## ALBERTA PARKS EXTENDING CAMPING SEASON

**Submitted by Brent Wittmeier, Press Secretary, Environment and Parks | Government of Alberta**

Following another record-breaking camping season, more than 250 provincial campgrounds will remain open over the next month.

To meet increased demand for late-season camping, the

province is adding three new late-season options. Crimson Lake Campground and Moonshine Lake Campground will now be open until Oct. 31. Brand new year-round comfort cabins have also been added at Sir Winston Churchill Provincial Park, a prime destination for ice fishing on Lac La Biche.

These options build on a 2016 pilot which saw extended

seasons in Cypress Hills Interprovincial Park southeast of Medicine Hat, Saskatoon Island Provincial Park west of Grande Prairie and Cold Lake Provincial Park.

"We've had another great summer, but Albertans are still eager to get out and explore our wild spaces.

## RCMP MAKE SUBSTANTIAL DRUG SEIZURE

**Submitted by Stony Plain/Spruce Grove/Enoch RCMP**

On August 25, 2017 Stony Plain/Spruce Grove/Enoch RCMP Drug section executed a Controlled Drugs and Substances Act (CDSA) search warrant at a residence in the west end of Edmonton and seized a substantial amount of drugs, including Carfentanyl.

As a result of following up on a tip, on August 24 a male was arrested by the RCMP Drug Section. Information gleaned during the arrest led to the ex-

ecution of a warrant at his residence. Another male located in the residence was arrested by RCMP members. On August 25 an authorized search of the residence was conducted by the RCMP.

In the course of this search, RCMP seized a large amount of drugs, as well as handguns, prohibited weapons and approximately \$45,000 cash.

28-year-old Daniel Gleason and 22-year-old Kevin Gleason, both of Edmonton are each facing 14 criminal charges.

Charges include:

- Possession for the purpose of trafficking (x5 counts)
- Possession of property obtained by crime
- Firearms charges (x6 counts)
- Possession of prohibited weapon; conducted energy weapon and
- Possession of prohibited weapon; brass knuckles.

Both subjects have been released from custody on bail and are scheduled to appear in court next on September 25, 2017 at the Provincial Court of Alberta in Edmonton.

# ALBERTA RCMP OUT PATROLLING ROADS THIS PAST LONG WEEKEND

Submitted by Alberta RCMP

Edmonton, Alta. – While many Albertans were enjoying time with family friends over the Labour Day long weekend, the RCMP and Alberta Sheriffs were on duty patrolling the roads and highways across the province.

Although, some investigations are still underway and not all the

data from police has yet been tallied, below is a comparison between the number of traffic infractions and traffic-related criminal offences in RCMP jurisdictions within Alberta during the September long weekend 2016 and 2017.

Labour Day weekend 2016 (Sept 2-5)

- 2 people died in motor vehicle

collisions while 49 people were injured.

- 6 motorcyclists were involved in injury collisions

- 90 people were charged with impaired driving

- 4 people were injured in off-road collisions while 1 person died

Labour Day weekend 2017 (Sept. 1-4)

- 8 people died and 18 were injured in motor vehicle collisions

- 1 motorcyclists died and 4 were injured in collisions

- 46 people have been charged with impaired driving, while 27 investigations remain open

- 4 people were injured in off-road collisions

The RCMP remind drivers that sharing the road is key to traffic safety. With the back to school season underway, motorists are asked to be mindful of their speed in school zones and to watch out for increased number of pedestrians and buses as students head back to class.

# Alberta Parks Extending Camping Season

## Continued From Page 1

That's why we're making life better by extending the camping season and upgrading provincial parks that previous governments neglected." - Shannon Phillips, Minister of Environment and Parks

For the eighth consecutive year, online campground reservations surpassed previous totals. The province had 158,890 bookings as of Aug. 30, an increase of more than five per cent from the previous year.

Alberta's 274 provincial campgrounds close at different dates, with the bulk in early to mid-October. Of the 259 campgrounds open into October, 82 will remain open until at least Oct. 31, with 37 provincial campgrounds available year-round.

Several campgrounds will be closing in coming weeks to make way for upgrades, part of a five-year, \$239-million plan to revitalize and expand the system.

Jarvis Bay Provincial Park will close today to begin the first phase of a five-year, \$4.5-million expansion. In coming months, crews will revamp campsites, improve RV access and overhaul water, sewage and electrical infrastructure.

The major upgrades are the first in over four decades at the Sylvan Lake-area park, which will eventually add 130 new campsites.

