## POLICE PURSUIT OF STOLEN TRACTOR ENDS IN ARREST

**Submitted by Barrhead RCMP**

Two people are in custody following a suspicious person complaint that led to RCMP from Barrhead pursuing a stolen tractor.

At 1:45 pm on October 28, Barrhead RCMP responded to a complaint of suspicious persons at a rural property in the Tiger Lily area, northwest of Barrhead. On arrival, officers learned that a man and woman had arrived at the property driving a stolen vehicle and had left on foot after police were called. Patrols were made of the area and a man and woman matching the description of the suspects were located walking on Highway 655. Both suspects fled from police and the female was apprehended after a short foot chase.

The male suspect evaded arrest and travelled through the bush, eventually stealing a tractor from

a farmers field. Officers located the tractor and the male again fled from police, this time driving the stolen tractor. Officers attempted to set up a road block at which time the suspect used the front end loader to ram and disable a police vehicle. Barrhead RCMP requested additional resources from Westlock and Mayerthorpe and alerted oncoming motorists of the oncoming machinery. After approximately 45 minutes, the suspect attempted to avoid another roadblock by driving into the ditch where the tractor got stuck and the man was arrested.

41-year-old Amber Lorraine Smith of Mayerthorpe has been

charged with Possession of Property Obtained by Crime and resisting arrest. She has been remanded into custody and is scheduled to make her first appearance on November 1 in Westlock Provincial Court.

41-year-old Craig Morris Benson of Mayerthorpe has been charged with Assaulting a Peace Officer, Resist Arrest, Theft over \$5000, Possession of Property Obtained by Crime, Flight From Police, Mischief and Fail to Remain at the Scene of an Accident. He has also been remanded into custody and is scheduled to appear on November 14 in Barrhead Provincial Court.

## JOKE OF THE WEEK

A cab driver picks up a nun. She gets into the cab, and the cab driver won't stop staring at her. She asks him why he is staring. He replies: "I have a question to ask you, but I don't want to offend you". She answers, "My son, you cannot offend me. When you're as old as I am and have been a nun as long as I have, you get a chance to see and hear just about everything. I'm sure that there's nothing you could say or ask that I would find offensive." "Well, I've always had a fantasy to have a nun kiss me." She responds, "Well, let's see what we can do about that. But first, you have to be single and you must be Catholic." The cab driver is very excited and says, "Yes, I'm single and Catholic!" "OK" the nun says. "Pull off to the side of the road, maybe we will see what we can do." The nun plants a whopper of a kiss on the cabbie! But when they get back on the road, the cab driver starts crying. "My dear child," said the nun, "why are you crying?" "Forgive me, but I've sinned. I lied. I must confess, I'm married and I'm Jewish." The nun says, "That's OK, my name is Kevin and I'm going to a Halloween party."

# 2017 REMEMBRANCE WEEK ACTIVITIES

Submitted by **Richard Moses, Acting President | Onoway Royal Canadian Legion #132**

The Onoway legion is again very involved in activities in Onoway and area beginning November 4, 2017. The Legion will attend services at several schools, before the annual November 11 community service.

On Sat., Nov. 4 at 7:30 P.M., the Royal Canadian Legion and Cosmopolitan Music Society present "Lest We Forget ... a Musical Tribute" at the Winspear Centre in Edmonton. This memorable concert commemorates veterans and honours serving members of our military. The concert begins at 7 p.m., with a silent auction in the lobby before the concert. Tickets are \$25 each, available at the Onoway Legion, Tix on the Square, or at the door.

On Monday, November 6, the honour guard (uniformed members) will attend Grasmere School in Alberta Beach for a 9 a.m. service. They will then move to Rich Valley School for a late morning service the same day.

School services continue Tuesday, November 7, with the hon-

our guard attending the Onoway Elementary school service at 9 a.m., then the 11 a.m. service at Onoway High School. On Friday, November 10, the honour guard will attend the 1 p.m. service at Alexis School.

On November 11, the Legion will once again host a community service in the Onoway High School gym. People laying wreaths should check in (no later than 10:15 a.m.) at the Legion ta-

ble. The public service will start at 10:45 a.m., and is followed by a march to the Legion cenotaph for a short ceremony there. The public is invited to attend.

Directly after the service, the Legion will be open to the entire community for socializing with our vets, serving members, family and friends. Please respect our veterans and serving members by letting them enter the Legion first.

On Sunday, November 12, Legion members will participate in the St. John Anglican Church service in Onoway.

If you are, or know of, any veterans or serving members who have not already been contacted, please call 780-967-4146. The legion tries to keep a record of our local veterans for recognition each year, and rely on everyone to keep our list up to date.

