## OJSH REMEMBRANCE DAY CEREMONIES

**Submitted by Wanda Pederson | Onoway Junior Senior High School**

Onoway High School has a long-held tradition of holding special

Remembrance Day services for the school community on the last school day before November 11th. This special ceremony of Remembrance is held so that all students and staff have the opportunity to attend a

service dedicated to the memory of those who sacrificed their lives fighting for freedom and to honour, not only the fallen, but those who continue to serve our country.

## ONOWAY SANTA'S HELPERS BACK TO WORK

**Submitted by Darcy Lindberg | Onoway's Santa's Helpers**

For over 25 years the Santa's Helpers in the Onoway area have been making Christmas a little bit brighter for children in our community. Working in conjunction with Onoway Food Bank to help approximately 100 children every year.

This program is truly one of Onoway's quiet but far-reaching victories; practically everyone helping out in some way. Many generous citizens donate money and gifts. Almost every business in Onoway participates by allocating space for our donation boxes and/or coin boxes. Several business' provide us with

useful items. Our local Dentist, Dr. Laura Onischuk always supplies a toothbrush for every child.

Donation boxes are now located in several business in Onoway, please remember there are children in your community that may be in need. Let your children get involved with this special project, take them with you shopping and explain how the program works. Let your child place the gift in the drop off boxes at your local business and let this experience warm your families heart by giving. If we all work together we can make Christmas a little brighter for many children in this community.

Donation and coin boxes will be in the community until the afternoon

of Monday, December 18th, 2017. Items to consider this year can be mitts, hats, personal hygiene items, toys, games, books, gift cards, movie passes, and sleds. Always keep in mind we have children from babies to 18 years of age.

If you know of a family that is in need this year contact Rick Foster at The Onoway Baptist Church 780-967-2266. If you have inquires about Santa's Helpers call Holly at 780-967-3623. Thank you so much to this amazing community for your support with this group in the past years, this present year, and for future years ahead. Merry Christmas from all of us "Elves" at Santa's Helpers!

# OJSH Remembrance Day Ceremonies

Continued From Page 1

This year, on Tuesday, November 7th, OJSH held their annual school Remembrance Day ceremony.

Emceed by science teacher Roy Burghardt, staff and students assembled in the main foyer and in their

classrooms to honour the Canadian war dead, those who have served and are serving in our Armed Forces, and those who have served or are serving as first responders.

In a departure from past years, the ceremony was held in the main foyer because the gymnasium was temporarily unavailable for use. Those students and staff who could not be accommodated in the foyer were able to observe the ceremony and participate in the two minutes of silence in their classrooms. The

ceremony was live-streamed into each classroom thanks to the talent of OJSH technical assistant Josh Mahaux.

The OJSH Honours Band, situated at the school's entrance, played several selections prior to the ceremony. Dignitaries and special guests were escorted to their seats as Parade Commander Richard Moses began the ceremony. Playing the bagpipes to escort the Colour Party were students Charles Howie and Zakk Goertzen. Speakers at the cer-

emony included Legion President Ric Moses, Warrant Officer James Preston from the Combat Engineer Regiment, Principal Jon Lobo, and student Charles Howie.

WO Preston spoke of serving in the Armed Forces and what Remembrance meant to him and his fellow soldiers and gave an overview of the conflicts Canada has served in. Principal Lobo spoke movingly of the three "S's": Symbols, Sacrifice and Service. Student Charles Howie spoke of how difficult it was being a family member of a serving armed forces member and why remembrance was so important.

Assistant Principal Amy Villneff laid the wreath on behalf of the school, Student Council representatives Drew Fitzgerald and Maygan Peck laid a wreath on behalf of OJSH students. Jade Fibke represented Outreach students, and Destiny Potts laid the wreath on behalf of FNMI students. Cadet Connor Shatosky, Grade 9, laid a wreath on behalf of the Lac Ste. Anne Cadet Corps; President Ric Moses laid the wreath on behalf of the Legion, WO Preston laid a wreath on behalf of the Armed Forces and Cst. Kimberly Mueller laid a wreath on behalf of the RCMP.

