WABAMUN LIONS THURSDAY NIGHT BINGO ENDS

Submitted by Wabamun & District Lions

Wabamun & District Lions regretfully announce that Thursday, September 28th will be their final Thursday Night Bingo. We have a small membership and every one of us was committed to working Bingo every Thursday night: that equaled about 28 volunteered man-hours per week. We did try to continue as long as possible but, due to rising costs and subsequent change to the venue and to smaller crowds, the bingo is no

longer viable.

LIONS is a service club with a mandate that no member shall profit in any way and that every cent raised must be donated to approved recipients. Over the years, Wabamun Lions have donated thousands of dollars to minor sports, charitable requests and non-profit organizations within our area. Bingo has been the major fundraiser for these donations.

We sincerely thank all the patrons who held on, attended and tried to keep us afloat. You are true friends of LIONS. To all the

volunteers from our community who came to work Bingos and assist in other ways, we thank you so very much.

It would be nice to name names but there are so many and you know who you are. Thank you to Denise and her staff in the concession who carried on at very little profit just to help us.

We will continue to look for ways to help in our community and will try to keep everyone informed of our future endeavors.

Again... thank you to all who supported us.

SCHOOL TRUSTEESHIP MATTERS!

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

In 2017, preserving the community voice of locally-elected school board trustees on education in Alberta is more important than ever before. That's why preparations are well under way at Grande Yellowhead Public School Division for this fall's school board trustee elections.

"School board trustees are elected to be the voice of their local communities, and education is one of the most important issues in every community," said GYPSD Board Chair Brenda Rosadiuk.

Across the province, there are 61 public, separate and francophone

school boards – all represented by the Alberta School Boards' Association – with a total of more than 400 locally-elected school board trustees. These trustees collectively make decisions on behalf of about 600,000 students in kindergarten to Grade 12, and decide the best ways to allocate a total of \$6 billion in taxpayer dollars on local education priorities. Grande Yellowhead's seven trustee board manages a \$62 million budget with the responsibility of educating over 4,100 students.

Alberta school communities continue to benefit from the local representation of the trustees they elect every four years, along with their municipal elected officials.

"We know our communities are knowledgeable, engaged, and care

about education," noted Rosadiuk. "That's why we want people to think about running as a school board trustee candidate in their community, and encourage all to seek out information on what they need to know before making their decision."

There is a wealth of information on the Grande Yellowhead website at www.gypsd.ca. Nomination Day in Alberta is Monday, September 18, 2017, and municipal and school board trustee Election Day is Monday, October 16, 2017.

Please consider running as a school trustee, and remember to vote on election day so that your voice is heard on what matters to all of us - the educational success of our children.

CHAMBER TO HOST ELECTION FORUMS

Submitted by Al Hagman

The Evansburg and Entwistle Chamber of Commerce will be hosting election forums for the upcoming municipal elections. The forums will be open to all candidates vying for mayors, councilors, and school board trustees.

The first forum will host candidates running in Yellowhead County. It will be held on Thursday, September 28 at the seniors' Heritage House. The second forum will host the candidates running in Parkland County. It will be held on Thursday, October 5th at the Entwistle Community Church.

In each of the forums, the doors will open at 6:00 p.m. and the forum will run from 7:00 until approximately 9:00 p.m. The moderator for each forum will be Monica Cappis, who has moderated many of the past forums. Each candidate will have a chance to present their platform before fielding prepared

questions from the Chamber of Commerce. Following those questions, the forum will open up to a Question and Answer session with those in attendance.

We hope that you will find this event an important tool in making sound decisions in the upcoming elections.

WELCOME TO WABAMUN SCHOOL

Submitted by Les Worthington, Principal | Wabamun School

It was great to see all of the students return to school last week. As I walked the halls one could feel the energy and the sense of anticipation for the things to come. As the year unfolds we will look to continue to improve our communication to you as parents about how your child is doing in school. I'm hoping many of you will be able to join us for our Meet the Staff BBQ on Tuesday, September 19th starting at 5:30. This will be a great opportunity to meet the people who will be working with your children this year. The following week we have our first Wabamun School Council meeting on the 26th at 3:30 in the library. All parents of Wabamun School students are encouraged to attend as we look to plan out an amazing year for your children. Here are some things to note and to look forward to:

Fieldtrips - All classes will be going on two "major" fieldtrips

this year. These will be in addition to Apple Days. Volunteers may be needed. Details will be presented at the School Council meeting on the 26th.

