## WILDWOOD AND DISTRICT AGRICULTURAL SOCIETY NEWS

**Submitted by Carol Riehl | Wildwood and District Agricultural Society**

The Wildwood and District Agricultural Society has had a very busy fall. Their awards night in October was a very successful event. Over 200 people came out for the supper and the awards. The theme for 2018 annual fair, Country Roots and Cowboy Boots, was announced and well received by those in attendance. Many immediately put on their thinking caps and were sharing ideas for float decorations. This theme was created by Eleanor Nero, a long time member of this society. This event was at the Wildwood Community

Hall.

Also in October, they hosted the Regional Meeting for the Alberta Association of Agricultural Societies with a supper. It was also well attended with people coming from different parts of the region. This event was held at the Lone Pine Ranch.

We recently had a volunteer appreciation supper at the Wildwood Community Hall. More than 70 volunteers of the agricultural society came out to enjoy a delicious catered supper.

Soon we will have the society's Annual Meeting. It will be held at the Wildwood and District Recreation Complex on December 13, 2017. First we will have pizza at

6:30 p.m., the regular meeting at 7:00 p.m., followed by the annual meeting at 7:30 p.m. New members are welcome.

Once again, it is this societies turn to host the Wildwood Seniors Christmas Dinner. Thanks to all of you who have had a hand in making our society and their events such an awesome place to be. I truly hope you have the best holiday season ever – Merry Christmas and a Happy New Year to each and every one of you. May 2018 be filled with happiness and good health. Remember that money cannot buy the best things in life –so LIVE LOVE AND LAUGH!!!! Enjoy your family and friends.

## GUNN HALL'S OCTOBER 28TH CRIB TOURNAMENT

**Submitted by Marlaire Janke, Gunn Hall Representative**

We had 46 teams coming out for our tournament to enjoy 12 games of cards and a delicious lunch at half time, prepared by our kitchen volunteers.

A perfect score for 12 games is 1452 points. The 1st place team, Mureldine Measures & Evelyn Bourgeois of Barrhead, finished with 1436 points and received the amount of \$300.00. Second place for \$200.00 was won with 1418 points by Ed Camplin & Joe Cerny of Onoway. Third place for \$100.00 was won with 1416

points by Carla Nelson & Melba Nelson of Westlock.

We also paid out \$110.00 to the eleven players that had 24 – 26 point hands. Allan Moren, Philip Bryan, Shannon Hill, Jo Kennedy, Doreen Turnbull, Ron Ballantyne, Mary Thompson, Helen Weeks, Maxine Bourdon, Cindy Lauer & Martha Mindus.

The jackpot was not won this time and \$100.00 will be carried forward to our next tournament in March. This can be won by getting a 29 point hand or a 28 if a 29 is not achieved in that day.

Two 50/50 draws were held. The first being \$202.50 was won by

Joan Gillett of Lac La Nonne & the second was \$215.00 won by Jeanne Hodgson of Alberta Beach.

The 19 pot in the morning came to \$36.00 won by Martha Mindus of Whitecourt and the afternoons was \$30.25 won by Pat Michael of Barrhead. Even by winning these small pots, the days entry fee cost is covered.

This was our organizations 4th crib tournament and we all appreciate the support from the surround communities. Congratulations to all the winners and we hope to see all participants back again in March along with a few extra teams.

# DDRA REPORT

**Submitted by Lorne Ross  
| Darwell District Recreation Association**

The executive of the Darwell District Recreation Association recently completed its review of its 2017 years operation in preparation for its Annual General Meeting to be held Monday, January 8th at the Darwell

Centennial Hall.

2017 was a successful year for the DDRA with the hall being busy with a variety of rentals. In addition to the rentals to outside groups and individuals the DDRA continued to offer a number of public service events for the Darwell and area community. These included: a registration night for community

groups and organizations, the small business expo, and an all candidates election forum. Recreational opportunities, such as Pickleball, also were available for area residents.

The Centennial Hall provides an excellent venue for community events and can accommodate both large and small groups. In addition to the main hall a smaller meeting

room is available for rent.

In upcoming year one of the challenges facing the DDRA is to increase its membership so that it can continue to be a valuable asset to the community. For more information on the DDRA come to the Annual General Meeting January 8th.

## RENAMING OF BOUNDARY ROAD TO VETERANS BOULEVARD

**Submitted by Town of  
Stony Plain**

Town Council authorized the renaming of Boundary Road, between Highway 16A and Highway 628, to Veterans Boulevard at Monday night's regular Council meeting. Council also gave Administration the direction to undertake necessary steps to complete the legal name change as well as appropriate signage and design with an intended implementation of November 2017.