# GREETINGS FROM THE ONOWAY LEGION

**Submitted by Lorinda McCool | Onoway Royal Canadian Legion**

Monday October 30, 2017

Submitted by Co-Poppy Chairman Ted Latimer: "Each year the Royal Canadian Legion sponsors a Legion and Poster Competition for the school students who enter to express their thoughts on Remembrance. They can either write an Essay or a Poem or draw a Poster. The Poster may be either in Black and White or Colour. There are different grade levels for the student to enter. The entries are then judged at four

different levels of the Legion. They are the Branch, District, Provincial Command and Dominion Command. The entries are first judged at the Branch Level and then the top two entries move on to the next level. Prize amounts are awarded at each level. Last year a Grade Six Student (Kaylie Seinen) from the Onoway Elementary School came first at all four levels with her Junior Essay meaning her essay was number one for all of Canada. This means that our Onoway and Area Students have the talent. I would encourage all our students to enter into the 2017 Competition with ei-

ther a Poem, and Essay or a Poster. If you require more information feel free to contact me at (780) 967-4980 or e-mail wlatimer@telus.net. Looking forward to hearing from you."

A surprise visit from Santa topped off a very successful Tyschuk Construction Ltd. sponsored Christmas in October fundraiser for the Lac Ste. Anne East Foodbank. Two hundred and sixteen pounds of food, all of the proceeds from the roast beef dinner (\$1395.00) and donations of cash were forwarded from the Legion thanks to the generosity of customers attending the supper. Thanks

to Bob C. and his outstanding Crew of Ron W., Jay K., Lorne O., Mary R., Marcelle J., Clint W., Heike P., Wayne H., Dee H., Meila S., Elvina S., Randy W. and Liane W., diners were treated to an incredible roast beef supper. New volunteer Megan Hollinshead helped Louise B. in the bar making sure patrons were well refreshed. Although the happy customers were full they managed to munch on some of the candy handed out by Santa before the draws handled by Ric Moses. Congratulations to Dave Roberts for winning the free meal voucher, Shirley Steinke the meat draw and Pauline Gibbs the 50/50 purse.

Three teams represented Onoway at the Area "A" Legion Dart tournament in the Mayerthorpe Legion on April 21st. Hopefully I will be able to give you the results in the next issue as I have not received any information yet.

There are still some \$25.00 tickets available at the Legion for the Lest We Forget Concert being held at the Winspear Centre on November 4th @ 7:30 PM. This is an incredible presentation by the Royal Canadian Legion and Cosmopolitan Music Society and honors our military with memorable music and moving tributes.

Grey Cup Pull Tickets are being sold at the Onoway Legion Bar or by various Legion members. Get your soon as last year they were sold out long before the game which will again be shown on our big screen TV this year.

# DARWELL PUBLIC LIBRARY NEWS

**Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library**

Wondering what to do with all those items from your fall cleaning? We continue our fundraising efforts to complete the new library expansion. We are currently doing a Value Village donation drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. You can drop off your donations at the library expansion during regular library hours until November 24, 2017. Should these times not work for you please contact the library @ 780-892-3746 to make alternate arrangements.

Did you know that the library has passive programming available during regular hours? Passive programs are self-directed by patrons and available anytime at the library. We have a few things available in the library for families and individuals to do when they come to visit. The colouring club, family games and makerspaces are examples of passive programming. The wonderful thing about passive programming is that it always fits into your schedule, no specific dates and times to remember, just come down when you want to. We encourage you to ask about our passive programming and provide ideas for what you would like to see in the library. We look forward to hearing you.

Preschool Story Time for children 0 to 5 years of age continues Monday mornings from 10 – 11 AM until November 27, 2017. All children must be accompanied by an adult as this is a program designed for parents/caregivers and children together. The REDress Photography Project, in honour of Canada's 1,181 missing and murdered indigenous women, is currently on display at the Darwell Public Library until mid Novem-

ber 2017. The striking photos of red dresses in unexpected places is a project produced by a group of Canadian photographers, 2 being Aboriginal, led by Edmonton's Mufty Mathewson. Each red dress represents a woman who is not here and Mufty will be here on Tuesday, November 7, 2018 at 7PM to share her PowerPoint presentation and explain how she was inspired to start this project. This is a free program but we would like you to pre-register, so mark your calendar and drop by for some refreshments and find out about this fantastic project. You can also obtain more information on the project by visiting <https://www.facebook.com/REDressProject/>.

We will supply the baseplates and LEGO, you supply your Superhero powers to construct your masterpiece. This will be a free program with light refreshments provided. Upon completion we will display the creations for 2 weeks and have visiting patrons and community members pick their favorite pieces. If we find that there is enough interest, we would like to start a regular S.T.E.A.M. (Science, Technology, Engineering, the Arts

# RIDING UPDATE – WEEK OF OCTOBER 9, 2017

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down this week, allowing me to spend time in the riding. I had the opportunity to meet with many constituents, attend events, and address important riding issues.

On Tuesday, I visited grades 6, 7, and 8 students at Pine Grove Middle School in Edson. We discussed the importance of voting, and how politics impact the community.

On Wednesday morning, I stopped in at Niton Junction and held a community discussion on the Liberal's proposed tax changes for corporations.

I was in Drayton Valley for the rest of Wednesday and Thursday. On Wednesday afternoon, I met with more local small businesses leaders regarding the tax changes. Later, I enjoyed an open house at the Breton fire hall that included tours, Fire Safety Awareness, and fire extinguisher demonstrations. I

also attended the debate by Brazeau County's Zone Six candidates for the upcoming municipal election.

