CALL FOR APPLICATIONS – SMALL AND MEDIUM SIZED BUSINESSES

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform constituents of a funding opportunity for small and medium sized businesses in his riding.

On October 31, 2017, Western Economic Diversification (WED) announced that it is accepting applications under the Western Innovation (WINN) Initiative.

Created by the previous Conservative Government in 2013, WINN is a program that offers repayable contributions to western Canadian businesses with less than 500 employees, to commercialize and bring to market innovative technology-based products, processes or services. To date, WINN has invested over \$97 million in 85 projects.

Under the current Liberal Government, the program is prioritizing clean technology, clean resources, digital technology, advanced manufacturing, value added agriculture, and health biological sciences.

Repayable contributions cover up to 50% of total eligible costs for each project, to a maximum of \$3.5 million per project. As long as the recipient is in good standing, interest will not be charged.

The deadline to apply is November 29, 2017.

“I encourage all eligible business leaders in Yellowhead to consider applying to this worthwhile opportunity,” concluded MP Eglinski.

More information can be found at www.wd-deo.gc.ca/eng/home.asp. The WINN application is available at www.wd-deo.gc.ca/eng/14771.asp.

Each time we hear your name,

We've so many precious memories

Each one of them reminders

LIQUOR BAG PROGRAM INVITES STUDENTS TO DESIGN MESSAGES ON IMPAIRED DRIVING

Submitted by **Arthur Lee**, Community Liaison, SADD Alberta

This holiday season, Alberta's youth are creating impactful and creative messages to remind Albertans on the dangers of drinking and driving.

Since 2012, Students Against Drinking and Driving (SADD) Alberta, in partnership with the Alberta Gaming and Liquor Commission (AGLC), has coordinated their liquor bag campaign, whereby Alberta students from grade 1 to grade 12 can personalize a message to raise awareness on the impact of impaired driving on a paper liquor bag.

Alberta teachers and community supporters are encouraged to order their free liquor paper bags, which will serve as a blank canvas for students' designs, from

now until December 15. The completed bags are then dropped off at local liquor stores by school staff as a visual reminder to customers not to drink and drive this holiday season. Last year, more than 65,000 bags were ordered and distributed to 282 schools.

Students can also enter the Liquor Bag Design Contest through their school, with a chance to win 1 of 10 prizes, ranging in value from \$100-500. The overall winner will also have their design printed on one million bags, which will be distributed to Alberta liquor stores for use beginning the May 2018 long weekend. Students are encouraged to share their bag design on Instagram using the hashtag #SADDbag.

For more information on the campaign and contest or to order paper liquor bags, please visit SADDalberta.com.

OJSH HOLDS EDUCATION EXPO

Submitted by Wanda Pederson | Onoway Junior Senior High School

On November 1st, Onoway Junior Senior High School held its bi-annual Education Expo. In spite of a very snowy, chilly evening, the big turn-out from parents and students exceeded expectations.

Representatives from sixteen educational institutions and other career recruiters set up displays in the main foyer and Room 164 to showcase post-secondary education and career opportunities. Students and their parents were able to check out each display and talk to the various representatives to get an idea of what

would work best for each individual student's career aspirations.

Grade 12 student Nawaal Basha attended the Expo in order to figure out which post-secondary institution to attend. After going through all of the displays and talking to presenters, Nawaal has decided to attend NAIT initially and then transfer to the University of Alberta.

Nawaal said the evening was "great" and that it was "actually better" than the post-secondary open houses she has attended. She said the Expo was very well organized and would highly recommend it to all students. Nawaal even brought her 14-year-old brother to the Expo so that he could experience it and

begin to make post-secondary plans.

At the end of the evening, presenters were very complimentary about our students. They said that OJSH students were very well prepared and had thoughtful questions. The presenters also said that they preferred our smaller school because it gave them the opportunity for meaningful conversations with students and parents. All presenters said they looked forward to coming back to OJSH in two years for the next Education Expo.

The list of representatives who

were at the Education Expo were: the University of Alberta /Augustana; Mount Royal University; the Canadian Armed Forces; Lakeland College; Portage College; Red Deer College; Norquest; SAIT; University of Lethbridge; Ambrose University; University of Calgary; Kings University; Concordia University; St Mary's University; MacEwan University and Lethbridge College. Some other post-secondary institutions were unable to come to the Expo due to poor winter driving conditions.

Submitted by Alberta Health Services

ONOWAY — Women ages 50-74 — the group most at risk of developing breast cancer — will have local access to mammography services when the Alberta Health Services Screen Test program arrives in the community.