After the wreath laying ceremony, Grade 10 student and Student Council Vice-President Sydney Fitzgerald recited the poem "In Flanders Field". Before the two minutes of silence, the 'Last Post' was played by Grade 10 student Samantha Jorgensen. Samantha also played 'Reveille' after the two minutes of silence.

After the march off by the Colour Party with Charles Howie playing the bagpipes, invited guests, cadets and dignitaries were served a special lunch catered by Chef Murray Galliford and his staff.

On Saturday, November 11th, OJSH hosted the community Remembrance Day service in the gym. A good community turn-out supported the Royal Canadian Legion, Armed Forces, police services, Cadets and Scouts in a ceremony of remembrance and gratitude.

# RIDING UPDATE

**Submitted by Jim Eglinski, MP – Yellowhead**

## Week of November 13, 2017

It has been a month since I was able to spend a full week in the riding. I was busy attending events, meeting with constituents, and travelling throughout the riding.

Last Saturday, I joined the Drayton Valley Legion for Remembrance Day. I also dropped in at the Evans-

burg, Wildwood, and Edson Legions in the afternoon and evening.

On Monday afternoon, I drove to Jasper where I attended and spoke at the Jasper Park Chamber of Commerce General Meeting on Tuesday. Later I met with the managers of 'Folding Mountain Breweries' in Hinton.

I spent Wednesday morning meeting with constituents in my Edson office. In the afternoon, I met Mi-

randa Walker, winner of my 2nd annual Christmas Card Design Contest. The grade six student from Hinton submitted a beautiful piece of artwork and I was so pleased to present her with a congratulatory certificate. Later, I participated in a community discussion at the Hinton Chamber of Commerce and that evening met with representatives of the oil and gas industry.

Thursday was spent in my Edson

office in various meetings.

On Friday evening, I hosted a community crime awareness meeting in Peers.

Over the weekend, I attended an Electoral District Association (EDA) meeting before heading back to Ottawa.

Parliament will resume on Monday for the next four weeks before taking a break for the holidays. Look for my updates on my time in Canada's capital.

# PARLIAMENT UPDATE

## Week of November 13, 2017

This week we entered the final stretch before the winter break. We covered topics including the legalization of marijuana, national security, impaired driving, and homelessness.

The House of Commons debated the following:

- Bill C-45 — An Act respecting cannabis and to amend the Controlled Drugs and Substances Act, the Criminal Code and other Acts (Third Reading)

- Bill C-59 – An Act respecting national security matters (Referral to Committee Before Second Reading)

- Bill C-348 – An Act to Amend the Department of Employment and Social Development Act (persons with disabilities) (Second Reading)

- Bill C-365 – An Act to amend the Criminal Code (firefighting equipment) (Second Reading)

- Bill S-211 – National Sickle Cell Awareness Day Act (Third Reading)

- Conservative Motion – Finance Minister's assets

- Motion No. 133 – British Home Child Day

- Motion No. 147 - Special Com-

mittee on Homelessness

- Motion No. 148 – National Impaired Driving Prevention Week

On Monday, I spoke on Bill C-59, which makes several changes to Canada's national security agencies, including the Canadian Security Intelligence Service (CSIS) and the Communications Security Establishment (CSE). You can find my questions and comments in the House on the corresponding day's Hansard on the House Publications page at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

In the Standing Committee on Industry, Science and Technology (INDU), we heard witnesses for a

potential study on broadband connectivity in rural areas. We also began the consideration of a draft report on Canada's Anti-Spam Laws (CASL). For more information on these meetings, visit the INDU Committee website at [www.ourcommons.ca/Committees/en/INDU](http://www.ourcommons.ca/Committees/en/INDU).

This week, I attended six meetings and six events, as well as recorded one message. Look for my update next Friday on the happenings of Parliament as the House will continue to sit next week.