Cross Country Team - All students (Kindergarten - Grade 9) can participate in Cross Country. Practices will take place during the lunch hour. Parents are responsible for getting their child to and from the races.

Volleyball - All students (Grades 6-9) who are interested in playing volleyball are invited to attend after school on Wednesday. Please ensure you have a ride home. Students in Grades 4 & 5 are invited to participate in the developmental practices that will take place Thursdays in the gymnasium with Mr. Worthington.

We look forward to a great year at Wabamun School. Should you ever have any questions, comments or concerns please do not hesitate to contact me.

WILDWOOD & DISTRICT AGRICULTURAL SOCIETY GYMKHANA

Submitted by Sylvia Martinetz

Hello Riders,
As you all know the Wildwood & District Agricultural Society is planning to put on a fun gymkhana without official rules for everybody to come and join us in the

fun in the sun!!

We will be making up some games and rules that everybody with every riding level can enjoy, as long as you have control over your horse.

Make sure your insurance is up to date and your cinch not frayed!!

Come in English or Western

gear, its totally up to you.

The event will be held on Sunday, September 24/2017 at the Wildwood Fairgrounds.

We will be asking a \$ 5.00 entry fee to cover some expenses. Gates will open at 11 AM, the games will start at 1 PM.

If you want to enter a game I

will call out the rules and pattern, you will line up at the gate.

So, let your friends know, saddle clubs please spread the word.

You can call or email me to enter.

Sylvia Martinetz
lprsyva@telusplanet.net

MP JIM EGLINSKI ANNOUNCES 2ND ANNUAL CHRISTMAS CARD ART CONTEST

Submitted by Jim Eglinski, MP - Yellowhead

OTTAWA: MP Eglinski is pleased to announce a call for submissions to his 2nd annual Christmas Card Contest. Each December, Members of Parliament have the opportunity to send out Christmas cards to constituents. Usually, these cards display the family of the parliamentarian and/or an Ottawa scene. However, given that there are many talented young individuals within the Yellowhead riding, MP Eglinski wants to recognize one of these artists and showcase their artwork.

Guidelines, Rules and Conditions:

1. This contest is open to all students in my Yellowhead Riding who are in Kindergarten through Grade 8.

2. Each entry must be accompanied by a signed entry form, which can be obtained from www.jimeglinski.ca.

3. All formats welcome... water colour, pastel, crayon, oil painting, pen and ink drawing, photograph, etc.

Completed artwork must be submitted with the entry form, postage free, to my Ottawa Office at:

MP Jim Eglinski
Room 304, Justice Building
House of Commons OTTAWA
ON K1A 0A6

The winning entry will be displayed on the cover of MP Eglinski's 2017 Christmas card, and the name of the artist will be printed (with parental permission) on the back of the cards.

Submission Deadline: October 10, 2017

Good luck! Use your imagination, and most of all, have fun!

PROPOSAL CALL FOR SNOW REMOVAL

Grande Yellowhead Public School Division No. 77 invites all interested contractors to submit a proposal for the removal of snow, grading and the sanding of all Division owned parking lots at the following locations:

Grand Trunk High School, & Evansview School in Evansburg, Wildwood School, and Niton Central School.

The successful contractor must demonstrate that all of the areas bid on will be cleaned and sanded within a 12 hour period after any significant snowfall.

The proposal call should therefore include the type and number of pieces of equipment available to clean, grade, sand and remove the snow from all parking lots and the hourly rates charged including travel time. Include WCB clearance letter and proof of liability insurance in proposal.

When submitting a proposal bear in mind the distance between the sites and restrictions on a single operator for a number of sites.

Preference will be given to those contractors that submit their company safety program including safe work practices and up to date equipment maintenance records.

Sealed quotes will be received by Grande Yellowhead Public School Division No. 77 attention:

Director of Facilities 3656 – 1st Avenue Edson, Alberta T7E 1S8
Telephone: (780) 723-4471 Toll Free: 1-800-723-2564 Fax: (780) 723-2414

Closing Date: Friday, September 29, 2017 at 2:00 p.m.

Grande Yellowhead Public School Division No.77 reserves the right to accept or reject any or all applications.