A mobile mammography trail-

er will be stationed at the Onoway Public Library on December 8 and 9. Residents can book an appointment or learn more about the program by calling 1-800-667-0604.

FATALITY STRUCTURE FIRE IN THE VILLAGE OF ALBERTA BEACH

Submitted by David Ives, Fire Chief | Onoway Regional Fire Service

Alberta Beach, AB – November 15, 2017

At 2136 last evening, North West Fire Rescue – Onoway (Operating as Onoway Regional Fire Services) was paged out to a two-story structure fire – unknown injuries – unknown entrapment on 47 Street in the Village of Alberta Beach. The first units were rolling within 2-minutes of the page out and the first arriving unit on scene in

less than 5-minutes from time of page. As units arrived on scene the main floor appeared heavily involved with fire. Flames were seen shooting from the second-floor windows. Bystanders were not sure if the home was occupied at the time.

Water was flowing within minutes of arrival as crews forced entry into the structure to darken-down the fire and commence search-and-rescue operations. Shortly thereafter, a single occupant was found unconscious. Firefighters performed rapid extrication and commenced CPR

then transported the individual to ambulance crews. Unfortunately, the occupant never regained consciousness.

Members then turned their focus back to completing the search and battling the blaze. While crews fought the fire, one feline was retrieved alive and another deceased. The fire was brought under control by 2245 and loss was stopped by 2311.

The cause of the fire is under investigation by the Office of the Fire Commissioner and the identity of the victim is with the Royal Canadian Mounted Po-

lice. North West Fire Rescue – Onoway would like to thank Lac Ste. Anne County Fire Services, AC Purewater, and Extreme Water Hauling for additional water resources as well as Alberta Health Services, RCMP, and Fortis for their assistance as well.

The thoughts and prayers of the North West Fire Rescue staff goes out to the victim and family.

Submitted by **Tara Galant, Legislative Manager | Town of Whitecourt**

NOVEMBER 14, 2017

Town Council adopted the Municipal Centre Concept Plan at last night's Regular Meeting. Whitecourt appreciates the participation, input, time, and support over the

past year and a half from community groups and individuals that have assisted in preparing the concept plan.

The plan was presented by BR2

Architecture (the project consultant) and includes schematic floor plans and preliminary cost estimates for:

- a culture centre/performing arts facility.

The Concept Plan provides an overall vision for a facility that meets the current and future needs of our community, as identified through public consultation initiatives. The plan provides Council with general concept details on what each facility would look like and initial cost estimates so that it can move forward in the decision making process. BR2 Architecture designed each component so that the facilities could either be built together, in phases, or separately.

The Municipal Centre Concept Plan will be discussed at Whitecourt Town Council's upcoming planning session, and a copy of the report is available online at www.whitecourt.ca.

Whitecourt Town Council has authorized an interest free loan to the Community Lunch Box Society in the amount of \$72,792 to pay down the Society's current loan for the purchase and renovation of its support centre.

Council will host its annual Planning Session January 18 to 20, 2018. The session will include an extensive review of the Town's strategic plan and priorities that will help guide projects and initiatives over the next several years.

The Whitecourt Project List is available for viewing on www.whitecourt.ca. The report includes the status of more than 160 projects undertaken by the municipality this year.

Council accepted the Financial Summary and Statement of Revenue and Expenditures for the period ending September 30, 2017 as information.

ALBERTA PROVINCIAL
RURAL CRIME WATCH
ASSOCIATION

RURAL CRIME WATCH BOARD: CALL FOR EXECUTIVE, MEMBERS

Submitted by Alycia Tietbohl, President, Rural Crime Watch Board, Lac Ste. Anne Northeast

You've probably seen the iconic yellow Rural Crime Watch signs dotting the countryside in our great province, but you may be surprised to learn that this notable community group has

its roots in the cattle industry. Created in 1978 by the Alberta Cattle Commission, the Western Stock Growers' Association, the Farmers' Advocate and the RCMP, the Rural Crime Watch was originally called the "Range Patrol" to help stop cattle rustlers. Over time, the organization has evolved according to the changing needs of rural commu-

nities, but it continues to be the "eyes and ears" for the RCMP.

The program now focuses on promoting crime prevention through awareness, education and encouraging reporting of suspicious activity when observed. Volunteers play a vital role in this program by helping their neighbours overcome two key elements that inhibit com-

munity involvement: fear and apathy. Through the provision of timely and relevant community information sessions, as well as forums for the public to interact with the RCMP, the Rural Crime Watch program is wholly committed to making our community safer, and to helping the RCMP better safeguard people and property.