**JOKE OF THE WEEK**

Freya was driving home on Black Friday when she saw an elderly Apache woman walking along the side of the road outside Albuquerque, New Mexico. She stopped the car and asked the woman if she would like a lift? With a silent nod, the woman climbed into the car. Freya tried in vain to make conversation with the Apache woman. The old Apache looked closely at everything she saw, studying every little detail, until she noticed a red gift bag on the seat next to Freya. 'What's in the bag?' asked the old woman. 'It's a bottle of gin that I got for my husband.' The Apache woman was silent for another minute or two. Then speaking with the quiet wisdom of an elder, she said, 'Good trade.'

# LAC STE. ANNE COMMUNITY CHOIR PRESENTS THE SOUNDS OF CHRISTMAS

Submitted by Eunice Woronuk, President | Lac Ste. Anne Community Choir

Get into the Christmas spirit early this year! Enjoy the Lac Ste. Anne Community Choir and the Sounds of Christmas. Director Debbie Ros-

en, with help from accompanist R.J. Chambers, leads almost 60 members in song at a number of different locations in the Lac Ste. Anne area.

The first performance for this popular community group will be 7 p.m. on Wednesday, Dec. 6 at the Alberta Beach Heritage Centre (5012 49

Ave). This will also be your first chance to buy a ticket on the Choir's gigantic Christmas Cheer basket full of over \$400 of assorted liquor. The draw will be at the Friends and Family concert on Dec. 16. Another bonus at this concert is the silent auction that the Active 50+ Club

will hold immediately after the performance. Everyone is welcome, and admission is through a free will donation.

On Sunday, December 10, the choir travels to St. Augustine's Parkland Anglican Church (131 Church Road, Spruce Grove). We've listened to the many people who have asked for one where driving after dark isn't a consideration, or a better time for children to attend. In response, this concert will be at 2 p.m., making it easier for those travelling to get there. Admission for this concert is \$15, with those 17 and under free. Tickets are available from any Lac Ste. Anne Community Choir member. We encourage you to buy your tickets in advance, but they will also be available at the door.

On Wednesday, December 13, the Lac Ste. Anne Community Choir will visit the McCullough Centre at Gunn. This private concert will bring a much-appreciated Christmas feeling to the men living at the Centre.

The final performance of the season is our traditional Friends and Family performance (where everyone who likes music is a friend!). Join us at 7 p.m. on Saturday, December 16 at the Lac Ste. Anne Mission (west on Alberta Beach on Lac Ste. Anne Trail). Admission is by free will donation, with the entire audience invited to stay after the performance to enjoy some goodies and visit with choir members.

The Lac Ste. Anne Community Choir is open to anyone over 18. No auditions are required, and there's no need to read music or have choir experience. All that's needed is a love for singing, and a wish to meet other like-minded people. Registration and the first practice for the next season will be Wednesday, January 10 at the Heritage Centre in Alberta Beach (5012 - 49 Avenue). Watch for more details.

## STAY ON YOUR FEET AND STAY ACTIVE: NOVEMBER IS SENIORS' FALLS PREVENTION MONTH

way to walk, but it will help keep you on your feet.

To learn more about Finding Balance – Stay Independent. Prevent

Falls. Visit [www.findingbalancealberta.ca/2017-campaign/](http://www.findingbalancealberta.ca/2017-campaign/)

Let's face it; falls can happen to anyone at any time but the reality is, as we get older our risk of falling increases. Falls are the leading cause of injury among older adults over the age of 65, and one in three Alberta seniors will fall once a year. With or without an injury, seniors who experience a fall may develop a fear of falling. This can lead to restricting activity, which can increase their risk for another fall.

"It is important to encourage seniors to get out and stay active in their communities," says Emily Post, Provincial Continuing Care. "It is easy to think that restricting activity may reduce your risk of falling, but it can negatively affect your quality of life, contribute to physical inactivity and decreased muscle mass and lead to social isolation."

November is Falls Prevention Month. This year's theme is Finding Balance – Stay Independent. Prevent Falls. "Falls risk management and prevention is everyone's responsibility. I challenge you to look around your environment and find something that could increase someone's risk of falling – this might be in your home, at work or in your community – and make a change. We all have a role to play to help prevent a fall before it happens."