"For many years, provincial parks didn't keep up with the needs of RV users. These improvements will keep Albertans camping in Alberta, supporting local businesses while making it possible for more families to take advantage of our amazing natural resources." - Keith Hanks, president, Affordable RV Calgary, former president, Recreational Vehicle Dealers Association of Alberta

Select redevelopments between fall 2017 and spring 2018:

- Northeast
- Gregoire Lake Pro-

vincial Park – continued reconstruction will include upgrades to campsites, day-use area and new shower facilities. Electrical upgrades will improve RV access.

- Beaver Lake Public Recreation Area – revitalization
- Ross Lake Campground, Whitney Lakes Provincial Parks – electrification
- Northwest
- Young's Point Pro-

vincial Park and Williamson Provincial Parks – boat launch maintenance

- Central
- Jarvis Bay Provincial Park – campground redevelopment
- Fish Lake Provincial Recreation Area – multi-year campground redevelopment, including expansions to accommodate RVs
- Kananaskis

- Expansions of Boulton Creek Campground, Bow River Campground (including 30 new serviced RV sites)

- Tombstone Backcountry Campground refurbishment
- South
- Writing on Stone Provincial Park – trail improvements, shower building renovations, water treatment upgrades

# PETERSON VOWS TO OPEN CONSERVATIVE PARTY OFFICE IN STURGEON RIVER – PARKLAND

**Submitted by Susan Hemeier, Communications Director for Rick Peterson**

Spruce Grove, AB, September 9, 2017 -Conservative nomination candidate Rick Peterson announced today that he will open a local Conservative Party constituency office if elected Member of Parliament for Sturgeon River – Parkland.

Peterson said that grassroots Party members in the area have told him they would clearly benefit from having a base where they can organize membership drives and local events and deal with Party issues that cannot be handled inside the non-partisan offices of a Member of Parliament.

“A local Party office staffed with a full-time outreach coordinator would be a powerful tool to help grow our local membership and raise Sturgeon River – Parkland’s profile and impact locally as well as in Ottawa,” said Peterson, a Spruce Grove businessman and 30-year Party member who was also a candidate in the Conservative leadership contest that elected Andrew Scheer in May.

“As the Conservative MP for Sturgeon River – Parkland, I will find individual, private-sector donors to support our Electoral District Association by having a full-time office opened and staffed.”

Peterson’s announcement coincides with the release of a strong endorsement from Vancouver Centre EDA president Roy Grinshpan, who said Peterson is “a breath of fresh air into the Ottawa bubble of political insiders,” noting his private-sector experience, ability to communicate fluently in both French and English, as well as his proven debating and media skills.

“I can personally attest to Rick Peterson’s support of the grassroots. Of all the former leadership candidates, Rick had the most transformational policy proposals for EDAs... which provides a glimpse into the de-

voted constituency work that voters of Sturgeon River – Parkland can expect from Rick if they elect him.”

“Rick is optimally positioned to deliver Andrew Scheer’s message to both grassroots and media, with exceptional impact, in both official languages. This in-

turn will help augment the voice of Sturgeon River – Parkland’s electors on the national stage.”

The Sturgeon River – Parkland Conservative nomination meeting is scheduled to take place on Friday, October 13th in Morinville, AB and on Saturday, October 14th in Spruce Grove, AB.

Residents in the EDA who purchase Conservative Party memberships before midnight on September 18th will be eligible to vote in the nomination contest. Memberships may be purchased online at <https://www.rickpeterson.ca/membership>.

# STREET IMPROVEMENT PROJECTS UNDERWAY IN WHITECOURT

**Submitted by Tara Gallant, Legislative Manager | Town of Whitecourt**

SEPTEMBER 6, 2017

Construction crews are in Whitecourt as part of the 2017 Street Improvement Program. A number of areas are scheduled for paving. Crews will be preparing roadways this week, and paving is scheduled to start on Wednesday, September 13 (weather dependent).

Dahl Drive

Crews will be preparing portions of Dahl Drive for paving on the evening of Thursday, September 7. Starting at 6:00 p.m. on Thursday, September 7, crews will be closing lanes from 49 Avenue, north to the first entrance into the Wal-Mart Power Centre.

- Between 6:00 p.m. to approximately 10:00 p.m., one lane of traffic will be open both south and north bound. Flag people will be on-site to direct traffic, and we ask that you drive with caution and watch for posted

signs and instructions.

- Sidewalks and pathways in the area will remain open to pedestrian traffic.