ROSEVEAR BRIDGE CONSTRUCTION UPDATE FALL 2017

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

The contractor for the Rosevear Bridge has shut down work on the project for the year with plans to start up again in spring 2018. The

seasonal shut-down is due to concerns with the contractor not being able to complete the Highway 748 road tie-in before winter.

The construction process that is being managed by Stantec and overseen by Yellowhead County has to take into account various weather

conditions and is required to meet strict environmental requirements during all phases of the building of the new bridge.

The project remains on track and is scheduled to be completed by the 2018 contract completion date.

Yellowhead County appreciates

your cooperation during the construction of this project.

For more information on this project, please contact Don O'Quinn, Infrastructure Services Director at the Edson Administration Office by calling 1-800-665-6030.

FCSS GRANTS DEADLINE FAST APPROACHING!

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

Yellowhead County still has Family and Community Support Services

(FCSS) grants available for 2017. The grants enable County communities to develop or enhance their own programs and services. These programs are usually about improving the social well-being of individuals, families, and the community.

FCSS Supervisor Wendy Robinson shares: "The County has a lot of distinct communities and we can't provide services and programs in all of the areas. Grants are a way for communities to create their own resources and also maintain ownership and responsibility, they truly reflect the needs and strengths of individual communities."

Grants are available for groups that want to offer workshops, programs or services that are socially preventive in nature. As a result, the FCSS Advisory Board has identified specific areas for grants, including intergenerational programs, social seniors, multicultural activities and child and youth projects. As well, a "NeighbourLinking" grant is available for individuals that would like to hold an event for neighbours to get to know each other, similar to a block party in a town.

FCSS has been providing grants to communities and programs for many years. An example of a grant project that has been locally run and highly successful over the years is the Grandparent Program run by the Wildwood Seniors, in partnership with the Wildwood School.

FCSS grant applications are reviewed and approved through the FCSS Advisory Board. The board meets bi-monthly and will be accepting grant applications until October 18th, for the November 1st FCSS Board Meeting. Grant requests in excess of \$10,000 must be approved by Council.

For more information or to request a grant application package, please visit the Yellowhead County webpage or contact the Yellowhead County Office in Wildwood at 780-325-3782.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

JOKE OF THE WEEK

A head teacher is making his rounds of the school when he hears a terrible commotion coming from one of the classrooms. He rushes in and spots one boy, taller than the others, who seems to be making the most noise. He seizes the lad, drags him to the hall, and tells him to wait there until he is excused. Returning to the classroom, the head teacher restores order and lectures the class for half an hour about the importance of good behaviour. 'Now,' he says, 'are there any questions?' One girl stands up timidly. 'Please sir,' she asks, 'may we have our teacher back?'

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

September 12, 2017

Redistrict in Niton Public Hearing – A Public Hearing was held for Bylaw 11.17 that would allow staff accommodation on a property in Niton Junction. The current zoning does not allow for staff accommodation. The bylaw will be brought back for additional readings to a future council meeting. No input from the general public was brought forward during the hearing.

Peers ASP Public Hearing – A Public Hearing was held for the Peers Area Structure Plan (ASP). The Peers ASP (Bylaw 2.17) provides a framework for the long-term growth and development in the Hamlet of Peers. Public engagement for the new Peers ASP has included public meetings and engagement with individual hamlet landowners. The Peers ASP will be brought to a future council meeting for final adoption.

Edson IDP Public Hearing – A Public Hearing Council was held for

the Edson IDP (Bylaw 3.17). The updated Edson IDP is an agreement between Yellowhead County and the Town of Edson and defines what will be allowed for future development where the two municipalities' borders meet (the Edson Fringe Area). This updated plan is considerably more concise, easier to understand and is organized to enhance its use. The Edson IDP will be brought to a future council meeting for final adoption. Public engagement for this plan has included two well attended public meetings.

Continuation of Grazing Lease – Based on a Council decision, Yellowhead County will enter into a lease agreement with Gloria Lowey for Pt. SE 11-54-16-W5M at a rate of \$138.60 per year for a five year term. This will allow Lowey to take over the grazing lease which was previously leased to her husband.

The next scheduled Council Meeting is September 26, 2017. The September 19, 2017 Committee of the Whole Council Meeting is cancelled. Meetings start at 9:30 a.m. in the Council Chambers.

PREVENT STAIRWAY INJURIES

Stairs are a necessity in many homes. While stairs serve a practical purpose, they also have the potential to be dangerous.