While Fall Prevention Month is geared to seniors, it's a good opportunity to remind all Albertans about the risk of falling. As temperatures drop, the risk of snow and ice increases. Every year, thousands of Albertans are hurt falling on icy roads and walkways.

Injury prevention experts say the best way to avoid falls on ice and snow is to walk like a penguin.

- Stay low

# WINNER OF MP EGLINSKI'S 2017 CHRISTMAS CARD CONTEST

**Submitted by Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to announce the winner of his 2nd annual Christmas Card Design Contest. This year, his Ottawa office received an abundance of submissions from all across the riding.

Usually, Parliamentary Christmas cards display the family of the Parliamentarian and/or an Ottawa scene. However, given that there

are many talented young individuals within the Yellowhead riding, MP Eglinski prefers to take this opportunity to recognize one of these artists.

Miss Miranda Walker, a grade six student from Gerard Redmond Community Catholic School in Hinton, designed the cover of MP Eglinski's Christmas card this year. Her artwork depicts a colorful display of lights dangling on garland and holly, with ornaments decorated by the Rocky Mountains and reindeer.

"We have so many talented young

artists in our riding! Each year it is becoming more and more difficult to decide which one to choose," said MP Eglinski.

Miss Walker's design will also appear on MP Eglinski's Facebook page ([www.facebook.com/jimeglinski.mp/](http://www.facebook.com/jimeglinski.mp/)), website ([www.jimeglinski.ca](http://www.jimeglinski.ca)), and in his December householder.

"Thank you to all those who participated, and I look forward to seeing what creative ideas our students come up with next year!" concluded MP Eglinski.

# ONOWAY MUSEUM / HERITAGE CENTRE IS SAFER!

**Submitted by Onoway and District Historical Guild**

Presentation of a \$5,000 cheque to the Onoway and District Historical Guild from Alliance Pipeline was a satisfying moment for Facility Manager, Debra Redlick. The funds will be used to purchase two AEDs (automated external defibrillators) and

First Aid instruction. The AEDs will be placed in main hallways of the building, one at the museum/Alliance Activity Centre end and one at the Heritage Centre end thus accessible not just to staff but to anyone using public areas of the facility. Attendance at the First Aid course will be open to staff, volunteers and regular users of the facility.

File: 2017 - 1550427

St. Albert, AB - On Wednesday, November 15, 2017, St. Albert RCMP has received a report alleging that some bullying behaviour had been occurring in a youth hock-

ey team in St. Albert. The St. Albert Minor Hockey Association and the Team Coach connected with the RCMP to ensure safety is in place for all players and the RCMP is now investigating the allegations.

"Youth safety is a priority for the

RCMP," said Cpl. Laurel Kading, the N.C.O. I/C of Community Policing at St. Albert RCMP. "All allegations of behaviours that endanger the safety of young people are taken very seriously and will be priority investigations."

St. Albert RCMP is looking for your help on these allegations. If you have any information about this or any crime, call the St. Albert RCMP at 780-458-7700, or if you wish to remain anonymous, call Crime Stoppers.

## DDRA REPORT

**Submitted by Lorne Ross | Darwell District Recreation Association**

The executive of the Darwell District Recreation Association recently completed its review of its 2017 years operation in preparation for its Annual General Meeting to be held Monday, January 8th at the Darwell Centennial Hall.

2017 was a successful year for the DDRA with the hall being busy with a variety of rentals. In addition to the rentals to outside groups and individuals the DDRA continued to offer a number of public service events for the Darwell and area community. These included: a registration night for community groups and organizations, the small business expo, and an all candidates election forum. Recreational opportunities, such as Pickleball, also were available for area residents.

The Centennial Hall provides an excellent venue for community events and can accommodate both large and small groups. In addition to the main hall a smaller meeting room is available for rent.

In upcoming year one of the challenges facing the DDRA is to increase its membership so that it can continue to be a valuable asset to the community. For more information on the DDRA come to the Annual General Meeting January 8th.