- Residents should be aware there may be travel delays, and are encouraged to use alternate routes when possible.

Caxton Street

Crews will be preparing a portion of Caxton Street, from east of 34 Avenue, west to Pine Road on Friday, September 8.

- Traffic along Caxton Street will be open both east and west

bound. Flag people will be on-site to direct traffic, and we ask that you drive with caution and watch for posted signs and instructions.

A portion of Wedow Drive (47 Street to Graham Road) and Chaisson Crossing

- Crews began work on September 5, and will complete road paving preparations on September 6.

Intersections of 41 Street and 39 Street along 55 Avenue

- The approaches at the noted intersections will be milled on September 6 in preparation for paving.

Crews will be taking all necessary steps to ensure the safety of the worksite, and the patience and cooperation of motorists and residents is appreciated. Motorists are asked to obey all posted speed limits, and parking restrictions.

For more information, please contact Knelson Sand and Gravel at 709-222-9273.

## RCMP Make Substantial Drug Seizure

Continued from Page 1

"The business of drug trafficking risks the lives of everyone associated, from the dealers themselves to the people buying the drugs and the community as a whole who become victims of collateral damage", says Inspector Rob Hill. "Drugs such as Fentanyl and Carfentanil have an extremely detrimental impact on a community and I am so pleased with the jobs our Members did at removing these products from the streets."

Members of the public who suspect drug or gang activity in their community can call local police, or contact Crime Stoppers at 1-800-222-TIPS (8477). Crime Stoppers is always anonymous.

## STEPS TO A MORE ORGANIZED, FUNCTIONAL GARAGE

Organization can help homeowners transform their homes into less cramped, more spacious oases without forcing them to fi-

nance potentially expensive expansion projects.

Homeowners who park in their driveways may find that their

garages have become crowded, cluttered spaces in which searching for tools can feel like scouring a haystack in search of a needle. Organizing a garage can create extra room in a home while affording homeowners the chance to protect their vehicles from the elements. Homeowners who want to turn their garages into something more than cluttered storage units can employ the following strategies to transform these largely overlooked areas into more valuable spaces.

- Choose the right day. Garages tend to be separate from the rest of the homes they're a part of, meaning the only way to organize a garage is to first re-

move all items from the garage and into the driveway. Because items removed from the garage will be exposed to the elements, homeowners should choose a day that's temperate and sunny to clean their garages. If possible, homeowners should opt to organize their garages in late spring, summer or early fall when there are additional hours of daylight. This protects homeowners from having to work in the dark should the job take longer than they initially anticipated.

- Discard or donate duplicate items. Duplicate items are some of the main culprits behind cluttered garages. As

## Steps To A More Organized, Functional Garage

garages gradually become more cluttered, homeowners may buy tools they already have simply because they cannot find their original tools. When organizing the garage, create separate piles for duplicate tools, placing still-useful items in a pile that can be donated to neighbors, local charities or organizations and another pile for old tools that are no longer useful.

- Host a garage sale. Homeowners who want to organize their garages and make a buck at the same time can host garage sales. Make only those items that are still functional available for purchase, and let neighbors and bargain hunters do the bulk of your organization work for you.

- Designate areas of the garage for certain items. Once the items that won't be going back into the garage have been sold, donated or discarded, organize the garage by designating areas for certain items, making sure to separate items that can pose safety risks. For example, store kids' bicycles and outdoor toys in a corner of the garage that is opposite the corner where potentially dangerous items such as power tools and gas cans will be stored. Keep the center of the garage open for vehicles.

- Periodically park cars in the garage. Homeowners who are comfortable parking their vehicles in their driveways can improve their chances of maintaining organized garages over

the long haul by periodically parking in the garage. Doing so not only prevents the gradual buildup of clutter that can slowly take over a garage, but also protects homeowners' automotive

investments.

Maintaining an organized garage can help homeowners make more practical use of the space in their homes.

## THE IMPORTANCE OF CLEAN GUTTERS

Every autumn, trees and shrubs take on their brilliant display of reds, oranges, purples, and yellows that mark the end of the growing season. Fall foliage may make for ideal photo backdrops and scenic days in the countryside, but closer to home leaves may be more of a

hindrance than an aesthetic pleasure.

The hundreds of leaves that adorn the maples, oaks and other trees near homes will eventually fall as autumn turns into winter. Some will float down to lawns, while others will get lodged in gutters and downspouts, posing

problems that can cause substantial and potentially costly problems for homeowners.