On Thursday, I took part in an event in recognition of Alberta Foster and Kinship Caregiver Week (October 15-21) at Drayton Valley's Town Office. In Canada, 83,000 children are living without their biological or adoptive parents. I was happy to help recognize our local foster and kinship caregivers, who play a critical role in providing our vulnerable children a safe and nur-

turing environment.

On Friday, I attended the Small Business Awards Ceremony in Edson. The event coincides with Small Business Week, which is a national celebration of Canadian entrepreneurs and their contribution to Canada's economy.

This weekend, I will be attending the 32nd annual Farmer's Appreciation Breakfast at Wildwood Community Hall. I will also attend Edson's Red Brick Harvest Bazaar and Tea before returning to Ottawa on Sunday.

## PREPARE VEHICLES FOR HARSH WEATHER

As the seasons change, motorists must take steps to safeguard their vehicles, especially when

the season changes from fall to winter. Each winter, many vehicles are subjected to sub-zero temperatures, snowfall and icy roads, and such conditions can take their toll on vehicles over time. Taking steps to prepare vehicles for winter weather is a vital step that can make cars and trucks safer for drivers and their passengers.

**Battery**  
Old batteries should be replaced before winter begins. Without a strong, properly functioning battery, engines cannot turn over. Most batteries last between three and five years. However, extreme cold can compromise batteries, especially those that have been around

## Prepare Vehicles For Harsh Weather

awhile. Batteries are made up of acid and water, and cold temperatures can freeze the water, thereby affecting battery performance. According to AAA's Automotive Research Center, at 32 F, the average battery loses 35 percent of its strength. Newer batteries can be protected by starting the vehicle each day to warm up and recharge the battery. Let the car run for at least 10 minutes if you cannot take an extended drive.

### Exterior Maintenance

Keeping a car waxed and sealed can help maintain a durable exterior finish. This includes not only the paint, but the rubber and vinyl parts of the car's exterior.

Winter is a good time to switch to a heavy-duty synthetic wax that can shield against water and road salts. High-quality sealants can be used on bumpers, trim and rubber door seals as added protection. Speak with an automotive retailer or even the car dealership if you are unsure which products will make your car's parts most durable for winter weather.

Do not stop washing your car just because the weather is cold. Slushy, wet roads and snow-melting salts can speed up the formation of rust or other decay on the undercarriage of the vehicle. These materials will need to be periodically cleaned off. Flush the underside of the

vehicle whenever possible, taking advantage of any dry, slightly warmer days.

### Tire Pressure

According to the automotive retailer Pep Boys, vehicle tires lose a pound of air pressure for every 10-degree drop in temperature. Many modern cars will alert to changes in air pressure, and drivers should be diligent in maintaining the proper tire pressure. Fuel economy as well as handling ability can decline when tires are not inflated properly. Tires can be refilled at many gas stations for little cost.

### Wipers

Visibility is key in hazardous weather conditions, and keeping the windshield clean is a priori-

ty. This means ensuring there is enough windshield wiper fluid in the car and that it is a product that will not freeze.

Wiper blades can freeze and crack in the winter. Older blades may be more susceptible to damage. It's a worthy investment to replace existing wiper blades at the start of each winter. When vehicles are parked, pull the wipers off of the windshield to safeguard them from sticking and cracking.

Cold weather requires drivers to amp up their vehicle maintenance routines. Consult with a mechanic or automotive retailer for more ideas and products that can help your vehicles operate safely and efficiently this winter.

# HIGH SCHOOL RODEO WINNER

Submitted by Wanda Pederson | Onoway Junior Senior High School

On the weekend of October 14th and 15th, OJSH Grade 12 student Bailey Bartel won the pole bending competition at the last rodeo of the season. The rodeo was held at Evergreen Park Rodeo in Grande Prairie. Bailey was the first competitor of forty riders to come out of the gate and her time of 21.601 seconds could not be beat. She and her horse, Blink, a dun-colored quarter horse, had the fastest run of the entire weekend.

Pole bending is an approved high school rodeo event. It is a timed event that features a horse and rider running a weaving path around six poles arranged in a line. The pole bending pattern is run around six poles that are 21 feet apart. Setting up the pole bending pattern is very important to the event. The poles are

six feet high and are mounted in bases. The poles are usually made of PVC pipe with bases composed of rubber or plastic.

Naturally, good horsemanship is essential for success in pole bending just as it is for barrel racing. The horse and rider work as a unit to win. Although a rider is allowed to touch a pole with their hand in pole bending, knocking over a pole carries a five-second penalty. Worse, not to follow the course will cause a disqualification from the event.

Bailey says that pole bending is a lot of work but she loves it and hopes to go pro in rodeo someday, even though right now, pole bending is not a pro rodeo event. Her horse Blink, she says, is her best friend and Bailey "loves her to pieces." Bailey says that Blink's personality makes her laugh every day.

Bailey is certainly one of our OJSH school champions!

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