According to the National Safety Council, more than one million injuries result each year from stairway falls. Staircase and stairway accidents constitute the second leading cause of

accidental injury, second only to motor vehicle accidents. Each year, there are 12,000 stairway accident deaths. The Canadian Mortgage and Housing Corporation states that a large portion of Canadians who visit hospitals after a fall on or from stairs or steps in their homes are seniors (men and women age 65 years or older).

However, many stairway falls can be prevented with some simple planning.

- Install sturdy handrails. A common contributor to stairway falls is a failure to use handrails. Sturdy handrails can decrease fall rates. Even if a person slips, he or she may be able to prevent the fall by grabbing on to the handrails and regaining some of his or her balance.

- Rely on highlighters or friction strips. According to a study titled "Safety on stairs: Influence of a tread edge highlighter and its position," by Richard J. Foster, fall risk may be reduced by using a highlighter positioned flush with the tread edge. This helps make stairs more visible, particularly for those with impaired vision.

- Improve lighting on staircases. Failure to see steps may contribute to falls as well. Staircases should be well lit so that residents and guests know where to step. Subtle foot-level lighting can be installed to make it easier for people who frequently use steps at night.

- Use slip-resistant materials.

Slip-resistant surface material acceptable for normal floors should work on stair treads. Loose rugs should not be placed at the top or bottom of the landing. Outdoors, rough finishes are recommended, particularly on stairs that are subject to getting wet.

- Improve step geometry. If slips and falls frequently occur on a particular staircase, consider the relationship between the rise and the run, advises the Canadian Centre for Occupational Health and Safety. The National Building Code of Canada says that, within a staircase, treads should have a uniform run and tread depth that does not vary more than 0.5 to 1 cm. Steep steps with high risers and/or short treads can increase the risk of falls.

- Clear away clutter. One easy way to prevent falls is to keep stairs free of clutter. This means removing shoes, toys and other belongings that may be left on stairs or landings.

Many falls on stairs can be prevented by being mindful of certain risk factors.

ROOFING MATERIALS TRANSFORM THE LOOK AND FUNCTIONALITY OF A HOME

When renovating a home, homeowners may not give ample thought to the roof unless there is a leak or another sign of damage. It's easy to forget about the roof when materials are working properly. Some people put off replacing or repairing a roof simply because of the costs of such undertakings. However, the right roof can improve the appearance of a home and provide protection against the elements, potentially preventing damage to a home's interior as well.

Roofing materials have evolved over the years, but the most common type of roofing material is the asphalt shingle. These shingles are a relatively modern invention, with the first "asphalt prepared roofing" serving as a forerunner to asphalt shingles, appearing in the late 1800s.

Roofing materials will need to meet a particular area's fire codes and must be able to withstand any extreme weather conditions common to the geographic region where the home is located. Certain roofing materials may be heavier than others and may require special framing. Work with an experienced roofing contractor to learn more about your available options and to shed light on any special installation or maintenance issues to consider before construction begins.

The following are just some of the roofing materials homeowners may want to consider.

- **Asphalt shingles:** The most popular roofing material, asphalt shingles are guaranteed for 20 to 30 years, which helps solidify this choice as a smart-value product. For some homeowners, a downside to shingles is that, because they are so popular, they're seen everywhere. So those homeowners looking to make a unique statement with their roofing materials may want to choose a different option.

- **Wood shingles and shakes:** A wood roof is another possibility, but some homeowners find wood roofs require more money to install and more effort to maintain than roofs made with other materials. Wood shingles are sawn from logs and are thin, while shakes are thick, rough and formed by being split from logs.

- **Clay or concrete tiles:** These tiles add texture and elegance to a roof, says HGTV. Clay or concrete tiles are very

durable and quite heavy, so they must be installed by a professional. These tiles can make Mediterranean-, Spanish- or mission-style houses stand out even more. Their long-lasting nature can help offset the price tag.

- **Metal:** Metal roofs are usually made from fully recyclable steel, aluminum

or alloy, making them an eco-friendly choice. Metal roofs also reflect the sun's rays and can be an energy-efficient option in hot climates.

- **Slate:** One of the longest-lasting materials available in roofing products, slate is fireproof and comes in various natural colors and shapes. Once installed, slate

requires very little maintenance. However, slate can be cost-prohibitive because its delicacy and weight requires extra roofing support and professional installation.