Homeowners know that gutter cleaning is an important part of fall home maintenance, but they may not completely understand why. Gutter cleaning can be a messy and time-consuming proj-

ect, making it a project many homeowners are apt to put off. Waiting to clean gutters can lead to considerable problems, so it's best to tackle the job well in advance of the winter.

Gutters guide rainwater and runoff from the roof so it drains properly away from homes. When gutters are clogged with leaves, a number of problems can occur.

- **Leaks:** Water will take the path of least resistance. When clogged gutters do not allow the water to drain away properly, water will find other ways to the ground. It may work itself right into the walls and ceilings of the home. In addition to damaging walls and ceilings, moisture inside the home can

## The Importance of Clean Gutters

promote mold growth. It also makes interior spaces more appealing to pests.

- **Excess weight:** Gutters are meant to hold the weight of traveling water and not much more. Gutters filled with leaves and other debris can quickly become heavy. This stresses the entire gutter system and can cause the gutters to fall off of the home entirely.

- **Nesting areas:** Clogged gutters can serve as nesting areas for insects and birds. Mosquitoes and other insects lay eggs in pooling water. Gutters can quickly become breeding spots for harmful pests. Furthermore, birds may nest in gutters, creating unsightly messes and more damage. Seeds that

sprout in clogged gutters can grow unchecked.

- **Ice-damming:** Left untreated, pooled water and leaves in gutters can freeze over. Blocked water can back up and push against the roof, lifting shingles and destroying the roof in the process.

- **Foundation trouble:** Clogged gutters also may contribute to flooded basements and cracked foundations. Leaking water will pool around the foundation, expanding when frozen and causing cracks in basement and crawlspace walls. It also can cause driveways and other cement areas around the home to sag and crack.

Gutter cleaning should be scheduled in the spring and fall

of each year. Homeowners can hire gutter-cleaning services to handle the job or do the job themselves. Rinse the gutters with water from the hose afterward to ensure good run-off.

Take the time to seal any leaks as well. This routine maintenance can save homeowners many headaches and prevent some very expensive repairs.

## EARTH-FRIENDLY TIPS FOR AUTUMN

Autumn is upon us, and with the change of seasons comes the fall to-do list that must be completed before the arrival of winter weather. Many outdoor jobs are best completed before temperatures drop, while others can

be tackled indoors to help save energy and prepare for increased time spent inside the home.

### Outdoor cleanup

Autumn means leaves are falling from trees and littering landscapes. Cleaning up leaves can be a time-consuming task, but it's necessary to promote the health of lawns and other plants. Grass that is completely matted down with leaves can become starved for light and moisture, and lawns may even rot when forced to spend winter beneath fallen leaves.

One eco-friendly timesaver is to shred leaves with a mower (a manual mower is preferable) and leave them as topdressing for the lawn. As long as the grass blades can be seen within the leaves, the lawn should be fine. Shredded leaves will decompose and add necessary nutrients and organic matter to the soil naturally.

Leaves also can be used in annual flower and vegetable gardens to improve the soil. Mulch made from shredded leaves can be placed on the soil around trees and shrubs. This helps to reduce weed problems and protects root systems from harsh temperature fluctuations.

### Clothing donations

It's time to pack away summer clothing and once again fill closets and drawers with sweaters and jeans. Before packing away your summer wardrobe, conduct an inventory to determine if there are any items you no longer use. Donate these items or use them as rags when cleaning.

Keep some short-sleeved shirts accessible so you can layer them under sweatshirts and sweaters. The heat from layering will be trapped against your body and keep you cozier, reducing your reliance on HVAC systems to

## Earth-Friendly Tips For Autumn

stay warm.

Home repairs

Check the roof for any missing shingles. In addition, look for spots where animals or insects may be able to gain entry into your home. Seal these areas and

repair any leaks. This will make your home more efficient later on when winter hits its stride.

Remove window air conditioners for the winter. If they can't be removed, seal them with caulking or tape and cover them

with an airtight, insulated jacket. If you have forced-air systems, move furniture away from the vents so that air can flow better around the home and keep it comfortable.

Check weatherstripping around

windows and doors and make the necessary adjustments. Installing additional insulation also can help reduce energy consumption.

A few tips can help homeowners prepare for autumn in eco-friendly ways.

# PICKLING AT DARWELL PICKLEBALL FALL REGISTRATION

**Submitted by Lorne Ross  
| Darwell District Recreation Association**

The fall pickle ball season for the Darwell Pickleballers has started and all players are urged to register for the fall season at

Darwell's registration night September 12th between the hours of 5:30 and 7:30 at the Darwell Centennial Hall.