Town Manager Tom Goulden says, "Numerous communities

within Alberta and Canada have chosen this manner of honoring and acknowledging those who have served with the Canadian Forces in the past."

This roadway is currently being expanded through a significant capital project. The resulting roadway will be a modern design; complete with pedestrian corridors, developed medians and other environmental improvements.

Mayor William Choy says, "The Legion continues to show great commitment in honouring those who serve our country. Communi-

ties are brought together by people who create connections and renaming Boundary Road to Veterans Boulevard would just be another way for the Town to show its support and gratitude to the Legion and Veterans."

Goulden also says, "The Town would seek to create physical acknowledgements and appropriate memorials along the roadway, green-space and trail system in the area. This could possibly take the form of benches in the area, tree plantings and cairns. Further discussion and partnerships with the

Legion would be important to any planning."

In a letter to the Town, Gordon Morrison, President of the Royal Canadian Legion Branch 256 of Stony Plain says, "The Legion is grateful and humbled by the Town's thoughtful acknowledgement of Veterans and their sacrifice and will be a willing partner in making this a true tribute to our Veterans, and those that have sacrificed all to ensure that we are able to live in a free and democratic society, together we have an opportunity to make something meaningful and lasting."

**JOKE OF THE WEEK**

Freya was driving home on Black Friday when she saw an elderly Apache woman walking along the side of the road outside Albuquerque, New Mexico. She stopped the car and asked the woman if she would like a lift? With a silent nod, the woman climbed into the car. Freya tried in vain to make conversation with the Apache woman. The old Apache looked closely at everything she saw, studying every little detail, until she noticed a red gift bag on the seat next to Freya. 'What's in the bag?' asked the old woman. 'It's a bottle of gin that I got for my husband.' The Apache woman was silent for another minute or two. Then speaking with the quiet wisdom of an elder, she said, 'Good trade.'

## MP EGLINSKI ON NATIONAL SECURITY

Submitted by Jim Eglinski,  
MP – Yellowhead

OTTAWA: On November 20th, Jim Eglinski, Member of Parliament for Yellowhead, took part in debate on Bill C-59, An Act Respecting National Security Matters. The 150 page bill makes several dramatic changes to Canada's national security

agencies, including the Canadian Security Intelligence Service (CSIS) and the Communications Security Establishment (CSE).

Among other things, Bill C-59 would replace the Security Intelligence Review Committee and the commissioner of the CSE with a new review agency and intelligence commissioner. It would also limit the ability

of government departments to share data among themselves to protect national security, remove the offence of advocating and promoting terrorist offences, and make it more difficult for authorities to obtain a peace bond for individuals suspected of supporting terrorism.

"In the last year, horrendous attacks in the United States,

Europe, and our own country, have shown that no country is immune from the risks associated with terrorism and radicalization," stated MP Eglinski in the House of Commons. "Now is not the time to relax the laws that protect our national security."

## PRIVATE DRIVEWAY SNOW REMOVAL

Parkland County has a program that provides funding to physically challenged residents for snow removal from their private driveways.

**Criteria:**

- Person applying must be the owner or renter of the residence where the driveway is being plowed, and it must be their primary residence.
- Residence must be located within Parkland County.
- Person must be physically challenged either by age or infirmity and must provide a Doctor's certificate or note verifying that they are physically unable to remove snow from their driveway.
- All persons 18 years or older living in the residence must be physically challenged.

Residents can apply by submitting a letter stating their name, address and phone number along with the required Doctor's Certificate to:

**Parkland County Snow Removal Support Program**  
c/o Parks, Recreation & Culture  
53109A HWY 779  
Parkland County, Alberta T7Z 1R1

Applications will be reviewed and residents contacted regarding their application. If approved, the resident will be responsible for hiring a private contractor to remove the snow. Residents then submit proof of work completed, via paid invoice, to the County for reimbursement. The current maximum reimbursement per approved resident per year is \$300. Please contact 780-968-8400.

# TIPPLE PARK MUSEUM NEWS

**Submitted by Melissa Killick | Tipple Park Museum**

This Fall and Winter Season has proven itself to be a good Month for Tipple Park Museum.