# DAGUCIYAMI – ALEXIS KINSHIP EXHIBIT AT ONOWAY MUSEUM

*Chloe Bluebird Mustooch with Daguciyami title banner*

**Submitted by Yvonne Slemko | Onoway and District Historical Guild**

Onoway Museum was the site of a stirring celebration – recognition of the strong Indigenous history in this area, the belief that working together will be beneficial to all and that the arts provide a powerful means to this end.

The opening of an art exhibit at the museum brought together Chief Tony Alexis and members of Alexis Nakota Sioux Nation with representatives and community members of Onoway and area.

“Daguciyami” art exhibit will be shown in the Onoway Museum through November to the end of January. The goal of this kinship exhibit is to restore relationships through indigenous perspectives and features work by two Alexis Nakota Sioux Nation members who are both attended school in Onoway.

Eugene Alexis graduated from OHS in 1985, studied art at Alberta College of Art, pursuing a life-long interest in art. The works on display include mixed media on canvas and paintings on “slices” of trees. After graduation, Chloe Buebird Mustooch studied visual arts at Emily Carr University in Vancouver and is back at Alexis where she is working in the Heritage and Language Department.

Her current focus is graphic arts, using creative banners to send a message in this exhibit.

Chief Tony Alexis noted that this type of coming together provides true hope and recognizes the need to work together. Eugene Alexis observed that this gathering shows that the culture is still intact although the language needs revitalization. Ronald Potts, an Alexis elder, reminded those present that local native people helped farmers and had a lot to do with development of agricultural land.

Terry Slemko, representing Onoway and District Historical Guild, welcomed this unique exhibit as a move forward in the Guild’s goal of helping to present a more complete picture of local history. Onoway Mayor Judy Tracy welcomed the opportunity that this exhibit brings to facilitate greater understanding. To MLA Oneil Carlier, art is an ideal way to learn about and enjoy culture. Reeve Joe Blakeman’s long family history in this area recognizes that working with Alexis was part of it.

A prayer led by elders was followed by drumming and a round dance with all present participating. To top it off, everyone joined in a feast featuring bannock, moose soup, and berries provided by Alexis First Nation and snacks offered by Historical Guild members.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

5	7	9	6	1	8	3	4	2
3	6	2	7	5	4	9	8	1
4	1	8	9	2	3	7	6	5
1	2	4	8	3	9	5	7	6
9	8	5	1	6	7	2	3	4
6	3	7	5	4	2	8	1	9
7	4	3	2	9	6	1	5	8
2	5	6	3	8	1	4	9	7
8	9	1	4	7	5	6	2	3

5			6	8				
3	6			5				1
		8				7		
1			8	3				6
			1	6		2		
					2		1	
7			2			1		
		6	3	8		4	9	7
	9		4					3

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

## Testimonials

"Thank you for working on my horses at the CBHI 2016. They all benefited and were feeling great. The treatment I had myself was so amazing and beneficial. I was experiencing vertigo and feeling nauseous within a half an hour I was feeling so much better and my weekend was great. I did not feel tired and felt very energized. I did have a headache for a short time, a little ache in my shoulder area but that all was very short lived and did not interfere with my day. I really liked my treatment and as a massage therapist would highly recommend this treatment. Thank you Shirley." -Tanya Likes

"I have had BRUTAL sciatica and neck pain for years...chiropractic manages it for brief periods of time...I had one hour long treatment by Shirley Mazeppa and can honestly say I had no pain for weeks after!!!! Improved my mood and allowed me to have day to day tasks not be painful let alone ride!!!! SOOOOOOOOOOOOOOOOOOOOOOO looking forward to my next treatment!!!!!" -Jody Poulin

"I am in disbelief, Shirley Mazeppa brought her PEMF machine to Thorsby where I was competing in a horse event. I have arthritis in both my knees and I was really feeling the hurting today. Shirley hooked me up for 40 minutes on Saturday afternoon, it's now Monday evening and I am still PAIN FREE, my knees feel great. I'll be making a trip to Shirley's next time I start feeling that pain, I won't try to handle it again. Thanks so much Shirley" -Debra Rowney