Play has continued throughout the summer both in the hall and on the outside court at the Darwell School. Play on the

outside court will continue as weather permits to accommodate new comers to the game an introductory session after registration has been completed will be held. Fees for the fall season are set at \$25.00. Pickleball is played Monday mornings 9-11,

Thursday night 7-9 and Saturday morning 9-11.

Pickleball is a fun and exciting game that can be played by all ages and interested persons are encouraged to drop in to see what it is all about.

## RIDING UPDATE – MONTH OF AUGUST

**Submitted by Jim Eglinski, MP – Yellowhead**

This summer has been busy meeting with constituents, attending events and holding roundtable meetings.

In the first week of August, I attended roundtable discussions with MP Randy Hoback on the softwood lumber dispute in Rocky Mountain House, Drayton Valley, Hinton, and Edson. That weekend, I participated in Peers' Annual Gold Dust Daze.

I held several meetings in my

Edson office with industry representatives and constituents all throughout the second week of August. On the weekend, I attended the Pembina Valley Days, enjoying a pancake breakfast and riding in the parade.

The following week was spent travelling around the riding in between meetings with constituents in my Edson office. I attended a Rotary lunch in Edson to discuss what is happening in Ottawa. On the Wednesday I travelled to Jasper, and the next day I was given a tour of the Genessee

Power Plant near Warburg. That same day, I also attended the Cloverleaf Manor Annual BBQ in Warburg.

In the last week of August, I took some time for myself before the busy Fall Session in Parliament resumes next month. On the Tuesday, I attended a BBQ in Edmonton with our new Conservative leader, Andrew Scheer, along with his family. I also recorded a radio message, as well as enjoyed the Canada 150 Celebrations in Sangudo, including a parade, dancing, a pie eating

contest, and a car show.

August was an eventful month meeting with constituents and attending events across our beautiful riding of Yellowhead. I will be attending our Conservative Caucus Retreat in Winnipeg at the beginning of September before Parliament resumes on the 18th. As your voice in Ottawa, I look forward to bringing all of your concerns to the House of Commons in the coming Fall Session.

# NEW SCHOOL YEAR AT OJSH

**James Eastman**

**Submitted by Wanda Pederson | Oneway Junior Senior High School**

The first day of school is very exciting whether you are a student entering kindergarten for the first time or starting your graduating year. It is an exciting time for staff as well, as they prepare their classrooms and lesson plans for their students.

This year at OJSH we welcome two new teachers. Mr. Ryan Siemens will be teaching Mechanics and some Phys. Ed. at our school. Mr. Siemens is a journeyman mechanic as well as a certified teacher. He apprenticed in mechanics right out of high school and, after receiving his journeyman's certification and working in the trade for a few years, went on to the University of Alberta to earn a B.Ed. specializing in CTS with a minor in Phys. Ed. Mr. Siemens is married and has two boys aged 7 and 9.

OJSH is also pleased to welcome James Eastman to our teaching staff. Mr. Eastman will be teaching CTS/Construction in the woods shop. Although he started out as a certified massage therapist, Mr. Eastman eventually became a journeyman carpenter, working for 10 years in Grande Prairie for a commercial general contractor. Mr. Eastman then attended the University of Alberta and received his

**Ryan Siemens**

teaching certification, specializing in CTS with a minor in Phys. Ed. Mr. Eastman is married and has a 6-year-old son.

Both Mr. Siemens and Mr. Eastman say they are very excited to be here at OJSH and they are looking forward to the coming year. Welcome to our school!

In other happy news, this summer, Ms. Andrea Peer celebrated her marriage in her home province of New Brunswick. Ms. Peer is now Mrs. Caux and she is starting her second year with us, teaching English Language Arts and a Drama course. Also celebrating a wedding this summer was our Music teacher and Grade 8 Phys. Ed. teacher, Ms. Ellie Neufeld. Ms. Neufeld is now Mrs. Anderson. Congratulations and best wishes from all of OJSH to these two fine teachers.

There is a new class schedule for Grade 8 and Grade 9 students this year. For some classes, instead of the traditional 80 minute block, the class length will be divided into two 40 minutes blocks. This will apply to Math 8 and 9 and their alternate classes, Phys. Ed. 8 and 9. The rationale behind this change is to ensure students receive daily reinforcement of the math skills they are learning. Previously, students were in Math classes every other day. This new schedule also ensures students in junior high have daily physical activity.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