Treaty 6 Dancers and Drummers danced the night away October 28th to traditional indigenous dance. We got to see numerous dance techniques along with traditional drumming. Towards the end of the evening locals got to participate in a dance circle. It was really warming to see the community come together and enjoy some cultural entertainment!

We had our annual Family Planetarium Night November 9th, it was a great turnout! Families got to spend the evening learning about stars and constellations in a Planetarium that came from the Telus World of Science. Kids got to make rocket ships, star gazers and numerous crafts. We personally want to thank everyone that came out and supported the Museum.

Our first Christmas Farmers Market took place November 28th. We had lots of vendors that were selling numerous items and goodies for the Holiday Season. I would personally like to thank each Vendor for there on going dedication and support! Without you our Farmers Markets would not run. We invite the community to our next Farmers Market which is going to take place December 2 from 10-2 at Tipple Park Museum.

Our Pint Size Pioneer Program is still taking place every Friday from 11-12. We have now launched our Christmas activities. Kids have been making numerous Christmas decorations, participating in activities and learning traditional Pioneer Christmas traditions. Every Friday we have around 8-12 kids participate in this program. Its very rewarding as a Manger to see kids having fun while learning about past history and traditions.

Little House On The Prairie Program kicked off October 28th. The program is designed for ages 7-12, every Saturday from 2:30-3:30 and runs all year

round. During the length of the program kids will get to learn about Laura Ingalls and her adventures as a young Pioneer girl. During the Christmas Season we are going to be focusing on Christmas Traditions, activities and crafts that directly come out of the Little House On the Prairie book series. Admission is free thanks to our friends at Servus for sponsoring this wonderful program. If you would like to register your child please

phone Tipple Park Museum @ 780-727-2240.

To end things off this year we will be hosting a Christmas Festival at Tipple Park Museum December 15th at 7pm. There is going to be appetizers and beverages, a live action along with silent action items to bid on! We will have a separate activity going on for children at the Museum if parents want to have a date night! Lenny from Town and Country Funeral Services is go-

ing to be our Actioner. It will be a fun event that is going to end our fantastic Christmas Season at the Museum.

On behalf of Tipple Park Museum, I would like to thank the community for there on going support!

Merry Christmas

The greatness of a community is most accurately measured by the compassionate actions of its members.

# RIDING UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

## Week of November 13, 2017

It has been a month since I was able to spend a full week in the riding. I was busy attending events, meeting with constituents, and travelling throughout the riding.

Last Saturday, I joined the Drayton Valley Legion for Remembrance Day. I also dropped in at the Evans-

burg, Wildwood, and Edson Legions in the afternoon and evening.

On Monday afternoon, I drove to Jasper where I attended and spoke at the Jasper Park Chamber of Commerce General Meeting on Tuesday. Later I met with the managers of 'Folding Mountain Breweries' in Hinton.

I spent Wednesday morning meeting with constituents in my Edson office. In the afternoon, I met Mi-

randa Walker, winner of my 2nd annual Christmas Card Design Contest. The grade six student from Hinton submitted a beautiful piece of artwork and I was so pleased to present her with a congratulatory certificate. Later, I participated in a community discussion at the Hinton Chamber of Commerce and that evening met with representatives of the oil and gas industry.

Thursday was spent in my Edson

office in various meetings.

On Friday evening, I hosted a community crime awareness meeting in Peers.

Over the weekend, I attended an Electoral District Association (EDA) meeting before heading back to Ottawa.

Parliament will resume on Monday for the next four weeks before taking a break for the holidays. Look for my updates on my time in Canada's capital.

# PARLIAMENT UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

## Week of November 13, 2017

This week we entered the final stretch before the winter break. We covered topics including the legalization of marijuana, national security, impaired driving, and homelessness.

The House of Commons debated the following:

- Bill C-45 — An Act respecting cannabis and to amend the Controlled Drugs and Substances Act, the Criminal Code and other Acts (Third Reading)

- Bill C-59 — An Act respecting national security matters (Referral to Committee Before Second Reading)

- Bill C-348 — An Act to Amend the Department of Employment and Social Development Act (persons with disabilities) (Second Reading)

- Bill C-365 — An Act to amend the Criminal Code (firefighting equipment) (Second Reading)

- Bill S-211 — National Sickle Cell Awareness Day Act (Third Reading)

- Conservative Motion — Finance Minister's assets

- Motion No. 133 — British Home Child Day

- Motion No. 147 - Special Com-

mittee on Homelessness

- Motion No. 148 — National Impaired Driving Prevention Week

On Monday, I spoke on Bill C-59, which makes several changes to Canada's national security agencies, including the Canadian Security Intelligence Service (CSIS) and the Communications Security Establishment (CSE). You can find my questions and comments in the House on the corresponding day's Hansard on the House Publications page at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

In the Standing Committee on Industry, Science and Technology (INDU), we heard witnesses for a

potential study on broadband connectivity in rural areas. We also began the consideration of a draft report on Canada's Anti-Spam Laws (CASL). For more information on these meetings, visit the INDU Committee website at [www.ourcommons.ca/Committees/en/INDU](http://www.ourcommons.ca/Committees/en/INDU).

