION: WHAT YOU NEED TO KNOW FOR FALL

Submitted by Mariann McLaughlin, Corporate Communications | City of Leduc

Leduc's eligible voters in the upcoming municipal election will have a few options in how they cast their ballot this fall. Returning Officer Sandra Davis says this municipal election will offer new and updated methods for voters, such as electronic vote tabulators and mail-in ballot.

"Participating in Leduc's municipal election is an opportunity for citizens to shape the direction of this community for today and for future generations," says Davis. "The new efficiencies we're introducing are designed to assist voters."

**Voter eligibility**

- Must be a Canadian citizen
- Must be 18 and older
- Must be a resident of Alberta for six months before the election

and a resident of the City of Leduc on Election Day

**Voting methods**

• Special ballot (mail-in) is available to eligible voters unable to attend a voting station during Advanced Vote (Oct 12 and 14) or on Election Day (Oct. 16) for one of the following reasons: physically incapacitated, absent from the City of Leduc or an election worker/official. All Special Ballots will be issued after Nomination Day and

must be received by the Returning Officer before 7 p.m., Oct. 16, 2017.

• Institutional voting stations will be set up at five city locations: Salem Manor, Extendicare Leduc, Leduc Hospital, Planeview Manor, and Lifestyle Options.

• Advanced vote will take place Oct. 12, 2017, noon – 8 p.m. at the Leduc Civic Centre, and Oct. 14, 2017 10 a.m. – 5 p.m. at the Leduc Recreation Centre.

• Election Day is Oct. 16, 2017 and with seven voting stations assigned to neighbourhoods. Visit [Leduc.ca/election](http://Leduc.ca/election) for the map.

For more information on the election ([Leduc.ca/election](http://Leduc.ca/election)) or to see if you're eligible for Special Ballot, please contact the Returning Officer:

## MISCHIEF & THEFT

Submitted by Thorsby/Breton RCMP

On Sunday, August 13th, Breton RCMP received two separate complaints of mischief and theft in the Rose Creek area of Clearwater County located West of Alder Flats.

• Sometime over night, the perimeter fence was cut and copper ground wire was stolen at a Tide Water facility located 10 kilometres West of Alder Flats. Approximately \$4000 worth of wire was stolen and damages are estimated to cost double that estimate.

• Another Mischief occurred over night at a Cenovus lease site near Alder Flats where a 4ft x 4ft sized solar panel was stolen along with two batteries.

If you have any information regarding this or other crimes, please contact the Breton RCMP at (780) 696-3520 or Crime stoppers at 1-800-222-8477 or [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca).

# FUNDING TO PROTECT LOCAL BATS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents that the Wildlife Conservation Society (WCS) Canada has been approved to receive \$30,000 towards a project to protect local bats. The funding is being delivered through the Habitat Stewardship Program Species at Risk Stream, which is administered by Environment

and Climate Change Canada. The project will locate critical and important bat habitats to address the threat of a fungal disease called White Nose Syndrome in two species listed as Endangered on the Species at Risk Act – the Little Brown Myotis and the Northern Myotis. White Nose Syndrome propagates in cool, humid conditions, and grows on bats while they hibernate in caves. It induces them to come out of hibernation, groom, and fly more than they

would naturally in the winter, expending the valuable energy that they need to survive and causing massive die-offs. The project will take place across Alberta where the bats have been documented, including two national parks. WCS will engage the local caving community to locate bat habitats and refine a database of potential hibernation habitats to serve as the foundation for an action plan to address White Nose Syndrome.

“Though we rarely see them, bats play important roles in our local ecosystem, eating insects and pollinating plants. I am pleased to see investments being made towards the protection of our local wildlife populations,” concluded MP Eglinski. For more information on WCS and their bat conservation efforts, visit: <https://www.wcscanada.org/Wildlife/Bats.aspx>

# THEFT FROM A MOTOR VEHICLE

Submitted by Thorsby/Breton RCMP

File number: 2017-1052929  
On August 9, 2017 the Thorsby/Breton RCMP received a complaint of a theft from a motor vehicle on 49th Ave in Thorsby.

