## WILDWOOD FAIRGROUNDS IMPROVES BUILDING

Submitted by Barry Fahrión, Wildwood Agricultural Society

The Wildwood Agricultural Society Fair grounds is getting a bit of a facelift, the tin is being replaced on the north side of the old Quonset Building. The building has developed numerous leaks over the years, causing a few moisture problems inside, but thanks to Yellowhead County, and a capital assistance grant, we were able to replace the tin. John Giezen (FIR SURE ENTERPRISES), and helpers Alana Giezen and Aaron MacDonald, made the building functional again. Thanks John

Looking ahead to 2019, the Ag

Society will be celebrating 80 years under the Agricultural Societies Act, formed in 1939. We are

looking forward to celebrating this milestone with Wildwood and surrounding areas at that time.

# LIQUOR BAG PROGRAM INVITES STUDENTS TO DESIGN MESSAGES ON IMPAIRED DRIVING

Submitted by Arthur Lee, Community Liaison, SADD Alberta

This holiday season, Alberta's youth are creating impactful and creative messages to remind Albertans on the dangers of drinking and driving.

Since 2012, Students Against Drinking and Driving (SADD) Alberta, in partnership with the Alberta Gaming and Liquor Commission (AGLC), has coordinated their liquor bag campaign, whereby Alberta students from grade 1 to grade 12 can personalize a message to raise awareness on the impact of impaired driving on a paper liquor bag.

Alberta teachers and community supporters are encouraged to order their free liquor paper bags, which will serve as a blank canvas for students' designs, from now until December 15. The completed bags are then dropped off at local liquor stores by school staff as a visual reminder to customers not to drink and drive this holiday season. Last year, more than 65,000 bags were ordered and distributed to 282 schools.

Students can also enter the Li-

quor Bag Design Contest through their school, with a chance to win 1 of 10 prizes, ranging in value from \$100-500. The overall winner will also have their design printed on one million bags, which will be distributed to Alberta liquor stores for use begin-

ning the May 2018 long weekend. Students are encouraged to share their bag design on Instagram using the hashtag #SADDbag.

For more information on the campaign and contest or to order paper liquor bags, please visit [SADDalberta.com](http://SADDalberta.com).

# PRINCIPAL'S MESSAGE FROM WABAMUN SCHOOL

Submitted by Les Worthington, Principal | Wabamun School

We had a fantastic finish to the month of October. Students in grades one through nine had the opportunity to participate in our Halloween Dance! The professional DJ came equipped with a variety of special effects lighting and students danced to Halloween classics and today's favourites. We were also joined by the students in grades 6-9 from Entwistle, Seba Beach and Tomahawk. The Grade 9's ran the concession, as part of their fundraising for their year-end trip, and raised over \$200.

WE Day – On November 1st over 20 member of Student Leadership headed to Calgary. There were several great speakers and presenters who demonstrated (and reminded) students how they could lead change. Our school WE Day projects will

occur throughout the year. Students who contribute will earn their ticket to WE Day 2018!

Volleyball – Volleyball season has come to an end. We're proud of the efforts that all of the students put forth. A big thank you to the staff and volunteers who helped coach and get students to and from practices and games.

Basketball – Basketball will tentatively get underway next month. Prior to participating in practice students will need to have returned all forms. Included in these forms is consent for transportation. Parents willing to transport others will need to provide the school with a copy of their insurance demonstrating that they carry \$2 million liability.

Breakfast Program – The Breakfast Program continues to run every morning. Thanks to all of the volunteers who help get us off to a great start!

Coffee with the Principal – We

had a great turnout in October. Our next coffee time will be on Friday, November 24th at 9:00 in the breakfast room.

Please take a close look at our monthly newsletter, as there are many great things happening. Should you ever have any questions, comments or concerns please do not hesitate to contact me.

# COUNTY STAFF SUPPORT ANTI-BULLYING INITIATIVE

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

Yellowhead County's administrative staff showed anti-bullying solidarity this past week by wearing eye-catching pink t-shirts bearing the phrase: "It's not cool to be cruel."

Pink T-shirt Day is an initiative courtesy of the Community Engagement Action Team. The Community Engagement Action Team is a community-based society which collectively shares resources to promote a healthy, thriving, engaged community for the people of Edson and Yellowhead County.

This latest initiative saw pink

t-shirts distributed to Edson and Area elementary school children, encouraging them to say no to bullying and consider its impact on the mental health of their friends and classmates.

But local kids weren't the only ones taking part—Yellowhead County staff and council, as well as Edson staff also wore their t-shirts proudly.

Community Engagement Action Team Vice-chair and Director of Community Services, Christopher Read, understands the value of this effort: "The Edson and Area has really come together to support initiatives aimed at building healthy communities. This has been a vibrant visual affirmation of our community's support for a good cause, and Yellowhead County is proud to participate in Bullying Awareness Week and Pink T-shirt Day."

Yellowhead County encourages those looking for more information about the impact of bullying to visit the Anti-Bullying Alliance's website at: [www.anti-bullyingalliance.org.uk](http://www.anti-bullyingalliance.org.uk).

**JOKE OF THE WEEK**

Mason watched as a woman at the shopping mall shopped with a four year old girl. As they approached the candy the little girl asked for some liquorice sticks and her mother told her, 'No'. The little girl immediately began to whine and fuss. The mother said softly, 'Now Cindy, our shopping is going well. Don't be upset, we'll soon be out of here.' Presently, they came to the aisle where the ice cream was on offer and the little girl began to ask for a popsicle. When told she couldn't have one she began to cry. The mother said gently, 'There, there, Cindy, don't cry. Only two more aisles to go and then we'll be at the check out'. When they got to the conveyer belt the little girl immediately began to demand sweets next to the checkout. Finally she threw a tantrum when her mother would not let her have any sweets. The mother, calmed her saying, 'Cindy, we'll be through this line in two minutes and then we can go home and have a glass of squash and a nap.' Mason followed them out to the parking lot and stopped the woman to compliment her on her child management. 'I couldn't help admiring how patient you were with little Cindy,' Mason said. The mother turned and replied, 'Oh, no, I'm Cindy. My little girl's name is Dorothy.'

# CONSULTATIONS ON SOCIAL INNOVATION AND SOCIAL FINANCE

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased invite residents to participate in a consultation on social innovation and social finance.

The federal government made the commitment to develop a Social Innovation and Social Finance Strategy to find new inno-

vative approaches that improve the well-being of Canadians and help communities address their most difficult problems.

To gather ideas from communities and regions across Canada, the Social Innovation and Social Finance Strategy Co-Creation Steering Group has launched an online consultation. Through consultation and engagement activities, its members will develop policy measures that put

forward social innovation and social finance, and co develop a strategy with the Government of Canada.

The overall goal is to improve the lives of the most vulnerable Canadians, and help our communities and regions thrive and flourish in an inclusive and sustainable way. This means helping all Canadians access good jobs and homes, healthy food and strong social connections.

There are two ways you can provide your input:

- The online consultation gives you the chance to contribute to the conversation on the measures being considered. Visit the link: [esdc-consultations.canada.ca/social-innovation](http://esdc-consultations.canada.ca/social-innovation)

- You can also send an email to [social\\_innovation\\_sociale@hrsdc-rhdc.gc.ca](mailto:social_innovation_sociale@hrsdc-rhdc.gc.ca) share your input and ideas.

The deadline to participate is December 31, 2017.

“I encourage all communities, social purpose organizations, and business communities focused on social innovation to participate,” concluded MP Eglinski.