This week, I attended six meetings and six events, as well as recorded one message. Look for my update next Friday on the happenings of Parliament as the House will continue to sit next week.

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

**Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellow-head Public School Division**

November 15, 2017

- Trustees approved the final draft of the Combined 2017-2020 Three Year Education Plan/2016-2017 Annual Education Review Report. The draft was presented for preliminary approval pending the addition of audited financial information. The final document will be available on the division's website by November 30th.

- An overview of the projected budget for the 2017-18 school year noted a smaller deficit than originally planned thanks in part to a significantly higher than anticipated (over 16%) student enrolment in kindergarten programs throughout the division, and overall decreased expenditures.

- Citing socio-economic factors and the resulting departure of many families from GYPSD communities especially in the Edson, Hinton and Grande Cache areas, last year's graduation rates were slightly lower than the provincial averages. However, our FNMI students' graduation rates continue to be significantly higher than the province: from 14.4% higher for completion of high school within 3 years up to 19% higher for five years.

- Learning Services provided a detailed report on the 259 Grade 9 students who participated in the 'Take Our Kids to Work Day' on November 1st. Parent comments included "I wish we had this when I was in Grade 9"; students noted "I now have a better idea of what I would do if I got this job", and businesses were pleased to see "our local students taking interest in local businesses and careers". Looks like another successful venture into the world of work for GYPSD students!

- Trustees Fate, Karpluk, and Zaporosky will be working with Superintendent Lewis to develop an agenda for next year's board planning seminar. The board has an annual planning seminar for the purpose of studying policy, building effective teams, generative governance, and other identified topics of need.

November 1, 2017

- Facility Services provided their regular update to the board on the current capital project in the division: the new replacement school in Edson, Mary Bergeron Elementary. The gymnasium has been completed and was turned over to an excited school to use the week of October 23rd. Last minute finishing work continues in the learning commons with painting, flooring and millwork over the next couple of weeks. The old A.H. Dakin School has been demolished, and the removal and

cleanup of the site to prepare for the new bus lane continues dependent on weather conditions.

- The board approved Trustees Caputo, Rosadiuk and Zaporosky to attend the National School Boards' Association annual conference in San Antonio, Texas on April 7-9, 2018. Chair Rosadiuk noted "This conference is an excellent professional development for trustees to learn more about global news in regards to public education, and receive information about new re-

sources and tools to help move our division forward."

- Dale Karpluk, trustee from Jasper, gave an update from her recent attendance at a Zone 2/3 meeting at the Alberta School Boards' Association.

- Trustee Shirley Caputo from Hinton has applied to be one of two trustees chosen from the province to be part of the Alberta School Boards' Insurance Exchange advisory board.

## GYPSED WELCOMES A NEW TRANSPORTATION DIRECTOR

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

Grande Yellowhead welcomes Corey Halabi as the division's new Director of Transportation Services, effective Monday, November 27th. Along with his man-

agement diploma from NAIT, Corey's history of strong leadership and high levels of customer satisfaction gave him the solid background of skills that Superintendent Lewis and the board were looking for in a new director.

"It was very important to have a certain skill set for our Director of Transportation Services as this position holds a great deal

of trust for our families," noted Superintendent Lewis. "We have excellent staff in our transportation department and our drivers are second to none. Our focus continues to be on improving communications with our stakeholders to ensure that we are hearing their transportation needs and meeting their expectations to the best of our ability."

Although Corey and his wife will be relocating to Edson from Edmonton, he is no stranger to the division being a proud graduate of Grand Trunk High School in Evansburg. The transition from riding a school bus on a daily basis for several years, to planning their routes is something he is looking forward to. "I am excited to be coming back to the division in my new role. One of my first priorities will be to familiarize myself with each of the communities within the division as families in Edson will have specific bussing needs that may be different than families in Hinton. My goals for the transportation department are to deliver effective solutions while consistently providing excellent customer service."