Sometime during the late night of August 8th or the early morning of August 9th the SUV was broken into and several items were stolen. Included amongst the stolen items was a silver cross that was hanging from the rear view mirror. The cross is an item of extreme sentimental value to the owner, attached is a photo of the stolen cross.

If you have any information that could assist in this investigation, please contact the Thorsby RCMP at 780-789-3951; or Crime Stoppers at 1-800-222-8477 or [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) if you wish to remain anonymous.

# HEALTH ADVISORY - BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR PIGEON LAKE

Submitted by Alberta Health Services

EDMONTON – A blue-green algae (cyanobacteria) bloom has been identified in Pigeon Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.
- Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Pigeon Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae (cyanobacteria). An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae (cyanobacteria) is naturally occurring, and often become visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae (cyanobacteria) can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae (cyanobacteria), or who ingest water containing blue-green algae (cyanobacteria), may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea.

Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Pigeon Lake, until further notice.

Please note that areas of Pigeon

Lake in which the blue-green algae (cyanobacteria) bloom is NOT visible can still be used for recreational purposes, even while this Blue-green Algae (Cyanobacteria) Advisory is in place.

If you suspect a problem related to blue-green algae (cyanobacteria), or if you require further information on health concerns and blue-green algae (cyanobacteria), please call Health Link at 811. Additional information is also

available online, at [www.ahs.ca/bga](http://www.ahs.ca/bga).

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

## BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

# CITY OF LEDUC POPULATION SURPASSES 31,000 ACCORDING TO 2017 CENSUS

Submitted by Sherrie Mohr, Corporate Communications | City of Leduc

Leduc Census 2017 results show a new population count of 31,130; a growth rate of two per cent over 2016. "It's no surprise that our City continues to grow and attract new resi-

dents – there's so much going on and to be proud of," says Leduc Mayor Greg Krischke. "With all of the economic development activity currently happening and planned for the area, the City continues to be an attractive destination and we continue to be a community of choice for families and individuals."

The 2017 municipal census ran from

April 1 to May 31 and citizens were provided two options to participate, online or at their door. This year's campaign saw more people accessing the online census than in previous years at 40.5 per cent (39 per cent in 2016).

This year marks the City's ninth annual municipal census:

- 2017 – 31,130

- 2016 – 30,498
- 2015 – 29,304
- 2014 – 28,583
- 2013 – 27,241
- 2012 – 25,482
- 2011 – 24,139
- 2010 – 23,293
- 2009 – 21,529

# U OF A PARTNERSHIP DRIVES TRAFFIC SAFETY FORWARD IN CITY OF LEDUC

Submitted by Natalie Lang, Communications | City of Leduc

Building on recent successes due to enhanced traffic safety, the City of Leduc is partnering with the University of Alberta, Urban Traffic Safety Research, to conduct a study and implementation plan for the community.

"We're taking a strategic approach with traffic safety to reduce collisions and increase safety for our residents, visitors and emergency service personnel alike," says Leduc Mayor Greg

Krischke. "Statistics show that our efforts to improve traffic safety are working. Results from this study will hopefully guide future policy-makers that will assist this organization in reaching our traffic safety goals."

Leduc's traffic safety rating in the annual Allstate Safe Driving Study\* jumped from 68 on the list in 2015 to 11 in 2016; ranking Leduc as the third safest municipality in the Edmonton Metro Region.

"We are extremely pleased to be rated in the top three safest communities, and we know statistically this can

be attributed to the overall successes we've witnessed within the Municipal Integrated Traffic Unit (MITU)," says Mayor Krischke. "Since 2015, we've seen a steady decline of both injury and fatal collisions, as well as other traffic occurrences; and this U of A study will enable the MITU to continue with their mandate to improve road safety."

Within the City of Leduc boundary includes a 6 km stretch of Highway 2, which is known to be one of the busiest highways in Alberta.

"Highway 2, when responding to an emergency, is probably one of the most

dangerous locations for our personnel," says Leduc Fire Chief George Clancy. "The safety of our first responders is paramount. We need to explore other proactive measures to keep motorists safe, as well as each member of our crews."

The city is also looking at other enhancements to its traffic safety plan that include public education with a distracted driving conference this fall, and awareness campaigns with local schools similar to the Safety Star Video contest.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**