Changing a roof means years of improved performance and an instant uplift to the look of a home.

HOW FAMILIES CAN MANAGE CRAMPED QUARTERS

Young parents living in cities face difficult decisions regarding their living arrangements. The suburbs versus city debate is one many young married couples

have had, and that discussion is often prompted by the arrival of children.

Data from the U.S. Census Bureau suggests that more people

are choosing cities over the suburbs in the 21st century. While that data indicates 53 of the 81 cities in the United States with populations exceeding a quarter million people experienced reduced growth in 2013-2014, the most recent year for which statistics are available, during that time such cities still exhibited growth well above their averages from 2000 to 2010.

There are many reasons why city life might make more sense than living in the suburbs for young married couples. Living in the city may lead to far shorter commutes for working parents, and the availability of public transportation in cities may save

parents the costly expense of purchasing their own vehicles.

But city life may force families to cope with cramped quarters. Even the most spacious apartments may not provide the same square footage as single-family suburban homes. Parents who are committed to city living may need to get creative in order to live comfortably in apartments.

· Actively police clutter. Few things can make apartments seem more cramped than clutter. Unsolicited mailings, old magazines and unused kitchenware are just a few of the items that can make small apartments seem even smaller. Discard junk mail the moment you walk through

How Families Can Manage Cramped Quarters

the door, making a daily effort to keep kitchen counters and tables, coffee tables and other areas that tend to accumulate clutter clear of clutter. Reducing clutter also makes homes safer for young children, making it easier for them to navigate a home while reducing choking hazards.

• Keep hosting duties to a minimum. Many men and women love to host friends and family, and that desire to host won't subside simply because you live in a city. But even if you love to host, host more intimate gatherings so you are not forced to use your already limited storage space to store items, such as extra plates, utensils and drinking glasses, that you will only use every so often. Fewer guests means fewer items you need to

store year-round.

• Go easy on the tots' toys. Parents of young children know that kids' toys take up a lot of space, and that's space that many city dwellers simply don't have. Rather than adding to youngsters' toy stash each month, explain to them that space is limited and that some older toys will have to go before new ones can be purchased. Donate old toys and let kids know their items will be given to less fortunate youngsters, as that may make kids feel better about parting ways with their toys. Set a good example by showing kids when you discard or donate older items before replacing them with new ones.

• Think vertically. Single-family home owners may not need to make much use of the vertical

space in their homes, but such is not often the case with apartment dwellers. Utilizing vertical space in an apartment can be as simple as buying some shelving units or bookcases. To be safe, keep items the kids will use on

lower shelves so they are not tempted to do some climbing to reach their toys or books.

Parents who choose the big city over the suburbs may need to make some sacrifices to make better use of cramped quarters.

FOUR CHARGED IN THEFT/FRAUD RING

Submitted by Edmonton International Airport RCMP

Leduc, Alberta – RCMP have charged four individuals with a total of 91 offences following a complaint at a local hotel.

On August 11, Edmonton International Airport RCMP were called to a report of a credit card fraud in progress at an airport hotel. Officers attended and arrested four people involved in the offence. A subsequent search of the suspects' vehicles resulted in seizure of stolen credit cards, identifications, computers and mail.

"Property has been recovered from thefts in Sylvan Lake, Stettler, Red Deer and Camrose," says Constable Drew Burchett, Edmonton International Airport Detachment. "We are pleased to be able to bring some closure to those investigations."

Charged with 70 counts of theft and property offences is Chance MURANAKA, 44 of Sylvan Lake.

Charged with 14 counts of theft, property and drug offences is Travis MURANAKA, 40 of Sylvan Lake.

Charged with 7 counts of Possession of Property Obtained by Crime is Melissa BOWIE, 27 of Sylvan.

Travis and Chance MURANAKA have been remanded into custody and are scheduled to make their next court appearance on September 14, 2017. BOWIE was released on a recognizance and is scheduled to appear on September 14, 2017 in Leduc Provincial Court. A fourth person was released without charges.

The investigation is ongoing and anyone with information on these crimes is asked to contact the Edmonton International Airport detachment at 780-980-7200. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1.800.222.8477 (TIPS), by internet at www.tipsubmit.com. You do not have to reveal your identity to Crime Stoppers, and if you provide information to Crime Stoppers that leads to an arrest(s), the recovery of stolen property, and/or a seizure of illicit drugs, you may be eligible for a cash reward.