Corey also hopes to continue his passions for community service in Edson. He was a 'big brother' in Edmonton and coached youth hockey and soccer teams. He also has an active interest in local politics: he was the deputy returning officer and presiding deputy in the 2013 and 2017 Edmonton municipal elections.

Welcome to the Grande Yellowhead team Corey!

## BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

## GOOD NEIGHBOURS MAKE A GREAT COMMUNITY

Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County

Winter in Alberta can pose challenges for seniors and people with physical disabilities. Clearing snow from steps, sidewalks, and driveways can be frustrating or impossible. Keeping access areas clear and safe is important for emergency responders and people that assist

housebound individuals.

Yellowhead County's Family and Community Support Services (FCSS) is encouraging residents to take part of the Be a Good Neighbour campaign as well as recognize the good samaritans who have offered their help as part of this initiative!

This program encourages community groups, friends, and neighbours to shovel the private walkways and driveways of seniors in need and others who are not physically capable of shoveling their own sidewalks. This program is intended to assist seniors and community members on fixed incomes with limited human resources available to them.

Last winter, the county received 12 volunteer nominations that were entered into a draw. The winners were Keith and Lana Leakvold from Wildwood. They received a Pizza Dinner for two. As well, all of the Be a Good Neighbour volunteers previously nominated received a touque and a pair of gloves as a thank you for their kindness.

Any one person or group can step-up and take part, including junior and senior high school students, clubs, church and youth groups, etc. Volunteers who take part help spread goodwill within their communities and remind us that sometimes it's important to ask for help—and even better to lend a generous hand.

Those who would like to recognize their neighbours are encouraged to fill out a Good Neighbour nomination form. The forms can be picked up from the Entwistle, Evansburg, Wildwood, and Niton Junction Libraries; the Yellowhead County Offices; and the grocery store in Peers. This year's draw prize includes a backpack and two giftcards, and will be held on April 2, 2018.

# CALL FOR APPLICATIONS – SMALL AND MEDIUM SIZED BUSINESSES

**Submitted by Jim Eglinski, MP – Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform constituents of a funding opportunity for small and medium sized businesses in his riding.

On October 31, 2017, Western Economic Diversification (WED) announced that it is accepting applications under the Western Inno-

vation (WINN) Initiative.

Created by the previous Conservative Government in 2013, WINN is a program that offers repayable contributions to western Canadian businesses with less than 500 employees, to commercialize and bring to market innovative technology-based products, processes or services. To date, WINN has invested over \$97 million in 85 projects.

Under the current Liberal Gov-

ernment, the program is prioritizing clean technology, clean resources, digital technology, advanced manufacturing, value added agriculture, and health biological sciences.

Repayable contributions cover up to 50% of total eligible costs for each project, to a maximum of \$3.5 million per project. As long as the recipient is in good standing, interest will not be charged.

The deadline to apply is Novem-

ber 29, 2017.

"I encourage all eligible business leaders in Yellowhead to consider applying to this worthwhile opportunity," concluded MP Eglinski.

More information can be found at [www.wd-deo.gc.ca/eng/home.asp](http://www.wd-deo.gc.ca/eng/home.asp). The WINN application is available at [www.wd-deo.gc.ca/eng/14771.asp](http://www.wd-deo.gc.ca/eng/14771.asp).

## MP Eglinski on National Security

**Continued From Page 8**

MP Eglinski noted the increased threat of extremist travellers, those who have left Canada to join terrorist groups abroad.

"As ISIS continues to lose ground in Syria and Iraq, supporters of this militant group and other terrorist organizations have returned to their home countries, Canada included, with almost 60

of them now returned," he said. As of October, it was reported that at least 5,600 extremist travellers had returned to 33 countries world-wide. Canada's figure of 60 is considered to be a conservative estimate, which may be as high as 180.

After his speech, MP Eglinski was asked if he could quantify the cost of surveillance on the extremist travellers who have returned to

Canada. Calling on his past experience as an RCMP officer, he responded that the cost of keeping track of 180 individuals would be astronomical for the government. He added that it would cost less than the amount to support Canada's injured soldiers, whose benefits were recently cut by the Liberal Government.

"It is the responsibility of the government to ensure that all of

Canada's security and intelligence services have the tools they need to do their jobs . . . [Bill C-59] is the result of an election promise. I do not think there is any room or place in Canada's security to be worrying about an election promise versus the security of Canadians," concluded MP Eglinski.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