To ensure Lac Ste. Anne continues to be a special place to live, work and play, this program remains crucial to area residents. "We're looking to reinvigorate the importance of this program in Lac Ste. Anne Northeast" says Alycia Tietbohl, President. "With increased crime and our proximity to the city, fostering good relationships between our communities and the RCMP has never been more important." To that end, the Lac. Ste. Anne Northeast Rural Crime Watch Board is seeking executive and board members, as well as members at large.

The board welcomes the public to its November 30, 2017 meeting at 7 p.m. in Room 3 at the Heritage Centre, in Onoway. Memberships will be available for \$25. For more information, please contact Mrs. Tietbohl, at 587-988-0921.

The Alberta Provincial Rural Crime Watch Association serves as an umbrella organization for chapters across the province. The association strives "to promote rural crime prevention through communication, programs and fundraising." For more information, please visit: www.ruralcrimewatch.ab.ca. The Lac Ste. Anne Northeast chapter falls under the Stony Plain and District Crime Prevention Association.

To report suspicious activity, please dial the Stony Plain RCMP at 780-968-7267. To report suspicious hunting and fishing activity, dangerous wildlife encounters and serious public lands abuse, please dial Report A Poacher at 1-800-642-3800.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool | Onoway Royal Canadian Legion

Monday November 20, 2017

Remembrance Day was commemorated by a very good crowd of people honoring those who currently serve our country and who have lost their lives doing the same. Our volunteers put in a long day but the Onoway Legion would like to first thank the contributors who made it possible to serve the wonderful lunch: Jungle's Bar and Grill from Alberta Beach for delicious smoked meat; Beachside Market from Al-

berta Beach for fresh baked Panini rolls; Allen Parr for baked beans as well as sponsoring the entertainment and Onerown Contracting Ltd. for salad fixings. Next our hard working kitchen volunteers: Bob C., Allen P., Lorne O., Mary R., Marcelle J., Eleanor S., Lorna B., and Joanne G. along with bar staff Louise B. and new volunteer Christie Dryden. Thanks to Cheryl S. for looking after identifying veterans and servicemen as well as Carol V. for looking after the coffee table and Joanne G., Neil G., Pat St. H. and Carol V. for making sure the desserts were ready for the hungry crowd. Speaking of

dessert, thanks to the following who donated the tasty treats: Joanne G., Louise B., Liane W., Pat T., Pat St. H., Carol V., Cheryl S., Cheryl W., Glo J. and Don F. Special thanks to Louise B. for assembling the honorary Unknown Soldier table display and Wade N. for making sure the front street was open for assembling the marchers in front of the Cenotaph after the service at the school. Remembrance Day was a total success topped off by entertainment provided by Broc Le Reviews.

There wasn't room in the last issue to thank Lahrman Construction for their generous donation of food for

the Food Bank and Onoway Legion. We appreciate and are very grateful for your contributions.

Louise Bambrick was helped at her Beef Stroganoff Meal on November 10th by Val O'T., Cheryl S., Scott S., Carol V., Rhonda B., Cheryl W., Sylvia P., Randy W. and Liane W. Eleanor Snider won the free meal voucher, Ted Latimer the meat draw and Ken Johnston took home the 50/50 winnings.

Play Downs for Legion Seniors Mixed Darts were held on November 14th with four teams vying to participate in the Area "A" tournament which will be held in St. Albert on December 2. Congratulations to Rick Potter's team and Neil Gorman's team for respectively placing first and second. Those two teams will go forward for sure with the possibility of Scott Sadler's and Bob Clark's team joining them if there is room. Good luck to all competitors.

The Onoway Legion will be hosting a Grey Cup party on Sunday, November 26th with doors opening @ 3:00 pm and entry fee being either a donation of finger food or \$5.00. Join us to see the game on our big screen TV. At this time there are still a few Grey Cup pull tickets available but you will have to check at the bar.

Don't forget to get your early bird 2018 membership cards before the end of November as your card will be required to play in any Legion sports tournaments and the price will go up in December.

UPCOMING EVENTS:

November 21 – Drop in Darts – Registration from 6:45 to 7:15 pm. Play @ 7:30.

November 22 – Drop in Pool – Registration from 6:45 to 7:15 pm. Play @ 7:30 pm

November 24 – Friday Night Supper – Steak/Hamburger Night by Scott Sadler and his Team

November 25 – District Singles Pool

The Legion phone number is 780-967-5361. SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:
